G. H. "Bud" Fisher Seeks Re-Election As Upton County Judge

G. H. "Bud" Fisher, present County Judge and resident of Upton County since 1925, authorized the News this week to announce his candidacy for re-election. In making his announcement, Judge Fisher requested the following letter be published:

TO THE PEOPLE OF UPTON CO.:

"As you probably know, I have worked as your County Judge for the past 11 years, during which time I have gained valuable knowledge and experience which amply qualify me to serve you in this position. I pledge myself in the future, as I have in the past, to render most efficient service to ALL the people of Upton County.

"I solicit your vote and support purely on my reputation and qualifications, as your County Judge. I will do my utmost at all times to justify your confidence and loyalty. I sincerely hope that the affairs of the office have been conducted in such a manner that warrant your support. If you think so, then I earnestly ask and solicit your aid and advice during my campaign for re-election.

"Thanking you for your thoughtful consideration, I am—Cordially yours, G. H. 'Bud' Fisher."

OIL ACTIVITY SEES INCREASE IN RANKIN AREA

Oil activity in the Rankin area continued to show gains this week with the announcement that Hunt Oil Co. of Dallas will drill another Amacker wildcat some 10 miles northwest of Rankin. This will be in the general area in which a number of multi-pay wells have recently been completed.

Other oil news of general interest is the apparent completion of an Ellenburger test on the Noelke ranch some 6 miles south of Rankin. Although not as prolific a well as rumored around town, reliable sources have said that approximately 18 feet of pay has developed in the hole. Another recent completion in this area is said to be increasing in production from the Ellenburger with only an 8 foot section of pay.

NOTICE

In an advertisement currently appearing in the Rankin News for Currey's Super Gulf and concerning a wheel balancing service offered by that firm the word "Electronic" should read: "Electronic."

The electronic wheel balancing process is said to be one of the most scientific devices of its kind available and the service offered by the station is the only one of its kind in Rankin.

OPENING PHASE OF IMPROVEMENT WORK—

County Advertises For Bids On McCamey Sub-Station

The Upton County Commissioners Court this week issued a Notice to Bidders for bids on construction of a sub-station in McCamey which will signify the beginning of a county-wide improvement to the jail, the courthouse in Rankin and an installation in McCamey for giving certain types of county service to residents of that area.

With some \$25,000 from the recent bond issue set aside for this work, total cost of the construction called for in the advertisement is expected to be considerably below this figure. Bids will be opened at 2:00 p.m. on February 24, 1958.

FRIDAY LAST DAY TO PAY POLL TAX

Friday, January 31, is the last day to pay poll tax.

Payments of the "right to vote" tax is reportedly lagging considerably, according to figures released by the tax collector's office. An estimated 850 had been paid by last Tuesday.

Estimated eligible voters, not including exemptions, in Upton County has been set at 2,000 to 2,500. This would indicate a heavy rush of last minute buyers and some waiting can be expected.

Voters this year will have an opportunity to exercise their rights a number of times as city, school, county, state and national seats will be up for contest. In the city election, the offices of Mayor and one councilman will be open while the school board seats for D. O. McEwen and Norman Elrod will be voted on.

HEAP BIG HUNTER

The following story came to us from a round-about source and is taken from The Mertzton Weekly Star of January 24, 1958, in their column: "Do You Remember?" APRIL 16, 1927

"CAPTURES WOLF AND SIX PUPS—Ed Guy Branch, 19, mounted his steel dust bronch Thursday and with his six wolf hounds startled and captured a wolf and six pups that had been visiting the ranch each night.

The dogs picked up the scent and after seven miles ran her into a hole. The dogs brought the wolf out and Ed Guy dug the pups from the hole with his pocket knife. After the chase and the kill, one of the dogs dropped dead, being overcome by the heat."

Note by Rankin News: It is understandable why the dog dropped dead from that much exercise if he belonged to Branch.

Contractors and individuals wishing to bid may enter their bids on all or any part of four separate phases of the work. These include:

1. General construction; 2. Plumbing; 3. Heating, ventilating and air conditioning systems; and 4. Electrical installation. It has been pointed out by the court that the bids are being broken up into the four categories in order to enable local contractors to bid on them separately without having to contract for certain types of work that would be unfamiliar to their trade.

BONDS REQUIRED

Successful bidders must send in a certified check or bid bond in the amount of 5% of their bid and the successful bidders must furnish bond in the amount of 100% of the

CAR TAGS ON SALE BEGINNING FEB. 1

Sale of the 1958 license plates will begin February 1, H. E. "Gene" Eckols, Sheriff, tax assessor-collector, has stated. March 31 is the deadline for having the '58 tags on all vehicles.

Those desiring to purchase tags should have their title and last year's registration papers. Car owners who have out-of-state titles, and those having Texas titles that are not cleared or registered must file at the court house—office of tax collector—in Rankin.

With a record number of vehicles to be registered this year, Sheriff Eckols is asking the cooperation of the public in making their purchases of new tags as early as possible.

Credit Bureau Mgr. Wins Free Course

Myrtle Brown, owner of the Credit Bureau of Rankin, has been awarded a free training course in Austin beginning February 16. These awards are made periodically to Credit Bureau and Retail Merchants Association personnel on a basis of the manner in which their particular organization is operated.

To be conducted by the extension department of the University of Texas, the Training Institute will open on February 16 and last for one week. Topics to be covered will include credit reporting, collection servicing, retail selling and related subjects.

contract price. Contractors will be required to conform to all State laws, including wage scale, and hours as required therein.

Those wishing to make bids may secure copies of the plans by depositing \$25 which will be returned to the contractor on submission of a bona fide bid on work or upon return of the plans any time prior to the opening of the bids. These may be secured from the offices of the architect, Leonard F. Crockett and Associates, 506 North Lincoln Avenue, Oessa, or they may be examined in the office of the county clerk in Rankin.

OTHER PLANS READIED

Other plans for improvements to the county jail and the courthouse in Rankin are said to be nearing completion. These will be submitted for bidding at a later date.

As presently under consideration, plans for the courthouse work call for enlarging the present structure by approximately twice the now existing amount of floor space. This new addition will extend west from the present building and will be a one-floor structure.

Among the offices it will house will be the Sheriff, Tax Assessor-Collector, Commissioners Court room, County Court room, ladies lounge, County Judge and County Attorney offices. Several of the offices such as Home Demonstration Agent, County Agent, and possibly others, will be moved from the Rankin Park Building and, along with the County Clerk, Auditor and County Treasurer, will occupy the present building. This structure, also, will get a "face lifting" during the remodeling and enlarging process.

4-H CLUB WINS IN FORT WORTH

Led by Ann Moore, daughter of Mr. and Mrs. Allen Moore, the Upton County 4-H Club took top honors in the junior lamb show in Fort Worth last week. Taking five of the first six places, including Ann's Champion Junior Lamb, the club added to this the honor of having the best pen of 15 lambs in the exhibition.

Sale of the lambs was to be made this week-end. Thus far, Miss Moore has received a certificate for the purchase of another lamb, valued at \$60 and other prize money. Two years ago, her brother, Butch, won grand champion of the show.

Next competition for the club will (Continued to back page)

With the first week-end of favorable weather in several months, some 20 golfers were on hand last Sunday afternoon for Scotch four-somes.

Teeing off at 1:30, five flights of competition were held with Katie Hutchens and Grimm Taylor taking both ends of low gross and low net with 49-25. Second on low gross were Oma Lowery and Fred Prentice with a 51. Gena Johnson and J. B. Hutchens were second low net at 29.

Other combinations included Irma Harkrider and Shorty Titsworth, 55-32; Genevieve Titsworth and Earl Pfaff, 57-33; Coral Rankin and P. V. Brown, 62-34; Billie Pfaff and Floyd Everett, 67-39;

Oma Lowery and Fred Prentice, 51-31; Ruth Bookout and Jim Wells, 52-30; Gladys Carter and Grace Roach, 68-38.

Other Scotch foursome plays are scheduled on week-ends whenever weather permits. Monday night, February 3, the women of the organization will serve a supper to a meeting of the Shell Pipeline employees and their families and guest.

Next regular meeting of the club is scheduled for Thursday night, February 6. All members are urged to attend.

Says Editor Adair:
 It's candidate time again. There
 will, in the next few months, be
 many people around asking YOU
 TO HIRE THEM IN PUBLIC OFFICE.

We know how it goes—you're a
 great guy before election and you're
 often just a nuisance to public officials
 after they are elected to the
 office. I for one am tired of this
 attitude of many officials in high
 places. Perhaps someday the entire
 nation will get tired of this atti-
 tude and public office will return
 to the dignity it held so many
 years ago when the official was
 the servant of the people instead
 of the people being the servant of
 the public official. Perhaps this
 will pinch the toes of some but if
 they will just sit down and re-
 member their campaigns the last
 time they ran for office they will
 remember that they had about
 them an air of humility that faded
 into an air of superiority shortly
 after the election.

From the president all the way
 down, the public office belongs to
 the public and the people who pay
 taxes (even one cent in taxes) are
 the BOSS and as far as we are
 concerned Ike and all the rest
 need to wake up and learn this
 fact.

This, of course, doesn't apply to
 all officials, many are very sincere
 people.

IT'LL WORK

We have devised a master plan
 to get taxes lowered and some of
 the hogs shooed away from the fed-
 eral payroll trough. It's bound to
 work.

All we need to do is prime
 Comrade Kruschew (American spell-
 ing) with a shot or two of vodka
 and get him to shooting off his big
 fat mouth about how far Russia is
 ahead of the United States in low-
 ering taxes and cutting out unne-
 cessary waste and employment.

OLD HAT

Upton County's 4-H Club has
 latched on to themselves another
 truck load of ribbons and honors.
 This has almost reached the point
 where it is not news but it's still
 mighty fine and congratulations are
 once more in order to the kids
 and Dubber Day.

It's not by accident or good luck
 that the club keeps on winning—
 one show now and then might be
 considered luck but when you win
 year after year it proves that Upton
 County has a doggone good agent
 and a splendid bunch of boys and

girls who have a program that
 they believe in and one which has
 proven that it will pay off.

Orchids all around.
 And we must further congratulate
 Day on A&M finally getting a
 coach. That situation was getting
 a bit embarrassing what with all
 the good Texas money being offered
 and no takers.

However, some of Day's close
 friends have said that he wasn't
 so interested in seeing a coach
 hired as he was in seeing A&M
 going co-educational what with
 three girls of his own looking for
 a place to go to college.

4-H PLEDGE

A move is under way to change the last line of the National 4-H Club Pledge. The move begun last year by home demonstration members through their State Association.

A committee of the Land Grant College Association working on 4-H is now suggesting that this line be changed. The pledge now reads:

I pledge:

My Head to clear thinking,
My Heart to greater loyalty,
My Hands to larger service,
My Health to a better living,
For my home, my community
And my country.

It is proposed to change the last line to:

"For my home, my club, my country, and my world under God."

A decision will be made on the proposed change after opinions have been secured from all groups interested in the pledge.

It is interesting to note that Texas for years used a variation of the pledge ending; "For my home, my community, my country and my God."

This version was dropped several years ago in the interest of uniformity since Texas youth took part in National meetings where the other version was used.

BUYING SUITS AND COATS

Anyone planning to buy next winter's suit or coat at the early Spring sale? It'll be a good buy if you shop wisely. Look for basic colors and designs. Extreme styles or colors will "date" the garment.

Be sure it fits into the basic color scheme of your present wardrobe. Invest in firm fabric that won't stretch. Lining should be of good quality.

Seams should be well stitched, and finished neat and well fitted and fastenings sewed on securely.

Remember that trim affects initial cost, upkeep and durability. Tailored decorations seldom add to cost of cleaning. Read labels carefully—know what you are getting.

COMING EVENTS

Tuesday, February 4th, 4-H Club meetings in Big Lake and Rankin.
Wednesday, February 5th, H. D. Club, Texon, with demonstration on one dish meals.

Thursday, February 6th, H. D. Club, Midkiff, with demonstration on First Aid.

Friday, February 7th, H. D. Club, Big Lake, with demonstration on one dish meals.
