With the reduction, most station-to-station calls over 56 miles in distance in Texas will have lower rates, varying from 5 to 15 cents less for three minutes depending on distance. Reductions are even greater for calls over three minutes.

For example, here is how the reductions will lower rates for station-to-station calls made during the "day" period:

For a three-minute call—Dallas to Houston, present rate 95c; new rate 90-cents. San Antonio to Amarillo, present rate \$1.30; new rate \$1.20.

For five-minute calls—Dallas-Houston, present rate \$1.59; new rate \$1.50. San Antonio to Amarillo, present rate \$2.16; new rate \$2.

Along with these reductions, all intrastate station-to-station calls which are made after 8 p.m. and all-day Sunday will get the lowest night rate. At present only station-to-station calls which are prepaid (charged to the number placing the call) and credit card calls are charged at this low rate.

This is the 10th reduction in Long Distance rates for Texas te'ephone users since the end of World War II.

Basketballers Win Win Four; Lose Two

While the Rankin Red Devil
A team was having trouble getting their game under way in the
new season, having lost their
first three starts, the B team was
enjoying a hot start and have
won all three of their outings.
All members of the B team are
sophomores.

While the Boys squads were splitting their games with Big Lake and Wink, the RHS Girls won a pair on Tuesday night as they played host to Grandfalls.

Schedule for the week in addition to the Boys' Tournament, calls for the girls A and B teams to be in McCamey on Thursday. December 1 while the Junior High Girls are to host Iraan on that same date.

On Monday, December 5, the schedule again calls for the Jr. High Girls to host Iraan while on Tuesday, Dec. 6, the A and B Boys of RHS entertain the McCamey Badgers and the High School Girls teams go to Balmorhea for a pair of games.

Eight-Team Field Opens Play at 2:30 p.m.--

Eleventh Annual Tournament Opens Friday for Two-Day Run

Starting at 2:30 p.m. Friday, twelve games will be played in the annual Rankin Boys' Invitational Basketball Tournament. Competing for top honors will be Wink, Big Lake, Iraan, Crane, Balmorhea, Monahans "B", McCamey and Rankin.

Starting off the action will be the Wink-Big Lake match, followed at 4:00 p.m. by Iraan vs. Crane.

In the night session, Balmorhea meets Monahans "B" at 7 p.m., followed by the Rankin-McCamey tilt at 8:30.

Action will open Saturday at 9:10 a.m. and continue through out the day with games starting at 10:30 a.m., 12:45 p.m., 2:05 p.

LOW-RENT LOAN APPROVED BY HUD

Rankin Housing Authority was notified this week from Washington that the first sum of money for the low-rent housing had been approved. This was in the form of a \$2000 preliminary loan to be used in getting the work underway in Rankin. This loan will be repaid from funds that wik later be allocated to the Rankin project.

First to notify the local Housing Authority that money had been put into the project was the office of Senator Ralph Yarbor ough when his administrative assistant telephoned the news on Monday. Next was the receipt of a telegram, also on Monday, from the office of Congressman Richard White.

White's telegram stated:

"Please to advise approval of \$2000 preliminary loan for 10 low rent public housing units in Rankin. Department of Housing and Urban Development will forward details immediately."

On Tuesday, the Rankin News was notified by Senator John G. Tower of the approval. Said his telegram: "Pleased to learn that Department of Housing and Development has approved \$2,000 preliminary loan for new low-rent public housing for Rankin. Funds will enable Housing Authority to begin planning for 10 low-rent homes."

No actual money is expected to be received for some ten days to two weeks. m., 3:25 p.m., 6:00 p.m. for the consolation finals; 7:30 p.m. for 3rd and 4th place finals and the championship match at 9 p.m.

This will mark the eleventh playing of the tournament which has had only five teams to win first place. Defending champions are the Iraan Braves, winners of the 1965 tournament. 1964 winners were the Golden Cranes of Crane, this year's apparent favorite to take the crown.

From 1961 through 1963, the title went to the Reagan County Owls of Big Lake. 1958-1960 winners were the Fort Stockton Panthers while the McCamey Badgers took the first two sessions.

Rankin has never won their own event. However, in the last three playings, they have reached the finals to finish in second place.

Prior to that time the Red Devils placed third in the first year of play in 56 and won the consolation in 1958.

Rankin has twice supplied the high point individual with Debs Gamblin topping the filed in '56 and Roy Winters besting the opposition in 1964. Last year's top point honors were shared by Bob McKay of Crane and Ricky Tedford of Monahans—the first time for two to win the trophy in one tournament.

Rankin has also had two wins for "Outstanding Player." These came in 1958 with Johnny Ramirez and in '64 with Winters. The McCamey Badger's Wayne Smith

Upton Club Slates Fun Day Dec. 11th

Upton County 4-H Horse Club will sponsor a Play Day, Sunday, December 11, 1966, at the Dub Day Arena in Rankin. Proceeds from this event will go to the West Texas Boys' Ranch localted near San Angelo. Ten percent of the Jackpots will go to the Boys' Ranch in addition to the gate.

Lights a Glow, Glow

Rankin began Monday to get into the Christmas Holiday spirit with workmen stringing the Yule lights up and down Main Street and across portions of Highway 67. Work had been completed by Tuesday and the lights were shining.

With the exception of Johnsons, most local stores were a bit behind the city in decorating and the annual home dress-up has yet to develop to any extent.

Rankin Lions Club continued to shape-up their plans for the annual Christmas Party and a load of Christmas trees should arrive in Rankin shortly to be sold by one of the local clubs.

Even the weather began to cooperate with a fresh breeze from the North driving out the almost summer-time that has prevailed recently throughout the area.

Without a doubt, ready or not, Christmas is on the way.

Rebekah Lodge Plans Xmas Bazaar

Rankin Rebekah Lodge No. 8 will hold a Christmas Bazaar and Bake Sale, Tuesday, December 6 at the Lodge Hall. Time is to be at 10:00 a.m.

Offered for sale will be home baked goods, home made candies and hand made articles suitable for nice gifts.

Santa Letters to be Published Dec. 22

Santa letters are already being received by The News. These are most welcomed and all who wish are invited to write.

All letters will be published in the annual Christmas edition on December 22.

BALL TIME-

A reminder that this week — Friday and Saturday—is the date for the annual Rankin Boys' Invitational Basketball Tourney.

For those of you who enjoy the sport, this will be a prime opportunity to see some good teams in action. Plan to attend and lend a cheer or two for the Red Devils. Their record of winning their own tournament is not very strong but they usually put up a good scrap. Your support of the team won't hurt their chances any.

RUMORS-

Rumors are mighty poor business for newspapers or individuals and more often than not leave those who repeat them with red faces. However, over the years, I have noticed that most rumors about growth activity in the Rankin area have contained at least some basis for fact. The developments that follow these periodical rumor outbreaks are never as grand as rumored but nevertheless, the past history does indicate

The Rankin (Tex.) News— Thursday, December 1, 1966

that there is a good probabily of something developing.

Well, the rumors are going again. This time they have to do with some plans for the Yates Hotel that would be of considerable benefit to Rankin if they should develop.

Still another "sign in the wind" has it that a new firm is interested in a location on Highway

And then there are several of the smaller variety that hold a bit of promise.

As stated, rumors are a poor substitute for hard facts but again, almost every development that has come along in the past has been preceded by its own crop of "I've heard that . . ."

May be that the current batch is the forerunner of things to come.

When considering improvements to Rankin, it's interesting to note that the more overall gains made in the city proper—such as home improvements, street paving, re-

tell great tales about the ones that got away. Generally most of the nimrods report that the weather has been too hot.

SHORT SHOTS-

However, several have bagged deer and some have been quite close to Rankin. In fact, there has been one report of deer seen just inside the city limits—as well as turkey. For several years now a number of deer have been seen along the highway just east of town. It could be that we're going to turn into big game country right in our back door.

One deer hunter in the Big Bend, Pete Pollard, a former resident of Rankin and the son-inlaw of the J. P. Rankins, didn't kill a deer but did bag a nicesized mountain lion. The female cat measured some six foot and stretched well across a Jeep hood.

Pollard was given a \$25 reward by the ranch owner for killing the lion which had been taking a toll of his goats.

GETTING THE MOST OUT OF A PILE OF LEAVES

Leaves can pose a major disposal problem for homeowners and even entire communities.

More and more communities are limiting or banning the burning of leaves because it contributes to air pollution, poses fire hazards and discolors house paint. In some communities where leaf collections are made by town or private agencies, mass dumping of leaves is an increasing problem. Space may be limited and if the leaves are piled up to rot, unpleasant odors may result.

Homeowners, either where there is no collection or a community dumping problem exists, can dispose of their own leaves by using these methods which benefit gardens.

either shredded or whole, can be tilled or spaded into garden plots. Mixed leaves with soil is especially beneficial in tight clay type soils. It increases the porousity of the soil allowing better air and water penetration. The addition of this organic matter to sandy soil increases the water holding capacity of the soil. As the leaves rot, the soil is improved. It is advisable to add nitrogenous fertilizer with the fresh leaves to speed up their decomposition.

(2) Mulcring. Oak leaves and pine needles make a good mulch, a ground covering around shrubs or plants to control weeds, retain moisture and minimize frost action. Mulching also is a substitute for cultivation, especially around shrubs or plants which have roots close to the surface that could be damaged by tilling.

(3) Composting. Composting is the best way to dispose of leaves and at the same time provide a ready source of organic matter for the garden and flower bed. If properly constructed, the compost heap does not have objectonable odors. A compost heap can be made of six-inch layers of leaves and other organic matter with each layer sprinkled with nitrogen fertilizer (one-balf lb. to 10 square feet.) Alternate the layers of organic matter with an inch or two of soil. It should be kept moist but not excessively wet. A recommended size is six feet high and five to six feet wide. The pile can be any length and may be penned with chicken wire or other openwork siding.

weights. (3) The fad bikes, such as the currently widely popular "high-rise" and folding models make up the third group.

For young riders, say 10 or younger, the middleweights are best. They start with 16-inch wheels and go up to 26 inches. To get the right size, have your child straddle the crossbar of a boy's bike. He should just barely stand flatfooted. By the time he is big enough for a 26 incher, he will probably be better off with a lightweight.

The fad bikes account for half the sales today. Basically, these are merely variations of the old small-wheel heavy or middleweight bikes with the seat and handlebars hiked up high. They have 16 to 20-inch wheels, "highrise" handlebars and long "banaand compare the na seats". Some even have back

Aimed more at the adult market are bikes that break apart or fold up for carrying in cars or boats. They adjust for all size people, and some have gears. You can also buy kits to hook two bikes together, making a fourwheel two-seater.

Girl Scouts Sew: Plan Hut Clean-Up

The Cadette Girl Scout Troop of Rankin Junior High met in the Girl Scout Hut November 18 at 4:00 p.m. The girls sang Scout songs, received their badge sashes and crest and sewed them together. Refreshments were served by Susie Hurst to the members

Plans to clean the Scout Hut and grounds were discussed for the next meeting.

Members present were Susie Hurst, Patti Byford, Etta Trowbridge, Paula Lofton and Brenda

Show us a housewife who hates to wash dishes .. and we'll show you -

the perfect Christmas gift for her

An electric dishwasher for Christmas? Nine out of ten homemakers prefer it! The new mobile dishwasher, for example. It's portable on casters, move it to any part of the kitchen. No plumbing required, connects quickly at the sink. If you move to another home, take it along. Can be built-in as a permanent installation later if you prefer. Washes dishes sparkling clean, electrically, automatically. Completely frees homemakers from this burdensome, three-times-a-day task. Many models, both mobile and permanent, now available at your electric appliance dealers. Emancipate her from dishwashing, make her Christmas last all year!
