Day Lockup Start Friday

Business houses and offices will be closing Friday for Labor Day Holiday. The streets will be closed from 12:01 a.m. until Tuesday as will the Rankin News and other publications. Among these firms will be closed are the Rankin News and other publications. Special observances of the day are set locally. At the same time, three local businesses are observing Labor Day by offering special prices to their customers. Among these are Cashway Grocery and Boggs Grocery. The Rankin News Department is offering a number of "Back-to-school" items starting this week.

RED DEVILS WILL BE UNDERDOGS --

Football Season Opens Friday With Rankin vs. Big Lake

The 1960 Football Season will officially get underway here at 8:00 p.m. Friday night, September 2 when the Rankin Red Devils host the Reagan County Owls of Big Lake.

Both teams are in the process of rebuilding their squads al-

though the Big Lake team will have the services of 8 starters back from last year. In weight, also, they will be at a slight advantage with a line average of 168 compared to 165 for Rankin and a backfield average of 161 as compared to Rankin's 153.

Coach Don Leach said this week that his boys were physically all ready to go with only one possible exception, Richard Abalos, a tackle, who has a sore spot in his shoulder. The coach also said he wished the squad had a little more time in which to prepare for the game.

"Most everybody thinks that the Big Lake team has the makings of a fine ball club and we can expect to have our hands full Friday night," the coach said.

The Owls will be playing their second year under new head coach Dremont Davis. The assistant will be Ken Williamson, former San Angelo Junior High coach who is in his first year in Big Lake.

RANKIN STARTERS—

Named by Leach to his offensive starting line-up were: Joe Gregg and Bucky Scarborough at ends; Fred Moore and Don Stacy at tackles; Jack McCain and Joe Perks, guards, Donnie Gryder at center, Lonnie Ferrell at quarterback, Jimmy Linthicum, fullback;

Tom Aguilar, left halfback, and Willie Boyd at right half.

Others who will likely see action for Rankin will be Robert Moore and Ernest Clay, ends; Abalos, Franklin Farrow and Gary Chesnut, tackles, Jerry McDonald and Keith Whiteside, guards, Robert Browning, center and backs Mike Kelley, Troy Chesnut and Ronnie Gryder.

REAGAN STARTERS

Starting at center for Big Lake will be James Mann, 185; Duyane Basham, 145, and Wayne Davis, 175, guards; Tommy Childress, 175, and Kenny Mann, 180, at tackle; Harold Gardner, 160, and Jerry Aly, 152, ends; Mike Holmes, 145, quarterback; Tommy Franklin, 185, fullback; and Joe Aguerro, 151, and Gary Miller, 161, halfbacks.

Programs containing the complete rosters of the two teams, the players numbers and their weights will be on sale at the gate by members of the Senior Class.

A pep rally will be held downtown at the intersection of 8th and Main Streets on Thursday evening at 7:30. The band, pep squad, and football team, as well as the remainder of the Rankin High School student body and faculty, cordially invite all fans of the Red Devil football team to attend this pep rally to urge the team to win the 1960 opening football game against the Reagan County Owls.

McCamey Man Files Suit Against Commissioners

McCamey, owner of the Rankin News Company in McCombs, filed a law suit in District Court seeking an injunction to halt the County Commissioners' use of county equipment for personal benefits not on the public roads. His petition continues: "because of the aforesaid use of public machinery for private purpose, the plaintiff is deprived of the opportunity of having his time and equipment gainfully employed..." Arnold had originally filed a similar suit against E. K. Buford, Commissioner in Precinct 3 of McCombs but this week amended it to include the entire court after it was ruled that he could not bring suit against only one member of the court seeking an injunction against him alone, but must include the entire body.

As of Wednesday morning, all the members of the court had been served with the notice of the suit with the exception of Commissioner H. Wheeler. He said that he expected to be served that day.

Also, as of that date, the court had not held any official meetings since the time that the suit was filed and thus had not reached any decision on the matter. One commissioner stated the opinion that the court would defend their actions and would likely employ legal council against the suit.

A local attorney, commenting on the action, said that he believed the court had good grounds on which to defend themselves against the suit and that it would not be too difficult for them to prevent the granting of Arnold's request for a permanent injunction.

STICKER SALE

Student Council representatives will be on hand at the Thursday night Pep Rally, to sell the "Backing the Red Devils" bumper sticker.

Upton County Agent Wins National Award Honors

September 1—(Dub) Day, Jr., Upton County agricultural agent since 1946, today was named the National County Agents Association's Service Award for one of six Texans. Day was nominated by the Texas Association and confirmed by the Upton County Agricultural Extension Service. The award was announced by the Upton County Agricultural Extension Service.

Day was first employed by the Texas Agricultural Extension Service as an assistant county agent in training in Howard county in June 1948 and three months later was transferred to the position he now holds.

Since sheep are responsible for most of the county's agricultural income, Day has pushed programs aimed at improving the animals and increasing their production of wool. His citation reads: "For leadership and cooperative work in sheep improvement through a strict culling and selection program and for outstanding work

with rural youth both of which have made rural life in the county more enjoyable and profitable."

During the first year of the sheep improvement program which he has directed only one ranchman carried out the recommended culling and selection practices. He has followed the program for 10 years and only recently made the statement that his lowest shearing buck would produce more wool than his best buck sheared in 1949. Presently, almost half of the ranchmen in the county are following a strict culling and selection program. The wool clip of the county has been increased an average of about two pounds per animal. Better preparation of the clip at shearing time has ad-

ded as much as three cents per pound to selling price of the clip.

To further implement the improvement program, the county program building committee asked the county to provide three wool squeeze machines. These are used to select sheep on their ability to produce wool. During 1960 more than two-thirds of the ranchmen in the county used these machines. Some wool producers are also using the matched mating selection system in increasing wool output.

The 4-H Club members of the county each year feed out about 200 head of lambs for show purposes. They have exhibited at every major Texas livestock show and the National Western at Den-

ver. They have won 43 grand and reserve championships plus many other prizes and awards. The club holds an annual rodeo and the profits are used to defray their expenses during the year. The club owns a stock show van. The members have also won district and state honors in wool, grass and livestock judging and rifle safety.

Day is a native of Ralls; a graduate of Texas A & M College; a past president of the Rankin Lions Club and a former zone chairman of Lions International. He is also active in other civic and community affairs. Currently, he is serving as district director in the Texas County Agricultural Agents Association and is chairman of the Association's 4-H Young Men and

GOLF STORY—

A sizeable batch of Rankinites will make their usual Labor Day trip to Del Rio to knock balls into the dozen or so water holes located about the San Felipe Golf course.

A couple of weeks ago, a group went down to practice before the tournament. Among them were Ray Boggs and Floyd Everett. On the second hole, a back-breaker, Everett knocked his last ball into the water and turning to Boggs said: "That was my last ball. Do you have an extra?"

"Use this one," Boggs said, tossing him a new ball which he promptly knocked into the water. "Gim'me another one," Everett

tion, all formal and printed in
the most proper manner. And in
one corner was stuck the Union
Label of the printers guild.

Now I have no unfavorable com-
ments to make toward these three
ladies nor their efforts on behalf
of the Democratic candidates. Nor
do I care to take a dig at the
Union itself but when any group

of President of the United States

Rankin Baptist Church Is Scene Of Midkiff-Strange Wedding

Dr. James S. Riley, pastor of the Second Baptist Church of Houston officiated for the double ring ceremony at 7:30 p.m. Friday in the Rankin First Baptist Church which united in marriage Lillian Carolyn Midkiff of Rankin and James Francis Strange of Tyler.

Mr. and Mrs. Tyson Midkiff of Rankin are the parents of the bride who is a graduate of Tivy High School in Kerrville and of Rice University. She had also attended Hardin-Simmons University in Abilene. At Rice, she was a member of the Baptist Student Union and Rice Religious Council. She will be a math teacher in East Haven High School, East Haven, Conn., this fall.

The bridegroom, son of Mr. and Mrs. J. D. Strange of Tyler, was a graduate of Tyler High School and Rice University. He is a Divinity student at Yale University, youth director of the Center Church at New Haven and a member of the Carey Club.

The father of the bride gave his daughter in marriage. She wore a gown of camellia white organdy over silk taffeta. In classic silhouette, it was designed with a portrait neckline accented by a deep fold of the organdy outlined with Venice Lace. The sleeves were worn at elbow length and were edged with motifs of the lace pattern. The bouffant skirt fell to a circular train. Her veil of silk illusion in finger-tip length was attached to a crown of Venice lace.

Nancy Gary of Midland was the maid of honor and Mary Wylie of Henderson and Darla Adamsen of Midland were the bridesmaids. They wore light blue taffeta dresses with sweetheart necklines. The bell shaped skirts were designed with pleates across the back and their hats were of matching blue net and their bouquets were of red roses.

J. D. Strange, father of the bridegroom, was best man. Groomsmen were Joseph Ward of Tyler and Bertram Meharg of Houston. Tierri Lee Jones of Houston, nephew of the bridegroom, and Gary Drake of Midland, the bride's cousin, lighted the candles. Bill Midkiff of Big Lake and Joe Midkiff of Midland, brothers

of the bride, were ushers.

Perry Tyson Midkiff of Big Lake, the bride's nephew, was ring bearer. The flower girl was Cynthia Ann Midkiff of Big Lake, niece of the bride.

Decorating the church was a bank of greenery centered with a prie dieu. Also used were candelabra flanked with baskets of white gladioli. Hurricane lamps marked the pews of the immediate family of the couple and the other pews held greenery and white satin bows.

Nuptial music was provided by Richard Mitchell of Tyler, who accompanied Mrs. Louis Burton, Kerrville, who presented "O Perfect Love" and "The Wedding Prayer".

The reception was held in the Rankin Park Building. Mrs. Midkiff, Miss Gary Mrs. Joe Midkiff and Mrs. Bill Midkiff and the bridegroom's parents greeted the guests.

Mrs. Robert Coffee, Midland and sister of the bride, presided at the register. Serving punch was Elaine Hackard of Austin, cousin of the bride. Cake was served by Mrs. Dale Chandler of Midland.

For the wedding trip to New Mexico, the bride selected a light

olivegreen print cotton suit with black suede shoes and handbag. A black velvet hat and black kid gloves and a white rose corsage completed her outfit.

The couple will reside at 591 Orange Street in New Haven after September 2.

Lou Browning Has Birthday Party

Mrs. Bert Browning honored her daughter, Lou, on her eighth birthday with a party in their home Monday morning from 9 to 10:30.

Games were played and refreshments of birthday cake and cokes were served to the following:

THE TRUE MEANING OF LABOR DAY

Labor Day means much more than a pleasant holiday and an opportunity to relax. It is a day to reflect on the American Way — where employer and employee meet on equal terms. More than ever, we are proud of our American heritage. But do not forget that your working conditions in the next few years will also depend upon the reserve you are able to build out of your earnings. Work for the future as well as for today.
(No business will be transacted at this Bank on Labor Day)

EVER HEAR OF SOME ONE BUYING A LEMON IN INSURANCE ?

Of course you have. It pays to know your insurance agent as well as you would your car dealer.

If you will check with our customers, you will find that we have a very prompt claim service, fair rates—we don't add on a lot of items you don't want—and we give personal attention to all accounts
