s will be sold on the
e for the Bronte game

FOOTBALL PRACTICE TO START MONDAY, AUG. 20

Football practice for the Rankin Red Devils will get underway on Monday, August 20, according to Coach Don Leach. He said that he expects from 35-40 boys to report for workouts.

The 1962 Red Devils will have some heavy experience in the line but will be lacking in key experience at such places as quarter-back.

They are pre-season picks to fight it out with Iraan for last place in the district—a pick that is not unusual for the Red Devils but one which seldom stands up.

Now See Here ...

Life doesn't begin at forty for those who went like sixty when they were twenty.

First Running of "Little Monaco" Set for Sunday

Sunday, August 19 is the date scheduled for the running of the first annual "Little Monaco"—50-mile go-kart race—in Rankin.

A fifty mile course has been selected on what is described as the "most challenging course in the nation" for go-karts and will consist of twisting, turning, hilly streets, running roughly from the Courthouse, north to 12th Street, then east to Court, north again on Court to 14th, east to Holmes Street, west up 10th to the courthouse. Drivers will be required to

A REMINDER ...

Interested persons are reminded of the hearing on the 1963 budget for Upton County, to be held in the Commissioners' court room at the courthouse on Thursday, August 16.

Time will be 10:00 a.m. and any tax payer is invited to be on hand.

complete some 55 laps of this grueling layout. Pit areas will be set up in the rear parking area of the courthouse and a number of choice views will be available to spectators.

This course will be open at 12:45 p.m. on the 19th with races to start at 3:00 p.m. Sponsoring the first annual running will be the Merchant's Development Association, the Exemplar Chapter of Beta Sigma Phi and the Poor Boys Kart Club of Rankin.

Indications are that a large number of the top go-kart racers in Texas and New Mexico will be on hand. Entries have already been received from Lubbock, Roswell, New Mexico, Stephenville, Slaton and other areas. Among the entries are the first and second-place winners of a similar event held recently in San An-

Pre-School Sign-Up Scheduled Aug. 21-24

Pre-school registration of new students in elementary and junior high school will be held August 21-24.

Students in grades 5-8 should go to the principal's office in the junior high school. Students in grades 1-4 should go to the principal's office in the elementary school.

This pre-registration is only for new students who have not yet attended the Rankin Schools, new first graders who have already registered at the pre-school round-up in May need not come for pre-registration.

Students of Rankin High are again reminded of registration at the high school principal's office for the forthcoming term. Dates and times are:

Seniors: Tuesday, August 21 between 9:00 a.m. and 4:00 p.m.

Juniors: Wednesday, August 22, same hours.

Sophomores: Thursday, August 23, same hours.

Freshmen: Friday, August 24, same hours.

Browning Improving

Richard Browning 12-year-old son of Mr. and Mrs. Bert Browning of Rankin is reported to be improving in Rankin Hospital following a motor scooter-car accident here last Monday in which he suffered a broken hip and other injuries. Driver of the car was Jerry Anderson, sixteen, also of Rankin.

gelo.

Local kart fans are very optimistic about the reception thus far and are expecting a "full house" by race time.

There will be no charge for spectators and everyone is invited to be on hand and see the "experts" of go-karting perform.

Rankin Teacher In First Sul Ross Study

Mrs. E. B. Bloodworth, long-time teacher in Rankin schools, was one of those taking the first Programmed Learning Seminar in Sul Ross College recently.

Mrs. Oleta Bloodworth

The study was held under the direction of Dr. Allen Briggs, Professor of English with visiting lecturers assisting.

Mrs. Bloodworth made a B on her work in the study and was also the recipient of a very complimentary letter from one of her professors on a paper she submitted on "Organization of a Guidance Program."

Also, while at Sul Ross College, Mrs. Bloodworth was installed as a member of the Zeta Delta Chapter of Kappa Delta Pi. The Zeta Delta Chapter on the Sul Ross Campus is one of over 200 chapters with over 100,000 members in leading colleges and universities throughout the United States. Membership is limited to outstanding students who are either now engaged in teaching or who are soon to enter the profession.

Reduced Sub Rates

Still on At News

Readers are once again reminded of the August special reduced rates on subscriptions to the Rankin News. An advertisement giving these rates can be found elsewhere in this issue.

It has been explained that the subscription need not have expired in order for the reader to take advantage of the lower rates. His subscription will be marked up for one year from the original expiration date.

Subscriptions may be mailed in, called by telephone or made in person at the News office. Credit is invited.

The Medallion is 14 inches in

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

SOCIALIZED MEDICINE—

Although socialized medicine is out for the present, we can expect another try by the planners next year. In the meantime, here is a little poetry that reached my desk by way of the Slaton Slatonite from the Petersburg Journal.

"Well, hello, Doc, look who's here.

It's Old Joe Dokes and I feel queer
I've such a hurting in my chest,
That I just can't get any rest.

So, look me over, will you please,
And see if you my pain can ease?

The Doctor said, "It's plain to see

That you're as sick as sick can be.

If you'll fill out form Six-O-One
Then we will see what can be done

To make you well should be no trick.

But first we'll have to prove you are sick.

You haven't got your Eight-Three-Two?—

Well, then I don't know what we will do

For if you have read Section 9
You know we both can pay a fine

If I should treat you right away
Without the government's O. K.

So—write your congressman
you're ill

Then he may introduce a bill

And have the Congress legislate
The right for me to operate.

And—if he gets through in time—

My Boy, it won't cost you a dime."

Now knowing the government,
do you really think that's funny?

ONE MORE—

While throwing in the funny stuff, this one might as well go along:

A man threatening to end it all was perched atop a tall building in a city. A policeman had made his way to the roof to try to persuade him not to jump.

"Think of your wife and family," admonished the officer.

"Haven't any," rejoined the man.

"Think of your mother and fath

The Rankin (Tex.) News— Thursday, August 16, 1962

er," pleaded the officer.

"Have onne."

As a last resort the policeman

said, "Think of Robert E. Lee."

"Who's Robert E. Lee?" asked the man.

"Awh, jump, yah cotton-pickin' Yankee!"

REMEMBER THE DATE—

On September 4 the Midkiff and Rankin Lions and the Booster Club will sponsor a meeting at the elementary school cafeteria which will feature a rather famous personage in the football world. Notice was made of this in last week's News but omitted from the story was the part about the ladies not only being welcome but urged to attend.

There's always the joke about how little women understand the sports such as football and baseball and this may be true in some cases but on the other hand, some of the biggest rooters of these two games are women. I personally know of a number of them who are the main backers in Little League and who can talk batting averages, touchdowns, etc. with the best of them about our national sports.

Such women as Erma Harkrider are well known for their loyal and undying support to such schools as Texas University.

She also sometimes mentions a place called "AggieLand" whatever that is.

I think it's a cotton patch around Austin someplace.

NEVER TOO LATE—

Last Monday, Richard Browning was seriously injured in a car-motor scooter accident. Fortunately, he is already on his way to recovery and, being young and strong, will likely be as good as new once he gets well.

It is a little like locking the barn door after the horse has been stolen but it's never too late for us all to learn from such mis-

THE SCOOP—
(Continued from Page 2)

fortune. To say that the accident might have been avoided proves

nothing. It did happen and if there's one thing that can be said for sure it's that similar accidents are going to happen again in the future.

It does little good to try and place the blame in such instances. Richard is an alert lad, not one usually associated with recklessness. The boy driving the car appeared to have been operating it in a safe manner. But still, in just that split second, the situation was right for an accident and it happened.

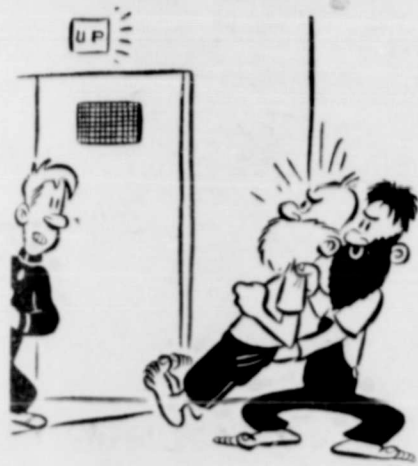

So parents—particularly those with small children, who let them play out in the streets on their bicycles and tricycles—can be prepared for the shock that goes with such happenings. On several streets in Rankin, kids just about rule the roost. They ride their wheels up and down the street.

in and out of driveways and generally take over. The law officers can do little or nothing as long as the parents permit this and as long as the parents continue to be inattentive you can expect and look with certainty for an even more serious accident for a boy Richard's age on a scooter is far more capable of taking care of himself than 90 percent of the children who make a playground out of public streets.

49TH MEMBER HOME

Among local members of the Texas National Guard to return home recently was Chester W. Webb, son of Mrs. W. F. Grey. Webb was a member of the 49th Division, recalled to active duty some 16 months ago.

The most effective highway safety sign is on the side of a police car.

Clyde Parry to Preach Sunday for Methodist

Mr. Clyde Parry of Barnhart will be the guest preacher at The Rankin Methodist Church Sunday, August 19, at the eleven o'clock hour. A. E. Ivy, member of the Official Board of the local Methodist church, will be in charge of the worship service in the absence of the pastor, the Reverend A. S. Masterson, who is away on vacation. Mrs. T. D. Workman, organist, and Mrs. A. E. Ivy, pianist, will furnish the music for the worship service.

Mr. Parry is a member of the Barnhart Methodist Church. He has been church treasurer, adult Sunday School teacher, and a local preacher of The Methodist Church for the past fourteen years.

Married, his wife, Lorene, has herself served the Barnhart Methodist Church for many years, and is presently the Sunday school teacher for the primary boys and girls. The Perry's have three children.

The Reverend A. S. Masterson, who served as their pastor for 2 years prior to the appointment to

MDA Makes Final Reply on New Plant Info Questionnaire

After a second meeting related to the request of a clothing manufacturing firm for information concerning the suitability of Rankin as a location for a new plant, the Rankin Merchant's Development Association directed secretary H. Wheeler to write a letter supplying all information requested.

In this letter, it was pointed out that Rankin was well located for such a venture from the standpoint of having all necessary transportation facilities, ample land available, outstanding public and school facilities and could easily supply the needed labor.

The MDA also informed the interested parties that a building could be constructed to meet their requirements for around \$80,000 and that it would be financed on a local basis and with assistance from certain lending firms.

In addition to the letter itself, pictures of Rankin schools, public facilities, etc. were included.

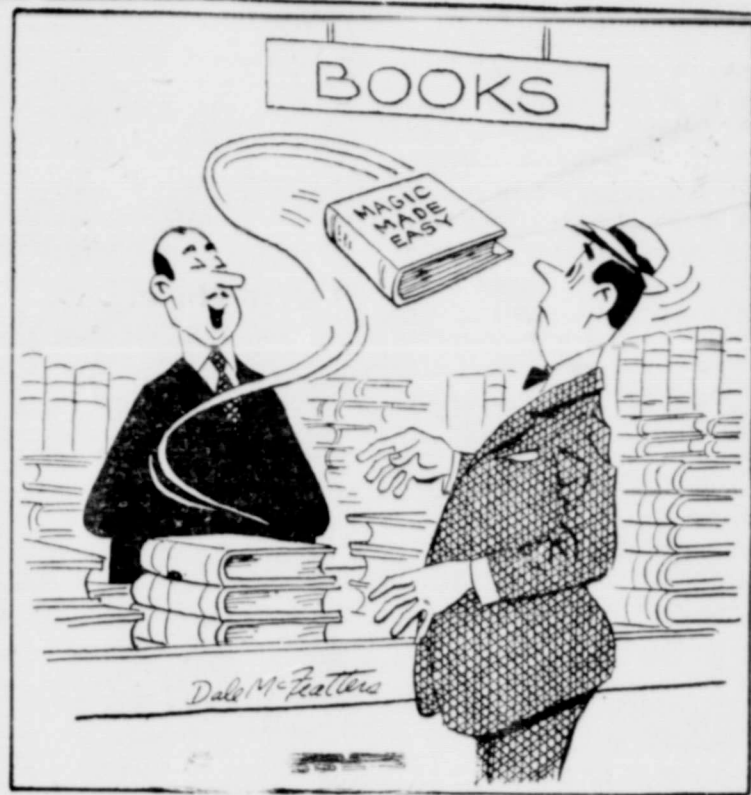

MDA officials have approached this request with the idea in mind

that Rankin is not going to be successful in every venture of this kind but that an effort should be made and developed as far as possible.

MYRNA HOLMAN
Home Demonstration Agent, Upton County

THIS YEAR WITH 4-H—

4-H club girls are readying record books for entry in district competition on a wide variety of subjects. Marsha Funderburg and Caye Collins were in the office this week bringing their records up to date for this purpose. These award programs are judged on records only. Others which girls have an opportunity to enter during the year are based on records plus demonstrations. These include various team demonstrations in the Spring contests; he

favorite food show; and the dress revue.

Other special opportunities the girls had have been achievement days, food shows, dressmaking workshop, record workshop, electrical clinic, the tri-county camp, and opportunity to plan for a county and club encampment.

In the regular program girls have had an opportunity to complete a food unit. This consists of at least 11 lessons with opportunity for actual food preparation, learning to plan meals, and ac-

tual table setting and service. Special lessons were also given in foods using inexpensive mixes made at home for the preparation of all types of breads, cookies, cakes and pies.

The third demonstration was bedroom improvement where the girls had an opportunity to plan rooms including color scheme; learn proper care; study what constituted a good rest center; and proper lighting. They had an opportunity to make such bedroom accessories as wastebaskets, throw pillows, pillow protectors, blanket protectors, pillow cases, hand towels, place mats, closet accessories, and such handwork as hemstitching and Swedish weaving.

In addition there was training in organization and recreation, not so much from the standpoint of just playing but that of learning to participate and to direct.

Some girls took advantage of many of the opportunities offered, some took part in only a few, and still others took an active part in only one or two special phases of the work.

A new program for the year will begin in September. Excellent lessons are outlined for the use of adult leaders and it is hoped that more leaders will be available for the subject matter groups this fall.

catch us at the office, try the house. We're used to it.

The Rankin (Tex.) News
Thursday, August 16

It happened 100 YEARS ago

The oldest incorporated trade association in the country—the United States Brewers Association, was organized in 1862 . . . the same year that

IN TEXAS . . . the entire state waited, with hopes and prayers for news of Terry's Texas Rangers, beloved for their courage, daring and skill as fighters. With Albert Sidney Johnston in Kentucky, in and out of Tennessee with Nathan Bedford Forrest, into Georgia with Fighting Joe Wheeler . . . where there was a battle to be won for the South, the Rangers were there!

And then, as now, beer was the traditional beverage of moderation—light, sparkling refreshment that adds a touch of Southwestern hospitality to any occasion. Texans have always enjoyed the good fellowship that goes with every glass.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

TELEPHONE TALK

by Harold Johnson, Manager

WE MADE IT!

Telstar is in orbit and I'm sure all of you have seen the resulting transmission on television signals from Europe, and our own to Europe. We, as telephone people, are as proud of this satellite as can be.

As you probably know, Telstar is the Bell System's new communication satellite. It acts as a sort of moving microwave relay tower in space. Signals from the earth are received by the satellite, amplified within it, and then are transmitted back to ground.

Everyone here at the telephone company had his fingers crossed that Telstar would be successful. After all, that little 170-pound ball opens a whole new world of communications possibilities. Voices, television pictures and data messages can now leap thousands of miles in a new and exciting way.

IT WASN'T EASY

Sitting back and reflecting on the many developments that made Telstar possible, three things come to mind:

1. Since the end of World War II, the Bell System has spent over one billion dollars for research and development.
2. Communications by satellite would be impossible without six Bell System contributions—the Transistor, the Solar Battery, the traveling wave tube, ruby masers, the waveguide, and new antennas for the ground stations.
3. The Bell System paid the National Aeronautics and Space Administration for the launching of Telstar. No one got a free ride.

I could go on and on about Telstar, but I'll make just two more comments:

At this moment in history, I'm even prouder than usual that I am a telephone man, and . . .

I am convinced that if there's ever a better way of providing communications—we'll do it.

Call by number. It's twice as fast.

SOUTHWESTERN BELL TELEPHONE COMPANY

Santa Fe Salutes 100 Years of Land Grant Colleges and Universities

Land grant colleges and universities throughout the nation are celebrating the centennial of the Morrill Act—the Congressional act which established their being.

In the areas of agriculture, engineering, mining, and industrial technology—the land grant colleges have contributed enormously to the strength, wealth, and general well-being of the states they serve.

Santa Fe, a partner in the progress of our nation, is proud to salute the nineteen land grant colleges and universities in the states we serve.

A Report . . .

BY W. M. (DUB) DAY
County Agent, Upton County

MISSION PLANT—

Production at the Mission Plant
passed the 50 million per week
mark last week when 56 million
pupae were radiated from Sun-
day, July 29 through Saturday,
August 4.

Total number of flies produced
and released from the Mission
plant since the first pupae were
radiated on a large scale on July
6 has been 128,112,090. The num-
ber of flies released last week, Sun-
day through Saturday, was 37,-
523,800.

Number of samples confirmed as
screwworms during the past week
was: Texas, 2,287; Oklahoma, 4;
New Mexico, 47; Arkansas, 0; and
Louisiana, 0.

Officials of the program are
well pleased with the progress in
building up production. Earlier es-
timates were that it would be
September before production could
be built up to the 50 million per
week level. This production has
been reached even though plant
personnel have experienced the
usual difficulties in getting a new
plant of this size into operation.
These production problems are be-
ing worked out without curtailing
production.

At this weekly level it requires
about 75,000 pounds of meat per
week, 3,500 gallons of blood, and
8,712 gallons of water.

FLY DISTRIBUTION CENTERS

Planes dispersing steril screw-
worm flies have operated out of

Moore Air Base at Mission and
Kerrville for the past few months.
A distribution center will be set
up at San Antonio this week and
at Laredo and Del Rio in the
near future. Other centers are
scheduled for Marfa and El Paso.

These centers are being added
to cut down on transportation
time and to obtain more economi-
cal use of planes releasing flies.
An ideal dispersing area is a rad-
ius of 140 miles from distribution
center for the present release pat-
terns.

Flies are now being released at
the rate of about 800 per square
mile. A minimum of 12 planes
will be needed for dispersing 50
million flies per week at this high
rate and up to 20 planes for the
75 million per week production
planned by September.

A group of insulated trailers
were obtained from government
surplus for use in storing flies
at the centers. The trailers are
now being stripped down and air
conditioners installed so that a-
round two million flies can be
stored in each trailer. Trailers
are used because they are mobile
and can be moved to new loca-
tions on short notice when neces-
sary.

If you keep your mouth shut
long enough, somebody is bound to
suspect that you have more than
the usual amount of common sens

Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT

PROPOSED CONSTITUTIONAL
AMENDMENT TO BE VOTED
ON AT AN ELECTION TO BE
HELD ON NOVEMBER 6, 1962.

HOUSE JOINT RESOLUTION
NO. 13 proposing an Amendment to
Section (b) of Article XVI of the
Constitution of the State of Texas
so as to authorize for election and
appointive officers and employees,
who serve in such capacity for
twelve (12) or more years in
county or other political sub-
division, a Retirement, Disability and
Compensation Program.

IT IS RESOLVED BY THE LEGISLATURE
OF THE STATE OF TEXAS:

Section 1. Subsection (b) of Article
XVI of the Constitution of the
State of Texas is amended to read
as follows:

(b) Each county and any other
political subdivision of this State
shall have the right and the Legis-
lature may enact appropriate regula-
tions to provide for and adminis-
ter a Retirement, Disability and
Compensation Fund for its elected
and appointive officers and
employees; provided same is author-
ized by a majority vote of the
qualified voters voting in such elec-
tion of the county or other political
subdivision. No person shall qualify
for benefits unless he shall have
served in such capacity for at least
twelve (12) years, except for those
persons otherwise qualified prior to
the effective date of this Amend-
ment. The amount contributed by the

county to such Fund shall equal the
amount paid for the same purpose
from the income of each such person,
and shall not exceed at any time five
per centum (5%) of the compensa-
tion paid to each such person by the
county and State."

Sec. 2. The foregoing Constitutional
Amendment shall be submitted to a
vote of the qualified electors in this
State at an election to be held on the
first Tuesday after the first Monday
in November, 1962, of which election
all ballots shall have printed thereon
the following:

"FOR the Constitutional Amend-
ment authorizing retirement, dis-
ability, and death benefits for
elected and appointive officers and
employees of counties and
political subdivisions who have
served in such capacity for
twelve (12) years or more."
"AGAINST the Constitutional
Amendment authorizing retire-
ment, disability, and death bene-
fits for elected and appointive
officers and employees of counties
and political subdivisions who
have served in such capacity for
twelve (12) years or more."

Sec. 3. Should the Legislature enact
enabling laws in anticipation of the
adoption of this Amendment, such
legislation shall not be invalid by
reason of its anticipatory character.

Sec. 4. The Governor of Texas shall
issue the necessary proclamation for
the election and the Amendment shall
be published in the manner and for
the length of time as required by
the Constitution and laws of this
State.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER SEVEN ON THE BALLOT

PROPOSED CONSTITUTIONAL
AMENDMENT TO BE VOTED
ON AT AN ELECTION TO BE
HELD ON NOVEMBER 6, 1962.

SENATE JOINT RESOLUTION
NO. 13 proposing an amendment to
Article III of the Constitution of the
State of Texas by adding a new
Section to be known as Section 62
and which shall empower the Legis-
lature to provide for the temporary
succession to public offices so as to
insure the continuity of governmental
operations in periods of emergency
resulting from disasters caused by
enemy attack; providing for the
proclamation and publication of this
proposed amendment by the Governor.

IT IS RESOLVED BY THE LEGISLATURE
OF THE STATE OF TEXAS:

Section 1. That Article III of the
Constitution of the State of Texas is
amended by adding thereto a new
Section to be known as Section 62
and to read as follows:

"Section 62. Continuity of State
and Local Governmental Operations.
The Legislature, in order to insure
continuity of state and local govern-
mental operations in periods of emer-
gency resulting from disasters caused
by enemy attack, shall have the power
and the immediate duty to provide
for prompt and temporary succession
to the powers and duties of public
offices, except members of the Legis-
lature, of whatever nature and
whether filled by election or appoint-
ment, the incumbents of which may
become unavailable for carrying on
the powers and duties of such offices.
Provided, however, that Article I of

the Constitution of Texas, known as
the "Bill of Rights" shall not be in
any manner, affected, amended, im-
paired, suspended, repealed or sus-
pended hereby."

Sec. 2. The foregoing Constitutional
Amendment shall be submitted to a
vote of the qualified electors of this
state at an election to be held on the
first Tuesday after the first Monday
in November, 1962, at which election
all ballots shall have printed thereon
the following:

"FOR the Constitutional Amend-
ment empowering the Legislature
to insure continuity of state and
local governmental operations in
periods of emergency resulting
from disasters caused by enemy
attack by providing for the
prompt and temporary succession
to the powers and duties of
public office, except members of
the Legislature, the incumbents
of which may become unavail-
able."

"AGAINST the Constitutional
Amendment empowering the
Legislature to insure continuity
of state and local governmental
operations in periods of emer-
gency resulting from disasters
caused by enemy attack by pro-
viding for the prompt and tem-
porary succession to the powers
and duties of public office, ex-
cept members of the Legislature,
the incumbents of which may be-
come unavailable."

Sec. 3. The Governor of Texas shall
issue the necessary Proclamation for
the election and this Amendment shall
be published in the manner and for
the length of time required by the
Constitution and laws of this state.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL
AMENDMENT TO BE VOTED
ON AT AN ELECTION TO BE
HELD ON NOVEMBER 6, 1962.

HOUSE JOINT RESOLUTION
NO. 13 proposing an Amendment to
Section 60 of Article III of the Con-
stitution of the State of Texas to
authorize all counties and other
political subdivisions of this State
to provide insurance for all em-
ployees; providing for the submission
of this Amendment to the voters of
this State; prescribing the form of
the ballot for the proclamation
thereof.

IT IS RESOLVED BY THE LEGISLATURE
OF THE STATE OF TEXAS:

Section 1. That Section 60 of
Article III of the State Constitution,
is amended to read as follows:

The Legislature shall have the
power to pass such laws as may
be necessary to enable all
counties and other political sub-
divisions of this State to provide
Workman's Compensation Insurance,
and the right to provide its own
insurance risk, for all employees of
county or political subdivision
whenever in its judgment it is necessary
or expedient, and the Legislature shall
enact suitable laws for the adminis-
tration of such insurance in the
counties or political subdivisions of
this State and for the payment of

the costs, charges and premiums on
such policies of insurance and the
benefits to be paid thereunder."

Sec. 2. The foregoing Constitutional
Amendment shall be submitted to a
vote of the qualified electors of this
State at an election to be held on the
date fixed by law for the General
Election in November A.D. 1962, at
which all ballots shall have printed
thereon:

"FOR the Constitutional Amend-
ment providing Workman's Com-
pensation Insurance for all em-
ployees of all political sub-
divisions"; and
"AGAINST the Constitutional
Amendment providing Workman's
Compensation Insurance for all
employees of all political sub-
divisions."

Each voter shall scratch out one
of said clauses on the ballot, leaving
the one expressing his vote on the
proposed Amendment. In counties or
other subdivisions using voting ma-
chines, the above provisions for voting
for and against this Constitutional
Amendment shall be placed on said
machine in such a manner that each
voter may vote on such machine for
or against the Constitutional Amend-
ment.

Sec. 3. The Governor shall issue the
necessary proclamation for said Elec-
tion and have the same published as
required by the Constitution and laws
of this State.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWELVE ON THE BALLOT

PROPOSED CONSTITUTIONAL
AMENDMENT TO BE VOTED
ON AT AN ELECTION TO BE
HELD ON NOVEMBER 6, 1962.

SENATE JOINT RESOLUTION
NO. 19 proposing an amendment to
Article IX of the Constitution of the
State of Texas to add a new Section
to be known as Section 1-A which
permits the Legislature to delegate
certain zoning powers to the govern-
ing body of any county bordering on
the Gulf of Mexico or the tidewater
limits thereof.

IT IS RESOLVED BY THE LEGISLATURE
OF THE STATE OF TEXAS:

Section 1. That Article IX of the
Constitution of the State of Texas
be amended by adding thereto a new
Section, immediately following Section
1, to be known as Section 1-A which
shall read as follows:

"Section 1-A. The Legislature may
authorize the governing body of any
county bordering on the Gulf of
Mexico or the tidewater limits there-
of to regulate and restrict the speed,
parking and travel of motor vehicles
on beaches available to the public by
virtue of public right and the litter-
ing of such beaches.

"Nothing in this amendment shall
increase the rights of any riparian or
littoral landowner with regard to
beaches available to the public by
virtue of public right or submerged
lands.

"The Legislature may enact any
laws not inconsistent with this
Section which it may deem necessary
to permit said counties to implement,
enforce and administer the provisions
contained herein.

"Should the Legislature enact legis-
lation in anticipation of the adoption
of this amendment, such legislation
shall not be invalid by reason of its
anticipatory character."

Sec. 2. The foregoing Constitutional
Amendment shall be submitted to a
vote of the qualified electors of this
state at an election to be held on the
first Tuesday after the first Monday
in November, 1962, at which election
all ballots shall have printed thereon
the following:

"FOR the Constitutional Amend-
ment authorizing the Legislature
to delegate limited zoning powers
to any county bordering on the
Gulf of Mexico or the tidewater
limits thereof.

"AGAINST the Constitutional
Amendment authorizing the Leg-
islature to delegate limited zoning
powers to any county bordering
on the Gulf of Mexico or the
tidewater limits thereof."

Sec. 3. The Governor of Texas shall
issue the necessary proclamation for
the election and this amendment shall
be published in the manner and for
the length of time as required by
the Constitution and laws of this
state.
