ANY TAKERS—

Ben Boyd, local manager for The Western Company, said this week that his firm would be 100 percent behind any program designed to help clean up the business section of Rankin.

"We've got trucks, men and equipment available to be used in any way that would be of assistance," Boyd said. "We have power spray painting equipment and would be most willing to work out something with anyone who wanted to repaint the front of his property or we'd be willing to pain the entire Main Street."

"We will work with any group or club that wants to undertake the project or with any individual," said Boyd.

Now there's a pretty fair offer.

This business of cleaning up the town has been started on numerous occasions and much good has come of each effort. No single one has been entirely

successful but each effort has contributed something with the result that one needs only look back five to ten years ago and recall the situation then.

If some club, group or individual is looking for a worthwhile project, this offer should be investigated.

ENCOURAGEMENT—

A saying that most all of us have heard from time to time is the one that the oil patch "always comes back" meaning that from time to time, we who live in this area can expect new interest and activity to develop in the oil business which—in turn—means better times for all of us. The old timers will tell you of a number of times when this has been true.

Back in 1960 it looked for a

HELP ! —

Does any reader of this column
know how to work the kid game
called "High Que"? If so, I'd
like very much to talk with them
and to get a demonstration.

This simple little child's game
can be purchased at any place
that sells toys such as Johnsons,
for \$1. If you have just a little
smart, you're supposed to figure
out how to work the thing in
a very limited number of games.

I hold journeyman's ratings in
two skilled crafts, can operate a
linotype, automatic presses, work
a crossword puzzle now and then,
finagle the bank out of more
loans than I can repay, shoot a
fair stick of golf, even caught a
few fish now and then, plus other
assorted talents that should in-
dicate average intelligence but in
two weeks of trying my durndest,
this simple child's game still has
been unsolved at our house.

One consolation at our house
is that the kids can't work
either.

If you don't mind dropping a
few nights sleep and can stand
the shock of finding out that a
simple little game can best you,
I suggest you get a "High Que"
game and learn just how compli-
cated this world can be.

**Historical Marker
To Be Erected On

County Judge Erwin Easley of
the Rebel Party of Upton County
gave approval on April 25 to the
Texas State Historical Survey

Committee to place a Confede-
rate Memorial Information Mark-
er on the Courthouse lawn at
the Upton County Courthouse in
Rankin. This marker is to com-
memorate the Civil War service
of Colonel John Cunningham and
William Felton Upton from whom
Upton County was named.

Easley was elected by the stu-
dent body of McCamey High
School to serve as County Judge
of Upton County for one day on
April 25.

"We think these prominent citi-
zens from whom our county is
named deserve such recognition
from the state," said Judge Eas-
ley.

This is part of a new program
of the Texas State Historical Sur-
vey Committee to put markers in
assessable places for the benefit of
tourists and Texans alike. The
marker will be listed in future
historical maps and publications.
Judge Easley stated that we were
very fortunate to obtain this mar-
ker as this is one of the first suc-
cessful markers of its size, stand-
ing nearly five feet, to be granted by the
Survey Committee.

"Our county is deeply gratified
by the work of Senator Dorsey
Hardeman and Miss N. Ethie Eag-
leton of the Upton County His-
torical Survey Committee in mak-
ing this possible and the Rebel
Party of the McCamey High school
is indeed proud to be the ones
to sanction this agreement with
the state," said Judge Easley.

"I'm going shopping, dear. I simply have got to do
SOMETHING to take my mind off
our money troubles!"

Over Quarter Million Paid Out Yearly in Upton County--

Social Security Benefits On Increase in County

Monthly old-age, survivors, and disability insurance benefits in Upton County now top \$23,105.00, H. P. Thomas, District Manager of social security in Odessa, said today on releasing his annual county benefit data report. For the 13 West Texas counties from Gaines to the Big Bend and from Midland to Reeves, payments increased 14.4 percent over the past year. The increase was general throughout the district.

"This increase can be attributed to the change in the law in recent years, as well as to the growth of our aged population," Mr. Thomas said. "This money stimulates county business; most of it is spent for food, clothing and shelter."

"There is no longer any doubt. Social security benefits are helping to stabilize the income and spending power of many residents in the district. The current payment is at a rate of approximately \$9.5 million per year.

Monthly benefits first became payable in January 1940, and they have continued without interruption for 23 years, accompanied by a steady growth in the number of beneficiaries. As of 12-31-62—some 365 citizens of Upton County were collecting about \$277,260 annually from social security. More people in the area, Thom-

as said, probably could draw social security benefits if they knew more about the law, and for that reason they are urged to visit or call the local social security office whenever they have a question concerning their benefits or responsibilities.

As of January 1963, in the nation at large, more than 18 million beneficiaries were receiving payments at the rate of \$14.4 billion per year.

The average monthly old-age retirement benefit in January was \$76.19 for all States while in the State of Texas the average was \$68.49.

Following is the number and amount of each type of monthly benefit paid in Upton County, as of December 31, 1962.

Retired workers, 162, with payments of \$12,626. Wife or husband, 49, \$1,999. Widow or Widower, 27, \$1,811. Mothers and children, 105, \$4,948. Disabled workers and dependents, 21, \$1,637.

TIME CHANGED—

Time for the luncheon for the Rankin Study Club installation of officers on May 11 has been changed from 12 noon to 1:00 p. m. The meeting will be held at the Yates Hotel Dining Room.

Former RHS Student Wins Scholarship

A former student in Rankin's Schools, Michael (Mike) G. Kelley, now a senior in Lubbock, has been selected among the 50 winners of scholarships worth \$2000 from the Educational Fund for Children of Phillips Petroleum Company Employees.

The awardees for 1963 were selected from 148 candidates who had qualified to take the Scholastic Aptitude test of the College Entrance Examination Board on March 2.

Kelley has been awarded a scholarship to any accredited col-

lege or university of his choice. He is the son of Mr. and Mrs. Kelley and a senior at Lubbock High School where he is a member of the National Chemistry Club team and has served on the Student Council. He also is in the Catholic Youth League.

He will be remembered in Rankin for his high work in the classroom and his considerable promise in the athletic field in his sophomore years.

Carrol Garey Home Scene of April 22 Sorority Meeting

The Omicron Tau Chapter of Beta Sigma Phi met in the home of Carrol Garey on April 22.

The business meeting was conducted as usual with members voting on the Scholarship award, the recipient to be announced at graduation exercises.

Punk McFadden and Pauline Gossett were in charge of the program, "Sculpture and Painting", and introduced guests, Mrs. Cole, Mrs. Walton Poage and Mrs. Danny Hilliard who showed their hobbies and paintings and gave a demonstration of them.

Refreshments were served to guests and members by hostess Carrol Garey.

Red Devil Band Has Near-Miss for 1st

"An inch is as good as a mile" is an old saw that may come back to haunt the members of the Rankin Red Devil Band and their director, Mr. James Mabry whenever they think how close they came to getting a First Division in Odessa last week-end. Playing in the UIL Spring Contest, the local group received two 2nds, and one 1st rating from the 3 judges of the contest and thus were awarded a Division II rating for their concert playing efforts. Had either of the two judges given a 1 in place of the 2—and from

their comment sheets, it was a very close decision—Rankin Red Devil Band would have been the only Class A band to score a Division I rating in concert.

But all was not a loss. Division II ratings are considered Superior and equal to a grade of 95-97. A Division I rating is excellent and is considered the best possible performance.

In sight reading, the band had a moment or two of overlapping in their playing and were rated a III.

Both ratings were improvements over their performance of last

Geneva Woody Guest Of College Party

Miss Geneva Woody, daughter of Mr. and Mrs. E. L. Woody of Rankin, and a junior at Abilene Christian College, was one of the guests at the Sub-T 16 40th annual banquet, Saturday night, April 27.

The men of the club transformed the inside of a warehouse into a lovely "Southern Plantation" where the banquet was held. A road led up to the beautiful fountain set among trees and Spanish moss. A large plantation home with columns and pillars was built against one wall.

Tables for four were prepared beneath the trees and the area around the fountain. The dinner was charcoal broiled steak. Transistor radios were given to the girls as favors.

Cancer Crusade Nets \$244.17 in Rankin

Mrs. Clint Shaw, chairman of the Rankin Cancer Crusade, which was sponsored by the Rankin Study Club and ended their fund drive on April 30, reported that \$244.17 had been collected thru the door-to-door drive and other sources and that more had been promised and would come in at a later date.

Mrs. Shaw expressed her thanks on behalf of the Study Club to all who made donations and to those who assisted in the drive.

"Considering the present situation in our community," Mrs. Shaw said, "I feel that this represents a very generous donation by the Rankin community and we are proud of the effort made on behalf of the drive."

"Our thanks to all," she concluded.

Mrs. E. L. Edgar Is Shower Honoree

The W. O. Adams home was the scene Saturday, April 27 of a pink and blue shower honoring Mrs. E. L. Edgar. Guests arrived between the hours of 3 and 5 p.m. to view many useful baby gifts.

Cake and punch were served from a table covered with a lace cloth over pink, centered with a cake in the form of a bassenette and covered with pink and white icing. Punch was served from a lovely, clear punch bowl and slices of cake were placed on a matching plate.

OF PERMIAN SCHOOL ASSOCIATION—

A. B. McGill Named 2nd Vice-President

A. B. McGill, president of the Rankin School Board and who recently led a list of twelve candidates for re-election, has been named 2nd Vice-President of the Permian Basin School Boards and School Mens Association. About thirty schools make up the association and McGill is the first Rankin board member ever to be elected an officer of the organization.

At the association meeting in Denver City on April 21, McGill's name was placed in nomination by H. L. Wheat, superintendent of McCamey Schools, and the voting was unanimous.

Officers of the association are usually moved up one step each year until they head the organization.

Girl Scout Group Visits in Six Flags

The Fifth Grade Girl Scouts went to "Six Flags Over Texas" last week-end. All were reported to have enjoyed themselves despite the rain.

The girls earned their expenses by having rummage and bake sales.

Among those attending were Kittle Sue Gossett, Vickie Jo Hood, Deborah Houchins, Caye Collins and Donna Price. Mrs. Robert White, their leader, and Mrs. Joe Hood, accompanied the scouts.

All the girls will receive their Second Class Rank next Wednesday, May 1, at a tea that will be held in honor of their mothers.

ins was used and favors resembling baby rattlers added.

Hostesses were Mesdames W. O. Adams, Bellmon Williams, Leon Houchins, Ralph Adkins, Marvin Whatley and J. B. Hutchens.

BRADEN TO ATTEN—
 (Continued from Page 1)

of McCamey, aided by the Rankin Lions Club, is sponsoring Braden to the Austin session.

Braden was chosen on his scholarship, character, ambition, leadership ability, and the ability to get along with fellow students. The basis of selection was leadership—50 percent; character and integrity—25 percent; and scholarship—25 percent.

This is the first time for a Rankin boy to be chosen to participate in the Boys State although the McCamey Legion Post has been sending representatives for a number of years. Last year four McCamey boys were sponsored. This year the American Legion of McCamey is sponsoring two boys from McCamey, one from Rankin, and one from Iraan.
