XXXV—NUMBER 39

RANKIN, UPTON COUNTY, TEXAS

THURSDAY, SEPTEMBER 29, 1960

Notice To Ex-Students

Students of Rankin High School interested in the planning of the 1960 Homecoming are asked by Principal Bill J. Hood and the Student Council to meet in the High School at 7:30 Tuesday evening, October 4.

Homecoming this year will be held on October 21. The event will be the Rankin Red Devil-Sanderson game which will be the second district game for the local team. Sanderson, at the present time, has a won-loss record of any team in District 7-A.

Meeting Called To Form Booster Club

Students interested in forming a booster club to support the Rankin Red Devil football team are asked to meet Thursday night at the Highland Cafe. The purpose of the club is to hold regular meetings at which the coaches, the club members and interested citizens will be shown and discussed. The club will work with coaches and interested citizens in supporting the school in various ways.

Any local citizen will be eligible for membership whether they have boys on the team or not. A small membership fee may be charged.

APPLICATIONS WANTED

Rankin Schools have asked that any one, having some college work, and interested in making application for substitute teaching work in Rankin Schools, contact the superintendent's office and leave their name.

They should call MYrtle 3-2351 and talk with Miss Glenda Kennedy secretary to the superintendent.

Give Eldorado "What For" Before Dropping Tilt 14-27 --

Red Devils To Try For Win Over Ozona Lions Friday

Ozona, the old Rankin jinx, will be in town Friday night. During the past years, Rankin has turned in some of their hardest and best football play against the Ozona Lions but has never been able to wind up the game with the score in their favor—everything else in the way of statistics, but not the score. Last year's game between the two teams was a fan

thriller with Rankin giving the Lions a very hard time—but not winning.

Friday night, Ozona will have the services of eleven seniors, and seven juniors—many of them of last year's squad. They have won two games and lost two—one to Class B Bronte. These losses are not expected to be much of an advantage to Rankin since the Lions will likely be out to prove that they have the material but have just been off their game for the past two weeks.

They will field a team somewhat smaller than Crane in size but with experience in every position. A fast backfield and a strong line has—until their recent upsets—had them rated high in state standings. This, too, is not unusual for the Lions and should in no way discourage the Red Devils since the Crockett County boys are often rated high in state play.

Following their best showing of the year last week against the Eldorado Eagles in which the Red Devils proved themselves a rough and ready team, the local eleven will still rate the underdog position and are expected to have to show even more improvement if they are to defeat the Lions.

Rankin made it through the Eldorado game without adding any players to their injured list and hope to be in better physical condition Friday night—barring any mishaps in practice this week.

Rankin fans were overjoyed with their favorite's showing last week and have high hopes that this may be the team, the time and the place when Rankin will win on the score board as well as on the field.

In their 14-27 loss to the Eagles, the Red Devils topped the Eldorado squad from the unscored-on ranks and all but played the big and experienced team to a stand-off. Two mistakes in their defense allowed the Eagles to get across a couple of markers that decided the difference in the contest.

"Meet Your Neighbor Sale" To Be Held By Local BSP Chapters

Members of the two chapters of Beta Sigma Phi in Rankin have scheduled a sales promotion to be staged in the grocery stores here Friday and Saturday of this week. Display booths will be set up in each store and manned by members of the clubs who will offer a line of cake mixes, pie mixes and other similar products of a nationally known brand.

Known as a "Meet Your Neighbor Sale" the products will be sold at their regular prices and the clubs will receive 5 cents per box on all sales.

Cub Scout Pack 56 Sets Light Bulb Sale

Cub Scout Pack 56 has announced that they will have a light bulb sale October 11 between the hours of 4:30 and 5:30 p.m. A door-to-door drive of the residential area will be made.

Price of the bulbs, which will be of assorted sizes, is \$2.00 for a package of eight. This is the same price that a similar pack sells for in local stores with the Cubs getting a 30 per cent commission on all sales.

All proceeds go to the Rankin Scouts.

B TEAM WINS—

On Thursday night, the Rankin B team turned in a thrilling performance to defeat a larger Stanton B team by a 22-14 mark. Preceding this game, the Rankin Junior High got a measure of revenge on the Crane Junior High when they downed them 12-6.

Both games were well attended considering that they were Thursday evening games. Fans are always welcome at these contests and there is no cover charge.

Woody-Willis Vows Set For December 17

December 17 is the wedding date chosen by Miss Virginia Myrtle Woody and James A. Willis of Abilene Christian College. Miss Woody is the daughter of Mr. and Mrs. E. L. Woody of Rankin and Mr. and Mrs. A. K. Willis of Graham are the parents of Mr. Willis. The couple will exchange wedding vows at the Northside Church of Christ in Rankin.

Miss Woody invites all her friends to attend the wedding.

Mrs. Dave McKelvy has returned from Albuquerque where she visited for a week with her daughter, Mrs. Kenneth Rose and family.

Key features of the Rankin Study Sixth, according to Bell, program chair-Delane House, slides to be shown during the

program, features 12 glam pyramid roof structures supporting hanging gardens, enclosed patios, landscaped terraces and plastic sliding panel room dividers. The decor is richly enhanced by original American paintings and sculpture on loan for an art museum.

This view is of the living room. Speaker for the meeting will be Mrs. J. M. Tippet whose topic will be "The American Idea". Hostesses will be Mrs. W. O. Adams and Mrs. Ross Wheeler.

THE GAME—

Surprised? Who wasn't. No one, and Eldorado least of all, would have thought that the Rankin Red Devils were ready to perform as they did last Friday night. I point with a little pride to this column of last week in which the forecast was made that: "Somewhere down the line this team will jell and will turn in a performance that will have the fans up on their feet." From the top row in the stands last Friday night, it was harder to find anyone who was not on his feet, giving out with a big cheer for the boys who proved to everyone's satisfaction that they do have the team that can be a definite contender for district honors. Should they continue to improve as rapidly during the remainder of the season as they have in this, the first four weeks, they will give District 7A squads some sleepless nights.

And their best compliments in last week's game come from the Eldorado fans and team who admitted that they were thoroughly surprised and stated that Rankin had the best team they had played thus far in the season. Another fine showing was made in the fact that not one unnecessary roughness or personal foul penalty was called in the entire game, which, itself, was about as rough a game of contact football as has been seen here in a long time.

Only the fact that the Eldorado Eagles were every bit as good as their billing denied the Red Devils a deserved victory. If there was ever a demonstration in the saying that "It's not whether you win or lose but how you play the game" that demonstration was put on here last Friday night—by both teams.

A jolly good ball game—that's what it was.

This week, the old jinx team, the Ozona Lions will be in town. Rankin always plays a fine game against the Lions and always—so far—comes out on the short end of the horn. If we had one more week in which to get ready, or had we played them last week, I believe Rankin would have put

The Rankin (Tex.) News—
Thursday, Sept. 29, 1960

an end to this situation. As it is, it's anybody's guess as to what will happen Friday night. For about the last five years I have been picking the Red Devils to upset the Lions and on about four of these years, they have outplayed them but never have they been able to win. I'll try one more time and say it'll be Rankin 22-20.

Good luck, Chaps. You have the team and it would indeed be a big feather in your cap to win this one.

SIMPLER SCHOOL ADMINISTRATION?

During the current rave over the advisability of federal aid to education and the promises being put forth by candidates of both parties a professor of Education Administration at Temple University in Philadelphia has set out the following example of how easy it will be for a superintendent of schools such as Rankin, to handle a common administrative problem. Examples:

Parent: I want my child's teacher changed.

Super.: I only work here; see your senator.

Citizen: My school taxes are too high.

Supt.: See your congressman; finance bills originate in the lower house.

Wool Consumption On The Increase

BY W. M. DAY, JR.
County Agent—Upton County

Mill consumption of raw wool and use of wool per person increased substantially in 1959. The 24 pound rate per capita of wool was 26 percent above the previous year.

More than 431 million pounds of raw wool (clean Basis) were

used last year—28 percent more than a year earlier. As a result, wool increased its share of the total fiber market from 5.7 percent in 1958 to 6.4 percent in 1959.

In contrast to last year's gain, use of wool per person has declined steadily since World War II. Main causes for the longterm decline have been changes in the age and sex consumption and geographical location of the population, the trend toward more

informal and lighter clothing, and increased use of manmade fibers.

Several developments to strengthen the demand and wool production. Least speculative of change in age composition, as the number of babies born the swell the young adult population, the coming decade.
