A Spaghetti Supper will be served by Rankin Chapter No. 176, Order of the Eastern Star, on Thursday evening, January 23, 1958, from 6 to 8 p.m. in the Rankin Park Building.

Tickets are \$1.00 for adults and 50c for children under 12, and they may be purchased now or at the door. The proceeds from the supper will be applied on a scholarship to be awarded by the General Grand Chapter to a worthy student preparing for religious leadership.

RIGHT DESCRIPTION; WRONG HOTEL PIX

Last week the News carried a picture of an early day hotel in Rankin and described it as the one formerly owned by several local residents. We had the correct information as supplied by Maggie Taylor but put the wrong picture with it.

The picture showed an old hotel that was moved to Rankin from Upland. According to Mrs. Zack Monroe, it took three months to move the building which was later destroyed by fire.

Friday night, Jan. 17 at 7:30 p.m., Rankin Lions Club and TV Station KMID will present a 90 minute Jubilee Stage Show at the Rankin High School Auditorium. Featured will be Jerry Irby and the Jubilee Gang plus a number of local talent acts.

Admission, a part of which will go to the Lions Club charity fund, has been set at 75c for adults and 25c for children.

Advance tickets may be purchased at the Rankin News, Wallace Lumber Company or the Humble Service Station. They will also be on sale at the door beginning at 7:00 p.m. Friday night.

Members of the Jubilee Gang will include announcer and singer Jerry Irby, Sadie Rose, Mona Lisa Jeanne, Cornpatch the Clown, Roy and Roy, the two tones. Local talent has not been announced but it is said that several fine performers, both amateur and professional, will be on hand.

In the local talent phase of the show, contestants will be judged on their performances with the winner going to Midland to make an appearance on television. He will later be in a contest with similar winners from other towns in this area and may eventually have a number of opportunities opened to him in the entertainment field.

LIONS PLAN LADIES NIGHT BAR-B-QUE

Rankin Lions Club will hold a ladies night bar-b-que next Monday night with all members and their wives invited to attend.

Meeting time will be at 7:00 p.m. at the Highland Cafe. Arthur Brown, retail training specialist from Texas University was originally scheduled to address the meeting but due to a change in his speaking schedule has announced that he will not be able to attend. He has sent his regrets to the club.

Mr. Brown is scheduled to conduct a training course series here in Rankin February 24-28 entitled: "Let's Analyze And Sell." This course will be sponsored by the Credit Bureau of Rankin.

It has been a good week in Denver, Colorado, for the Upton County 4-H Club.

Taking 6 lambs to the National Western Stock Show, one of the largest of its kind in the nation, members of the Upton Club had the grand champion and the reserve champion lamb in the open show, the first, second, third and fourth place lamb in the heavy Southdown class, first place in the light Southdown class and in addition captured the showmanship award for the entire show.

Ambulance Service Now Available

Rankin now has its own ambulance, complete with oxygen equipment, air conditioning, two-way radio and all other modern equipment.

Several weeks ago the Rankin Volunteer Fire Department began a campaign to secure an ambulance for Rankin. R. W. Moore, owner of Moore's Funeral Home in McCamey heard of the need and decided to supply the vehicle. It was received in Rankin last week and is now ready for service.

It will be operated by members of the Volunteer Fire Department under the name of Rankin Ambulance Service. A charge of \$10 or 50c a mile, whichever is greater, will be made for use of the ambulance.

Anyone needing this service should contact the Rankin Hospital and the machine will be dispatched immediately.

IT'S PICTURE TIME

Readers are reminded that Friday, Jan. 17, is the date for having their pictures made—free of charge—for publication in the Rankin News. Pictures of the local children are particularly sought.

Those who so desire may place orders for enlargements for their personal use.

Appointments can be made by calling Mrs. Sam Holmes at MY 3-2528.

NOTICE

Any sideline quarterbacks interested in applying for the coaching job at Texas A&M should contact Dub Day.

You won't get the job but neither has anyone else.

WIN AT ABILENE

Showing in Abilene this week with over 700 sheep entered, the Boyd Brothers, Willie and Frank Jr., took Champion Southdown honors. In second place was Linda Herral.

In the light Crossbred Class, James McDonald was 3rd and Carolyn Branch 4th. The club had 6 lambs in the show.

was Gary Adams, son of Mr. and Mrs. H. G. Adams, high school principal of Rankin. Reserve honors were taken by Bud Poage, son of Mr. and Mrs. Walton Poage, rancher, Rankin. Gary had the 1st place lamb in the boys' light class while Bud had a similar spot in the heavy group. Both lambs were from local flocks with the Adams lamb being bred by Walton Herral and the Poage lamb by Ed Guy Branch.

OTHER WINNERS

Stanley James was second in the heavy, while Wayne Kennemer was third, and Linda Herral fourth. Stanley James was particularly honored when he won the Showmanship Award for the entire event.

Some 120 lambs were entered in the Southdown contest with the sale scheduled for last Wednesday. Results were not available at press time.

All of the winners were honored with a banquet on Saturday night at the Shirley-Savor Hotel. Among the honored guests attending was the governor of the State of Colorado.

SECOND WIN

This was the second year in a row for the Upton Club to take high honors in the Denver show. Last year, Corkey Thornton showed his lamb to the same Grand Champion honors won by Adams this year.

SOIL CONSERVATION GROUP TO OZONA

Members of the Concho Soil Conservation group will assemble in Big Lake next Monday following the regular monthly meeting of the supervisors and will go from there to Crockett County to visit several of the Johnson Draw dams now under construction.

Plans call for the group to be at the dam site at approximately 3:30. Any interested party is welcome to make the trip.

PICTURE TIME

We'd like to remind everyone that this week, Friday 17th, will be the date for having all the life pictures made. Those who participated last year will remember that there was no charge for this service—they could buy pictures for their own use if they wanted them or they could have them run in the newspaper without any charge.

There is no particular reason for this picture publication other than the fact that folks just seem to enjoy seeing the pictures in the newspaper. We'd like to have as many as possible—those who were in last year included—and age is no limit. It's actually for adults as well as children.

It would be a particularly good time for business men, civic workers and anyone else who might have need for a picture suitable for newspaper publication to have the cut made. As has been stated, there is no charge at this time. Ordinarily, a cut suitable for printing would cost about \$2.50 so it can be seen that this would be a good time to have this work done.

PAY POLL TAXES

It would be well to take time to pay your poll taxes along about now. Every person in Upton County who is eligible ought to get their "right-to-vote" slip this year—and

every year for that matter.

1958, however, could be a most important election year. It may well be that, unless some changes are made, we are fast approaching the time when elections will mean very little on a state and national basis.

If the attitudes and actions of office holders on the national level over the past few years are any indication, wishes and expressions of the majority are going to meet less and less in the years ahead. As it now stands, voters can elect a few county officials and expect a reasonable amount of attention from them toward the wishes of the majority. Such has not been so on the state and national level.

Every indication points to the fact that a majority of the people want less federal expenditure—yet, the budget climbs every year. The majority want tax cuts but none are given, while more are asked. The majority want the federal government to get out of private business—yet, more and more we see competition and controls imposed.

The majority want to see less money handed out to foreign countries—yet, the amount goes up. The majority want to see a cut in civil employees while the government continues to hire more people and create more bureaus.

The majority does not favor integration—in schools or otherwise—yet, lawsuits are used to enforce integration.

And on it goes.

Our representatives elected to high offices know the wishes of the people and they make promises but their actions do not match their words. They ask for advice and suggestions from their voters and then they do as they bloody well please.

In a Latin-American country this would be a sign for revolution but such is not the way of the people of the United States—not with guns at least. But, perhaps by votes.

1958 would be an excellent time—an opportune time for the voters to rebel at the polls and sweep from office all of the politicians with their false promises and false actions and replace them with honest men who are willing to put a stop to creeping socialism here and now—if such men can be found.

Pay your poll tax—NOW AND MORE, TOO

Along the same line, it can be noted daily that—even though we are supposed to be a nation in

WIFE HOOD HONORED

ON SIXTH BIRTHDAY

Mrs. Joe Hood honored her daughter Vicki, on her 6th birthday January 18th from 11:00-11:30 a.m. with a party at the Educational Building of the Methodist Church.

The favors were pin wheels. Happy Birthday was sung and the candles were blown out on the birthday cake. Ice cream and cake were served to the following:

Mr. & Mrs. Judy Menden, Connie Mitchell, Lee Browning, Jewel

which the armed forces are subject to civilian control—more and more, the names of generals, admirals and military leaders pop up in our headlines as being the people who are behind much of our national affairs.

This could be expected in the field of armament but now it is found in foreign affairs and political affairs. This ought to be changed or we are likely to find that we are at a point where everyone is working for the government and the government is run by the military. Voting is our only recourse.

1958 will, without doubt, be one of the most important years of the 1950's.

BACKWARD GLANCE

Once again, we've turned the corner from an old year to a new one.

Before old man 1957 disappears completely from sight, let's have a last look at him. His was a year of continued telephone service in Rankin and other nearby communities we serve. For that, he deserves a tip of the hat from us.

Here in brief, is his telephone record:

1. Total telephones in service in Rankin in December 1957
2. Average number of local calls a day
3. Average number of Long Distance calls a day

To sum it up, folks in Rankin depend on their telephone for many jobs for them in 1957 and we plan this year to continue providing the kind of service that telephone users here have come to depend on.

QUESTIONS FOR THE LADIES

How many times did you answer your telephone today? I'll bet. Chances are, you'll get one or two more calls in the evening's over.

I'll bet, too, you're usually in the kitchen when the phone rings or when you need to make a call. Sometime, just for the steps you take going back and forth from the kitchen to the telephone. And count the times, too when you hurry through conversation because there's something on the stove and you have to get back to keep an eye on it.

A telephone in your kitchen—where you need it most—is the handiest "appliance" you can have. You'll be surprised how little it costs to put one in . . . even if you choose from one of the glamorous new decorator colors.

If you'd like more information about how you can have a new kitchen phone, just call the telephone business office. We'll give you complete details.

Call by number. It's twice as fast.

TRI-COUNTY MEET**

Coffee was served to the members and visitors of the Tri-County Council of the P.T.-A. last Friday morning at the high school. The table held colorful bouquet, and coffee was served from a hand-painted China service.

The welcome was given by Mr. H. G. Adams, with the response being made by Mrs. James Covill of Crane.

Rev. Lynn McAden gave the devotional and a prayer.

Reports were given from Crane, McCamey and Rankin. The nominating committee was elected, consisting of Mrs. Bob Strain and Mrs. Quay Clark of Crane, Mrs. J. W. Kennedy of Rankin, Mrs. J. Langdon of McCamey, and Mrs. Carson Benedict of Fort Stockton.

The Scholarship Fund was discussed, and a Crane High School student will receive the scholarship this year. Miss Pat Dishman was the student selected from Rankin last year. Pat is a student in Hardin-Simmons University this year, and is majoring in religious education and journalism.

Miss Charlene West and Andra Mitchell gave some musical selections on the program. Mrs. M. J. Edwards gave the featured address on "Parents and Children—A Partnership," stressing the importance of having confidence and faith in the youth of today and being courteous and having fun and a good time with the youth of our communities.

Luncheon was served at the cafeteria. Mrs. H. G. Adams and Mrs. Walton Poage were in charge of all arrangements and decorations, and Mrs. Dub Day and Mrs. W. O. Adams registered the guests. Fifteen were present.

Mr. and Mrs. Paul Jacobs of Big Lake visited Monday with Mrs. Gentry and Mr. and Mrs. Sam Holmes.
