Board Gives Offer To Teaching Staff

In its regular March meeting or c.erks for the school board elec-Mrs. Sam Holmes, previously appointed election judge.

Textbooks recommended by the local textbook committee for adoption for the school year 1964-1965 were approved by the board.

All regular teaching personnel were offered contracts for the coming year, but the resignation of Robert Farrer, submitted at this meeting and effective at the end of this school year, was accepted. All other regular employees were re-hired at this meeting also.

The board voted to sell some surplus, used playground equipment to the chapters of the Beta Sigma Phi sorority for use in their park project near the Little League Ball Park.

In a special meeting at 8:00 a. m., Tuesday, March 11, the Board of Trustees of Rankin Independent School District reviewed their policy concerning de inquent taxes and decided that penalty and interest charged for such accounts

Tuesday, March 3, the Board of Trustees of the Rankin Independent School District approved Mrs. E. C. Higday, Mrs. Clint Shaw and Mrs. Jack Smith as election tion to be held April 4, to help

Unit Committee Formed For Salvation Army

Formation of a group of citizens as a Service Unit Committee in Rankin was announced this week by Mr. Joe L. Moore, Salvation Army Field Representative from Midland. This committee is made up of volunteer workers, who, mindful of the great charitable works of the Salvation Army, will conduct the charity work of the Army here in Rankin. The local committee is composed of the

Rev. Billy J. White, chairman; Judge Allen Moore, vice-chairman; Johnnie Hurst, treasurer: H. E. "Gene" Eckols, welfare secretary; Mrs. Mike Huges, school nurse-in charge of welfare in the schools. Leon Houchins will aid in selecting boys for camp for underpriviledged boys.

Chairman White announced he will add other members as they are needed.

Mr. Joe Moore explained the many functions of both the Salvation Army and the local committee. Among these, two boys from Rankin will get to attend summer camp in May. The Salvation Army maintains two homes and hospitals for unwed mothers in Texas.

Emergency aid is given for the relief of disaster victims, c.othing, food, fuel, meals and lodging, shoes, milk for children aid to members of the Armel forces, minor medical, dental and ear and eye aids are among other programs sponsored by the Army.

In communities that are too small-such as Rankin-to maintain a building and a Salvation

having been defeated two years ago by Bloodworth. Prior to being Mayor, Pettit had also served a number of years as a council-

Everett, a "retired" Shell Oil Company employee who now owns and operates Everett's Humble Station, is seeking his first city office. Previously, he had served a number of years on Rankin School board and is presently a member of the Rankin Hospital Board.

In a drawing held last Monday at City Hall for order of listings on the ballot, Pettit drew the top spot, Bloodworth, second and Everett, last on the ballot.

Voting in the City Election is to be held at the City Hall on Tuesday, April 2. Absentee voting will begin next Wednesday, March 13 and continue through Friday, April 3. All voting will be at the City Hall.

Absentee balloting for the Rankin School Trustee election to be held Saturday, April 4, will begin Monday, March 16, and close on Tuesday, March 31.

As a result of new election laws passed by the last State Legislature, the absentee balloting will be conducted in the school Business Office located in the Administration Building and will be limited to the hours the office is open for business, 8:00 a. m. to 12:00 noon and at 1:00 p. m. to 5:00 p.m. Therefore, 5:00 p. m. of March 31, is the latest time at which an absentee ballot can be cast.

Placings on the school ballot will list Dr. J. D. Gossett, Billie S. Brown, Leslie McFadden and C. J. Shaffer.

HISTORICAL SOCIETY SETS McCAMEY MEETING

Upton County Historical Society will meet Thursday, March 19 at 7:30 p.m. at the McCamey Park

Speaker for the evening will be a geologist from Odessa. All interested persons are invited to

BOOM, BUST OR WHAT-

If anyone has any definite information as to what is happening in the land business in this corner of the county, I'd appreciate getting some solid facts. As it now stands, one doesn't know whether to prepare for a boom, a bust or another long hot summer.

One thing is for sure-Upton County-this side of the countyappears to be in the process of developing either a large farming area or a mighty big plowed up batch of sand and weed patches. Several more land sales involving a number of sections of landmade by rich hanchers to land developers-have recently been reporter. A ready, a considerable amount of ranch land has been put to the plow and some of it is being resold in smaller acerages for farming purposes.

Water seems to be the one big question mark. The land is said to be suitable for farming. The climate is good for that purpose. The demand for farm products is

The Rankin (Tex.) News-Thursday, March 12, 1964

satisfactory. The only hitch in the whole operation is whether or not water can be developed in sufficient quantity to warrent ir-

Most of the rich ranchers say that there is not much if any water on the land. The developers say that they think there is. So far nobody has really proved one way or the other on this prime

My guess is that there will eventually be some type of farming enterprise developed here. I do not believe that there is sufficient water for irrigation as we usually think of it in relation to farming on the high plains or the Rlo Orande valleys. But I suspect that-like everything elsenew ways of irrigating, new and better methods are on the way. It is very possible that better pumping equipment can get more water. Better well construction

joke about some guy ken inspector may not ut as was always susannounced in the t's column this week.

screwworms in Texas are about a thing of the past-IF. And that if could prove rather interesting.

True, this eradication of the screwworm has been an outstand ing successs. It has already save the stockmen many thousands of dollars and will save still more. Last fail, hunters reported game in greater quantities than ever before-much of the credit going to the eradication of the screwworm fly.

The big "if" comes about when it is considered that more of the bugs-which are flies-may come into the U.S. from down Mexico way and although they would undoubtedly be classified as wet backs and subject to prompt deportation, they nevertheless are expected to carry on their business of reproducing more flies and ness of reproducing more flies and eventually resulting in a situation just about as bad as it was before the Texas files were eradicated.

Now border patrolling-for aliens-is a long and honored profession but I can't see a border patrolman taking on the added duties of fly inspector so it looks like there is going to have to be some new ratings created in Civil Service. Fly Inspectors.

Young man - have you ever given serious thought to serving your country as a fly inspector? Picture yourself in your uniform, complete with badge and your own butterfly net, tracking down a wet back screwworm fly on a hot, still night while the sound of singing Senioritas drifts across the Rio Grande and the gurgle of tequilla can be heard in the evening breeze.

Ah, it will be a grand life, full of adventure as you bring in suspects for questioning and receive the praises of your superiors. And in some distant future, after you have served your time in the field, you will sit behind a big desk with your name over a sign reading, 'Chief Fly Inspector, Department of International Affairs, PDQ, US RAF, Area Code 7666661/2, SubMcDonald Wins Shot Put Toss --

Track Team Garners 33 Points in Ozona

Rankin gathered in a total of James Harris went for 17'6". 33 points in the Ozona Relays last Saturday for their best showing of the new season. Taking the only first place win for the Red Devil track and field teams was Jerry McDonald as he won the shot put with a heave of 48 ft., 61/4 inches. Teammates Ronnie Thorn with 37 feet and David Phillips with 30 feet, also were in this event.

In the discus throw, McDonald placed second with a toss of 140 feet, 4 inches while Ron Thorn pitched the disk 120 feet.

In the high jump, Rankin's entry, Larry Whiteside, took a tie for 5th place at 5'6". Jerry Lacy made it to 5'2".

Roy Winters had 4th place in the broad jump at 19'4" while

Section 8, Johnson Grass, File 13, !!!**!*!fl\$\$%--::."

By golly, come to think of it. that'll sure beat newspaperingin fact, almost anything other than being a rich rancher beats news-

In the track division, Lacy had the time of 18.8 and Whiteside, 19.2 in high hurdles. In the low hurdles, Lacy was clocked at 23.3, Tommy Sheffield at 24.8 and Kellum Colquitt at 24.9.

For the 100-yard dash, Colquitt ran 11.2 and Sheffield, 11.4.

In the 220-yard dash, it was Winters at 24.0 and Harris at 24.4.

had 56.4, while in the 880, Tom For the 440-yard dash, Winters Gossett took 4th place in a time of 2:10.1 and Gary Houchins had

In the mile run, Harris won a 3rd place position with a time of 4.59.7 while Don Brown went the distance in 5:20.1.

The mile relay team composed of Winters, Houchins, Lacy and Gossett, had a time of 4:02.6.

This week the team enters the Wink relays on Friday, 13th.

The district track meet is to be held in Ozona on April 11. Between now and then the Red Devils will enter four relay events within this area.

THE RANKIN NEWS

Twenty-Five Juniors Take Merit Tests

Twenty-five junior students out of a class of 34 at Rankin High School took the 1964 National Merit Scholarship Qualifying Test, A. C. Copeland, high school principal, announced today

The test was administered at the school at 9 a.m. by Mr. Bill Shaffer, high school counselor. All students who wished to be considered for Merit Scholarships to be awarded in 1965 took the test at that time.

The qualifying test is a threehour examination of educational development. The test is the first step in the tenth annual competition for four-year Merit Scholarships provided by the National Merit Scholarship Corporation and by sponsoring corporations, foundations, colleges, associations, unions, trusts, and individuals.

The number of scholarships awarded in any year depends upon the extent of sponsor participation. In 1963, 1528 Merit Scholarships were awarded; 951 were provided by 179 sponsors and 577 by the Merit Corporation. There are 4118 Merit Scholars attending 425 colleges in the current academic year.

The test scores of students who are examined in March will be reported to their schools before May 15. The scores are used by counselors in many high schools to help students make decisions about college attendance and field of study. Many students who do not expect to win a scholarship take the test in order to learn more about their individual strengths and weaknesses in the

Study Club Hears From Committee On New Officers

Rankin Study Club met in regular session Thursday, March 5 at 4:00 p. m. in the Rankin Park Building. Mrs. Elizabeth Rains, President, presided and was assisted by Mrs. Jack Smith.

Thirteen members were present and were served cake and coffee for refreshments. Roll call was answered by naming a Texan of whom they were proud. After repeating the Club Collect, the pledge of allegiance was made to the flag.

A report from the nominating committee was heard and officers for the coming year were elected by acclamation.

Minutes of the previous meeting were read by Mrs. Smith and Mrs. E. C. Higday gave the treasurer's report.

Members have been asked to present a painting for the Art Exhibit at the Lincoln Hotel in Odessa, March 17 and 18. Announcement was made that a food fund drive is underway for the benefit of a Rankin family and plans were made for the game night that was held at the Ran-

area measured by the test.

Some 14,000 Semifinalists, the highest scores in each state will be named early next fall. Names of Semifinalists are published in a booklet which is distributed to all colleges and to other sources of financial aid for undergraduates. Furter, their names and test scores are sent to the colleges they express an interest in attending as their first and second choices. The order of preference is not shown.

An additional 35,000 students, selected on a national basis, receive Letters of Commendation for their high performance on the qualifying test. These students are considered for special awards made through the Merit Corporation, and their names and test scores are also sent to their first and second choice colleges.

Each Semifinalist will be asked to take a second examination. Those who repeat their high performance will become Finalists in the Merit Program. Winners of Merit Scholarships will be selected from the Finalist group on the basis of school records and recommendations, test scores, extracurricular activities, leadership ability, and accomplishments outside the classroom. Each Finalist is awarded a Certificate of Merit attesting to his outstanding performance.

The scholarship stipends are based on financial need. The minimum award is \$100 and the maximum is \$1500. The average stipend awarded to freshman Merit Scholars in 1963 was \$796 annually, or \$3,184 for the four years of college. Each scholarship constitutes a form of educational insurance, since the stipend may be increased at any time if the student's financial situation should change during the four-year term of the scholarship.

Supplementary grants are usually made to the colleges that the scholars attend.

Goodly Numbers Visit Local Schools **During School Week**

Members of the Rankin School Board of Trustees, all school personnel, and the members of the Public Schools Week committee wish to express their thanks to all patrons of the Rankin Schools for their support of Public Schools Week as shown by school visitation during the week and the "Standing Room Only" crowd at the Open House program last Thursday evening.

Rev. R. L. Shannon was mentioned for special praise in his capacity as chairman of the Public Schools Week committee. "Without Brother Shannon's experience and wisdom gained from that experience, we do not feel that our local recognition program would have been nearly so effective," superintendent of schools, Bill J. Hood, said.

Elementary visitors again outnumbered those in the other two buildings. Principal Mike Huges reported 171 visitors during the week: W. D. Stephens, junior high school principal, counted 150 visitors to that school; while high school principal A. C. Copeland tallied 118. Total registered visitors were 439.

Good Turn-Out At Club Game Night

A good group turned out for the Game Night, Thursday evening, March 10 to relax and enjoy the social atmosphere. The project was sponsored by the Rankin Study Club for their scholarship award fund. Festivities were held at the Rankin Park Building.

There were three tables of bridge and six tables of forty-two. Prizes of high and low and 2nd and 3rd high and low were awarded to: Grace Roach, Clint Shaw, Mollie Taylor, Mrs. Clint Shaw and Mrs. Tyson Midkiff.

Refreshments of cookies and coffee were served and approximately \$40 taken in at the game and from advanced ticket sales.

4-H'ers Show In Houston Livestock

Mike Whiteley, 15-year-old 4-Club member, exhibited his lightweight Southdown lamb to a 4th place showing in the recent Houstton Livestock Show. Mike also showed a 4th place winner in the El Paso Show and placed fourth last year in the Houston Show with a Hampshire lamb. The 4-H youth is a member of the entomology team and the 4-H rifle team. The son of Mr. and Mrs. L. M. Whiteley of Rankin, Mike is a sophomore at Rankin High School. Money from his lambs is to held send himself to college.

Fifteen-year old Sharron Westfall of McCamey copped a fifth place standing with her heavyweight Southdown from the Wal ton Harral farm. She exhibited two high place lambs in El Paso and is also saving her lamb money for a college education. Her parents are Mr. and Mrs. Jim Westfail of McCamey.

HINTS for the HOMEMAKER

By Mrs. Louie S. Jeffers, County Home Demo. Agent

Do you have problem windows? Many homemakers do. The idea of treating them as you do the other windows in your room would be the basic way of solving the problem.

Windows are usually the same type in each room. These types might be dormer, casement, double sash, arched, bay, corner and many others.

Windows may be small sky light type, tall colonial, wide picture or glass walls and glass

Windows are treated with draperies to provide privacy, frame a beauty view, or hide an unpleasant view. Draperies may provide protection from the sun, glare, heat or cold.

You may wish to use them to correct appearance of windows that are too wide, too short, too high, too narrow, to make two unlike windows; alike.

Fabric may be a major factor in how your drapes look in your room. Rough texture is for large rooms with furnishings while the smooth fine texture is for small

Sheer draperies add comfort by admitting light.

Hoy, when and where to use cornices and valances. Tow to make and hang the Roman shade, the Austrian drape and the French pleated drapes.

Eradication Program Completes 2nd Year On Successful Note

BY W. M. (DUB) DAY County Agent, Upton County

The screwworm eradication program has just completed its second full year of operation on a highly successful note, and even more favorable results are expected in the year ahead.

Only one screwworm infestation has been reported in the fivestate eradication area since Jan-

The massive eradication project,

Are you interested? Nine homemakers attended the first workshop in Reagan County Thursday. March 5.

You may join any of the following groups:

McCAMEY: March 12. Park Building from 9:00 a.m. to noon. March 13, Park Building from 10:30 a.m. to 3:30 p.m.

RANKIN: March 19, Commissioners' Courtroom from 10:00 a. m. to 3:00 p.m. March 20, Commissioners' Courtroom from 10:00 a.m. to 3 p.m.

which involves the release of millions of sexually-sterile flies that disrupt the insect's reproductive capability, was begun on February 14, 1962.

Since then, more than eight billion screwworm flies, reared in the huge plant near Mission and sterlized through exposure to an atomic energy source, have been released by airplanes in screwworm-infested areas of the Southwest. This techinque, along with preventive measures used by farmers and ranchers, has reduced screwworm incidence by more than 99 percent, etomogolists say.

With the decrease in infestations in the United States, eradication workers are turning their attention to activities along the border between the U.S. and Mexico. A large portion of the sterile

flies will be dispersed in a strip along the border extending from the Gulf of Mexico to a point below the state of Arizona. This barrier is to prevent fertile screw worm flies from migrating out of Mexico and reinfesting the South-

Although screwworm infestations have become a rare occurence in Texas, eradication workers insist that it is still important for livestock producers to be alert for screwworms in their livestock. Until the barrier has been completely established and thoroughly tested, the possibility will exist that a fertile screwworm fly could migrate into the Southwest from Mexico.

the groom's mother. For "something old, borrowed and blue," she wore a blue garter. She carried a bouquet of yellow roses on a white Bible.

Bridesmaid was Miss Sue Scott. She wore a yellow costume and carried a nosegay of white carnations. Dayna Steele, sister of the bride, was ring brearer. Harry McAdams served the bridegroom as best man.

Following the ceremony a reception was held in the home of Mr. and Mrs. Arnold. Mrs. Arnold registered the guests. The fourtier wedding cake and punch were served to the guests. Mrs. Bill Stell of Crane and Miss Scott presided at the serving table.

Following the reception the couple left for a wedding trip to Big Bend National Park. The bride chose a three piece pink suit with bone accessories for travel. They are now at home at 509 E. 9th St. in McCamey.

Rankin Lions Club Reports 2 Projects Financial Success

Members of the Rankin Lions Club have expressed their desire to extend their appreciation to the citizens of the area for the support of their beef sales tickets and of their annual pancake supper. Club treasurer Bellmond "Bill" Williams reported that the beef tickets netted \$148.35 for the Lions and \$48.15 for the Boy Scouts. The pancake supper showed a net profit of \$76.90. Proceeds from the two projects were earmarked for erecting a scoreboard at the Little League Park and for sending a representative from Rankin High School to the Boys State program during the sum-

The Club stated that they would like to publicly express its gratitude to the following companies and individuals for their cooperation in furnishing products for (Continued to Back Page)
