## Incoming Queen Candidates

Herrington, Deborah Odom, Gayla Wilson and Love were selected by the student body of RHS as incoming Queen candidates. The first three are juniors; Miss Love, the final winner of the junior.

## High, "B" Games Tap for Thursday

Red Devils, following their loss last Friday to the Badgers, will have an open date this, however, will not be a fan of the opposing team. Plenty of foot-

Thursday will be two games. A Junior High team will be at 5:00 p. m. The Junior slated for the immediately following will be the two "B" squads on the field for a game.

Charge for admission to these games and the Red Devils are encouraged to attend. The stands will be in a full evening of football is indicated.

Junior played their first game of the season last Friday and put on a rather good display as they held the McCamey Juniors 14-0. McCamey is undefeated. The game was pegged to be a close one. The Rankin team. However, the Red Devils came up

with a rather effective defense and also moved the ball well against the Badger Juniors.

The "B" team also made their first appearance in game form on Saturday and took a 12-0 loss against McCamey. Here, again, the visitors were "supposed" to have had the upper hand but did not find the varsity subs to be any easy mark.

The Red Devils next action will be in Sanderson on October 23.

## SMB Truck Stop Opens for Business

Myrtle Brown this week announced the opening of the SMB Truck Stop. It will be located in the former Warren Grocery and Ice building at the corner of Grand and Highway 67. Hours of business are to be from 6:00 a.m. until 12 midnight—seven days a week.

At the present time the stop is offering ice, milk, bread, beverages, cold drinks, a staple line of groceries and similar items. In the process of completion is a cafe service which will offer "good home-style cooking", according to Mrs. Brown.

Mrs. Brown will personally supervise the operations.

## Bonds Retired for \$27,000.00 in Savings --

# Council Grants Increase In Local Telephone Rates

Ben R. Young, manager for the Southwestern Bell Telephone Co. this week announced that Rankin City Council, in their regular meeting, approved a rate increase in local telephone service. Long distance calls will not be affected and will remain the same.

Young said that the principal changes in rates would be as follows: business line up from \$8.00 per month to \$9.50 per month; one-party residential lines, up from \$4.75 per month to \$5.50 per month; and two-party residential lines, up from \$4.00 to \$4.25 per month. Effective date for the increased rates will be November 16, 1964. Young stated that no

other local services by Southwestern Bell would be involved.

The manager said that the increase would give the company an increased percent of return from 4.28 percent to 5.56 percent on their local operations. This is the first increase in telephone service rates in Rankin since 1954,

according to city hall.

## BONDS RETIRED—

In other recent actions by the council, City of Rankin retired some \$58,000.00 worth of Water Works and Sewer System bonds, Series 1949, and refunded \$50,000 on the same issue. By this action, the city will realize a savings of \$27,000.00 in interest over the maturity date of the bonds which were to have run until approximately 1980.

## Bank Deposits Up Over Last Quarter

Deposits at First State Bank showed another increase this past quarter, as they did in the previous quarter. Deposits at the bank stood at \$1,676,659.08 as of October 1 as compared with \$1,649,282.19 on June 30.

Total assets on October 1 were \$4,561,358.20 as compared with the \$4,229,278.26 figure of June 1. On June 1, 1963, this figure was \$3,866,197.51.

Undivided profits on hand according to the current statement amount to \$205,199.06. Loans and discounts stood at \$1,781,873.67 as compared with a June 1 figure of \$1,734,179.62.

## Absentee Voting on November Election

Absentee voting for the November 3 General Election opened at the county clerk's office Wednesday, October 14. It will continue until Friday, October 30.

Any qualified voter who will be unable to go to the polls on election day due to ill health or to his being absent from the county, may cast an absentee ballot. All absentee balloting must be done during regular office hours at the clerk's office. The office is open from 8:00 a.m. until 5:00 p.m., five days a week.

## Goldwater Group To Work in Upton

A Texans for Goldwater organization has been set up in Upton County to coordinate activities in behalf of the presidential campaign of the Republican nominee.

Boyd Cox of Rankin will serve as local chairman under the direction of Hardy Hölgers, Austin, and Wm. Robert Smith, San Antonio, co-chairmen of the volunteer organization.

Campaign literature, bumper stickers and speech materials will be available through contact with the local chairman.

Texans for Goldwater is coordinated with the national Citizens for Goldwater under the volunteer leadership of General Jimmy Doolittle and Clare Booth Luce. It is not affiliated with the candidate's party but is made up of loyal citizens who believe freedom has a fighting chance with the election of Barry Goldwater.

## Clothing Drive Set At Local Schools

World Clothing Week is to be observed at Rankin Schools October 19-23, according to the Superintendent Bill J. Hood.

During this period, clothing donations are sought by the local schools, from all sources—not just those having children enrolled. This clothing is then distributed through a national organization to persons in needy areas of the U. S. and overseas.

This year's relief efforts are directed toward the Appalachian areas of the eastern United States.

Clothing may be left at any of the local schools. It should be clean and in usable condition.

Clothing is distributed to children and adults alike of any race or creed to American communities hit by disaster, on American Indian reservations and to orphanages in the U.S. and overseas.

MANCEL JENKINS AND BILLY WAYNE HALE got the nod from the Rankin Red Devils as being outstanding on offense (Hale) and defense (Jenkins) in the Sonora game. Hale is a freshman halfback and Jenkins is a senior defensive back.

## UP AND DOWN—

A few weeks ago City Council announced what amounted to a 10 percent cut in taxes for City of Rankin tax payers. About the same time, West Texas Utilities announced a reduction in their electrical rates.

There was joy amid the outlanders. But not for long.

This week an announcement is carried in The News that says the City Council has approved an increase in rates for Southwestern Bell Telephone Company. From my own standpoint, this increase will just about wipe out—perhaps a little over—any savings in the two aforementioned reductions.

This is not to say that City Council should or should not have given SWB a rate increase in Rankin. I do not raise the question of whether SWB should be entitled to same. I only make the point that it's mighty hard to put a buck in your pocket now and then—especially when there are so many holes in that pocket.

One thing I don't understand is why one utility such as West Texas Utilities, can give a rate reduction and another and even

The Rankin (Tex.) News—

bigger utility such as Southwestern Bell Telephone, has to have an increase in the same town to make a living—and especially in light of the fact that WTU has a local office, gives employment to three local families, participates in almost every phase of the community life, operates a system somewhat similar to the telephone company in that the product is carried about the town on poles and lines—and yet, they can offer a lower monthly bill to their customers and still offer a reduction.

Southwestern Bell, on the other hand, has no local people on a regular basis, they maintain no local office and are only remotely connected with the community—being more or less on automation. They do not have to produce the product such as WTU must operate power stations to furnish the electricity they sell.

Like I say, I don't understand these things but I'm sure City Council does for they didn't even have to question any of the users of telephones to determine that—

decision was their to

make and they cut the melon  
without hesitation. For this type  
action, they must be commended.  
There is no easy job to start  
with but the present group has  
shown that they are not afraid  
to make the decisions as they see  
them and although their actions  
may not always meet with appro-  
val by all, I would remind you  
that's it not easy to find men  
who will act promptly and with  
dispatch on questions which come  
before them.

**THE ANSWER—**

A and B are in business in Ran-  
kin. A sells buggy whips and B  
sells dog sleds. A wants B to buy  
all his buggy whips from him but  
when A needs a dog sled, he gets  
it from Y who happens to be in  
business in lower Siberia.

Now if A plus B equals profit  
for A; how comes B plus A does  
not equal profit for B? Very ele-  
mentary. When Y it put into the  
equation profit is transferred from  
B to lower Siberia and B no  
longer has money to buy buggy

whips from A who eventually does  
not have money to buy dogsleds  
from Y.

A nutty sort of mumble-jumble  
you say? True. But it makes a-  
bout as much sense as does the  
often practiced habit of one Ran-  
kin businessman not patronizing  
another.

I guess the older I get the  
dumber I get. It seems to me  
that the more money we can keep  
locally among ourselves—the bet-  
ter off we will all be. It's quite  
possible that Y may or may not  
sell his dog sleds to A cheaper  
than B can; but it may also be  
true that B can buy his buggy  
whips cheaper in lower Siberia if  
he is of a mind to deport his  
dollars out of reach.

Way back down the line some  
one came up with "Trade at  
Home." It may be a time-worn bit  
of wording but somehow the  
economic truth that it contains  
has not become obsolete.

### OPEN DATE—

Rankin is open this week—and the Red Devils have earned it. For a young ball club, they have faced a pretty tough schedule thus far in the season.

The fact that they did not win their homecoming game was some what of a disappointment but a good bit of consolation can be had in the fact that they tried and tried hard. Most of the fans apparently were satisfied with their efforts and encouraged by their play. Iraan gave a good demonstration of what second effort can do when they ran two touchdowns after the ball carrier had all but been stopped. Rankin can take a lesson from this and by applying that same second effort perhaps bring to a halt the practice of spotting their opponents a couple of touchdowns per game.

It was a good ball game, well played by both sides and a lot of good sportsmanship. We'll get 'em next year.

A word must be said for the Rankin Junior High team and for the B team—both making their first game showings last week. The Juniors, perhaps not a high-

ly polished group, do, however, play the game with much vigor and made a mighty good showing when they held the larger and more experienced McCamey team to 6-0. They looked a little like their larger brothers on the Varsity in that they moved the ball well but seeded to have trouble getting it over the goal line. And they, too, had their one play that cost them the game when they failed to stop a Badger runner one time.

The B team, also considerably outgunned, put up a respectable fight before dropping their Saturday encounter to the McCamey squad 12-0.

Both these teams will be in action Thursday afternoon in Rankin with Iraan as the victim. If you enjoy a fast game of football, be sure to attend.

This week—

### RANKIN—Open

**SONORA 18-** Eldorado 12. This forecast may easily be reversed. Sonora, although they have won all of their district games, have had trouble with both Rankin and Iraan and have not looked too strong.

**IRAAN 28-** Sanderson 12. This game will be played Saturday in Iraan and the Braves want to win all they can. Somehow I have to pull for them for theirs was an unusually long dry spell.

**OZONA 28-** Menard 0. The Lions roll on and this will be little more than a workout for them.

**BIG LAKE 32-** Junction 8. The

Owls have a good club and the game-of-the-year will be when they meet Ozona.

**TEXAS 21,** Arkansas 0. 4th & 10 usually doesn't venture into the college field but with Texas it's a good chance to fatten the percentages.

### Last Week's Results:

Iraan 23, Rankin 16  
Big Lake 37, Eldorado 14  
Junction 14, Menard 7  
Sonora 20, Sanderson 12  
Texas 27, Oklahoma 7  
4th and 10's score: 23 right, 8 wrong and 1 tie.

## Bowman-Withers

### Wedding Date Set

December 21 is the date fixed for the wedding of Miss Ursula Bowman of Rankin and Mr. Bernie Withers of Crane. Scene of the ceremonies will be at the Rankin Methodist Church with Rev. B. J. White officiating.

Miss Bowman, a nurse at the Rankin Hospital, is the daughter of Mr. and Mrs. E. M. Bowman of Fountain City, Indiana. Mr. Withers, an employee of Pool Well Servicing Co., is the son of Mr. and Mrs. W. C. Withers of Meridian, Mississippi.

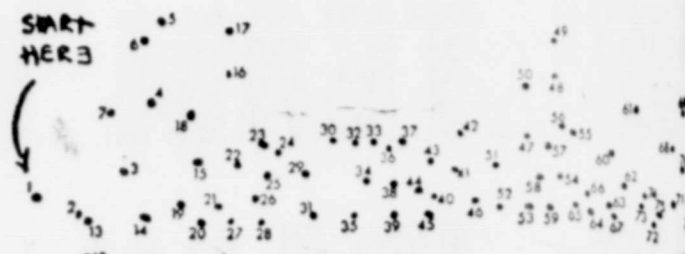

## Long-Ago Resident

### At Homecoming

Mrs. Geo. Weir of Hobbs New Mex., was believed to be the former resident with the longest past history of residency to attend the homecoming ceremonies held in Rankin last week-end. Mrs. Weir came to this area before Rankin was established and recalls that this area was part of her father's ranch.

An indication of her claim to the title is the fact that she was here before Mrs. Bill Nix, one of the current old timers still active in Rankin community life.

When you need your phone  
you can count on it

A freckle-faced miss invites a playmate over to play dolls . . . Dad  
tracks down a hard-to-find gadget for the workshop . . . Mom gets  
a recipe from a friend.

Whatever the need, people take it for granted their phone will work.  
What else that you use so often is so dependable?

Our goal is telephone service that continues to grow in dependability,  
convenience and personal value, year after year.

# HINTS for the HOMEMAKER

By Mrs. Louie S. Jeffers, County Home Demo. Agent

Upton County make it yourself with wool contestants will be in District 4 instead of 3 as stated last week.

The County contest will be on November 23, after school, in the Homemaking Department of the Rankin High School.

Girls and women selected from the County group will enter District Contest December 4 in San Angelo.

Barbara Hutchens, Cieta Cranfel, Pat Barrett, Roxie Trowbridge, Patsy Simpson, June Sullivan and Mrs. E. M. Sullivan have indicated definite plans to enter the contest.

Girls 10-13 may make a wool skirt or jumper.

Girls 14-17 may make a dress, suit or coat or all three.

Girls 18-21 and Adults may make the same garments as girls 14-17.

The fabric must be 100 percent wool and loomed in America. Labels or sales slips should be available to show the mill and the fiber content.

Three girls may go to District from each of the above age groups. One adult may enter the Texas contest.

It isn't too late to enter. Call or write me for rules and application blanks.

## Field Day Scheduled Friday at Barnhart

BY W. M. (DUB) DAY  
County Agent, Upton County

Discussions on animal husbandry, perennial broomweed, fence post studies and management of rangelands will highlight the American Society of Range Management Field Day to be held at the Texas Range Experiment Sta-

tion, Barnhart, on October 16.

This is the third and last field day for the Texas Section, ASRM, to observe research work at Experiment Stations.

"Research to Practice" is the theme of this year's field days.

Numerous specialists will discuss technical research work applying to the ranching operation. Among these are Don Huss, Range Experiment Station project leader and assistant professor at A&M; Jim Menzies, assistant animal husbandman with the Agricultural Experiment Station; B. J. Ragsdale, associate Extension range specialist; Dr. E. J. Dyksterhuis, with the Experiment Station and professor at A&M; and P. R. Kramer, head of the Forest Products Department Texas Forest Service.

A tour of grazing study pasture will be conducted to show how combining livestock with a deferred rotation grazing system will improve range conditions and increase livestock products.

A barbecue lunch will be served courtesy of Ozona National Bank.

CLOTH MARKING PENS: 29c GOLD, SILVER and WHITE with writing nibs included at the News Office.

## Year's most talked-about new cars

'65 Chevrolet Impala Sport Sedan

## '65 Chevrolet Impala

It's '65's biggest, most beautiful change. There's striking new styling. New length, width and lowness. A roomier new Body by Fisher housing an interior that's a knockout. And a more serene Jet-smooth ride with a new Full Coil suspension system. Fact is, if you overlook just one thing you can easily convince yourself you're onto a big expensive car here. And that thing is its Chevrolet price.

New Corvair Corsa Sport Coupe

## '65 Corvair Corsa

There's never been anything like it from either side of the Atlantic. There's new thin-line hardtop styling for all closed models. More length and width, more entrance and shoulder room in all models. And a higher powered range of engines—with up to 180 hp available in the top-of-the-line Corsas. How sporty can a car get? Your dealer's got the Corvair that'll show you.
