## Principal Has Honors

ROBERT HOLDEN

Principal of the Rankin Elementary School is the subject of a magazine feature in the September issue of "The Instructor Magazine", a national publication for elementary school teachers and

Principal of the Rankin Elementary School, is the subject of an article titled, "Using Teacher Aids Effectively" which appears in the monthly feature, "Principals' Forum." Mr. Holden, who has written a number of articles for magazine, describes how an incoming first grade children created additional teachers. He describes how teacher aids are used to assist master teachers Monday through Friday. He also points out the progress of the first-grade children and the individual attention given to each child.

## Appoints New Member

Monday was a routine day for the Commissioners Court in Rankin County. At the meeting of the month, approved reports and bills, the business of consequence, the appointment of Raymond McCamey to fill the unexpired term of Earl Brite on the McCamey Hospital Board, and the resignation of Earl Brite were submitted.

## TERS TO RUN—

Go-Karters will sponsor a series of races here Saturday. The races are to start at 7:30 a. m. at the local track. It was announced that a big show will be staged here over the week-end.

STUDENTS MAY REGISTER AUGUST 22, 23 or 24 --

# School Registration Opens In Rankin On August 22nd

Registration of students in the Rankin Schools for the coming year will get underway Tuesday, August 22.

The schedule will be as follows:  
**HIGH SCHOOL—** All students who will attend Rankin High School this year are to register on August 22, 23 or 24 at the high

school building between 9 and 12 a.m. and 1 and 4 p.m.

Students can receive their class schedules, homeroom and locker assignments, as well as receive text books and covers at that time.

The above will allow the first day of school to be utilized as an

instructional day.

**JR. HIGH—**Registration is to be held on August 22, 23 or 24 in the junior high principal's office for any new students or for any who have not attended Rankin Schools prior to this coming September.

**ELEMENTARY—** Any student in grades 1 thru 4 who have not

attended Rankin Schools before are to register on the dates of August 22, 23 or 24 with the exception of incoming first graders who have been contacted earlier. Any incoming pupils who have not been contacted previously are also to register on these days.

Enrollment in the Rankin system, which is always a matter of some speculation due to transfers, etc., is expected to be about the same as last year with a slight possibility of an increase, according to school officials.

Principal Bill J. Hood said that he expects the high school enrollment to be around 135-140 while Principal Robert Holden at the elementary school said they would have a larger first grade this year, adding one new section for a total of three first grade teachers as compared to two last term. He expected the overall elementary enrollment to be up some.

New papa Bill Cook was not available for comment on junior high registration since he and the family were celebrating the birth of another son born August 15 in Abilene.

School will open for classroom work on September 5. A pre-school workshop will be held for the faculty August 28-31.

## Old-Time Excitement Over Strike Missing --

# Blue Danube Test Well Flows At 54 Barrel Rate

News that would have created a stampede to Rankin fifteen years ago was causing only mild interest here this week with the announcement that the Blue Danube Oil Co. well on Henry Neal's ranch was flowing oil from the Ellenburger formation at the rate of 54 barrels per hour. One old-time oil well worker employed on the rig described it as "one of the prettiest sights I have ever seen."

Flowing pressure for the test, made for 1 hour and 15 minutes through a 1/4-inch choke, was 2,010-4,500 pounds with a 30-minute shut-in pressure of 4,825 pounds. This is considered very good among oil producers.

The Ellenburger was topped at 11,140 feet, minus a datum point of 8,489 feet which is considered as "running high"—another good point in oil terminology.

In addition to the Ellenburger show, the well had previously been tested in the Strawn, Devonian and Fusselman formations with a

## Services Held For Rankinites Father

Funeral services were held at 2:30 p.m. in Arkansas City, Kansas Wednesday, August 16 for W. W. Stephenson, father of Mrs. Cecil Merriman of Rankin and Tommie and George Stephenson, former Rankin residents.

Mr. Stephenson, who had been in poor health for a number of months, died early Sunday morning. Burial was in Arkansas City.

good showing of gas and destillite in the Strawn at 9,250-290 feet.

An attempt will be made to dual complete the well in both the Ellenburger and Strawn.

To the South of Rankin about five miles, it is reported that a

good gas showing has been logged in a test well and drilling operations got underway on another test across from the Western Company this week.

The question has now been raised in Rankin: Is the boom on? Some say, yes.

# Red Devils' Practice Opens With Hard Work

Football practice for the Rankin Red Devils opened with rough head-knocking Monday with the tough training and heat taking a toll among the hopefuls. At least two dropped from training after the first-day workouts and several were sidelined from the heat.

Tuesday night, 29 players were in uniform as the scrimmage drills continued and the Red Devils began getting the kinks out for their opener with Big Lake on September 1.

In their practice, the local squad showed the loss of key players from last year's team and looked somewhat ragged in their efforts but were displaying a lot of fire and seriousness. In the forward positions of the line, a good looking line-up appears with boys in the size of Fred Moore, Richard Browning and Jerry McDonald adding considerable beef up front. Tom Aguilar and Jimmy Linthicum, both regulars from last year

some hard running for opening in the backfield, were showing practice. Lonnie Ferrell and Bucky Scarborough were alternating at the quarterback duties.

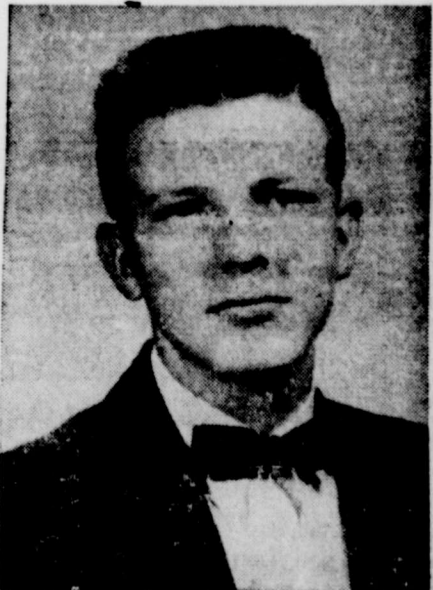

After this week, the boys are to move into the bus barn for a stay as they continue practice.

## Rankin Gets New Phone Directory

The August issue of the Rankin telephone directory was mailed on August 15 to subscribers here, Mac Hudgins, manager of Southwestern Bell Telephone Company, announced.

This year's directory has a white cover with brown ink and contains 8 "white" or alphabetical pages with about 400 listings. The convenient classification section or "Yellow Pages" contains 12 pages.

According to Hudgins, about

A. C. RAWLINS, son of Mrs. Zolie Mae Rawlins, has reported back to the United States Air Force Academy in Colorado Springs after a 30-day leave. He and his mother visited with U. S. Rep. J. T. Rutherford in Washington, D. C. while they were on vacation.

# THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

PUT SOMETHING  
IN THE POT. BOY—

Well now. Beginning September 1 you and I are going to be privileged to the digging up of a few extra pennies every time we go to make a purchase—unless it is under 25-cents— or unless it is exempt— or unless it is already taxed— or unless otherwise, etc.

And, naturally, unless the fellow doing the selling was open on Saturday, in which case he can't be open on Sunday—to sell certain specific items, some of which may be prohibited by the Texas Blue Law.—Unless, of course, it is an emergency in which case you may have to sign on the back of a piece of paper that it is an emergency.

Now if all this hog wash doesn't make much sense, just keep in mind that you haven't seen anything as yet. Wait until they start trying to apply all this mess voted into law by the recent session of the Texas Legislature.— And wait until you have had to dig up that extra 2% for about six months—say around election time next year—and see what you think of the idea by then.

If we had to have additional taxes, and we did to carry out all the socialized program called for in Texas, then it seems to me that this sales tax was the best answer but that the Legislature has butchered the thing up with exemptions until it will be almost impossible to administer.

Next year my one and only question of any state office seeker is whether or not he has any plan for cutting out some of the huge drain on the tax bucket and if he does, he gets my vote be he white or black, Democrat, Republican or Castrorite.

## \$10,000 REWARD—

Got a notice this week from a Mr. Robert Kennedy, Attorney General of the United States, in which he says the U. S. Government is offering a \$10,000 reward "for information leading to the arrest and conviction of anyone for violating any federal statute

The Rankin (Tex.) News—  
Thursday, August 17, 1961

in any actual, attempted, or planned hijacking of aircraft."

Sorta reminds you of the old posters you see in museums of rewards offered for early day train robbers and other assorted outlaws and also gives you the idea that you might should work out a plan with a friend whereby you hijack a plane—or just plan to—he tips Mr. Robert Kennedy of your action, collects the \$10,000, gives you half, you go to jail for a spell—all expenses paid—and if that don't beat newspapering, I hope to kiss a Republican—preferably a blonde one.

Personally I don't think this bit about hijacking a plane will ever replace the old style western hold up of the stage for the bandit is going to have a bit of trouble getting all the passengers out of the thing and lined up for fleeing, kissing the pretty young girls and taking to the hills with the posse hot at his tail.

TV is going to have to go some to bring this airplane hijacking up to that stage.

## A CAP TIP —

Now that most of the shouting has died down about the school taxes, it might be well to point out that a little cap tipping is in order to those who served on the board of equalization for the Rankin Schools this year.— I do not know who all of them were but they knew that they had a thankless job—for which they draw no pay—but they did it to the best of their ability.

It seems that most of the folks who went up to talk with the board found that they were not paying any more taxes in porportion than their neighbors and that everyone had been treated about equally in the deal.

Aside from the actual time they were before the public, the board also held about a dozen meetings of their own, working on the tax equalization problem and they ap-

ations are in order.

of Fall but it sounded  
ber down at the foot-

ball field this week as the Rankin Red Devils went through their opening drills with some spirited action and leather popping.

We may not have any great ball team this year but I'll wager a few cups of coffee right now that several of our opponents are going to get a surprise when they run into this year's production. Fans are likely to be in for some moments of cheering, too, since it would appear that a big effort is going into ball control with the emphasis on holding onto that ole pig hide. Fumbles cost the lads

more than one game last year.

Over in Wink, I note that certain of the fans are already calling for a state championship for their team.

I suppose they will get Federal aid, if needed, on the project.

Mary Lynn Hodges of Kermit is visiting her grandmother, Mrs. Dora Hodges.

### Roger Langford Back To Maryland

Roger O. Langford, son of Mr. and Mrs. S. O. Langford, returned to his army base in Maryland after a 14-day leave.

In the armed service almost 3 years, Langford, who holds the rank of specialist fourth class, is due for discharge in September. He was stationed in Korea for 13 months.

### REBEKAH NEWS

Rankin Rebekah Lodge met on Thursday night, August 10 at the IOOF hall with Noble Grand Elsie Turner, presiding. Fourteen members were present, 21 sick visits were reported and 10 cards were sent to the sick by lodge members.

Mrs. Jamie Knox was initiated into the Rankin lodge. Three visitors from Big Lake Lodge No. 318, Mrs. Maxine Fegnotio, Mrs. LaMitty Purcell and Mrs. Cora Lawhead, attended. One visitor from San Angelo Lodge No. 74, Mrs. Eva Katy, was on hand.

### Rankin Student On Dean's Honor Roll

Weatherford (Okla.) Aug. 15— Joe Shaffer, Rankin, has been cited for outstanding scholarship for the summer session which ended at Southwestern Oklahoma State College here July 27. Shaffer has been listed on the Dean's honor roll.

He is the son of Mr. and Mrs. Carl Shaffer and a graduate of Rankin High School. He attended Texas Tech last fall, transferring to the Oklahoma school for the summer term. He will return to SOSC this fall where he is majoring in a pharmacy course.

## TELEPHONE TALK

by Mac Hudgins, Manager

### "GRASS ROOTS CAPITALISM"

The newspapers recently ran a story that I thought was pretty significant. It gave real insight into our American economic system. The story reported that, for the first time, an American business had 2,000,000 owners. This important "first" was achieved by the Bell System, of which my company is a part.

Hugh and Irene Polson of Wichita, Kansas, are the two millionth shareowners. Pictured with them above are their two youngsters—Kay Louise, 9, and Stephen Hugh, 7.

The Polsons own and run their own pharmacy. And, even though they keep plenty busy with the drug store and duties at home, they take part in church, PTA and community activities.

Mr. and Mrs. Polson own ten shares of stock. They bought it as part of an investment plan to send their children to college. Like the Polsons, a great many investors—335,000, in fact—have fewer than 10 shares. Of the two million shareowners, nearly 850,000 are women and 200,000 are telephone employees.

This is real evidence of "grassroots capitalism," and I think Mr. and Mrs. Polson typify many of today's "grassroots" investors, who come from all walks of life, from all sections of the country.

As I said before, here is a truly significant story. Here is the nation's largest business, the Bell System, now owned by 2,000,000 people. Here is a dramatic testimonial to the American economic system. Here is democracy at work—with all the world to see.

### IS ALL THE FAMILY LISTED?

You folks here in Rankin should have received your new Telephone Directories by now. If you moved here too late to be included in this year's directory, don't be unduly alarmed because our information operator has your name listed. There may be others in your family that should be listed with information. If so, just call the business office and they will be happy to make the arrangements.

Call by number. It's twice as fast.

**SOUTHWESTERN BELL TELEPHONE COMPANY**

## Inflation Needs To Be Watched Closely

BY W. M. DAY, JR.  
County Agent  
Upton County

One of the country's leading economic writers said the other day that it looks very much as if a yearly inflation of 2 per cent has gotten to be "normal"—that we can expect this much cost and price increase from here on. The Government doesn't accept this view, we are sure, and probably you don't either.

"Inflation" is a dirty word in the farmer's language. And it hurts worst those who can't afford it. Sometimes it creeps so slowly that you can hardly notice it. Yet, you soon realize that your dollar doesn't go as far as it once did. Then you know what has happened.

As you frantically try to beat inflation to the punch, you start figuring ways to protect your investments. You want to put your

## Roy Bell Family Has Reunion In Odessa

Members of the Roy Bell family met recently in Odessa at the Roy Lee Bell home for a family reunion. Thirty-one attended.

Among them were Mr. and Mrs. Al Owens, Janice and Vicky of Rankin; Mr. and Mrs. James Mims, David, Nancy, and Martha of Midland; Mr. and Mrs. Bob Bell, Bruce and Brett of Snyder;

money into such things as stocks, land, and the like, which will increase in value if prices go up. Then you stop on the word "if." Suppose, you say, prices don't go up—maybe even go down. So, risks are involved—and you can't afford any more risks than you already have.

So you think back to such sound things as life insurance, savings accounts and deposits, Savings Bonds. No risk here.

Both types of investments have their place. Just be sure yours are well balanced.

Mr. and Mrs. Howard Bell, Carol and Chyrell of Houston; Mr. and Mrs. Bill Priddy, Curt and Kent of Rankin; Mr. and Mrs. Roy Lee Bell, Jr., Tommy and Johnny, the hosts.

They also had as their guests: Mrs. Bertha Drake of New London, a sister of Mrs. Bell, and her son and family, Mr. and Mrs. Wayne Drake and Linda of Lancaster.

Missing at the reunion were: Mr. and Mrs. Curlin Hawkins, Clay and Debbie, a granddaughter and daughter of Mr. and Mrs. Al Owens, of Artesia who arrived late Sunday night in Rankin for a short visit.

Mr. and Mrs. Pat Henley and Patricia of Tularosa, New Mexico visited the first of the week with his mother, Mrs. Calla Henley.

(Continued from Page 1)  
 1,000 directories have been prepared for distribution to telephonedomers here. He also prepared extra copies were printed for placements for those used in public telephone booths in places where a lot of names of persons who were included in the new book. Old directories should be away as soon as the new arrives. Hudgins said out-of-town and frequent telephone numbers copied in the new directory fore throwing the old book Hudgins cautioned.
