Rankin Squad Back To Play In Coahoma Friday Night

Sixth And "B" Teams Play Thursday Night

Area fans will again be treated to a free double-header here on Thursday evening, Oct. 23 when the Sixth Grade team entertains the Iraan squad and the Red Devil "B" team plays the Crane "B's".

Currently, the Rankin Sixth Graders hold a 1 won and 1 tied record against Iraan while the "B" squad has a 0-0 encounter under their belts with Crane.

Action will start in the Sixth Grade level at approximately 5:15.

UPTON TAX OFFICE COMMENDED AGAIN

For the second time in little more than a month, the Upton County Tax Assessor-Collectors office has received commendations from state officials in Austin for the fine manner in which they have handled their tax keeping records. This time two letters were received; one from Robert S. Calvert, State Comptroller as a personal letter to H. E. "Gene" Eckols and one from Olin Cooper, the state auditor who performed the recent county audit.

Comptroller Calvert was particularly complimentary in his remarks to the assessor-collector and his staff and stated in part that: "It is indeed a pleasure to make an audit of an Account when it has been so accurately kept."

Auditor Cooper stated that: "I hope I am privileged to help audit your account again. Your excellent work makes ours easier."

These commendations have come at a time when several neighboring counties are reporting considerable confusion in their tax departments with several being investigated by grand juries. Auditors were able to complete the Upton County work in a little over 8 hours. Usual length of time is from five to six days.

Assisting Eckols in the tax work for Upton County are Mrs. Ralph Windham, chief deputy, Miss Jan Rhodes, deputy and Mrs. Sherie Stephens, part-time employee and a daughter of County Judge Bud Fisher.

TO SELL TREES

Members of the 4-H Club have stated that they will again be selling Christmas trees this year. They expect their first shipment around December 1.

Mrs. Jaynelle Moore attended the District 2 Library Conference at Andrews last Saturday.

With a 5 won and 1 lost record, the Rankin Red Devils will go against the Coahoma Bulldogs in their own back yard Friday night. Coahoma has a 2 won, 3 lost and 1 tied record thus far in the season. Last week, the Bulldogs tied Roscoe 6-6 while the Red Devils were taking a week off with an open date.

Only common foe that the two teams have played this year is the Ozona Lions who defeated Rankin here three weeks ago and who dubbed the Coahoma team by a 54-0 mark earlier in the season. This will mark the first meeting of the Rankin and Coahoma teams since the Red Devils have been in eleven man football.

Coahoma, usually a toughie in their area, has been having their troubles this year getting their offense to rolling. In their game last week, they gained only 36 yards rushing in the first half. However, Roscoe was rated in the top 10 teams in the state for Class A and their 6-6 tie would indicate that

they are improving. Sporting a rather hefty squad with mostly juniors and seniors on their "A" team, the Bulldogs run a whole group of offensive formations that are expected to keep the Red Devil defense on its toes.

DEVILS SLOWED SOME

Coach Leach reported this week that his Rankin squad had suffered a series of minor injuries but that most of the boys would be ready to go Friday night. Recent injuries were sustained by 175 pound guard Bill Waldrop when he turned an ankle, center Charles Allen who had a foot stepped on, halfback Stanley James with a cut ankle, Dennis Kennemer with a knee injury and Fred Aguilar who has had some trouble with this back.

All are now working out and will be ready for the Friday night tilt. Coach Leach stated that he has not been too well pleased with the manner in which the squad has been executing their plays and has indicated stiffer workouts in this department.

PARADE PLANS SET FOR HALLOWE'EN

E. M. Sullivan, parade chairman for the annual P-TA Hallowe'en Carnival, has announced that all floats and individuals who will take part in the parade should be at the Elementary School not later than 5:15, Thursday, October 30. Parade time is 5:30.

Included in the event will be the Rankin Red Devil Band, floats by various organizations and a whole host of spooks and goblins consisting of the small fry from the area. Last year an estimated 200 persons took part in the parade with plans being made to enlarge on that number on the 30th.

Prizes will be given for the best float and the best individual costume. Competition is open to everyone.

Sullivan has asked that all who plan to enter floats to contact him in advance in order that plans may be made to include them in the arrangements. His phone number is MYrtle 3-2849.

4-H CLUB SCHEDULES ANNUAL TURKEY SHOOT FOR NOVEMBER 8 AND 9

Turkey shooters can begin to oil their firearms as the date for the annual 4-H Club Turkey Shoot nears. This year's shooting has been scheduled for the week-end of November 8-9 and promises to be one of the best.

Proceeds from the shoot are used by the club in their program.

Seniors Sponsoring Homecoming Feed

Sponsoring the Annual Homecoming Barbecue this year will be the Senior Class of 1959. Scheduled to serve from 5:00 until 7:00 p.m. at the school cafeteria, the seniors are now offering tickets for sale at \$1.00 for adults and 50 cents for children under the sixth grade.

Mums for the Homecoming game are also being sold with the plain ones going at \$1.50 each and lettered ones for \$2.00. Mums should be reserved by contacting either members of the Senior Class or their sponsors. Delivery will be made at the ticket office of the barbecue.

BIRTHS

Mr. and Mrs. W. A. Smith of Midkiff are the parents of a boy born October 18 at 2:43 a.m. and weighing 8 lbs., 33/4 ozs and named James Dewey.

FIRST METHODIST CHURCH NOV. 2-9 MEETINGS

DEVIL BAND AT OIL SHOW

High School's Red Devil Band judged "The Best of the Odessa Oil Show in last week for Class A B Bands. Judging was appearance and playing for the top spot from all over the Permian and included all sizes through Class 4A. First time to win this event the first time it has been the Red Devil aggregation other to a long line of trophies that now fill the case. Under the direction of Earl Ward, they have won district contests to the band festival in Enid, Oklahoma and are recognized throughout the Permian as not only one of the best bands but are rated as best in all classes.

Lynn McAden, pastor of the First Methodist Church, has announced that there will be a Revival Meeting held beginning Sunday, November 2 and running through Sunday, November 9. Services will be held in the mornings and in the evenings.

A special invitation has been issued by the pastor and his congregation to the general public to attend this Revival meeting. Preaching will be Rev. Quay Parmer, well-known Methodist evangelist in Texas and currently chairman of the "Tell Texas About Christ" program of the Methodist Church. Leading the singing will be Earl Ward, also a well known personality in Texas Methodist work and an outstanding music director.

Both Parmer and Ward held a Revival service at the local Methodist Church about a year ago and all who attended were impressed with the two men and inspired by the preaching and singing.

"We want everyone in this area to make plans to attend this revival", McAden has said. "We know you will be glad that you did."

SURPRISE! SURPRISE!—

Would you believe it—the 4-H'ers won another Grand Champion cup in Dallas, the Red Devil Band won another first-place as the best band in the Odessa Oil Show, and it came a good rain last week.

Ho Hum. So what else is new?

FUMBLING AROUND—

This week Rankin returns to the football trail against Coahoma. This will be the first meeting of the two teams in eleven-man play. Coahoma is usually one of the tougher outfits in their district but don't seem to be doing so well this year—so, we'll take the Red Devils to win number

six by just about whatever they feel like—if they don't fumble.

A word to fans—those of you who have been missing the "B" games are passing up some real rock 'um sock 'um football. Last Friday night the game between Rankin and Big Lake was just about as rugged a game as we have seen all year and with both teams showing plenty of spirit, made for mighty good spectating. Better plan to see the next one.

For some time now we have been thinking of writing a bit on football and after going to see that so-called game between Tech and Baylor Saturday—we've decided that it is all a joke anyway and we may as well have a bit of fun with the game so using our own Rankin Red Devils—not to be making fun of them for they are a fine bunch but just for a laugh or two—we offer the following as a sample of how a football game might be called by an announcer.

"Well, here we are folks—ready for another Friday night of football at Rankin Stadium. The weather is fine—about 22 degrees and a light rain is falling. Only a few seats left in the stands. Down on the fence, the fence-riders are standing twelve deep.

Now the band is playing the old school song and everybody is standing up.

Here comes the Red Devils onto the field . . . Boy, they're fired up tonight as they charge out of the dressing room — oops. Supt. Joe Scrivner just got bolled over there by Number 62, Lawrence Johnson as he rushed through the gate. Now the team is on the field warming up—you can't see the team—just the dust and grass that is fogging up out there. Now there is Jimmy Harris doing a few diving rolls as he gets warmed up . . . one, two, three, . . . twelve, thirteen . . . twenty- three, twenty four . . . fifty one times and now he's up on his feet and ready to go—no, he's down again . . . man, he's pooped.

Here's coach Leach now and he has all the boys in a huddle as he gives them their final instructions. Let's listen by means of our portable microphone as he speaks to the boys. Here he is: "Let's get 'em and all."

Now the captains and the officials are in the center of the field and the referee flips a coin . . . there's Sheriff Eckols and he has the ref in custody now—no gambling on these high school games you know.

The band is playing the old school song.

Here's the kickoff . . . it's a long one way down the field . . . it hits Charles Allen there in the center of the line and Red Little is there to cover the ball . . . using a lace-trimmed cloth edged with pink lace, he places it gently over the pig-hide . . . the pig squeals . . . a very nicely covered kick-off.

Here's the play now . . . quarter-back Boyd is fading back, fading, fading, fadi, fad, fa . . . man, there is a real fading play.

The band is playing the old school song.

Now we have a penalty being assessed against the Red Devils . . . fifteen yards for clipping. Number 23 there was the boy that was clipped . . . the one with the seat out of his pants and the referee is taking a pair of scissor away from Number 65 there, Bill Waldroop.

Here we go back to play and its a trap play . . . man what a hole in that line. You could drive a truck through it—and there it — one of those big, new Halliburton jobs. And on that trap play the Red Devils used a number 12 bear trap . . . they're having a bit of trouble getting it off the leg of the opposing guard.

The band is playing the old school song.

Now we're in the fourth quarter and Rankin is down on the goal line and there goes Windham driving, driving, driving over the goal line, right on through the fence and into the swimming pool.

Here's the kick-off again . . . the referee blows his whistle and drops his arm—he picks it up quickly and is looking rather sheepish out there. Here is their quarterback on a roll out around his own end. That sounds like it would be hard to do but its really old hat.

The band is now playing the old school song.

There's the gun and the game

OLD STAGE SITE LOCATED ON NEARBY J. M. RANCH

Mrs. E. C. Higday, Mrs. Jack Smith, Miss Maggie Taylor, Miss Rebecca Reed, Mr. and Mrs. Tyson Midkiff, Mrs. Bill Nix, Preston Patton and Joe Roy Kilchrist made a trip to the J. M. Tippet ranch north of Rankin Sunday to make a survey of the old Butterfield stage stand and corrals that are located just south of the headquarters of the J. M. Ranch.

Old rock corrals are still standing at the site, however, falling down and some have been hauled away. An old well, with rock walls that was in use at the time the stage was in operation, is still there although partly caved in. Water in the draw where the well is located was only 20 feet deep at the time it was dug.

The Upton County Historical Society has started making these surveys for the preservation of our Texas Historical Heritage.

RANKIN SENIORS ELIGIBLE FOR TRY AT SCHOLARSHIPS

Senior students at Rankin high school are eligible to compete for more than 100 four-year college scholarships offered by General Motors under its National Scholarship Plan, according to Bill Hood, principal.

Competition is open to seniors who are United States citizens and who plan to take the College Entrance Board examination for admission to the college of their choice, or who arrange to take the examination in order to compete for a GM award. There is at least one GM award in each state and more than 50 winners chosen at large. Seniors awarded scholarships under GM National Scholarship Plan may attend any college or university of their choice and pursue any course of study.

More than 400 students are now attending 110 colleges and universities under the Plan, initiated in

ORCHIDS TO LEADERS

Orchids—and we wish they might be real ones—go to a group of volunteers in Upton and Reagan Counties for their leadership work with 4-H girls in their subject matter programs. The girls have been divided into small groups of six to twelve are beginning the first

1955. Their career objectives include all phases of study.

Full details of the competition, including registration dates for examinations, are available in Mr. Hood's office.

General Motors offers other opportunities for scholarships. Under its College Plan 302 four-year college scholarships are awarded annually by 180 colleges and universities located in 48 states and the District of Columbia. A list of the participating colleges may be obtained from the principal's office.

Awards under both plans range from \$200 to \$2,000 per year depending on the student's needs.

foods unit. Leaders at work at the present are Mesdames H. B. Igo, J. D. Carter, Cecil Sullivan, Reed, Billy Rankin, H. R. Sturgeon, R. A. Johnson, Garrett, Burch Woodward E. D. Leach, Jim Patton and J. W. Shaw in Upton County.

In several cases the women will be assisted by junior leaders. Additional leaders who will help the girls with the units of from six to twelve lessons are needed. We'll be glad to hear from anyone who likes to work with girls and has a few days they can give. We are predicting that the leaders will enjoy their little groups as well as being a big help to them.

CLEANING WOMEN'S FELT HATS

If you can't afford a new fall hat, give the old one a new look with careful brushing and cleaning, suggest extension clothing specialists.

Start by careful brushing. This may show up spots and stains that need special treatment.

Try using the sandpaper method first. With a piece of No. 0 sandpaper, begin at center top of crown

The Rankin (Tex.) Thursday, October

and gently sand in the direction around the crown and the brim.

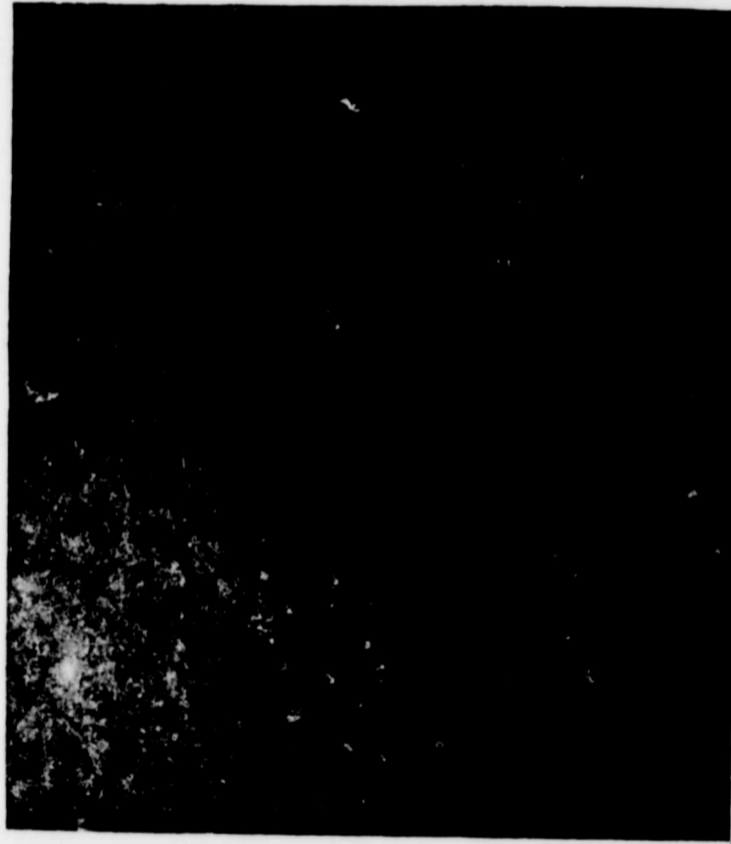

If this fails, use nap cleaning fluid. Dip a nail brush, in the fluid, shake out the excess and brush the hat until the soiled spots are clean. Remember to work using cleaning fluids.

White or light colored hats may need special treatment. Rate cornmeal with nap cleaning fluid. Rub the hat to the felt with a clean brush.

When fluid has evaporated, brush out the cornmeal and store before storing.

THE WEEK AHEAD

We leave early Sunday for a week at State Agency at the A & M College Station. We shall be back Saturday, November 1. Meeting.

You watch your bright-haired boy turn in a twinkling from rowdy horseplay to tender cherishing of an injured bird.

How humbly proud you are of such evidence that your son is growing—in all directions!

And how you want for him a world where there are no barriers to his development as a free and independent American.

There are many ways you can help assure this sort of world for him. One very important way is to be on the watch for ideas that could deprive him of his right to freedom and independence.

The idea, for instance, that "government should run such and such a business, a service, an institution." Even though it has been shown that the more things government runs, the less freedom there is for the individual.

When you hear people talking like that, point out that when you take independence away from anybody, you undermine the freedom of everybody.

Very much aware of this threat are the independent electric companies, because government already runs part of the electric business. And powerful people are pressing government to take over more.

DEVINE SAYS REDS PLANNING TO REFORM USA IN ALL FIELDS

"Communism is working in Russia and the people are strong, willing and capable of developing the country into a great power," so said Tom Devine of Midland, who spoke Monday night to the Rankin Lions Club of his impressions about Russia and Communism gathered during a recent trip to that country. Devine, Republican Candidate for State Representative in the 102nd District, returned some three weeks ago from a 27-day trip through a number of Russian cities including Moscow.

Devine told the Lions the Russia was a nation where 90 per cent of the people were loyal to a form of government that had lifted them from their backs in 1918 and in only 40 years given them their highest standard of living they had ever known.

"Through their complete control of the newspapers and the radio, the Communist politicians have led the Russian people to believe that they are living better than anyone else in the world and that John Foster Dulles, American Foreign Minister, is out to get them," Devine explained.

He and his traveling companion visited many points in Russia and found that the average Russian is hard working, satisfied with his lot and highly desirous of peace. He

believes that the SU government dominates the American people and that it is the policy of America to try to destroy the Russian.

"Russia and the Russian people live by one slogan and that is to beat American," Devine said. "It is their desire to beat us in every phase of development and we have a capable, aggressive and determined challenger in this task of keeping ahead."

Devine pointed out that it is important that we do keep ahead of the Russians in scientific development and achievements and other fields since almost half of the world is sitting on the sidelines waiting to see which form of government can eventually emerge as the more outstanding. Once a definite pattern is developed, Devine believes that the other countries of the free world will turn and follow the leader.

In speaking to the Lions, Devine did not talk on his present political race other than to mention that he is a candidate for the office.

Smart Ducks Don't Wait...

The smart duck takes early precautions against freeze-ups. In fact, just about the smartest thing you can do is take your car around to your Phillips 66 Dealer today for guaranteed anti-freeze service! Here's what we guarantee:

Bring your car in and tell us the temperature protection you want—even down to 40 below. We'll fill your radiator with the right amount of Phillips 66 Anti-Freeze (permanent type). Then, if at any time during the winter you have to add anti-freeze to maintain this level of protection, we add it at no expense to you.

Could anything be fairer? Get this guaranteed anti-freeze service at any Phillips 66 Station.
