

We are all slaves!
Before you say I am crazy, let me do a little explaining and qualifying.
I picked up a book this week titled "How Free Are You" by Robert H. Hamill. After quickly skimming through it, I decided it might be worthwhile reading. I haven't finished it yet but what I have read started me thinking about our "Free society."

In a purely free society, there would be no laws to govern the members. Murder theft and all other crimes would be permitted without any retribution except that inflicted by the injured relatives or friends. It could easily turn into a system where each person was feuding with all others.

There would be no taxes to pay because there would be no one to impose the taxes. At the same time, there would be no roads or mail service or (perhaps) food. All the modern conveniences would be unknown because there would be few people who really wanted to work and in a truly free society, each individual could do exactly as he wanted.

Each individual would also be free to starve to death.

It has been said that man's society has been built from the basic need to satisfy his hunger -- not only his biological hunger but also the hunger of his inquisitive mind. I am inclined to agree. But I think there is more at the base of our present society. There is the desire of each individual to feel accepted by others of his kind and to be important to them in his own right.

As a result, our society has agreed on a set of rules and laws to follow whereby each individual is supposed to have a chance to fill his basic needs (hungers) if he conforms on the whole and uses a little initiative and energy in addition. In addition he is free to attain the acceptance and status of society if he conforms and qualifies in the eyes of society.

Therefore, I say that we are all slaves -- to a society initiated by our ancestors and propagated by ourselves.

We are not free -- but who wants to be free?
When we say that we are free, we do not mean that literally. We are free within the boundaries of our society. We are free to speak our mind -- to make our small voice heard in the governing of the society. We are free to attend the church of our choice providing the church is accepted by the immediate society in which we travel and furnishes our personal religious needs.

We are free to disagree with our government and its practices providing we do not cross the boundaries into the area forbidden by the government (treason).

We are not free to do as we want. We are free to make our way within the boundaries of society. We are free to conform to our own rules.

When you think of it, that is a lot. But, let's be sure that we do not give up any more freedom else we might find ourselves in a position where we are not even free to set the boundaries for our own society.

Thanksgiving is coming up next week and since there will be no mail service on Thursday, we are going to publish the STAR one day early so that it can be delivered Wednesday.

This will mean that all deadlines will be set one day forward for next week. All stories will have to be in Monday instead of Tuesday. Advertising for the issue will also be required on Monday. This will give our readers a chance to have their paper to read during the holiday. Who knows, we at the plant might even be able to have Thanksgiving Day off.

The PTA is in need of some costumes for their variety show this year, and some of the needed items are missing. Among the items are a number of derby hats which have been provided in the past for such functions by Andy Hurst. The

GRID CONTEST

Trio Tied For Lead With Week Remaining

Three entrants remain tied for the lead with just one week remaining in the Friona Star's Cotton Bowl Football contest. The trio, Jack Clark, C. H.

Veazey and Waymon Wilkins, all tied a week ago, correctly picked six games each last week to remain tied with a score of 67.

Should a tie result following the final contest this week, a check of the contestants' tie-breaking scores throughout the season would be necessary to determine the winner of the two free tickets to the Cotton Bowl game January 1 along with \$55 expense money.

Winner of the weekly prize of \$5 last week was Buford Hartwick, who correctly picked eight of the ten games, and missed the tie-breaker score by 16 points. He guessed Muleshoe 38, Friona 12, when the actual score was 42-0.

Second prize of \$3 was won by W. R. Mabry, who also picked eight correct, but was 21 points

(Continued on page 2.)

FOR FIRST MONTH

Tax Collections Noted For School

The Friona Independent School District collected a total of \$57,620.38 in school taxes, tax assessor-collector Dan Ethridge reported to the School Board in its regular meeting Monday night.

"That is about 20 per cent of the total taxes, and is a good amount for the first month of collections," said Superintendent Alton Farr. The total tax roll for the school district this year is \$258,746.30.

In other business, the board passed a resolution approving band and athletics as a substitute for physical education as required by the state. Farr told the group that under the present setup, that was the only alternative without placing undue hardship on those students enrolled in band or participating in athletics.

Farr told the board members of the physical fitness program which is already underway in the school system. "This is part of the national physical fitness program recommended by the president," he said.

United Drive Gets Underway

Friona's United Fund Drive for 1962 was kicked off Tuesday morning by a breakfast at 7 a. m. at the Methodist Church.

The city's goal this year is \$5,930, an increase of \$50 over last year's budget of \$5,880. Campaign members hope to raise the budgeted amount in a short time.

H. K. (Pudge) Kendrick and Carl Maurer are co-chairmen of the drive. "We hope the people of the Friona area will give generously to the program," they said.

Star To Publish Early Next Week

Due to the Thanksgiving Holiday next Thursday, the Star will be published a day early in order that it may be mailed out on Wednesday.

Readers are asked to bear this in mind, so that all stories should be turned in by Monday night this week only, so that the newspaper may be printed Tuesday for Wednesday delivery.

WINS \$5 . . . Buford Hartwick was the week's first place winner in the football contest, calling eight games correctly.

FOR THANKSGIVING

City-Wide Service Planned Next Week

Plans have been completed for the annual Community Thanksgiving Service, which will be held at the Calvary Baptist Church Wednesday night, November 21.

The third annual inter-denominational service, sponsored by the Friona Ministerial Alliance, will begin at 7:30 p. m. Rev. Alvin Askins, pastor of the Assembly of God Church, will be the speaker. A combined choir composed of choir members from the various churches will present special music. Ladson Worley, music director at the Calvary Church, is directing the combined choirs, and stresses that anyone who would like to sing in the program is urged to attend a practice session 3:30 p. m. Sunday at the Church.

"We especially have a need for more tenors and basses," Worley said.

Church officials from other Friona churches will have parts on the program. The community-wide service is held on Wednesday each year to "kick off" the Thanksgiving observation, and to provide an early church service for those planning to leave town for the holiday.

SETS RECORD FOR YEAR

Friona Construction Tops All-Time Record

By BILL ELLIS
Star News Editor

If you think Friona has started a new "building boom" lately, you're absolutely right. Figures compiled this week by City Manager Arley L. (Jake)

Outland revealed that the city has already set a new record for building permits within a calendar year, with a month and a half remaining in 1962.

Through November 13, permits had been issued for construction valued at \$635,614,

according to records in the city manager's office.

The previous record year, 1960, had building permits issued for a total of \$630,365. Last year's total permits, lowest in four years, was \$420,350.

Permits in 1959 totaled \$554,190, and in 1958 it was \$465,565.

Additions to church buildings in the city accounted for the figure passing the former record as its early date. The addition to the Sixth Street

Church of Christ, already completed, accounted for \$60,000 of the total.

Construction by the Methodist Church of a new parsonage and educational building, which is just beginning, totals \$82,319.

The educational building will account for \$53,000 of this total.

While the \$635,614 figure includes some buildings which are not yet under construction, it does not take into account the new addition begun this week at

the Calvary Baptist Church, which is outside the city limits, and thus does not require a building permit.

The Calvary addition, which will give the church added educational facilities, has been pegged for \$16,000.

New residential building has taken an upswing since July 1 of this year. A total of 14 permits for a total value of \$256,619 have been issued. For the year, the figures are 23 permits for an estimated value of \$330,739.

Additions to commercial buildings, in which churches are included, now totals \$113,000, thanks to the two churches mentioned previously.

Seven permits have been issued this year for new commercial buildings, for an estimated value of \$98,820. Additions to residential buildings now stands at \$33,350 for the year.

October was the big month of the year for permits, totalling \$160,420 to run the total to a new one-year record for the city. The October figure was boosted considerably by the Methodist addition and parsonage, filed that month.

ONE SIDE, MULE . . . Everett Gee (20), made a first down for Friona on this play, taking a lateral from end Billy Thomas after a pass completion. Coming up for the

tackle is Larry Allison of the Mules. Scoreboard in background shows Muleshoe leading 7-0, although they went on to win, 42-0.

SECTION I

CHIEFS AT OLTON

Friday Is "Last Chance" To Snap Losing Streak

Friday night will be the "last shot" for the Friona Chiefs in their bid to snap a mounting losing streak this year. The Chiefs, with an 0-9 record

and a 26-game losing streak, would like nothing better than to close out the 1962 football season with a victory.

Friona has a formidable opponent in the Olton Mustangs, who have fashioned a fair record this season. The Mustangs will resemble last week's opponent,

Muleshoe, in many ways. Olton dropped a narrow 13-0 decision to the Mules in their game. "They will be just a little larger than we are," said Coach Kenneth Miller in summing up the opposition for the season finale. Miller said that Olton had three linemen who scaled 180 pounds.

As far as speed goes, they are about the same as Muleshoe, he said.

The Chiefs will be in almost top shape for their final game. Quarterback Gary Renner, out a month due to a lung injury, will be able to play. Tackle Max Reeve, who got an ankle injury in the Muleshoe game, is limping some, but will probably play. Tommy Baxter, plagued with injuries all year, has a hurt knee and will see only spot duty.

Miller said that he would alternate Renner and sophomore Jim Sneed at quarterback Friday. Everett Gee will start.

(Continued on page 2.)

CONSTRUCTION BRISK . . . One example of the building activity in Friona these days is the new residential building under construction in the western portion of town.

CHURCHES BUILD . . . One of three churches in the city to make building additions is the Calvary Baptist Church, which began construction this week on a new educational wing.

Banquet To Honor Chieftains Saturday

Members of the Friona Chieftain football team, as well as the freshman team, will be honored at the annual football banquet Saturday night at the School Cafeteria.

Max Reeve will serve as toastmaster. Mrs. Raymond Milner, president of the Chieftain Mothers, sponsors of the banquet, will give the welcome, and Dwight Bates will give the response.

Western Yodels will be presented by the Rayettes (Diana Taylor, Kay Coffey, Lois Moyer, Myrna Bennett, Carolyn Herring, Mary Ethyl Wilson and Marica Lynn Massie), accompanied by Mrs. Troy Ray.

Royce Dan Douglas and Earl Crow will also present selections. Kenneth Livingston, seventh grade coach, will present "Story of the Old West."

Father Of Frionan Buried At Lockney

Funeral services for J. B. Allen, 83, of Lockney, were conducted from the First Baptist Church there at 2 p.m. Wednesday, November 7. Mr. Allen, who had been a resident of the Lockney area since 1917, died at 5 p.m. Monday at Lockney General Hospital.

Officiating ministers were the pastor, Rev. Gene Hawkins, and Rev. Clay Munch, also of Lockney. Pallbearers were C. L. Record, Frank Brown, R. C. Mitchell, Hubert Frizzell, Leslie Ferguson, E. A. McLeod, V. H. Kellison and J. E. Cox.

Mr. Allen was a retired school teacher and had also served as school tax collector. He was a long time member of the Baptist Church and took an active part in the teaching program of First Baptist Church.

Survivors include his wife, three sons, Brice Allen of Crosbyton, Bill Allen and R. V. Allen both of San Diego, Calif.; one

Finishes Training

Thomas C. Scales, airman apprentice, USN, son of Mr. and Mrs. Charles C. Scales of Friona, was graduated October 26, from Aviation Familiarization School at the Naval Air Technical Training Center, Memphis, Tenn.

The two-week course covers aircraft types and designations, survival practices, fire-fighting and aircraft maintenance.

Burglar Raids Drink Machine

Between \$12 and \$15 in change from a soft drink machine was taken from the office of the Friona Farmers Co-Op Gin sometime during the past week-end, it was reported this week. Deputies Tom Atkins and Bill

Morgan said that entrance to the office was gained through a window on the east side of the building. The thief snapped a latch on the window screen, then forced the window open to enter the building.

The machine was opened with a key, procured from an office drawer. Both changers on the machine were full of change, and some bills were in the container, it was reported.

Grid Contest--

off, guessing Muleshoe 27, Friona 6.

Third prize went to Belinda Mabry, keeping the prize money in the family. Belinda had seven correct answers, but emerged out of a 13-way tie by picking the game score exactly right.

Trailing the three previously mentioned leaders in the race for the Cotton Bowl tickets are Maynard Agee and Martell LeVeque, two games back with 65 correct answers. Eugene Ellis and W. R. Mabry are three games back with a score of 64.

Howell has 63, and Charlie and Thelma Watkins round out the "top ten" with a score of 62.

Sophomore Doug Dodd was voted "Player of the Week" by contest entries for his performance against Morton.

Chiefs--

at halfback, Doug Dodd at fullback and Milton Hargus at wingback. Sophomore Danny Murphree will alternate with Gee.

On the line, it will be Ronald Awtrey, center, Dwight Bates and Glenn Herring, guards; Mickey Wilson and Max Reeve, tackles and Billy Thomas and either S. D. Baize or Larry Buckley at ends.

Baize was out with influenza early this week, so his availability for Friday was uncertain.

Castin--

report is that the hats were loaned out and not returned. Now, no one seems to know where the whereabouts of the hats. Do You?

NOTICE TO BIDDERS
Sealed proposals addressed to the Honorable Mayor and City Council of the City of Friona, Texas, will be received at the office of Arley L. Outland, City Manager, until 1:30 p.m.--December 10, 1962, for furnishing all necessary materials, machinery, equipment, superintendence and labor for the construction of a 200,000 Gallon Elevated Steel Water Storage Tank, including the accessories and appurtenances as set forth in the specifications. Foundation to be furnished by the City.

Bidders must submit a Cashier's or Certified Check issued by a bank satisfactory to the Owner, or a Proposal Bond from a reliable Surety Company, payable without recourse to the order of The City of Friona, Texas, in an amount not less than five (5%) per cent of the largest possible bid submitted as a guaranty that the Bidder will enter into a contract and execute bonds and guaranty in the forms provided within ten (10) days after notice of award of contract to him. Bids without the required Check or Proposal Bond will not be considered.

The Successful Bidder must furnish performance and payment bonds on the forms provided in the amount of 100% of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Surety or Sureties acceptable to the Owner.

All lump sum and unit prices must be stated in both script and figures. The Owner reserves the right to reject any or all bids and to waive formalities. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (or "unbalanced") unit prices will authorize the Owner to reject the bid.

Attention is called to the provisions of the Acts of the 43rd Legislature of the State of Texas, page 91, Chapter 45, (Article No. 5159A Civil Statutes 1925) concerning the wage scale and payment of prevailing rates of wages as established by the Owner. Said scale of prevailing minimum rates of wages is set forth in the specifications.

Information for bidders, proposal forms, specifications and plans are on file at the office of Arley L. Outland, City Manager, City Hall, Friona, Texas; and Parkhill, Smith & Cooper, Consulting Engineers, 201 Avenue R, Lubbock, Texas.

Copies of the Plans and Specifications may be secured from Parkhill, Smith & Cooper, Consulting Engineers, 201 Avenue R, Lubbock, Texas, upon a deposit of \$20.00 as a guarantee of the safe return of the plans and specifications. The full amount of the deposit will be returned to the Contractor on submission of a bona fide bid on the work, with such Plans and Specifications; or upon returning the plans and specifications prior to date of receiving bids; otherwise, the deposit shall be forfeited.

TOWNER-MELLEN Two-Way Self Adjusting Moldboard Plow

One, two, three and four furrow sizes available. The Towner automatic self-adjusting two-way rollover type moldboard plow fits all tractors having a three point hitch, including Fordson Major, I, H, Fast Hitches, or Case with Eagle Hitches.

Automatic self adjusting feature is controlled by the pressure of the soil on the plow bottoms as the plow moves through the ground. This automatic adjusting takes place whenever and as often as the density of the soil changes whether crowning alfalfa at three inches or heavy plowing at 14 inches depth. The plow maintains at all times a straight line of draft, cutting the correct full width of furrow regardless of the type of soil being plowed, leaving the land level and without ridges.

Main tube or beam of plow pivots at point just behind rollover mechanism (partially visible) and is free to align laterally within boxed frame. This is the exclusive patented feature of the plow which automatically adjusts to eliminate side draft yet insures each bottom cutting full width when traveling either direction in the furrow. NO SIDE DRAFT when plowing under the most severe conditions. As a result, the plow pulls much lighter -- die to straight line of draft at all times. No stabilizers are needed -- tractor stay chains run slack in all conditions.

This is the feature which must be demonstrated to be appreciated -- Ask your dealer for a demonstration.

Anniversary Affairs Honor Local Couple

Mr. and Mrs. J. W. Baxter, who will observe their 62nd wedding anniversary November 15, was honored with two social affairs during the weekend.

Saturday evening all six of their children, accompanied by their husbands and wives, surprised their parents with an informal party at which refreshments of cake and coffee were served.

Those present were Mr. and Mrs. L. R. Baxter and Mr. and Mrs. Charlie Baxter, all of Clovis; Mr. and Mrs. Clarence Baxter, Rye, Colorado; Mr. and Mrs. Miles Robbins, Blunt, So. Dak.; and Mr. and Mrs. Louis Baxter and Mr. and Mrs. Calvin Martin, Friona.

A basket lunch at the Hub Community Center Sunday, which was attended by a large group of relatives, also honored the Baxters.

Others attending were Mr. and Mrs. Charles Baxter, Clovis; Mr. and Mrs. Dick Baxter and daughters and Dwayne Baxter, Bovina; F. S. Truitt, Mr. and Mrs. L. R. Dilger, Mr. and Mrs. Billy Dean Baxter and children, Mr. and Mrs. J. W. Baxter and Mr. and Mrs. J. W. Baxter II.

Also Mr. and Mrs. Larry Martin and children, Mr. and Mrs. Clarence Martin and children, Mr. and Mrs. Jim Baxter and Patricia, Mr. and Mrs. Oscar Baxter, Willene and John, and Mr. and Mrs. Boyd Pipes and son.

Of Interest To THE WOMEN

Hospital Auxiliary Slates Guest Tea

The Thursday afternoon meeting of Farmer County Community Hospital Auxiliary will begin at 3 p.m. with a guest tea in the meeting room of the hospital.

Reports of activities of the organization will be given and an outline of future plans for projects will be presented.

Mrs. Marty Martinez, president, invites any woman in Friona or the surrounding area who is interested in the organization to attend the tea.

Bridal Shower Fetes Mrs. Bill W. Dennis

A bridal shower in the home of Mr. and Mrs. R. W. Parr Thursday evening honored Mrs. Bill W. Dennis. Shirley Deavers was co-hostess with Mrs. Parr.

Refreshments of cup cakes, punch, nuts and mints were served. The serving table was covered with a white linencloth and centered with an arrangement of autumn flowers.

Those attending and sending gifts were Mesdames Gordon Massey, T. E. Wood, Earl Graham, Claude Edelman, Harold Taylor, Pat Busby, John Carson, Joe Maye, Henry White, P. W. Hughes, Granville

England, J. R. Braxton and T. A. Sherley.

Also Mesdames Earl Drake, J. W. McMahan, Merritt Brooks, Pat Jones, Bud Elmore, Dale Spivey, Cotton Renner, Rudolph Renner, Emmett Sherman, W. E. Smith, Tom Lewellen, Bill McGlothlin, Mary Ann Camp and Clifford Crow.

Also Mesdames Glen Williams, Hop Lewis, Allen Stewart, I. V. Day, Fred Dennis.

Rhea Residents To Participate In Rally Choir

Eleven members of Immanuel Lutheran Church in the Rhea Community will participate in the Lutheran Hour Rally Choir at 3 p.m. Sunday in Municipal Auditorium at Amarillo.

Guest speaker for the rally will be Dr. Oswald Hoffmann, Lutheran Hour speaker.

Members of the choir will include Madalyn Binger, Mrs. Walter Schueler and Mrs. Ray Martensen, soprano; Mrs. E. A. Binger, Mrs. Raymond Schueler, Mrs. Carl Schlenker and Connie Schlenker, alto; Rev. E. A. Binger and Melvin Sachs, tenor and Eugene Binger and Chris Drager, bass.

Variety Show Date Changed

At a Tuesday evening committee meeting, a change of date for the PTA sponsored Variety Show was decided upon.

The show will begin at 7:30 p.m. Friday, December 7, in the high school auditorium.

"Souvenirs of Show Business" will be the theme of the music and comedy show, which will be a two hour family type program.

Anyone desiring to participate in the show is asked to contact Mrs. William Beene or Kenneth Livingston, who are serving as co-chairmen of the event.

Friona Rebekahs Have Visitors

Visitors at the Monday evening meeting of Friona Rebekah Lodge were Mrs. Ada Hollabaugh district four president, and three other Hereford Rebekahs. The visitors directed a school of instruction.

Four members, Joe Moyer, Pat Fallwell, Nola Adams and I. V. Day, were reported ill. Reports were also made of five sick visits and one card.

Mrs. J. B. Williams, hostess, served cake, coffee and lemonade.

Juanda Jarrell, center, served as time keeper for a debate on the advisability of Friona Schools continuing to accept federal aid. Sarah Barber, extreme left, took the affirmative stand and the negative side was defended by Pat Nichols, extreme

right, Tommy Mercer, second from left, and Jane Bengé, second from right, were judges. The debate was featured on the Tuesday evening Progressive Study Club program at Friona Federated Club House.

Housewarming Honors Mrs. Frank Osborn Friday

Mrs. Frank Osborn, known to all her friends as "Aunt Della" was honored with a housewarming Friday afternoon. Mrs. Osborn, who has lived on Prospect Street a number of years, will be moving into a new home on Sixth Street this week.

Hostesses were Mrs. Charlie Rauh, in whose home the house-

warming was held, Mrs. Dan Laceywell, Mrs. Albert Rolan and Mrs. J. W. Roberts. Mrs. Howard Ford, a niece of the honoree, presented a devotional "Love Never Edning" based on I Cor. 13:8-13.

Guests were registered by Mrs. Laceywell and Mrs. Rolan made the gift presentation. Refreshments of cake, nuts, miniature sandwiches and coffee were served by the hostesses.

Those attending and sending gifts were Miss Jo Phillips, Dennis Robards, Mesdames Jack Anderson, Elroy Wilson, Lura Bradley, Gordon Shackelford, Bill McGlothlin, Mattie Stanley, Joe Johnson, A. A. Crow and Esther Haws.

Also Mesdames Lulla Jloyd, D. H. Nelson, David Moseley, Lem Miller, Charles Russell, H. H. Lloyd, John Gaede, Glen Williams, Jasper Bess, Roy Wilson, Pearl Hand, B. E. Sanders, H. G. White and E. E. Taylor.

Also Mesdames W. F. Cogdill, W. C. Osborn, H. C. Wells, A. S. Curry, A. O. Drake, Scott Weir, H. A. Hyde, A. W. Wood, E. S. Euler, Claude Osborn, A. W. Anthony, T. A. O'Brian, J. L. Shaffer and Clarence Martin.

Hub Club Meets Thursday Afternoon

Mrs. Weldon Stringer, president of the Hub Home Demonstration Club, has announced that the regular monthly meeting of the organization will be held at the Community Center at 2 p.m. Thursday (to-day).

Mrs. Stringer will direct a program featuring Christmas wrappings and gifts. Mrs. B. O. Eldler will be the hostess.

There will also be an all day painting party at the Community Center Friday. Anyone interested in painting is invited by Mrs. Stringer to attend the party.

Vernon Scotts Parents Of Son

Mr. and Mrs. Vernon Scott are the parents of a baby boy, John Bradley Scott, born last Saturday morning at Farmer County Community Hospital in Friona.

The newborn is the second son for the Scotts. Grandparents are Mr. and Mrs. Weldon Bradley of Dimmitt, and Mrs. Margaret Robbins of Austin.

John Bradley weighed in at seven pounds, eight ounces.

Guests In Brown Home

Recent guests in the home of Mr. and Mrs. Matt Brown and children, Steve and Gloria, have been Mr. and Mrs. H. L. Brown of Oakland, Calif., parents of Mrs. Brown.

Also Mr. and Mrs. Beck Murray Jr. and children and Mr. and Mrs. George Brown, all of Byers. Mrs. Murray is Mrs. Brown's sister and George Brown is her brother.

Mr. and Mrs. Calvin Martin attended funeral services for a relative, Mrs. Cassie Smith, at Elk City, Okla., last week.

Yearbooks Presented At Class Meeting

Members of Faith Sunday School class of Calvary Baptist Church met in the home of Mrs. Valton Howard Tuesday evening for the regular business and social meeting. Presentation of yearbooks was highlight of the evening.

Refreshments of fruit cake and coffee were served by Mrs. Howard and Mrs. Dee Taylor, who was co-hostess.

Porter Installed Choir President

In formal installation ceremonies at Calvary Baptist Church Sunday afternoon, Ladson Worley, choir director, installed Claude W. Porter as president of the choir.

Preceding the installation, Rev. Audye Wiley, pastor, explained to the group what he expects from them.

Other officers installed were Mrs. Ira Hold, vice-president; Mrs. V. M. Ferguson, secretary; Miss Bill Stephens, fellowship chairman and Mrs. John Payne, Mrs. Mae Magness and V. M. Ferguson, section leaders.

About 30 persons were present for a basket lunch at noon and the installation service, which followed.

Friona Ladies Attend Meeting

Mrs. Howard Ford and Mrs. J. H. Boyle attended an all day district WSCS meeting at St. Paul's Methodist Church at Amarillo Thursday.

Theme of the meeting was "A Splendor Greater Yet." Mrs. Ford is the local WSCS president and Mrs. Boyle is secretary of promotion.

"Told you I'd have it purrin' like a Kitten." It takes good gasoline, the proper oil to keep a motor running in top shape - to make it "purr". For lubrication and car-washing too... see us.

THINK, IRRIGATION FARMER!

WATER is a commodity so precious that no tyrant has ever dared deny it to his people.

The earliest records of our civilization are linked to the spring and the waterhole, the river and the well.

The Children of Israel faltered in the westland and were ready to revolt until Moses struck the rock and brought forth a spring.

Wars have been fought over water rights and mighty nations have vanished because their water resources failed.

In view of these facts, can you afford the luxury of irrigation "TAILWATER??"

High Plains Underground Water Conservation District

Federal Aid To Schools Subject Of Club Debate

Highlight of the Tuesday evening meeting of Progressive Study Club at the club house was a debate "Resolved That Friona Independent Schools Should Cease To Accept Any

Federal Aid." Pat Nichols was the affirmative speaker and Sarah Barber took the negative side.

Juanda Jarrell served as time keeper and judges were Jane Bengé, Tommy Mercer and Ruthie Fite.

Roll call was answered with school desires. Margaret Duggins led the opening prayer. Mary Sheehan discussed constitutional comments and explained the Texas constitutional provisions for education.

Special music was presented by a guest, Debbie Bengé. She presented a piano selection, "Hop Toad Song" by Leota Stillwell.

A reading analysis, "McGuffey to McKey" was presented by Glenna Bainum. She displayed several McGuffey

readers, which had been loaned to her by Uncle John White. Refreshments were served by the hostesses, Ruthie Fite and Ann Osborn.

Senior Scouts Meet Wednesday

Eight members of senior Girl Scout troop met Wednesday afternoon at Friona Methodist Church. Following a business meeting and a game session, refreshments were served.

Those present were Martha Martin, Lou Cochran, Vicki Moorman, Becky Turner, Carolin Guinn, Linda Fallwell, Glenda Mings and the leader, Mrs. Herschel Johnson.

HOUSER'S GROCERY & MARKET

Big Enough To Accommodate - Small Enough To Appreciate

ROMP TO 42-0 WIN

Chiefs No Match For Title - Hopeful Mules

At least Friona boasted an advantage in the punting department against Muleshoe last Friday, but the Mules kept their unblemished District 3-AA record intact by swamping the Chiefs, 42-0.

That set the stage for a "showdown" between Muleshoe and Dimmitt next Friday for the district title. The Mules kept their record of not having been scored on in district play intact. Dimmitt allowed six points to Friona, and two against Olaton.

PASS COMPLETION . . . Doug Dodd flinches as he avoids contact with Bruce Little (24) of Muleshoe. Dodd caught a pass from Jim Sneed, and went on to gain 18 yards.

The Mules might have been looking ahead somewhat during the first half, as Friona hung on and went to halftime trailing only 13-0, but they succumbed to a second-half flurry that saw Muleshoe rack up new school records in rushing yardage and total offense.

Helped by a 15-yard penalty, the Chiefs drove to the Muleshoe 32-yard line after taking opening the kick, but elected to kick from that point on fourth down, and Baize's boot was killed at the Muleshoe four-yard line.

The Mules began eating up the yardage, however, and despite a 15-yard penalty which made them gain 25 yards on one series, they drove the length of the field in 11 plays for the opening touchdown. Because of the penalty, Muleshoe's drive totalled 111 yards, for somewhat of an oddity, Jerry Harrison, who alternated between

halfback and quarterback, got the first score on a 33-yard romp, and Jimmy Cabrera kicked the first of four points after for a 7-0 Muleshoe lead with 4:08 remaining in the first quarter.

A nice 51-yard punt, which Baize got into the wind and sailed over the Muleshoe safety man's head, pushed the Mules back to their 27-yard line early in the second period, but again, it only served to make the visitors have to go farther for the score.

This time it took five plays, with Jerry Gilbreath carrying every time, the big gainer being for 48 yards on the first play. He would have gone all the way on that play had not Everett Gee caught him from behind. The kick was blocked this time by Baize, leaving a 13-0 score.

Friona mounted a drive once again, picking up three first downs sparked by sophomores Danny Murphree, Doug Dodd

and Jim Sneed, but Muleshoe dug in at their 27, and took over on downs.

Friona recovered a Muleshoe fumble at the start of the second half, and had the ball on the Mules' 22-yard line. But an off-sides penalty against the chiefs hurt their chances, and Dodd's 13-yard gain on fourth down fell just inches short of the necessary yardage.

Muleshoe took over and covered the 88 yards in five plays. Quarterback Kenny Heathington got away on a 49-yard jaunt, being caught by Baize. But three plays later, the Mule signal-caller scampered 33 yards for the score and Cabrera's kick made it 21-0.

Fullback Clifford Gray sparked the next Muleshoe score, carrying seven times for 43 yards, bursting through from the one for the TD, and Cabrera's kick made it 27-0 at the end of three quarters.

Friona held the next Mule

threat after the visitors drove to the two-yard line. The Chiefs picked up a pair of first downs, then Baize boomed another 50-yard punt to the Muleshoe 26, and a penalty set the Mules back to their 13-yard line.

At this point the Mules took to the air, and Harrison, moved to quarterback, hit two consecutive passes for a total of 46 yards, and Friona was guilty of a pass interference violation to give the Mules first and goal at the one. Reserve back David Jones took it over and the kick made it 35-0.

Friona, apparently trying to hold the score down, pulled a quick-kick late in the fourth quarter, but even that didn't stop the aroused Mules, who drove 52 yards in 82 seconds, Jones getting most of the yards and the TD as well, as Cabrera's fourth successful kick made the final margin 42-0.

The Chiefs, although they did not score, picked up more yardage against the Mules than they did against either Dimmitt or Morton, although the 141 yards total offense still wasn't a big improvement.

HOST HAPPY

Longhorns Wrap Up Season This Week

Lazbuddie's Longhorns wrap up their 1962 football season Friday night, hosting the Happy Cowboys, who have clinched a tie for the District 2-B title, and will be out to wrap up the crown.

The Longhorns, with inexperienced sophomores and freshmen again manning starting positions, dropped a 13-0 decision to Hart last week.

"Considering their experience, I thought our kids played a tremendous game defensively. Our offense couldn't do much, but they did the best they could," said Longhorn coach Charley Walton.

Three freshmen were on the Lazbuddie starting lineup once again, and four first-year men were on the field at times.

"They really gave it a big effort. The kids were disappointed because they didn't win, but they did all you could ask of them," Walton said.

Hart scored 1: the second and fourth periods, on a 10-

yard pass play the first time and about a 30-yard run for their final score.

Guard Harrol Redwine again stood out for Lazbuddie. Back Mac Brown received a pair of cracked ribs, but he still might see action in the season finale, Walton said.

"It will be a tough assignment. We just hope to keep it respectable," he concluded.

STRUGGLING CHIEF . . . Two Muleshoe tacklers combine to bring down quarterback Jim Sneed (15). Danny Murphree (89) has his back to the play.

Tech Hosts Colorado

Texas Tech's Red Raiders are hosts to another victory-hungry team, University of Colorado, in a Dad's Day game in Jones Stadium at 2 p.m. Saturday.

Colorado is one-up on the Raiders. The inexperienced Buffaloes have managed a victory, 6-0, over Kansas State.

Texas Tech, plagued by injuries that have cost the services of 13 Raiders, played Boston College there close for a half. In fact, Tech was driving toward the tying touchdown when BC converted an interception into a 15-0 halftime lead, expanded to 42-13 by the game's end.

Still, Tech's end, Dave Parks, drew the vote of Boston Globe sports editor Jerry Nason, as the best lineman on the field. The Athlete junior caught five passes--setting full-season and career records in the process--averaged 43 yards punting, threw his first completion, and played a bang-up defensive game.

Boatman and W. Meade. Sitting are L. B. Barnett, W. Whitefield, W. Melton, M. Furlong, Robert Hines (Shine) McFarland and C. Jones. The picture was submitted by Ray Landrum, president of the ex-students, to remind them of the annual reunion December 26.

Church Begins New Addition

Calvary Baptist Church began work this week on a new educational unit, to add 3864 square feet to the present plant.

The addition will provide for four elementary departments, a junior department and youth department, pastor's study and secretary's office.

The building will be the same type construction as the existing building, with an estimated cost of \$16,000.

On the building committee are Elroy Wilson, chairman, H. A. Hyde, Sam Bailey, Ray Castleberry, V. M. Ferguson, Marvin Jordan and Ruben Taylor.

Johnny Brand is supervisor and head carpenter for the project.

BREAK GROUND . . . El Roy Wilson (l), chairman of the building committee, along with H. A. Hyde, committee member, turn the first shovels of dirt for the new educational unit started this week by Calvary Baptist Church.

District Contests Are Saturday For F.F.A.

The Friona FFA chapter will attend the District FFA Leadership contest to be held in Muleshoe, Saturday, November 17. Team members have qualified to enter the district contest by winning elimination contests in their vocational agriculture classes.

The Leadership teams and FFA members comprising them are as follows:

FFA Quiz--Phillip Johnson, Eldon Long, Rodney Williams, Larry Johnson, Lupe Rodriguez, Roger Nelson.

Senior Chapter Conducting--Larry Buckley, Joey Taylor, Don Collier, Milton Hargus, Chris Tannahill, John Taylor, Irwin Brooks.

Radio Broadcasting--Danny Murphree, Jackie Clark, Dennis Howell, Jimmie Sneed.

Senior Farm Skills--Jerry Cass, Dale Milner, George Rushing, Ronnie Brookfield, Dwain Phipps.

Junior Farm Skills - Steve Wagner, Dwight Whitaker, Bobby Sims, Travis Graves.

Leadership training, according to David McVey and Benny Pryor, local teachers of vocational agriculture, is one of the important subjects studied by students who are taking vocational agriculture. In addition to providing valuable training for adult life, it prepares students to conduct meetings, speak, think while on their feet, while they are in high school.

In preparation for these contests, students spend considerable class time studying about each subject. The best students are then selected and act as a team in the district contest. Area and state contest are then held for those teams that qualify.

McVey and Pryor, local advisors to the FFA Chapter, will accompany the teams to the contest.

My Neighbor Down The Road A Ways Is Talkin' To His Self These Days.

He keeps mutterin' to his self real low and callin' me a so-and-so. Says I've lied and done a terrible sin 'Cause I beat him makin' maize again.

Boy, he really blew his stack When I went to town and brot a new car back.

But, I tried to tell him way last fall That the cost of PLOWDOWN was very small

And if he'd go ahead and put some on Then he could bring a new car home.

INSPECT DAMAGE . . . Friona Chief of Police Ben Moorman and George Treider inspect damage to a pick-up truck which was struck last Thursday night by a motorist who said he went to sleep. The pickup, parked in Treider's drive, had considerable damage.

Let's all get out sometime within the next few days and get a good look at all the pretty trees, flowers and shrubs up and down the streets. Surely all vegetation will be killed in the near future. Then it will be another year before we will have the opportunity to view the beautiful coloring of late autumn.

Many flowers are still blooming, trees are every hue from brown to bright green. Green lawns are generously sprinkled with fallen leaves and shrubs have beautifully colored berries.

account went like this: "I taked the mouse away from the cat and showed it to Frieda. Then I showed him to Susan. She squeamed, so I chased her. She was a wunnin' and a squeamin' and a wunnin' and a squeamin'." June come'd to the window and said, "John give that mouse back to the cat, so I did."

New homes under construction at the present time include those of Mr. and Mrs. L. R. Hand in the Drake addition and Mr. and Mrs. Clyde Sherrieb in the Staley addition. The Sherriebs should be real good at building new homes.

Not very long ago they built one. Think the only thing they found wrong with it was that it was in Hereford instead of in Friona. Now, they have joined the ranks of residents who moved away then moved back.

Two other persons in this same category are Bill and Juanita Kappel. After living in And Around Friona several years they moved over into their native state, Oklahoma. Apparently they had worn out too many pairs of shoes in Farmer County, so returned.

Thanks to the Howard Fords the Floyds had freshly picked roasting ears for dinner recently. It seems that Howard experimented with a very late planting date for corn and proved that at least one time it was possible to be picking fresh corn in November.

Perhaps in the future other farmers will want to plant corn late so that homemakers may freeze or can corn when the weather is so cool they enjoy staying inside.

Three year old John Graham visits in our home occasionally. As is typical when there's a three year old around, something amusing is always happening.

His most recent visit was no different from all the others. I rarely ever look out the window and see a three year old boy holding a mouse by the tail chasing a nine year old girl around the house.

Seeing this happen was very amusing, but hearing John tell about it was hilarious. His

Mr. and Mrs. Jimmy Smith and sons, Steve and Randall, spent the weekend visiting Mr. and Mrs. W. F. Martin at Boulder, Colo. Mrs. Smith and Mrs. Martin are sisters. Mr. and Mrs. Bill Southward and children of Stinnett were Sunday guests in the home of Mrs. Southward's mother, Mrs. C. L. Bracken.

THE LOOT . . . Friona law officers Bill Morgan and Ben Moorman display the results of a raid last Friday on the Las Palomas Cafe in Friona. George Hamer, center, the proprietor, was fined \$300 on two county and city violations.

Friona Man Fined In Violations

George Hamer, 26, of Friona, was fined a total of \$300 on two separate counts last week involving the sale of alcoholic beverages at the Las Palomas Cafe in Friona.

The officers also took into custody 13 cartons of beer (six cans per carton), which was allegedly being sold at the time of the raid.

Hamer pleaded guilty to the charge of illegal possession of alcoholic beverages for the purpose of resale, and was fined \$100 plus court costs by County Judge Loyde Brewer.

He was filed on in the City

of Friona for operating a public dance hall, pleaded guilty to this charge and was fined \$200.

Back To U.S.

Billy G. Zachary, aviation electronic technician airman, USN, son of Mr. and Mrs. Arthur L. Stokes of Friona, returned to the United States on October 20 aboard the attack aircraft carrier USS Midway.

SI RE, most of us believe in God. But have you outgrown Him? Does He mean anything in your life? How do you picture Him? Is He just a remote force . . . or sort of a fatherly but outdated Man Upstairs? Who is God, what is He . . . really?

IS GOD OUT OF DATE?

Or couldn't you care less? Like the college coed who said, "Yes, I believe in God, but I'm not nuts about Him." What is God like? You investigate insurance, education, new cars . . . why not seek a satisfying answer to what God is like? His Son, Jesus Christ, visits our planet in Person . . . entering our world of death, taxes, and tension. And He stays with it! Christians know He cares and shares.

A claim of this importance is worth exploring. You can investigate it by sending for this free, easy-to-read 48-page booklet, IS GOD OUT OF DATE?

WHY NOT FIND OUT FOR YOURSELF?

FRIDAY -- Pork chops, asparagus, rolls, potatoes, combination salad, butter, milk, peach halves.

Something To Think About

6th. Street Church of Christ
Box 515 -- Friona, Texas

SOMETHING TO THINK ABOUT "My judgment in life has often been wrong; especially my judgment of men; in sizing them up, I've made some mistakes -- I'm likely to do it again. When judging a man, please give him a chance; Don't drag his good name in the dirt, for if you should err, and find that you're wrong, your sin will be the innocent hurt. Now here's a good rule that all should adopt: Don't judge one with anger and haste. Remember, and well, when you're judging a man -- try putting yourself in his place." The spirit of love and compassion is the spirit of God, and without it our future is most dismal. All who want to go to heaven should remember: A man may go to heaven without health, without wealth, without fame, without a great name, without learning, without earning, without culture, without beauty, without friends, without 10,000 other things, but he can never go to heaven without "love for his fellow man." The inspired writer put it like this: "Let us not therefore judge one another any more; but judge this rather, that no man put a stumblingblock or an occasion to fall in his brother's way." (Romans 14:13) The Lord summarized the whole thing in a few words: "Judge not, that ye be not judged." (Matt. 7:1)

LIFE WITH GOD
Last week we thought about life without God as being likened unto an unsalted white of an egg . . . without taste and zest. Today we would like to think of the life-giving and tasteful life with God. When an individual comes into a right relationship to his Creator, God imparts essentials into that person which gives to him or her that plus factor so important to the abundant life. The negative is present, but it is not prominent. What are the negatives? Shall not come to condemnation, shall not face punishment. What are the positives? Is given an assurance of eternal life, knows the pardon and forgiveness for sin, and is given the qualities of life without salt. Instead of life without salt, those most important qualities of salt are present. Jesus once said, "Ye are the salt of the earth." What is meant? Salt purifies, salt preserves, salt sustains, and salt gives zest. A speaker said just recently, "We need more salt today for a sin-sick world." The question comes to mind: What would this world be like today if all Christian influence were suddenly withdrawn? We all recognize that balance is not heavy in favor of the Christian influence, but what if all Christian influence were taken away? What if all salt were suddenly exhausted? The value of silver and gold, houses and land would suddenly become insignificant. What is the value of a life with God? It, too, is immeasurable.

Lions Hear AF Official

Major David Heritch of Cannon Air Force Base near Clovis, New Mexico, was the guest speaker at the regular meeting of the Friona Lions Club last Thursday night.

Major Heritch showed slide films with a running commentary, explaining the Tactical Air Command (TAC).

The Air Force official explained that he was born in Russia, but has devoted a major part of his career to checking the Soviets' cold war tactics.

The next meeting of the club will be Thursday, December 6, which will be the ladies' night program at the School Cafeteria.

Directors of the Lions Club meet Friday morning to make plans for club meetings during the coming holiday season.

First Freeze Recorded Here November 8

Friona had its first freeze of the season November 8 when the temperature dropped to 29. The mercury plunged to that mark again on November 12, although the highs stayed in the high 60s and middle 70s.

No precipitation was recorded in the past week. Temperatures read:

	Max	Min
November 7	63	34
November 8	61	29
November 9	79	32
November 10	76	39
November 11	68	39
November 12	69	29
November 13	75	36

Duke Completes Training Phase

Robert L. Duke, Jr., son of Mr. and Mrs. Robert L. Duke of Friona, was scheduled to complete recruit training November 9 at the Naval Training Center, San Diego, Calif.

During the nine-week indoctrination, recruits receive training in physical fitness, seamanship, basic military law, military drill, swimming and survival, first aid, and customs and traditions of the naval service.

Each recruit receives tests and interviews to determine his future training and assignments.

Local Artists Continue Study

Six ladies from Friona have enrolled in a ten week course in oil painting at the Jean McGee Studio in Hereford. They will attend classes from 1 to 5 each Monday afternoon.

Members of the class are Mesdames Raymond Fleming, Bill Wooley, James Procter, Jim Cocannouer, John D. Sanders and Glenn Reeve Sr.

Attend Funeral

Craig Tannahill, son of Mr. and Mrs. C. W. Tannahill and a student at the University of Texas at Austin, flew to Amarillo Tuesday morning. He returned to Austin Thursday after attending funeral services for his maternal grandfather, J. B. Allen at Lockney Wednesday.

Lunch Guests

Dr. R. V. Allen and Bill Allen, both of San Diego, Calif. were Thursday lunch guests in the home of Mr. and Mrs. C. W. Tannahill. The two men are Mrs. Tannahill's brothers.

Navy Recruiter To Be Here

Chief L. M. Puckett, of the Navy Recruiting station in Clovis, N.M., will be in Friona each Monday at Bi-Wize Drug from 12:30 to 2 p.m. to interview potential applicants for the Navy or to answer any questions parents might like to ask.

Chief Puckett has over 20 years of Naval service, and will be glad to answer any question that may be asked of him.

Thanksgiving FOOD SALE

THANKSGIVING THOUGHT

Someone said, "We think the feasting is becoming more important in our minds than the Giving of Thanks." We have never been better informed of conditions throughout the world than in this year of 1962, and consequently never so aware of the wondrousness and magnitude of our blessings. May this Thanksgiving Day be sincerely dedicated to "Giving Thanks" and a renewal of our determination to more actively do our share in the preservation of the rich heritage endowed upon us. . . . **SUPER SAVE MARKETS**

4-H Members Honored At Annual Achievement Awards Program

Outstanding 4-H Club members in Farmer County were honored last Saturday at the annual 4-H Club Achievement Awards program at the Hub Community Center.

Katie Blackstone, 15-year-old daughter of Mr. and Mrs. Harvey Blackstone of the Lazbuddie Community and Bruce Billingsley, 15-year-old son of Mr. and Mrs. Leon Billingsley, of Oklahoma Lane, were honored with the Gold Star Awards, highest county award for county 4-H Club members.

Miss Blackstone, who has been a member of the Lazbuddie

4-H Club for six years, has had among her projects clothing, home improvement, foods and nutrition, gardening and food preservation.

She has received previous award medals in home economics, clothing, safety, achievement and dress revue. Katie has served her local club as vice president, president (two years) and secretary-treasurer. She has been reporter for the county 4-H Council and alternate delegate to the District 4-H Council.

Billingsley has been a member of 4-H for six years. He entered his record book in Beautification of Home Grounds, winning both the county and district contests and placing well in state competition.

In 1961, Bruce competed in poultry method demonstration at the state level, and has had

result demonstrations in crops, swine, electric, poultry and soil and water conservation. He is presently council delegate from the Junior Leaders Club. He hopes to be a veterinarian. Lazbuddie and Rhea Clubs were presented special club certificates, a new award this year which are awarded to clubs which meet a select list of 16 basic requirements.

Other awards were given in the following divisions:

Achievement--Peggy Lesly; Reba Lesly, Patricia Tannahill and Shells Vaughan, Beautification of Home Grounds--Bruce Billingsley.

Beef--Jim Bob Jones, Joe Bill Jones, Jay Potts and Wayne Schueler; Clothing--Mary Coffer, Judy Koelzer, Viane Lesly and Shirley Schueler.

Dress Revue--Sharon Martensen, Karene Milner, and Marsha Schumann, Field Crops--John Gulley, Danny Miller, Bobby Redwine, Dale Schueler and Charles Ramage.

Foods-Nutrition--Janis Billingsley, Ann Blackstone, Kathryn Gober and Cheryl Kaltwasser, Garden--Dale Blackstone, Jimmy Broyles and Johnny Broyles.

Home Economics--Katie Blackstone, Nedda Foster, Vicky Kaltwasser, Cheryl Ramage and Janie Watkins; Leadership--Richard Chitwood.

Recreation--Tina Rundell and Sherri Tannahill, Swine--Bobby Gleason, Floyd Schlenker and James Schlenker, Public Speaking--Jill Mimms.

It was explained that only a few awards could be made in each division. Other 4-H members received special "year completion pins." These included:

Kathy Coker, Risa Howell, Darla Howell, Patcine Broyles, Janice Miller, Debbie Burch and Debbie Garner. Boys receiving the pins were Darrell Schueler, Curtis Drager, Danny Schueler, Kirby Burch, Roger Martensen, Larry Davis, Dwayne Bauer, Ramond Drager, James Gulley, Gary Coker, Mike Ward and John Ward.

County Extension agents Deryl Coker and Miss Ettie Musil, assisted by County Judge Loyde Brewer, presented the awards. Gary Foster, 4-H County chairman, was master of ceremonies.

A covered dish supper was enjoyed by the members, their families and guests prior to the presentations. Talent skits were presented by the Farwell, Friona and Lazbuddie clubs.

TOP AWARDS. County Home Demonstration Agent, Miss Ettie Musil, congratulates Katie Blackstone, while County Agent Deryl Coker shakes hands with Bruce Billingsley.

The two 4-H Club members received the county's highest honor for club work--the Gold Star at last Saturday's Achievement Awards program.

FOOTSAVING EDUCATION

by James E. Edwards

If, as you have said, my baby's pigeon-toe walk may be caused by sleeping on his tummy why aren't my other three children pigeon-toed? They slept the same way.

First, my thanks for saying "may be caused." There are probably many other possible causes but they would be medical and I can't discuss them.

Second, for the record, I did not "say" it. I merely quoted Dr. Henry A. Sincocock, M.D., fellow of the American Academy of Pediatrics, who told a convention of the Minnesota Academy of General Practice that he believes that the increase in cases of pigeon toe might be due to prone sleeping. He pointed out that other animals that are anatomically similar to humans sleep on their sides. The lecture was given in Duluth in 1954.

In 1955 Dr. Joseph H. Kite M. D., in an address to the International College of Surgeons, voiced his theory that prone sleeping not only causes pigeon toe in cases where the infant sleeps with his toes turned in but also that it causes flatfoot when the prone sleeper lies with his toes turned out. Dr. Kite recommends "training the baby to snooze in various positions, preferably on his side."

Now, your question, I'll bet that if you can recall, you will agree that your other three children began changing their sleeping positions at an earlier age than your youngest. If that is true, your experience would support rather than weaken the theory of the doctors.

Theory is a word we have learned to dislike but most of what we know for sure was once someone's theory. Considering how difficult it is to correct poor walking habits we should be careful not to scoff at this theory because it might well be the ounce of prevention.

Federal Grain Sorghum Insurance Is Expanded

All-risk Crop Insurance for irrigated grain sorghum was extended today to farmers in two additional Texas counties for 1963 -- Garza and Lynn -- according to an announcement by Secretary of Agriculture Orville L. Freeman.

This brings to 14 the number of counties in the state in which the improved insurance will be available for 1963 on irrigated grain sorghums. They include Dawson, Parmer and Terry which had been previously announced as New Crop Insurance counties for 1963 and Bailey, Castro, Crosby, Floyd, Hockley, Lamb, Lubbock and Swisher counties were irrigated grain sorghum was insured for the first time in 1962. Hale county has had Federal Crop Insurance on irrigated grain sorghum since 1959.

The protection for irrigated grain sorghum is in addition to the irrigated cotton insurance previously available or announced for 1963 in these counties.

In making the announcement, the Secretary said, "Growing recognition by farmers of the vulnerability of their financial positions to crop failure due to drought, coupled with major improvements in the protection offered and expansion of these offers to additional counties, should result in major expansion in the USDA's Crop Insurance service to Texas farmers and their business communities in the years ahead."

A previous announcement listed 14 other Texas counties where Crop Insurance on dryland grain sorghum would be available in 1963. They are Bell, Collin, Denton, Ellis, Falls, Grayson, Hunt, Jackson, McLennan, Milam, Navarro, Travis and Refugio. In 1962 all-risk Crop Insurance for dryland grain sorghums was available in Nueces, San Patricio, Wilbarger and Williamson counties.

Wheat Deadline

Parmer County wheat farmers were reminded this week that the deadline for signing up for the 1963 Wheat Stabilization program is less than a month away--December 14.

"Any farmer desiring to sign up should come in at their convenience, before the deadline starts to press them," said Prentice Mills, office manager of Parmer County ASCS.

WILL COLLECT \$1 PER BALE

GINNERS ENDORSE CPI'S Cotton Promotion Program

Representatives of 12 Parmer County gins met in Friona last week and agreed to support the Cotton Producers Institute, an organization to promote consumer use of cotton, lowered production costs and the development of new cotton quantities and uses.

The ginners are asking that cotton producers back the movement, financed by a \$1 per bale fee, which will be collected by all cooperating gins during the harvest season.

In a letter being sent to cotton producers this week, the ginners pointed out that cotton profits are being seriously cut by rising production costs, loss of markets and acreage. (The recent 11.8 per cent acreage cut for 1963 is a bitter reminder of this situation.)

The letter pointed out that as the only basic answer to these problems, producer leaders have strongly urged an adequate research and advertising program, through the Cotton Producers Institute.

"In line with this request and the usual support gins give to progressive programs, we are agreeing to cooperate in the program," the letter says.

The \$1 fee will be deducted along with regular gin charges to facilitate bookkeeping procedures. However, the ginners are quick to point out that the program is purely an optional

one, and producers will not be pressured to cooperate. It is believed, however, that most producers will want to have a part in the program.

The institute is completely producer-controlled, non-political and voluntary, the letter states. All of its funds go for research to cut production costs, find new qualities and uses, and nation-wide cotton advertising.

Also, the letter points out, the program has been cleared by Internal Revenue as tax deductible, and by lending agencies as production expense.

Those ginners signing the letter were Don Sides of Bovina Gin Company; Wendol Christian, Oklahoma Lane Gin; Steve Hargus, Friona Country Club Gin; Ovid Lawlis, Lawlis

Gin Company; Ed Nickels, Nickels Gin; G. W. Fleming, Fleming and Son Gin; E. L. Cooper, Cooper Gin; E. W. Chester, Chester & Fleming Gin; Leo J. Ruzicka, West Hub Gin; Howard Baker, Lariat Gin, L. D. Gal-line, Parmer County Gin and J. R. Fletcher, Friona Farmers Co-op Gin.

Meeting with the ginners was John Gregg of Plains Cotton Growers, who explained the CPI to the group, and pointed out the challenges which lay ahead of the cotton industry if it is to maintain its present position.

Gregg pointed out that eleven research products are currently being carried out by the Institute at colleges, universities and laboratories.

The Institute's promotion budget calls for expenditures

of \$1 million in the next 15 months, using both day and night time television as a means of selling American consumers on the advantages of buying products made from cotton.

Parmer's Cotton Acreage Cut To Resemble Average

Parmer County's cotton acreage since for 1963 probably will conform with the national average of 11.8 per cent, it was speculated this week by county ASCS officials.

"Our acreage cut shouldn't be any greater than the national average," said Prentice Mills, ASCS office manager.

However, farmers who failed to plant all of their 1962 acreage will likely take a greater cut, it was stated.

Kepley Sells Registered Bulls

Dale and Laura Hart, Friona, have purchased Cleo's Improver P17121, a nine-year-old bull, sired by Belle's Improver P95925 RM, and out of "Defender's Gladys Cleo 2d P98405, from F. E. Kepley of Farwell.

The new animal is a registered Milking Shorthorn and the record of the transfer of ownership has been made by the American Milking Shorthorn Society at Springfield, Missouri.

Another bull, Highland-Cordy P277745, a three-year-old, was sold by Kepley to Carl Pol-lard, McAllister, New Mexico.

Forrest Assists Development Of REA In Latin America

Leo Forrest, manager of the Deaf Smith County Electric Cooperative at Hereford, has been selected as a member of the first team of rural electric cooperative experts in a new U.S. program to assist the rural electrification and development of Latin America.

Forrest and Louis Strong, manager of the Kay Electric Cooperative at Blackwell, Okla., will arrive November 27 in Colombia where they will help to organize electric co-

operatives. Forrest will work in the Bochalema area of Colombia while Strong will be assigned to the San Francisco area.

The two co-op leaders are making the trip under the provisions of a contract entered into last week by the National Rural Electric Cooperative Association and the Agency for International Development (AID). The contract was signed before President Kennedy in a ceremony at the White House.

Under the non-profit agreement, NRECA, the national

service organization for 970 rural electric systems around the country, will provide technical assistance in organizing and operating electric cooperatives in Latin America and other parts of the free world.

Describing rural electrification as one of the dramatic stories of this nation's development, President Kennedy last week said the agreement was one of the most significant actions taken by the AID agency. "One of the most significant contributions that we can make to the underdeveloped countries is to pass on to them the techniques which we in this country have developed and used successfully," the President said. "It seems to me, therefore, that the contract signed today holds special promise for those countries which have realized only a small fraction of their energy potential."

Forrest has taken a 90-day leave of absence from Deaf Smith County Electric Cooperative to assist in the program. Forrest has been manager of the co-op since 1945. He formerly taught school in New Mexico and Texas and was superintendent of schools at Farwell, Texas, for six years.

Forrest was a member of the Hereford School Board for a number of years and is currently president of the County Board.

Farm Facts

Some 20 years ago only about 50 basic farm chemicals were in use. Today there are about 200 basics available and perhaps as many as 50,000 formulations of them.

"Without the fruits of research put to work through the industrial machine," comments Director George L. Mehren of the Giannini Foundation of Agricultural Economics, "production of broilers, turkeys, eggs, red meat, and dairy products could never have reached today's levels, simply because disease losses would have prevented it."

"Present methods of producing important truck crops, such as tomatoes and potatoes, would not be possible."

"Had not such pests as the Mediterranean and Mexican fruit flies been controlled by chemicals, our peaches, cherries, citrus, apples, and pears might now be luxuries."

"Modern methods of finishing livestock for market would not have developed and we would not have so abundant a supply of tasty as well

as nutritious meat as we now enjoy.

WITH THE COUNTY AGENT

DERYL COKER

Unless something changes we are going to have a 10 to 12% deduction of cotton acres next year because of cotton surplus. The main reason for this is we have lost some of our exports and also the people that are making synthetics are doing a better job of advertising and publicizing their product. Just to be frank, we have done a very poor job of getting publicity and advertising of cotton.

If we expect to maintain or increase our cotton production we will have to take advantage of every means possible of selling people on cotton.

Also, since we will have diverted acres of wheat, grain sorghum, and cotton it will give us a very good opportunity to clean up our farms by getting rid of Johnsongrass and other noxious weeds.

There is still a lot of interest in sugar beets in our area and I received word from Mr. C. A. Lavis, that they are still awaiting word from Wash-

ington regarding our application for allotments, etc., which would enable them to go ahead with the proposed ultramodern beet sugar factory near Hereford.

With all our idle land, getting a sugar beet allotment would certainly be an asset to us now.

We are getting ready to get into the cotton harvest at full capacity and it's natural for everyone to try to get their cotton out as soon as possible but it certainly would be worth your time if you could delay getting your strippers into the field early in the morning especially if we have a heavy dew or frost during the night. If the cotton is drier it makes it easier for the ginner to gin it. Also it could possibly improve your grade of cotton. Also, if you have trailers setting in the gin yard and there is a possibility of rain it would pay you to put a tarp over the trailer if you have one.

Bale Grouping Aids Ginning Procedure

The simple process of grouping unginced bales of cotton according to their moisture and trash content is suggested by B. G. Reeves, extension cotton ginning and mechanization specialist, as an aid to better ginning and improved quality. This is especially true during periods of damp weather, explains Reeves.

Here's an example. A bale of fairly dry cotton goes to the gin which can be processed into a low middling grade with a 31/32 inch staple without too much difficulty. But, what happens when this fairly dry cotton is ginned behind a bale with a much higher moisture content? Reeves says a low middling plus grade could result but with a drop in staple length to 15/16 of an inch. There could also be a loss of 10 pounds in weight as a result of the over-drying. Currently, he says, the price of LM 31/32 inch and LM plus

15/16 inch are the same, 29.11 cents per pound. However, the 19 pound loss in weight means a loss of \$5.53 in the bale's value. A higher grade but an actual loss in bale value.

The same kind of loss results from the ginning of a damp bale of cotton following a dry one.

It takes good sense, points out Reeves, to gin several bales of damp cotton after the heat and machinery have been properly set to handle it most efficiently. When the ginning of such a grouping has been completed, adjustments can then be made easily and quickly to handle dry cotton.

By following this simple process, Reeves says, everyone concerned is better served — farmer, ginner and spinner.

The HAPPY HOMEMAKER

BY JUNE FLOYD

If some of your family and friends enjoy hot relish and the others prefer sweet relish, clip the following recipe and use it often. The basic mixture can be made and after some jars have been filled you can add the chopped hot peppers. About 1 quart of peppers to half the basic mixture will make good hot relish.

Run 12 onions, 12 green bell peppers, 12 red bell peppers and 1 quart green tomatoes through a food chopper. Add this mixture to 1 gallon chopped cabbage which has had 1/2 cup salt poured over it. Let entire mixture stand overnight. In a separate bowl, if you are going to make hot relish, put the quart of chopped chili hot peppers — the little green slender ones.

Next morning drain the liquid from the basic mixture and add 3 quarts vinegar and five cups sugar. In a small bag place 4 tablespoons mustard seed, 3 tablespoons celery seed and 2 tablespoons whole pickling spice. Lower the bag into the relish mixture and bring it to a boil. After boiling for a minute or two, seal in sterile jars.

For the portion that is to be made into hot relish, add the hot peppers and boil then seal in sterile jars.

Before you put your garden tools away for the winter, be sure they are all in good shape. Give them a thorough cleaning before you put them in storage. Remove caked soil with scraper and emery cloth or steel wool. Oil the cleaned metal parts with a rag dipped in used motor oil to ward off rust.

If handles are smooth and in good shape, give them a coat of paste wax and a polish job before putting them away. If they have had rough treatment, they may need sanding to smooth them and a coat of spar varnish to preserve them.

Sharpen the cutting edges of hoe, sickle, pruner, hedge shears and other sharp edge tools. File or whetstone used in sharpening should be worked

against the edge, not away from it. Do not put a sharp edge on the spade or sharpshooter, for it may nick or dent them.

A new plastic zipper is on the market. It is heat resistant, snag proof and soft. If clothing catches in coils, you simply bend the zipper in half and free cloth then zip again.

This zipper should prove to be very practical and popular. In the past homemakers have had to choose between a metal zipper and a plastic one that any kind of heat would damage.

With this new type zipper we will not have to worry about getting too close to the coils while we are ironing.

For an applesauce cake that is really different, try Chocolate Applesauce Cake

- 1 cup sugar
- 1/2 cup margarine
- 1 2/3 cups sifted flour
- 1 1/2 teaspoons baking soda
- 1/2 teaspoon salt
- 3 tablespoons cocoa
- 1 1/2 cups cold unsweetened applesauce
- 1 teaspoon vanilla
- 1 egg

Mix together sugar, margarine, flour, soda, salt and cocoa with pastry blender or fork. Add vanilla to applesauce and blend into flour mixture. Add beaten egg and stir into mixture lightly. Place batter into a greased floured loaf pan. Bake in 350 degree oven 35-40 minutes. Makes one large loaf cake.

Traditionally Christmastime is cookie making time. If you have a cookie press and want to adapt your favorite cookie recipe to use with it, you may do so by adding flour, a small quantity at a time, until mixture is proper consistency for the press.

- Mocha Rounds
- 1/2 cup butter or margarine
- 1 cup brown sugar, firmly packed
- 1 egg
- 1 square unsweetened (1 ounce) chocolate, melted
- 1/4 teaspoon salt
- 2 teaspoons instant coffee
- 1 teaspoon vanilla
- 1 1/4 cups all-purpose flour, sifted
- 1 teaspoon baking powder
- 3/4 cup finely chopped nuts

Cream butter, add sugar and cream together until light and fluffy. Add egg and beat well. Stir in chocolate and vanilla. Add dry ingredients which have been sifted together and mix to form dough. Chill thoroughly (overnight if possible.)

Take teaspoonfuls of dough, shape into balls and roll in nuts. Place 2 inches apart on oiled cookie sheet and bake in 375 degree oven about 15 minutes. Makes 2 1/2 dozen cookies.

Cotton Samples Increasing, Harvest Picks Up Slowly

Mr. W. K. Palmer, Officer-in-Charge of the Lubbock Cotton Classing Office, reported sample receipts were still increasing but at a very low rate. Daily receipts are running about 8,000 samples per day. Mr. Palmer also reported that the quality of the grades and staple lengths declined over the past week.

The Lubbock office classed 55,200 samples for the week ending November 9. The Lamesa office classed 13,900 samples and the Brownfield office classed 15,800 samples.

For the year the Lubbock office has classed 138,450 samples and has a carry-over of 6,200 samples. The Lamesa office has classed 42,700 samples and has a carry-over of 2,000 samples. The Brownfield office has classed 46,300 samples and has a carry-over of 3,500 samples.

had classed 566,000 samples and had a total carry-over of 12,200 samples.

The amount of Low Middling and Strict Low Middling Light Spotted cotton classed increased this week with 8 percent Low Middling and 12 percent Strict Low Middling Light

Counties Honored At TFB Convention

County Farm Bureaus were honored at the state organization's annual convention for outstanding accomplishments in membership acquisition, public relations and citizenship.

In recognition ceremonies at the Villita Assembly Hall, Ellis County received the top membership award, Williamson County won the public relations award, and Gaines County was named citizenship winner.

Ellis County received the coveted John Gorham Award for having the largest membership in the state—1,617. This makes the third year in a row for Ellis to win this trophy.

Williamson County Farm Bureau was named recipient of the Texas Farm Bureau Information and Public Relations

Spotted. A week ago percentages were 3 and 6 percent, respectively. Strict Low Middling and Middling Light Spotted continued to account for the majority of the cotton classed, with percentages of 26 and 37 percent. Only 8 percent of the cotton classed was Middling.

Staple length decreased this week with an average staple length of 30.2 thirty-seconds of an inch. Last week it was 30.4 thirty-seconds of an inch. Fifteen-sixteens of an inch accounted for 58 percent of the cotton classed. Twenty-nine thirty-seconds of an inch was 12 percent and 31/32 was 22

percent. Micronaire readings showed some decline, but are still running very good. Three percent of the cotton classed miked 2.9 or below. Nine percent was in the range of 3.0-3.4. Eighty-eight percent of the cotton classed had a micronaire of 3.5-5.4. There was a trace of 5.5

or better cotton found in the cotton classed.

The Lubbock Cotton Exchange reported 22,400 bales purchased for the week ending November 9. This was 5,600 bales more than the previous week and compares with 58,000 bales reported for the same week a year ago.

HD Agent's Notes

BY MISS ETTIE MUSIL

Don't overlook the use of pumpkins, now that Halloween is past. This fall vegetable can be used in many ways for delicious dishes for your family.

First, select a pumpkin which is heavy for its size. The rind should be hard and free from blemishes. Extra-large pumpkins may have stringy coarse flesh and be less flavorful than small or medium-sized ones.

Pumpkins, with their yellow to orange color, belong to the group of vegetables famous for Vitamin A. We remember Vitamin A is needed for growth, normal vision, and for healthy condition of our skin.

Pumpkin pie at this time of the year or around Thanksgiving is the most popular. Besides using it in pie, have you ever tried pumpkin in custards, cookies, and nut bread? Or maybe you would like to serve it mashed, seasoned with butter, salt and pepper. I've heard that you can also use pumpkin added to waffle batter.

Those of you who have our bulletin "Vegetables, Vegetables" may have tried the recipe, Pumpkin Souffle. If you would like a copy, do let me know so that I can send you a copy. Here's the recipe for the Pumpkin Souffle:

- 2 1/2 cups mashed pumpkin, canned or cooked
- 1/4 cup melted butter or margarine
- 1/2 teaspoon salt
- 3 tablespoons brown sugar
- 1/2 cup hot milk
- 3 eggs, beaten separately
- 1 teaspoon grated lemon rind
- 1/2 cup raisins or coconut
- Add butter, salt, sugar, milk and beaten egg yolks to mashed pumpkin. Beat until fluffy. Beat egg whites until stiff; fold in stiffly beaten whites, lemon rind, raisins or coconut to pumpkin mixture. Put into ungreased casserole and bake at 350 degrees F. 1 hour or until lightly brown. Serves six to eight.
- Freezing pumpkin now for

use later is very easy. Simply wash, and cut the pumpkin into small pieces. Remove the seeds and peel. Then cook in a small amount of boiling water, or in a pressure cooker or sauce pan, or in an oven.

After the pumpkin is tender mash the pulp or put it through a sieve. Cool by placing pan containing the pumpkin over chopped ice, and stir the pumpkin occasionally for cooling. Then package in freezer jars, or plastic freezer containers. Freeze immediately, and store at zero degrees or lower.

Last week seven 4-H adult leaders were trained in the Unit 2 of the Favorite Foods leader and member guides. These leaders will work with 4-H club girls in small groups of three to six. In this way the leaders can show the girls how to prepare certain foods in the lessons, and then the girls can practice preparing and serving the same food dish after the demonstration. The girls learn by doing immediately.

Attending the leader training last Wednesday, in the Hub Community Center were Mrs. U. L. Lesly, Mrs. Johnnie Ruddle, and Mrs. Leon Billingsley of the Farwell 4-H Club, and Mrs. Charles Howell of the Friona 4-H Club, and Mrs. Freeman Davis, Mrs. Harvey Blackstone, and Mrs. Ralph Broyles of the Lazbuddie 4-H Club.

Through these leader and member guides that were organized by our Extension Service Foods and Nutrition Specialists, the 4-H boys and girls will learn how to plan, prepare, and serve different foods. Also they shall learn the importance of good nutrition in eating well-balanced foods daily for good health now and in the future. We are most grateful for the adult leader who are giving their time for the boys and girls. The youth will long remember the help these and all adult leaders for their interest and training.

CLUB AWARDS. . . County Judge Loyde Brewer is shown congratulating Danny Miller, left, president of the Lazbuddie 4-H Club, and Jay Potts, right, the Rhea 4-H Club president. Their clubs were awarded special awards at Hub last Saturday.
