### Rankin Ball Team To Play In State Tournament Friday

Once again the Rankin High School girls' basketball squad has captured regional honors and will be one of eight Class B squads in the state finals.

Last year, the girls won similar honors but were unable to show against the fine competition that was involved in the state finals. This year's squad, having a number of girls who played in the state tournament last year, is expected to be better prepared for playing the type of ball that wins on this high level.

### HIGH SCHOOL TRACK TEAM WORKING OUT IN PREPARATION FOR SPRING RELAYS

Rankin High School's track team is now well on its way toward rounding into shape for the annual series of spring relays. Their first entry, some two weeks ago in Fort Stockton, was rained out before completion.

Eighteen boys reported to their coach for beginning of practice.

They included: Johnny Rameriz, Charles Allen, Wayne Windham, Fred Aguilar, Leslie Young, Jimmy Little, Bill Lewis,

Jimmy Harris, Douglas Woodfin, Stanley James, James McDonald, Willie Boyd, Bobby McAden, Wayne Kennemer, Jimmy Seals, Don Stacey, and Bill Waldropp.

At the present time, the Red Devil field teams are not expected to be too outstanding due to a lack of speed for the short distance contests. However, they have a better than average miler in Rameriz and will likely field a competitive group for the longer contests such as the relay runs, etc.

### Seven Candidates In School Race

Seven names will appear on the ballot for the Rankin School District Election to be held Saturday, April 5. Previously there were eight men seeking the two seats. However, W. A. Waldropp, who announced last week, has withdrawn leaving Allen Moore, Dwayne Schnaubert, Dr. J. D. Gossett, Ed Guy Branch, Carl Shaffer, Troy Langford and Frank Thomas as contestants.

Absentee voting in the election will open on Thursday, March 20, and continue until Wednesday, April 2. All qualified voters who will not be in the county on election day may cast their ballot by absentee at the office of the county clerk in the courthouse in Rankin.

### National Library Week March 16-22

In an effort to encourage a better-read America, National Library Week will be observed March 16-22 with a slogan of "Wake Up and Read!"

Several programs to draw special attention to Library Week have been planned at Rankin schools with a special speaker scheduled to address a high school gathering during that time.

Both the county library, located in the Park Building, and the school library have issued special invitations to the public to visit their respective places any time during the week. The county library is well stocked at this time and offers its users a good selection of books on almost any subject.

### TELEVISION INSTALLED IN COUNTY HOSPITALS

Work was completed last week on the installation of room television service in the Rankin Hospital. A similar service will be installed in the McCamey Hospital at a later date.

This work, performed at no cost to the county by Home Appliance Company of Rankin, will be maintained and operated by this concern. They will provide room television for individual patients at a rate of \$1.00 per day.

At the present time, the Rankin Hospital is equipped with four sets but as many more will be added as are needed. Reception is said to be very good.

This move to install the sets in the county hospitals was approved by the hospital board at the request of the administrator who has said that similar installations over the state have proven most beneficial to patients in aiding their recovery. It is said to be especially helpful in keeping younger patients contented and resting when they are confined to their beds.

All servicing and operating of the sets and installation will be performed by Home Appliance with no charges at any time to the county.

### GIRL SCOUTS BIRTHDAY CELEBRATION FRIDAY 14

The Girl Scouts will have their Birthday Celebration Friday night March 14, at 7:30 p.m. at the Rankin Park Building.
