

MECOMING PLANS FINALED

Events for the 1963 homecoming are now being planned according to high school principal C. Copeland. Several ex-students, assistant high school student and a planned an exciting week-end for all. According to Copeland, the week-end will begin on Thursday, October 10, 7:30 p.m. with a bon-

fire and pep-rally at the Rankin Red Devil Stadium. Earlier in the afternoon, a junior high and B game will be played between Rankin and Iraan.

Friday morning the freshmen begin an age-old tradition, the beating of the "Victory Drum", to continue without let-up until kick-off time in the football contest between the Red Devils and the Eldorado Eagles at 7:30 p.m.

The student body will begin forming at 3:15 for a parade and pep-rally to be staged down town at the intersection of Main and 8th Streets. Following the pep-rally, the senior class will sponsor their annual barbecue at the school cafeteria, serving between the hours of 5 and 7 p.m. Tickets are now on sale for this fete at \$1.55 for adults and 75-cents for children under 12-years-of-age.

Highlight of the evening will be the football game, a district opener for the Red Devils, against the team ranked first in pre-season polls. The half-time performance will be devoted to the crowning of the Homecoming Queen for 1963. Following the game there is to be a Homecoming Dance at the Rankin Park Building, sponsored by the ex-student association. Admission will be \$1.80 per couple and \$1.00 for stag. The popular and versatile "Kings Men" will furnish the music for the young and old, alike.

Homecoming mums are now on sale by members of the Senior Class of Rankin High School.

They have requested that purchasers make payment at the time orders are placed. Prices are: \$2 for plain, \$2.50 for football, \$3.50 for football letters and streamers and \$4 for football, letters, and streamers with names.

Administrator Says Hospital Auxiliary Proves Worthwhile

Mr. Leon Feuge, administrator of the Rankin Hospital, revealed this week that the Hospital Auxiliary has recently purchased a wheel chair for patients use at the hospital. Feuge further said that they ladies of the organization have done an excellent job of assisting whenever needed at the local hospital and that he believes they are rendering a most worthwhile community service.

"They are always willing and anxious to help us out whenever they are needed and get very little recognition for the services they perform," the administrator said.

Badgers Much Improved in Last Two Games

Red Devils to McCamey For Friday Night Tilt

Following a week's rest on their open date, the Rankin Red Devils will travel to neighboring McCamey Friday night for a joust with the apparently fast improving Badgers. Gametime will be at 8:00 p.m. in Badger Stadium.

McCamey started the season against Ozona and looked like everything but a football team. However, since that date and after doing some shifting of their backfield on offense, they have clobbered Iraan and shook up the rugged Wink Wildcats in their last two outings. They will be in the favorites' role—by most sports forecasters—to handle Rankin in an easy fashion Friday night.

Meanwhile back at Red Devil stadium, the local lads have had their troubles after getting off to what promised to be a most interesting season. In commenting on his ball club, Coach Don Leach this week pointed out that in the six-week's old season, five of his key players have been out with injuries at one time or another, some for over three weeks. And those who are now back in uniform have found it hard to get into condition.

"We haven't improved but very little since our first game even though the team looked pretty good in practice last Monday," said Leach. "We've just had too many boys out of practice."

One bright spot for the Devils, however, was the return to active duty of Larry Branden on Monday. The Senior end and defensive ace had been sidelined for three weeks with a knee injury. Sidelined with a pulled nerve in his neck is Freshman linebacker

and tight end Ronald Ivey. He was ordered out of practice by his doctor for three weeks and there is some doubt that he will play any before the middle of October.

In practice this week, the Red Devils were putting the polish on their offense in an effort to get moving against the McCamey defense which has been at least average all season; and to work up some defensive patterns against

Scotch Foursome Planned by Golfers

A men's and women's Scotch Foursome tournament will be held at Rankin Golf Club next Sunday afternoon beginning at 2:00 p.m. All club members are encouraged to enter. Greens fee players are also invited to participate if they so desire.

In the tournament, partners are drawn and flights paired. Medal play prevails with partners alternating in the shot-making.

Prizes will be awarded to winning teams and refreshments of ice cream and cake will be served following the match.

Court of Honor To be Held Sunday

A Court of Honor will be held Sunday morning at the Rankin Methodist Church at the 11:00 o'clock church hour for three Rankin Scouts. They will receive their Eagle badges.

To receive the highest badge rank in Scouting will be Earlex Williams, Jim Pettit and Tom Gossett. Roy Bell, community executive, has requested that all Scouts be present in full uniform for the ceremony.

the Badger passing attack from the new "I" formation. Running from this set-up last Friday, the Badgers came back from a 21-0 half-time deficit to make it a ball game by scoring 20 points.

Barring any injuries in workouts this week and with the experienced Braden back in the line-up, there is considerable optimism in the Red Devil camp that they are headed for better days and that Friday night might be a good starting point.

The Scriptures tell us that the Lord provides but He's sure got some first-rate competition from the Federal Government along about now.

Junior High, "B"s Play Crane Thursday

After dropping the series last Thursday in a tripple-header with the McCamey Badgers, the Rankin Junior High and B teams are to be in action this Thursday against Crane. The Juniors play in Rankin while the B squad is to perform in Crane. Kick-off for both games is 5:00 p.m.

In their contest last Thursday which saw football played at the Red Devil Stadium for almost 4 hours, the Seventh Graders had the opening role and were taken out by the Badger team 14-0. It was the first game for the 7th Grade.

In the 8th Grade game, Rankin found themselves up against an extremely large group of junior high boys and took a 24-12 count.

LOOKING BACK—

After watching a part of two games in the World Series last week on the idiot box, it is now reasonably easy to figure out what happened to the Yankees. Instead of spending so much time shaving, they and their manager ought to have been taking batting practice.

Before the Series started, it wasn't too hard to find those who knew exactly how it was going to come out. And a rather peculiar thing—now that it's over—you can find even more who say they figured all along that the Dodgers would win it. That's the way it is with experts.

Now that we have the Series out of the way, perhaps we can get back to such things as our fight with the Communists, the Kennedy brothers and business as usual from twelve to four.

AN EARLY FALL—

much truck with the idea of controls by the government but it has now reached the point where support could readily be given to two muzzling ordinances—that of starting Christmas in September and elections a full year ahead of time.

In the Christmas bit, it has now reached the point where it has almost become a year-round commercial enterprise. From the advertising already appearing, one evidently is supposed to get the idea that he is unAmerican as all get out if he doesn't make plans right now for the squandering of at least a couple of month's wages on Christmas. If Christmas has anything to do with the celebration of the birth of Christ, and you can get a lot of arguments on that point, then it is beyond me to understand why it is supposed to be important that we all be members of Christmas

FORE, PLEASE—

So what's new. Well, for one
thing the farm program is be-
ginning to make sense. I read
the other evening where the
federal government has now paid
out 1.5 million dollars to farmers
for golf courses. By George, that
is the berries. Just as soon as
I can get hold of the proper
forms, I'm going to take up full
time golf course farming. You
can't lose. If you don't get en-
ough players to pay your ex-
penses, the government will sub-
sidise you. If you get too many,
they will declare some of them
surplus and have them put in
storage for you. If your games
goes to pot, they will hire an
expert, say Arnold Palmer, to
come around and show you the
proper swing. And, of course, if
that doesn't work, they can al-
ways have the supreme court pass
a law saying that you can shoot
par—even if you're a first rate
duffer.

Eureka. The Millennium is up-

on us.

And a big "Yah" to those of
you who have always called the
game cow pasture pool.

SCOREBOARD—

From here on in Rankin foot-
balers are going to find the
going rough with one and possi-
bly two exceptions. Friday's en-
counter with the McCamey Bad-
gers is not one of those excep-
tions. On the other hand, the
Red Devils have had a week's
rest and ought to be ready to
go all out against their county
cousins. It could be a very good
game or it might get lopsided.

McCamey's passing is going to
be the big item and if the Red
Devils can put the corker on it,
they will be in business. In a
situation such as this, the Scoop
is more than glad to go along
with the hometown boys and pick
Rankin over McCamey. True, it
will be an upset of sorts but there
is every indication that the Red
Devils are ready to put on one
of their best games of the sea-
son. I personally think that some-
thing like their Coahoma game
would do the trick.

RANKIN 21 — McCamey: 16.

ELDORADO continues on their
way towards a very possible dis-
trict championship with a 30-12
victory over Junction.

ROBERT LEE, one of the best
in the B business, shouldn't have
too much trouble with Ozona at
23-6.

BIG LAKE wins another as
they move past Stanton 18-12 or
more. Stanton just never seems
to live up to expectations.

ALPINE over Iraan. They can
pick their own score but Iraan
ought to get in a couple of marks
this game.

VAN HORN whops Sanderson
20-6. Sanderson has always been
the hardest team in West Texas

they did it again last week—the

All-Purpose Shelter

Designed By USDA

BY W. M. (DUB) DAY
County Agent, Upton County

A multi-purpose structure, for
normal crop storage use or for
occupancy by six persons in case
of emergency such as nuclear at-
tack, or tornado has recently
been redesigned by the United
States Department of Agriculture.

Because at least part of the
shelter would be occupied by
stored produce at a time of e-
mergency, plan No. 5948 (which
can be secured free of charge
from your county agent) allows
two and one-third times the ac-
cepted minimum space per per-
son. Any fruits and vegetables
in storage at the time would form
a supplementary emergency sup-
ply.

Ventilation is provided by grav-
ity air flow. If more than six
persons are required to take shel-
ter during an emergency, a me-
chanical blower should be instal-
led.

With a baffle entrance, baffled
exhaust vent, and a 2-foot earth
cover, this shelter provides a rad-
iation protection factor of 2600.

The shelter should be on a
site with good drainage or one
that can be drained. In areas
with high water tables, the shel-
ter-storage may be constructed a-
bove ground and covered with a
minimum of 2 feet of earth.

If you have been thinking about
a fallout shelter, ask your county
agent for the plans today.

IN TEXAS

BEER IS A NATURAL

From nature's light grain comes sparkling, light beer... Texas' traditional beverage of moderation — it's light, sparkling, delicious.

And naturally, the brewing industry in Texas considers it noteworthy that it contributes more than twenty million dollars to the state in excise taxes each year plus additional millions in licenses and permit fees. These millions of dollars help support our public schools, farm roads, old age pensions, teacher retirement funds and help needy children and blind citizens.
