RANKIN, UPTON COUNTY, TEXAS

## Full Slate of Activities to Mark Rankin Homecoming

Homecoming week was well along in Rankin as early as last Monday with decorations going up in store windows. The party will begin to jump for real on Thursday.

Starting off the action will be the Junior High when they take on the Iraan Juniors at 5:30 p. m. in Red Devil Stadium. The Juniors are now 2-1-1 for the season and are expected to rack up the first win for what may well be one of Rankin's more enjoyable Homecoming fetes. Following this will be the "B" game between Iraan and Rankin, and despite the fact that the "B's" are 0-3 for the season, they will have the nod to win this one.

Then, right after this game, everyone is invited to adjourn to the pep-rally that will be staged on the stadium parking lot. It is to include a bon-fire.

Activities resume Friday morning—bright and early—when the freshmen class begins beating the "Victory Drum" in front of the high school at 8:30. They are to continue sounding the call until kick-off time at 7:30 p.m.

At 2:15 Friday, the entire student body begins their traditional downtown parade and pep-rally. The parade will form in front of the high school, march down Up-

### SPECIAL NOTICE—

School is to be dismissed upon completion of the pep-rally and buses will run at that time—approximately 3:00 p.m. Busses will load along 8th street immediately following the pep-rally. Parents may pick up their children at that same time.

### Tickets on Sale for Friday Bar-b-que

Tickets to the annual "Homecoming Bar-b-que", sponsored by the senior class of Rankin High School, are now on sale at \$1.25 for adults and 75-cents for the children under 12. They may be purchased now from members of the class or at the door.

Time for serving will be from 5 until 7 p.m., Friday evening, October 18, at the school cafeteria.

ton Street to 8th, proceed down 8th to the bank intersection and there whoop it up for about an hour. All supporters of Rankin school's are invited to be on hand for the rally and lend a cheer and encouragement to the Red Devil football team as they prepare to pluck the Eagles' feathers.

### Dance to Conclude 1963 Homecoming

As announced last week, the 1963 Homecoming will be concluded on Friday night with the Homecoming Dance at the Rankin Park Building. Dancing is to begin immediately following the football game and will continue until 1:00 a.m.

Tickets may be purchased at the door. Admission will be \$1.50 for couples and \$1.00 stag. Music will be furnished by the "Kingsmen".

## Red Devil Menu Calls for Eagle Stew Friday Night

Despite the fact that they will be rated the way-down underdog in the game, the Rankin Red Devils were going right ahead—at full tilt—with their plans to tenderize the Elodrado Eagles for Homecoming Friday night. The menu is one they have looked forward to all year.

Eldorado is currently flying high in the football standings with only one loss—that a 6-0 mark to the Sonora Bronchos early in the season. Pre-season favorites to win the District 8-A crown, the Eagles have put up a strong defense all year and, with the exception of the Sonora game, have run up lop-sided scores against the rest of their opponents.

Rankin will enter the game with a 1-1-3 record, having lost their last three games—all to Class AA ball clubs. On paper, the Red Devils have played much tougher competition than their Friday night opponents.

The Eagles feature an evenly-

balanced ball club with a line average of 170 on offense and 178 on defense and a backfield average of 158. Their overall team weight average will be 165. They do not have the accomplished passer faced last week by the Red Devils in McCamey but they are said to be very fast getting down-field on their patterns.

The Red Devils came through their 20-42 loss to McCamey—a game much closer than indicated by the score—without injury and perhaps a bit wiser on both their pass defense and their overall offense. They have moved the ball the hard way against all opponents this year but have not been overly successful in their efforts to put on the ole razzle-dazzle.

But past records mean little if anything in this game. Over the years, it has been a whing-ding and the one game of the season in which all the members of the Red Devil squad have put out their best efforts. There is every

### Rules Given On Use Of Park Building

Upton County Commissioners T. D. "Tommy" Workman and H. Wheeler have requested that the following rules governing the use and operation of the Rankin Park Building be published in order that all may more clearly understand the procedure under which its service to the community is carried out. These are the same rules that have always been applied to Rankin Park Building and they were formulated by the Commissioners Court when the building was first opened.

1. The caretaker shall maintain, in good and clean condition, the building and its grounds.

2. Shall permit the use of the building to any person or persons who have made proper booking for same with the caretaker who is appointed to keep calendar dates for the buildings use. (Continued to Page 3)

## FANS, WE GOOFED—

Last Friday, fans from Rankin went over en masse for the Rankin-McCamey football game. And as always, the Red Devil Band was on hand to perform.

They played their usual number of pieces at the opening ceremonies and during the first half and then, I think, performed at half-time. And it was at the half-time point that Miss Linda Killchrist, a senior in the Red Devil Band, became more than just a little upset. Linda, who is sporting a broken foot or something, was not able to march onto the field with the rest of her band mates and had to sit out the half-time in the stands.

And the action was not much more than over until Linda had collared The Scoop and demanded a hot editorial this week to the effect that Rankin does not appreciate their band enough to even give them a hand-clap for their half-time performance. She was a mite perturbed, you could say.

And, when I try to think about it, I believe she's right. I don't remember hearing anyone cheer the band. In fact, I hardly remember that there was a half-time.

But to Linda and the members of the Red Devil Band, may I say, please don't misunderstand. We all love you dearly. I can't remember going to a football game—unless it was last Friday—without hearing at least four or five people remark, "Well, we've got the best band, for sure."

The Rankin (Tex.) News—  
Thursday, October 17, 1963

We all take it for granted that you are the best.

However, Linda and Band, do not judge last Friday night's reaction by fans as being typical. We witnessed football history in those last 40 seconds of that

the big majority of us  
 in plain shock. I have  
 and I don't think anyone  
 truthfully say he has.  
 points scored in 40 sec-  
 football game. Not even  
 Eagle. Y. A. Tittle him-  
 have gotten off that  
 in that small amount  
 unless there was some-

thing wrong with his clock. It was  
 amazing and it took something  
 more than the thirty-minute half  
 time for most of us to recover  
 our senses.

Friday night, barring some other  
 football history-making event in  
 the closing seconds, I'll wager that  
 the Rankin Red Devil Band will  
 be given its usual big round of  
 applause and win or not in the  
 football game, it will be a cinch  
 that, horn for horn, drum for  
 drum, and member for member,  
 Rankin will have the bestest dog-  
 gone good ole band on the foot-

ball field.

**UPSET—**

I guess the Scoop is just a sen-  
 timental nut but I always feel  
 that circumstances more than  
 anything else loses ball games for  
 the Red Devils. I still can't fig-  
 ure why we lost last week. There  
 is no argument that we had the  
 best backfield and our line put  
 out fully as well as the Bader's.  
 We have always been weak on  
 pass defense—principally because  
 we let men get behind us—but  
 that still doesn't account for the  
 way we could move the ball al-  
 most any time but failed to rack  
 up the points needed to win.

All year long, I have been ex-  
 pecting the Red Devils to have  
 one good night—when they move  
 the ball and keep on moving it.  
 As some wag said about the Tex-  
 as-Oklahoma game, it was three  
 yards and a cloud of dust by the  
 Texans. That kind of football is  
 hard to beat and—at times even  
 against Crane—the Red Devils  
 have played just that kind of ball.

**Park Building Rules**

(Continued from Page 1)

The building to be opened at the  
 appointed hours only if the spon-  
 sor or sponsors are present.

3. Shall be on the premises at  
 all times the building is in use,  
 other than office occupied hours  
 by regular tenants.

4. Shall check out and in any  
 equipment belonging to the build-

ing used for engagements in the  
 building.  
 5. Shall maintain order and dis-  
 cipline in the building and on  
 the grounds. Sponsors shall,  
 however, be expected to see that  
 the events they are responsible  
 for are properly conducted.  
 6. Persons using the building  
 will be held liable for breakage,  
 damage or loss to the building  
 and/or its equipment. At no time  
 shall anyone remove any equip-  
 ment from the building for any  
 purpose.  
 7. Persons using the building  
 and its equipment shall on all oc-  
 casions, leave it clean or make  
 arrangements for having it done  
 by the caretaker.  
 8. On no occasion shall any in-  
 toxicating drinks of any kind be  
 taken into the Upton County Park  
 Building in Rankin, by any per-  
 son or persons.  
 9. Closing time of the building  
 shall be 12 p.m. (midnight) un-  
 less special permission is granted  
 by the caretaker for a later clos-  
 ing hour. Closing time shall al-  
 ways be at 12 p.m. (midnight)  
 on Saturday night and at no time  
 shall be later than 1 a.m. on other  
 nights.  
 10. Hours for making reserva-  
 tions shall be from 9 a.m. to 12  
 noon and reservations shall be  
 made at least three days in ad-  
 vance.  
 11. No individual shall use the  
 Upton County Park Building in  
 Rankin for personal monetary  
 gain.  
 12. The building will not be  
 open on Sundays.  
 13. No food or drink shall be  
 taken into the auditorium except  
 in the case of large parties that  
 cannot be accommodated by the  
 dining room and by special per-  
 mission of the caretaker.

Then, when we're moving well on  
 the ground, we decide to bomb  
 them—which is fine if it works—  
 or a little five-yard penalty pops  
 up or we bobble the ball. Like in  
 golf, there's streaks when nothing  
 seems to work—and then, one  
 day, it all falls in place and it  
 looks so easy.

The Red Devils are due one of  
 those nights. We have too much  
 good material not to have one.

Perhaps homecoming will be  
 that night.

**RANKIN** upsets Eldorado. Even  
 the most down-in-the-mouth fan  
 will have to admit that over the  
 years the Red Devils have turned  
 in their best against the Eagles.  
 For that reason, I go once more  
 with them. The Eagles—overall—  
 haven't met the competition that  
 the Red Devils have.

**OZONA** takes Iraan by a good-  
 sized mark of, say 28-0. It may  
 be that Iraan will get to score  
 but Ozona has a fair defense.

**BIG LAKE** smacks Sanderson  
 with a 22-6 whack.

And that's the openers for dis-  
 trict. Incidentally, the new 8-team  
 set-up for next year won't likely  
 ever be put into operation altho  
 it would be better for us if it  
 were. Junction and Menard will  
 want out and probably will find  
 another district.

## Worm Outbreak Has Officials Worried

BY W. M. (DUB) DAY  
County Agent, Upton County

There is no longer any doubt that Texas will experience an increase in screwworms this fall. The buildup that officials of the Southwest Screwworm Eradication Program warned about is a reality.

Officials at the sterile fly production plant near Mission say that more than four times as many infestations are now being reported weekly as a month ago. Producers in a number of counties where no screwworms have been reported for months are now discovering cases. Recent rains over most of the state and plenty of animal wounds are credited for the upswing in cases. Eradication workers are concen-

ned about the increase because it necessitates using more sterile flies for treatment of individual cases. This is at a time when all available flies are needed in the barrier zone between the United States and Mexico to protect the Southwest from being infested by migrating flies.

Of particular concern to eradicator are reports that many of the farmers and ranchers are no longer using smears and sprays for screwworm prevention and treatment. This makes their livestock "sitting ducks" for screwworm attack during the fall.

In spite of the upsurge of cases the September total of 439 was still far below the September 1962 tally of 3,967. However, officials said, early eradication will depend on the cooperation received from livestock producers. They should continue to treat animal wounds, collect larvae samples and report cases promptly to the county agent, livestock inspector or vocational agriculture teacher.

to discuss problems as a whole.  
If there were no parents, we would  
need no teachers (True?) If  
there were no teachers we would  
also have our hands full as a par-  
ent.

There has been many questions  
asked as to what was wrong and  
why Grades 1 thru 12 could not  
have a fund with a group of of-  
ficers elected to handle the mon-  
ey for the lower grades since the  
higher grades have sponsors to  
help make and spend the money.  
In a meeting with the school  
board and also with the Super-  
intendent who made a special ef-  
fort to be at this meeting, stat-

ed the rules as to one class trans-  
ferring money over to the Grade  
of next year. He also stated that  
as far as educational purposes  
were concerned, the school board  
would take these in consideration  
and would see that these things  
were carried through; but on the  
other hand there are many things  
that are connected with the  
school educational program but  
more of a social nature than edu-  
cational, that even we as parents  
do not expect the school to ap-  
prove or finance. For this rea-  
son, some feel it would be worth-  
while to have funds in reserve  
rather than face the problems  
later on. When it comes down to  
the fine print, many of us don't  
have the extra dollars to spend  
whereas we have the time to  
work and help raise—little by  
little—the money that is needed  
rather than see things go untaken  
care of.

There has always been the  
question of members of the P-  
TA as to what happens to all  
the money that was taken in at  
the Hallowe'en Carnival. It is not  
what is taken in. It is what you  
have left that is the profit. Some  
times the profit can come out  
very small. You will have to at-  
tend these meetings to realize the  
breakdown of the operations to  
see and know how much is left  
after operating cost. There has  
been many ideas and opinions on  
what percentage the P-TA should  
take from each class. Some say  
that the P-TA has taken too  
much percentage and some say  
not enough. But I say that re-  
gardless, it has went for the be-  
nefit of a worthy cause.

The Superintendent stated last  
Thursday night that, in the near  
future, there could be a meeting  
and discussion on the possibilities  
of keeping the P-TA effective or  
just let it drop. I'll tell you we  
have a good school and good tea-  
chers and last but not least, a  
good school board. We, as parents,  
must continue to support the  
P-TA and serve as our time  
comes. Had it not been for the  
sorority taking over, we would not  
have had a Hallowe'en Carnival  
this year. In talking to the pre-  
sident of the Omicron Tau Chap-  
ter of the Beta Sigma Phi, she  
said that it was planned for the  
best of entertainment for all.

This will give more time to some  
to play bingo and enjoy the rest  
of the activities. Let's all save up  
our money, hold back our appet-  
ite and turn out October 22 and  
make this the biggest Hallowe'en  
Carnival Rankin has ever had.

And watch for notices concern-  
ing your P-TA later on.

Oct. 22 Meeting  
 Cub Scouting

R. L. Bell, Rankin Chairman of Scouting, announced this week that the Cub Packs are trying to get into operation and that is presently being made at the Elementary School the operation of Mr. M. J. Bell principal. Its purpose is to terminate the amount of money in the scouting program. Letters will be mailed to the parents of those boys who are interested, inviting them to be present at a meeting on Oct. 22. Bell and Bill Williams will be in charge of the meeting. Joe Odell, district scoutmaster, will be present. At this meeting, the program of the Cub Scout program will be explained.

"We have not yet elected a Cub Master. It is hoped that this will be done at the meeting on Oct. 22."

He encourages all parents to have their children in the Cub Scouts to be present at the Rankin Park Building on Tuesday, October 22.
