Not Symptoms but the Disease. It would seem to be a truth ap preciable by all, and especially by 121 07 professors of the healing art, that to remove the disease, not to alle-70.17 viate its symptoms, should be the chief aim of medication. Yet in 193.58 how many instances do we see this truth admitted in theory, ignored 160.00 in practice. The reason that Hos-

tetter's Stomach Bitters is success-160 00 ful in so many cases, with which remedies previously tried were in-1855 57 attributable to the that it is a medicine which reaches and removes the causes of the va-

rious maladies to which it is ad apted. Indigestion, fover and ague, liver complaint, gout, rheumatism, disorder of the bowels, urinary affections and other maladies are not palliated merely, but rooted out by it, it goes to the fountain head. It is really, not nominally, a radical remedy, and it endows the system 6.00 with an amount of vigor which is its best protection against cisease.

Mary and Martha are necessities. There will be no dinner for Christ if there be no Martha: there the most striking scenes that came under the most striking scenes that came un beautifully constructed. Eden i gone: mals that Adam stroked with his hand that morning when they came up to get their names have since shot forth tusk and sting, and growled panther at panther; come whirling down from under the sun in blood and fire. Eden has gone, but there is just one little fragment left. It Paradise. It is the marriage institution. It does not, as at the beginning, take away from mana rib. Now it is an addi-

femed in our day, and influences are broke. No tears for her. God gives tear made to take the marriage institution which was intended for the happiness and elevation of the race, and make it a mere and unfaithfulness and feminine angelhood. The two after awhile have roused but a Van Amburgh's menagerie, filled cough, headache or backache, a los- banquet of hell; and I tell you what you know as well as I do, that wrong notions

on the subject of Christian marriage are worn out by house management. There the cause at this day of more moral outrage before God and man than any other en. It is very annoying, after the vexa-There are some things that I want to table, or in the nursery or parlor, to have bring before you. I know there are those your husband say, "You know nothing of you who have had homes set up for a about trouble; you ought to be in the great many years; and, then, there are store half an hour." Sympathy of occupathose here who have just established their tion! If the husband's work cover him home. They have only been in it a few with the soot of the furnace, or the odors months or a few years. Then there are of leather or soap factories, let not the those who will, after awhile, se up for wife be easily disgusted at the begrimed themselves a home, and it is right that I hands or unsavery aroms. Your gains My first counsel to you is, have Jesus in are one, av hold of the work of life with your new home, if it be a new home; and both hands. Four hands to night the bat-

gin with God end with heaven. Have on your right hand the engagement ring of the divine affection. If one of you be a Christian, let that one take a Bible and read a few verses in the evening time, and then kneel down and commend yourselves to him who setteth the solitary in families. I want to tell you that the destroying angel pas es by without touching or enter-

ing the door-post springled with blood of the everlasting covenant. Why is it that in some families they never get along, and in others they always get along well? 1 have watched such cases, and have come to a conclusion. In the first instance, nothto go pleasandy, and after a walls ame devestation models walls and put bimself in circles where he or estrangement. Why? They side has nothing to do but smoke clears wrong. In the other case, although there and wine, and get himself Plans and specifications will be a copted so were hardships and trials, and some things into habits into habits that upset him; gothat had to be explained, still things went ing down in the on plea-ant unti the very last. Why?

They started right. My advice to you in your home is to exereise to the very last possibility of your the day and all the hours of the night. nature the law of forbearance. Prayers in There are the freight trains; they go very the household will not make up for everything. Some of the best people in the world are the hardest to get destruction, and they stop very often, and along with. There are people who let a man get out when he wants to. But \$200.000. stand up in prayer-meeting and pray like angels, whom at home are uncomprois the Stoker and Death is the envineer; mising and cranky. You may not have and though one may come out in front of everything just as you want it. Some- it and flying the red flag of "danger" or imes it will be the duty of the husthe lancern of God's word, it makes just hand and sometimes of the wife to yield: one shot into perdition, coming down the at coth stand punctillously on your embantment with a shout and a wall and
