Scout Fund Drive Be Staged Friday

Annual Girl Scout
is scheduled for Fri-
day, December 6, according to Mr.
Rankin co-ordin-

ator of Girl Scouting.

Sponsoring the drive this year
will be the Beta Sigma Phi So-
rorities of Rankin. They plan to
canvas funds on a door-to-door
basis Friday.

Members of the Sororities are
requested to be at the Girl Scout
Hut west of the Elementary Bldg.
by not later than 5:30 Friday
afternoon.

NEW BROWNIE TROOP—

At the same time, Fitzhugh an-
nounced that a new Brownie Girl
Scout Troop will be organized in
Rankin next Monday afternoon,
December 9. The meeting will be
held at the Girl Scout Hut and
all 2nd and 3rd grade girls who
are interested in joining the new
troop are invited to be on hand
at the Hut at 3:00 p.m.

Time to Write those Letters to Santa

Say, there . . . written your
letter to Santa yet? If you have
or have not, you are invited to
submit one to The News for pub-
lication in the annual Christ-
mas edition, scheduled for Decem-
ber 24. Santa is a subscriber and
that way he can get all the letters
from Rankin at once.

Elementary school grades are
also welcome to submit letters if
they wish. There is no need for
high school students to write for
Santa has stated that he's all out
of new Cadillacs, beautiful blonds,
and handsome-type boys.

Big Lake Owls to Defend Championship --

Eight Team Tournament Kicks Off Here Friday

Basketball fans and the public
in general will get ample oppor-
tunity to view some thrilling ac-
tion beginning at 2:30 p.m. Friday
when the Eighth Annual Rankin
Boys Basketball Tournament opens
at the Red Devil Gym. Friday
games are scheduled as follows:
Iraan vs. Imperial at 2:30 p.m.,
Wink vs. Big Lake at 4:00 p.m.,
McCamey vs. Ozona at 7:00 p.m.,
Sterling City vs. Rankin at 8:00
p.m.

Saturday's play will open at 9:10
a.m. in the consolation bracket
and play will continue throughout
the day with games scheduled ap-
proximately an hour and a half
apart. Finals for the champion-
ship open at 9:00 p.m. Saturday
night.

Big Lake is the defending
champions, having won in 1961
and in 1962. They have not yet
seriously taken to basketball, hav-
ing been involved in the state
playoffs in football and are ex-
pected to find the competition a
bit rough in the tournament.

In the seven previous tourna-
ments held, there have been only
three champions with McCamey
taking the first two in 1956 and
1957, Fort Stockton winning the
next three from 1958 through
1960, and Big Lake, the last two.
Rankin has never finished bet-

ter than third place in their own
tournament, that win coming in
the first year. They have, how-
ever, taken several individual a-
wards with Debs Gamblin being
the high individual in 1956 and
Johnny Rameriz being named the
outstanding player of the tourna-
ment in 1958. In 1961, Bucky
Scarborough of the Red Devils
was named to the sportsman a-
ward and Roy Winters took that
honor for Rankin last year.

The McCamey Badgers hold the
record for the high team score
for three games when they drop-
ped in 198 points in 1956. The
three-game low score went to
Imperial in 1959 when they man-
aged only 67 points in their three
outings.

Two records are held by the
Iraan Braves—the high one game
score of 88 points marked up in
1958 and the low one game score,
put into the books the previous
year when they rang the bell only
21 times.

Trophies were put on display on
Monday at the West Texas Util-
ities office in Rankin and includ-
ed the championship, 2nd, 3rd and
consolation winner awards. Indi-
vidual awards given in the match
are for outstanding player, sport-
manship, all-tournament team 10,

and championship team, 10.

The public is encouraged to
attend these games and cheer for
their favorites.

Boys Drop McCamey Girl Win at Iraan

In practice games scheduled in
the past week, the Boys A and
B Teams were in McCamey on
Tuesday night and took the A
game by a 51-28 mark but lost to
the Badgers in the B tilt. This
gives the Boys A team a 3-won,
0-loss record going into their an-
nual tournament.

In Iraan on Monday night, the
Girls A team took their first win
of the year after two defeats. The
B team also won their encounter.

On Monday, December 9, the
High Schools boys and girls are
to go to McCamey for a pair of
games, then, on Tuesday night,
December 10, the re-match will
be held in Rankin between the
two squads.

Next Thursday and Friday, the
girls A team enters the Garden
City Tournament.

This week-end, Dec. 5-7, the Jr.
High Boys and Girls enter the
McCamey Junior Tournament.

Increase Noted Over Last Six-Weeks--

Freshman Leads RHS Second Honor Roll

Janis Owens, a freshman with
a 96.285 took top honors in the
Second Six Weeks Honor Roll at
Rankin High School, according to
a list released this week by high
school principal A. C. Cope and.

Rankin Teacher to Receive Recognition

Mrs. Vergil Dobbs, high school
business teacher, received word
that two articles that she sub-
mitted to the "Business Teach-
er" will be published in the near
future. This magazine is publish-
ed by the Gregg Publishing Co.

Both of the articles are to be
published under the heading of
Trick-of-the-Trade. They were
written on new techniques to use
in the teaching of typing.

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

TOURNAMENT TIME—

I guess there's hardly anyone in Rankin who does not attend at least one or more Red Devil football games each year—some make them all. And that's fine.

On the other hand, there is a big majority who do not see a single basketball game during the season. And that's rather sad. For, if one is the type person who enjoys a spectator sport, he is certainly missing a thriller by not attending the basketball play. It is perhaps even faster than football and has almost as much color. And one can get easily as well worked up over the "ump".

Starting Friday, a lot of good basketball will be played in the Rankin gym and it would be a mighty good time to attend a few games and see for yourself if you don't enjoy the change. Rankin is not expected to set the woods on fire in basketball this season, but, then, it's still too early to tell. They may come on in both boys and girls or they may find the competition a bit too classy in both this tournament and throughout their regular schedule but I'd venture right

The Rankin (Tex.) News—

now to guess that they will finish well up in district standings—in fact, they may turn into title contenders.

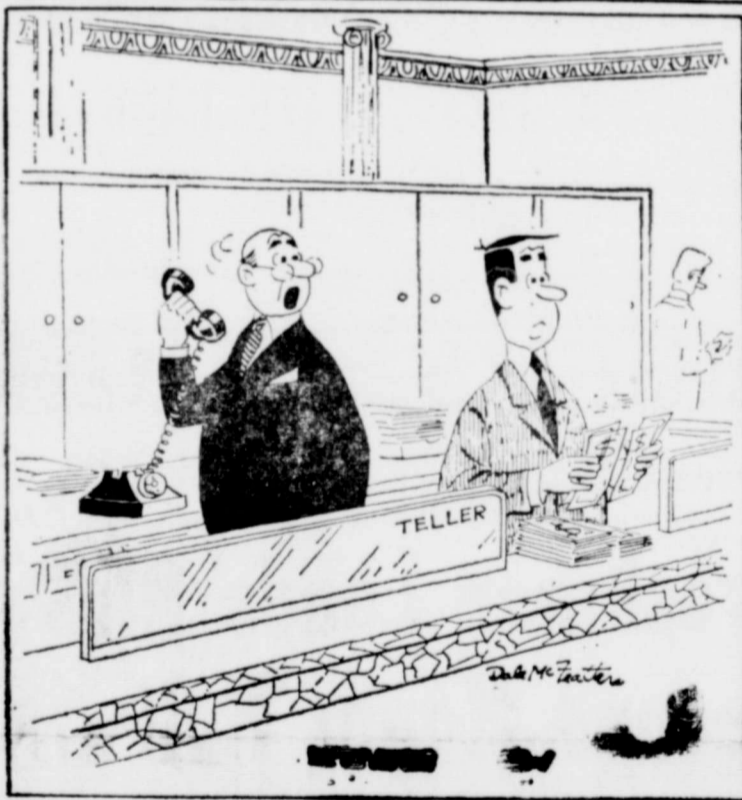

WATCH IT—

Over the past two weeks many yards of type have been set and baskets of speeches and observations made on television to the fact that there are American on hand who are too radical in their beliefs—both on the right and on the left. When Kennedy was assassinated in Dallas, that city in particular and the state of Texas in general was immediately pounced upon by the rest of the country—and even joined by some locals—as being a hot bed for the radicals. Nuts. People are people whether they are from Dallas, Los Angeles, New York or Tokyo. They may be called Texans, Americans or Japanese but that doesn't alter the fact that, taken as a whole, they all basically are cast from the same mold.

There always has been and it

ROOP—
 (continued from Page 2)

There always will be among us who will do fool things like killing the president of the United States, a party member in Japan—as happened a year ago—or murdering a political opponent as in Vietnam only a few Frenchmen have been for several years to kill and they will likely try to kill dictators or heads of state quite frequently removing places of responsibility short shot in the head.

And thing that such must do it does and there's no doubt this nation to be stamped into an assortment of things just because it has led to our attention so and so forcefully.

It's already talk of trying new laws on owning firearms seems foolish for if

someone is out to do a dastardly deed with a gun—whether it be to rob a store or shoot a president, he's not going to be very disturbed by the fact that he will be breaking a law by having in his possession a firearm. And—as prohibition could not stamp out liquor, neither would a law prohibiting citizens from owning guns prevent those who really wanted one from getting it.

And still other dangers are beginning to show up. Last week ex-General Walker was denied the use of a building in which he planned to speak. Now as for Mr Walker, I personally believe that he has swallowed a cobweb somewhere on this kick of his about a Communist under every bush in the U. S. but when we begin to deny him the right to have his say, then we have lost something more than a president in the assassination. If we stop one man from speaking out because he is a radical, how long will it be before we will have to stop everyone for I guess in trying to fix the cut-off point at which a

person ceases to be a radical would depend entirely on who was doing the cutting off.

It is said that those who preach hate were responsible for inciting Oswald to allegedly kill Mr. Kennedy. Perhaps and perhaps not. Those who preach hate are a sorry lot indeed but unless they have someone to preach to, it will not be long before they give up the effort. It might be well for us all to use a little more common sense in our thinking as we listen to or read about various speakers and groups and when we detect a note of hate in their proposals, turn and walk away. An ideal, whether it be hate or love, has to have support before it can grow.

Let's not stifle the right of any man to speak in these United States, but, at the same time, let's not fertilize the crop for those who insist on radicalism by our attentions to their propaganda.

The fools and the assassins we will always have with us but that doesn't mean that we have to join

Castle Gap Assn.
At Monday Meeting**

The monthly Workers' Conference of the Castle Gap Baptist Association met at the Rankin First Baptist Church on Monday night of this week with a program centered around the Training Union and its importance to the churches. It has been emphasized for several years in December in the Baptist Associations, according to Rev. R. L. Shannon, and has been designated as "M" Night, meaning "Mobilization for the Master."

Shannon stated that there are 15 churches in this area that compose the Castle Gap Association

and that eleven of these were represented in the meeting with a total of 116 persons counted in attendance.

Board and WMU meetings were at 5:30 p.m. and an evening meal was served by the host church at 6:30.

Rev. Orval See of Pampa was the inspirational speaker.

Special music was furnished by the Rankin church.

Eighth Grader Leads Junior High Honor Roll

Sproul, an eighth grader, led the second six weeks roll for Rankin Junior high with an average of 95.286. Others in the class listed by Principal Stephens are Jimmy Adams, Sandra Anderson, 92.286;

Carol Crawford, 91.857; Gay Holcomb, 89.857; Billy Wayne Hale, 91; Mickey Hughes, 90; Linda Latzel, 89.571; Cheryl Little, 91.714; Sandra Reeves, 91.429; Joyce Scott, 90.143; Mickey Thorn, 89.714; Penny Woods, 93.143; and

To Light or Not to Light is the Question

For a while there, it looked as if Rankin was not going to light any candles for Christmas. At least, there was considerable discussion about town concerning the merits of putting up the street lights as has been done in the past. Some thought was given—chiefly at the suggestion of the Rankin Lions Club—about erecting a large Christmas tree with

Marsha Funderburg, 90.

Tom Thompson was high in the 7th Grade at 92.856, and was joined by Debbie Day, 91.571; Bill Hood, 91.571; Mike Johnston, 91.714; Joe Kendrick, 92.286; John Smith, 92; and Ron Leach, 90.429.

High for the Sixth Grade was Susie Lacy at 93.875. Others from her class included Johnny Donnelly, 89.500; Charlotte Jarvis, 91.500; Sue Kendrick, 89.875; and Diana Warren, 92.

decorations and lighting and let it go at that but most of the merchants expressed the feeling that that would not be enough to fully display the spirit of Christmas.

As of noon Wednesday, it was learned from City Hall that a meeting was to be held later in the day between members of the MDA and the City Council to try to reach a decision and it was the opinion at that time that the lights would go up—as usual.

Mrs. Esther Fletcher of San Antonio spent the week-end with her parents, Mr. and Mrs. Linton Clark.

Legal Notice

Notice is hereby given of the intention of South Permian Oil Company to discharge oil well brine on their E. P. Ruhmann lease, Railroad Commission Lease No. 02422, being the NW/4 of the SW/4 and on their E. P. Ruhmann "A" lease, Railroad Commission Lease No. 03059, being the NE/4 of the NW/4, both leases being in Section 2, Block X, J. A. Gibson Survey, Upton County, Texas. It is this operator's intention to discharge such brine into a "holding pit" adjacent to the tank battery on each lease. At present production rates, approximately sixteen barrels of brine will be disposed of by natural seepage and evaporation on the E. P. Ruhmann "A" lease. Currently, no brine is being produced on the E. P. Ruhmann lease. Application has been made to the Texas Water Pollution Control Board requesting a regular permit to dispose of up to twenty barrels of brine daily on the E. P. Ruhmann "A" lease and up to ten barrels of brine daily on the E. P. Ruhmann lease.

Questions regarding this matter may be directed to Osborn & Tompson, 500 West Illinois, Midland, Texas.

Legal Notice

Notice is hereby given of the intention of Mrs. Jeanne E. Kerbs to discharge oil well brine on her Tippett "A" lease, Railroad Commission No. 03284, being the NE/4 of Section 33, Block 38, T-5-S, T & P RR Co. Survey, Upton County, Texas. It is this operator's intention to discharge such brine into a "holding pit" adjacent to the tank battery located on this lease. At current production rates, approximately three barrels of brine will be disposed of daily by natural seepage and evaporation. No brine will be discharged into any natural water course. Application has been made to the Texas Water Pollution Control Board for a regular permit asking permission to dispose of up to ten barrels of brine per day in this manner.

Questions regarding this matter may be directed to Osborn & Tompson, 500 West Illinois, Midland, Texas.

4-H Club Entered in SW Exposition

Ft. Worth (Spl)—Upton County 4-H Club is one of the first two 4-H groups to enter the 1964 Southwestern Exposition and Fat Stock Show, according to Stock Show President-Manager W. R. Watt.

The Upton County organization is the first 4-H Club to enter the Junior Show lamb section, with 34 entries. In addition there are three entries in the Open Show's

Game Crop Increase Noted by Sportsmen

BY W. M. (DUB) DAY
County Agent, Upton County

The deer hunting season is in full swing and hunters are reminded that they, too, have a large stake in the screwworm eradication program underway in the Southwest.

Early reaction from sportsmen indicates that wild game is more plentiful than it has been in years. Estimates of 10 to 65 percent increases in the deer crop have been made.

A number of factors have been credited for the increase in deer populations, with the screwworm eradication program usually listed at the top. Some wildlife experts have stated that in past years the screwworm has accounted for the death of at least three out of every ten fawns each year.

The eradication program seeks to eliminate the screwworm by release of millions of screwworm flies that have been sexually sterilized by being subjected to atomic radiation. The sterile males mate with native fertile females and no offspring are produced. Sportsmen helped finance the program through their contributions last year.

While the screwworm appears to be on its way to extinction, the heaviest infestations of the insect presently being detected are in the areas with the highest population of deer.

Hunters are encouraged by program officials to bring sightings of infested deer to the attention of land owners so that the cases can be reported to eradication workers. Infestations in wildlife are even more critical to the program than those in farm animals because they cannot be treated. A single undetected, untreated case can be the source of hundreds of future infestations.

Hints for the Homemaker Given

"Aspirin is the leading cause of accidental death due to poison in children," reports Food and Nutrition News.

The soft drink output is up 9.4 per cent over the last year to 213.7-eight ounce bottles per capita consumption.

The food habits that are started early in life and continue through young adulthood are likely the ones that cause nutritional problems in the older years.

When we read these startling facts we are inclined to think little of the danger of the over dose of soft drinks or the poor eating habits of the young.

These pave the way to early old age, mental retardness, nutritional diseases, poorly formed bones and teeth.

These habits may rob your child of all that is worth living for—health, happiness, and a capacity for enjoying life.

Take a Tip . . .

You'll enjoy the Holidays ahead more when you are looking your best and by having your dry cleaning done early.

We like satisfied customers and to get them, we always give our best efforts with each job we do.
