y of the H he City of high School Juniors are aking orders for the mums. which are d in a price range of 100. Mums will be ath special lettering in designating "EXES" All mum orders must be placed not later than 4:00 p.m. Friday, October 9. Orders may be given to any member of the Junior Class and those planning to make purchases are urged to do so early in order that all arrangements may be made.

Other homecoming plans include the traditional bon-fire scheduled for Thursday night following the "B" Team football game across from the high school behind the parking lot. Students will gather wood for the fire between the hours of 1:00 and 3:40 p.m., on October 15.

Aanyone in the community who has scrap lumber or other material that would be suitable for the fire—old trees and tires are excluded—are invited to call the high school and the scrap will be picked up free of charge.

Friday, October 16, a pep rally will be held on Main Street. The entire student body, led by the Red Devil Band, will parade down town for this annual event. The public is urged to assist in boosting the Red Devils in the first district game against Socorro at 7:30 p.m.

Candidates Picked for Queen Honors

Recently the Rankin High School student body nominated candidates for the 1970 homecoming.

The 1970 Homecoming Queen will be announced at halftime ac-

tivities. She, too, is chosen by a vote of the RHS student body.

The slate of candidates include three seniors and one junior. The seniors are Diane Day, daughter of Mr. and Mrs. Dub Day; Sheryl Eggemeyer, daughter of Mr. and Mrs. F. G. Eggemeyer; and Lou Browning, daughter of Mr. and Mrs. Bert Browning. The representative of the junior class is Carolyn Pippen, daughter of Mr. and Mrs. John Pippen.

Indications are that this year's homecoming will, like most of those in the recent past, draw a good attendance, especially from the graduates now attending col-

County Judge to Austin Work Shop

County Judge Allen Moore, one of twenty judges in Texas to be so honored, has been invited to attend a workshop on mental retardation that is scheduled October 22 in Austin. It will be an all-expenses paid trip, sponsored by the Texas Department for Mental Health and Mental Retardation.

The Austin meeting, with a theme, "Role and Responsibility of the County Judge in Promoting and Supporting Local Level Programs and Service for the Mentally Retarded", is a pilot workshop to determine the best way of presenting the matter to all county judges in Texas. A number of noted specialists in the field will address the gathering.

Rankin Still Seeking First Win in Series --

Red Devils Once Again Face Old Foe Sonora in Friday Night Game

One of the big annual shootouts in West Texas Class A football will take place in Rankin Friday night when the undefeated Red Devils host the Number 2 Team in the state, Sonora. With a kickoff time set for 8:00 p.m., a full house is expected.

Sonora, a team that dropped a close contest last week to the Class AA Ozona Lions, has long been a thorn in the side of the Red Devils and even though the Rankin squad has led in the scoring of some past games—as much as 13-0 in a recent bi-district game — the Bronchos of Sutton County have always took the win. Last year they pulled it out of the fire in the last seconds of the game to win by a 21-20

B-Team, Junior in Tough Test Thurs.

Thursday afternoon will be a big test for three of Rankin's undefeated football teams. On that date, beginning at 4:30 p. m. with the 7th Grade game, the locals will be in McCamey for three games with strong Badger opponents.

It will be the first meeting of the Rankin and McCamey Juniors and B Team this year; however, they have played one common opponent, Stanton. Rankin teams won all their games from Stanton last week with the following results: 7th Grade, 12-6; 8th Grade, 22-0; B Team 27-0.

By comparison, the Badgers also did well against Stanton, winning two and tying one: 7th Grade, 12-12; 8th Grade, 26-0 and B Team, 26-6.

From these results, indications point to very close contests in all three games.

count

The Sonora squad, long a strong contestor in Class A football, is not a team that puts much faith in fancy football. They play a good clean game, preferring ball control—four yards and a cloud of dust—whenever possible but, if pressed, will throw the ball and throw it well. On the ground, they like to use power play straight into the line with quick, fast backs popping through the holes. They also block well on the power sweeps when testing the outside.

Reports from the Red Devil camp would indicate that they thoroughly expect a tough game but do not hold their visitors in awe. Their prime effort will be to try to keep the Bronchos off the scoreboard while getting a few marks to their own credit—basically the same tactic they have used in chalking up their four straight wins thus far in the (Continued to back page)

Contributions to be Asked at Ball Game

Prior to kick-off Friday night at the Rankin-Sonora football game, volunteer workers from Omicron Tau Chapter of Beta Sigma Phi will be on hand to seek donations for the Big Country Tuberculosis and Respiratory Disease Association. The ladies will be identifiable by badges and will also offer for sale the red double-barred cross, or bangles, that signify the fight being waged against all respiratory diseases.

Those who wish to make donations by check are invited to have their contributions with them and to hand them to one of the workers.

Local Draft Board Extends Eligibility Time by 90 Days

Local Board No. 121 Executive Secretary Mrs. Mae R. Williams announced today that random selection number 166 is the highest lottery selection number reached in 1970.

The board spokesman said that the remaining calls probably can be met without going above the current high random selection number due to the numbers of registrants entering the draft pool late in the year who have numbers below the "high" already reached by the board.

Mrs. Williams said that in compliance with the White House Executive Order announced recently all registrants of Local Board No. 121 who hold the highest reached number of numbers below the highest reached number and who have not been issued orders for induction due to any circumstance; will be considered for carryover into the extended priority selection group if they are classified I-A as of December 31, 1970. Such young men will have their liability for induction extended for the first three months of 1971.

The local board spokesman said that the Executive Order states that registrants who held numbers above the highest reached number of Board No. 121 and are classified 1-A on December 31, will be placed in a lower draft priority group on January 1.

(Ed.: Now you got that didn't you, boys?)

ional 4-H Week Oct. 4-10

"The Scoop" column

ek. Naturally, here iu lounty almost any week is ek, theirs being one of supported local operations have—aside from football Individually, you may or may not be a big fan of 4-H work but I believe everyone of us will acknowledge that few if any other organization has done more for boys and girls locally than has the 4-H Club.

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

CAREFUL THERE-

Rankin football fans are something else. They support Rankin teams with a zeal and a zest seldom matched by any other school in this area—as witnessed in Stanton last Thursday when an exceptional number turned out for the Junior High and B Game.

Support is one thing that helps build winning football teams-

But, Rankin fans, bless their hearts, are also noted for being a little hot under the collar when it comes to officiating and unless a check is put on this sort of thing, we can be headed for trouble—again. We've had one suspension in the not too distant past-

At any football game, here or away, Rankin School are held responsible for Rankin fans, according to the Constitution and Contest Rules of the University Interscholastic League for 1970-71, and any official can easily get a suspension slapped on you.

Now how would you like to be the one responsible for getting the Red Devils suspended? Think about it. Where would we be then? Would that be fair to the boys on the teams and all the kids in school who have worked so hard? Certainly not.

There are official means of lodging a protest and having your say, as set out in the above mentioned rules and that's the only way it can be done. We all get excited and do a lot of yelling at a ball game—that's what we pay our money for—but let's not lose our cool because we've got too much at stake and the one thing we don't need right now is a suspension.

So let's not get carried away because we'll be the ones who suffer the consequences. Officials are going to miss a call now and then, in high school and in the pros, but they're still the officials and any one of them can make it mighty hard on a school if he is of a mind to do so.

The Rankin (Tex.) News— Thursday, October 8, 1970

TREE TIME-

Dub Day says it's pecan tree ordering time again. I thought we had that last month—or was that when I finally got my hole filled up from last year?

In any case, those of you who will be wanting pecan trees to set out after the first of the year should contact Day's office right away. He wants to get the order in by November 1, and maybe they won't run out like they did last time around.

Even though this will only be the third year of the pecan tree planting drive in Rankin, you can already see the results. Drive around town sometime and see how many pecan trees you can count. You'll likely be surprised.

And did you know that threes and greenry manufacture the oxygen that we breathe? I didn't—not until we got on this pollution and ecology kick. So yuo'd better get your own private tree for at the rate things are going, in some future time you may have to run out and stick you head in it every once in awhile just to get a breath of air.

If it comes to that, you keep your head out of my tree.

GOOD IDEA-

Mrs. Janice Hyatt, president of the Omicron Tau Chapter of Beto Sigma Phi has come up with what seems like a reasonable idea. She is suggesting that we all get together and have one yearly fund drive—something like a Community Chest—rather than the half-dozen or more seperate ones that are now held here yearly.

This would mean a lot less work for everyone concerned and would put a stop to having to ask the same people five or six times a year for a donation. And I'd venture to say that the amount of money collected would be near (Continued to Page 7)

RHS Bioligy Class on Coast Field Trip

The Biology II Class of Rankin High School has returned from the coast with numerous marine specimens and a knowledge of marine ecology. The group, consisting of 16 students, was sponsored by 5 adults: Mr. Roy Johnson, Mr. and Mrs. Dub Day, Mrs. Son Jackson and Mr. Pete Bearden Traveling on the Continental Bus, they left Rankin after the McCamey football game. They traveled all night and arrived in Port Aransas around 8:00 Saturday morning.

During the four days at the coast, the group visited the jetties and several different beaches. At the jetties they collected menippe and blue crabs, several types

of fish, a small shark, a large sea turtle (which they could not bring home), and various other marine organisms.

Visiting the Gulf Beach at night they collected ghost crabs, lettered olives, scotch bonnets, and coquinas. Along the beach of one ship channel the group discovered some very large whelks, a few apple murez, and fiddler crabs.

At Mustang Beach, the group collected moon shells, Campeche angel wings, and razor clam shells. Along the open beaches by the jetties, they found a starfish, key-hole urchins, and pin shells.

The group also visited the marine museum of the Texas Parks and Wildlife Department. Mr. Tom Heffernan, of that department, spoke to the class and took them on a tour of a marine research

trawler.

The football boys returned on Monday with Dub Day. The rest of the class returned to Rankin about 6:00 Wednesday evening. The group has expressed their thanks to the Rankin School Board for giving their permission for the class to go on such an interesting and educational venture. The class also expressed appreciation to the sponsors for the leadership and patience during the trip.

ON YOUR OWN TWO

* Every man over 35 has a trick football knee—whether he played or not.

ONE MORE-

The Red Devils win again, in another pulse-stopper. But, as we say in golf: it's not how but how many. So far, they've had the right score on the board at the end of the game and that's how you keep an unbeaten record.

It's not unusual to hear someone put the question: "what was wrong with our boys . . . they didn't play their usual game?"

I expect that anyone who could put their fingure on the answer to that question would unravel one of the really big questions in sport. Exactly why any given team—be they high schoolers or pros—turn in a bad performance once in awhile is something that has baffeled coaches and teams themselves for the lifetime of sporting events.

And you can just about pick your reasons for they are probably numerous. I recall one of Rankin's past coaches saying that a team could look bad if one of the boys had a spat with his girl friend. Well, that's as good an example as any.

Personally, in the case of the Red Devils, I suspect that it's not so much that they're having a bad night as it is the other boys feeling that they can beat us. In the case of Wink, the Widcats involved certainly didn't want to have the dubious honor of being the first Wink team to ever lose to Rankin. Stanton last week—if you look at their schedule—may well have felt that Rankin was their last chance to win.

In any case, fans and team alike should know by now that we are going to have to play these games a week at a time and cut out this business of looking ahead a week or two.

THIS WEEK-

This week will be a big one for all four Rankin ball clubs. The Juniors and B Team go to Mc-Camey and the varsity hosts the Sonora Red Hosses. So far this season, the Rankin squads have won thirteen games straigth with a total of 357 points while giving up 58- If that unbeaten record is to be maintained, all four teams are going to have to go great guns.

Despite the fact that Sonora lost last week, they're far from an easy mark. The Bronchos are a prideful bunch that doesn't like to lose—especially two in a row—and you can bet they'll have fire in their eyes Friday night. It ought to be one whale of a game for Rankin, too, will be ready. The Red Devils have made no bones about looking forward to this game after getting beat in the closing seconds last year.

Sonora probably has a better team than last year—if they ever have a poor one—but, Rankin is also stronger overall. Rankin has never won over Sonora and the odds are getting long in our favor. Friday night will be as good a time as any to pull off the big

win. As Rankin has discovered over the years that they have been doing battle with the Sonora Bronchos—and contrary to all circulated rumore — the Sutton lads can't actually walk on water. They are just young lads like our own and put their pants on one leg at a time—maybe with neatness and considerable skill but really nothing supernatural.

The Rankin (Tex.) | Thursday, October 8

Friday night is going big night for the Red D their rooters.

The Scoop --

(Continued from Page 2)

the same-maybe even more for one big effort would likely be more effective than a batch of little ones.

For a drive of this nature to work, it's going to take a lot of planning and cooperation by all concerned; but the results ought to be worthwhile. Mrs. Hyatt is presently contacting several other local organizations that might be interested in an effort to get their thinking. It seems well worth a try and if it doesn't work out, then we can always go back to the individual efforts such as we have now-

4-H WEEK-

Currently, Dub Day has some 40 youths enrolled in Upton 4-H work. In addition, there is about the same number involved under the Home Demonstration Department. In the past ten years, it is estimated that over 250 boys and girls have worked through the 4-H program in Day's depratment a-

A LOOK AT CAPITOL HILL WITH YOUR CONGRESSMAN FOR THE '70s AND BEYOND

Attorney General John Mitchell's first report on Justice Department use of wire-tapping reveals that it has been an effec-

Altgether, 137 arrests were made from evidence gathered in 31 court-approved wire-taps. In Washington, D. C. alone, a wiretap on a narcotics wholesaler picked up 5,594 incriminating calls in 39 days. These resulted in the arrest of 57 people, one of the largest dope-ring roundups on re-

Also in 1969, six wire-taps in Newark collared 55 persons, including many Cosa Nostra leaders. Between 1961 and 1966, the Government's war against organized crime minus wire-tapping showed markedly different results only 185 indictments against Cosa Nostra members during the five year period.

Despite the hue and cry protests of a misguided few, wiretapping has not proven to be an 'invasion of privacy" for law abiding citizens. I am pleased to Attorney General Mitchell and President Nixon being scrupulously careful in applying this most powerful anti-crime tool.

Pd. Pol. Adv., Gill-For-Congress Comm., Dale Dorn, Chmn.

lone.

Any organization that can reach that many boys and girls todayand has functioned for a long as 4-H-is certainly a worthwhile undertaking and worthy of full public support. I'm sure we all join in a salute to 4-H during this special week in their honor.

Mrs. Wilkerson is Exemplar Hostess

The Xi Epsilon Chi chapter of Beta Sigma Phi met Monday, October 5 in the Rankin Country Club with Mrs. Judy Wilkerson as hostess.

Faye Collins was the guest speaker and gave a speech on her trip to Girls State. Members voted to donate gifts to the Big Spring State Hospital for Christmas. The American Cancer Society drive was discussed. The group voted to sponsor the Hallowe'en Parade and Mrs. Mary Lou Midkiff was selected to represent the chapter as Valentine Sweetheart at the annual Valentine Dance.

Refreshments were served to twenty members and Vicki Ratliff won the door prize.

Future Teachers Pick Officer Slate

The Rankin Chapter of the Future Teachers of America held its first meeting Sept. 17. Mr. A. C. Copeland, the FTA sponsor, and nine members were present.

It was decided that the chapter would have a scrapbook this year and that the FTA members could student teach in the spring.

The officers for this year include: president, Junior Haynes; vice-president, Sheryl Eggemeyer; secretary, Bobbie Weaver; treasurer, Carol Brandt; and historianparliamentarian, Audrey Braden.

Martha Word Gets Deputy Post in OES

Martha Word of Rankin Chapter No. 176 was appointed Deputy Grand Matron of District 5, Section 2 of Eastern Star during the final session of the Grand Chapter of Texas OES in Houston. She was appointed by Mrs. Frederick Herrin, Worthy Matron, of

Mrs. Word, a member of Rankin Chapter since she moved here, was Worthy Matron of the Big Lake Chapter in 1953-54. She has been in OES work for 22 years.

During her one year term of office, the new Deputy Grand Matron will make her official visits to all chapters in the section, whic includes Rankin, Big Lake, McCamey, Eldorado, Sonora, Ozona, Ft. McKavett and Midkiff.

Other local members attending Grand Chapter were Mesdames R. L. Bell, Mary De Loach of Pasadena and Elsie Turner, Worthy

Mrs. Word will make her first official visit at Rankin Chapter Monday, Oct. 19. All members are invited to be present.

Pecan Show --

Continued from Page 1)

who is eligible to enter the foods portion. "You do not have to be a pecan grower," he pointed out. "The only requirement is that the entry must have pecans in it. Don't forget to get the recipes into my office for your entry by November 17 so we can print all of these up for a combined cookbook."

Entry blanks to the foods division may be picked up at WTU offices in McCamey and Rankin or at the County Agent's office, or by writing Box 71, Rankin-

Dates and times of events will be forthcoming.

Adult Classes Open: Students Welcome

Classes in the Rankin Adult Education Program opened last week and a good turn out was reported by H. G. Adams, supervisor. However, Adams noted that there was still room for others who might be interested in bettering their education and he urged them to take advantage of this opportunity to do so.

Classes are held Tuesdays and Thursday from 7:00 until 9:30 p. m. at the old Yates Hotel.

There is no charge for attendance and all courses are taught by certified public school teachers from the Rankin School District. Upon successful completion of the course, which runs through January 28, the students receive the equivalent of a high school diploma.
