RANKIN, UPTON COUNTY, TEXAS

THURSDAY, DECEMBER 7, 1961

DAUGHERTY RE-ELECTION

Francis K. Daugherty, County District Clerk of Upton County, announced this week that he is a candidate for re-election. Action in the Democratic Primary will be held on May 5, 1962.

Daugherty is a long-time resident of Upton County, having lived here for the past 35 years. He has spent many days in the county, attending school in McCamey. For many years, he has been active in church and welfare organizations in both Rankin and Upton County.

Daugherty has long been known for his integrity and his knowledge of the county. He has announced his intentions to run for re-election. Mrs. Daugherty has issued the following statement: "I am asking the citizens of Upton County to re-elect me to this office on the basis of giving me the hours on any day or night that is the most important to me. I have to perform, and I want to see that every person in the county is entitled to that service which is needed."

Daugherty is grateful for the support and interest of his friends and for the cooperation of newcomers to the county. He hopes to have a meeting between now and the time of the election. The only thing I know is that I will continue to give the same service to the county whenever it is needed."

CHRISTMAS TREE SALES WAY BY SCOUTS

Christmas trees are now being sold by the Girl Scouts in the Rankin Lodge Building on Main Street.

The selection is on hand at the Rankin Lodge with a variety of prices. Sales are being made daily from 10 a.m. to 5 p.m. on Sunday.

Red Devil Football Team Have Monday Fete

The annual Rankin Red Devil Football Banquet will be held at 8 p.m. in the school cafeteria Monday night, December 11. Tickets at \$1.25 are now on sale to members of the Booster Club.

The highlights of the evening will be the crowning of the Red Devil Sweetheart, Miss Judy Sweetheart, the presentation of the Sweetheart Award to one of the members, a dinner and entertainment and an address by Coach Kerbel, head coach of West Texas State College.

Kerbel is described as a 39-year-old coach who thinks football is a 24-hour-a-day job. A 1947 graduate of Oklahoma, he enjoyed success as a high school men-

Sixth Annual Tournament Opens In Rankin Friday PM

Rankin High School's 6th Annual Invitational Basketball Tournament opens here Friday for a 2-day run with eight teams entered. These are McCamey, Ozona, Big Lake, Grandfalls, Crane, Imperial, Iraan and Rankin. Top seeded are Ozona, undefeated, and Crane with Big Lake running in the "dark horse role".

McCamey and Ozona will open play at 2:30 Friday, followed at 4 p.m. by Grandfalls and Crane. At 7:00 p.m. Big Lake meets

Imperial and at 8:30, host Rankin tries Iraan. Defending champions Fort Stockton, winners of the tourney three straight years, will not compete this year.

Action Saturday is slated to get off at 9:10 a.m. with games throughout the day.

Highlights from the past history of the Rankin event show that only two teams, McCamey and Fort Stockton, have ever won first place—McCamey taking the first two tournaments and Fort

Stockton, the last three. Rankin had the first high individual in tournament score in Debs Gambin in 1956 with Grandfalls' Gerry Childs taking the honors in 1957 and 1958 and Juan Terin, also of Grandfalls, being high for 1959. Last year's high pointer was Bobby Hubbard of Big Lake.

Outstanding players have been Lindy Lyles of Iraan in '56, Franklin Duncan of Ft. Stockton in '57, Johnny Rameriz of Rankin in '58, Kenneth Thomas of Ft. Stockton in '59 and Bobby Hubbard of Big Lake in 1960.

Highest 3-game score ever posted was chalked up by the McCamey Badgers in 1956 when they hit for 198 points. Iraan has the high-point honors for one game at 88, scored in 1959.

The Sportmanship Award, started in 1958, has been won by Sonny Smith of Imperial in 1958, Mike Pikle of McCamey in '59 and Phillip Carnes of Ozona in 1960.

Rankin's Tom Aguilar was the only Rankin player named to last year's all-tournament team.

TROPHIES FOR THE WINNERS in Rankin's Sixth Annual Invitational Tournament—scheduled for Friday and Saturday, December 8th and 9th, are displayed at RHS. In the center is the winner's award, flanked by other placings for Top scorer, 2nd place, consolation, etc.

Senior Student Tops 6-Weeks Honor Roll

Senior student Anita Potter led the honor roll for the second six weeks at Rankin High School, followed in second place by freshman Jimmie Lee Fields with a 95.75 average for the period.

Eight seniors are listed; two juniors; three sophomores and 5 freshmen. Dawn Love was the top Junior at 93.6 average, and Sue Kennedy led the sophomores with a 93.8.

By class, the honor students are:
SENIORS

Joy Braden, Lonnie Ferrell, Betty Gaines, Carole Lacy, Betty McCain, Anita Potter, Sue Wells and Sujane West.

JUNIORS
Ruth Brummett and Dawn Love.

SOPHOMORES
Linda Kilchrist, Sam Bean and Sue Kennedy

FRESHMEN
Sue Dishman, Jimmie Lee Fields, James Scarborough, Sandra Vineyard and David Zoller.

Rankin Band Cops Honors

In their first marching competition in some three years, the Rankin Red Devil Band entered the Interscholastic League Marching Contest in Odessa last weekend and took one first and two second place votes—good for a second division. This was the highest scoring by any Class A band in the contest with only one other, Sanderson, rating a second division honor.

It was, in addition, the highest rating given any band in this immediate area with the exception of Class AA Fort Stockton which earned the first division.

The University Interscholastic League Constitution and Contest Rules for 1961-1962—which have been toughened considerably since Rankin's last marching competition—defines a Division II rating as follows:

Division II, Excellent. An unusual performance in many respects but not worthy of the highest rating due to minor defects in performance. A performance of distasteful quality. This rating might be compared to a grade of 87-94.

ELIZABETH RAINS SEEKS RE-ELECTION

Mrs. Elizabeth L. Rains authorized The News to announce this week that she will be a candidate for re-election as County Treasurer, subject to the Democratic Primary to be held May 5, 1962.

In making her announcement, Mrs. Rains said: "As I have said before, I promise to perform the duties of County Treasurer to the best of my abilities and on a fair and impartial basis with the same courtesy to all."

"I sincerely appreciate all the past considerations given me and I will do my best to contact as many voters personally as I can in making this race," she stated.

W. J. PRICE IS CANDIDATE FOR JP

W. J. Price, a resident of this area since 1926, announced this week that he is a candidate for Justice of the Peace in Precinct Two of Upton County, subject to the May 5, 1962 Democratic Primary.

Price has had previous experience in county affairs and in serving the public, having held the County Commissioners office from Precinct Two for eight years. In making his announcement, Mr. Price stated that he felt he had the necessary qualifications for properly performing the duties of the office and that his efforts would be directed toward serving everyone on a fair and impartial basis if the citizens should see fit to elect him as their Justice of the Peace in Precinct Two.

"I entered the race knowing that I will need the support and assistance of my friends and neighbors and the good will of newcomers with whom I may not be acquainted. I will do my best to make a sincere race and try to contact the voters of Precinct Two in person between now and election. Any support given me will be most appreciated," he said.

Mr. and Mrs. Price have raised their family here in Rankin—all of the children having graduated from Rankin Schools. One son, Marcus Price, is presently a city councilman.

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

IN TEXAS NATURALLY—

Mrs. Faye Scarborough, our Midkiff reporter who has a true newspaper woman's nose for news and good stories, has come up with the following which is true and was brought to her attention in a friend's letter.

"Some friends of ours, the Kirzy's, built a "dog house" deal on the back of their pick-up, complete with bed, cooking utensils, etc. for camping out. They decided to go on vacation in their pick-up and camp out part of the time. They had a nice vacation and were returning home when they had an almost unbelievable experience.

They were just outside San Antonio when he told Mrs. Kirzy that he was too tired and sleepy to drive any more. It was late at night and he suggested a motel. She told him they were too near home, that she would drive on in home—for him to get back behind and go to sleep. He agreed and told her when she got home to just not wake him. He went back there, pulled off everything but his shorts and went to sleep.

Someone ran a red light in downtown San Antonio and she had to make a quick stop. Pots and pans fell on and around him, and he woke up with a start, thinking the truck had turned over. He bailed out to see, and, at that time, she changed gears and took off. He chased the truck for two blocks, almost catching her at one light, but not quite. So, he started trying to stop motorists on the street, in hopes of getting someone in a car to chase her. The police came at that time and took him to jail, charging him with indecent exposure, and investigating to see if he was doped. Of course, he had no identification on him, and they didn't believe his story.

Mrs. Kirzy was at home and sound asleep before he convinced them to call his home. She thought it was a joke someone was trying to pull, so she hung up on them. They called back and made her listen, convincing her they had her husband in jail. She grabbed his clothes and

made a mad run back to San Antonio to get him."

Now there's a Texas story for you that's for real.

CHEERS IN ORDER—

Cheers appear to be in order for several groups of Rankin School students with the Red Devil Band first in line for their very good showing in the marching contests at Odessa last week-end. True, it was not a first division trophy but it was the highest scored by any Class A band group and considering the fact that Rankin had not competed in marching over the past year or so, it was an exceptional performance. In fact, the band had practiced only about a week seriously and much of that on cold nights.

A good show there, Kids. Then, of course, there is the rejuvenated basketball squads—both boys and girls—which have made an about face from last year's performances in which they could never seem to hold onto a lead in a ball game until the end. So far, both squads have put on good fighting-spirit shows in games and apparently are determined to do something about getting over on the win side of the ledger more often.

Good work here, too.

THAT'S NEWS—

Earlier in the week, almost all the daily newspapers coming into this area had big write-ups on a newspaper editor down in Mississippi or Alabama or somewhere getting clobbered in the chops over an intergration incident. There was a big buildup of the thing—along with pictures of the editor, who looked no worse of the wear.

Now when it gets to be news—of a big nature—when someone takes a poke at a newspaper man, the daily boys must be hard up for something to fill up space. As far back as the history of newspapering goes, there has always

Rankinites Winners At Art Club Exhibit

Mrs. J. Lane, Rankin, won first and third places in the competitive china painting exhibit held by the students of the Permian Basin Porcelain Art Club when the club held its annual Christmas exhibit Sunday, December 3, at the Midland Woman's Club.

There were over 300 pieces of hand painted china on display plus a large table of Antique china.

Mrs. Lane's trophies were a silver plate for first place and a silver trivet for third place. Second place winner in the contest was Mrs. Bulalie Grandberry of Midland.

There was another winner from Rankin, however when Mrs. J. D. Gossett won one of the door prizes, a lovely hand-painted tray by Mrs. Hazel Kitley of Midland. The other door prize was a vase painting, offered by Mrs. Walton Poage of Rankin.

Other exhibitors from here were Mrs. Poage and Mrs. Mason Shurley. Others attending included Mr. and Mrs. A. E. Ivy, J. D. Gossett, J. Lane, Mrs. Kenneth Welsch, Mrs. Bud Cummings and Mason Shurley.

Comings And Goings FROM MIDKIFF

BY FAYE SCARBOROUGH
MIDKIFF REPORTER

Mr. and Mrs. W. D. Adkins of Aurora, Mo., have returned home after a visit with their son, L. D. Adkins and his family.

Miss Debbie Whisman spent a week with her aunt, Mrs. Ruby Dunlap in Kermit.

Mr. and Mrs. Otha Ray Walls were the week-end guests of her parents, Mr. and Mrs. Gilbert Riddle.

James Scarborough was a guest last week in the home of Mr. and Mrs. Verne Brummett where he stayed while his parents visited in Louisiana.

The Bill Otte family of the Midkiff El Paso Camp are being transferred to Deming, N. M.

The "Snow" family of the Midkiff El Paso Camp are moving to Blue Water, Arizona.

Mr. and Mrs. Moore Jones are vacationing in Childress with Mr. Jones' mother, Mrs. Minnie Jones. The couple plans to visit other towns in the panhandle and with Mrs. Jones aunt in Vernon.

The Gay Blades, a group of married men in Midkiff, held its weekly get-together at Whisman Domino Parlor on Monday night. A good time was had by all—and from what I hear, several members will receive new straight pencils as Christmas presents. Seems someone is using a "crooked pencil" to keep score.

I suspicion that there are those here who would like to do the same from time to time but figure they would have to pay the \$1.50 greens fee to get on the golf course to deliver the blow, and that such a price is just not worth the results.

And you thought I stayed out there all the time to play golf?

L-O-S-T. Well, as you know, I'm
just not the calm, cool and col-
lected type—so—true to pattern, I
did what any idiot would do—I
called the forest rangers (Cecil's
Dad works for them) and they be-
gan to search. About 8:30 they

found the car—but no Cecil—so,
when they called and told me
that, I decided they needed help
so I called the State Troopers.
Well, all's well that ends well—
they found them about 11:30 and
they came dragging in about 12.
I didn't know whether to hug them
to death or just beat 'em. Cecil
said they must've walked twenty-
five miles and all 25 of them in
circles.

The Midkiff Drug is getting a
face-lifting. Bille Parr and her
husband have bought it and are
doing a swell remodeling job. I
understand it is to be a real nice
eating place—maybe I'll have more
to tell you next week. I under-
stand Bille is planning a Grand
Opening—here's hoping she lets
our newspaper take care of the
advertising.

Hey Kids, if you want to get
your letters to Santa Claus in the
newspaper on December 21, be
sure and have you Mon see to
it that I get them so I can for-
ward them on to the editor. Ei-
ther that, or mail them directly
to The News.

Well, Mr. Whisman has done
it again. I went in and told him
I was looking for a gift for a
wealthy old uncle of mine who
was feeble and could hardly walk.
I asked him did he have any sug-
gestions. He did. He said, "Faye,
have you thought of floor wax?"

Bye now—see you next week?

Questions Answered On Screwworm Program

BY W. M. DAY, JR.
County Agent, Upton County

First, I would like to thank all the ranchmen in Upton County who have given their time and efforts to the screwworm program here.

The chairman of the group is Norman Elrod and the secretary is DeWayne Lindsel. Other members are Louis Smith, Hamp Carter, Ray Barrett, Preston Patton and Jack Garner.

A letter from the State chairman of the Animal Health Program this week indicates that most counties in the state have started to work on the screwworm program and have already collected some of the funds. The state chairman, Mr. C. G. Seruggs of Dallas, has released some news reports on the functions of the Animal Health Program.

The deadline for all funds to be turned in to Southwest Animal Health Research Foundation is February 1, 1962. All funds received by the foundation will be credited to each county group and deposited in special screwworm funds by the foundation.

As of this date, all administrative expense has been born by special contributions and no funds collected for screwworm program have been used by the foundation.

Here are some questions that have been asked by ranchmen in the county and the answers to these questions. I hope they will be satisfactory.

Q. Where can we get more information on the foundation?

A. As soon as any new information is available, it will be distributed. Most questions concerning foundation and proposed program and animal health situation can be answered by careful reading of information already distributed by Vocational Agriculture Division, Texas Education Agency and Agricultural Extension Service of Texas A and M College. In addition, more information is being developed and will be dis-

tributed later.

Q. When should funds collected in county be turned in to Foundation?

A. Final turn-in date is February 1, 1962. County chairmen have received and will receive detailed suggestions on fund handling.

Q. Will sterile flies be distributed in my county?

A. Exact areas of operation are still in planning stages and are not final. And as final plans are developed, they may be subject to change because of weather or technical breakthroughs or improvements. See general plan in MP 542—"The Screwworm and Its Control"—distributed by Texas Extension Service.

Q. Will the funds now being collected be used to fight diseases or insects other than screwworms?

A. All funds being collected at this time will be used in connection with screwworm program.

Q. Will producer funds be enough to do the whole job?

A. Likely not. Interested farm and livestock organizations, other than SWTHRF, will likely work for funds from state and national government sources to complete the program.

Q. Does anyone connected with SWAHRF draw travel expenses or per diem?

A. No. All expense, time and facilities have so far been contributed by individuals and organizations.

Q. Can the committee hold our money until we see that this program is going to go?

A. The success of the program is undoubted by trustees and USDA officials. Funds collected in the name of the Southwest Animal Health Research Foundation can be held in county until February 1, 1962. By that date the funds must be forwarded. Reports of amount of funds on deposit in each county will be made by county treasurer or chairman by compiled for guidance of the Board of Trustees in planning

Smedley-Grimes Vows Read Nov. 24

Mr. and Mrs. Clayton Carter of Midkiff announce the marriage of Mrs. Carter's sister, Miss Lahoma June Smedley, to Mr. Ronald H. Grimes, son of Mr. and Mrs. J. V. Grimes of Midkiff.

The couple were married on November 24 at the Cotton Flat Baptist Church in Midland with the minister of the church officiating at the services.

They are making their home in Midkiff where the bridegroom is employed as an attendant at the Whisman Humble Station. He is a former graduate of Big Lake High School.

December 5, 1961 and January 5, 1962. This information will be used in scheduling a building program to produce flies.

Q. When will we not have to treat any more worm cases?

A. The foundation confidently expects 1964 to be the first screwworm-free year in the Southwest.

Q. I hear some screwworms have gotten back into the Southeast. Isn't this proof the plan won't work in this area?

A. Screwworms have been found in a few isolated spots in the Southeast in 1961. However, their invasions came from the Southwest. And the screwworm outbreaks in the Southeast have been controlled. This proves that it is necessary to get rid of them in the Southwest in order to help keep the Southeast free as well as cutting out the tremendous cost of screwworms in the Southwest.

The following ranchmen have contributed to the fund in Upton County: The Cross L Ranch, Worth D. Durham, H. F. Neal, E. F. Noelke Estate, J. Lane, Mrs. S. M. Owens, Harry Howard, T. D. Workman, Jr., Hamp Carter, Louis Smith, Russing Sheffield and Norman Elrod.

BE A DEAR TO THE DEER—

Home from the hunt with a deer on each fender may be dramatic but the heat from the motor is not good for the deer. It should be protected from heat and gas fumes and kept as cool as possible.

To have good venison, see that the animal bleeds thoroughly, dress immediately, hang in a cool place with body cavity propped open, and protect from flies, dirt and other contaminations.

Place in cold storage about a week. Before cooking, soak for about an hour in one-half vinegar and one-half water. Use low temperature and end up with a delicious meat dish. Good luck to hunters and cooks.

WASH AND WEAR—

The best clues to the care of fabrics labelled wash and wear are to be found on the labels themselves. We are amazed and saddened at the number of times we hear—"I don't know", I didn't look at the label", I never read the label", etc.

Folks who don't read labels are cheating themselves. The law now requires that fiber content be placed on the label. Usually, there is also information on how to care for the fabric. This is a guide for you and your cleaners.

Look too at the percentage of fibers. Don't expect true wash and

This week has been a most important week in our church during this church year. The church has been praying—praying for our fellowman, for America—that we as a blessed nation might have a true CHRISTMAS and not an Xmas.

We have been in a special Lottie Moon Week of Prayer for the Foreign Missions. This week of prayer will be climaxed this Lord's Day, December 10 with a special program. We invite everyone to come and share in this program.

On December 17, we will have a special Christmas program during the evening service. "The Christmas Story", will be given in song by the choir with Mrs. Ray Barrett, Jr. as the reader. The

With kids in school you always have homework . . . and homework needs good lighting. Experts say that most people read by inadequate lighting. They also say that best lighting is provided by a bulb of at least 150 watts, properly shaded.

Better check on the kids' study lighting to be sure they have good lighting. Do this today!

TEXAS LAWMEN

RANGER JAMES BUCKNER BARRY

"If there's fightin' to be done . . . get at it!"

James Buckner (Buck) Barry never shirked a duty. But somehow, duty as he saw it usually included at least some fighting. Coming to Texas from North Carolina in 1845, Buck served in the Army of the Republic of Texas under John Coffee Hays. With the outbreak of the Mexican War, he joined the Texas Rangers and headed South for a little faster action. He got it, also a severe wound at Monterrey. Mustered out, Barry convalesced on the banks of the Trinity, with only Indian horse thieves to keep things lively. Such calm couldn't last, so he took on the job of Sheriff of Navarro County, serving three terms. Then Indian fighting seemed to offer renewed opportunities for action, and he was commissioned by Governor Sam Houston to organize a frontier defense company. This action merged into a prominent role in the Civil War, with a rise to Lieutenant Colonel. In his later years Buck Barry reluctantly consented to battle with words only, and represented the Bosque District in the State Legislature . . . another Ranger who helped to shape the frontier wilderness into the great state of Texas.

Today Texans owe much to the lawmen who brought peace to the frontier, and to industry and commerce, bringing prosperity and pleasure. The brewing industry has provided community revenues, payrolls and the refreshment of moderation. In Texas "Beer Belongs," and the United States Brewers Association is constantly at work with brewers, wholesalers and retailers to assure the sale of beer and ale under pleasant, orderly and law-abiding conditions.
