Eden Resigns As Junior High Principal

J. R. Canning to San Angelo

Special meeting Tuesday, the Board of Trustees of the Junior High School accepted with regret the resignation of J. R. Canning, principal of the school. Canning served as elementary principal for two years before moving to the junior high position. He came to the Rankin system from Kerrville, where he was highly regarded in his school. He served with former principal Kenneth Weisch on a joint accreditation at an area school. Canning has had a number of years of school administration and has published related problems. He is a widely read magazine of the Texas State Teachers Association. He has been active in boy scout organizations and is president of the Sunday School at the First Baptist Church. He and his family are members and workers in the church. He is leaving Rankin to accept an elementary principal position in the San Angelo system. He has decided to postpone the track proposal for

further study of an alternate plan. Another meeting was scheduled for Tuesday night, July 30, for this purpose.

Superintendent Bill J. Hood said that applications for the Junior High principalship would be accepted with the following stipulations. The applicants must hold a Master's degree from an approved teacher training institution with a preferred major in educational administration. They

Boys' Ranch Seeks Livestock Donations

Branch and Ross have been named "wagons" for the fourth annual Boys Ranch Roundup to August 3. The largest fund-raising campaign in the year for the famous ranch near Tankersley is for livestock and farm equipment. West Texas, livestock commission firms are selling without fee any livestock by stockmen and proceeds directly to Boys Ranch. The two-week period may carry livestock of the participating stockmen to the Ranch. J. R. Canning, local chairman of the drive, "We'll take any gift at any time," he has said, "But this is the time to get the livestock in."

on Saturday, July 27, and that he and Mr. Wheeler will see to it that they are delivered for auction.

The Ranch currently has 80 boys in its care, 64 of them in actual residence on the Ranch and 16 placed in foster homes and work homes under its supervision.

The Ranch is financed entirely by free-will offerings of West Texans. It receives no tax support.

In past instances, the Roundup has furnished as much as one-sixth of the Ranch's total budget. This means the stockman's donations of unwanted animals have supported more than 60 boys for two months.

J. R. Canning, Eden ranchman, is chairman of the drive. "We'll take any gift at any time," he has said, "But this is the time to get the livestock in."

All Patients To Be Charged for Service --

New Policy Noted by Court On Hospital Charity Cases

As reported last week, the Upton County Commissioners, at the request of hospital boards and administrators, have been making a study of policy as related to the care of charity cases by

Mrs. W. W. McNeal Buried In Austin

Funeral services were held last Sunday, July 16, in Austin for Mrs. W. W. McNeal, mother of John A. Menefee. Burial was in Austin, here home for many years.

She died early Friday evening in Austin.

Mrs. McNeal was 79-years-old and had been in ill health for about the past eighteen months.

Other survivors include a daughter, Mrs. B. V. Howell, also of Austin, and five grandchildren.

shall have a valid Texas Teacher Certificate and an administrator's certificate.

Hood further asked that all applications be made in writing addressed to him. He added that telephone calls and personal contacts are not wished at this time.

Upton County in the Rankin and McCamey Hospitals.

In the past, there has been no definite procedure followed in this matter with some cases being referred to the hospitals by the individual commissioners and the county assuming all charges. This practice has not been followed, however, by either of the Rankin commissioners for some time now.

In an effort to establish a uniform policy at both hospitals and to have a definite policy, the following letter was addressed to the presidents of the two boards and to board members.

The letter is from the office of County Judge Allen Moore.

"This is in answer to your letter of June 20th concerning reimbursement of indigents entered into your hospital by authority of Precinct Commissioners.

The Commissioners' Court reached an agreement today and advised me to notify you of this action. From this date on, Commissioners will not enter a patient into the County Hospital as an indigent of the county. At the same

time, they are in agreement that no patient should be denied admittance to our hospital when they have been advised by their doctors that they need hospital attention. The administrator of the hospital should take every available means, by note or otherwise, to insure collection of said patients. The Commissioners

J. R. Rickles, administrator of the McCamey Hospital, submitted his resignation to the board last Tuesday night.

Court realizes that there will be emergencies under which some patients will have to be taken differently than others, and the authority for such actions will be in the hands of the hospital board and administrator.

The Commissioners' Court in some instances will approve a patient to a doctor for treatment. However, if the doctor enters the patient into the County Hospital, the patient will be responsible for the indebtedness incurred.

Trusting the above action meets with your approval. . . . Allen Moore (county judge)

More Money Into Prizes --

MDA Numbers Game To Appear Next Week

Next week, in the issue of July 25, Lucky MDA Winner Numbers will again be printed in The Rankin News.

Readers are advised to keep this issue of The News since an additional set of jackpot numbers may be drawn around the middle of August in case no winners come forward in the first group drawn.

So far, no one has claimed any of the three jackpot prizes being offered this month. In the event that they are not claimed by the time the new set of numbers are printed next week, all three pots will be doubled—making one for \$40.00, one for \$20.00 and one for \$10.00.

Individual merchants will again offer store prizes in addition to the jackpot prizes. Any merchant or business firm who did not participate in the July drawing but

wishes to have a part in the August one should contact the News office not later than next Monday, July 22 in order to get his number in the paper. Or, if he wishes, he may participate in the jack pot without offering a store prize or having an ad with a number.

Jackpot numbers are selected by drawing numbers from a sack in which all numbers printed in the newspaper are issued. The first number drawn is for the larger jackpot, the second for the next largest and the last for the smallest. Members of the MDA supervise the drawing. Numbers are then posted in business firms. Thus, a winning jack pot number may be found in any advertisement containing a number in that issue of the newspaper. Each newspaper has a different set of numbers in the advertisements.

THE BUDGET—

For two weeks now, the Commissioners' Court has been having sessions on the upcoming budget for Upton County. One might say they have "dug into the matter". In fact, they have had some down right hot arguments about a few points.

This is good. Not that they have arguments necessarily but the fact that they are really giving the budget a close look is good and is something that I do not think they have discussed in quite such detail in prior years. The fact that a few disagreements develop only attest to the thoroughness in which they are taking a look.

It may well be that after all the looking and the "cussing and discussing" the court will approve a budget very similar to the one they have operated under in past years. If they do—well and good. We can all rest assured that they took a good look and found that all was needed.

On the other hand, if they cut

a few projects—some of them being more or less dear to your or my heart—let us again remember that they did so only after a lot of deliberation and found that such cuts were necessary. After all, if one is to cut expenditures, the ax is going to have to fall somewhere—and it may not always be on the other fellow.

ANOTHER BUDGET—

In speaking of budgets and the cutting of same, the most talk along this line always relates to the Federal Budget. Almost everyone wants it cut but usually—as in the case of local budgets—the cutting should be on the other fellow. Never on us personally.

And for that reason, we often hear it said that the Federal Budget is very hard to cut. You can't cut down on defense. You can't cut down on welfare. You can't cut down on subsidies. You

A grant of \$1,250,000 for the study of relations between an infant monkey and its mother (Isn't that tender? Boy, get's you right in the ole heart)

\$10,000 for a tour of U. S. defense plants by officials of Communist Poland. (The spy business is a snap these days.)

\$18,000 to find out why patients break appointments at pediatric clinics. (Can't wait to get that report.)

\$61,985 to establish a colony of baboons and \$13,816 for another monkey colony. (And we already have the best in the world right on Capitol Hill.)

\$9,775 to produce a "sterotactic" atlas of the beagle brain. (Sterotactic wasn't in my dictionary so your guess is as good as mine.)

\$11,500 to study blood group genetics of Southampton Island Eskimos.

\$20,092 to study diseases of a giant snail.

13,837 to find out what infor-

mation is contained in echoes. (Wonder what would be in an echo?)

\$20,991 to study how synthetic detergents travel in percoating water.

\$8,205 to study the "social role" of aging wild horses. (Now note, that's wild horses. We'll get a round to tame horses in the next lesson).

Others on which a price are had to fix but which are a matter of record include:

Government officials in Kenya have used our foreign aid money to purchase extra wives.

We have bought suits for Greek undertakers.

Superhighways have been built in countries with few, if any, cars.

In Lebanon, we built a stock-breeding farm with nine stalls for every bull. (Harem-style)

In Taiman, we built a sawmill which couldn't handle the type of lumber produced there.

In Indonesia, millions of dollars in U.S. aid were used to buy U.

S. gold.

In Liberia, millions we donated to reduce the level of poverty have been used to build a luxurious new palace for the president.

All piddling little sums as billion dollar budgets go, to be sure, but if such items as these manage to get approval, there is no reason not to suppose some of the really big ones do not contain similiar monkey business

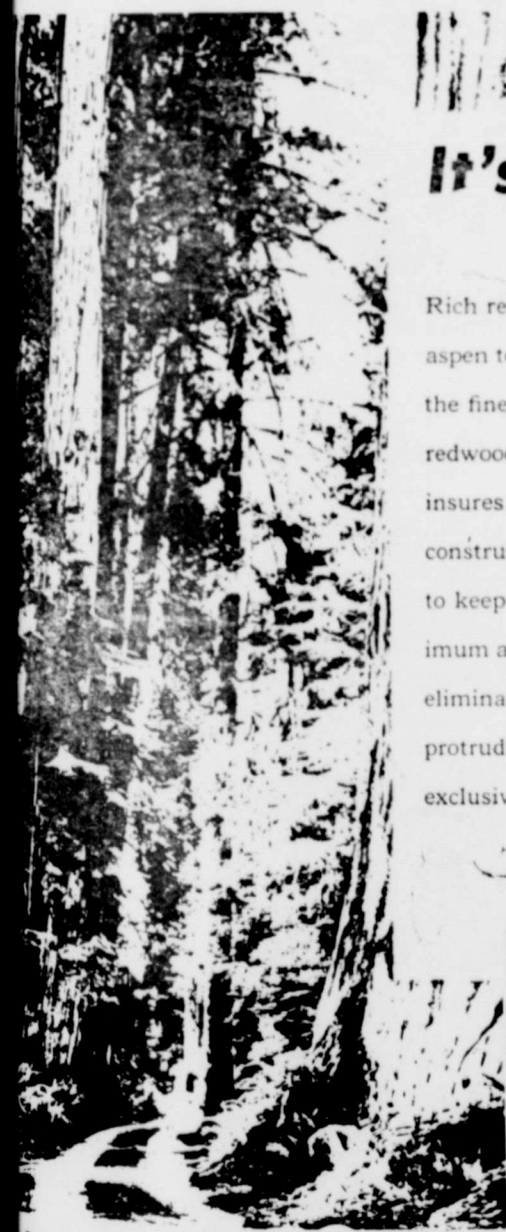

And as the Dallas Morning News said on June 2, "The \$61,895 set up for a colony of baboons might be a good investment, come to think about it. Baboons, they say, can be trained to do just about anything a human being can do—or should do. Maybe a Bureau of Baboons on the Potomac, trained to check on useless expenditures such as setting up a colony of baboons, would save us some money now and then."

A JOKE—

SUCCESS STORY — Ten years ago, Steve Preslar was a rather obscure attorney with a law office in McCamey. Then he tried his hand on the political trail with the statement that "if a man is anygood at the job, he ought to keep moving up." Preslar has now moved all the way from Upton County Attorney to a Justice on the Court of Civil Appeals in El Paso.

It's the Wood that Counts

Rich redwood fibres are combined with white aspen to make the "No-Clog, Sta Fresh" filters the finest in the world. The weather resistant redwood eliminates that dank, "fishy" odor and insures long filter life. "Sta Fresh" filters are constructed with strong coarse mesh outside to keep filter from clogging and provide minimum air resistance while the fine mesh inside eliminates insects and keeps wood fibres from protruding into cooler. Officers installed were Mrs. W. C. McDonald, Noble Grand; Mrs. Beulah Mae Hall, vice-grand; Mrs. Charles Bob Snell, warden; Mrs. Al Turner, conductor; Mrs. Neal Woodfin, outside guardian; Mrs. Tommy Bull, inside guardian; Mrs. Joe Kosel, right support to Noble Grand; Mrs. Modine Adams, left support to Noble Grand

Mrs. Ned Malone, left support to vice-grand; Mrs. E. L. Speed, right support to vice-grand; Mrs. Dave McKelvy, musician.

Other lodge officers include Mrs. Roy Bell, secretary; Mrs. Elizabeth Rains, treasurer and lodge deputy; Mrs. Edd Harris, repor-

ter and team captain. Officer of honor is Mrs. T. B. Crow, past Noble Grand.

Mrs. Bell presented the past Noble Grand Jewell to Mrs. Crow. Mrs. McDonald presented her officers and installing staff with a corsage.

Seventeen members were present and five visitors. Thirty six visits were made. Present from the Oddfellow Lodge for the installation were Mr. J. O. Lee, Mr. Roy Bell and Mr. Tommy Bull.

The table was laid with lace over blue, decorated with three gold cornucopias filled with blue and gold flowers and blue candles and two praying hands.

The Noble Grand chose as her flower, a blue violet, and as her colors, blue and gold with an emblem as the Holy Bible.

A buffet supper was served to guests and members.

The Rankin Lodge will install McCamey Lodge No 169 officers on Thursday, July 18. All members are invited.

Student On Honor List as Christian

WORTH, July 17—Em. McGill, son of Mr. and Mrs. McGill of Rankin, has been named to the Dean's Honor List for the Spring, 1963 semester. McGill is a member of the Christian University's College of Arts and Sciences. He consists of those students in the upper five percent of the majors in their res-

Upton County Had 6 Students in NTSU Wedding Date Set

Upton County was represented by six students at North Texas State University in the school year just ended, the Registrar's office has announced.

During the nine-month session, a total of 11,479 different students were enrolled. They came from 218 of the state's 254 counties. Other states were represented by 419 students.

For the second year in a row, North Texas had the largest numerical gain among the state's higher education institutions. Enrollment in the 19 state-supported schools increased by 9,000 students. Of these, some 1,100 came to NTSU.

One hundred ninety-two students were named to the honor lists from the entire enrollment of the University's College of Arts and Sciences, School of Business, School of Education, Harris College of Nursing and School of Fine Arts.

McGill graduated in 1962 from Rankin High School at the head of his class and scored one of the highest marks ever made at TCU on an entrance examination in mathematics.

LINDA HARRAL

Mr. and Mrs. Wanon Harral of Fort Stockton, formerly of Rankin, announce the forthcoming marriage of their daughter, Linda Ruth, to Mr. Burney B. Chapman, son of Mr. and Mrs. O. C. Chapman of Artesia, New Mexico. A late August wedding is planned.

Charity Bridge Play To Be in Rankin On July 27th

Top bridge players in more than two hundred cities of the U. S. and Canada will compete with one another, playing the same hands at the same time as they are played at the Summer National Championships of the American Contract Bridge League in Los Angeles on the afternoon of July 27. The game here will be held at the Yates Hotel, beginning at 1:30 o'clock. Entry fees will benefit the ACBL Charity Fund, which this year helps the American Cancer Society and United Cerebral Palsy Associations.

The second Nationwide Charity Game, played in connection with the Spring Nationals at St. Louis, brought a turnout of over 24,000 players and raised more than \$47,000 for the ACBL Charity Fund.

The local game played at that time included 56 players, was also played at the Yates Hotel and raised a total of \$168.00.

Former President Dwight D. Eisenhower, commenting on the nationwide bridge games played for charity has written: "A fine tradition for bridge players of the country . . . I congratulate all the participants in these charity tournaments for their public-spirited way of enjoying a wonderful pastime."

It is not necessary to be a member of the American Contract Bridge League to play in this charity game. Entry fee is \$3.00 per player. There will be an overall trophy awarded and trophies for high North-South and high East-West.

Rubber Bridge Players are also eligible for play in this tournament. The Rubber Bridge Player must get four (4) or a full table and notify in advance the chairman of this portion of the tournament as to how many players there will be. Mrs. Billy Rankin is chairman of this portion of the Rankin game and may be contacted at MYrtle 3-2394. Entry fee for each Rubber Bridge Player is \$1.00.

Allison Jewelers of San Angelo have again donated four trophies for the local play. Officials have requested that—if at all possible—reservations should be made in advance with Mrs. Noble Harkrider at Box 471, Phone MY 3.2532 in Rankin.
