Bank Registers Gain Over 1967 Figures

Total assets at First State Bank in Rankin showed a substantial increase over the figure of a year ago in the Report of Condition released as of June 29. Currently assets are listed at \$5,016,224.93 as compared with \$4,694,325.89 a year ago.

Deposits of individuals, partnerships and corporations were also up from \$1,495,169.83 to \$1,728,850.27. Total deposits were put at \$4,395,899.87 for this year as compared with the 1967 figure of \$4,089,571.08.

Loans again followed a trend indicated in the January, 1968 report of being slightly down. Currently, loans and discounts amounted to \$2,005,755.67 while they were \$2,012,574.95 last year at this time.

Undivided profits were slightly below a year ago, presently listed at \$199,628.85—in 1967 they stood at \$223,684.74. However, surplus at the local banking house had been increased by \$25,000—up to \$200,000—with the result that total capital accounts

Work to be Completed Within 200 Days --

Work Started on Rankin Low Rent Housing Project

"Everything comes to he who waits" . . . Rankin's cup will surely runneth over.

On December 24, 1965—in an election held on Christmas Eve in order to "speed things up"—voters in Rankin approved the Federally assisted low rent and elderly housing program—known now officially as HUD. From that first "hurry-up" beginning right down to the present time, all matters handled in connection with the program have been on a more or less crash basis. Corners have been cut—so HUD says—and steps have been eliminated.

Last Monday, work was started.

Don't laugh. Keep in mind that this was a "rush" job.

Gray Construction Company of Hobbs, New Mexico, prime contractors on the undertaking, began preparing the site and getting ready to pour foundations.

were up.

Average of total deposits for the 15 calendar days ending with the call date were \$4,352,335.42. This compared to \$4,079,271.80 for a year ago.

All work is to be completed within 200 days—which puts the completion date up into January of 1969.

In an effort to keep work going at an even pace, the contracting firm has employed Mr. Pete Brown, well-known local building contractor, to "ramrod" the project. Mr. Brown will be in full charge of the work program and those wishing to secure work should contact him at the site.

In commenting on job seekers, Mr. Brown this week told the News that they were going to need "quite a bit" of help but that he was having to turn down some of the local high school boys because of their age. "This work is under Federal wage and hour regulations," said Brown, "that means that we cannot hire anyone who is not sixteen years old."

Construction of the 10-unit complex will be along the Spanish architectural line with liberal use of stucco, cedar, brick and tile. There are to be three major structures with each of these sub-divided into duplex-type living quarters. There will also be a small administration & maintenance building.

Six of the apartments will be one bedroom, two will have two bedrooms and two will have

three bedrooms. All will be equipped with new electric refrigerators and gas ranges as well as heating units. Air conditioning must, however, be supplied by the tenants but provisions such as duct work will be included in the buildings.

Rent rates have not yet been determined nor have the terms "elderly" and "low income" been defined. All of these matters are to be worked out between HUD and the local housing authority between now and the time the units are to be completed.

July Clearance Sale at Johnsons Monday

The ever popular Johnson's July Clearance Sale has been scheduled to start Monday, July 15. The doors open at 8:30 a.m. and the first twenty persons to pass through the doors will be awarded a free box of Pangburn candy, according to owner Charlie Wheeler.

"Barbara and I have got our heads together and trimmed our sale prices as low as possible," he said. "We hope that by this means we can offer some really good bargains for our customers, who, as you know, are about the best folk around."

Managers are Tommy Lathan from the Cardinals, and Jim Lee from the Yankees. Work-outs began last Monday and are to continue daily, Monday thru Friday.

Playing in the always tough West Zone, the Rankin Stars will meet Pecos at 8:00 p.m. in Crane on Thursday, July 18. Should they defeat the Pecos

entry, they will host Crane here on Tuesday, July 23.

Winners of the Western bracket will then face the winner of the Eastern half—Big Lake, Midkiff, Czona and Sonora.

For Rankin, a tentative practice game has been set up with Midkiff. If it comes off, play is to get underway at 8:00 p.m. today, Thursday, July 11, at the Rankin Little League field.

Another tentative date that the squad will want to keep in mind is this Friday which will be picture-taking day. Mothers who will want to do alterations on their son's uniforms should have them ready by that date.

School Board Works on Supt. Selection

Members of the Rankin School Board were meeting several nights a week in an effort to find a replacement for Superintendent Pete Bateman who recently resigned to take a similar position at Dalhart. As of Wednesday morning, no decision had been made.

Dr. James Gossett, president of the Board, said that some twenty-five applicants had been received for the job and that that number had been narrowed down to three.

Among those said to have entered their application is H. G. Adams, presently serving as the superintendent of Marfa Schools. Adams was previously with the Rankin District where he served as high school principal. He left Rankin for the Marfa post.

OBSERVATIONS—

Vacation is over at the News Office and there are a few observations that can be drawn.

The first thing that one realizes is that the only thing shorter than a 10-day vacation is a ninety-day note.

One of the fastest things on the vacation trail this year is a twenty dollar bill.

A true car nut nowadays is one who can tell from a glance the name and model of at least half the different makes of automobiles on the road.

From reading the daily papers and watching television, one gets the feeling that this land of ours is one big pot, boiling with students demonstrating, riots in the big towns and snipers on every rooftop. When you travel you find a lot of people, alright, but for some reason they don't seem to be very upset. Most of them are too busy

making a living or trying to do a little vacationing. We didn't even see anyone who looked mad.

After facing big city traffic and crowds of people, you can believe that Rankin is a hick town. Thank goodness!

GUNNERS—

One of the big topics of discussion presently going on is the matter of gun control. Many say that we need some new laws on guns.

JULY 4—

From all reports the July 4th Party in Rankin was a whopping success. A big part of the credit for this goes to the Sorority and their urgent sponsorship of the undertaking and a big part also goes to the fine support given

by local business houses and the public in general.

It might be well to think about making it a yearly affair.

Over the holidays, many publications had words to say about our Independence and our Nation. One of the better pieces in my opinion was written by John J. Hunt, editor of the Baptist Standard. Said Mr. Hunt:

"The greatness of our United States was not won by those who camped in a park and demanded a minimum wage for idleness. Neither did those pioneers in government sit quietly to be ridiculed and threatened by those whose claim to leadership is a mob outside.

"There was respect for law then without any game of cops versus robbers. A crook was a crook who expected imprisonment when captured. A murderer was a murderer who counted himself fortunate to win life imprisonment instead of hanging. The courts were more interested in upholding the law than upholding the lawless.

"There were some who didn't want to fight in 1776, in 1943, and the other years of national crisis. Some were conscientious and served as medical corpsmen amid equal danger. Some went to prison, but they didn't try to wreck a nation fighting for its very life.

"No. All was not perfect—not even in 1776. But few were never thinking they would be a majority. The patriot was a hero with pride in country and in self."

**Davis Brothers in
Armed Forces Duty**

Two Rankin brothers, Ronald and Roland Davis, sons of Mr. and Mrs. C. B. Davis, are currently serving in the armed forces. Both attended Rankin High School.

Sp-4 Ronald Davis is with the Army in Germany where his ad-

dress is Sig. OP. Bn., Centag T-20, APO N. Y. 09189.

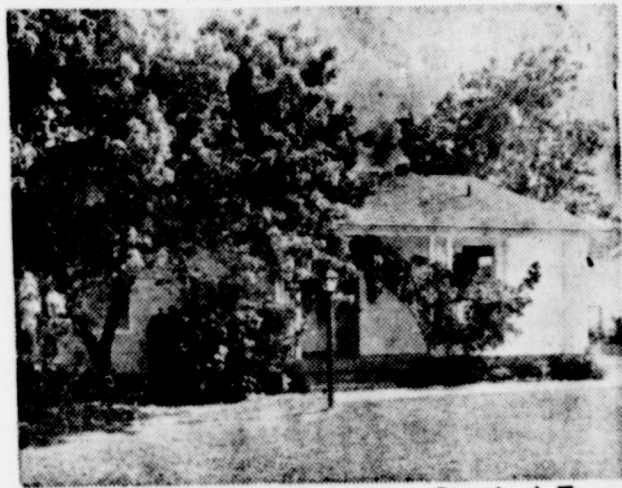

Pvt. E-2 Roland J. Davis is also with the Army and is currently stationed at Ft. Polk, La. His address is Co. D, 4th Bn., 3rd AIT. BDE, Ft. Polk, La. 71-459.

Ronald and Miss Carol Jean Crawford, daughter of Mr. and Mrs. Frank Crawford of Rankin, recently announced their engage-

ment. They plan a late summer wedding.

**ABC Play Stated at
 Golf Club Sunday**

Continuing their plan of having at least one activity each week, Rankin Golf Club has scheduled an ABC tourney for Sunday afternoon with the women to take part as the C player. Tee off time will be 1:30 p. m.

In recent play, Clarence Winn and James Scarborough teamed up to win the AB play June 30 with a sharp nine under par 63. In at second with a 65 was Don Brown and Eddie Autrey.

Terry Gray and Red Weatherby posted a 67 for third while P. V. Brown and E. M. Sullivan, Jack Sheppard and Bruce Winn, and Jake Van Zandt and Dub Day all posted 71's to tie for the 4th place slot. Van Zandt and Day won the play-off.

For the women's play—with a little help from some of the men—J. K. Colquitt, Freda Pippen and Myrle Brown won with a 39. In at second with a 46 was the team of John Pippen, Grace Roach and Ann Deel.

Last Sunday, with senior members playing with junior partners, the father-son team of L. Z. and Lester Titsworth posted a 69 to tie with Eddie Autrey and Johnny Smith. In second with a 72 was another father-son duo, Red and Jimmy Weatherby.

In another bracket, a mother-son pair, Genevieve and Dean Titsworth, shot an even par 72 for low gross. Using the handicap, the grandfather-grandson team of C. G. and Tommy Taylor served up a 65 for first while another mother-son pair, Ann and Donnie Deel, were second with a 72.
