Serving the Interests of Rankin and Upton County

XX—NUMBER 34

RANKIN, UPTON COUNTY, TEXAS

THURSDAY, SEPTEMBER 1, 1966

You're New in RISD

BRIAN EDMISTON
High Science

Brian Edmiston, 23-year-old graduate of El Paso High School, will be the new teacher in Rankin High School this year. He replaced Anderson who has been at the school for a full-blood West Texas. Edmiston was born in San Antonio and holds a Bachelor of Science degree from Sam Houston State College. He also holds membership in the Baptist Church, TSC Rodeo Club—vice-president, SHSC FFA, Rodeo for 2 years—and the Teachers' Association. Edmiston participated in football, baseball and lists the back page.

BILL BEASLEY
Social Studies—Coach

Bill Beasley, a native of Strawn, Texas who graduated from Weatherford Public Schools, will attend to the B-team coaching duties for the Rankin Red Devils and teach social studies at Rankin High School. He is 32-years-old.

He and his family consisting of his wife, LaBue and sons, Scott and Donnie, come to Rankin from Palacios where he has taught and coached for the past eight years. He is a graduate of Sam Houston State with a B.S. degree and also attended Weatherford Junior College, Southwest Texas and ACC. He is a member of the Church of Christ.

Beasley has participated in football, basketball, track, baseball and golf and lists his favorite sports and hobbies as football and golf.

In giving his first impressions (Continued to Back Page)

Enrollment Expected to Show Gains --

Classes Open Thursday for 1966-67 School Term

"We're in our usual pre-school opening jitters," said one principal Monday in describing the situation at Rankin Schools prior to the first day of classroom work Thursday, Sept. 1. All teaching positions—with the exception of that of Mr. Dobbs—were filled and nine new faces will appear in the faculty line-up on opening day.

In projecting enrollment figures it would appear that some 570 not-so-eager students will be on

hand for opening day. Of this total, about 150 is expected in high school, 190 in junior high and 230 in elementary. Last minute movements by parents at the beginning of school always makes it impossible to determine exact numbers until students report to classes.

Two new teachers were employed in elementary this year. They are Miss Charlott Albright in the 3rd grade, and Mrs. Tessie Lacy in the 4th grade. Miss Albright holds a B.S. degree from Texas Tech and will be in her first year of teaching while Mrs. Lacy, a previous teacher in the Rankin system, has a B.S. degree from McMurry College.

In the seventh and eighth grade science position in Junior high will be Brian Edmiston, a graduate of Sam Houston State College with a B.S. Junior high coach and high school math will

be handled by William Lewis, a Sul Ross graduate with a Master of Education degree. His previous experience includes 11 years in Ozona schools. Junior High Social Studies will be under Mrs. Dorothy Sawyer who has taught in Midland the past two years and has a B.S. from Lamar State College, Beaumont.

In high school, Bill Beasley, a B.S. degree holder from Sam Houston State College and for the past 8 years with the Palacios schools, will be B-team coach and social studies teacher. Mrs. Dianne Nowlin, a B.D. degree graduate of Howard Payne will teach English. Math is to be taught by Ronald Nowlin who has one year experience with the Goldthwaite system and also has a B.S. from Howard Payne. Mrs. Natha Mitchell will round out the staff as home economics instructor. She previously taught at McGregor and is a graduate of Mary Hardin-Baylor with a B.S. degree.

Supt. Bill J. Hood was in contact with teacher placement agencies over the state early this week in an effort to find a replacement for Dobbs.

Rankin Booster Club Will Meet Tuesday

Rankin Booster Club has announced that they will have their first meeting of the current season at 7:30 p.m., Tuesday, September 6 at the school cafeteria. All fans interested in lending support to the various school activities are extended an invitation to attend. Plans for the new season will be made at this time.

Rankin Booster Club not only lends their support to Red Devil football activities but back and encourage both boys and girls athletic endeavors throughout the school year. They also are boosters of the Rankin band.

Scholarship Fund to Honor V. Dobbs

A scholarship memorial fund honoring the memory of Virgil Dobbs was started in Rankin this week. An account was opened at First State Bank and gifts in the form of deposits may be made to it at any time.

Present plans call for the fund to be held open for four years and then donated to a graduate of Rankin High School to assist him or her in further education. A board will be formed to administer the fund and to set up requirements for qualifications. Details will be announced as they are worked out.

Donations to the fund may be made in any amounts.

Holiday Closings Set Labor Day, Sept. 5

Local business houses and offices will generally take Labor Day, Monday, September 5 as a holiday. Most will be closed from Saturday afternoon until Tuesday morning. Rankin Schools will dismiss on Friday and resume classes, Tuesday, Sept. 6.

Boggs Grocery has announced that they will close Friday, Sept. 2 and re-open on Tuesday. The grocery firm is offering their week-end specials for Wednesday, Thursday and Friday.

Prices Up 5c at the School Cafeteria

Patrons of Rankin School cafeteria are reminded of the 5c per lunch increase in cafeteria meals, approved this year by the Rankin Board of Trustees.

Student lunches are up from 35c to 40c and adult lunches are increased from 45c to 50c.

This increase, the first since the cafeteria was put into operation in 1953, was decided upon by the board as the only suitable means of keeping the operation in the black. Otherwise, tax money would have had to be used to make up the deficit that would have developed during the 1966-67 operations.

N. Stacy Hired for RISD Custodian Job

Meeting in a special session, Rankin Independent School District's Board of Trustees approved the employment of Noah Stacy of Rankin to fill the vacancy on the custodian staff. He (Continued To Page Five)

Sputters--Defense Strong--

Red Devils Down Wink Tuesday Scrimmage

As nearly as sharp as a week ago against Stanton, Rankin Red Devils, in a scrimmage last Tuesday against the visiting Wildcat running and defense and went on to win from their own 40-yard line. Wink did not score against the Red Devils from that goal line defense which team marked up the drible stripe roughly into an "A" squad. Rankin scored each combination.

Wink, rated in the top ten in the state in class A, looked strong on defense but could never get their offense past the charging Red Devils. Rankin's pass defense was much improved over their efforts in that department against Stanton with the hard rush on the passer accounting for much of this.

On their offensive thrusts, the local squad had considerable trouble with their timing and except for the "B" team, their passing was not up to their usual standard. However, with an almost full house of spectators on the home side of the stands, the Red Devils managed a fete that

had seldom been seen on the football gridiron—a Rankin team defeating a Wink aggregation.

On Friday, September 9, Rankin opens their regular season in Marfa against a Shorthorn team that is reported to be big, fast and tough. Marfa did not show too well in the standings last season but played several of their games without the services of four of their main stringers who will be back in action for the opener for both clubs. First home game for Rankin will be on September 16 when they meet a McCamey Badger team that many feel has been overlooked in early season selections.

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

MY SON, THE DEDUCTION—

The following, by Paul Harvey, was submitted by one of our readers and puts the monkey in the saddle if I ever read anything that does. It is called: "How Much Does It Cost?"

Hey, Uncle, how much does it cost to rear a child?

You allow us taxpaying parents only \$600 a year to feed, clothe, house and train a youngster.

Yet, to feed, clothe, house and train a youngster in your federal government Job Corps you spend \$7,000 a year!

Now, which is the correct figure? Either we're allowing you too much or you're not allowing us enough.

You allow taxpaying parents a \$600 deduction for the care and feeding of each child . . .

Yet under the Cuban refugee program you assume minimum upkeep requires \$1,200 a year — and if the Cuban boy or girl is attending school—an extra \$1000 a year.

The Rankin (Tex.) News— Thursday, Sept. 1, 1966

How come you shortchange the homefolks?

In the austere environs of a federal prison, you have discovered that it costs—to maintain one person, with no frills, no luxuries, and no borrowing dad's car—\$2,300 per year.

By what rule-of-thumb do you estimate that mom and dad can do it for one-fourth of that amount?

Under Social Security, you will pay \$168 a month to maintain the elderly. What makes you think we can maintain our young 'uns on \$50 a month?

And Uncle, your VISTA Program (Volunteers in Service to America) spent \$3,100,000 this fiscal year to turn out only 202 trainees. That indicates that the cost of maintaining and training one youth for one year is more than \$15,000.

Then how come we taxpaying parents get an exemption of only

you are uncommonly extravagant. But however we try to rationalize and explain you, it is still a hurtful affront when you allow us hard-working dues-paying homefolks only \$600 a year to rear a legitimate child . . .

While you, under ADV, will pay more than \$800 a year to upkeep an illegitimate one.

LIKE IN HATCH—

Recent polls are said to show that Booby (like in Hatch) Kennedy is preferred as president by more people than is Lyndon B. Johnson. (That's a choice?)

Let's assume that these polls are correct and I have no doubt that such is the case. Now why in the world would anyone want to see Booby (like in Hatch) Kennedy president of anything, much less the USA—and again I say comparing him to LBJ is about the same as saying: which will you have, the itch or poison ivy?

Well, I think there's a reason of sorts. Look back down the pages of history and see the support and loyalty extended by the

Virgil Dobbs Buried in Rankin Saturday

Funeral services were held at 2:00 p.m., Saturday, August 27 at the high school auditorium for Virgil W. Dobbs, the highly respected and long-time science teacher of Rankin High School.

Dobbs, 44 at the time of his death, died suddenly Thursday, August 25 in Rankin Hospital where he had been taken after

becoming ill. He had previously had two heart attacks.

Jim Hance, former minister to the Northside Church of Christ in Rankin, presided and was assisted by Bill Burchett, present minister of the church. Pallbearers were Bill J. Hood, Cecil Copeland, Cecil Faulkner, Bill Brown, Hiram Bain and M. L. Gregg. Burial was in Rankin Cemetery under the direction of Crites Funeral Home of McCamey. The 600-seat auditorium was filled to near capacity by those attending the services.

Dobbs and his family came to Rankin in 1955. Mrs. Dobbs has taught the commercial department since that time and they have had one daughter graduate from the school and another who is in high school. Throughout the community served by the school, Dobbs was well known and had a reputation of being a credit to the teaching profession in the highest degree. He not only took added interest in his students in high school but continued to encourage them in their studies in higher education.

A general comment heard about town this week was to the effect that Rankin Schools could hire someone to take his place but

that they would never actually be able to replace him and the effort he gave to all phases of the school program.

Mr. Dobbs was born July 24, 1922 in Allen, Okla. He was married to Christa Lee Blue June 1, 1947 there.

He was a Navy veteran of WW II and a member of the Northside Church of Christ where he was a faithful servant in the church program.

Survivors include his wife; the two daughters, Denevia, a student in Abilene Christian College, and Gaylene of Rankin; five sisters, Mrs. John Batsch of Bakersfield, Calif., Mrs. Myron Searle of South Hampton, Mass., Mrs. Robert Good of Hobbs, N. M., Mrs. W. H. Gregory of Tulsa, and Miss Hattie Dobbs of Oklahoma City; and two brothers, Loyd Dobbs of Amarillo and Bencil Dobb of Lovington, N. M.

CARD OF THANKS

WE WOULD LIKE to express our appreciation for the many acts of kindness shown by our friends at the loss of our loved one. Words cannot express the comfort that was given to us in time of sorrow.

peoples of nations to kings and their descendents. Look at England today and hear the praise for their royal family. And how long have the English maintained this support of the king or queen as the case might be? A mighty long time.

So what about Booby (like in Hatch)? He is the pretender to the throne of Kennedy in the USA. We now have a large segment of people who worship anything even closely attached to the Kennedy name. It matters not that the heir apparent has but one claim to fame—that he looks something like that drummer on the Beatle band. It is enough that he is next in line in the Kennedy heirarchy. He can do no wrong for some day he will sit upon the throne . . . or so his faithful hope.

And you know something? At this point and date, I think they are right.

Prepare ye the way. The king cometh. Even if Prince Charming he's not.

SEWING ON LACE—

You may need to make some adjustments on your sewing machine before you start to sew on lace.

Check the pressure of the pressure foot and loosen the tension slightly. A medium to long stitch with a fine needle, probably a number 11, should work for most laces. Be sure to use mercerized thread, either silk or nylon, depending on the fabric.

If you are lining the lace garment, tailor baste the lining and the lace together, being sure to baste down the center line of the darts. If the seams tend to pucker as you sew, stitch over tissue paper. For laces with opaque linings, press the seams open and finish them by pinking, stitching or overcasting the edges. For unlined laces, trim the seam allowance to the desired width; then use either a plain or a zig-zag stitch. Use the hand sewn method for applying zippers in a lace garment.

You may use hem tape on lined lace garments, attaching the hem to the lining only. Or you may want to use horsehair braid on some lace garments. Mark the hem and turn it up one-quarter inch. Catch stitch the braid to the hem edge. Turn the hem and hem the braid to the dress. Use a narrow braid on slim skirts. With fuller skirts, a wide braid can be used to make them stand out crisply.

When you press lace, use a press cloth to keep from catching the iron in the lace. Press

the lace with the right side over a turkish towel to prevent flattening the lace.

Hunting Season is Time of Danger to Sport Enthusiasts

BY BILL RICE

State Game Warden—Big Lake

Last hunting season was a costly one.

The record shows 37 hunting accidents for the State, and 10 of them were fatal. Eighteen of the 37 victims of shooting accidents were under 21 years of age which would seem to say that our young hunters were just as safe or dangerous as our adult hunters.

Seven of the ten fatalities were self-inflicted. Of the fifteen accidents not caused by the victim, three were fatal.

There were no hunting accidents reported for the months of June, July and August, which are the off-season months. However, with the opening of big game season in November, nineteen accidents—four fatal—occurred in months of November and December. Rifles were involved in 10 of the 19 accidents, shotguns in eight, and handguns in one.

With hunting season here again, let's take a little time and think about safety. Know your gun, and be sure of where you shoot and what you shoot at. Above all, the best rule is "watch that muzzle."

RANKIN STUDY CLUB HAS UNUSUAL DESIGN FOR YEARBOOK COVER PAGE

In keeping with their course of study for the year, Rankin Study Club's yearbook will feature the above drawing on the front cover. Designed and drawn by Mrs. J. R. Haralson, the cover theme dates back to the earliest study of important women in early-day America. Studies will also be made on women of modern times and on women of world-wide fame and accomplishments.

Standing committees for the year will include the following: Program: Mrs. W. R. McSpadden, Mrs. J. R. Haralson and Mrs. R. L. Craig

Membership: Mrs. Clint Shaw, Mrs. Bruce McGill and Mrs. C. G. Taylor

Hospitality: Mrs. Haralson, Mrs. Hamp Carter and Miss Myrna Holman

Budget: Mrs. F. W. Welling, Mrs. Elizabeth Rains and Mrs. Herbert Hurn

Finance: Mrs. Welling, Mrs. J. L. Manry, Jr. and Mrs. S. B. Ramsey

Library: Mrs. Shirley Little and Mrs. M. J. Edwards

Music: Mrs. Sam Holmes, Mrs. E. C. Higday and Mrs. Shaw

Courtesy: Mrs. Joyce Clark and Mrs. C. A. Shaffer

Telephone: Miss Maggie Taylor and Mrs. Zack Monroe

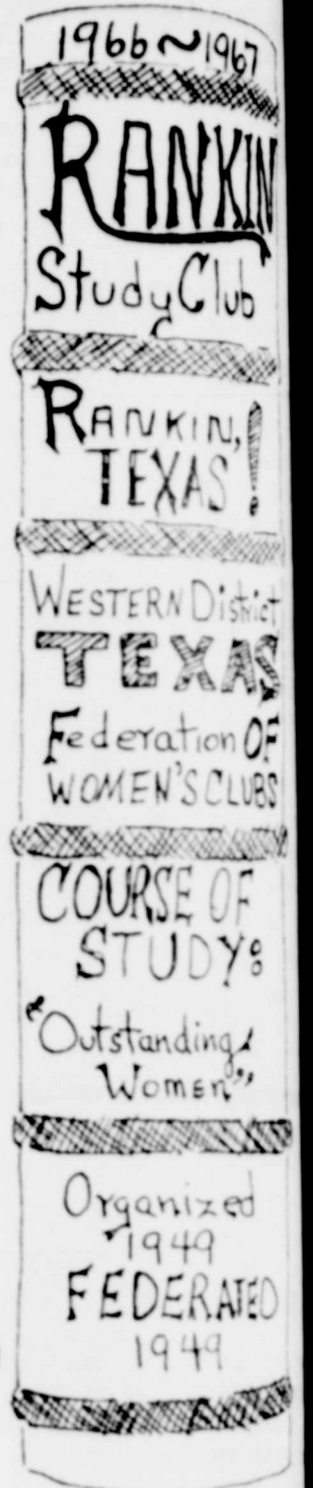

Scholarship: Mrs. Manry and Mrs. Little

Audit: Mrs. R. L. Bell, Mrs. Jack Smith and Mrs. Ralph Daugherty.

Departmental chairmen will include:

Conservation, Mrs. Bruce McGill; Public Affairs, Mrs. Sam Holmes; Education, Mrs. M. J. Edwards; Home Life, Mrs. Elizabeth Rains; International Affairs, Mrs. Jack Smith; Fine Arts, Mrs. Clint Shaw; Texas Heritage, Mrs. E. C. Higday.

Mrs. W. O. Adams is president of the Study Club. Hers will be the eighteenth such term since the organization in 1950 and, this being her second term in the office, she becomes the first to serve two years in a row. Mrs. Jack Smith, president in 1951-52 and in 1964-65, has also held office more than once.

was to begin work immediately. Stacy has lived in the district for the past fifteen years. He was an employee of Marathon Oil Company for 14½ years and until his employment by RISD, worked for Eddins-Walcher Oil & Butane Co. in Rankin.

The Stacys have had three children graduate from Rankin Schools and still have two attending.

HOSPITAL NOTES

Mr. Pruitt Guest of Crane, admitted August 23.

Mrs. E. M. Stanley of Rankin, admitted August 29.

Mr. Jessie Curry of McCamey, admitted August 31.

Mr. John Kidd of Rankin, admitted August 27 and dismissed August 30.

Mrs. Douglas Woodfin of Rankin, admitted August 30 and dismissed August 30.

Attend Graduation

Mr. and Mrs. Tommy Workman and their daughter, Marilyn, and Mrs. Tom Workman and her daughter, Mary Ann, attended the graduations exercises of Darlene McAden at North Texas State University of August 24. Mrs. McAden, the daughter of Mr. and Mrs. Tommy Workman, received a Bachelor of Science Degree in Education.

A graduate of Rankin Schools, she will teach English in Lewisville high school near Dallas this year.

Wheeler's Mother Dies in Ariz.

Mrs. H. Wheeler were of Rankin Wednesday funeral services for her Edna Cone, who died Phoenix, Arizona.

81-year-old, was a Rankin last week and in good health until passing.

Services were held at Sunday, August 27 at Methodist Church in Gildersleepe. Mrs. D. L. Wheeler, mother of Ross and of Rankin. Burial was in Gold Cemetery in Gold-

4th AND 10

ON YOUR OWN TWO

Being a Column Dedicated to the Proposition that only a Nut would try to predict Football Scores in Advance.

And a Happy New Year to you, too. A little late with that greeting, perhaps, but this will mark the first time 4th & 10 has been in print in 1966 so it's new to this column.

To the two or three new readers who may stray over in reading herein, it might be pointed out that 4th & 10 has to do primarily with football and the Rankin Red Devils. From time to time, predictions on the outcome of games will be made and—inmost cases—such predictions will turn out pretty near like all such undertakings that are made over the country. You guess some. Some you don't.

On some, you look like a darn fool.

Since the action that counts has not yet begun, the question before the house at this time is: "What do the Red Devils have this year?"

I guess the answer to that depends a lot on how you like your football. If you insist that they must win them all in order to

Fly Your Flag Monday Labor Day, September 5, 1966

have a successful season, then I am afraid you are going to be a wee mite upset.

If, on the other hand, you can be satisfied with a bunch of boys who enjoy their football and like to play the game, then here's your team. They have the potential to beat anyone on their schedule to date. Whether or not they do this will depend on a lot of different things—some of which will be out of the control of the team or the coaches. To win 'em all,—or sometimes to win at all—you have to have a little luck going on your side. Bad breaks have defeated about as many teams as have opponents.

And, in the game of football, probably more than any other sport, having the ability to defeat another team or believing that you can defeat another team, is not nearly as important as wanting to defeat another team.

Very often, a so-so ball club that really wants a win will go out and dump a highly favored and much better opponent.

And right at this point it would be hard to say how bad the Red Devils as a team want to win. Sure, they, like all of us would like to be winners; but there again there is a difference between finding something like win-

ning being a pleasant thought and the willingness to expend the effort—in practice and in the game—that can bring about that desired result.

Right at this point, 4th & 10 sees Rankin second in district behind Sonora. On or after September 23, this forecast will be subject to review and a change—up or down.

True, the Red Devils have soundly trounced two area teams, Stanton and Wink, that are highly rated and in the past, any time you beat Wink you beat a good team. But I don't think anybody will deny that a scrimmage game is a lot different than a regulation game. For one thing, the other side gets to keep the ball when they recover a fumble. But all things considered, the 1966 Red Devil team ought to be the best in many a day.

CARD OF THANKS

WE ARE MOST thankful for all the acts of kindness extended to us during the passing of our loved one. Your cards, flowers and other expressions of concern will always be remembered.

LEGGETT'S FABRICS

Leggett's Fabrics is located at 115 W. 5th in Odessa, phone FE 7-1701. Here they offer the convenience of everything under one roof for the seamstress, whether professional or home seamstress. Home sewing becomes more popular each year. The smart American woman saves up to 2/3rds on her clothing bill by making her own and her family's clothing. Another factor to consider in making your own clothes is the individuality you enjoy. No one else will have a garment just like yours.

Piece goods is not just a side

line or a department at Leggett's Fabrics, it is their major business. They know the fabric business from A to Z. They merchandise with you in mind, bringing to this area all that is new in fabrics by the yard, as well as all those trimmings, accessories and notions to complete your garment to give it that truly professional look. They now have new fall merchandise for your inspection. They also feature the Vogue, Simplicity, McCall and Butterick Patterns. Stop in on your next trip to Odessa, you are always welcome.

CARPET CENTER

For a complete and wide selection of carpets and rugs, stop in at the Carpet Center at 2505 E. County Road in Odessa. They handle a complete selection of carpets and rugs from nationally known manufacturers. If you need new floor covering for your home or place of business, call EM 6-2876 in Odessa for a free estimate or have one of their representatives bring samples to your home or place of business. There is no obligation and they have budget terms available.

Carpet Center offers Carpet Cleaning and expert installation by master craftsmen to insure

you the best possible service available. They are also expert color consultants. A home or a place of business may look and have new furniture and other furnishings but if the carpeting is neglected the entire effect is ruined. So why not stop by Carpet Center and see their vast display of carpets and rugs, or call EM 6-2876. Nights, Sundays and holidays, call Dora Boxley at FE 7-8822, Wilma McComas at FE 7-8258 or Peggy McComas at EM 6-0585. Your inquiries and business is invited and appreciated.
