SERVING THE INTERESTS OF RANKIN AND UPTON COUNTY

XXXXVII—NUMBER 35

RANKIN (79778), UPTON COUNTY, TEXAS

THURSDAY, AUGUST 30, 1973

New Teachers Complete Faculty in Rankin System

TERESA LATZEL

Teresa M. Schwertner Latzel, new Kindergarten teacher at Rankin Schools, is a native of Miles and Ballinger. She attended Public Schools and received a BS Degree in Education from Angelo State. She is twenty-one years old and the wife of Johnny Latzel. She is a St. Thomas Catholic and enjoys Midkiff and cooking for relaxation. Latzel says she has enjoyed the friendliness of the people she has met in the community and is looking forward to her work.

Another new member of Rankin School's faculty is Mr. Paul Cormier. (Picture not available). He is 27 years old and will teach the business subjects in high school.

Cormier was born in Monahans and attended Public School in Crane. He holds a BBA and MA degree in Business Administration, having earned his degrees at Angelo State and New Mexico Highlands University. He comes to Rankin after having taught one year at Las Vegas, N. M.

A Baptist, he is also a member of Lambda Chi Alpha Fraternity, and Business Honors Association. He has participated in football, track, handball and intramural activities and lists water skiing as his favorite pastime.

He, too, says he is impressed by the friendliness of the community and likes the size of the school. He is a strong believer in organized activity programs for students and has expressed the hope that his association with Rankin High School will be profitable for all parties concerned.

Revenue Sharing Funds Help on Debts --

No Change Made in Upton County Tax Rate

Upton Commissioners Court met in Special Session last Monday, August 27, with all members present. They approved the monthly payroll and other routine matters in addition to handling several motions.

Among these was the official adoption of the 1974 Upton County Budget and the fixing of the county tax rate at 95c on the \$100 valuation, the same as in past years. Of this amount, 5c is to go to the Road & Bridge Fund, 15c to the Road & Bridge Special Fund, and the remaining 75c into the General County Fund.

As approved, the 1974 County Budget details expenditures in the amount of \$744,800.42—down by a substantial margin from the current operating budget. Revenue sharing funds received during the 1974 fiscal year are to be added to the approved figure as they actually become available.

It was also noted that the McCamey Hospital District Tax is to be 60c this year and the Rankin Hospital District Tax, 41c. Only

Now See Here . . .

A little-known medical fact: the married man doesn't live longer than the single man. It only seems longer.

RHS Graduate Gets Nursing Diploma

Johnnie Sue Kendrick, daughter of Mr. and Mrs. T. J. Kendrick of Rankin and a 1970 graduate of Rankin High School, received her nursing diploma August 3 from Mary Meek School of Nursing of Hendrick Memorial Hospital in Abilene.

Miss Kendrick is now employed at Hendrick Memorial Hospital.

taxpayers owning property within the boundaries of either or both of the two districts will be required to pay this tax. The two hospital districts cover the same area as do the Rankin and McCamey Independent school districts.

A discount of 3 percent was approved on state taxes only, if paid in October. Two percent applies to November payment and 1 percent to December payment. Penalty and interest begins on all taxes February 1, 1974. The current statements are expected to be in the mails around October 1.

On a motion by Com. Fletcher, seconded by Com. LaQuey, the County Auditor was authorized to replace the name of Buck Modgling, Deputy Sheriff, on the county pay roll, with the name of H. L. Hitt, the new Deputy Sheriff. Modgling, who resides in McCamey as does Hitt, recently resigned his job as Deputy Sheriff.

Revenue Sharing is help to City, County

Both the City of Rankin and Upton County made their final required reports for the current period on planned use of Revenue Sharing Funds through June 30 of

1974, as published in this issue of The News. The reports indicated that the City may expect some \$3,821 to be added to their fund of \$4,096 already on hand. All City Revenue Sharing is presently being applied toward the purchase of a new fire truck.

In the case of Upton County, the report shows that they are to receive an estimated \$108,122 between the period of July 1, 1973 and June 30, 1974. From January 1 through June 30 of this year, the county had received payments totaling \$113,919, as indicated in a published report last August 9. In both instances, the County has indicated that the Revenue Funds have been of benefit in holding down the tax rate or preventing debt increases. They have had no effect on tax levels. The same is true for City funds in that they have helped avoid added debt but have not resulted in any lowering of local tax levels.

As mentioned above, all City funds have been earmarked toward a new fire truck. In the case of the County, several plans are put forward for use of money to be received. A breakdown of these proposals appears at the bottom of the County's report in this issue of the News.

Rankin 18 and Overs Play it Cool Newly Legalized Rights

partly because a number of ways to college. Rankin olds and up, who receive rights under the law as of last Monday, apparently

were not making any big thing of their newly won rights. Contrary to reports in some area daily newspapers that indicated heavy drinking sprees and arrests of the young citizenry, Rankin law officers said they had had no trouble.

"Actually, we hadn't expected any," said Chief Deputy Danny Stoker, commenting in the absence of Sheriff S. L. Langford who was attending a law school. "We don't have much trouble with our young people, and this new right to buy beer or liquor will probably not amount to much," he said.

One retail place where beer became legal for 18 and up said they had sold only one beer as of Tuesday evening.

Among other new rights will be that of serving as jurors; however no immediate cases are pending in Upton County. And they can now legally go into debt and have to start making payments—just like the rest of us.

last order of newsprint, an increase of \$20 was Reports indicate that— at all—still further in- may be expected.

Rankin Boosters To Meet

Rankin Booster Club will hold its first meeting of the new school term on Tuesday evening, September 4. Time will be at 8 p.m. at the school cafeteria.

This will be a business meeting and officers will be elected for the year. All persons interested in helping boost all school programs are urged to attend.

The new time of 8 p.m.—previously the Club met at 7—was selected in order that the Volunteer Firemen, who have Tuesday evening drills, would be able to attend the booster meetings.

Friday Scrimmage is to be at 4:30, Here

Following their scrimmage last Friday in Big Lake where the Red Devils had trouble generating a ground game against the Owls, they hope for better things here Friday afternoon when they host Imperial for an A and B affair. The B scrimmage is to get underway at 4:30 p.m. and is to be followed by the A workout. (Continued to Page 7)

Self Defense, Karate Lessons Offered Free

Rankin men and women interested in learning the basics of self defense and Karate are invited to contact Mr. Scott Sanderlin at 693-2748. If enough interest is indicated, Mr. Sanderlin offers to teach the classes free of any charge.

The holder of a 4th degree Black Belt in Karate, the instructor has had wide experience in the art of self-defense, both as a student and as an instructor. He is a resident of Odes- Sanderlin sa and a ministerial student. He and Miss Brenda Speed of Rankin plan to be married in the near future.

ED. NOTE: Dallas Cowboy fans should be particularly interested in this course since they may have to be called in to help their team survive the season.

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

THE LATEST -

One of the little quirks of human nature that pops up now and then has to do with the business of digging up something from the past, putting a little different twist to it, and bingo! You've "discovered" a whole new thing.

One of these is the current rave we all see about cars with bumpers. yet, So what's new about a bumper? Time was when every car made had a bumper and they bumped probably a lot better than those being "invented" today—and they came as standard equipment on both the front and rear.

Another "fad" is long hair, side burns, and bushy faces. It's a new thing to many but not new in the least if you go back forty or fifty years. And even in songs, one of the current "popular music" hits is a little number called "The Bugle Boy of Company B." If you don't mind telling your age, you can mention to your

teenager that the Andrews Sisters retired rich from singing that one in WW II.

But possibly the thing that gets laid back and forgotten the longest periods of time is words. In my days of growing up we didn't use words such as intergradation or discrimination. For one thing, in the part of the country where I grew up, we "Gringos" were outnumbered a good three or four to one by Latins; still, we all went to the same schools, rode the

intergradated bunch. We just didn't know it. Nobody ever used those words then.

That was thirty-odd years ago. In more recent days, someone has reached far back on the shelf and dusted off the word "chauvinist." Now I'm not ashamed to say that I was in my mid-forties before I even knew such a word existed—and yet, surely, it has been with us for a long while.

It's most recent use has to do with Women's Lib and menfolk are referred to as chauvinist males by the real solid Libbers as "Male Chauvinist Pigs." According to Mr. Webster, the word "chauvinist" originated with the French and had to do with soldiers of the First Republic and Empire, who demonstrated patriotism and attachment to Napoleon. They later were ridiculed for this vainglorious or exaggerated patriotism by their comrades.

That doesn't jive much with today's Lib use of the word where I think it's supposed to indicate that men try to dominate women. Mr. Webster has long credentials in the word definition department and I, for one, would certainly not be so bold as to say his description of chauvinist is out of date; however, I do think the Women's Lib movement has the better definition of the word as it

is used today: male domination.

That probably accounts for the fact that we menfolk are always saying, "Yes, Dear," "Right Away, Dear," "You're Right, My Dear" . . . that sort of domination.

It's that kind of domination that gives us males a bad name.

NOT YET—

For the past several summers the Rankin Hospital has had considerable troubles with its air conditioning system. Not too long ago, a new system was installed and everyone thought that that solved that. But it didn't. Patients, staff and visitors have been getting a bad case of the hots at the hospital during the current heat wave.

In fact, Doc Gossett made a pretty good speech one day last week in which he told of the miseries of trying to operate in an operating room that was more like an oven than an air conditioned room. Those of you who missed Doc's speech really missed a classic for he was in good form and told it like it was.

And certainly, I agree with Doc. It's a shame to have as nice an installation as we have in the Rankin Hospital and not be able to get the air conditioner to work. This week I've done a little check and find that the worst time of the day for the unit to go out at the hospital is around 7 or 7:30 in the evening. A further check with West Texas Utilities shows that their biggest load comes at about 5 or 5:30 in the evenings — and, the Utilities Company says that there most definitely is no power shortage in our area — that on the contrary, they are trying to sell all the juice they can and fully expect to keep everyone in good supply.

This is good news and would indicate that the problem with the hospital air conditioning can yet be licked—that about all that is needed is for all those concerned

with its proper operation get together and see what needs to be done. Local manager for WTU, Burl Pringle, said that he would be right there anytime he was called upon and would check to see if there was a power shortage at the hospital—and if there was, he indicated that it would be remedied.

I don't think this can be taken care of any too quickly—not only

for the benefit of the patients and the people who work at the hospital, but in order to keep ole Doc from having a short circuit and blowing a fuse. Good doctors are harder to come by than air conditioning and we've got to keep him in good shape since he's the only one we've got—and are lucky to have him— even though he does make speeches in which he chews out the newspaper editor.

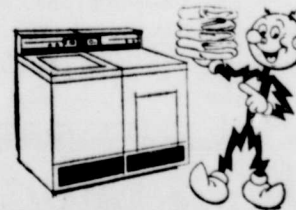

Happy washday -electrically

4th & 10

ON YOUR OWN TWO

* Dedicated to the proposition that '73 is the "Year of the Red Devils."

THE SCRIMMAGE—

Although 4th & 10 did not get to make last Friday's scrimmage in Big Lake — 4:30 is a bit early and hot—those who did attend got a pretty good idea about what Turner and his coaching staff have been talking about when they say the Red Devils have the makings of a good team but are not going to be ready for some time yet.

It's just a fact of life that we football fans always expect any Red Devil team to come out smoking and are a bit prone to feel the coaching staff is putting us on a little when they bemoan the lack of experience in certain positions. I don't think they are putting us on in this instance. It is just as well that some of our toughest district games will be at the end of the schedule. By that time, the Red Devils will be up to par.

As for losing to Big Lake, it's nothing to be upset about. The Owls are always tough and this year may well have one of their better units since the days of Joe Barnes and company. And, if reports are right, Rankin didn't look all that bad—especially when you consider the number of new faces in the line-up. In fact, there was one bright spot—rather unexpected. We'll let the opposition discover that, in case they were not scouting the scrimmage.

A HARD LICK—

One thing that's always feared by coaching staffs, fans, parents and players is that of getting a player hurt. It is especially a bad bit of luck when it comes so early in the season and when it hits a player who would have probably been a key man before the end of the season.

Any injury, to any player, at any time is most regrettable. In the instance of losing Gehrig Feuge for the rest of the year, it was a real hard lick. He was one of the more promising sophomores and his broken ankle will put him out of action for several weeks.

Hopefully, like most young folk, Gehrig will make a speedy recovery and can pick up where he left off—if not this year, then the next.

WHAT'S THE FUSS—

Rankin football fans were somewhat shook last week when it was learned that Big Lake was making a fuss about certain students

participating in the athletic program in Rankin. Naturally the Reagan Schools want all the students they can get and, apparently, it is felt that if the transfer students can be prevented from

The Rankin (Tex.) News-Record

**Brick Sponsors
Reunion**

Miss Brick, former Rankin and principal, was the center of a reunion of former personnel here from the terms of 1942 to 1945. She served at the Rankin school on Saturday evening, Aug. 25. A welcome music program of scrapbooks and other items followed.

On Sunday, visitors attended services, after which they enjoyed a Dutch treat lunch at the Rankin restaurant.

Those present were the

former Superintendent, Mr. and Mrs. R. O. White of Odessa, and Mrs. R. O. White of Odessa. Miss Johnnie Weyerts of Alpine, Mrs. Reba Rains Shultz of Midland, Mrs. Norma Norris of Abilene, Mr. and Mrs. Lewis Jordan and Diane of Odessa and Dr. Frances Merriat of Brownwood. A total of forty-two attended the reunion.

Rankin friends attending included former teachers, trustees, room mothers, landladies, Sunday school teachers, home demonstration agent, church and lodge friends who had worked with Miss Brick. Miss Brick is now Associate Professor of Education at Howard Payne College in Brownwood but she also maintains a

Rankin residence at 909 N. Francis Street.

Messages of regret were read from Mrs. Margaret Worthy Cooper, Mrs. Juanita Dickey Little, Mrs. Pearlie Hatchel Tucker, Miss Frances Johnson, Mrs. Louise Malaise Hudson, Mrs. Bob Burleson and Mr. and Mrs. Earl Van Zandt.

BY W. M. (DUB) DAY
County Agent, Upton County

**KOUNTY AGENT'S
KORNER**

**ARMY WORMS MAY
HIT IN OUR AREA**

With fall army worms active in parts of East Texas about a month earlier than normal, agricultural producers and homeowners should be warned to be on the lookout for the hairy critters.

Usually these pests are most active in late summer and fall, but favorable temperatures and moisture conditions have brought on their early arrival. Thus they may be invading our area ahead of schedule.

Army worms attack many plants and can do serious damage to lawns, pastures and early planted small grains. Although normally night feeders, they also are active on cloudy days. Since usually unseen during the day, frequent and careful inspection should be made in shaded areas to detect the worms before extensive damage occurs.

When hatched, the worms are less than one-half inch long and are white with black heads. At maturity army worms are about one and one-half inches in length and may range from pale green to almost black in color with several light stripes along the body. One identifying marking is an inverted "Y" on front of the head.

When control is necessary contact my office for specific recommendations. Regardless of what insecticide material is used, be sure to follow directions on the label.

Unless controlled, army worms are capable of destroying entire lawns, fields of forage or other crops. Therefore, early detection and action are critical for successful control.

JOHNSON'S

LETTERS To The Editor

The Rankin News
Rankin, Texas

Dear Sir:

Thank you for your article about the fireworks. I went to City Hall one time about this, seeing if they could just do something about shutting them down at least by 10 P. M. so I could get some sleep. This must have given them a big laugh that they shared with everyone because that night I was nearly blown off the side of the hill and it went on all night long. I have been afraid to say anything since then.

I don't think fireworks really fit some holidays myself. I think if you are going to have them on a

holiday, have them on that day and all night; or, start at 12:01 A. M. July 4th and end at 12:00 P. M. midnight. I don't think they should be shot before that day or after it.

Wouldn't it be nice to have a quiet peaceful holiday?
quiet peaceful holiday?

Yours truly,
(s) Mary Ann Workman

2133 S. E. 46th Ave.
Portland, Or. 97215

Dear Mr. & Mrs. Hutchens, Jr.

Enclosed please find a check . . . to pay for subscription renewal to the Rankin News . . .

The Rankin (Tex.) News —
Thursday, Aug. 30, 1973

We enjoy this paper of our old home town and friends, although we don't see our friends' names in the paper. I still own and pay annual taxes on one half block in the East Addition of Rankin.

My youngest child was born there. She wants her ashes strewn on that lot where she was born. Of course that will depend on circumstances . . .

My best wishes to Rankin and people there.

Yours Respectfully,
(s) Mrs. Mattie Brown Ryan

ED. NOTE: Mrs. Ryan is believed to be the subscriber to the News—out of town—who has been on our mailing list longest—probably for some 30 years.

Food Stamp Meet is to be Held Sept. 4

There will be an important meeting for all Upton and Crane county retail and wholesale grocers in the meeting room of the Security State Bank. McCamey, for the purpose of explaining the food stamp program.

This program will replace the commodity distribution program now in operation. The food coupons can be redeemed only in retail grocery stores which are approved by the U. S. Department of Agriculture.

Interested retail and wholesale grocers may obtain authorization information by attending this meeting on Tuesday, September 4. It will start promptly at 8:00 P. M. and be over by 9:00 P. M.

Labor Day Holiday

To See Closings

From all indications, the Labor Day holiday closings in Rankin will be a bit longer than usual. Practically all stores and offices will be closed Monday, as will be Rankin Schools. Several firms and County and City offices will be closed from Saturday through the Monday holiday.

Among stores that have indicated special closing dates are Cashway Grocery, closed at 12 noon Saturday through Monday; Boggs Grocery, closed all day Saturday, through Monday; and Johnson's, also closed Saturday through Monday.

Several service stations and local cafes will be open to serve the public over the holiday period.

Jim Miller;

IN MEMORY of Porter Johnson from Mr. and Mrs. Jim Miller, Mrs. Vivian Bursleson.
