may win—and the popular skeet or trap shooting. In past years, this phase of the annual event has proved the most popular and has attracted top skeet shooters from all over the Permian Basin. Local gunners, however, have proved in

the past that they know a thing or two about the skeet shooting business themselves and have defeated such notables as a tri-state champion. At least one woman, Mrs. Peggy Priddy, has stood up well in this class which is open to all comers and a year or so ago outgunned some of the best men contesters in the shoot.

There will also be various classes for juniors, women, and beginners with plenty of action for everyone.

The location of the shoot has been changed from the dump grounds to the area just across the Midland Highway in front of the Western Company. Signs will mark the entrance to the shoot.

Held as a fund-raising promotion by the 4-H Club, the proceeds of the Turkey Shoot will go into the club's account and will be used for such events as the Livestock Show for the county.

# Upton County Goes Down The Line For Democrats

Upton County voters turned out in large numbers Tuesday to join Texas in giving Jack Kennedy a slim margin of victory in the popular vote. Nixon carried only one box in the county, Box 3 where he received 53 votes as against 35 for Kennedy. The box, located in Midkiff, is primarily composed of

oil company employees and it is generally conceded that the Democratic slate will be less favorable to the oil industry than would have been the case with the Republicans.

Upton County gave large majorities to the rest of the Democratic candidates including J. T.

Rutherford, Lyndon Johnson and Pete Snelson, the latter having the largest margin of victory in any of the closer contested races.

On the amendments, voters also joined the state trend in giving their approval to all four. One, number 3 on the ballot and pertaining to pay raises for the Legislature, had only a 23-vote lead.

## COUNTY AGENT GETS AWARD FOR OUTSTANDING WORK

Miami Beach, Fla., Nov. 4—The National County Agents' Association presented the Distinguished Service Award to W. M. Day, Jr. of Rankin. The award is presented to a limited number of agents each year who have demonstrated their ability in working with rural people and who have helped to improve the general economic and social welfare of the people in their counties. It is the highest award given by the association.

Agent Day joined the agricultural extension service in 1948 as agent in training. He has been in this county since 1948.

Other agents from Texas receiving the Distinguished Service Award were J. K. Adams, Wylie Roberts, Cyrus Cook, Oliver Reinhart, Jr., and Jones C. Sawyer.

County agents from 49 states totaling about 2,000 were present for the 45th annual meeting of the association. The program was de-

signed for professional improvement and outstanding speakers including Secretary of Agriculture, Ezra Taft Benson, Assistant Secretary of Agriculture, C. M. Ferguson, George M. Lord, Director, Main Extension Service, Director M. O. Watkins, Florida Extension Service and President J. Wayne Reitz, University of Florida, appeared on the program.

Day was joined on the trip to Florida by his wife.

## Schedules Public Meeting Thursday Nite

City Clinic will be held on Thursday, November 10 at 8:00 p.m. in the City School auditorium. Sponsored by the Rankin Chamber of Commerce, speaker for the evening will be W. M. Duncan, WTC manager. He will detail the functions of city development.

At this address, a session will be held during which the public is invited to give their views on the proposed program needed for a program of growth for Rankin.

Interested persons are urged to attend this meeting which is expected to be an important one held this evening.

No one has any suggestion that they would be heard at this meeting.

and need to hear from the citizens of Rankin," said W. M. Duncan, BCD manager. "This meeting and you should be heard in its actions. Be

on hand and lend your thoughts toward helping improve Rankin," he stated.

## Go-Karters Schedule Local Meet Sunday

Rankin's Go-Kart Association has announced that they will hold a local meet on their new track Sunday, November 13. Time trials will begin at 1:30 p.m.

Invited to attend the meet are entries from McCamey, Crane, Big Lake and Rankin. Admission to spectators will be 50 cents for adults and 25 cents for school students over 12.

It was pointed out by members of the Association that this will not constitute their formal opening which will be held at a later date. Sunday's meet is primarily a test run for the track.

Trophies will be given, however, for each of the various classes of karts.

## Last Chance To Get In Win Column --

# Red Devils To Fabens Friday

Friday night the Rankin Red Devils will put the closing chapter to their 1960 football record and the best they can come up with will be a 1-9 record. This will be their poorest season in the worst department since 1954 when they posted a 2-2-5 season record. It will be noted, however, that the Red Devils now are playing in a much tougher bracket and it does not necessarily follow that this year's squad is not as good—or perhaps better—than was the 1954 version. It should also be a cheering thought to the teams and fans alike that the 1955 team, composed of most of the boys from the '54 squad, chalked up a 10-1 record and lost only to Rochester in

Regional play. With a large number of this year's team due back next season, 1961 could be a year of revenge for the Red Devils.

While the Rankin crew will be in Fabens, Wink and Sanderson will go to battle for the District 7A crown with most local fans of the opinion that Sanderson has the best team. This, in the case of Wink, does not mean that most fans expect Sanderson to win the District but rather rate the game at about a tossup. At the same time, Van Horn and Iraan will be trying to settle the question of

which one will join Rankin in the cellar should the Red Devils beat Fabens. In fact, there would be 3 teams in that position should the local lads win this one.

Last week the Rankin squad lost a thriller to the Iraan Braves by a 21-20 mark with Rankin having a chance to go ahead in the last minutes of the game by running over the extra two points following their last touchdown. However, it was not in the cards and they took their ninth loss of the season, due mostly to penalties and fumbles.

## TURKEY SHOOT—

Ye ole annual 4-H Club Turkey Shoot will be held this week-end so all of you who like to think of yourselves as being real live Dead Eye Dicks with the shooting irons will want to go out and have a go at providing the family table with a turkey for Tanksgiving.

As most of us know from past experience, it would be much easier and in most cases cheaper, to go down to one of the grocery stores and buy a bird but it's just not the same. And, besides that, the money you spend at the turkey shoot goes to the Upton County 4-H Club and that's a mighty good cause in itself—plus all the enjoyment you have in the contest.

Come on out and shoot a buck or two—you'll enjoy yourself and you just might get a very inexpensive turkey.

And when one speaks of the 4-H Club, you always associate it with their ramrod, County Agent Dub Day. Dub has just returned from Miami, Florida where he received a Distinguished Service Award from the National County Agents' Association and I'm sure that everyone in the county agrees with their selection. We have all known for a long time that the Dubber is a good hand with the 4-H club as well as taking care of miscellaneous items pertaining to his job and we can all join in extending congratulations for a well-deserving award. It just took them a long time to get around to picking him.

## THE END—

Friday night in Fabens, the Red Devils of 1960 will come to the end of their football season. Perhaps they will yet be able to mark up a win but whether they do or not, it can hardly be said that they had an unsuccessful season. It is perhaps a strange thing but one on which most fans agree and that is that this year's team was a good team. They played some poor games, sure. But they also played some mighty good games, games which would have brought

them wins against the same opponents in past years. In fact, if they had played the same schedule as last year's team—against the same competition—there can be little doubt but that their record would now include several wins. Their opposition in most instances this year was just better than it has been in the past.

But I don't suppose they care to have excuses made for them. They played a full 10-game slate and as Wink's coach, Truman Nix stated prior to their game with the Red Devils: "Rankin has the team that can beat anyone at any given time". Unfortunately, perhaps as far as win and loss scores go, their time just didn't come in their first nine outings.

Friday night will be their last chance and after a trip of some 300 miles, that may take some doing.

As has been noted before and by fans in general, Rankin is now playing in a heck of a district—in size that is. You can draw a circle with Rankin as the center and Fabens as the outside edge and you will find that it goes almost to Amarillo and all the way below San Antonio. It would appear that the powers that be in Austin who have charge of district placements could find something closer to home in that much distance for the Red Devils. However, we are more than likely in for at least one more year since these district placings are usually set up on a two-year basis.

## MISCELLANEOUS—

Last Friday night's performance with the Rankin and Iraan bands combined at half-time, was a most successful crowd pleaser. Perhaps we could have more of the same sometime. It might be of interest to note that the two bands were exactly the same size in number and each had the same number of boys and the same number of girls. No wonder they worked so well together.

And I goofed last week in saying that Linda Herral, who is now a college student, was crowned band sweetheart at the Wink halftime. It was Virginia, or was it Barbara or was it Amaryallis? No, it really was Virginia.

### THE SCOOP—

(Continued from Page 2)

Now that the election is over and we've picked a new president, the question arises as to who is going to pay for all the many campaign promises made of aid to first one group and then another? That's not hard to figure. According to the present Treasurer of the U.S., if the government took all the income of everyone in the nation who made \$16,000 a year and up, the Federal income would increase only 4 per cent.

Get your pocket books ready, folks. They are going to be coming by and asking (no, demanding) that you put something (more) in the pot.

### Girl Scout Group Picks New Officers

The Rankin Girl Scout Neighborhood Committee met October 31. New officers for the 1961-1962 year were elected as follows: Sam Fitzhugh, neighborhood chairman; Mrs. Bill Medley, secretary; Mrs. Zollie Rawlins, treasurer; Mrs. J. D. Haywood, troop consultant; Mrs. M. V. Kirkpatrick, troop organizer; J. T. Bushong publicity.

The committee meets the last Monday of each month. Progress on the Scout Hut is slow but officials say they have plans underway to speed up the work.

All people interested in Girl Scouting for Rankin are invited to attend these meetings.

**More Used Clothing Needed For Drive**

The World Clothing Week drive which has been in progress here since Monday will continue thru Friday, it has been announced. Many bags have been filled with good clothing, but still more must be raised if the schools are to meet the goal they have set for themselves, it has been learned.

Clothing contributions may be deposited at the elementary school or given to any school student in your neighborhood. This clothing is then turned over to an organization which distributes it to all parts of the world for use by the needy. Any type of clothing can be used in this effort and all will be put to good usage by people in need.

Recent visitors in Rankin were Mrs. T. L. Stephenson and Mrs. George Stephenson who visited in the home of the W. J. Prices while their husbands were on a hunting trip.

**Training Course Set For Scout Leaders**

A training course will be held for the junior leaders of the local Boy Scouts this weekend at Camp Sol Mayer, it was announced by James E. Johnson, training chairman of the Permian Basin Scout District.

Attendance at the training course will be limited to Patrol Leaders and the Senior Patrol Leaders, boys who hold top administrative offices in the Scout troops.

Local Scouts, who are junior leaders, will board a special bus for Camp Sol Mayer which will be through Rankin at 11:00 a.m. this Saturday and will return Sunday afternoon.

Junior leaders from throughout the Permian Basin Scout District will attend the two-day training course, conducted by the district's training team, Bob Jenson of Ft. Stockton, Darrel Freeman of McCamey and Jim Mathews of Big Lake.

**for that cozy warm feeling**

Remember those Cold Spots in your home last winter. You just seem to never be comfortable. This year, before winter comes, why don't you eliminate the discomforts of cold spots once and for all, by purchasing a portable "flameless" Electric Heater. Just plug it in and it's warm. Clean heat will give you that good cozy feeling in a jiffy — and so safe that we call it "Baby Safe."

Go see your Electric Appliance Dealer. He has a "flameless" Electric Heater to fit every room in the house.

### CONGRATULATIONS—

Congratulations to Miss Sharron, 12-year-old Big Lake girl, who won second place in the Herford Awards contest

against a group of much older girls in the 25 counties of the district. Sharron will receive a medal furnished by the Congressman. Presentation will be made at the annual achievement event

## What Teachers Know About Your Child

Typically, an elementary-school teacher, during a thirty-year career, will live with, work with, and love more than 1,000 children. (How many parents can claim that amount of experience?) Teachers receive extensive training in child psychology. They learn to recognize the signals of potential delinquency . . . they learn that reading difficulties often result from emotional problems . . . they learn the characteristics and needs of children at each age level.

If you are wondering about your child's school life, visit his school and talk to his teacher during

## AMERICAN EDUCATION WEEK

November 6-12, 1960

on November 18.

First place and the coveted trophy went to a 16-year-old Midland county girl. This is a revolving trophy provided by the Congressman, the first one having been won by three McCamey girls and is now in the possession of Upton County girls.

Which group of you are going to win this one—Reagan? Upton?

Dianne Proffitt was a close runner up in the county for entering the district contest.

### ACHIEVEMENT DAY—

Certificates, ribbons, pins, medals, and other awards will be given Reagan County 4-H club members for work done during the past year at their annual achievement event to be held in connection with the home demonstration club exhibit day on Friday, November 18.

All members, old and new alike, will bring food and family life exhibits which will be scored and ribbons given. Younger members will enter bread muffins and cup cakes and older members coffee cakes and quick loaf breads.

The girls will come to the exhibit immediately after school is out and awards will be given.

A similar achievement event will be held by Upton county girls in the near future. Better start practicing, girls, so that you can have quality products for exhibit. Any of you last year girls, don't forget your record blanks—there are three county trophies to be given remember!

### WORKSHOPS—

A simple dressmaking workshop for business women got under way in Rankin Tuesday evening. Workshops have been requested on simple and advanced dressmaking, tailoring, upholstering, and draperies, in both counties. There will be scheduled as rapidly as we can get to them—the first ones as

soon as we can get a couple of annual reports out of the way.

If you are interested in taking part in any of these workshops or being notified when they are to be planned, give your name and address and we'll notify you when time comes. Notify our office in Rankin or give your name to the program building committee member in your community. For clothing these are Mrs. J. R. Sumrall in McCamey and Mrs. Walton Poage in Rankin. For upholstering or draperies: Mrs. Charles T. Vardy in Rankin and Mrs. W. T. Thomas in McCamey.

### THE WEEK AHEAD—

Sorry we haven't kept you informed on our whereabouts the past two weeks. The first we spent at a State Agent's conference in College Station which was pretty fair. The second we entertained a virus and throat infection which wasn't fun.

For the coming week, we hope to stay on schedule with Rankin 4-H food groups on Monday, Big

### TEXAS LAWMEN

## MAJOR JOHN B. JONES, RANGER

"Better stay right here in Texas."

When the carpetbaggers moved into Texas after the Civil War, John B. Jones, ex-officer of Terry's Texas Rangers, took a trip to Mexico and Brazil to spot a favorable location for an emigrant Southern colony. "Stay in Texas," he advised.

When Governor Richard Coke reactivated the Texas Rangers on May 2, 1874, he commissioned Jones Major, Frontier Battalion. The Major organized and directed six companies of Rangers on the Western border, from the Red River to the Rio Grande, while, with a small escort, he patrolled from company to company. During the next seven years the Frontier Battalion was fully occupied clearing the border of hostile Indians and the interior of outlaws. Major Jones was peacemaker for the feuding Horrells and Higginses at Lampasas in '77. He was at Round Rock when Sam Bass bit the dust. In El Paso he quelled the bitter, bloody Salt War and later represented Texas on the international commission which settled that long-drawn-out dispute over important salt beds in the West. In January, 1879, Major Jones was appointed Adjutant General of Texas, but continued to direct his then famous Frontier Battalion until his death in '81. Though his name is too seldom mentioned in Ranger legends, it was he more than any other one man who brought the corps to the height of its service and efficiency.

Today Texans owe much to the lawmen who brought peace to the frontier — and much also to industry and commerce, bringers of prosperity and pleasure. The brewing industry has done its part — providing community revenues, payrolls and the refreshment of moderation. In Texas "Beer Belongs." The United States Brewers Foundation is constantly at work with brewers, wholesalers and retailers to assure the sale of beer and ale under pleasant, orderly and law-abiding conditions.
