

Early Breakfast Opens United Fund Campaign

Council Conducts Varied Business

Sure does look as though it is going to be a long and cold winter.

From what I have been able to learn about this community, the first snow on Nov. 2 was very, very much out of the ordinary. But to have three snows which dumped a total of more than 12 inches over the county before Dec. 15 is unheard of in recent years.

Who knows? Maybe there is something to the belief that nuclear fallout and radiation has a decided effect upon the weather. Russia's biggest atomic tests and our first snow occurred at about the same time. But to link the two events without some shred of definite proof is pure speculation and cannot be credible.

There is one thing which is a sure-fire fact. That is that a good number of our farmers would like to see whatever is causing the continuing cold and wet weather stopped for long enough for them to finish getting the rest of their cotton and other crops out of the field.

From the way things were looking Sunday and Monday, I would say that the cattle would also like to see the weather clear up a little. I went for a drive across the county Sunday afternoon and noticed that the few herds that were still in the pastures were huddled together near the fences or around the feed bunkers.

Their coats were caked with snow and ice so even the black cattle looked like they were sprouting a good crop of grey hair.

I guess the weather lately has been enough to turn anyone's hair grey if they had to be out in it--or had some crop still in the field.

Several people have asked about the Spanish classes which I have been trying to initiate. Most of the people wanted to know when the classes would begin and how much they would cost.

The program which I have in mind is not one which I wish to jump into without knowing approximately where I--and the class--will land. At present, I am gathering all the information which I am able to get in connection with similar projects in other cities. It is my hope to have a definite program shaped and ready to present sometime in January.

I could jump off the short end of the bridge and try to get started without full preparation, but I would rather gain the benefit of counsel from people with experience with similar programs which have proven effective. I do not wish to see the class start and then fail to accomplish anything worthwhile.

Several ideas on the presentation of material are now under consideration. It appears that the cost of such a class will be minimal. In fact, it may not cost the individual anything. I have been notified that two organizations are interested in the class and have expressed a desire to sponsor it if the cost is not too great.

The greatest problem is to find a qualified teacher. I do not hold myself as possessing enough skill with the language to undertake such a position except in extreme emergencies with a beginning class. I do have a couple of people in mind but haven't worked out any details with them yet. I would sure like to have one or two of our local residents who speak the language as their own, take over at least part of the instruction. It could be a lot more effective.

One way or another, I am going to try to have the class ready before the end of January.

I heard another good one the other day. It's too good not to pass on for your judgment. In fact, I heard several.

One of our third grade teachers, Mrs. June Rhodes, brought some rolls of Christmas paper into her class for the students to work with. She held the rolls and warned the class: "I want you to be very careful with this now, because it is very expensive. It costs a dollar per roll--and do you know

Purchase of a new power rod drive from Flex Rod Pipe and Tool Company of Dallas for the amount of \$395. The machine is a small engine which is mounted on a three wheeled platform and will drive a flexible rod for assisting in cleaning sewer lines.

On the recommendation of Eric Rushing, city insurance coordinator, the council agreed to divide the \$40,000 fire policy on the city hall between the Ethridge Spring and C. L. Lillard agencies on a 50/50 basis. The total premium for the policy on a five year term was quoted at \$293. The present policy will expire Dec. 17.

In response to a letter from Dudley Bayne, city manager of Hereford, Outland was authorized to write the Federal Communications Commission and secure permission to use the common frequency of 46.1 megacycles for the fire department radios. Bayne requested that

Friona make the change to help establish a common volunteer fire radio net for this area. Fire radios were previously operating on the police frequency.

The audit of the city books by Robert N. Ginsburg was accepted and payment of \$600 auditing fee was authorized.

A wide variety of business was completed by the City Council at their regular meeting Monday night in the City Hall.

C. W. Dixon asked that some property south of the railroad--which is owned by him--be converted from blocks in the Old Town to acreage and placed outside the city limits. The request was denied as Mayor Fleming pointed out that it would be very impractical.

The bonded indebtedness of the city is based on the present corporate limits and any change in the present city limits would have to be coordinated with all the bond holders.

Bids which were submitted by contractors for the construction of a city warehouse and garage were set aside and A. L. Outland, city manager, was directed to secure new estimates on the possible construction of a steel pre-fabricated building. The bids received were for erection of a concrete block building and the low bid was in excess of \$14,000. The council felt that this was more than they were prepared to pay for the structure.

A contract to supply several pieces of equipment for the fire department, including a new siren for the west side of town and some new fire hose, was authorized to go to Howe Fire Apparatus Company of Amarillo. The total cost of the equipment as submitted through a bid from the company was set at \$1,685.65.

GLASS REMAINS. . . The glass was about all that was found left in the window of Allen's Jewelry Friday morning after thieves smashed the glass and escaped with about \$1,800 in rings and watches. Allen Stewart, owner, inspects a piece of the glass from the broken showcase. A total of 55 rings and 6 watches were reported taken in the brazen theft. This is the second time in a year that thieves struck the store. None of the leads checked by the police have yielded definite suspects as yet.

EMMETT R. DAY

Emmett Day Rites Conducted Today

Funeral services for Emmett R. Day, who died Tuesday following a heart attack, will be conducted in the First Baptist Church at 10:30 a.m. today (Thursday).

Rev. Bill Burton, pastor, will officiate. He will be assisted by Rev. Wallace Kirby, pastor of the Friona Methodist Church. Pallbearers will be Billy Bell, O. L. Blake, Paul Fortenberry, John Burrow, G. B. Buske, Gib Boatman and Charles Allen.

Mr. Day, who was born at Whitney, Texas, October 16, 1905, moved to Friona in 1929 and had been in business here until forced to retire recently due to ill health. He served as commissioner of precinct

several terms. He was a member of First Baptist Church and the IOOF.

Survivors, besides his wife, the former Miss I. V. Armstrong to whom he was married October 16, 1926, include a son, Emmett Jr., and a daughter, Mrs. Tila Rue Hester, both of Lubbock; one brother, Alton Day of Friona; three sisters, Mrs. Jewell Buchanon, Whitney; Mrs. Viola Bandy, Amarillo; and Mrs. Verna Cantrell, White Deer.

Also five grandchildren, Debbie and Danny Day and Terry, Tony and Brian Hester. Burial will be in Friona cemetery under direction of Claborn Funeral Home.

Bands Schedule Christmas Music

Music from the masters will fill the air at the high school auditorium Monday night as 280 students in the three school bands and high school choir present their annual Christmas concert.

Conductor Lowell Bynum will take up the baton at 8 p.m. to lead the sixth grade band in renditions of "American Patrol", "Men From Mars

March", "Glowworm", "Lee-vee Song", and "Santa's Holiday."

The Junior High Band will then take over the bandstand for presentation of "Music Campers March", "Hansel and Gretel Overture", "Salute to Beethoven", "I Am Always Chasing Rainbows, and "Eric Canoe."

The high school band will move into the spotlight with "Brasses Triumphant March", "Wagner Showcase", "Themes From The Nutcracker Suite", "Street Scene", and "Blue Tango."

The choir will vocalize with "I Heard The Bells on Christmas Day", "Go Tell It On The Mountain", "It Came Upon a Midnight Clear", "What Child Is This", "Jesus Christ, Our Savior Is Born", and "Joy To The World."

Admission for the program will be \$1 for adults and \$.50 for students.

Friona Gun Club Sponsors Shoot

Friona Gun Club will sponsor a turkey shoot at the trap range near Benger Air Park east of town on Highway 60, Saturday and Sunday. Shooting will begin at 1 p.m. each day.

Winner of each relay of five persons will be awarded one ham or one turkey. Entry fees for the shoots will be \$1 and \$2.

4 Convicted Of Gas Theft

Four men were sentenced in Parmer County Court Monday morning after conviction on charges of gasoline thefts.

The quartet was tried Saturday morning before Judge L. D. Brewer on charges of stealing gasoline from farm machinery on the Lexie Bransum farm. Sentenced were Robert Boone, 23, \$50 and 30 days in jail; Roy Boone, 18, \$50 and 30 days in jail; Johnny Miller, 18, \$10; and Ralph Awtrey, 22, \$50. Court costs were apportioned among the four.

Roy Boone and Awtrey were apprehended in Farwell Friday and Sheriff Charles Lovelace returned Robert Boone and Miller to Farwell from Nazareth Friday night where they were arrested.

Local Ministerial Alliance Meets

In a recent meeting of the local Ministerial Alliance held in the Calvary Baptist Church, the following officers were elected for the coming year: Rev. Audye Wiley, President; Rev. Hudson Phillips, Vice-President; Rev. Alvin Askins, Sec.-Treasurer; and Rev. Bill Burton, Reporter. The final tabulations from the recent survey were made, and a financial account given. It was reported that the \$1.00 per 10% of resident membership from the cooperating churches would pay all bills for the Community Survey.

The churches cooperating are: Methodist, Assembly of God, Congregational, Calvary Baptist, and First Baptist. Meeting time for the Alliance is 10:00 a.m. the first Tuesday in each month, with the exception of January which will be Thursday, Jan. 4, meeting with the Congregational Church.

Firemen Serve Yule Banquet

Friona Volunteer Fire Department Christmas Banquet is scheduled for Tuesday at 7:30 in the school cafeteria.

Adults are asked to bring a present for some member of their sex. Families will furnish gifts for their children who will attend the affair.

Packages may be left at the fire station where Santa will retrieve them and arrive at the banquet with a loaded sack. Cost of the gift items are asked to be kept under \$1 for the adults and \$2 for the children.

Two Persons Charged With Bovina Shooting

Four persons are being held by Parmer County sheriff's department in connection with the fatal shooting of a Bovina Negro late Friday evening.

Arrested and charged with the shooting Tuesday were Herschel Gene Davis, 36, alias George Evans, operator of the Harlem Cafe in Bovina, and Nellie Mae Thompson, 30, a waitress in the cafe. Bond has been set at \$25,000 and \$5,000 respectively.

Robert Traylor, 29, and Bob Taylor, 27, are held as material witnesses. Bond for

the two Friona men has been set at \$500 each.

Davis was arrested in Bovina Saturday afternoon after the body of Hawkins was found on the floorboard of an abandoned pickup in Clovis. He has confessed to the shooting, according to Sheriff Charles Lovelace.

Davis told officers that a series of arguments Friday touched off the shooting. Davis' wife, according to Tom Atkins, deputy sheriff, shot at Davis with a .25 caliber pistol after seeing him in an intimate pose with the waitress.

She missed Davis with the first shot and the pistol jammed. Davis then beat her and

(Continued on page 2.)

County Repays \$10,000 Loan

The county clerk was authorized to issue a warrant for interest on a \$10,000 time warrant and the county treasurer was authorized to issue a general fund check to pay off the \$10,000 in business conducted when Parmer County Commissioners met Monday.

According to County Clerk Hugh Moseley, the money was borrowed early in the fall for the general fund of the county from the First National Bank in Bovina, with plans to repay as soon as taxes were in.

In other business, the court approved the opening of two new roads in the county and decided against a third petition. Commissioners decided that Parmer County offices will be closed in the courthouse on Christmas Day, and also on Dec. 26.

The first road, located a mile northeast of the Caldwell corner

in Oklahoma Lane and going six miles east, was accepted on the report of the jury of view composed of T. M. Caldwell, Harold Carpenter, Clarence Johnson, Sterling Donaldson and W. E. Verner, with the Court ordering the road open subject to clearance of right-of-way free of cost to Parmer County.

Also, the report of the jury of view petition of C. W. Weatherly was accepted and the road ordered open, location being northeast of Friona near the county line.

The road petition of A. L. Reznik, located in the same vicinity, was turned down on the recommendation of the jury of view, says County Judge Loyde Brewer.

Jury of view for the last two petitions included Estis Bass, Ray Castleberry, A. W. Anthony Jr., Charles Howell and G. H. Goggans.

Merchants Sponsor 60-Turkey Drawing

Friona shoppers will take home 60 turkeys which will be given away in the giant drawing Saturday afternoon in the City Park.

Merchants will be distributing tickets to the drawing at their respective businesses. Ticket boxes will be delivered to the park at 3 p.m. where the Friona Jaycees will begin the drawing at 3:30.

Holders of the winning tickets must be present to claim his turkey. If the owner of a ticket which is drawn does not answer, successive tickets will be picked until a winner appears.

Only 13 turkeys were claimed at the first drawing last Saturday. Snow and cold winds prevented the appearance of most of the ticket holders.

A final jackpot drawing will be conducted following the regular drawing. Tickets remaining in the boxes will be mixed. Tickets will be drawn from the mixture. Turkeys to be awarded to the owners of the draw tickets

will be furnished by local non-merchandise businesses.

The event is sponsored by the Friona Chamber of Commerce.

Country Club Delays Drive

The drive to attain an additional 20 members for the Friona Country Club has been postponed until next year, Andy Hurst, president, announced.

The delay is due to a conflict with the United Fund Campaign if former plans were adhered to. Hurst expects to have the drive underway in the first part of January.

Letters containing reproductions of the proposed floor plan for the new clubhouse and by-laws for the use of the house have been mailed to the 102 present members. The additional 20 members are needed before funds will be available for the construction of the structure.

YULE TREE. . . Mrs. Bill Baxter and daughter, Ann, inspect the trees at the Lions Club stand in the corner of the park. Like Lion Bill Sheehan behind the tree, attendants were forced to bundle up with several layers of heavy clothing to ward off the bitter cold.

Editorial Comment:

Christmas Blunders

In a recent announcement from the Texas Credit Union League of Dallas, James M. Barry, managing director, set forth some guides for the shopper which are designed to keep excessive credit from turning your "Merry Christmas" into a three-headed monster.

Your dreams of a white Christmas can turn into a real nightmare if you borrow money for Christmas or buy gifts on time and don't take the trouble to see exactly what you are letting yourself in for.

For the benefit of all those who are borrowing or buying on the installment plan--not just at Christmas but all times--here are the suggestions made by Barry.

1. No matter what interest rates are quoted, find out what the credit or loan will cost in actual money.
2. Before you sign any papers, make sure all the figures are entered correctly. Don't leave any blank spaces to be filled in later.
3. Question all insurance charges.
4. On installment purchases, you may owe the payments to some other firm, not the

dealer. Find out who it is, and if it is a reputable firm.

5. Read the note or contract to see what penalties are imposed for late payments. This is where many dishonest lenders make money.

6. See if there are any other extra charges specified in the note or contract. Don't skip the fine print, or you may be sorry.

7. Read what is said about repossession in a time-payment contract.

8. Understand clearly what security you are giving.

9. Make sure you do not sign away any of your legal rights or guarantees such as the right to refuse merchandise which is not promised.

10. See if there is a provision for a refund of interest or carrying charges if you complete the payments ahead of schedule.

Failure to observe these suggestions can practically guarantee that Rudolph the Red-nosed Reindeer will change into a wolf at your door.

Castin--

who is paying for it?"
"Yeum," one of her young students piped up. "Your dad--

dy."
You fathers may not think it is too funny, but I think it carries a moral. It would seem that everyone is supposed to have a

daddy to pay the bill.
Some of the young students seem to think that the size of everything is determined by the amount of calories it has inside.

Rex Talley came up to his teacher, Mrs. Gladys McVey, on the playground last year with a flat ball. The pump for the ball is kept in the office so he politely informed the teacher:

"I've got to go to the office and give this ball some calories."
And if you don't think the youngsters are hep to the romance language, you are mistaken.

During a lesson on proper

AUSTIN, Tex. -- Objections are being raised over the specially called session of the Texas Legislature, scheduled by Gov. Price Daniel for January 3.

Atty. Gen. Will Wilson says he hopes the Governor will reconsider his call for the third special session.

Actually, the attorney general doesn't object to the session nearly as much as he does the selection of bank escheat legislation as the prime object. Wilson feels that loan shark legis-

lation should be the first order of business.

Sen. Dorsey Hardeman of San Angelo contends that the special session is unnecessary and will cause "undue expense" to the State.

Hardeman doesn't think that the session's purpose--which is escheat enforcement, maintenance of farm-to-market roads, and small loan legislation--will get acted upon in a 30-day session.

Rep. W. T. Oliver of Port Neches claims the Governor called the special session strictly for "political reasons and publicity."

However, Governor Daniel has indicated that if his program isn't passed he will be running again in 1962.

TAXES NOT FOR TEACHERS -- Teachers are not to blame for the 2 per cent sales tax, as many claim, says the Texas State Teachers Association.

According to the teacher's organization a sales tax would have been necessary to meet other needs.

Only \$140,000,000 out of the \$360,000,000 to be raised in new revenue will go for teacher pay raises, says the Association. Of the remaining \$220,000,000 a total of \$70,000,000 will be used to retire the state deficit while \$150,000,000 will finance services other than schools.

EDUCATION COMMITTEE NAMED -- Speaker James A. Turman has appointed five legislators to a Special Interim Committee on Education to serve as a consulting group to the Legislative Council. They will make a study of state teacher certification.

Rep. Herman Yezak of Bremond heads the committee, which consists of H. O. Niemeyer of Knippa, Miss Maud Isaacs of El Paso, Pete Snelson of Midland and Vidal M. Trevino of Laredo.

Two Charged--

threatened to kill anyone who took her to the hospital.

Mrs. Davis then fled the building and Dawkins took her to his brother's house. David Dawkins' wife then took her to the hospital, according to the reports. Mrs. Davis is said to be the sister of David's wife.

Dawkins returned to the cafe, authorities stated, and Davis fired one shot at him but missed.

When Dawkins fled in the pickup which he was driving, Davis and Miss Thompson chased him in a car. After about two miles, they forced Dawkins off the road and shot him, according to officers.

The pickup, belonging to Paul Hall by whom Dawkins was employed as a farm laborer, was driven to Clovis and abandoned at the intersection of Grand and Thomas St. The body on the floorboard was discovered by a passerby Saturday morning.

Miss Thompson was arrested late Sunday night in Roswell with the two Traylor men. Officers say that they admitted taking Miss Thompson to Roswell. Bail for the Traylor has been set at \$500 each.

According to authorities, the gun used to shoot Dawkins was found in the Davis home in Bovina.

nouns, Mrs. Rhodes asked her class to list some nouns which they could think of. Little Gay Welch listed "Love-seat" as one of the nouns on her paper. When Mrs. Rhodes asked if anyone knew what a love-seat was, Zane McVey popped up and replied: "It's a thing you sit on and smooch."
Wonder how long it will be before he will try on one for size.

WATTA YOU MEAN UNDER-INSURED? I CARRY PLENTY INSURANCE WITH --

Ethridge - Spring Agency
Friona, Tex. Dial 8811

TEXTBOOK PICKING LENGTHY PROCESS -- Texas Education Agency says school boards must select local textbook committees by December 15.

Samples of selected texts are mailed to the committees about January 1, and they must ready their reports for local boards by March 1.

This step in state textbook selection is one of the quickest in a process that begins every May and ends sixteen months later.

By the time a local committee is selected, publishers have submitted bids and books to the Commissioner of Education; the texts have been studied by the 15-member State Textbook Committee, assisted by about 1,500 advisors; and the

State Board of Education has passed on the committee's recommended list.

Approximately 11,000 school teachers will assist the local committees in picking school books to be published in time for pupil consumption next fall.

FARM ROADS IN SIGHT -- Texas' \$15,000,000 Farm-to-Market road fund, vetoed by Governor Daniel earlier in the year, may be freed for construction spending during the special session.

Restrictions which would prevent proper maintenance caused the veto.

Now it appears that the Governor and the State Highway Commission have worked out a road program compromise with organized interests.

UNDERWATER LAND SALE QUESTIONED -- Attorney General Will Wilson has asked the Navigation District at Rockport to postpone sale of 127 acres of submerged land "until the Attorney General and the Land Office can check out certain facts which raise questions as to the legality of the sale."

It's possible that the Navigation District acquired some of the land from the state for \$1 per acre. It now proposes to sell this land to Carl Krueger & Associates of San Antonio for \$67,000.

Asst. Atty. Gen. Houghton Brownlee says there's a question as to whether land purchased at a nominal sum for public purposes can be re-sold for private development.

Springlake Teams Fall To Four Friona Squads

In the varsity play, the Squaws led off with a 64-26 victory over the Springlake team. To the observer, it seemed that Squaw scoring was about all that took place during the game.

Scoring for the game was as follows: Su-Zan Harper--14; Pam Roden--16; Janet Buckley--4; Charlotte Nettles--16; Pat Barker--4; Linda Castleberry--4; Carol Ray--6.

Outstanding guards as cited by their coach, Baker Duggins, were Sandra Hoover, Kay Burleson, and Jimette McLean.

The Chiefs had a little more trouble in wrapping up their game. After they attained a six

point lead in the third quarter, the Springlake team came back to cut the lead to four points in the fourth period. With two and one-half minutes to go, the Chiefs again held a six point lead, and were fighting to hold their opponents.

With only 40 seconds to go, Gary Jackson hit the hoop with two free throws to bring the score to 48-41. Springlake retaliated by immediately scoring two points with a bull-like charge to the basket.

With 11 seconds on the board, Sanders dropped the ball through for another two points. Three seconds later, Spring-

lake scored again. A last second by Gary Snead missed to leave the final score at 50-45 to give the Chiefs their victory.

Both freshmen and varsity teams won over Springlake in the four basketball games played in Friona Tuesday.

The Freshmen boys bested Springlake 45-34 for the opening win. Larry Buckley was high on the scoring list with 19 points to his credit. Grabbing a quick lead, the boys managed to hold it for the remainder of the game.

SCOREBOARD				
	FG	FT	F	PTS
Larry Buckley	8	3	1	19
Dale Milner	4	4	2	12
Danny Murphree	3	1	1	7
Jimmy Snead	1	1	2	3
Milton Hargus	2	0	1	4
Total	18	9	7	45

ON THE FLY . . . Dale Milner hooks the ball toward the backboard as he and a Springlake player pass beneath the goal and crash into the wall beyond. He made the goal and the freshmen won.

The freshmen girls followed the lead of the boys and emerged from their contest with a 37-19 win over the Springlake girls.

Forwards and their scoring for the game were: Tito Jennings--13; Linda Davis--9; Sheryl Long--8; Carol Struve--4; Shirley Phoons--5.

Guards were Merylene Masie, Barbara Bracken, Sharon Dean, and Nan Lillard.

"The girls didn't play as good as I would like to see, but we won. We've still got a lot to learn," Coach Bob Adams said after the game.

SCOREBOARD				
	FG	FT	F	PTS
Sanders	6	4	3	16
Snead	4	2	4	10
F. Reeve	1	0	1	2
M. Reeve	1	0	4	2

Total	17	16	16	50

LOOSE BALL . . . Springlake players streak for the loose ball in the game Tuesday night in Friona. The ball was lost when one of the Squaws fell in mid-court.

Traffic Deaths Rise Above 1961 Fatalities

The Texas Department of Public Safety said today the latest traffic death figures for the state confirm a trend toward a higher motorcicle total for 1961 than 1960 when 2,254 fatalities were counted.

Col. Homer Garrison Jr., director, said "It has already become a certainty that the November toll this year will be higher than last year."

He explained that the department has received preliminary reports of 106 motorcicles for the month, compared with only 90 for a comparable period in November, 1960.

"This confirms our analysis of a month ago when indications were that 1961 traffic fatalities, when final reports are in, would run one per cent above the 1960 toll--or some 20 or 25 more deaths than last year," Garrison said.

The DPS director reported that as of noon Friday, November 24, a total of 1,957 traffic deaths had been reported to the department, compared with 1,930 during the same period in 1960.

"This represents an increase of 27 deaths or slightly over one per cent," he said, "and presents all of us with a stern challenge to hold the line during the month of December."

"Now that we know we have lost ground in November, we can only look to an intensified program of traffic safety next month to save as many lives as possible. And this will not be an easy job, because the toll of 218 deaths during December, 1960, was low for that month of the year and we will

have to beat that in order to halt the trend toward a higher death toll for 1961."

Garrison said field commanders of the DPS have been instructed to utilize their patrol manpower as effectively as possible to "bring about the maximum voluntary compliance with traffic law quickly."

This will be done, he said, by arranging working schedules as selectively as possible in terms of time, location and violations. He added that supervisors have been instructed to have their men look for and detect those serious traffic law violations which are causative factors in fatal accident experience, giving particular attention to high speeds, driving under the influence and other hazardous violations.

In addition, said Garrison, they have instructed to utilize radar as extensively as possible, as well as road checks for drivers licenses and detection of hazardous violations in concentrated areas.

"While these measures are being implemented by this department," he said, "it follows that we must again call upon motorists to join in this all-out drive for a safer 1961 by obeying the laws and rules of safety."

REMAINING MASS -- The mass of that part of a missile or its payload that remains after fall-away sections or parts have been cast off. (In the case of the Jupiter-C of the last rocket stage, the steel shell within it and the package of instruments within the shell.)

FOR DECEMBER

Patrol Sharpens Traffic Program

The Highway Patrol investigated 6 accidents on rural highways in Parmer County during the month of November according to Sergeant Roger Sosebee, Highway Patrol Supervisor for this area.

These wrecks accounted for three persons injured and an estimated property damage of \$3,075.00.

The rural traffic accident summary for Parmer County from January through November of 1961 shows a total of 76 crashes. As a result of these crashes there were 2 persons killed and 34 persons injured. The estimated property damage amounted to \$41,925.00.

The veteran patrol supervisor announced that a stepped-up traffic law enforcement program is being launched in an all-out effort to stem the tide

of traffic deaths during the remainder of the year.

"We find ourselves confronted with the alarming fact that statistics indicate some 238 persons will be killed in traffic crashes in Texas this December," the Sergeant stated.

The patrol supervisor reported that as of Dec. 1, a total of 2014 traffic deaths had been reported to the department, as compared with 1984 during the same period in 1960. "This represents an increase of 30 deaths or two per cent," he said, "and presents all of us with a stern challenge to hold the line during the month of December. This will not be an easy job, because the toll of 218 deaths during December, 1960, was low for that month of the year and we will have

to beat that in order to halt the trend toward a higher death toll for 1961.

"But we feel confident that with an accelerated enforcement program and most important, the active support and cooperation of the driving public -- the statistics can be made to lie. And that is exactly what we propose to do.

"We feel that the traffic death tragedy cannot be over-emphasized. When it is considered that during last year alone, there were 2,254 violent deaths on the streets and highways of our state caused by colliding motor vehicles, it can readily be seen that concerted action on the part of everyone concerned is in order," the Sergeant added.

Faculty Observes Christmas Party

Approximately 120 teachers and their guests gathered at the school cafeteria Monday night for the annual faculty Christmas banquet.

After a bountiful candlelight dinner of ham, turkey, dressing and countless varieties of pies, Pete Mace opened the program with a satirical poem on school setting to the rhythm of "Twas The Night Before Christmas."

Mrs. Ray kept the laughter going with a piano comedy about a boy who could only play "Hot Time in The Old Town" but could play it six ways--even backwards.

Guy Riggs presented several "magical" tricks in which nothing went right--the magic didn't work, much to the pleasure of the audience.

Letters to Santa were read by Bessie Watson. Teachers who wrote the letters didn't want much. All they asked for was a few items to make their job more enjoyable, effective, pleasant and easy.

A song fest was led by Pete Mace to the accompaniment of Wayland Ethridge on the piano. J. C. Lane and Guy Riggs acted for Santa Claus and passed the gifts around to the gathering.

LAUGHING J'S. . . Tom Jarboe stares with mock fright as the Jack pops out of the box. He drew the Jack as his gift at the Faculty Christmas Banquet at the school cafeteria Monday night.

Santa's Helper Comes From Viking Story

Thank the Vikings for that jolly elf we know as Santa's Little Helper. In ancient times in Scandinavia, long before Leif Erikson discovered America, little children were told stories of Jul Tomten, a little elf with long white whiskers, who saw to it that the earth gave abundantly of good food and that the animals and birds were taken care of.

When the Vikings became Christians, Jul Tomten became the giver of presents, just as our Santa Claus is today. Children would leave a bowl of porridge on the kitchen table for him, and he in turn would leave gifts for good boys and girls.

Over the years, travelers to the North brought back the legend of Jul Tomten, and eventually he became a part of our own Christmas tradition, as the busy little elf in Santa's workshop.

Keep Your Christmas Merry. Avoid Holiday Fire Hazards.

Here Are A Few Safety Rules

- (1) When you select your Christmas tree this year, choose a freshly-cut tree, with firmly attached needles.
- (2) Keep the tree outdoors until just before Christmas. It will stay fresher in the cold air and standing in a pail of water.
- (3) When putting up the tree, set it in the coolest part of the room, away from radiators, heaters and fireplace. This will not only reduce the possibility of fire, but will keep it from drying out.
- (4) It is a good plan to use a tree holder which has a little bucket of water in which the trunk can rest during the holidays. A tree usually "drinks" more water than you realize, so keep water container filled at all times.
- (5) Fire proof Christmas tree decorations are best. Use decorations made of either glass, metal, or a fire-resistant material.
- (6) Set up electric trains away from the tree. A spark from the train could set the tree on fire.
- (7) Always use electric lights on the tree--never candles. Lighting sets should be checked before being placed on the tree, and those with frayed wiring should be discarded.
- (8) On Christmas morning, fold and put away any gift wrapping you intend to keep. Other gift wrapping should be gathered up promptly and thrown away after presents are opened.
- (9) Christmas tree lights should be turned off when family is away from home.
- (10) Inspect the Christmas tree from time to time to see how dry it is. If needles near the lights have begun to turn brown, change the position of the lights.

Boys Win 1st; Girls 3rd In Farwell Tournament

Friona's eighth grade basketball teams emerged from the Farwell tournament last weekend with a first place trophy for the boys and a third place for the girls.

The boys bested Springlake 33-11 in their first game to get off to a good start. Eugene Weatherly was the high scorer with 11 points during the game.

The second contest with Muleshoe opened the way to playoff for the first place position when Friona emerged victorious with a score of 24-10. Weatherly again grabbed the most points with eight baskets.

The scorcher came when Friona tackled the Farwell team in the battle for tournament champions. They seasawed along with only a two point margin at any one point. By quarters, the score was 4-2, 8-8, 17-17, and at the end of the play Friona won with a one point lead.

Bob Horton snatched the rebound from a free throw and pushed it through the hoop to score the winning point in the last seven seconds of the game. Ray Braxton emerged with six

points to slip into the high scoring spot.

The boys brought home the Champions' trophy.

Coach Jay Wilson's Squaws received the consolation trophy awarded for third place in the tourney after losing their first game to Springlake by a three point margin, winning over Sudan by 26 points and losing the Dimmitt by 23 points in the final Saturday evening.

In the opening game Thursday afternoon Springlake gained control of the scoring early in the game and the score at the end of the first quarter of play was 12 to 7 in Springlake's favor.

During the final quarter local girls were able to narrow the lead of their opponents to three points. Final score was 26-29.

High scorer of the game was Janet Rushing with 13 points. Frieda Floyd was second with eight points. Lanore Jackson

was the other starting forward. Starters at guard posts were Lyndia Chandler, Willie Grace Grubbs and Sharon Houston.

At 9:30 a.m. Saturday; the Squaws met Sudan and emerged victorious by a score of 31 to 5. Starting forwards were Janet Rushing, who was high scorer with 13 points; Lorene Jackson, who was second high with eight points and Monte Sue Welch.

Guards starting were Frieda Floyd, Lanore Jackson and Willie Grace Grubbs.

In their final Saturday evening game Squaws won over Dimmitt's Bobbies with a score of 39-16. Starting guards in this game were Lyndia Chandler, Willie Grace Grubbs and Phyllis Holcomb.

High scorer of the game was Frieda Floyd with 18 points to her credit. Janet Rushing and Lorene Jackson tied for second place scorer with eight points each.

THE CHAMPIONS... Winners of the Farwell Basketball Tournament are the Friona eighth grade team shown here. Back row, left, Gary Shackelford, manager, Bing Bingham, Larry Johnson, Bobby Ray, Tom Shelton, Tim Herring, Bob

Horton, Travis Graves, Jesse Shirley, Eugene Weatherly, and Jay Beene, manager. Front Row, Joe Mabry, Eldon Long, Lonnie Ellis, Johnny Claborn and Ray Braxton.

Religious Survey Termed Success

Audye M. Wiley, chairman of the Friona Religious Survey reports it to be "a great success" with 99% completion Dec. 7. The survey reveals 4,553 people counted and 16 denominations showing members in the Friona area.

Churches who lead in membership are Baptist with 1,090, Methodist 504, Catholic 409, Church of Christ 388, Congregational 64, Lutheran 84, and Assembly of God 45. These

figures only represent the area surveyed which is, as near possible, the Friona school district. Some of the local churches have members outside of this area and therefore this would not present a true picture of local church membership.

An alarming factor was discovered however, since most of the people in Friona seem to think our city has a church going people, that is the percentage of church membership is only 58.8% while the national average is 63.6%, a difference of 4.8%.

Each of the participating churches and pastors express their appreciation to the 150 people who helped in the survey along with the people in this area who cooperated in giving the information.

The Friona Ministerial Alliance which sponsored the Survey is planning a city-wide simultaneous Revival effort March 11-18 in 1962. It is hoped that there will be the same cooperation as was found

in the survey. The sponsoring churches are: First Baptist, First Methodist, Calvary Baptist, Congregational and Assembly of God.

Now comes the coldest season of the year, when the days are shortest and so are we.—CHANGING TIMES

FOR DECEMBER

Patrol Sharpens Traffic Program

The Highway Patrol investigated 6 accidents on rural highways in Parmer County during the month of November according to Sergeant Roger Sosebee, Highway Patrol Supervisor for this area.

These wrecks accounted for three persons injured and an estimated property damage of \$3,075.00.

The rural traffic accident summary for Parmer County from January through November of 1961 shows a total of 76 crashes. As a result of these crashes there were 2 persons killed and 34 persons injured. The estimated property damage amounted to \$41,925.00.

The veteran patrol supervisor announced that a stepped-up traffic law enforcement program is being launched in an all-out effort to stem the tide

of traffic deaths during the remainder of the year.

"We find ourselves confronted with the alarming fact that statistics indicate some 238 persons will be killed in traffic crashes in Texas this December," the Sergeant stated.

The patrol supervisor reported that as of Dec. 1, a total of 2014 traffic deaths had been reported to the department, as compared with 1984 during the same period in 1960. "This represents an increase of 30 deaths or two per cent," he said, "and presents all of us with a stern challenge to hold the line during the month of December. This will not be an easy job, because the toll of 218 deaths during December, 1960, was low for that month of the year and we will have

to beat that in order to halt the trend toward a higher death toll for 1961.

"But we feel confident that with an accelerated enforcement program and most important, the active support and cooperation of the driving public -- the statistics can be made to lie. And that is exactly what we propose to do.

"We feel that the traffic death tragedy cannot be over-emphasized. When it is considered that during last year alone, there were 2,254 violent deaths on the streets and highways of our state caused by colliding motor vehicles, it can readily be seen that concerted action on the part of everyone concerned is in order," the Sergeant added.

Faculty Observes Christmas Party

Approximately 120 teachers and their guests gathered at the school cafeteria Monday night for the annual faculty Christmas banquet.

After a bountiful candlelight dinner of ham, turkey, dressing and countless varieties of pies, Pete Mace opened the program with a satirical poem on school setting to the rhythm of "Twas The Night Before Christmas."

Mrs. Ray kept the laughter going with a piano comedy about a boy who could only play "Hot Time in The Old Town" but could play it six ways--even backwards.

Guy Riggs presented several "magical" tricks in which nothing went right--the magic didn't work, much to the pleasure of the audience.

Letters to Santa were read by Bessie Watson. Teachers who wrote the letters didn't want much. All they asked for was a few items to make their job more enjoyable, effective, pleasant and easy.

RICH REFINED INTERIORS. Here's where you sit in the lap of luxury. Leatherlike vinyl upholstery. Foam-cushioned, of course. Carpeting and scuff mats. Vinyl overhead and chrome trim—the works!

EVEN BUCKET SEATS IF YOU LIKE. Comfortable, contoured for full support, padded with thick deep-foam cushioning, covered in rich leather-grained vinyl. Yours at a slight extra cost in the Nova Sport Coupe and Convertible.

STRIKING NEW STYLING. Any way you look at it, the Chevy II Nova is a neat, nifty fashion plate. The lines are so crisp and clean we're tempted to call them "elegant" (except that sounds downright expensive and, as your dealer will happily show you, Chevy II is anything but!).

The phrase from the song that says, "Walking in a winter wonderland" could have been aptly applied to everyone in And Around Friona early this week. Words are inadequate to describe the beauty of the town when the sun came up Tuesday morning.

Trees that normally stand straight and tall were drooping like weeping willows from a thick covering of snow and ice. With the sun glistening on the icicles that hung everywhere the whole area resembled something you read about in a magic land somewhere.

All residents were grateful for the absence of any West Texas wind. Probably a very tiny breeze would have resulted in broken tree limbs all over town, but the slow thaw without any wind was exactly what we would have ordered had we had a choice in the matter.

Farmers, of course, will be grateful for a few dry sunny days in which to gather their crops. Some maize and a lot of cotton is still in the fields.

Shoppers in this area will soon be able to shop more conveniently at Hurst's. I haven't heard anyone say exactly what the results of the addition to the building will add up to, but one thing is certain and that is that Andy will have more storage and display space in the very near future.

Friona ski enthusiasts are planning a holiday expedition. Think the local ski club has more members than any club in town, but like a lot of other organizations, a lot of them are too busy to attend meetings.

If newly elected officers aren't happy about getting elected, they will probably remember to attend the next meeting at which officers are to be elected.

The report I heard was that neither Andy Hurst nor Deon Awtry attended the last meeting, so they were unable to get anyone else elected to two offices. Of course, that may just be hearsay, but if a person attends a meeting, he can at least cast one vote for his opponent.

Think we have fewer December brides than usual, but there will be a few. To-day Sue White is becoming the bride of Wayland Hinds and Virginia Patton is to be married real soon.

Thinking about brides and weddings reminds me of a clipping I tore from a publication sometime ago. Think the name of it was "The Island Lantern," which is published in Washington, D. C.

The title of the feature is "Marriage Customs Around The World." Hope you readers enjoy it.

ARCTIC CIRCLE... Eskimos think nothing of exchanging wives. At festivals it is one of their principal diversions. Among good friends, trading a wife for a week or two every few months is par for the icy course.

SOUTH PACIFIC... At weddings among the Negretto tribe, the bride and groom appear before one of the chiefs who declares them husband and wife by knocking their heads together.

INDIA... The Brahmins of southern India have a custom that a younger brother must not marry before an older one. When it looks as if the

senior brother can't find a satisfactory bride, he is married to a tree, leaving the younger one free to get married.

NEAR EAST... Before an Armenian bride goes to church to be married she puts money in her shoes and stockings which are torn off her feet on her return to the house by the children of the family, out to get the loot.

TIBET... Weddings here are really different, as there may be two or more men marrying the bride while other husbands who are already married to her participate in the ceremonies. This is one of the most prominent lands in the world where polyandry, marriage of a woman to two or more men, is permitted.

FINLAND... The bride tries constantly during the wedding ceremonies to show her grief at leaving her parents and her youth, which makes the function as dismal as a funeral.

Little Cindy Lou Cason isn't old enough to go to school yet, but she's showing signs of becoming a good mother already. During our recent cold spell, she called Frances Collier, a neighbor, and cautioned her about going outside without a heavy coat, gloves and head scarf.

A few minutes later Frances heard a tap on her door and opened it to find Cindy standing on the porch minus any of the protective items of clothing she had reminded Frances to wear a short time before.

For a few years the trend for farm women seeking outside employment showed a gradual increase. At least one farm homemaker in the area is reversing the trend at the present time.

After working with some kind of household item party selling plan for a number of months, Mrs. Lloyd Rector is going to confine her activities to the non money making type.

The way she expressed it was that she was going to spend more time supervising the activities of her children and most of us will agree that taking care of four active youngsters is a time consuming job. However, knowing Betty Louise, she will probably be up to her ears in something.

Lots of Romance In Christmas Myths, Legends

There are many charming traditions about love and lovers connected with the Christmas holidays.

In northern England, young maidens place holly under their pillows with the verse, "Good St. Thomas, serve me right, and send me my true love tonight."

In the Swiss Alps, when a young woman accepts a gift of edelweiss, it is traditionally understood that also accepts the young gentleman who offers it.

And of course the custom of kissing under the mistletoe, as an expression of everlasting love, is one which dates back centuries. Although still a part of our Christmas tradition, it is now more of a "fun" custom rather than a sentimental one.

PIGGLY WIGGLY!

Snow, Freezing Mist, Sleet And Sub-Zero Temperatures

Turn Street Scenes Into

A Winter Wonderland

Clinging, freezing mist, and snow turned the Friona landscape into the mystical 'Winter Wonderland' Sunday, Monday and Tuesday as temperatures dropped to a known six below zero Monday night.

From one half to two inches of ice formed on the east side of most all exposed surfaces as a thick, swirling mist drifted slowly toward the west. Below freezing temperatures over the weekend froze the thick fog to power lines, trees, vehicles and buildings as soon as the fine spray would touch the surface.

Phone lines in parts of the county were still out of operation as late as Wednesday after they snapped under the weight of the clinging ice.

Christmas Theme Talks Keynote HD Luncheon

Members and guests of the Hub Home Demonstration Club met in the home of Mrs. A. L. Black for a Christmas luncheon and program Thursday, with Mrs. M. A. Gillis of Harrod and Mrs. J. K. Freese, Vernon, guest speakers.

Decorations in the entertaining rooms carried out the Christmas theme.

"The popular hues of December reveal in symbolism the inner meaning of Christmas," stated Mrs. Gillis, at the beginning of her demonstration on Christmas arrangements. "Green stands for everlasting

life and red for joy and laughter. Blue speaks of quiet, spiritual calm and white of purity. The glitter of gold and silver represent the radiance of the Christ child," she quoted.

Mrs. Gillis displayed arrangements suitable for every room in the home. The highlight of her demonstration was a centerpiece representing purity that featured a Madonna placed on a three tiered milk glass container accented with touches of green to represent everlasting life.

Mrs. Freese gave a very

unique and clever demonstration on the art of decorating cakes and party favors. She also displayed cakes for Christmas and birthday occasions. The making of decorative roses, with club members participating, was the climax of her presentation.

Gifts were displayed under a beautiful tree and 21 members and 15 guests exchanged gifts.

Refreshments were served to Mesdames M. A. Gillis, Harrod; J. K. Freese, Vernon; Andy Lincecum, Kress; T. C. Gooch and Lonnie Byars, Canyon; Bill Burton; Paul Fortenberry;

C. W. Tannahill and Johnnie Hand, Friona, guests.

Also to members Mesdames M. T. Hukill, Jack Shirley, Albert Cannon, Woodrow Fleming, A. E. Cannon, Paul Daniel, Gilbert Wenner, Eddie Hall, Wes Long, Jack Tomlin, Marshall Elder, John Hand, Rene Snead, Flake Thurman, John Thorn, Clarence Monroe, John Renner, Weldon Stringer, Buck Fallwell and Edgar Walters.

Children present were Debbie Fallwell, Shirley Wenner, Alan and Rena Monroe and Sheri and Johnny Thorn.

Bridal Shower Honors Karen Stephens

Miss Karen Stephens, bride-elect of Jarrell Wright, was honored with a miscellaneous shower Saturday in the home of Mrs. Joe Douglas.

Guests were invited to attend from 2:30 p.m. to 5 p.m. and

were greeted by Mrs. Douglas, who presented them to Miss Stephens, Mrs. John Wright and Mrs. Loyd Stephens.

Hostesses assisting Mrs. Douglas were Mesdames Earl Drake, O. B. Moyer, L. R.

White, Wilburn Carlton, Ralph Taylor, Jimmy White, Ross Terry, John S. Thompson, Clyde Weatherly, John L. Ray and Luther Shelton.

A white linen cloth covered the refreshment table centered with an arrangement of white carnations in a pyramid design accented with royal blue beaded spikes and Christmas balls placed in a milk glass compote. Milk glass and silver appointments completed the setting.

Cakes decorated with white icing and blue wedding bells were served with spiced tea to the guests.

Others attending and sending gifts were Mesdames Virgil Nowell, Monroe White, J. T. Carroll, Veldon Carroll, Merritt Brooks, J. W. McMahan, C. A. Paul, Winston Wilson, Dan Ethridge, Grover Goggans, John Gaede, L. F. Bruns, Ed Hicks, Gary Hicks, George Taylor, B. C. Hartwick, Jim Maynard, T. E. Lovett and C. S. Balmun.

Also Mesdames Truett Pool, E. E. Taylor, Arthur Drake, Glenn Taylor, Ralph Roden, Lloyd Prewett, Joe Talley, Meryle Massie, Doyce Barnett, H. R. Cocanougher, A. L. Reznik, Henry Lewis, Rene Snead, Bee Westbrook, Ed Duke, Bill Turner, John Baker, Weldon Stringer, Roy Clements, Mayo Phipps, Paul Daniel, Wright Williams and Noyle Wood.

Also Mesdames T. E. Wood, J. E. Knight, Granville England, Bill Baxter, Bill Sheehan, Glenn Reeve Sr., Ansel Renner, Ralph Wilson, Clyde Hays, Lee Renner, A. O. Drake, M. L. Howard, W. T. Buske, Stanley Benge, Elroy Wilson, Harold Taylor, J. B. Buske, Bill Mc-

Glothlin, Lillie Taylor, Jim Rule, Sam Williams and Cayson Jones.

Also Mesdames J. P. Wilson, Albert Rolan, Lawrence Cole, Buddy Lloyd, Sarah Vernon, Louis Welch, E. E. Terry, Marion Fite, Deon Awtrey, Travis Lloyd, Weldon Moody, Don Lloyd, Julia Lloyd, Jay Claborn, Sloan Osborn, D. B. Ivy, Charles Allen, Vernon Roberts, Claude Blackburn, Leonard Nettles.

Also Mesdames Harry Hamilton, Posey Cunningham, M. P. Bennett, Dale Hart, Hoyt Smith, Spencer Hough, Cecil Bass, Ralph Smith, Wesley Foster, W. B. Fulgham, L. B. Snider, Dorothy Hough, Dalton Caffey, Darrell Thompson, Jerry Loflin, Clifford Crow, Glen Williams, D. G. Hand, Douglas Connelly, O. J. Beene, W. P. Hicks, and Vestal Reid.

Also Ray, Shirley and Troy White, Don Lewis, Lila Gay (See STEPHENS, Page 4)

Of Interest To ★ THE WOMEN ★

Miss Virginia Nell Patton, daughter of Mrs. Janice Patton and the late Coy J. Patton, and Earl J. Boyd Jr., son of Mrs. Ann Boyd and the late Earl J. Boyd of Lake Placid, Florida, will exchange wedding vows at the Friona Methodist Church, December 27 at six p.m. Miss Patton is a graduate of Friona High School and Cliff Mann's School of Floral Designing in Denver. She is now employed at Cunningham Floral Co. in Amarillo and attending Amarillo Junior College. Mr. Boyd a graduate of Lake Placid High School, attended Florida State University in Tallahassee. He is now serving with the armed forces and is stationed in Amarillo. Relatives and friends of the couple are invited to attend the ceremony.

Rebekahs Plan Family Supper

Rebekahs will entertain their families and the Oddfellows and their families with a buffet supper Saturday night at 7:30 in the Lodge Hall. Entrees will be furnished by the Rebekahs and each family will bring a covered dish.

Luncheon Program Entertains Class

Thursday, Dec. 7, members of the Sunshine Class of the Methodist Church had their quarterly luncheon in the Fellowship Hall.

The buffet table was decorated with a wide red streamer centered with a red candle surrounded with greenery.

Scripture reading introduced the program followed by a round table discussion of Biblical questions and answers.

Secret Pals exchanged gifts and revealed names, and names were drawn again for next year.

Thursday evening, Dec. 14, members of the class will have a Christmas dinner and party and their husbands will be special guests.

Attending the luncheon were Mesdames Joe Collier, Pearl Hand, Kate Brookfield, Foister Rector, A. A. Crow, C. L. Vestal Sr., Will Osborn, Della Osborn, James Roberts, Hugh Nelson, A. W. Anthony Sr. and R. W. Ginsburg.

Golden Circle Exchanges Gifts

Christmas gifts were exchanged at the Golden Circle Sunday School Class meeting of the First Baptist Church last week in the home of Mrs. Charles Sanders.

Mrs. Travis Stone conducted the business session. The group planned to take food to a needy family for a Christmas project. Mrs. Glen Mings gave the devotional followed by the presentation of a crystal candy dish to Mrs. Bob Coker, class teacher.

The hostess served refreshments to Mesdames Stanley Benge, Kenneth Miller, Paul Williams, Coker, Stone, Juanes Green, Calvin Floyd, and Glen Mings.

Scout Troop 144 Meets Wednesday

Wednesday after school Girl Scout Troop 144 met for their regular session. Following the roll call and business meeting, the group of girls worked on their Christmas gifts.

The troop will have a Christmas party Tuesday, Dec. 19. Refreshments were served by Sue Rodgers and Cindy Ingram to Lou Cochran, Martha Martin, Glenda Mings, Shirley White, Kathy Jones, Carolyn Kirby, Linda Fallwell, Becky Turner and Vicki Moorman. Also Mrs. Bob Rietmayer and Mrs. Ralph Wilson, leaders.

Carol Struve Notes Birthday

A birthday party honored Carol Struve in the home of her parents, Mr. and Mrs. Steve Struve, Friday night. Carol was observing her 15th birthday.

Sandwiches, dips, chips, candies and home-made ice cream were served. Also a birthday cake made by the hon-

oree's grandmother, Mrs. Lucy Welch.

Attending were Donna Fulks, Rebecca Bails, Jan Wells, Lynn Wilson, Julia Dennis, Sheryl Long, Karen Osborn, Merylene Massie, Nan Lillard, Sharon Dean, Linda Jo Davis, Shirley Phipps, Teto Jennings and Carol.

NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

Because we believe the Preamble of Texas Farm Bureau is an outstanding preamble, we are printing it for all to read. We give thanks to almighty God for the many blessings He has bestowed upon us as a nation and as individuals. We invoke his wisdom and direction upon our every decision in order that we may be worthy citizens of His Kingdom and our nation. May He grant us the grace to know and to do his will.

We believe that the democratic principles of free enterprise and human freedom upon which our nation was founded are responsible for its greatness.

We believe in the right of every man to choose his own occupation free from compulsory unionism; to be regarded in accordance with his productive contribution to society; to save, invest and spend his earnings as he chooses; and to worship as his conscience dictates.

We believe that further centralization of power and authority in the Federal Government and the apathy of American people to this trend are among the greatest dangers threatening our Republic and American way of life. "Planned economy" concepts such as socialism and communism, facism and other forms of totalitarianism must be opposed wherever and in whatever form they may be found.

In order that we as individuals in our profession may make a greater contribution to the above stated principles through group action we believe that Farm Bureau is a free, independent, non-governmental, voluntary organization of farm and ranch families united for the purpose of analyzing their problems and formulating action to achieve educational improvement, economic opportunity, and social advancement, thereby promoting the national welfare. Farm Bureau is local, national and international in its scope and is non-partisan and non-secret in character.

It is wholly controlled by its members through majority decision and is financed by voluntary membership dues. (This preamble was approved by the delegates at the 1961 Texas Farm Bureau Convention in Galveston.) President Harry Hamilton checked with State Farm Bureau Director, Hub King, of Brownfield last week, to be sure work was being done to retain and improve the Bracero Program. King had been in Washington at the hearing.

THE HIGH PLAINS FARM AND HOME

COLD LUNCH . . . Area livestock had to be fed from hay and ensilage reserves last weekend as freezing mist covered pastures with a heavy coat of ice. Danny Murphree pokes feed to his show calves after distributing bundles to the

other livestock which was brought into the feedlots during the icy weather. Frost and ice matted the long winter coats of the animals they began to resemble shaggy grey beasts.

WHITE WORLD . . . The low, rolling mist formed white, icy coverings for the cotton stalks until the observer could not distinguish the cotton from the stalk of unopened bolls. The mist was so thick that visibility was reduced to the point where the lines of machinery became blurred at distance as short as fifty yards Sunday evening.

SCS Announces Essay Contest

Farmer County Soil District 1962 Essay Contest rules were announced last week. Residents who will not have their nineteenth birthday before July 1 and will not be a high school graduate may test their literary skill in the event. Essays are to be written in ink and in longhand on the subject, "Conservation and the Population Explosion." Papers must be submitted before 4 p. m., Jan. 26, to Mrs. Frank Truitt, Friona; Mrs. Winnie Bradley, Farwell; Mrs. Charles King, Lazbuddie; or Mrs. Harold Morris, Bovina. Entrants are requested to attach a cover sheet with their full name, home address and telephone number, birth date and sex, name of parents, and signature and title of local chairman and location. Cash prizes will be awarded to the first four winners in the order of \$50, \$35, \$25, and \$15. Top essays will be entered in the Fort Worth Press Award Contest and prizes will be made shortly after the winners of the Fort Worth Contest are announced. Appropriate plaques will also be awarded to the County winners at the annual SCS banquet next September.

The first credit union in the United States was organized in Manchester, New Hampshire, in 1909.

FOR THE MAN OF THE HOUSE

If winter after winter, Dad faces the familiar sidewalk battle of clearing off the snow — the family's gift to him could very well be a deluxe snow thrower.

This time-and-labor-saving device has a 3 h.p. engine, handle-mounted controls and a reversible discharge chute. It'll be a welcome gift for the family's snow shoveler, says the Dura Corporation, makers of the Moto Mower equipment.

HD Agent's Notes

BY MISS ETTIE MUSIL

Winter is here. This week the trees and shrubs were so picturesque. However, much beauty did end in damage to many tree branches and television antennas.

Snow and ice on telephone and electric lines can mean damage to our homes each winter. Do keep a close watch on your home freezers. If your freezer stops during a severe ice storm keep it closed as much as possible.

Plan what you need to take out of it for the whole day before opening it. Then get the food out quickly. If possible move the food to a locker plant if power will be off for several hours or days. Or if you can get dry ice use about 50 pounds to protect the food for each 36

hours. Saw or chop the dry ice into pieces for the storage compartments. Never handle dry ice with bare hands as it may cause burns.

Place the dry ice on boards on top of the packages. If dry ice is placed directly on the packages it will cause freezer burn to the food. Do not open the freezer again until it is necessary to put in more dry ice or until the freezer has been in operation for a few hours.

If dry ice is used, you may cover the freezer with blankets to help retard the rise of temperature in the freezer. But blankets alone have little or no effect.

During the winter weeks ahead of us do be most careful in heating your homes. It's better to be a little cool than overheated. Do open your windows a little for ventilation. Of course, opening windows too much adds to your fuel bill.

Every year Texans die from carbon monoxide gas poisoning. This gas is odorless, colorless and tasteless. Deaths from this cause are most common during the winter months. Usually they result from a high, open fire in a room without proper ventilation, a clogged flue, unvented gas stoves or defective gas stoves or leaky exhausts on the automobiles.

Symptoms of carbon monoxide poisoning include headache, dizziness, eye blurring, nausea and fluttering or throbbing of the heart. A check of heating equipment and attention to ventilation will help guard you against this gas. If you feel this way, get fresh air immediately!

During this weather it is an ideal time to catch up on your patching, sewing, and making Christmas gifts. If you are sewing cottons or linen, press when well dampened or use a steam iron with high heat. Press woollens with a damp cloth between iron and dry woolen, or use a steam iron. Use high heat for wool, but don't press too dry. To shrink out ease, pat with hand to hold steam in the wool fibers.

For the third time this year, snow and ice has halted virtually all harvesting operations.

Cotton stripping was just getting into full swing across the county when falling snow brought all operations to a halt last Thursday. Successive cold fronts kept the weather in a most disagreeable state for any outside activities for the remainder of the past week.

A freezing mist began to collect on all exposed surfaces over the weekend. Power lines across the county began to snap and several families left their cold, dark homes for the inviting warmth of Friona and Farwell.

Broken power lines and parted phone cables left many rural homes without communication facilities and power for the electric cookstove. Service crews braved the freezing weather until early morning hours over the weekend in an effort to keep their utilities in operation.

Cattle left their ice-covered wheat pastures and clustered together in fence corners with plantive bawls in protest as the weekend mist formed ice-cakes in their hairy coats. Hay and ensilage reserves were called upon to supply the livestock

with nourishment until the brilliant sunshine melted the ice from the fields.

Up to two inches of ice formed on the east side of tree branches to bring many limbs crashing to the ground, leaving jagged scars on the trunks.

Highways and walks were covered with a thin sheet of ice which reduced travel to necessity cases only. Several minor accidents were reported but no injuries were sustained.

Cotton strippers stood like white monsters at the end of the rows where they were

abandoned when the snow began to fall. Cotton stalks were almost unrecognizable because of the heavy coating of ice and snow.

Deryl Coker, county agent, estimates that — according to reports which he has received from the 15 county gins — only about 25 per cent of the cotton is harvested.

"I am afraid that some of our cotton will be lost and we will not make the 65,000 bales which was estimated earlier," Coker said.

Some of the farmers who con-

tracted to sell their cotton at 30 cents per pound received a considerable amount of razing earlier in the year. But with the recent wet weather and decreasing prices and cotton grades, they are being looked upon as the smart (or lucky) farmers.

On the average, cotton qualities have fallen one or two grades since the first bales were ginned. Prices have dropped below the contracted 30

cents for the majority of the cotton delivered during the past two weeks.

Rural Electric pay taxes

True False

The Fable
One-fourth of the nation's leading citizens think rural electric systems, financed by Rural Electrification Administration loans, pay no taxes. This erroneous impression was revealed in a recent national public opinion survey.

The Facts
America's rural electric systems, owned by the people they serve, pay local, state, and federal taxes running into millions of dollars annually. Many rural electric are the biggest taxpayers in their counties.

Rural electric, operating on a cost basis to bring member-consumers electricity, generally pay the same taxes as any other business. They do not pay Federal income tax because they do not make a profit. Monthly electric bills pay operating expenses, depreciation, and interest and principal payments on REA loans. Any over-payments are returned to members.

FOOTSAVING EDUCATION
by James E. Edwards

Shouldn't Footsaving Education Be Learned First by Shoe Clerks?

It may be almost incredible but the fitting of children's shoes has improved immeasurably in the last twenty years. Parents are no longer flabbergasted when a shoefitter measures both feet of their child. Twenty years ago you felt fortunate if he measured either foot.

After careful measurement the modern shoefitter may try three or four shoes in this same size before he is satisfied that he has the correct last for the child's foot. Twenty years ago if the last of the shoe was wrong the shoe clerk changed the size. Almost all shoe sizes were concealed in code so the customer didn't know the difference.

It is a sad commentary on our nation's interest in foot health that the law requires a manufacturer of clothing to show the percentage of wool, cotton etc., but the shoe manufacturer is not required to mark shoe sizes so the buyer can read them.

WITH THE COUNTY AGENT
DERYL COKER

Here of lately, we have heard a lot about marketing agreements or marketing orders. I would like to give you a rough definition of these two programs.

What is a marketing agreement?

It is a contract entered into by the Secretary of Agriculture with handlers of a particular commodity, including producers so engaged. It is binding only on those who sign it. Legislation provides that the agreements are not in violation of the anti-trust laws. A marketing agreement alone is seldom effective.

What is a marketing order? It is issued by the Secretary of Agriculture and is binding on all handlers of the commodity concerned in the specified production or marketing area, regardless of whether they have signed an agreement. An order may be issued for a commodity only if at least two-thirds of the producers, or those who produce two-thirds of the volume, approve the order by referendum. A two-thirds majority means two-thirds of those voting in the referendum, and not two-thirds of all growers in the industry. Handlers of at least one-half of the volume must have signed an agreement to have it made effective.

with an order. However, an order may be issued by the Secretary when he finds it is the only practicable way to carry out the objectives of the Act — even though the necessary number of handlers have not signed. Marketing orders and marketing agreements have been used in the past on milk and other perishable commodity crops. They have advantages, as well as disadvantages, and if confronted with these programs, it is up to the producers and handlers to study these programs to see how they would affect you, and to vote the way you see fit. Speaking of voting, you know we take everything for granted sometimes, and say to ourselves, "Well my one vote won't make any difference," but it does. A large percentage of eligible Americans never vote.

Mrs. Thomas Honored At Birthday Dinner

Mrs. Laurie Thomas was guest of honor at a turkey dinner in the home of her daughter, Mrs. O. B. Moyer, Thursday, Dec. 7. Mrs. Thomas was celebrating her eightieth birthday.

Gifts were presented to the honoree and were opened and

displayed preceding the dinner that was served from a table decorated with a Christmas arrangement.

Attending were Mesdames C. E. Boone, Clyde Coconougher, Jennie Clark, W. A. Gearn, Nan Williams and A. C. Thompson, all of Hereford.

Mrs. Chitwood Fetes Club Members

Kinsley Past Matron's Club members were entertained with a Christmas party in the home of Mrs. Bert Chitwood Friday

at 2:30 p.m.

A decorated tree flanking the wood burning fireplace enhanced the setting for the holiday festivity.

Members exchanged gifts by drawing and matching numbers. Mrs. Chitwood served fruit cake, cookies, frozen salad, home-made candies and coffee to Mesdames Ed Boggess, Pearl Kinsley, Miller, Mack Balmum, Charlie Balmum, J. T. Gulnn and R. W. Ginsburg.

Stephens Shower--

Buske, Sharon Reeve, Jo Ann Altman, Evelyn Stephens, Jane Bruce and Mark Bruns and Pam Hartwick, Gayle Knight, Sue Baxter and Jere Buske.

Also Mesdames Frank Truitt, Pug Collier, Pete Buske, Allen Stewart, J. P. Ready, Floyd Brookfield, E. R. Day, R. W. Jones, Bill Burton, Kenneth Williams, L. B. McClain, W. S. Crow, A. W. Anthony Sr., T. L. Houston, Hop Lewis, Ray Landrum, C. W. Dixon, Paul Hall, Ralph Shelton, Fred Dennis, Kenyth Cass, Leonard Haws, Philip Weatherly and Dwain Menefee.

Mrs. Claude Miller presented a "Christmas Message" for the devotional.

Luncheon Honors WSES Members

Forty-nine were present for the annual luncheon honoring golden age members of the WSES of the Friona Methodist Church recently.

Hurst, program chairman, assisted by Mrs. I. T. Graves presented the program from a large Christmas card painted with a religious scene by Mrs. Hurst. Narrations were given representing different countries and were displayed on the card.

Each honoree was presented a gold corsage upon her arrival by the hostesses, Mesdames Ralph Shelton, Eugene Ellis, I. T. Graves, Guy Latta, Howard Ford and Wallace Kirby.

Mrs. Flake Barber, soloist, presented several Christmas selections, and Mrs. T. A. O'Brian made a brief talk.

Following lunch, Mrs. Andy

Baby Shower Fetes Mrs. Boyd Pipes

Mrs. Boyd Pipes was the honoree at a baby shower given in the home of Mrs. Bob Wily recently. Assisting Mrs. Wily

with hospitalities were Mesdames L. D. Pope, Ed Walters, A. H. Hadley and Leo Balls.

A corsage fashioned from pink and blue ribbons and baby socks surrounding a toy doll was presented to Mrs. Pipes by Rebecca Balls and Gay Wily gave a Baby Book to the honoree, gifts from the hostesses.

Cake, coffee and punch were served from a table laid with a lace cloth and centered with a stork arrangement.

Attending and sending gifts were Mesdames Oscar Baxter, E. M. Jack, Grace Hart, W. H. Evans, Alta Wily, J. W. Baxter Sr., Larry Martin, Lester Dean, Richard Perkins, James Pope, Don Tims, Troy Young, Sterling Graham, Bertram Jack, T. C. Gardner and Windell Sikes.

Also Mesdames J. A. Golden, Ray Vanlandingham, Jim Baxter, Gene Bracken, Noah Young, Newel Harper and girls, Eugene Nidley from Campo, Colo., Curt Siegrist of Elk City, Okla., and Miles Robbins from Blunt, S. Dak. Also Misses Gay Wily, Rebecca Balls, Christa Evans and Willine Baxter.

Coffee Honors Teachers' Wives

Mrs. J. T. Gee was hostess to a coffee honoring wives of local teachers Thursday morning.

Seasonal decorations were used in the entertaining room and a Christmas arrangement centered the serving table.

Mrs. Gee served coffee, tea, Christmas breads and candies to Mrs. Baker Duggins, Mrs. Tom Jarboe, Jay and Jeanie, Mrs. Alton Farr, Mrs. Bob Coleman and Brent, Mrs. Lionel Young and Jackie, Mrs. Edgar Carney, Mrs. Kenneth Miller and Melody, Mrs. Lowell Bynum, Phil and Doug and Mrs. J. C. Lane.

FRIONA

On The Move

Mr. and Mrs. Hubert Reeves and boys from Spearman have moved to 611 Summit. He is Education Director for First Baptist Church.

Mr. and Mrs. Charles Rector from the Hub community will be moving to 1002 Virginia soon.

Mr. and Mrs. Jim Richey recently moved from 1002 Virginia to Jet, Oklahoma.

Mr. and Mrs. Odell Vaughn and daughter have moved to 1105-B Main.

Mr. and Mrs. J. L. Floyd, parents of Calvin Floyd, from Amarillo have moved to 1110-A Euclid.

Mr. and Mrs. Grover Houston have moved from 215 W. 7th to 712 Cleveland.

Something To Think About

6th. Street Church of Christ
Box 515 -- Friona, Texas

While multitudes of all nations are singing "on earth peace, good will toward men" others are spreading the propaganda of "Peace, when there is no peace." Many well-thinking people are being seduced because they have never learned the meaning and true source of genuine peace. Some desire peace at any cost, preferring the peace of slavery rather than the freedom that comes from fighting "the good fight of faith." Others settle for the peace of apathy, or compromise, or the peace of desperation. It is time for people to wake up to the fact that lasting peace does not come from peace treaties, co-existence, world councils and secret meetings. Nor does it come from wars. There is only one source of true peace, GOD. And until there is a universal recognition of the power of God, there can be no universal peace. Men have been fed the "half-truth" so long, that the masses do not even know that "... on earth peace, good will toward men" is not all of Luke, chapter 2, verse 14. Men turn to their own wisdom because they have yet to learn all of this verse. Man needs to wake up to the fact that "GLORY TO GOD IN THE HIGHEST..." comes before "on earth peace, good will toward men." Furthermore, giving glory to God involves a great deal more than saying unto Him, "Lord, Lord." The one who made this peace possible, Christ our Lord, said that to give glory to God necessitated "doing the will of my Father which is in heaven." The truth, the whole truth, nothing but the truth can make us free!!!

PIONEER NATURAL GAS COMPANY

Come To Church Sunday

We have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us. (11 Corinthians 4:7.)

In the little country church where I worship each Sunday morning is an old manually-powered pipe organ, no longer used in our services. To the right of this organ is a small door, just large enough for a person to squeeze through.

For years, the organ boy entered there to pump air into the bellows during the worship services. It was his duty to keep the bellows full of air so that the organist could produce the power and beauty of sacred music.

During the services, I find my thoughts wandering to that little door and to the organ boy. They remind me that if we are to live to the fullest, we must let the Holy spirit enter our hearts to give us power -- even as He gave it to the disciples on the Day of Pentecost when He came as a mighty rushing wind. It is through Him that we find our faith renewed and guidance given to bring harmony to our needy world.
