RANKIN, UPTON COUNTY, TEXAS

THURSDAY, MARCH 7, 1963

Band Members Get Division Ratings

Members from the Rankin Band participated in the University Inter-School Solo and Ensemble held in Odessa. Members entering were Jimmie Lee Dishman, Marsha Odum, Robert D. Merriman, Denicia Dobbs and

The Saxophone Quartet: Marsha Hargrove, Deborah Odum, Robert Brummett and Murry Dee Merriman, performed "Malaguena" by Lecuona. Originally written as a piano solo, this selection is very demanding technically.

Mrs. Virginia Ivy provided the piano accompaniment for both of the ensembles.

Little League Plans March 11 Meeting

Rankin Little League will hold its first meeting of the year at The Yates Hotel, Monday, March 11. Time is to be at 8:00 p.m.

League officials have stressed the fact that all mothers and fathers of Little League players are particularly invited to be present and that the meeting is to be open to any interested person—regardless of whether they have children in Little League.

Every year science enables us to get there more quickly. If it would only provide something to do when we arrive. —Copied

Absentee Voting to Open March 12 --

City Ballot Offers Two; Two More in School Race

Deadline for filing in the City Election passed Monday and left a line-up of Mike Hughes and R. L. Bell seeking the one seat up for voting. Hughes is seeking his first elective term to the City Council while Bell, a long time resident, has previously sought a spot on the council.

In making known his desire to serve, Bell stated: "In announcing for City Councilman, I did so for the purpose of serving our city administration, and the public and will at all times vote for what I think is best interest to the tax payers, water and gas customers. After all, you are the source of revenue that it takes to operate the city functions.

I certainly will not promise to cut your gas and water bill in half—that will depend upon the weather, you and the meter. Any adjustments deemed necessary will get my full support. I solicit yours."

In the race for school board

trustee, two more names were added to the list as of Wednesday morning. They were Willie D. Poynor and Ed Edgar.

Poynor is an employee of the Humble Company and has lived in the Rankin District for over 10 years, having had one son to graduate from Rankin High and another presently enrolled in the school.

Edgar, manager of West Texas Utilities Company in Rankin, is the only incumbent to announce thus far for re-election. He will be seeking his second term on the board.

A. B. McGill, long-time member of the board and its present president, has not announced for re-election. Deadline for filing is midnight, March 6, according to W. O. Adams, business manager of the school.

Others already announced for the three seats open on the board are Tex Collins, Leslie McFadden and Leon Houchins.

The City race will kick off the absentee voting on March 12 and will run thru March 29. Date of the election is April 2. All absentee balloting in the city voting

will be done at the City Hall.

Also to be voted on in connection with the city election is the question of whether or not live-stock should be kept within the city limits. This vote is a referendum vote and as such will have no legal effect but City Council is expected to follow closely the desires of the voters as indicated by their answer to the question.

Myrtle Brown and D. L. Trowbridge entered the school board race at noon, Wednesday.

Dimes Benefit Show Moved To March 23

A change in the date for the March of Dimes Variety Show—originally set for March 22—has been announced. The new date is Saturday, March 23.

The search for talent for this show is continuing and anyone who will perform are requested to contact either Mr. James Mabry, R. H. S. Band Director, or Mr. Ed Edgar, Dimes Program Chairman for Rankin.

Legion Barbecue Planned for Sunday

The Upton County American Legion Post, located on the Iraan Highway in McCamey, will hold a barbecue Sunday, March 3 at the post. Time is at 5:00 p.m.

Charges are \$1 per plate for "all you can eat." The public is invited to attend.

HOSPITAL NOTES

Baby Boy Wright, son of Mr. and Mrs. Charles Wright of Big Lake, admitted January 13.

Mrs. Cora Ligon of Rankin, admitted January 26.

Don Vandevanter, 11-year-old son of Mr. and Mrs. Tom Vandevanter of Rankin, admitted January 30.

Mrs. J. L. Manry, Jr. of Rankin admitted February 13.

Mrs. Howard Newton of McCamey admitted March 1.

Mr. E. W. Woodruff of Midkiff admitted March 2.

Mrs. E. W. Woodruff of Midkiff, admitted March 2.

Mrs. S. C. Little of Rankin admitted March 4.

Mrs. V. A. Shook of Iraan admitted March 5 and transferred to Midland Memorial March 5.

Mrs. E. R. Farris of McCamey admitted March 5.

Rankin To Host King-Size Bridge Tournament March 20

A Nationwide charity bridge game in which one may participate in Rankin—playing the same hands as the country's leading experts will be facing in the Spring National Championship at St. Louis—is scheduled for Wednesday evening, March 20. Time will be at 8:30 p.m. at the Yates Hotel.

Entry fee of \$3.00, is tax-deductible and goes to the benefit of both the National Multiple Sclerosis Society and the Institute of Logopedics.

The game will be played in more than 200 cities all over the nation. It is expected that more than 20,000 will take part—making it the world's largest bridge tournament. Prizes are awarded for the best scores in each local game, for each district and for nationwide first, second and third. Nathan's Jewelers of San Angelo is donating two sterling silver goblets to be awarded for the local

portion of the tournament.

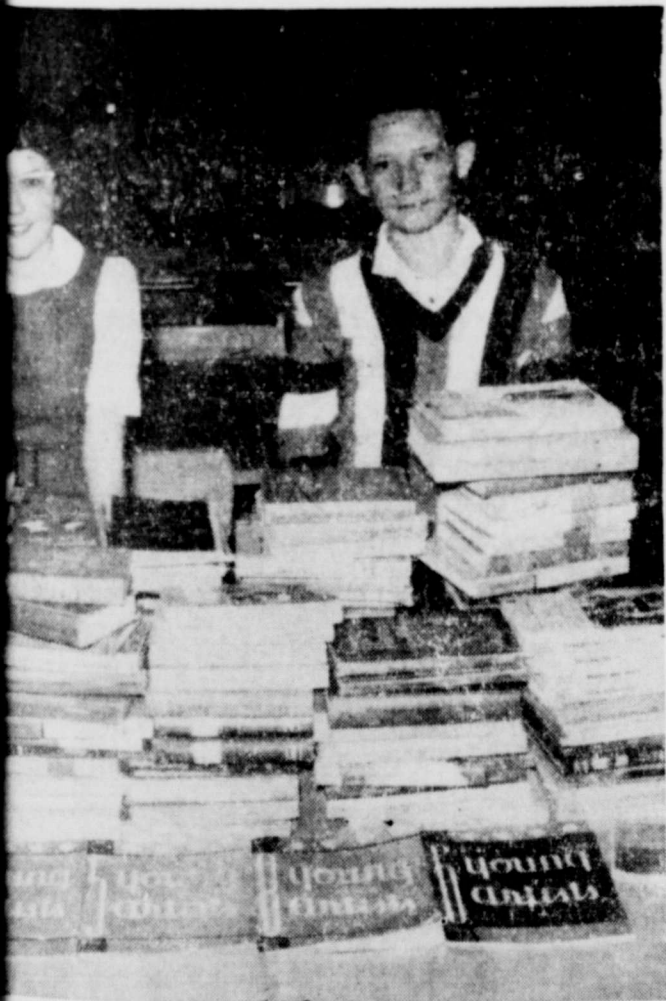

Further information may be secured locally from Mrs. Noble Harkrider, Box 471, or phone MY 3.2532.

In connection with this tournament, the sponsoring clubs from Rankin, Iraan and McCamey, are inviting all rubber and party bridge players of the area to make reservations to play either rubber or party bridge. Prizes will be awarded to winners of each section. A door prize will be given and pie and coffee will be served before gametime.

All players are asked to be at the Yates Hotel by 7:00 p.m. for refreshments and to give plenty of time to complete registrations before the 8:30 gametime.

Proceeds of this tournament go to the above mentioned charities.

Contestants are asked to make reservations in advanced if at all possible. Local reservations should be made with Mrs. Harkrider.

ANYONE?— Glenda Linneman and Joe Graham, Junior High look over the pile of state-adopted books that are required reading from the first through grade. This "reading" does not include reference books—they're extra.

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

GAMBLING DEVICES—

On an average of twice a month for the past ten years, it has been my duty to faithfully turn down news stories submitted by a number of organizations in which games of chance are being advertised. This is a requirement of the Federal Government. You cannot advertise games of chance through the mails.

These include bingo, raffles, game nights, drawings, etc. The sponsoring organizations have included such groups as girl scouts, sororities, civic clubs and even church groups and fund drives for such things as the March of Dimes.

The government says all these are shady deals and must not be allowed. I can report that they were held, report the winners and the amounts taken in and donated to charities, but I cannot tell of them in advance. That would be advertising gambling.

Yet, if I were of a mind to do so, I could run all the poop that I wanted to about the horse races in Ruidoso and Sunland. It's legal. I have seen jack pot ropings advertised in advance. I have played in a few dozen golf tournaments in which all you get for your trouble if you get beat is a handshake. That all seems to be O. K.

Well, starting now and until I get the damper put on me, I'll be taking and publishing—in advance—stories of game nights, drawings, and even that horrible word "bingo" as long as they are for benefit of non-profit organizations.

It seems a little screwy to me to be able to say that Greased Lightning will be running at a mile and a half on Saturday at Sunland and that you can bet the family fortunes on him to win, place or show but not be allowed to say that the Girl Scouts are going to have a game night on Saturday and will those who wish to contribute a couple of bucks please be on hand.

Like I said, it's the law but it "jest don't make sense" to me. So bring on your stories. It's

The Rankin (Tex.) News—
Thursday, March 7, 1963

my understanding that they feed pretty well in Leavenworth anyhow.

BRIDGE EVERYBODY?—

Along with such items as disease that turns into epidemics and the Internal Revenue, there seems to come regularly upon the scene certain phases of action that touches just about everybody.

Right now—aside from hiking—it's bridge. On all sides there are groups of people busy playing bridge, or building bridge, or shooting bridge or whatever you do when you gather round the table for bridge.

I'd probably join them but for the fact that when you put in full time golfing, you don't have any room left for bridging.

Besides, I can't understand how anyone can get so all fired wrapped up in something.

But be that as it may, if you care to play bridge, you'll get an opportunity to do so while making a contribution to charity when a king-size bridge tournament is staged here in Rankin on March 20. You should enter early for chances are that bridge players from all around us will converge for the match.

THE CUT—

It looks like we're going to get a tax cut—of sorts. President Kennedy is using his favorite tactic to get this through Congress—the old recession scare.

When Mr. Kennedy wants some thing, he says that the country is heading for a depression unless his plan is carried out. And, strange as it seems, this plea always seems to work with the Congress.

So, sometime this year, we can expect a cut in income tax.

A tax cut, anywhere, always looks good. It means that we are getting that much more of our own money back to spend—or save—as we please. But of late,

schools will suffer, out county will suffer and many will lose their jobs—all for payment of a very small tax cut.

If these tax revisions are carried out, the cut will be the most expensive luxury the people of Texas and much of the Nation have ever purchased.

THEY LOST—

For the benefit of our readers in far away places who have no other way of finding out—and there are some—it is our sad duty to report that the girls lost their basketball game to Eldorado last week. But they put up a fight with the lead changing hands eleven times in the first three quarters of play before the Eldorado girls got the lead and put on the stall and won by some 12 points.

The girls did all right. I felt that they would win district but maybe it's just as well they did not for I understand that those girls from East Texas shoot a mighty wicked basket in the state playoffs.

Tax Meeting Set For March 8 Date In Midland School

John Scott, executive vice president of Republic National Bank in Dallas, will be the principal speaker at "Operation Tax Impact" scheduled for 2 p.m. Friday, March 8, in Midland High School Auditorium.

The event, sponsored by the Permian Basin Petroleum Association and Chambers of Commerce throughout the area, will focus attention on the adverse effect which the proposed Federal tax revisions would have on the economy of the Permian Basin.

"Since these revisions would so drastically cripple the oil industry, the effect would be felt by every individual business, church and school in the Permian Basin," said George T. Abell, chairman of the steering committee planning "Operation Tax Impact."

The complete program follows: Master of Ceremonies, John Ben

Sheppard, Odessa; welcome and purpose of meeting, W. T. Edwards, Odessa, acting president of Permian Basin Petroleum Association; principal address—"Impact on the general economy of the area," John Scott, Dallas; "Effect on the oil industry," R. M. Leibrock, Midland; "Effect on non-industry businesses," James N. Allison, Midland; course of action plans, Jack Logan, Odessa; and discussion from the floor.

Delegations from throughout the Permian Basin are expected to participate in the event.

Ever time one man puts a new idea across he finds ten men who thought of it before he did. But they only thought of it.

Xi Epsilon Chi Meets With Mrs. Simpson

The Xi Epsilon Chi chapter of Beta Sigma Phi met in the home of Mrs. Lucy Simpson on Tuesday, February 26.

A short business meeting was held and reports from the various committees were given.

Mrs. Bettie Elrod presented a program on Argentina.

The hostess served cake and coffee to the members and guest, Mrs. Evelyn Welsh.

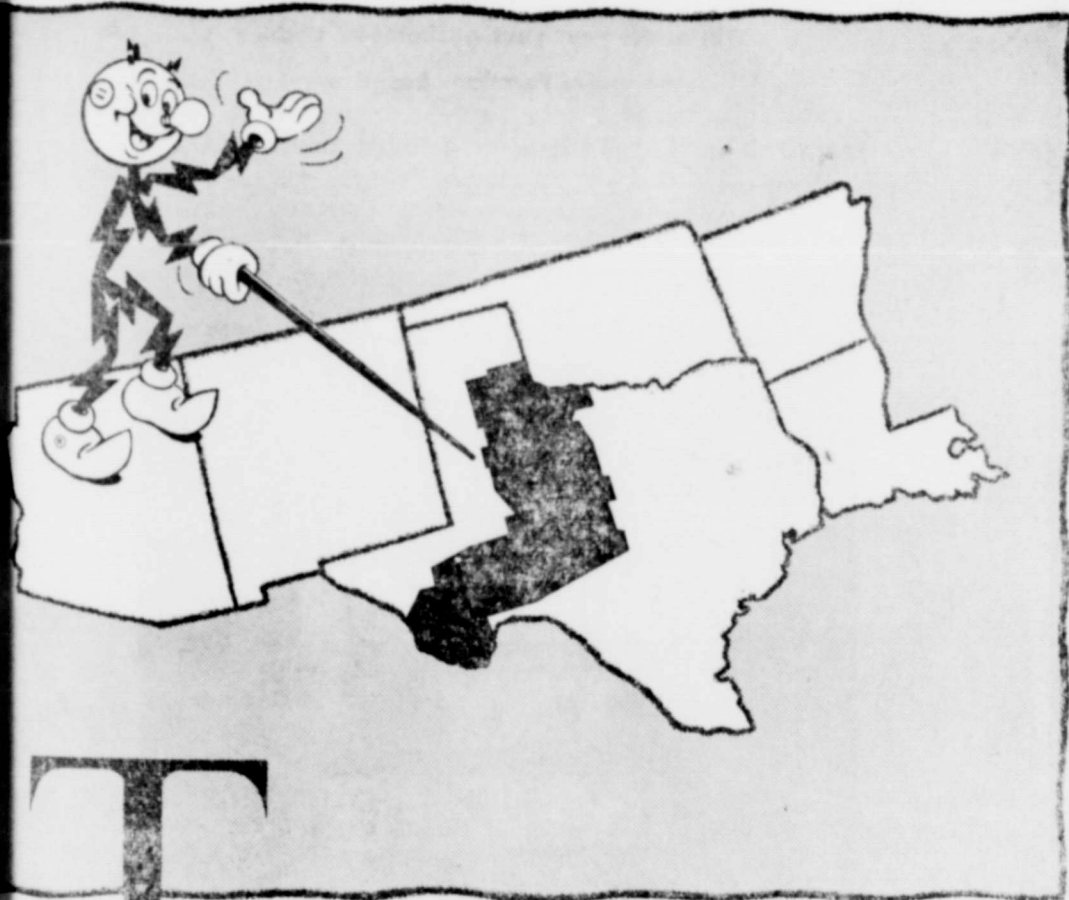

Life itself can't give you joy, Unless you really will it; Life just gives out time and space, It's up to you to fill it.

PHYSICAL FITNESS exercises are daily routine in the Rankin Junior High physical education classes. Roger Langford leads an Eighth Grade boys' class in a brisk workout in the gym.

T

HIS is the Center of the Southwest.

The Center of the Southwest is our service area.

It is called the Center of the Southwest because it is in the very heart of one of the Nation's fastest growing regions.

For many months we have been engaged in an extensive expansion program throughout our service area, enlarging both generating capacity and distribution facilities.

It is a far-sighted, long-range program based on one simple fact. We are convinced that the Center of the Southwest faces GROWTH UNLIMITED.

Current conditions confirm the belief. Population is increasing, more businesses are moving in, new industry is coming our way, natural resources are being developed, bank deposits, spendable income and business construction all are on the way up.

That is why we are investing millions to meet the present growth of the Center of the Southwest, and to be prepared for its continued development in the months and years ahead.

Girl Scout Leaders To Get Training

Girl Scout leaders are going back to school this spring. In the greatest training effort ever undertaken by their organization, all 430 troop leaders in the Permian Basin Girl Scout Council will polish up their present knowledge of Girl Scouting and learn some new ways of doing things.

Purpose of the training is to prepare Girl Scout volunteers for a program change that will become effective September, 1963.

"We have known for some time," says Sam Fitzhugh, Girl Scout neighborhood chairman for

Rankin, "that new handbooks are being written for four Girl Scout age levels instead of the three we now have. Our leaders are excited about the training course that will prepare them for the Program Change."

Local leaders will attend sessions at McCamey Scout House on March 18-20. The trainers in charge are Mrs. J. D. Haywood, McCamey and Mrs. Marie Isenberg, Monahans.

The Girl Scouts will mark the week of March 10-16 as Girl Scout Weew.

Home Demonstration Agent, Upton County

UPHOLSTERING WORKSHOP

Rankin women worked on draperies at their February meeting. At the March meeting, they plan an upholstery workshop.

The dates for the upholstery workshop will be March 14 and 15, or whatever portion of that time the person needs for their piece. Anyone interested in taking part in the workshop should call the office of the County Home Demonstration Agent and leave her name.

Each person brings her article, fabric, working tools, and other fabric needed. In the workshop, the pieces can be worked over from the foundation to the finished chair or couch. However, we do not try to do work on the

frames themselves. Begin with a sturdy frame and all of the rest can be easily done.

Anyone interested may call us for information and further instruction. A knowledge in upholstery is not necessary in order to do a good job on your article if you are willing to follow instructions.

The latest possible time for ordering any supplies would be Monday, March 11. There is no restriction on where supplies are secured. That is a matter of personal choice.

The workshop is open to anyone desiring to work. This is the only one that can possibly be scheduled this spring and possibly this year, so if you are interested, let us know.

Omicron Tau Meets Fef. 25 in Mow Home

The Omicron Tau Chapter of Beta Sigma Phi met in the home of Dorothy Mow February 25.

The business meeting was conducted as usual.

The chapter helped sponsor the girl Scout Game Night which was held March 2.

The program was turned over to Peggy Collins and Carrol Garey who reviewed the Beta Sigma Phi yardstick.

Refreshments were served to the members present.

Rusty Garner, son of Mr. and Mrs. Jack Garner, won first in the calf scramble at the Houston Show.

4-H Club Scores In Houston Showing

Charles Adkisson, son of Mr. and Mrs. C. N. Adkisson of McCamey, led the Upton County 4-H Club winners at the Houston Stock Show last week. Charles showed the Reserve Grand Champion of the show, a Southdown. Annette Herrington, daughter of Mr. and Mrs. Frank Herrington of Rankin, was 4th in the same class.

Adkisson's lamb brought \$1,000 in the sale.

In the heavy Southdown class, Rusty Garner showed the third place lamb, while Vickie Helmers showed to 21st place.

In the Hampshire class, Mike Whiteley showed the 4th place lamb and Debbie Day had 7th.

In the Pinewool class, Vickie

High Boasts Interesting Student

Following is a report of Rankin Junior High School that enjoys the honor of being in their section a

Hughes Is Hostess

A recent meeting, the Xi Chapter met in the home of Edith James with Stella Hughes as hostess for a regular meeting. The meeting was called and the minutes of the previous meeting were read and approved. The various committees reports and business was discussed. The chapter made a contribution to their State Project, for this year is the Boto-Gardens at McAllen. This is primarily for the handicapped and rehabilitation. The handicapped are given to do and then are paid for work. A program was presented to members of the sorority. Mrs. Maxine Bennett of Mrs. Bennett showed a collection of interesting pictures on one of the places of interest in the last home of Mary, of Jesus. She also had a model of the Temple of King. Members and guests, Mrs. Smith, Mrs. Genevieve Clark, Mrs. Louise Kole and Mrs. Clark were reported to have enjoyed the program very much and cookies were served.

student with close ties in Japan.

It is very interesting to have a pupil and classmate in a school-room who was born in Japan and still has a grandmother living there. Mrs. Hurn's Fifth Grade had a delightful experience recently when Eriko Moon brought a number of articles of clothing to school that she and her mother had worn when they still lived in Japan.

Naturally the display of clothing led to the discussion of the production of silk in Japan and the things that Japan exports to America that are made of silk.

Among the articles was a beautiful silk kamona, made by Eriko's grandmother. To hold it in place was a choice of two wide girdles made of silk in contrasting colors. A silk tassel for the hair with a long pin to fasten it went with the kamona. White sandals made of soft leather with silk cords to hold them on completed the costume. A separate short, sleeveless jacket made of flowered silk was another article of clothing shown.

The girls of the class enjoyed modeling the clothing and put on a short style show for the Fifth Grade room of Mrs. Wheat. Dona Brown, serving a narrator for the group, introduced Eriko and explained the origin and use of each piece of clothing as had been explained earlier by Eriko.

The biggest problem occurred when many in the group tried to handle the bone chopsticks. They concluded that they might go hungry if they had to eat rice and fish with them. Eriko made a present of the chopsticks to Mrs. Hurn.

The easiest way to make a mountain out of a molehill is to add a little dirt.

BEST CITIZENS: This group of Junior High students have been selected as "Best Citizens During School Year" by their classmates. They are: Eriko Moon, James Holt, Patrick Holden, Billy Paul Brown, Kenneth Parrish, Billy Wayne Hale, Randy Edgar and Mickey Hughes — one from each home room.
