## One-Act Whips on Win District ULL Competition

of the Rankin High School department, under the direction of Mrs. Paula Corbett, won a big win in One-Act competition, held last week in Alpine. The One-Act was a part of the Spring Events. Rankin has won several times in this event in the past.

"The Miracle Worker" won 1st. Clint Sanderson, 3rd. Last year's champion Van was 4th.

Best actress award went to Rankin's Lee Ora Herrington while the RHS cast also picked up three slots on the All-Star Cast. They were Jack Campbell, Connie Varnadore, and Audrey Braden. Other members of the local cast are David Weinkauf, Bonnie and Beverly Stewart.

A dress rehearsal of the play was held in Rankin last Thursday night and those who saw it were high in their praise of the cast. "It looks like we may have a very good play this year", said RHS Principal A. C. Copeland.

## District 6-A to Gather Here on Saturday --

# Rankin Hosting District Meet

For the first time in more than 20 years, Rankin will officially host a District Track Meet. The occasion will be the annual competition in District 6-A with the Red Devils the defending champions and expected to repeat as such Saturday.

Action will open early Saturday morning with all field events to start at 9:00 a.m. at the Knobb Hill all-weather track. These events will include such items as the discus, ploe vault, shot put, high jump, broad jump, etc. Although not overly strong in this area of competition, Rankin can be expected to pick up valuable points and hopes to qualify several for regional.

Other times and events for the day include:

- 10:00 a.m., 120 yd. high hurdles
- 10:20 a.m., 100 yard dash
- 10:40 a.m., 440 yard dash
- 11:00 a.m., 330 Int. hurdles
- 11:25 a.m., 220 yard dash

All field events will be finals, while the dashes, hurdles, etc. are preliminaries.

### FINALS

- 2:00 p.m., 440 relay
- 2:15 p.m., 880 yard run

## New Residents May Vote After 30 Days

Upton County Tax Assessor-Collector H. E. "Gene" Eckols has received the following communication from Bob Bullock, Secretary of State:

"The decision of the United States Supreme Court in *Dunn v. Blumstine* has invalidated state laws which require more than 30 days residency in the state or locality in order to be eligible to vote.

"The Texas law has now been enjoined by a federal court in the case of *Whatley v. Bullock* which was decided on March 31, 1972.

"Persons who have resided in the state and locality for 30 days and have been registered for 30 days prior to the election in which they wish to vote are now eligible to vote in state and local elections. Persons entering the state may register to vote immediately upon their arrival.

"The cutoff deadline for registration for those who wish to vote in the May 6 Primary Election was the close of business on April 5, 1972."

- 2:35 p.m., 120 yd. high hurdles
- 2:55 p.m., 100 yard dash
- 3:10 p.m., 440 yard dash
- 3:25 p.m., 330 Int. hurdles
- 3:45 p.m., 220 yard dash
- 4:00 p.m., mile run
- 4:20 p.m., mile relay

In Monahans last Saturday, the Red Devils won easily, to make it six wins out of seven track meets they have entered this year. In again more than doubling their division point-wise, the Rankin crew posted a number of new records for the Monahans meet.

Perhaps one of the more significant of these was the mile relay

## Quick Action Nabs 3 on Check Charges

Some fast cooperation between employees at First State Bank in Rankin and the Upton County Sheriff's Department has again brought quick arrests in connection with crimes in this area.

Last Thursday at about 1:00 p.m., Rankin Postmaster Grace Roach was approached at her home by a trio representing themselves as collectors for an insurance company. They had a bill in the amount of \$12.50 representing premiums Miss Roach owed on an insurance policy. She gave a check for that amount.

At about 1:55, a check was presented by a party at First State Bank in the amount of \$600 and supposedly signed by Miss Roach. The signature looked real enough; however, employees at the bank become suspicious and after honoring the check, contacted Miss Roach, who, in turn, called in the Sheriff's Department.

A description of the three, two women and a man, and their car, was put out immediately by the Department and at 4:30, the trio was picked up in Monahans.

Returned to Rankin, charges are being filed on Majorie Crawford, alias Margaret Baird, said to be an escapee from an Oklahoma penitentiary; Bernieda Jean Teller, alias Shary L. Dodson, said to be wanted in Alabama by the FBI; and Everett Timothy Baird, wanted in Fort Stockton, Ozona, San Angelo and other area towns.

Currently the three are in San Angelo where further charges are being filed. They are said to be wanted in a number of area towns and several adjoining states on a variety of charges.

where the Rankin squad was credited with a 3:26.1 clocking. Already considered one of the top mile relay teams in Texas in Class A, this was their best time of the year.

There is no admission charges for any of the track events and the public is invited to attend.

### DISTRICT GOLF

Beginning last Tuesday and to run through Wednesday, the RHS Golf Team was entered in District Competition on the Iraan Golf Club links.

Playing two teams and three medalists, Rankin was in 2nd and 3rd positions after the Tuesday play, following a strong Iraan team. First and second place teams qualify for regional in golf.

## School Board Meets on Thursday; Will Canvass Election

Rankin School Board is to meet Thursday, April 13, at which time they will officially canvass the school board election of April 1. Usually, they would have met on the second Tuesday of the month, in this case on April 11, however, due to Easter Holidays, school did not resume in Rankin until last Monday and there was not time enough to prepare bills for the Board's consideration by the usual meeting date.

## Rankin 5th in UTPB Library Book Drive

Final figures are in on the recently completed drive for books for the library at the University of Texas of the Permian Basin and percentage-wise to population, Rankin has finished in the top five towns in the Basin — ahead of McCamey, Crane, and Big Lake.

Heading the list was Pyote. In second was Mentone, Imperial was 3rd, Wickett, 4th and Rankin, 5th.

McCamey was in 6th place and Crane, 7th, while Big Lake ranked 16th.

Rankin donated a total of 2,070 books. Tiny Pyote came up with 1,215 for their first-place effort. Next to last in numbers was Ft. Stockton with 100 books.

## HAT TIP—

Perhaps a bit belatedly, nevertheless, I think we can all extend platitudes to the recent crop of candidates in the school, city and hospital races. A lot of interest was created that resulted in one of the larger voter turn-outs.

Overall, the races were run in a good, clean manner with the boys pretty well running on their own merits. I heard of no concerted effort to defeat this or that candidate and the best part is now that it's over, we all seem to still

Personally, to those who lost, I extend my congratulations — to those who won, my sympathy. All serve without pay and there is a certain amount of aggravation attached to the job any way you stack it.

seen what I mean. That thing is just a bit hard to find. Naturally, something of that nature will be mostly to the benefit of the folk living in the Elizabeth Street area; however, it is also the main turn off to the hospital and that ought to count for something, too.

Lighting that particular intersection may or may not be the business of the city dads but I'd venture to say that they could get it done. And it needs it.

**BIG TRACK MEET—**

A number of us have a keen interest in the fortunes of the Red Devils as they go about the area winning track meets. Not so many of us, however, have taken the time to go and see them in action—myself included.

Saturday we will all get an opportunity to remedy that situation when the District Track Meet is held here on Knobb Hill. Rankin is expected to win the overall affair without too much trouble; still, they won't get it handed to them and there should be a number of thrilling events.

This is the first time in more than twenty years for the District Track Meet to be officially scheduled in Rankin. It was held here a few years ago when it rained so much in Iraan that the track was under water. Naturally, Rankin got about a quarter of an inch.

A good turn out of fans would

be in order, not only in support of a fine Red Devils track team, but further to show that we do give good backing to Rankin School programs.

Try to make this one.

**WATCH IT—**

Absentee voting in the May 6 Primary Elections will open next week and now might be a good time to call attention of voters to the referendum proposition on the Democratic ballot. It's a little tricky and unless you read it carefully, you may not vote the way you intended.

The proposition reads, "No public school student shall because of his race, creed, or color, be assigned to or required to attend a particular school. This referendum applies to the required busing of public school students and provides for equal quality education for all public school students."

The hitch may come when the voter gets to the "required busing" part, decides that he is against busing and puts his "X" in the "Against" square. Actually, to vote against busing, you vote "For" the proposition.

Frankly, I don't like the proposition. I don't favor busing but at the same time, I don't think there is any such thing as "equal" education.

Due to the way God has created us creatures called humans, "equal" education is beyond our reach, no matter how many laws are passed, nor how many courts rule on the matter. In any given school, one student will learn more than another. One teacher will better be able to get across to students. One set of parents demand more of their children—and on and on one you could go.

Race, color or ceed have nothing whatever to do with learning or ability.

As for "equal quality" — if

that means facilities — there again, it's simply not possible. A school as big as San Angelo can offer almost as many courses as we have students. On the other hand, a small school such as ours can give far more personal attention to students than can a big one.

Further, the word "equal" is the catch word in all the plans of the consolidators. They use it at

every opportunity in their effort to do away with the small school and to gather all education under one big beaucratic umbrella.

Mostly, I believe, the flap over "equal" education is a political football that is being kicked around by those seeking votes from this or that block. Methinks I shall vote against this referendum until such time as it can be worded a little more to my thinking.

er's Court met last Monday in their regular session, and among matters transacted, canvassed the school election returns. Later it was discovered that a new state law was passed during the last Legislature which returned the duty of canvassing elections to the school board in independent districts having over 150 students. Under the old law, the Commissioners Court was charged with this duty in independent school districts of 500 or less enrollment. Rankin has flipped from side to side of this 500 mark in past years.

In the unofficial count made by the court, it is reported that a difference in the count from that originally reported was discovered but that the final results were the same as far as election of

board embers was concerned. New figures will be published if different from the original after the Thursday school board meeting.

## Upton Gains in Tag Sales and Funds

Upton County gained in both numbers of licenses sold and amounts of money collected, according to a report this week by Mrs. Edith Windham, chief office deputy for the Tax-Assessor Collector of the county.

Totals of various types of licenses are still being compiled. In funds collected, the amount as of April 6 stood at \$161,850.61 with sales to late purchasers continuing.

"We've sold more already this year than we did all of last year put together," Mrs. Windham noted.

License plate sales start in February each year.

Mrs. John Babb, McCamey, admitted April 7, dismissed April 10.

Baby Girl Babb, born April 8 dismissed April 10.

Mrs. Frank Abalos, Rankin, admitted April 2, dismissed April 6.

## Legal Notice

Notice is hereby given by the Parks and Wildlife Department that a public hearing will be held at 8:00 p.m. on May 4, 1972 at the County Courthouse at Rankin for the purpose of gathering information concerning proposed hunting, fishing and/or trapping regulations for the above-named county.

As the result of action of the Texas Legislature, the Texas Parks and Wildlife Commission is responsible for the setting of seasons, bag limits, and means and methods of taking the wildlife resources in Upton County. All interested persons are urged to attend and comment upon the proposed regulations.

## Library Notes

The Texas State Library's most recent public library statistics indicate that Texas public libraries own 11,421,146 books to serve the state's eleven million inhabitants. The same report shows that the eleven and a half million books were checked out some 32,185,146 times. Each person in the state theoretically read almost three library books.

National Library Week, April 16-22, can give an excuse to browse through your local segment of that enormous state book pile, so that you may see what your local library has to offer. "You've Got a Right to Read," and "Reading Makes the World Go Round" are the dual themes of the National Library Week campaign, which has a state committee headed by U. S. Senator Lloyd Bentsen.

From the figures reported, apparently quite a few Texans exercise their right to read, and library and book use do make their world go 'round a little smoother.

The Rankin Public Library circulated over 13,000 books last year. This represents an average of 13 books checked out for each citizen in Rankin.

Rankin Library has a good mixture of different media, and in addition to books, offers magazines, records, creative toys, maps, pamphlets and other non-book materials.
