Fourteenth Show Dedicated to One of Founders --

Fourteenth All-Kid Rodeo Promises Colorful Week-End

For the fourteenth year, it's Rodeo Time in Rankin.

A festive air began taking hold of the community this week as the day for the opening parade approached and all signs point to one of the biggest and best All-Kid Rodeos yet staged by the Upton County 4-H Club.

As last minute preparations for the two-night show were being worked out, entries began coming in at the office of County Agent Dub Day and he said that this could be a big one.

The fourteenth rodeo is being dedicated to Bud Poage, son of Mr. and Mrs. Walton Poage of

Rankin. His picture will appear on the front of the rodeo programs. Bud was one of the originators of the rodeo and has been in and assisted with 4-H Club work in Upton County for the past thirteen years.

Kicking off the activities at 5:30 p.m. Friday will be the parade, featuring floats by business firms, individuals and civic organizations, contestants by the score, pretty girls in bunches and horses of all sizes. Forming at the Rankin Park Building, the parade is to leave on West Tenth to Main, South down Main to Highway 67 and on out to the Dub Day 4-H Club Arena where action will begin at 8:00 p.m.

The Rankin Red Devil Band is to perform both nights at the arena.

Included in the events will be barrel races, calf roping, steer riding, hair pulling, ribbon rop-

ing, boot scrambles pole bending and other attractions. Entry fee is \$3.00 per event with junior and senior divisions.

Announcer this year will again be Ezra Trotter, the popular and fast-talking announcer who delighted the audiences last year and who contributed greatly toward keeping the show moving at a fast, even clip.

Bill Shaw will be the clown and provide additional laughs and color to the action.

Grimm Taylor is timekeeper, Les McFadden, Bud Poage and J. D. Shipp are judges while Mrs. Tex Collins, Mrs. Jay Lane and Mrs. Shankle Bloxom will be the bookkeepers.

"We sincerely believe that this will be one of our better All-Kid rodeos and we want to encourage everyone to attend," Day has said. "The support given us by (Continued To Page Five)

Kenneth Welsch Resigns As RISD Superintendent

In their meeting last Tuesday night, members of the Rankin School Board accepted the resignation of Superintendent Kenneth C. Welsch. Welsch will stay on with the local school until July 1 when he and his family will move to West Columbia where he will take over duties as superintendent of the consolidated school district.

West Columbia, a 3-A school, is located some 50 miles south of Houston in Brazoria County and has an administrative staff composed of the superintendent, an assistant superintendent, a tax collector, a business manager and five principals.

Members of the West Columbia school board were in Rankin last week and talked with a number of local residents and school board members before offering Welsch the position.

Rankin School Board has now

opened the position vacated by Welsch to application until their next meeting on June 18 at which time they will consider applicants. They have set up the following procedure for application:

- (1) All applications to be addressed to the school board in care of the business office.
- (2) All applicants must have a Master's degree and an administrative certificate.
- (3) All applicants must have had previous administrative experience.
- (4) All applications are to be submitted in writing and accompanied by a data sheet.

The board will contact those applicants with whom they wish to speak personally and have requested that they, as board members, not be contacted in person nor individually.

HERE AGAIN—

For the fourteenth year in a row, Rankin is getting ready to stage the Upton County 4-H Club All-Kid Rodeo. I think one year it was held in McCamey but Rankin got ready that time, too.

This shindig didn't start off with much of a bang, being just more or less an idea of two kids who gathered up a few others of like mind and had a little calf riding and some roping.

But that was fourteen years ago. For a Kid Rodeo, the show is now big time with contestants from all over and competition so keen that the rank amateurs are pretty well sidelined. In fact, the last two or three years, the type of competition seen in the rodeo would sideline a good many who

fancy themselves as being pretty fair hands in this department.

Most of us have seen practically ever rodeo since it started but for the newcomers, a good piece of advice is: "Don't miss it."

MONKEY SEE—MONKEY DO—

Bobbie was in a store with his mother when he was given a stick of candy by one of the clerks.

"What must you say, Bobby?"

"Charge it," Bobby replied.

THE CONTESTANTS—

Right now in Rankin, there appears to be about four kinds of sports around—not counting fishermen who, like daylight and dark, are with us always.

Over the coffee cups one can get about four categories of conversation: baseball, bridge, rodeoing and golf. And all four are

THE COMMISSIONER—

Last week down in Austin Gov.
ernor John Connally—after get-
ting the all clear from LBJ—
pulled a mild surprise and ap-
pointed Jim Langdon as a mem-
ber of the powerful Railroad Com-
mission. Jim has now gone a long
way from the time some twelve
years ago when he practiced a
little law in McCamey. The gov-
ernor admitted that one of his

reasons for appointing Langdon
was that he was "an old school
chum" which should point up a
lesson of sorts: watch out who
you go to school with.

Aside from the fact that his
appointment was something of a
surprise to most folk out here in
the backwoods, the general opin-
ion heard is that he will do about
as well as the next one as a
commissioner. It is a rather bit
hard for most of us commoners
to understand about the Rail-
road Commission anyway. We
are told out here in the oil patch
that the oil business is depress-
ed because the commission won't
allow more days for production
but yet, when the time comes to
set the oil allowable, the Rail-
road Commission calls in repres-
entatives of all the oil compan-
ies and pretty well follows their
recommendations on determining
the allowable. And in a number
of cases, the oil companies—who
say bad times are caused by the
low allowable—ask for even low-
er rates than the commission ap-

proves .

Now you pluck the feathers out
of that one and see what you
come up with.

"Story Hour" Opens At Rankin Library

The very popular "Story Hour" will open at Rankin Library on Tuesday, June 11 with Mrs. Odessa Edwards, librarian reading stories for the 5-year-olds and 1st and 2nd graders. Time is to be at 10:00-11:00 a.m.

On Friday, June 14 at the same hour, the 3rd and 4th graders will be read to.

This same schedule will be repeated each Tuesday and Friday until the middle of August.

There is no charge and all the children in this age group are invited, the librarian has stated.

Graves Decorated on Memorial Day By

On last Memorial Day, the Rankin Cemetery Association decorated with flags the graves of the following veterans in the Rankin Cemetery:

Spanish American War: L. L. Tierce

World War I: Cecil T. Simmons, James T. Hickox, Joe T. Lane, C. E. Wheeler, W. E. (Bill) Yates, Jasper Edwards, Murray Merri-man, B. D. Wilson, Ernest Brown, and Allen L. Know

World War II: W. F. Hale, Alvin Hale, Sterling P. (Tuffy) Barfield, Jasper Taylor, Lewis Taylor, Stanley Holder and Braulio Deanda.

The Association said that they believed there were others but a lack of information prevented an identification.

Flowers were brought by ladies and placed on graves of their relatives and friends in addition to the war veterans.

The Association has expressed their thanks for information received on unidentified graves and is still seeking more. Fifteen previously unmarked graves have been identified and marked thus far by the group.

Yankees, Cards Tie For First Place

Standings in Rankin Little League play again moved into a two-way tie with the Yankees and the Cardinals winning both of their last two games — now having 7-won, 3-lost records for the season. It was another bad series for the Dodgers and the Giants. The Dodgers are once again at the .500 mark with 5-won and 5-lost while the Giants are 1-9. Despite their won-loss record, the Giants are playing good ball and have out-hit their opponents in a number of games but muffed their chances for a win afield. Their young players have potential but lack experience.

This week's schedule calls for the two leaders to go to bat in the first game and settle, at least temporarily, the top spot. In the night game, the Giants and the Dodgers have a go at it.

On Monday, June 10, it will be the Cardinals vs the Dodgers in the opener and the Yankees vs the Giants in the second game.

Teenage Baseball Opens in Rankin

Teenage baseball in Rankin was opened last Memorial Day with a game between the Rankin Go Team and the Iraan Dodgers with Rankin taking the win when the game was called in the bottom of the fourth because of high wind. On Monday night, June 3, the Go Boys more or less muffed a game to the McCamey Orioles after playing three innings with a score of 1-0 in favor of Rankin.

Composing the Teenage League are five teams: two from McCamey and Iraan and the Rankin Go Team.

Rankin acquired their rather unique name from The Western Company of Rankin. The firm furnished very attractive, new suits for the ball players and the manager, Pinkie Holt. For this most generous support, they were asked to name the ball club and with some evidence that the LSU Tigers and their Chinese Bandit football team had some supporters in the Western Organization, the name of "Go" Team was selected. And as it turns out, just

Midkiff were installed on Monday night, June 3.

Installing officer was Dovie Whisman, installing marshal was Ione Shurley, installing chaplain was Mary Perks, installing organist was Faye Bender and Elvessa Handley was secretary pro-tem.

Serving on the decoration committee were Leonard Telford, Dell Ruckman, Dovie Whisman, Ruth Loftin, Geneva Nickolson, Mary Telford and Opal McCann.

The refreshment committee was composed of Wanda Tuttle, Ernestine Duncan, Beatrice Gordon, Emalea Poynor, Faye Wilson, Ruby Fannin and Rose Ivey.

Among the officers are Sara Whisman, worthy matron; Bob Whisman, worthy patron; Dell Ruckman, associate matron; Mac McCann, associate patron; Beatrice Gordon, secretary; and Faye Wilson, treasurer.

Linda Harral Gets Degree from Tech

about everybody seems to be right proud of it.

Other upcoming dates on the Go Team schedule include another home stand on Monday, June 10 when they host the McCamey Braves. On June 17, the Go Boys take to the road for the first time this year and play the Iraan Dodgers in Iraan. Following is the remainder of their schedule:

- June 20—Orioles in McCamey
- June 24—Pirates in Iraan
- June 27—Braves in McCamey
- July 2, Dodgers in Rankin
- July 8—Orioles in Rankin
- July 11—Orioles in McCamey

A final one-game series will be played in July if the championship of the league is still in question at that time. In that game the Go Team will host the McCamey Braves.

On July 15-20, a tournament is scheduled in McCamey to which teenage ball clubs from Big Lake, Crane and other surrounding towns will be invited. This will be an elimination tournament in which the winner will have gone undefeated. Next year the tournament will be held in Rankin.

Stockton and former Rankin residents, was graduated from Texas Tech on June 2 with a BA Degree in Science and Education with a physical education major.

Miss Harral, a graduate of Rankin High School, had attended John Tarleton in Stephenville for two years prior to transferring to the Lubbock college.

the local community has been very good as usual and on behalf of the club, I want to say thanks to all," he said.

As a fund raising project, the 4-H Club is sponsoring a drawing for a miniature pony, to be given away on the Saturday night performance. Donated by Mrs. Billy Rankin, tickets for chances on the drawing are now on sale and will be sold at the arena.

This year, instead of awarding a saddle for all-round cowboy, and belt buckles for individual events, the club will be offering trophies to the winners. And, as usual, one of the more closely watched events will be the queen contest in which girls are judged on their performance, appearance and the manner in which they handle their mounts.

The new reduced station-to-station rates for three-minute calls will fall into three brackets, according to the local manager.

Calls of 83 to 202 miles will cost 50-cents, a reduction ranging from five to 25 cents under present rates.

Calls of 203 to 360 miles will cost 60-cents, a reduction of 20 to 40-cents.

Calls of 361 miles or more will cost 80-cents, a reduction of 20 to 50-cents.

Station-to-station rates will not be reduced on calls made between 6 p.m. and 9 p.m., nor will the reduction apply on collect calls or on calls charged to a third telephone.
