Cancer Fund Drive Plans Dropped for Rankin Area

The Cancer Fund Drive is scheduled Thursday, April 30, to its sponsorers. The Study Club. Mrs. Tyson chairman of the drive.

has requested that workers call at her home to pick up their supplies for making their funds solicitations since her health will not permit her distributing these to

the individuals. Other members of the club were at work this week putting up posters about town. Anyone who wishes to make a

donation to the fund may do so by contacting any Study Club member or by mailing it to the Rankin Post Office in care of the Cancer Fund drive.

Mrs. Elizabeth Rains, president of the club, has called attention to the importance of the work being done in cancer research—financed by fund drives such as the current one in Rankin.

Many new developments for the successful treatment of the killer disease have already been made and studies presently underway hold great promise that the day

is not too far off when cancer—like polio—will have been brought under control.

"We all know of the importance of this work and the good that has already come of it," the chairman has said. "By making a donation to the Cancer Crusade, you may well be helping to save the life of yourself or one of your family since this disease is no respecter of personalities when it strikes. We can, and are winning the fight over cancer. Your donations will bring the final victory closer," she pointed out.

Serving the Interests of Rankin and Upton County

VII—NUMBER 16

RANKIN, UPTON COUNTY, TEXAS

THURSDAY, APRIL 23, 1964

EXPLORER SCOUTS EVENING SET FRIDAY 25TH

A chapter of the Explorer Scouts have scheduled a Game at the Rankin Park Building, Friday, April 25. Time is

from the affair will go to the Explorer Post in Rankin already been earmarked for financing their enterprising contest this sum-

mer begins at Buchanan and goes all the way to taking several days in their first efforts and with very limited experience prior to the race—the Rankin entered well up in the stand-

This year is to make for the 1st place position.

4-H Shooters Win Trip to State Meet

Upton County Senior Rifle team placed second and will go to the State 4-H Round-up on June 3. Members of the team were Chas. Adkisson, Rusty Garner, Mike Whiteley and Terry Gray. Topping the Upton Team was the Val Verde squad from Del Rio.

Last year, this same Upton team placed fifth in state.

In entomology, the senior team placed second and will go to the State Round-up. This team is composed of Doris Trowbridge, Charles Whiteley and Mike Poyner. The Junior Entomology team was first place winners with the members being Debbie Day, Gaylene Dobbs and Diane Day. Only senior teams go to state.

Taking second place honors in the Vegetable Preparation and Use were Faye Collins and Debbie Deel. Caye Collins and Karen Hallmark tied for 5th in the Safety Demonstration.

Absentee Voting Ends Tuesday, April 28--

Candidating in Stretch

It was down the stretch for the candidates this week with absentee voting due to end at 5:00 p. m. Tuesday, April 28, and the polls to open at 8:00 a.m. Saturday, May 2. A lot of leg work, finger-nail biting and taking to the aspirin bottle will come off between now and then.

Attention is again called to the fact that absentee voting must be done during the regular office hours at the County Clerk's office. No voting may be done on week-end or after the office has closed at 5:00 p.m. on week-days. A count at the clerk's office on Wednesday showed only eighteen ballots cast by absentee.

And other plans were beginning to take shape for the voting day. Rankin Lions Club was completing their arrangements for putting

up an election returns board on the south side of the Ford Theatre. In connection with this popular event, the club will also hold a cake walk.

The weather is not as hot as it used to be when elections were held in July but those running for office will tell you that there are more things than heat that can cause of dampened brow.

The race gets hotter.

BANK DEPOSITS UP AT FIRST STATE

Bank deposits at First State Bank in Rankin, followed the trend in West Texas and marked up a substantial gain for the first quarterly report in 1964. In a call for statements of condition made by the Federal Reserve as of April 15, First State Bank reported a net gain in deposits of \$163,791.12. Total deposits as of that date stood at \$4,028,554.48 as compared with \$3,864,763.36 reported in the call for December 20, 1963.

On April 15, total resources of the bank stood at \$4,535,133.27—an increase of \$155,810.29 over the \$4,379,322.88 reported in December.

A BELL FOR RANKIN

Rankin will have a church bell. And it will ring regularly—every Sunday morning—rain or shine—mostly shine.

Rev. Billy White, pastor of the Rankin Methodist Church, "made a trade" for the bell down in Central Texas and workmen have completed the task of mounting it on a high pole in the church yard.

It's a very large bell and should one oversleep next Sunday morning, it could well be that he will still be reminded of the day in time to make church services.

Loans and discount items handled by the bank were also up for the first quarter—\$1,862,845.53 as compared to \$1,754,565.77.

Undivided profits stood at \$178,691.83, another increase over the December figure of \$176,427.96.

On the December statement, First State Bank had dividends payable of \$10,000.00.

Block Friday and Saturday --

Rankin UIL Contestants Lead for Regional Meet

UIL literary contest, held Thursday, April 16, to an end all UIL Spring and the final results Rankin High School qualified students for the regional phase of contesting in Lubbock Friday and Saturday, April 23 and 24.

Of these nine students who took and field events Rankin finished five in the department.

Students who will make the trip to Lubbock include Jerry McDonnell in shot put and discus; James Harris in the high jump and Tom Gossett in the 100 yard dash.

are: James Harris in typing; Rex Spencer in boys poetry interpretation; Carol Avery in girls poetry interpretation, Carol Ship in girls extemporaneous speaking, and Lynda Kilchrist in journalism.

Although Rankin High School was far behind in total points, they qualified for as many events to the regional meet as did the district winner, Eldorado. The final—unofficial—point distribution in the literary contest finds Eldorado with 143 points, Ozona with 87 points, Big Lake with 86 points and Rankin with 62.

Decisions of the ready writing contests is yet to come.

Rankin students winning honors saw James Harris, 1st in typing; Rex Spencer, 1st in boys poetry

interpretation; John Spencer, 2nd in the same event; Carol Shipp, 1st in girls extemporaneous speaking; Carole Avery, 1st in girls poetry interpretation. Eddie Love had a 3rd in boys prose reading while Gayla Wilson placed 3rd in this event for girls.

Change Noted in Insurance Agency

Announcement was made this week concerning the change of ownership of the Elrod Insurance Agency. Purchasing Norman Elrod's interests in the agency was Dunn Lowery, president of First State Bank and co-owner of the (Continued from Page 5)

Senior-Freshman Lead Six-Weeks Honor Roll

Senior Lynda Kilchrist and freshman Toni Shafer led all high school students the fifth six weeks with averages of 95.143. Other seniors making the honor roll were Sam Bean, Larry Braden and Janice Hale.

Jimmie Lee Fields was high for the junior class with a 94.857 average. She was followed by David Brown, Sandra Maxwell, Ricky Miller, Bill Sanders and James Scarborough.

Anita Bassham topped all sophomores with a 94.143 average. Other sophomores qualifying included Denicia Dobbs, Jerry Lacy, Pam Love, Bobby Phillips, Donna Stephens, Edith Warren and Larry Whiteside.

Other freshmen on the honor list were Patsy Barrett, Billy Paul Brown, Freddie Cunningham, Scott Fields, Linda James, Janis Owens, Jan Wells and Fayne Zoller.

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

HOW 'BOUT THAT —

If you were one who failed to note the king-sized typographical error in last week's headline on the front page, you are in a minority. The word "competitors"—in 48-point bold, black type, no less, was about the only exciting news of the issue. But, as I have pointed out before, I don't print a crossword puzzle. I make spelling mistakes and let you look for them. It's about the same sport and costs me nothing. In fact, it comes natural.

The thing that bugs me about the whole bit is how some ole boy who can't see how I'm right when I discuss the foreign situation, can be so dadburned quick to spot a little error when I make one in printing the paper.

One of these days I may get the whole thing correct and—if that ever happens—I guess I'll have a few subscription cancellations.

JUST A CAN—

City of Rankin has just about finished repainting all the trash barrels and cans all over town. If you haven't noticed the difference, step out into the alley—or, if you're pooped, drive around and look the job over.

It's no great thing. They are only barrels and cans. But they do look a lot better with a coat of silver paint and they will continue to look that way if you and I will do one little bit of cooperating. **DON'T BURN YOUR DANG TRASH IN THE BARRELS ! ! !**

You see, it not only causes Red Holcomb no end of trouble like catching his truck on fire—which has happened several times—but it is also bothersome to handle with soot and junk floying around, and smoke getting into folks' fresh laundry and air conditioners and it causes the paint to flake off.

It ought to be worth that much
(Continued to Page 3)

GORDON McLENDON

Your candidate for the Democratic nomination for U. S. Senator

BELIEVES . . .

- **FOREIGN AID**—Foreign aid should be withheld from all communist-dominated countries. Foreign aid should be maintained in those countries in which we have military bases. In other countries where any aid might be prudent, it should be mainly in the form of surplus agricultural products.

- **NATIONAL DEBT**—Government expenditures should be made only from current income in peacetime. An orderly program for retirement of the public debt should be initiated.

- **FOREIGN AFFAIRS**—The Monroe Doctrine should be firmly restated and upheld.

COOP—
 (continued from Page 2)
 on our parts to say
 happy city neighbors
 brag about their town:
 but your trash cans
 as pretty as ours."

STED—
 in a while a remark

can be heard over a coffee cup
 that makes sense. Not often, but
 once in a while.

It seems to me that such a re-
 mark was made Monday by one
 of our more substantial citizens
 when he said that he believed it
 would pay us all for the city to
 install a water softener unit on
 the main line. His thinking was
 that such unit and its operational
 cost would be paid for by the ad-
 dition of a dollar per month to
 each water users bill.

Now the mention of added

costs is like a red flag to most of
 us but this one makes sense to me.
 His point was that the extra
 cost to the user would be more
 than regained on replacement of
 air conditioners, pads, pumps and
 parts, hot water heaters, plumb-
 ing, and soap bills to say nothing
 of what it would likely do for
 yards and gardens and the general
 purity of our drinking water.

It seems to me that pure water
 would cut down a great deal more
 than \$12 a year for each user.

Whether such a plan is practi-
 cal is something else. It is true
 that it can be done. Numerous
 industrial plants use such devices
 now. The large El Paso Camp and
 refinery east of Midkiff purifies
 all their water used in both the
 camp and the refinery. I doubt
 that Rankin uses a great deal
 more water than they do—per-
 haps not as much.

In any case, that might be the
 logical place to start and see
 what such a set-up would cost
 to install, maintain and operate.
 If you favor having the city

look into such a project, why not
 speak to one of the councilman,
 the mayor or some city employee.
 Or write a letter or call on the
 telephone. If you don't approve
 I'd guess that would like to know
 that, too.

I personally believe that —if it
 is practical—it would be worth as
 much to Rankin as a weekly
 rain.

A REPORT—

After making a personal inspec-
 tion trip to the new farming a-
 rea in the northeast part of the
 county, I'm ready to report.

Don't beat your pipe wrench in-
 to a plow shear yet. It's still
 primarily an oil patch.

But there are indications that
 changes may well be on the way.
 The large farm just west of Tex-
 as Natural could well be the one
 to watch. If the owner is able
 to develop it into a profitable and
 going concern, then the day of
 the plow will have arrived for
 that part of Upton County.

As for water, this particular
 farm apparently has sufficient a-
 mount for grain-feeds. How much
 more than that will also be de-
 termined once he gets his com-
 plete system installed.

One other conclusion can be
 drawn—it's not a poor boys game.
 Those who are developing this
 new area have money available
 to them that is far beyond the

reach of the average person.
 It looks like we will either have
 a first-rate development or none
 at all with a heck of a huge
 chunk of money involved in either
 case.

PATTERNS FOR PROGRESS

PAYROLLS

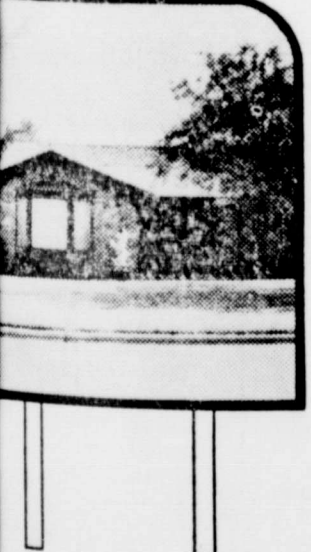

... sparkplug for economic growth

Payrolls pay off when new manufacturing industry begins
 operation in a town. Memphis, population 3500, is a
 good example. Pictured above is the Hall Plant, a unit
 of Burlington Industries, famous textile manufacturers.
 It brought a payroll to this Texas Panhandle town for
 more than 100 employees, mostly women, and has become
 an important addition to the local economy.

National studies show that payrolls, which come from
 100 basic new jobs in a community, add 100 more homes
 such as the total electric Gold Medallion home pictured
 left . . . increase retail sales by \$331,000 annually . . .
 create three new retail establishments . . . bring 359 new
 people including 91 school children . . . and add 97 more
 car registrations.

This is another PATTERN FOR PROGRESS.

American industry is on the move . . . expanding,
 relocating, and establishing new product facilities all over
 the Nation. Here is another opportunity for communities
 to seek new manufacturing payrolls. WTU suggests that
 every community give serious consideration to this oppor-
 tunity, since payrolls are, as we have seen, a sparkplug
 for economic development and growth.

Industrial Arts Class Takes Odessa Wins

Rankin High School Industrial Arts classes scored in several divisions of the Industrial Craftsman's Fair in Odessa on April 18. This fair is sponsored by the West Texas Industrial Arts Association and Odessa College.

Bobby Phillips scored a 1st in the Wood Turning division for second-year woodworking.

Larry Whiteside had a 2nd in the Furniture division for second year woodworking.

Stephen Wright placed 3rd in

Wrough-Copper division for first-year metal working.

Robert Langford had a 3rd in the Furniture division for first-year woodworking, 9th and 10th grades.

Eddie Love took a 3rd in the Furniture division first-year wood working, grades 11 and 12.

Rankin students were sponsored by Mr. Mavin Wimberey, Industrial Arts teacher at RHS. Competition was against school of various classifications with entries including Crane, Midland, Odessa, Andrews, Seminole, Monahans and others.

Study Club Hears Federation Info

Rankin Study Club met on the 16th of April at 4 p.m. with the president, Mrs. Elizabeth Rains, presiding. Reading of the Club Collect was led by Mrs. Nancy K. Daugherty and Mrs. E. C. Higday led the pledge to the flag.

Minutes of the last meeting were read and approved.

Mr. Robert Mosle, representative of the National Cancer Society, explained the details of the cancer drive to the club. This was followed by the program which included group singing, led by Mrs. Flora Shaw, accompanied by Mrs. Daugherty at the piano.

Mrs. Higday gave a talk about "Federated Clubs of other lands", indicating where they are located and some of their projects to improve conditions in these other countries.

Mrs. Jack Smith gave a report from the hospitality chairman in which it was stated that plans are underway for the club's installation luncheon to be held on May 9.

Mrs. Shaw submitted 4 names for membership: Miss Myrna Holman, Mrs. C. A. Shaffer, Mrs. W. R. McSpadden and Mrs. R. L. Craig. They were unanimously elected to club membership.

The club voted to send a donation of \$10 to the High Sky Girls Ranch in Midland.

HOSPITAL NOTES

Mr. J. F. Everett of Rankin, admitted March 3, transferred to San Angelo April 20.

Mrs. J. D. Barnett, Jr. of Midkiff, admitted April 3 and dismissed April 14.

Miss Patricia Guest of Crane, admitted April 10 and transferred to San Angelo April 21.

Mrs. C. A. Shaffer of Rankin, admitted April 10.

Mr. O. B. McDougal of McCamey, admitted April 12 and dismissed April 15.

Mrs. H. Wheeler of Rankin, admitted April 13 and dismissed on April 21.

Mr. Dee Locklin of McCamey, admitted April 13 and dismissed April 17.

Mrs. M. R. Dennis of McCamey, admitted April 15 and dismissed April 17.

Mrs. Dora Hodges of Rankin, admitted April 16 and dismissed April 20.

Mrs. Edna O. Roberts of Rankin, Admitted April 20.

Mrs. T. S. Beckham of Midkiff, admitted April 20.

Mrs. Tom Lindsey of McCamey, admitted April 20.

Mr. B. B. Brown of Rankin, admitted April 21.

Born to Mr. and Mrs. Tom Lindsey of McCamey, a son at 11:30 p. m., April 20, weighing 7 lbs., 6 ozs. and named Douglas Glen

PACK 56 NOTES

A new Den Mother joined Pack 56 this month. Mrs. Virginia Bennett lives near the Benedum camp and has her meetings at her home for the convenience of those boys who live in the surrounding camps.

The Cub Scouts have received six new members and one transfer in from Menard. The new Cubs are John Bennett, Doug Pharis, Randy Quick, Jimmy Matthews, Tommy Gray, Tommy Taylor and Guy Ervin was transferred from Menard. We welcome all these boys and their parents in Cub Scouting.

Of all days for the wind to be calm, Saturday, April 11, the Cubs had a kite contest.

Keith Cranfill finally got his kite up and won the prize for flying the highest.

John Bennett had the smallest kite and Doug Pharis had the tallest. Mike Donnelly's kite had a funny face on it.

Hal Hutchens and Harvey Jarvis had the only box kites and did a beautiful job making them.

All the ybos and mommys and

Rankin Pecans Hit By Nut Casebearers

County Agent Dub Day made a check last Monday on a number of pecan trees in Rankin and found an infestation of pecan nut casebearers—enough to do extensive damage to young, tender shoots which are now putting out, he said.

Day went on to explain: This insect is of peculiar nature being about 1/8-inch when full grown. It is a worm and tunnels up through the center of young shoots usually entering through the base.

If old shucks have been left on the pecan tree, this is an ideal place for the casebearer to hole up for the winter. Consequently, old shucks should always be removed at the end of the year. A spray now and another spray on May 15 should give satisfactory control for two generations.

Pictures on how to detect and find the eggs of the casebearer can be seen in our bulletin on Pecan Diseases and How to Control Them. If you have a wilting of new shoots on your pecan trees, chances are you have casebearers. To detect further, take the shoot off and see if a hole has been tunneled. Once the insect is already inside the shoot, control is nearly impossible for this generation.

The spray should be three lbs. of 50 percent wettable DDT or 3 lbs. of 25 percent wettable melathon, or 2 lbs. 50 percent or 80 percent Sevin. This should be applied under pressure and thorough coverage of all old shucks and new shoots is a must.

373 Upton County Residents Draw S S

About one out of every ten residents of the United States is now receiving a monthly social security check according to figures released by H. P. Thomas, Odessa, social security district manager.

Thomas' report listed the number of Upton County beneficiaries as 373 at the end of 1963, an increase of 8 over the corresponding figure at the beginning of 1963. The dollar benefit amounts total more than \$28,813.20 yearly.

Retired workers are the largest single group of social security beneficiaries in the County. There are 177 in this group and their old-age insurance benefits total \$13,710.00 monthly. The following table shows the number and amount of other monthly benefits paid in Upton County, as of December 31, 1963.

Group	No.	Amt.
Wife or Husband	48	\$2,223
Widow or Widower	34	2,223
Mothers & Ch'ldn.	89	4,300
Disabled Workers and dependents	24	1,671

In releasing the figures, Thomas pointed out that the social security benefits are important to the community as well as to the people who receive them. "It is a

In the second spray coverage to be applied on May 15, 2 lbs. zinc sulphate should be added to this spray. This should guard against rodents or die back.

If you would like to have a bulletin on Pecan Tree Diseases and How to Control Them, write to the county agent and we will mail one to you.

The Rankin (Tex.) News—
Thursday, April 23, 1964

fact," he said, "that almost every dollar of social security benefits coming into the County is spent each month in local businesses for food, clothing, shelter, and other essentials. In this way, the benefits have a stabilizing effect on the local economy."

Thomas forecast that the number of social security beneficiaries (Continued to Page 9)

IT'S TRADE 'N' TRAVEL TIME AT YOUR CHEVROLET DEALER

Sport Coupes above: Corvette Sting Ray, Chevy II Nova, Corvair Monza, Chevelle Malibu, Chevrolet Impala

5 different ways to make a big splash! without going overboard on price

It's get-the-cottage-ready time. Put-the-boat-in-the-water time. Baseball time. Trade 'N' Travel Time at your Chevrolet dealer's. Time to get out of that wintertime rut, into one of Chevrolet's five great highway performers.

Now it's easy to go on vacation first class—without paying a first-class price. In a luxury Jet-smooth Chevrolet, for example. This beauty rivals just about any car in styling, performance and comfort. Or try a totally new type of travel in the youthfully styled Chevelle. Lots of room inside—yet nicely sized for easy handling.

Now thrifty Chevy II has hill-flattening power. Unique Corvair offers extra power that accents its road-hugging rear engine traction. And the exciting Corvette speaks for itself.

Yes, right now is new car time. T-N-T Time. Time to get the most fun from a new car. To get a great trade on your old one. To get a big choice at your Chevrolet dealer's. Come on in!

222 EAST 5TH

MCCAMEY, TEXAS

Will Attends over ROTC Meet

VER, Colo.—Cadet Emmett
Gill of Rankin, represented
the Air Force Reserve Officer
Training Corps detachment at
Christian University, Fort
Belvoir, at the 16th National Con-
ference of the Arnold Air Society

here.

Cadet McGill, son of Mr. and
Mrs. A. B. McGill of Rankin, met
with other detachment represen-
tatives from more than 170 col-
leges and universities across the
nation to discuss aims and poli-
cies for the coming year.

The 20-year old cadet is one of
more than 6,000 society members
belonging to the honorary mili-

tary organization for outstanding
AFROTC cadets.

The society was established in
1947 at the University of Cincin-
nati and named for General of
the Air Force H. H. "Hap" Arn-
old. Speakers and guests at the
event included Air Force Chief
of Staff General Curtis E. LeMay
and entertainer Bob Hope.

when you call Grandmother

...YOU DON'T EXPECT TO REACH TIMBUKTU

Naturally, when you call Grandmother's phone, that's the one you expect to get, and you do. But that's not as easy as it sounds.

Your call must work its way through all sorts of interconnections, wires, cables, switches and so forth until, finally, it picks the right phone out of some 83 million in the U.S.

Yet, out of all the possible chances for mistakes, your call goes where you send it . . . in town or out-of-town, to Grandmother, wherever she is. This sort of reliability is the result of service improvements that keep increasing the convenience and personal value of your telephone.

SOUTHWESTERN  BELL

Making telephone service better to serve you better

June 12th and 13th --

4-H CLUB TO STAGE HORSE SHOW ALONG WITH ANNUAL ALL-KID RODEO

The Upton County 4-H Club is planning to hold a Youth Horse Show in connection with their annual All-Kid Rodeo which will be held on Friday and Saturday, June 12 and 13. The Youth Horse Show will take place during the day on Saturday. Rodeo performances are scheduled for Friday and Saturday nights.

Entries do not have to be members of a 4-H club or any other organization to perform in the rodeo or in the horse show.

HORSE SHOW ONLY — age limit under 14 as of January, 1964. Junior division and 10-20 as of January 1, 1964—senior division.

Reining Class, Western Pleasure, Barrel Race, Pole Bending, Flag Race.

HALTER CLASS: Registered mares (folded 1962 or after); Registered mares (folded before 1962); Non-registered mares (folded 1962 or after); Non-registered mares (folded before 1962); Registered geldings (folded 1962 or after); Registered geldings (folded before 1962); Non-registered geldings (folded before 1962); Non-registered geldings (folded 1962 or after); Pony Class (mares or geldings under 14 hands); Stallion colts, (registered or non-registered 12 months or under).

Each exhibitor is allowed to show only one horse in the halter classes and one horse in the

performance classes. This can be the same horse. Points toward over-all champion horse will be counted in performance and halter classes.

KODEO ONLY— age limit 13 years and under—junior division, 14 years to 16 years—senior division.

There will be calf roping, steer riding, hair pulling, boot scramble, ribbon roping, pole bending, and barrel race (girls only) in each division.

Entry blanks for any of the events in the rodeo or the horse show can be obtained by writing the County Agent in Rankin.

CARD OF THANKS

I WANT TO THANK everyone who was so nice to send me cards and gifts on my birthday.

MARY K. DAUGHERTY, County Clerk,
 Upton County, Texas
Blanche Mitchell, Deputy.

**Warm Weather Ups
Screwworm Battle**

Sterile fly release totaled 100,797,450 during the week ending April 11.

The number of screwworm cases being confirmed rose again with 7 being reported. The insect is also becoming more prevalent in the area west of San Antonio and along the Rio Grande. Cases reported last week came from Hidalgo, Maverick, Uvalde, Val Verde, Webb and Willacy.

The number of non-screwworm samples being received continues to increase, but is falling well below last year's weekly totals. Eradication workers have been extremely pleased with the number of reports being sent in by livestockmen and hope this does not indicate a slackening in interest and vigilance.

APRIL GARDEN TIPS—

Watering: Recent weather conditions over most of the state have resulted in less than average rainfall. The windy weather that has prevailed in many areas has also brought about exceptionally low soil moisture conditions for this time of year.

Gardeners should carefully analyze the soil moisture conditions

in their own garden and if the supply of moisture in the soil is low, care should be taken to provide enough water to support the normal development of the plants especially when they are starting new growth.

There are several methods that can be used to insure that a proper amount of moisture is supplied to the plants. First: when water is applied to the soil, let it run into the soil slowly and be sure it soaks in deep. This is much more satisfactory than applying small amounts of water at frequent intervals.

Second: shape some shallow water holding basins from the soil around newly planted trees. Add mulching material such as pine bark or peat moss around older trees and shrubs and on flower and shrub beds after they have been well watered, to conserve the moisture and to keep the roots on newly planted plants cool during the increasing number of warm or hot days that will soon begin to occur.

This is an ideal time of the year to check all the equipment used to supply water to garden plants to be sure it is in excellent working order before the watering season sets in permanently. Check all the sprinklers, nozzles and garden hoses to be sure they

SOCIAL SECURITY—
(Continued from Page 6)

ies will continue to increase in the future, but at a much slower rate than in the past 10 years.

One change—lowering the age at which older people can get benefits from 65 to 62—account for 1.8 million out of the 19 million people now entitled to benefits. The amendments also introduced a new protection under social security—disability benefits—and 1.5 million disabled workers and their dependents now receive benefits under the disability provisions of the law.

are in working order and repair or replace those that are no longer of use.

Plan a watering schedule for the growing season now. Check for wet spots where drainage may be poor and correct this before new plants are put into such situations.

In scheduling your watering operations, list the water requirements of your various trees, shrubs and other plantings and plan your watering procedures so that you apply water to your garden in a systematic manner so that some plants will not have "wet feet" from overwatering while others suffer from excessive dryness.

RE-ELECT
DORSEY HARDEMAN
 STATE SENATOR * 25TH DISTRICT

EXPERIENCED, ABLE, QUALIFIED

... plus a proven record of accomplishments benefitting all the people of the 25th Senatorial District. His seniority gives him invaluable effectiveness, prestige and influence.
