Scouts Observing Organizations' Birthday

On March 12, 1912, Mrs. Juliette Gordon Low of Savannah, Georgia established the first group of American Girls, who soon became known as Girl Scouts. Today, the membership in this character-building organization numbers well over two million girls and adults.

This week is observed throughout the Nation as "Girl Scout Week." Here in Rankin, Mayor A. E. Ivy has called upon all citizens to take part in helping the local Girl Scouts in their celebration.

"Our community is proud of the Girl Scouts in our midst and we admire their efforts to help themselves in attaining their goals," the Mayor has stated.

Among the projects presently being carried on by Rankin Girl Scouts is a Cookie Sale with proceeds to go toward improving the Girl Scout Camp at Mitre Peak.

SPECIAL PROGRAM

On Friday night, March 13 at 7:30 p.m., the local organization will present a Birthday Celebration at the Rankin Park Building. A guest speaker will be featured along with a film. The public is invited to attend and to support the Girl Scouts in their efforts to build the citizens of tomorrow.

Football Banquet Honors '58 Red Devil Squad

In their annual banquet, held last Tuesday night, March 10 in the Elementary School Cafeteria, members of the 1958 Rankin Red Devil football team were honored. They ended their season in a three-way tie for first place last fall.

Toastmaster for the evening was H. L. Wheat, superintendent of the McCamey Schools. Bill Hood gave the invocation which was followed by a dinner of baked ham and the usual trimmings.

Special guests were introduced by Joe Scrivner, superintendent of the Rankin Schools. Following the introductions, Andra Mitchell, daughter of Mr. and Mrs. Andy Mitchell of Rankin, was crowned 1958 Football Queen.

Both the football and the basketball teams were introduced by Bob Finley and Euwelle Kelley. The Co-quets, a fine singing group from Midland High School, entertained the gathering.

Coach Don Leach introduced the speaker of the afternoon who was J. T. King, backfield coach of Texas Tech.

The meeting was closed with Rev. Lynn McAden giving the benediction.

Dub Day, County Agent, has announced that the Upton County 4-H Club will sponsor a gun club for the youngsters of the County.

Plans have now been completed and the organizational meeting will be held next Tuesday, March 17 at the Agent's office in the courthouse. Time for the meeting is 7:30 p.m.

"It is our desire to train the youth of the community in the proper use and handling of firearms," Day said. "We believe it will not only make them better sportsmen, but will be a great help in teaching them safety with guns."

CLOSING NOTICE

Weather permitting, The Rankin News will be closed from Friday until Monday. Gone fishing.

Candidates seeking election to the school board now total eight.

Filing before the deadline last Wednesday were Allen Moore and Dr. J. D. Gossett. Both were candidates in last year's election.

Now running are Joe Simpson, re-election, Ward Thornton, Myrtle Brown, Blanche Lewis, Willie D. Poyner Johnny Hurst Moore and Gossett.

Absentee voting opened today, Thursday, March 12 and will continue until three days before the election on Saturday, April 4. All absentee votes must be cast with the County Clerk at the courthouse.

In drawing for places on the ballot in the office of the business manager last Thursday, the order in which names appear are Johnny Hurst, Allen Moore, Ward Thornton, Joe Simpson, Willie D. Poyner, J. D. Gossett, Blanche Lewis and Myrtle Brown.

Eligible voters will be those living within the Rankin Independent School District and who have paid their poll taxes.

RED DEVIL BAND FIRST IN BRADY CONTEST

As proof that they are still on their toes, the Rankin Red Devil Band walked off with top honors in "The Heart of Texas" band festival in Brady last week-end. They were judged first in Class B out of five entered. Their first-place winnings in sight reading and concert playing were a repeater of an earlier accomplishment this spring in Del Rio.

On March 21, director Fred Frantice will be in Canyon as a judge for contests to be held there.

4-H CLUB WINS 3 SECONDS IN HOUSTON SHOWING

First place was hard to come by for the Upton County 4-H Club in Houston last week but seconds were plentiful as they had 2nd in Crossbred, Finewool and pen of 15.

This week they are in San Angelo for their final appearance of the current season.

NO MORE TAKERS FOR CITY COMMISSIONER POST

While candidates were plentiful in the school election, only one has filed thus far for City Council. J. B. Pettit has announced for re-election.

Deadline for filing in the city election will be 10 days prior to the voting on April 7.

AN OLD ISSUE—

Sometime back Mrs. W. O. Adams was kind enough to bring us an old issue of "The Rankin Register", a newspaper that was at one time published here. It was dated July 27, 1927.

Among the big happenings of the day at that time was the formal opening of the Yates Hotel which had been "receiving and caring for guests" for the past two or three weeks. The lobby had just been completely furnished with writing desks, chairs, reading tables and overstuffed lounges and presented "a most attractive appearance".

B. H. McDonald, formerly of San Angelo, had took charge of the Palace Theatre.

A Del Rio woman, Mrs. F. A. Harris, had died at the age of 107, leaving a young daughter, 75.

The weekly luncheon of the business men and women of the town was held at the Praxilian and was well attended. Mr. Mills of the new real estate firm made an interesting talk on co-operation.

Secretary of Commerce Herbert Hoover had visited President Coolidge and reported on the Mississippi River floods. They discussed federal relief and said that there was only enough money in sight to carry on the program until November. (Federal handouts did not start yesterday.)

In Dallas persons living near a vacant house heard sobs and called the police who found a young woman on the floor crying aloud.

"There's nothing the matter," she sighed. "I just wanted to take a good cry to make myself feel better and I thought I wouldn't be disturbed here." (Times may change, but women . . . I'll take vanilla—thank you.)

"Opportunity Often Wears Velvet Shoes" was the heading used on a large advertisement telling of the many advantages of buying a lot in East Rankin. "The Best Part of the Original Town of Rankin, Texas." Lots were \$50 and up. (Opportunity should have been clad in drillers boots to warn the suckers.)

The City Drug Store, J. F. Soussares, prop., had just received a shipment of "Joncaire of Paris, France" perfumes—elegance unequalled.

Parisian Beauty Shoppe in the Bank Building was offering "Free Work Each Wednesday. (One way to draw a crowd.)

And king Ferdinand of Rumania had died on Monday.

All of which brings up many questions of the old days in Rankin and West Texas and one in particular: "When is the birthday of Rankin?" We'd like to know if any of the old timers have the exact date.

CANDIDATES APLENTY—

For a while, it looked as if no one was going to file for the school board race and then, wham, there are eight contestants for the two seats up for voting. That's more

like it. Anyone who can't find a candidate to his liking in that many is just doggone hard to please.

We tip our cap to each and every one of them for being public spirited enough to make the race and remind them that there are those of us who can be influenced in our voting by a good sport who is willing to put out for the coffee

Just because the position doesn't pay any salary is no reason for a candidate to think he can get by without a little politicking and poll taxes cost \$1.75 any way so you can see how much coffee money that will take.

Now it will be up to the voters to turn out in force and make the election a true contest. If you plan to be out of town, be sure to cast an absentee ballot before the deadline.

And if there are any who feel that the school ballot was too crowded for them to file in that race,

the City is having an election, too and so far have only one taker.

If it would encourage anyone, we point out that McCamey has nine in their city race.

A GOOD TIME—

Once we get past our usual "West Texas Rainy Season" the weather ought to be favorable for working in yards. Rankin has come a long way in the last few years toward cleaning up its dirty face and a few flowers and shrubs planted in yards always help. We have talked it over with the wife and believe that we can arrange her schedule so that she will be able to get out some plants in our yard. Neighbor Edgar is one of the better workers in this line of business and everytime he plants a new bush, it costs me.

Now we have an authority in the neighborhood in San Pitzhuege and

TEXAS CHAMPIONS OF FREEDOM

THE FRANCISCAN PADRES

Ambassadors of Liberty and Enlightenment

Just a mile from the little city of Menard, Texas, a mute testimonial to the bravery and martyrdom of three dedicated Franciscan Fathers still stands...the ruins of the Presidio San Luis de las Amarillas. More than 200 years ago, at the request of the Lipan Apache Indians, Spanish missionaries and soldiers came to the banks of the San Saba River to advance the frontier and spread Christianity. The Comanche Indians, enemies of the Apaches, were suspicious of the mission San Saba and on March 13, 1758, came in the guise of friendship, asking admission.

Skeptical, yet welcoming anyone who wished to receive their religious teachings, the Fathers opened the gates. In the massacre that followed all were killed save one, who lived to reach the soldiers in the Presidio, two miles away, and report the trag-

edy. Today the names of the Franciscan Padres who gave their lives to bring enlightenment to the wilderness are inscribed on a historical marker at the mission site and in the memories of all who revere selfless courage and devotion to faith.

Today Texans still demand and get their right to choose the way they want to live. In this vigorous and freedom-minded homeland... "Beer Belongs" and this is why the United States Brewers Foundation works constantly, in conjunction with brewers, wholesalers and retailers, to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of Texans, the Foundation stresses close co-operation with the Armed Forces, law enforcement and governing officials in its continuing Self-Regulation program.

FREE PROGRAMS

We occasionally are asked to provide a program or entertain the various organizations to which we belong. Well, maybe

Telephone Company keeps a list of outstanding films that are for church, school, clubs and other groups. These are all in color.

The most interesting ones are the Bell System Science films, hour in length and in color. They are "The Alphabet Con-Gateways to the Mind", "The Unchained Goddess", "Strange the Cosmic Rays", "Hemo the Magnificent", and "Our Mr. Ideas science features there are films of general interest, in-The D E W Line Story", "Voice Beneath the Sea", and "by Mistake", Safety films, and films on good telephone both for adults and children. As you can see there are a variety from which you can choose.

If we can be of help, just call our business office in Mc-Mrs. Harding or Mrs. Lovinggood will be glad to help you with the program you need.

A PART OF GOOD LIVING

When we hear the term "good living" quite often. I have a definition, but to find out what it means to other people, I discussed the subject with a group of friends a week or so ago. The "good living" talk was over and the coffee served, one woman made music for my ears by saying that the telephones at home are certainly an important part of good living. I agreed to agree, and that gave me a chance to point out that telephones in bedrooms and kitchens are low in cost, too—a month plus installation. For color, you know, there's a charge of \$10. I sold a couple, too.

LOOKING AHEAD TO EASTER

Easter, to most of us, is a happy, dress-up, go-to-church day for the family. And I hope you and your family will all be ready for a happy Easter.

Some families are scattered and won't be gathered together for the carving of the ham.

In such a case, a Long Distance visit or two by telephone is the next best thing to being there in person, and every minute on an out-of-town call.

Low Sunday rates will be in effect. And if you call station, you can talk longer for less.
