RODEO WEEK—

For the twenty-first year in a row now the Upton 4-H Club will stage their All-Kid Rodeo Friday and Saturday. This is probably one of the longest running purely kid rodeos in the country. Most of the present day affairs are under AJRA rules and regulations.

But not the Upton show. It's a home-grown product from bottom to top and is run strictly to suit that taste of the 4-H Club. And despite the fact that twenty-one years of experience has worked out many of the wrinkles, it's still not a popped-up job to stage this rodeo.

A lot of work by a lot of people goes into each year's show and planning and preparations get off the ground early in the year.

It's probably not all that it could be—few things ever are—but to have had a 21-year run says a good bit about its operation and the people who work to put it on each year. It's probab-

ly going to be around for a good while longer and those responsible can take a bit of pride in a job well done.

Of course what really makes the rodeo is our visitors—both contestants and spectators. Without their support, it wouldn't be much more than an evening goat roping. So put on your good manners and let's give these out-of-town folk the big ole glad hand.

To Rankin for Rodeo

call for a unit of the Texas Agri-Tour to be on Rankin—for the parade Friday—and all day. The van, with a wide display of educational material, will be open to the public free of charge.

Reminiscent of the Diamond song, "Bro-Travelin' Salvation," the Texas Department of Agriculture's Agri-Tour trailers

are operated by couples who live in them full-time due to their hectic schedules.

The Department of Agriculture has financed the mobile exhibit

As well as being informed about the limitless abundance and high quality of Texas food and fibers, Texans also receive a brief historical and geographical description of the Lone Star State as they enter the van.

Through color slides, posters and word of mouth the story of Texas agriculture and the bold TAP (Texas Agricultural Products) promotional program is told.

Turkey, beef and natural fibers are subjects of slides which have been produced by the TDA.

In addition, receipts and literature on consumer hints are distributed to the visitors.

Adding immeasurably to the popularity and success enjoyed by the Agri-Tour operations are the knowledgeable TDA specialists, Mr. and Mrs. Jess Moreland and Mr. and Mrs. Buddy Roundtree, who accompany the trailers to various stock shows, county fairs and shopping malls, among other Texas stops.

The vans feature a great amount of TAP literature. This ambitious program has as its goal to increase Texas' awareness of the richness of our state in food and fibers. And to emphasize the fact that it benefits all Texans to buy home grown products.

Rev. Miller to Stay at Rankin Post

Announcement made May 29 by the Methodist Conference Cabinet, meeting in San Antonio, revealed that Gordon H. Miller will remain as pastor of the Rankin-Midkiff United Methodist Church. Miller came here last year from San Antonio.

About a third of the district has new assignments, according to the news release. The average tenure of Methodist pastors is about 3 years.

Those who received new assignments as a result of Friday's appointments will take over their duties in these posts as of June 1.

Transportation for Two to Camp needed for Sunday, June 7

A week's vacation for two boys from Rankin at the Salvation Army's Camp Hoblitzelle begins June 7th, according to Travis Bley, camp chairman.

He said that there was a big search on in Rankin for transportation for these boys to the camp area near Dallas and that the Salvation Army would pay gasoline expense for anyone who would give them a ride that way June 7. Return transportation has been arranged.

Rankin youth making the trip will be Richard Arendarez and Billy Ray Gordon.

"This will be an excellent experience for these boys who have never been to a real camp. At Hoblitzelle they will enjoy boating, hiking, archery, horseback riding, fishing, swimming, had nic rafts, movies and baseball as well as worship services and Bible study", the chairman noted.

Camp Hoblitzelle operates on a year-round basis at its 370-acre site, 30 miles from Dallas. Boys enjoy a carefree vacation at no cost. Between now and Labor Day 3500 persons will attend 16 different camp sessions.

Rankin Rodeoers Win Big at McC'my

Rankin's younger set of rodeo performers carried off a large portion of the trophies at last week-end McCamey Junior Rodeo. A heavy rain washed out Saturday night's action with the result that a Sunday round had to be held.

Winning the Queen title was Pam Rutland, daughter of Mr. and Mrs. Roy Rutland of Rankin.

Top All-Round in the 12 and under went to Patty McFadden, daughter of Mr. and Mrs. Leslie McFadden of Rankin. She won 1st in the barrels and poles.

Other Rankin winners included Jamie Gossett, a 2nd in poles for

girls 12 and under; Kirby Shipp, a 1st in hair pulling and a 3rd in flags for boys 12 and under;

Debbie Bloxom, a 1st in poles and a 2nd in flags for girls 13-15; Debbie Winters, a 3rd in poles in the same age bracket;

Kittie Sue Gossett, a 1st in the poles for girls 16-19 and a 2nd in flags; and Page McMullan, a 1st in barrels for the 8 and under age bracket.

It was the first rodeo action for the youthful McMullan and was not a bad start.

Bible School Has Big Enrollment

Vacation Bible School opened at First Baptist Church last Monday with one of the larger first-day enrollments when 101 were on hand for services. Still more were expected Tuesday and Wednesday.

As it is, the Junior Department is meeting in a tent pitched on the church parking lot—not that the youngsters mind the novelty of their different quarters.

One group, the Intermediates, have already laid plans for a trip next Friday to the Sandhills State Park at Monahans.

Special Drill Team to be here Friday

County Agent Dub Day revealed today that a special Drill Team from Midland will be on hand for the parade at 5:30 p.m. Friday and at the Friday night performance of the Kid Rodeo. Time for their arena appearance will be at 8:00 p.m.

Additional adult workers were also listed by Day. Those now "signed up" include arena director Jake Shipp, Judges Tommy Owens and Les McFadden, falgman Bud Poage, timekeepers C. G. and Shorty Taylor, gatekeepers David Binkley and E. M. Sullivan, and bookkeepers Nancy Poage, Edra Owent and Dorothy Sullivan. They will all work the rodeo.

For the horse show, Ellis Helmers is ring steward and Betty Howell, Sug Bloxom and Kay Derickson are bookkeepers.

Memorial Services Held at Cemetery

Memorial services were held on Saturday, May 30, at the Rankin Cemetery. A register that was kept indicated that over 40 per-

sons visited the site during the day—some from as far away as Albuquerque, New Mexico.

Flags were placed on the graves of twenty-seven veterans buried in the cemetery. Oldest veteran is from the Spanish American War.

Mrs. Ella Barfield is chairman of the Cemetery Association, Mrs. Bill Nix was in charge of Memorial Day services, in cooperation with Miss Maggie Taylor who is also secretary-treasurer of the association.

New Rental Rates in Force for Rankin Low Rent Project

Three renters at the Rankin Low Rent Housing Project received good news this week to the effect that their monthly rent would be cut—retroactive to March 31 of this year. The change in rates is a result of recent legislation passed by Congress and signed into law by the President last December 24. Reductions ranged from \$14.25 to \$5.20 per month.

The new law does away with the old minimum rent—in certain situations—which had been \$30.50 at the Rankin units. It stipulates

that rates can be no more than 25 percent of the renters monthly income.

Basis for figuring the rate is to take to annual income, deduct 10 percent—allowances—and \$100 for each minor. This figure is then divided by 4 to obtain the 25 percent factor. This, in turn is divided by 12 months to get the monthly gross rent.

From the gross rent is subtracted the monthly allowance for electrical power—in the case of the Rankin one-bedroom units, this is \$4.50 per month. Lowest rent now being paid in the Rankin project is \$15.75.

Should the results of this new law cause the project to operate at a deficit, the Federal Government makes up the difference at the end of the year.

Currently, Rankin has one two-bedroom unit that is not rented.

Send a letter to North Vietnam.

Right now hundreds of Americans are being held captive in North Vietnam.

A few prisoners have made it back. They talk about bamboo cages. Vicious beatings. Malnutrition. Humiliation.

But the North Vietnamese will tell us nothing. And it's this silence that makes our appeal more urgent.

For the families at home, there is no word on who's alive. Who's dead. Or even who's being held. There is nothing. Except the anguish of not knowing.

Maybe you can change this. By writing to the one man who can change it: The President of North Vietnam.

Ask him to release the names of prisoners, allow them to write to their families, and let the Red Cross inspect the prisons to

insure proper medical treatment and living conditions.

Remind him that he is bound by the 1949 Geneva Convention which his country signed. And by the Istanbul resolution.

North Vietnamese leaders do care about American public opinion. And if they think they can gain something by bowing to it, they will.

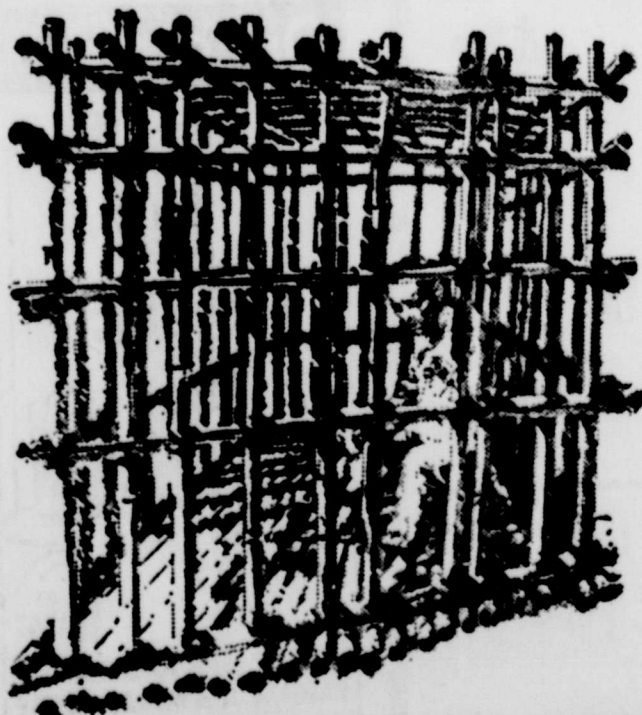

But one letter won't do it. Or a thousand. Maybe it will take millions. So we've got to write now. All of us. And often.

Write a letter tonight. And send it to: Office of the President, Democratic Republic of Vietnam, Hanoi, North Vietnam.

It'll cost you a quarter. But it might save a life.

THE AMERICAN RED CROSS +

Maybe they'll open it.
