XXXVIII—NUMBER 41

RANKIN, UPTON COUNTY, TEXAS

THURSDAY, OCTOBER 22, 1964

Six-Weeks List Honor Students

Rankin Junior High School was one of the selected schools in the GED (General Development) program. Senior students in two forms—one a standard one that has been in use.

Testing is sponsored by the Rankin Junior High School Council on Education and is now in progress. Some phases of the testing are to determine high ability for students to complete their high school education.

Students were administered the test under the supervision of Mr. Bill Shafer, assistant principal, and Mrs. Diane Day, Debo-

rah Deel, Sue Jackson, Jimmie McBee and Bertha Salas.

Sue Kendrick at 90.800 was top student in the 7th grade and was joined on the roll by Janice Lacy.

Tommy Thompson at 92.00 was high for 8th Grade with Michael Johnson, Vonnie Schultz, Johnny Smith and Mike Sproul making honor grades.

Demo to Meet Oct. 29 In McCamey Session

Kirby Dawkins of McCamey Upton County Democratic Chairman, has announced that the County Democratic Rally will be in McCamey Park Building at 7:30 p.m., Thursday, October 29. Plans will be made at this time to get out the vote on election day, November 3.

Dawkins said that all interested Democrats are invited and urged to attend. Democratic Executive Board Member, C. W. Brown, will be the master of ceremonies. State Representative Gene Hendryx of Alpine will be the Key-note Speaker.

Sanderson Longtime Red Devil Foe --

Sanderson Test on Tap Friday for Red Devils

Rankin's Red Devils were hard at work this week preparing for their trip to Sanderson Friday night where they will make an effort to pluck some Eagle feathers. With only four games remaining, this has promise of being one of the group that the Red Devils could pull out of the fire.

Absentee Voting off To a Fast Start

Absentee voting at the clerk's office in the November 3 General Election reached twenty-two the first week. Voting opened in this phase of the balloting last Wednesday. It will close on Friday, October 30.

All voters wishing to cast an absentee ballot in person must do so at the clerk's office between the hours of 8:00 a.m. and 5:00 p.m. on weekdays.

Open last week-end following their loss at homecoming to the surging Iraan Braves, the Red Devils will be somewhat rested and have had two weeks of preparation for the skirmish.

Sanderson's Eagles—Rankin is now to face three teams in a row calling themselves "The Eagles"—runs a good bit of the so-called Denver City spread with their forward wall well spaced and the backs all close to the line. On occasions they will also use the old-style single wing. Scouting reports indicate that Sanderson may well have a much better ball club than their record indicates with what some believe is one of the best halfbacks in the district and an equally fine fullback. In their line they have a two-year-all-district tackle.

The Rankin-Sanderson tilt is one of the oldest continuous games on the Red Devil schedule, dating back to the first year Rankin moved up to the current eleven-man football program in about 1952. Rankin has a heavy edge in the series and, although all

records are not available, it is known that the Eagles have won only one time in the last eight years—that the wild-horse-Ned affair in 1960 when Sanderson put 52 points on the scoreboard and Rankin came right back with 34.

Other recent games: in 1959 it was the Red Devils 32-28; in 1961, Rankin 20, Sanderson 6; in 1962, Rankin 27, Sanderson 13; and last year, Rankin 27, Sanderson 8.

JR. HIGH GAMES—

Thursday, Rankin Junior High will play a pair of games in McCamey, a 7th Grade game and an 8th Grade game. The 7th graders will start the action at 5:00 p.m.

In their last encounter a couple of weeks ago, McCamey scored 6 points on a punt return the first time they got their hands on the football and that—for all practical purposes—was the ball game. The Junior Red Devils have a 1-1 record and have moved the ball well in both their games. They have a pretty strong running game and a better-than-average junior high passing game. On defense, they have given up only 12 points—both scores on first-of-the-game plays. They whacked Iraan last Thursday 12-6 in a game which was pretty much all in Rankin's favor.

Spooker Carnival Set for October 31

Saturday, October 31 has been designated as the date for the annual Hallowe'en Carnival, to be held at the bus barn.

Details will be forthcoming in next week's issue of The News.

☆ ☆ ☆

B & L Coin Shop Opens for Business

Announcement was made this week by Travis Bley, manager, of the opening for business of the B & L Coin shop at 912 Main St. The firm has in stock a wide assortment of coin supplies and items of numismatic value.

As an opening special, B & L Coins is offering a roll of 1959D BU Cents for \$1.50 with a limit of 1 roll per investor.

An indication of the spreading interest in coin collection is the fact that three firms in Rankin now offer coin supplies, the other two being Red Bluff Lumber Co. and The News Office. Along this line, the Castle Gap Coin Club held their regular meeting Tuesday.

(Continued to Back Page)

Foreman Tour to Hit Rankin Monday

Congressman Ed Foreman has announced plans for a whirlwind campaign tour of all 19 counties of the 16th Congressional District. The tour is to begin Sunday afternoon from Odessa and wind-up in El Paso Thursday night.

Accompanying the Congressman on the old-fashioned "singing and speaking" tour will be his wife, Barbara, several of their friends and supporters from various West Texas communities, and the Nashville, Tennessee String Quartet, "The Goldwaters."

This group will be in Rankin at 11:00 a.m. Monday, October 26.

"I am attempting to see and visit personally with as many folks as possible," Foreman said. "I am learning their views and soliciting their suggestions. The warm and enthusiastic reception we are receiving is encouraging and heartwarming, indeed."

Machine Donated To Hospital by Sororities

Equipment was made available to Rankin Hospital. On hand for the ceremonies were the Exemplar and Chapters of Beta and Mrs. Sug Boggs, the service chair-

man of Omicron Tau, Mrs. Mabel Wright, the past president of the Omicron Tau, Mrs. Pauline Gossett, and the administrator of the Rankin Hospital, Mr. Leon Feuge.

Presented to the hospital was a Doteo Halliburton Respirator, more commonly called a Positive Pressure Machine. This unit is an effective aid in treatment of asthma, bronchitis, cystic fibrosis, congestive heart failure or any respiratory failure. Cost of the unit was \$310. Its purchase is being financed by the sororities in several different fund raising projects.

Mr. Feuge said that the machine is a valuable addition to the equipment available to the hospital and has expressed thanks and appreciation on behalf of himself, the hospital staff and the community as a whole to the two organizations for their efforts in securing the respirator. He said that it has already been used and that there will without doubt be many times in the future when it will be of great benefit.

Sug Boggs, Exemplar president, Mrs. Mabel Wright, service chairman of Omicron Tau, Mrs. Pauline Gossett, past president of Omicron Tau, and Mr. Leon Feuge, hospital administrator, display the positive pressure machine presented to the Rankin Hospital by Rankin chapters of Beta Sigma Phi.

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

ABOUT HERE—

In a little while from now we will go to the polls and vote. Of principal interest will be the race for President. I have read three books. "A Texan Looks at Lyndon", "A Choice. Not an Echo," and "My Hopes for America", the latter by LBJ. Along with these books has been a few dozen reams of literature, columns of newspaper print—most of it slanted for this or that candidate—and a few hours before the idiot box. In other words, I'm thoroughly confused and disgusted and in a perfect frame of mind for voting.

Lyndon's book, "My Hopes for America", is full of a fine assortment of typical Johnson speeches and statements. It is something with which anyone could find at least partial agreement. After you have read it, you don't know a bit more than you did but you can't help getting the feeling that it's all Grade A. I said that I read "A Texan Looks at Lyndon"—I read parts of it—enough to know that it contained very little that had not been brought out before. I've heard and read of a lot of people who have knocked the book and its writer for his attacks on LBJ and others but as yet, I've not heard of any one named in the book filing law suit against Mr. Haley for

The Rankin (Tex.) News—
Thursday, October 22, 1964

libel. Roughly, when you sue a person for libel, you have to prove that what he said about you was untrue.

The third book, "A Choice. Not an Echo", makes a great deal more sense than either of the other two. Written by a woman—I can't recall her name—it goes a long way toward proving what I have been saying for a long time: the American people have not elected a president in many years. We have only gone thru the formality of approving a man, hand-picked by the powers that be in politics. The writer contends that Barry Goldwater was not so selected and judging from the places from which he is drawing opposition, I believe she is right.

Whether you want such a man for president is up to you. And it is very likely that this will be your last chance for a choice in the foreseeable future.

Of major importance on this ballot on November 3 will be 3 proposed amendments to the Texas Constitution. More than once we have all heard someone say: "Where the heck do we get this or that stupid law." Well, a lot of the time, we voters approve them at the polls. Texas is one

states that still per-
mits to approve some
—not all—but some.
heard of a tax law
to the voters on
basis. Our good law
not wish to let the
too much say a-

No. 1 on the bal-
removal from the
of the provision
transfer of not ex-
percent annually of
school fund to the
school funds. If voters
amendment, the body
school fund will
and the interest
the available school
present.

ers refuse the amend-
legislature may con-
authorize a one percent
of the total value

of the fund to the available
fund—in addition to the interest
earned.

Established in 1854 with 2 mil-
lion dollars, the school fund stood
at \$533,090.094 on September 10
of this year. During the 1963-64
school year, the interest and di-
vidends from this investment
amounted to \$18,495,569.59. In the
ten years, 1953-1962, the interest
from the fund provided \$101,901,-
687.75 for Texas Schools. Had the
fund not existed, this amount
would have had to be provided by
additional taxes.

In past year, the legislature
has "raided" the fund to get the
1 percent allowable to put into
current operations. A vote "For"
this amendment would put a
stop to this practice. It doesn't
take much of a student in math
to see that the more money the
fund has in it, the more it will
grow and to take it down a piece
at a time hurts in the long run.

It would seem wise to vote "For"
on this amendment.

Next week, we'll look at the
other two.

HINTS for the HOMEMAKER

By Mrs. Louie S. Jeffers, County Home Demo. Agent

HOW TO GET A WORKSHOP STARTED—

Women never know what they
miss until they see the results
of an Extension Service work-
shop. Mrs. O. V. Fell reported
that more than 7 women wanted
a workshop in refinishing Wood
Furniture.

How to get a workshop for your
project?

First—gather in your friends
who want to learn the same
things you do.

Second—contact your Extension
Agent about her time, the place,
the number interested and the
standards she expects you and
your friends to meet.

Third—make public the date for
the pre-planning meeting.

The pre-planning meeting is to
set definite dates, time and place

to work.

The Agent will explain the pro-
cedure the workshop will follow
and give each woman attending
a list of equipment, tools, fabric
or whatever is needed by each
individual.

Everyone who attends and de-
sires to work is enrolled.

The pre-planning workshop
meeting is held far enough in
advance of the workshop to give

the women time to find the ne-
cessary tools etc. needed.

Send a card to your agent if
you are interested in one or all
of the workshops listed here.

Give your name, address, both
mailing and home, and your tele-
phone number.

THE MAN

Ed Foreman is an extraordinary All-American man . . .
a family man . . . a gentleman. He knows the meaning
of hard work and the value of a dollar. He was born and
raised on a farm. Upon graduation from high school, he
worked his way through college and graduated with
honors as a Civil Engineer.

He is a leader, active in community service, and a
champion of individual liberty. As a result of his work
and dedication to the cause of freedom and private enter-
prise, he was named the Outstanding Young Man of
Odessa in 1960, and in 1962, he was named one of the
Five Outstanding Young Men in Texas. On January 25,
1964, Ed Foreman was honored by the United States
Junior Chamber of Commerce as one of the Ten Outstand-
ing Young Men in America.

REMEMBER WHEN?

NETLETON INDUSTRIAL MUSEUM

"Oh brother, is this contraption ever a monstrosity! Can you
imagine finding space to put one of these, or even actually using it?
This old 1901 Peck-Williamson water-heating stove and clothes
dryer can't hold a candle to the modern, automatic, flameless electric
clothes washers and dryers. Besides being completely automatic and
flameless, they save so much time and energy. The electric dryer
alone saves 3 hours weekly of the housewife's valuable time which
she can spend with her family and clothes come out so soft, fluffy,
and easy to iron, there's no telling how much time is saved just on
the ironing board.

Sixty-three years sure makes a lot of difference. Visit your elec-
tric appliance dealer or the nearest WTU office."

Senior Students at RHS Given GED Test

The Preliminary Scholastic Aptitude Test (PSAT) was administered Tuesday, October 20 to some twenty-three high school juniors by Mr. Bill Shafer, high school counselor.

These tests measure two kinds of scholastic ability—verbal and mathematical. Studies have shown these two abilities are essential to successful college work.

Test scores are a strong indicator in influencing college attendance and can also be helpful for a student in deciding upon what type of college he should attend. Overall, the test is very similar to the two major college entrance exams.

Scholarship sponsors also find the PSAT helpful in considering applicants for scholarship aid. It is further used by employers in considering the non-college graduate student for employment.

In Rankin schools, the test provide a comparison of the local student with those on a national level and still further, aid the local school in advising students on college work they should take.

PSAT Testing Held For RHS Juniors

Scott Fields, a sophomore in Rankin High School and the son of Mr. and Mrs. Floyd Fields of Rankin, led the first six week's Honor Roll at RHS with a 91.00 average, according to A. C. Copeland, principal.

Bill Sanders took the lead for the senior class with a 93.668 average and was joined on the list by Sandra Maxwell, Ricky Miller, James Scarborough, Roy V. Winters and David Zoller.

Only two Juniors made the first six weeks honor roll: Denevia Dobbs, high with an average of 94.200, and Kellam Colquitt.

Other Sophomores joining with Fields were Patsy Barrett, Billy Paul Brown, Linda James, Janis Owens, Toni Shaffer, Jan Wells, and Mike Wheeler.

Carol Crawford with a high average of 95.00 was tops for the Freshmen. She was joined by Marsha Funderburg, Gay Holcomb, Sandra Reeves, Joyce Scott, Rhonda Sproul, Micky Thorn and Penny Woods.

Agent Speaks At Omicron Tau Meet

Dub Day, county agent, spoke at the regular business meeting of the Omicron Tau Chapter of Beta Sigma Phi. The meeting was held in the home of Mrs. Joe D. Lee.

Day's topic was on the values of water for Upton County.

Coffee and cookies were served to 15 members. Next meeting is to be held, Monday, October 26 in the home of Mable Wright.

BACK IN BUSINESS—

The Red Devils go back to work this week as they make the trip to Sanderson for a game in

squad rolled along at a merry clip and tallied some 30 points to Iraan's 6. The B's had more ves the Eagles. A fine chance for the Devils to pluck themselves a war bonnet.

Last week with the main string having an open date, the Juniors and the "B" team took the field to clobber Iraan for a pair of games. The Juniors won their by something like 12-0 while the B the Eagles nest. In fact, this will be the first of three games in a row with teams calling themsel-

than that but got one called back, on a penalty.

It's true that the B squad had the Iraan lads somewhat out-gunned but nevertheless, their spirited efforts must have some of the A team looking over their shoulders for boys who show the "want to" that the B squad displayed certainly are in contention for a playing spot on the varsity.

With the Red Devils having 4 more games left, they are at the point where they are going to have to make up their minds as to whether they want to win a few of these or keep heading for the cellar. Of the four games, they definitely have the team to win two, should, perhaps win three, and may well be in a position to play the spoilers in their final game of the season.

For Friday night:

RANKIN 18, Sanderson 12. Of the 10 misses 4th and 10 has had this year, four of them have been on the Red Devils. That may indicate that I'm a little shortsighted where the local team is concerned—and yet, with but one exception, they very well could have won. If they don't win this one, it's likely to get pretty dim.

SONORA 28, Junction 6. Sonora is out of it as far as district They should have scored at least once on Eldorado and perhaps twice. They still must face Ozona and Big Lake.

OZONA 13, Big Lake 12. This is it—the battle for the district championship. Frankly, there's no sure way of saying which team will win but you have to go with

Ozona because of their defense. It could be a one-sided affair either way but that doesn't figure, either.

EDEN 20, Menard 0. I don't have any idea what Eden has but everyone else has whacked Menard and there's no reason to believe this game will be any different.

ELDORADO 22, Iraan 14. Another hard one to figure. Iraan has a team with a winning spirit and they may well take it. Eldorado has the hosses to beat them.

Last Week's Results:

Big Lake 38, Junction 0
Eldorado 6, Sonora 3
Ozona 53, Menard 0
Iraan 26, Sanderson 8
Arkansas 14, Texas 13
4th and 10: 25 right, 10 wrong.

How to liven up potato salad

Just mix it with Kraft Sandwich Spread! Special perky relishes in a creamy, zesty dressing. Great on read lettuce, too. And it comes in a sandy new wide-mouth jar!

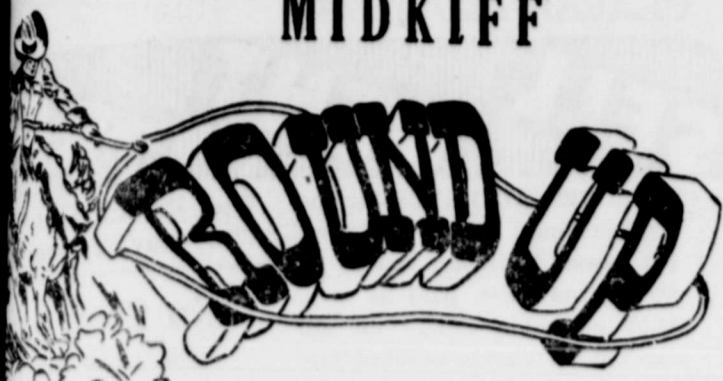

KRAFT Sandwich Spread

OUTSPOKEN ENEMIES OF BARRY GOLDWATER

1. All Communists are against Goldwater
- 2 The Communist and Socialist press in America and throughout the World are against Goldwater
3. Walter Reuther and virtually every other labor Union leader is against Goldwater
- 4 Practically every misled Negro is against Goldwater
- 5 Most of the press in large cities are against Goldwater
- 6 Most of the foreign enemies who are receiving AID from us are against Goldwater
- 7 Life, Time, Look, Saturday Evening Post, News Week and the Communist Worker are against Goldwater
- 8 Adlai Stevenson, Alger Hiss, Walt Rostov, Chester Bowles and Averill Herriman are against Goldwater
- 9 Gus Hall--head of the Communist Party in the U. S. is against Goldwater
- 10 Sammy Davis, Jr. and Bobby Kennedy are against Goldwater
- 11 Soapy Williams, the NAACP and the Council on Foreign Relations are against Goldwater
- 12 CORE and the American Civil Liberties Union are against Goldwater
- 13 ADA, of which Hubert Humphrey is one of the organizers and supporters, is against Goldwater
- 14 Some of those with inhibitions, or for fear of reprisals, are not giving their support to Goldwater
- 15 With enemies of this type, he could use some good CONSERVATIVE FRIENDS.

MIDKIFF

BY EVA CLARK

OK, so I was late getting in again, but I've been sick. So there! I know the truth 'cause I've been often enough lately. I do hope no proud parent into shock this past report cards. As for I didn't; but I do believe the rest of the family the sad situation. Just out I asked "What in the happened to you this first Joe?" and was answered with an "I dunno, Ma." I that was self explanatory. an answer like that I was to continue the conversa-

though the rest of this was written last week. I ing our editor to go ahead it this week as I'm of being No. 1 on Midkiff's ed list. I believe that out here is convinced really did send in my ar- week; but I've been told of my dearest and friends (?) that they prefer to see in writing. ship, friendship, that's the friendship!

about that homecoming? Everyone we saw was good mood and seemed to be a marvelous time. Just as old folks didn't always to leave so early; but it take as much entertain- for me as in pre-years.

enjoyed the Boosters deli- spaghetti dinner with the and went on to the game we saw so many friends.

I wish we had a turn-out like that at every game. (Ed. Mrs. Clark—that dinner was sponsored by the Seniors. Suggest you take cover immediately.)

The Midkiff Baptist church is having a revival October 18-25. Evangelist James Hall from Fort Stockton will conduct the services and Bill Ward, educational director of Bellvue Baptist church in Midland will be the featured singer. Services will be at 9:30 a.m. and 7:30 p.m. We would love to have some of our Rankin neighbors visit us during this week.

Oops, sorry girls of the Red Shirt card club. I did forget to mention your last meeting; but I will try to make sure it never happens again. The meeting was at the home of Cam Burson. A red blouse was presented to Joanne McCutchen as a birthday gift. Those attending were: Virginia Sparks, Mary Bobb, Freda Howard, Mary Draper, Eva Clark, a guest, Nelda Downing and the hostess.

Sprayberry Lodge No. 1365 A.F. A.M. sponsored a barbecue October 10 for members and families. E. S. McWilliams doing the cooking and some cooking! It would be pretty hard to find a better outdoor chef.

Sorry to hear Bill Zoller is in the hospital at Odessa. Hope it's nothing serious.

Midkiff Lions Club held their regular bi-monthly meeting.

Woody Goin, program chairman, had no trouble entertaining the members at this meeting. He just brought the TV set along and they watched the World Series game of the day.

From Pembroke: The John

The Rankin (Tex.) News—
Thursday, October 22, 1964

Ponders have returned from McLean where they spent a week visiting friends.

Mr. and Mrs. H. J. Hahn of El Paso were guests of the Skinners recently.

The Turner family has enjoyed the long awaited visit of Leta's brother, Mr. Naning Gernomino of Manilla, Philippines. This is the first meeting of the families in four years. Mr. Geronomo arrived in time to attend the homecoming game—the first football game he had ever witnessed.

Back to Midkiff: That fishing trip to Devils Lake might have been a successful one for all I know, but I didn't get any of the fish or for that matter—did not see them. Anyway the story is that a lot of fish were caught by these great fishermen: Dean Stephenson, Wane Wilson and Eddie Harding.

The Sohio camp was the scene recently of a little get together for card playing. Those playing were The Dwinelles, Fred Moores, Cecil Fowlers, Mrs. Verne Brummett, and Bill Mann filled in for Verne Brummett who was unable to attend because of the illness of their dog, "Butch". Verne had to take him to the Vet and it seems that he has a heart condition. (Butch, not Verne) Butch is truly a member of the family, having been with the Brummetts almost as long as Robert.

I want to take just a minute to congratulate the "B" team boys. I'm thinking that we just might have a pretty good ball club come next year.

See you next week.

LETTERS To The Editor

Dear Editor,

I want to thank the people of Rankin for their help in the purchase of the Dotco Halliburton Machine the two chapters of Beta Sigma Phi presented to the Rankin Hospital. Their aid on our ways and means projects helped to make this possible.

As president of Xi Epsilon Chi chapter, I especially want to thank Betty Ann Holder and Christine Day—last year's ways and means committee—also the present committee of Rosemary Mathews, Faye Copeland and Punk McFadden.

Mr. Leon Feuge has reported to us that the machine has been used a number of times. The machine is called a Postive Pres-

sure Machine and is effective in diseases such as asthma, bronchitis, cyptic fibrosis, congestive heart failure or any respiratory failure.

The Beta Sigma Phi chapters are very happy to be able to present this machine to our hospital.

Thank you,
Sug Boggs

ED.: It would be nice if the machine was never used. We know, however, that it will be and it's a comforting fact to know that if we ourselves should be the one in need of it—the machine is there. Hats off to the gals for a very worthwhile deed.

Barry Goldwater, Ed Foreman and Bill Miller

THE CANDIDATE

Ed Foreman is a man of the people . . . a proven and experienced Congressman who offers the people an effective, responsible record . . . not a promise . . . clear-cut choice . . . not an echo.

His position has been clearly and plainly spelled out . . . on the Record. He is an honest man of principle and conviction who has worked and spoken out for individual freedom and our basic American philosophy of free enterprise . . . and at the same time, he has worked diligently to see that our District and State had our justifiable contracts and federal expenditures.

Re-Elect CONGRESSMAN
ED FOREMAN

CONFIDENCE TAKES TIME

Experience and confidence go hand and hand—and are of a nature that one cannot go out and buy them in the market place.

We have had the years of experience that gives us confidence we need to do a thorough cleaning job on any type garment.

New fabrics are an ever present thing now. With our experience, you can have confidence that we will know how to handle the job.
