Devils Open District Hallowe'en Carnival Plans Readied For October 27

Preparations for the Annual School Hallowe'en Carnival are rapidly taking shape and this year's version promises to be just as gay and exciting as has been any of those in the past.

A few changes have been planned from last year-one being that the spooks, gobblins and floats of the parade will form at the parking area at the football field and march up Main Street to 10 before disbanding. From 10th Street, those who wish to enter the contest for one of the 10 individual prizes being offered for the best costume, will proceed to the vacant lot on 10th 1 block west of Main Street where they will be judged. Floats-for which there is to be four prizes, one for each

school and one for outside entries. will be judged as the parade passes through town.

The parade will get underway at 5:30 p.m., led by the Rankin Red Devil Band. Immediately following will be the carnival with its usual attractions at the elementary school. Should the weather be unfavorable for an outside carnival, it will be moved to the bus barn.

Laymans' Day Plans **Made for Methodist**

An annual event in The Methodist Church is "Laymans' Day" Sunday. On this designated Sunday, the ministers of the church "take a pew" and the laymen in each local Methodist Church conduct the worship service.

This Sunday, October 21 is to be Laymans' Day in the Rankin Methodist Church and Mr. T. D. Workman, Jr., church lay leader, is chairman of the arrangements for the morning worship service.

With the worship service under the directorship of Mr. A. E. Ivy, he will give the "call to worship" and will lead the congregation in the "declaration of faith". Mr. Dale Andersen will be the song leader. Mrs. Ivy will be at the organ and Mrs. Andersen at the

In the order of worship, Mrs. Will Nix will offer the opening invocational prayer. Don Leach, chairman of the official board, is to read the Scripture and lead the worshipers in the morning prayer. Norman Elrod will be the leader in the responsive reading, the 42nd Sunday. Kenneth Welsch is to give the witness to the Word.

Ushers will be D. S. Anderson, F. H. Carter and Dunn Lowery. Services will be concluded with Jim Ivy leading the members of the Methodist Youth Fellowship in the "M.Y.F. Benediction".

man, Bob Holden, projects chairman and Mike Hughes, assistant.

Broom Sale October 29

The Rankin Lions Club has announced that their annual Broom Sale will be staged in Rankin on Monday, October 29. Time will be from 8:00 a.m. until late. A doorto-door sale will be attempted at 4:00 p.m. with the assistance of the Boy Scouts if details can be worked out.

The club's share of the proceeds have been earmarked as a starter for a fund to erect a nice fence around the Rankin Cemetery.

On sale from the big truck to be parked beside the post office will be a large selection of brooms, mops, dust mops, floor mats, dish cloths, ironing board covers, and many other household items-most of which have been made by the Lion sponsored home for blind in Texas. The sale is known as the "Caravan Sale for the Blind."

Local Lion members will be on hand at the truck all day on October 29 to assist patrons in making their selections and to do a little arm twisting when neces-

"But it's all for a very good cause-one that helps the blind and a local community project," a Lion spokesman has pointed out.

SCREWWORM PROGRAM **MEETING OCTOBER 24TH**

Interested parties are reminded of the meeting on Screwworm Con trol to be held at the office of the county agent on Wednesday, October 24.

One former cowhand who had worked for Henry M. Haff, Jr. recalls a cattle drive in the fall of 1906 which consisted of five train loads-driven from Sheffield to Midland-taking five days to get them all out of town.

In its present capacity, most of the old headquarters serves as the home for big rattlers with weeds growing around the area and old window shades flapping through broken window panes. The original rock structure has been used off and on for salt storage and the old stage stand site sports a collection of rubbish including old horse collars, wagon parts and numerous bottles, cans, pots, etc. of varied ventage.

TWO AND ONE-

In recent months we have heard a good deal about the Russians wanting to rig up a three-person head operation for the disUnited Nations. They have a word for it that is something like "Troka"or thereatouts, my Russian being aly a little worse than my Engin. Naturally-I guess because the cuss.ans though of it-the West s opposed to this idea.

One would assume that the U. S., being a member of the socalled Western block, would also be opposed to the idea. But, if we are, it's in name only for we have a two-headed sort of operation in Washington ourselves, Bobbyplus Jack or it may work the other way around. And then we have gone the Russians one better and added a tail-LBJ-which waggles each time the head bob-

I guess we could call ours a "Droka" assuming that that is a twosome in Russian.

THE WESTERN FRONT-

Every so often in Upton County and every place else that I know about, there erupts a good community squabble on either the school board, the city government, the commissioners court, the ladies aid society, the country club, the bird watchers society or the hospital board.

I personally see nothing wrong in this for it usually work out that sooner or later some sort of agreement is reached and the affected organization will emerge a little stronger from having been subjected to a thorough going over by community thinking.

Over on the Western Front of Upton County-in McCamey, there has been a boil on in their hospital for many months now and for some reason, it never seems to respond to treatment by public opinion. At the time it began, Rankin's hospital had a little of is now a good bit of civic pride in sible. the local institution.

The Rankin (Tex.) News-Thursday, October 18, 1962

This brings up the question of just why is it that the McCamey hospital has been unable to get its differences settled and get about the business at hand-that of providing the people of that community with the best possible hospital care? From this distance it would appear that the fault has rested with the hospital boardand I do not say this to try to pick a fight with its members for I do not know any one of them personally. All that I have for forming an opinion such as this is reports from people who have used the McCamey Hospital and from a limited acquaintance among the residents of the town.

These reports would seem to me to indicate that the board has been u able to institute a policy that would bring all the bickering to a halt, that would provide for such things as proper air conditioning and heating and that would give the people of McCamey a hospital in which they had

One of the board's recent actions was to ask the commissioners court to call a cond election to build a new hospital in McCamey This, even if it passed, would be no substitute for a strong policy of leadership through the board. It might solve the physical problems-which could be remedied at considerable less expense-but it would have no reason to do anything about the rest of the question-how to have a hospital.

Last week the board was reported to be unhappy with the plans of the commissioners court to call a road bond election since they had been told on their request for a hospital bond election that the county could not issue any more bonds. I believe that this is just a misunderstanding. The county cannot issue any more bonds for the purpose of building hospitals but bonds voted for road the same disease but it has long construction come under a differsince been cleared up and there ent heading and would be permis-

So it is with closed meetings of organizations, be they city, school, county or hospital boards.

And now we can expect a new outbreak of hostilaties on the Western Front.

Again-may I say that being critical of the board as such is in no way a reflection on its individual members. I could not even name them although I may or may not have met them all at one time or another. As individuals. I'm sure they are the salt of the earth but as a hospital board it seems to me that they

As district opens it looks-at this point—as if Big Lake will be the champs with the second spot being decided between Eldorado and Rankin with Ozona a possible contender.

For openers we'll go like this:

by Harold Johnson, Manager

SURE WAY TO SCORE

If I were a sports writer, I think I'd devote this month's column to football. There have really been some exciting games this season—high school, college and professional.

October is a good month for taking in one of the out-of-town games. And if you're planning a big football week end, why not let your telephone help you "call plays"?

You'll never fumble if you call ahead for reservations, and if you plan to drop in on friends, a call to let them know you are coming is a sure way to score. You'll score again after you get home if you'll call and thank your friends for their hospitality.

ONE CAN DO IT

Looking ahead to next month, I'm reminded that the November elections will soon be upon us.

Just how important will your vote be? Well, let's look back in history.

In 1869, Andrew Johnson was acquitted of impeachment charges by one vote in the senate.

In 1876, Samuel Tilden defeated Rutherford Hays in the popular vote, but Hayes won a majority in the electorial college—by one vote.

In 1941, the Selective Service Extension Act was passed by the House on a 203 to 202 vote. This law provided that draftees be kept in service as long as the government thought necessary. Less than four months after it passed, the U. S. declared war on Japan.

Conclusion: Your vote is mighty important-don't neglect it.

HELP WANTED

Melp is wighted in the use of Area Codes when calling long distance. I know that many of you are using area codes in your calling now, but for those of you who are not, let me suggest that you try it the next time you call. First, check the front of the telephone directory starting at page three, to locate the area code for the city you are calling, and then give the operator the area code and telephone number you are calling, along with your number. I think you will be surprised at how quickly your call goes through.

This is just a small part of the many things to come in helping to make your telephoning faster and more convenient.

It will be good for business firms to have Area Code 915 (our area code) printed on your letterhead stationery the next time you order. This, too, will be an aid for other people to reach you quickly.

Call by number. It's twice as fast.

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862.. the same year that

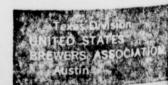

IN TEXAS..a new governor, Francis Richard Lubbock, guided a bankrupt state through that bitter Civil War yest. Cotton, exported through Mexico, brought desperately needed foreign gold. Homefront industries were established. Comforts were few, but morale stayed high..and there was good Texas beer, enjoyed then as now.

For then, as now, beer was the traditional beverage of moderation — light, sparkling refreshment that adds a touch of Southwestern hospitality to any occasion. Texans have always enjoyed the good fellowship that goes with every glass.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.
