

We have been extremely heartened with the success of our subscription contest, and the way area youngsters took advantage and went to work to win themselves a new bicycle from Western Auto in Friona.

The latest count shows 13 bicycle winners, which means the Star's subscription list has been increased by some 156 names. Most of the subscribers are in the immediate Friona area.

This means that there are 156 more readers for Friona merchants' advertising which appears each week in the Friona Star.

We're especially heartened by the two bicycle winners in the Lazbuddie area. This means that there were 24 new Star subscribers in that community. We wish to publicly thank each of these for their support of the contest, and would like to "welcome them aboard" as regular Star subscribers.

Several people have told either ourselves or Western Auto owner Ben McDonald "You're sure not making any money on this contest!"

Maybe not, but we're getting acquainted with a whole bunch of new people. Especially consider if you will, and if they will excuse me for using them as a reference point, the group from Lazbuddie.

They came to Friona Monday with their list of new subscribers, and while here the kiddoes went for a swim at Dives-Inn Swimming Pool. Thus, the contest served as a drawing point for another Friona establishment. We hope that through the contest we have made (and are making) several new friends for Friona.

We've been reading with very much interest lately about the former editor of the Muleshoe Journal, who says he quit his job because of threats to his life and to his family's well being because of a series of articles he did concerning the Civil Rights Issue.

Now, being a former resident of Muleshoe, we find this very hard to accept. We are inclined to agree with the mayor of Muleshoe, W. B. LeVeque, who said, "This is completely out of character with the town."

At any rate, the story, however puffed up it may be, has received headlines in many newspapers the nation over. And suffice it to say, this publicity hasn't been good for Muleshoe and our area of West Texas.

Two of the examples we have seen indicated that the story got a big front-page headline in the Houston Chronicle, and also very wide coverage in the Publisher's Auxiliary, a national publication distributed this week to those in the publishing field.

We have no racial trouble or high-pitched Civil Rights feelings in Friona. And knowing Muleshoe as I do, I find it hard to believe such an element exists there.

I don't know what the intent of releasing such a story was, but if it was to give a nice town (and area) a black eye

JULY 31, AUGUST 1

Jaycees Schedule Two Days Of Horse Shows

Friona's Junior Chamber of Commerce has scheduled two horse shows for two consecutive days, July 31 and August 1.

There will be an Appaloosa show on Friday, July 31, followed the next day by a quarter horse show.

Entries for either show may be mailed to either Glenn Reeve, Jr., president of the Junior Chamber of Commerce, or to Dale Williams, club secretary.

There will be both halter and performance classes in each show. Entry fee for the halter division of the Appaloosa show will be \$6 for all halter classes, \$1 of which goes to the Texas Appaloosa Horse Club. Entry fee for the halter division of the quarter horse show is \$5.

Entry fees for the performance classes in each show will be as follows: (in addition to the regular office charge, as stated above) cutting horse—\$25; roping horse—\$15; western pleasure—\$15; reining—\$5; barrel racing—\$5; pole bending—\$5.

Premiums will be awarded in each class of both shows. Winners of each class will receive trophies, second-place finishers will receive rosettes. Champion stallions, mares and geldings will receive trophies; reserve champions will get rosettes. All money in the performance classes where more than an office charge is made will be divided 40 per cent for first place, 30 per cent for second, twenty per cent for third, and 10 per cent for fourth place.

Classes in both shows will be held for stallions and mares foaled in the years 1961 through 1964, as well as 1960 and before (one class). There will be

two separate divisions of roping (junior and senior), while the Appaloosa show will have an event for roping of all ages.

The quarter horse show is the fourth annual event for the local Jaycees.

Both shows are scheduled to begin at 9 a.m. The show will be held at the Jaycee Arena on the Clovis Highway. The arena seating capacity has been enlarged somewhat by the addition of a new ramp of seats recently.

TWO ACCIDENTS

Youths Escape Injury As Pickups Overturn

Two separate pickup accidents the past week in the Friona area left three teenagers unhurt except for bruises, and law enforcement officials stated that all were very lucky youngsters.

The first accident happened last Friday afternoon six miles west of Friona and one-half mile south, just off Farm Road 1731. Mike Garth, son of Mr. and Mrs. Wayne Garth, had the 1959 model pickup he was driving go out of control and turn over one and one-half times.

Friona Deputy Sheriff Garland Freeman theorized that the left rear tire blew out, and that, along with the sandy road, probably caused the accident.

Young Garth was pinned in the wreckage for some time. The cab of the pickup was practically a total loss, leaving one to wonder how anyone could come out of the wreck with as few bruises as Garth did.

The accident happened seven miles east of Hub on U.S. Highway 86.

an area of the road on which tailwater from a neighboring farm had been allowed to run.

The silt from the tailwater left a section of the road slick and perilous, and authorities said the condition caused the pickup to go out of control and overturn in a barrow ditch.

The accident happened seven miles east of Hub on U.S. Highway 86.

Quentin Knight Home On Leave

A/2/C Quentin A. Knight, son of Mr. and Mrs. Bob Knight, Muleshoe, visited in the home of his parents and sister, Mrs. Cleatus Rhodes of Black recently.

He has just returned from a two year tour of duty in Germany and has re-enlisted for four years in the United States Air Force.

Knight is currently stationed at Wilford Hall Hospital, Lackland Air Force Base, San Antonio, Texas.

Mr. and Mrs. Bob Knight lived in Friona for several years before moving back to Muleshoe a few months ago.

Revival Services Begin Sunday

Announcement has been made of the beginning of a revival at First Assembly of God Church, Tenth and Ashland, Sunday, July 26. Guest evangelists will be Rev. and Mrs. Bill Bowles of Pauls Valley, Okla.

Services will be held each evening at 7:45 except Saturdays.

Rev. Lawrence Oxford, pastor, invites all residents of the Friona area to attend the services.

AT BANK

Deposits Topple Mid-Year Mark

Deposits at Friona State Bank showed an 11 per cent increase over the same date a year ago, according to the bank's official statement as of June 30.

The total amount on deposit the past June 30 stood at \$6,107,440, which was an increase of \$600,692.38 over the figure of \$5,506,747.62 on June 30 of 1963.

The deposit figure set a new record high for a July statement, being over a half million dollars better than the previous high of \$5,549,156.46, set by the June 30, 1962 statement.

Telling a good story for the economy of Friona, the statement marked the third consecutive quarterly report which was an all-time high for quarter represented.

The deposit figure came on the heels of an all-time record report on April 15, when deposits stood at \$7,136,435.95. That report had eclipsed a record set only the previous December 31, when deposits climbed to the \$6,839,464.88 mark.

Total assets at the Friona bank as of June 30 stood at \$6,650,035.81. This was an increase of \$663,159.65 over the figure of June 30 of 1963, \$5,986,876.16. Assets showed a 10 per cent increase.

Otherwise, the June 30 statement showed loans and discounts up by \$813,740 over last year at this time. The current figures is \$4,545,737.16, compared to \$3,731,996.68.

Other comparisons, with the 1964 figures listed first, followed by the 1963 figure:

U. S. government bonds; \$709,547.86 (\$633,920.48); other bonds \$62,525.40 (\$177,360.76); CCC, Certificates of interest -- \$11,513.71 (\$266,215.66); banking house, furniture and fixtures--\$68,270.72 (\$74,733.86); cash and exchange -- \$1,252,440.96 (\$1,102,648.72).

Also, capital stock--\$200,000 (\$100,000); surplus, certified--\$200,000 (\$200,000); undivided profits \$92,595.81 (\$130,128.54); reserves for contingencies \$50,000 (\$50,000).

Duggins, Nettles "Winners"

Charlotte Nettles and Baker Duggins made their basketball "curtain call" a successful one Saturday night in Waco, as the "North" all-stars defeated the "South", 56-54 in the annual girls basketball all-star game.

Duggins was head coach for the North, which won its eighth game in nine years of the all-star series. Charlotte changed her regular type of play to serve as "playmaker" for the team, Duggins pointed out.

"It was probably one of her better games. She made every shot she took, although not getting to shoot as often as she did with the Squaws, due to directing the attack," he said.

Charlotte made two of two field goal attempts, and five of five free throws for a "perfect game." It was the second time she had accomplished such a feat. In a regular season game last year, she did this, although scoring more points.

Duggins explained that the North had a comfortable 14-point lead in the last quarter, at which point he took Charlotte and other starters out to allow other girls to play. The South took advantage, and trimmed the lead to its final margin.

Other players who starred, according to Duggins, were Gayle Nicholas of Olton, Mary Finley of Claude and LaDawn Kemp of Dimmitt.

NEW DEPUTY . . . Garland Freeman, a native of Muleshoe, is the new deputy for Friona, replacing Rex Cowart, who resigned recently and moved to Dimmitt. Freeman served as sheriff's deputy 14 years in Bailey County, one year as city patrolman at Muleshoe and prior to that he was constable in Runnels County.

SUBSCRIPTION DRIVE

Thirteen Winners In Bicycle Contest

A total of 13 youngsters had won new Western Flyer bicycles as of press time this week in the Friona Star and Western Auto's subscription contest.

The youngsters have won the bicycles by selling 12 new subscriptions to the Friona Star. Pete Mace, circulation manager of the Friona Star, and director of the contest, states that it is not too late to get in on the contest. Anyone who begins working in the contest may continue over into August if necessary, and a bicycle will

Osborn Improves

be awarded when 12 new subscriptions are sold.

At the same time, Mace announced a "consolation" or alternate prize for those contestants who do not reach the 12 subscription mark. The Star, in conjunction with Friona Plumbing and Supply, will award a regular \$19.95 transistor radio, to all contestants selling as many as seven new subscriptions. The transistor contest will continue through August.

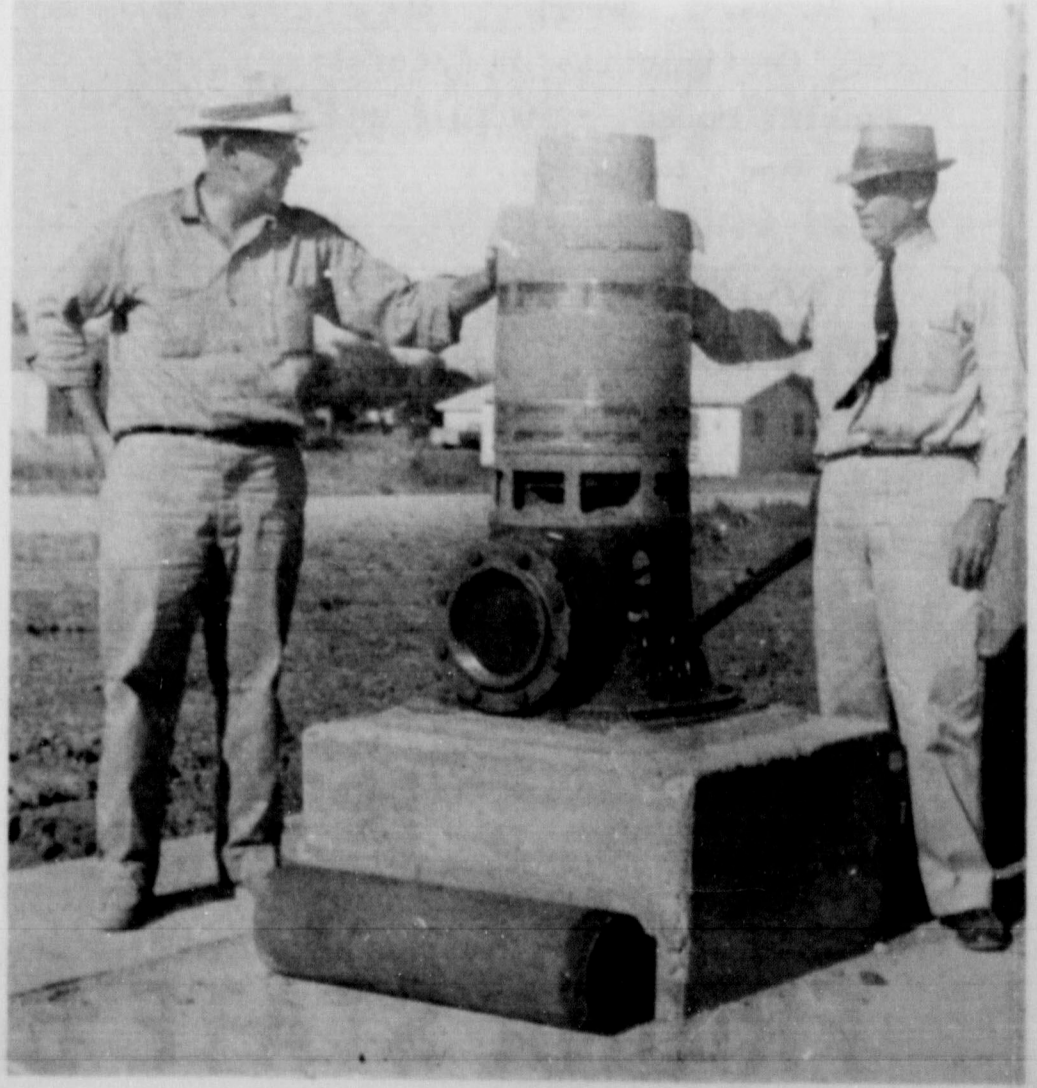

As of Tuesday, those winning bicycles included Darla Rhodes and Sharon Smith (combination), Mickey Harnelson, Debbie Burton, Brad Beene, Ruben DeLeon, Duane and Donald Gaskins (combination), Susan Floyd, Mike Taylor, Raygena Treider of Lazbuddie, Jeanine Jarboe, Gary Pope, Mike Fred of Lazbuddie and Lebbie Benge.

The 13 winning contestants helped raise the Star's mailing list by some 156 new subscribers.

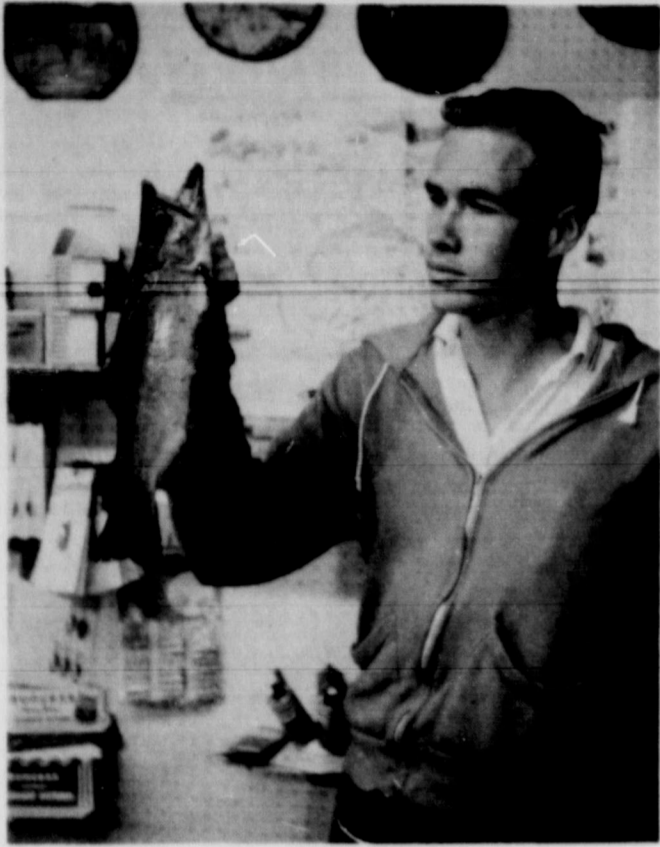

REAL FLAT-TOP . . . This is the wrecked 1959 pick-up in which Mike Garth, driver, sustained cuts and bruises, but escaped without a great deal of injury. The pick-up

wreck was one of two involving Friona teenagers the past week. Joe and Doyle Mabry were in a wreck west of Hub Tuesday.

NEW WELL . . . City water superintendent Clyde Fields and City Manager Jake Outland inspect new water well for the city, which is in the process of being tied in to the city's lines. The new line had to pass under Fifth Street.

MAKES CATCH . . . Monte Fowler of Friona caught this 16 1/2-inch, 1 1/2 pound prize rainbow trout while stream fishing at Red River, New Mexico on July 1. Monte was vacationing with his family and guests, Mr. and Mrs. Robert Hall of Ropesville, Texas, in Red River. He was awarded a fish certificate by the Red River Trout Association for his catch which was made using a flat fish lure.

**Highlights and Sidelights
From Your State Capital**

AUSTIN New preliminary steps, including Texas toward the inevitable realignment of congressional and legislative districts, were taken last week.

Atty. Gen. Waggoner Carr asked that the federal district court at Houston allow time for the Legislature to redraw the districts in its session next year . . . as the court had done earlier with congressional apportionment.

In view of U. S. Supreme Court decisions that both houses of the state legislature must be selected on the basis of population alone, Carr concluded that there is little doubt that Texas districts would be declared unconstitutional.

Meanwhile, in Fort Worth and Dallas a committee of the Texas Legislative Council held its first public hearing seeking advice on how congressional districts should be redrawn.

A parade of witnesses was heard before the committee recessed briefly. It will move to Houston for its third hearing on July 17. A fourth hearing will be held in San Antonio. Committee spokesmen have indicated they may go to West Texas, then perhaps return to South Texas for further testimony.

A session of the full Legislative Council, research arm of the Legislature, is scheduled for July 27 in Austin. At that

time, the Council is expected to decide whether to broaden its own study to include the explosive, close-to-home problems of redividing the state's House and Senate districts.

ARCHIVES MURAL UNDER WAY -- Work has begun on a \$30,000 mural in the new Texas Archives and Library Building. It will portray state history from the days of the Spanish explorers to the present.

American painter Peter Hurd and English artist Peter Rogers, who is Hurd's son-in-law, will work together on the 45 by 13 foot mural. Texans will recognize among the figures Stephen F. Austin, the Father of Texas; Sam Houston, general governor, senator, and president of the Republic of Texas; Anson Jones, last president of the Republic; and Jim Bowie, Davy Crockett and William B. Travis, heroes of the Alamo.

Work is scheduled to be finished by September.

SCHOOL FUND ALLOTMENT APPROVED -- State Board of Education raised the per student apportionment of state available school fund money to local districts from \$78.50 to \$81.50.

This \$3 per capita hike represents an overall \$7,600,000 raise in available fund aid to the districts for 1964-65.

The mishap killed a small dog that was riding in the pickup with Garth. The youth was taken to Farmer County Community Hospital by Kelly, where he was treated and released.

In an accident Tuesday morning southwest of Friona on U.S. 86, Doyle and Joe Mabry, sons of Mr. and Mrs. W. F. Mabry, escaped serious injury when the pickup in which they were riding overturned after it hit

Duggins, Nettles "Winners"

Charlotte Nettles and Baker Duggins made their basketball "curtain call" a successful one Saturday night in Waco, as the "North" all-stars defeated the "South", 56-54 in the annual girls basketball all-star game.

Duggins was head coach for the North, which won its eighth game in nine years of the all-star series. Charlotte changed her regular type of play to serve as "playmaker" for the team, Duggins pointed out.

"It was probably one of her better games. She made every shot she took, although not getting to shoot as often as she did with the Squaws, due to directing the attack," he said.

Charlotte made two of two field goal attempts, and five of five free throws for a "perfect game." It was the second time she had accomplished such a feat. In a regular season game last year, she did this, although scoring more points.

Duggins explained that the North had a comfortable 14-point lead in the last quarter, at which point he took Charlotte and other starters out to allow other girls to play. The South took advantage, and trimmed the lead to its final margin.

Other players who starred, according to Duggins, were Gayle Nicholas of Olton, Mary Finley of Claude and LaDawn Kemp of Dimmitt.

NEW DEPUTY . . . Garland Freeman, a native of Muleshoe, is the new deputy for Friona, replacing Rex Cowart, who resigned recently and moved to Dimmitt. Freeman served as sheriff's deputy 14 years in Bailey County, one year as city patrolman at Muleshoe and prior to that he was constable in Runnels County.

In And Around Friona

With June Floyd

Our area is just beginning to dress up in its harvest attire. A lot of maize is just beginning to head out, cotton blooms are seen in just about every field, Irish potato vines are blooming or being plowed up and the beautiful green of sugar beet plants adds color to the countryside.

Of course, later plantings of cotton and maize are in an earlier stage of growth and carrots are beginning to show up in a number of fields. Add to this the freshly plowed wheat land and you have a beautiful landscape just about any way you look.

About sunrise each morning you can hear irrigation motors running at full speed and see pickups coming and going in every direction as farmers are checking and changing water.

Gardens and truck patches are producing and some home-makers are freezing and canning beans. In spite of the late freezes last spring, there has been quite a lot of fruit and most of us have made jelly or jam from fresh cherries, apricots and plums.

As usual at this time of year, we have a housing problem facing us. New teachers will soon be moving to Friona and are going to need bedrooms, apartments and houses.

Superintendent Alton Farr will appreciate having anyone with living facilities for rent call him. His office is being kept open and calls will be welcomed.

One Friona couple, Hardy and Mildred May, learned last week that just about everyone reads Star classifieds. Immediately following distribution of last week's edition, the May telephone began to ring and callers inquired about the house that had been advertised for sale.

After learning that their telephone number had been inadvertently listed in a classified placed by Mrs. Louis Baxter the Mays began to refer prospective buyers to the correct

number. When I became aware of the error and learned that Hardy and Mildred were cooperating, I thought everything was under control, but later learned that in spite of Mildred's willingness, she wouldn't make a good real estate salesman.

She informed one caller that the telephone number was that of the Bill Baxters. Apparently the caller was aware of the fact that persistency always pays off. At any rate, he kept calling until he contacted right party.

We are glad that the classifieds are read and glad that there are such cooperative persons living in our area. Thanks folks!

The following points on living were in a recent issue of Grain Producers News. Hope you enjoy reading them as much as I did.

"Try to live for one week without grumbling.

Be severe with yourself, but gentle with other folks.

Baptists To Have Guest Music Director

Dalvid R. Mulder, 25, of Bishop, Texas will direct music at the First Baptist Church for both services the coming Sunday, according to Rev. Bill Burton, pastor. Mulder is coming as a prospective music and education director for the church.

Mulder is a graduate of Texas A&I in Kingsville. Mrs. Mulder is a graduate of Howard Payne College, Brownwood. Both had music as a minor in college. Mrs. Mulder

is an accomplished organist and pianist.

He has done extensive work with choirs, ensembles, quartets and other groups.

There will be a fellowship hour following the evening services Sunday especially for the young people of the church.

"All church members are urged to be present, as well as any visitors who would like to meet the Mulders," states Rev. Bill Burton, pastor.

Farm Bureau Sponsors Youth Training Course

The Farmer County Farm Bureau will participate in a statewide program aimed at better informing young people on vital matters pertaining to citizenship, according to Harry Hamilton of Friona, county FB president.

Three eleventh and twelfth grade high school students from this county will attend a special training conference in August for intensive studies on our American heritage and the Communist threat. Sponsored by the Texas Farm Bureau, the second annual High School Students Citizenship Seminar will

be held Aug. 11-14 on the campus of Sam Houston State College at Huntsville.

Local students attending will include: Lonnie Ellis, Friona, Gilbert Dale, Farwell, and Connie Vaughn, Bovina.

Purpose of the seminar, according to the local farm leader, is to convey to students a better concept of the American system and how it has made possible the abundance which we enjoy. A similar training program conducted last year was attended by some 234 high school juniors and seniors from all over the state.

MRS. JAMES VARNER and GAYLENE

Gaylene Varner Joins Parents At Clovis Home

Editor's note: The following article by 2nd Lt. Bette Ann Brama, 832nd Tactical Hospital, a nurse at Cannon Air Force Base Hospital appeared in a recent issue of Cannon's paper, The Mach Meter. Parents of the baby are Mr. and Mrs. James Varner. He is the son of Mr. and Mrs. J. R. Varner, Friona, and she is the former Lindy Dean, daughter of Mr. and Mrs. Elmo Dean of the Rhea Community.

Spending 78 days under glass may be commonplace for future astronauts, but to Gaylene Varner, it was a matter of life and death.

Gaylene was born to A1C and Mrs. James Varner (headquarters Squadron, 474th Tactical Fighter Wing) at the 832d Tactical Hospital on Mar. 28.

She was two and one-half months premature, 15 inches long and weighed only two pounds, five and one-half ounces. Smaller infants have been born at the base hospital, but few have survived - their bodies were not well enough developed to withstand life in the "outside world."

After the first three months of life, the unborn baby or embryo weighs about seven ounces and is about four inches long. The eyes, ears and nose can be distinguished and the arms, legs, fingers and toes are well formed. After six months of development the baby, now called a fetus, attains a weight of about two pounds five ounces and a length of about 14 inches. The fetus' muscles have developed enough to produce movement, the eyebrows and eyelashes are visible and the eyelids can separate to expose the eyes. The facial features are well developed and the heartbeat is strong. The other organs of the body, especially the lungs and the body temperature regulating systems are not often developed sufficiently to maintain life outside the uterus. It was this period in her development that Gaylene was born.

Because of her frail condition she was immediately placed in an incubator. In this plastic enclosed crib the baby's environment is automatically kept at a preset temperature - in this case at 85 degrees with high humidity. Oxygen was also pumped into the incubator. Be-

Brenda Woodruff Exchanges Vows With Fred Jackson Jr.

Wedding vows between Brenda Woodruff, daughter of Mr. and Mrs. E. P. Woodruff of Route 2, Friona, and Fred Jackson Jr. were exchanged at 11 a. m. Friday in the home of the bride's parents.

Parents of the groom are Mr. and Mrs. Fred Jackson Sr. The double ring ceremony was read by Rev. Alvin Askins, Assembly of God minister of Stinnett, formerly pastor of First Assembly of God Church, Friona. An archway of greenery centered with white wedding bells and interspersed with white daisies and satin bows formed the background for the ceremony.

Linda Beaty was the maid of honor and Luther Metcalfe best man.

The bride wore a white lace street length sheath dress complemented with a hatlet of net centered with a white rose. Her corsage was of white orchids tied with white satin love-knots.

Those present, besides members of the wedding party and parents of the bridal couple, were Mr. and Mrs. W. P. Woodruff, grandparents of the bride; Mrs. John Allen, grandmother of the groom; Gayla Askins, Stinnett; Lonnie, Sherry, Gary, Dianne, Leonard and Nelda Woodruff, Helen Stowers, Gerald Loftis, Mr. and Mrs. Jack Patterson and Tommy Leonard.

Mr. and Mrs. Jackson are at home in Friona. She is a 1964 graduate of Friona High School and is employed by Adams Drilling Company. He attended Friona High School and has served with the U. S. Navy.

MR. AND MRS. FRED JACKSON JR.

Picnic Supper Honors Former Friona Residents

Mr. and Mrs. Hubert Reeves and sons, James and David, of Lindale, Texas, were weekend visitors in the home of Mr. and Mrs. Roy V. Miller Sr. The Reeves family lived here several years ago and he served as educational director of First Baptist Church.

A picnic supper in the backyard of the home of Mr. and Mrs. Stan Benge was a courtesy for the visitors. Host couples were the Benges, Millers and Mr. and Mrs. W. D. Buske.

About 50 persons were present for charcoal grilled hamburgers, ice cream cake and fellowship.

AUGUST WEDDING PLANNED... Mr. and Mrs. S. M. McAshan of Houston have announced the engagement and approaching marriage of their niece, Aline McAshan, to Frank Lewis Spring, son of Mr. and Mrs. Frank A. Spring, Friona. The couple will exchange wedding vows at All Saints Episcopal Church in Austin August 29.

Of Interest To THE WOMEN

Daughter Born To Hamiltons

Mr. and Mrs. John R. Hamilton of Aberdeen, Miss. became parents of a baby girl Tuesday, July 21 at an Aberdeen hospital. She was named Cheryl Lorraine and weighed 6 lbs. 1 oz.

Paternal grandparents are Mr. and Mrs. H. P. Hamilton Jr., Friona, Mr. and Mrs. Lloyd Bagwell, Portales are maternal grandparents. Great-grandparents are Mrs. Eva Robertson, Friona and H. P. Hamilton Sr., Garden City Kans.

Cheryl is the first child for the couple.

Library Receives Twenty-Three Books

During the past week Jim Bob Jones and Johnny Hoover donated 18 books to Friona Library and Sally Ann Alldridge loaned five. Also a trade was made with the Bookmobile. Fifty books for older readers were turned in and replaced with 50 for readers of the first through fourth grade level.

"This age group is still in need of more books and donations or loans will be very much appreciated," says Mrs. W. M. Stewart, library chairman.

Eleven more members were added to the Reading Club, whose membership now adds up to 105. Each member is reading for a certificate. New members are Denise Frazer, Terri Sue Cummings, Lisa Cummings, Scotty Wooley, Roger Dorrell, Cheryl Thompson, Jay Cranfill, Cindy Cason, Jayn Massie, Stanley Noyes and Debbie Henge.

Last week 241 books were checked out, Saturday's check out list numbered 126 which was an increase of 11 over

Tuesday's number.

Assisting Mrs. Stewart last week were Mrs. Mack Bainum of Modern Study Club and Mrs. Newman Jarrell Jr. of Progressive Study Club. Also Christi Evans and Karen Osborn.

Kelly Barber conducted the story hour Tuesday for 15 pre-school age children.

Class Meeting In Taylor Home

The regular monthly business and social meeting of Rebekah Sunday School class of First Baptist Church met in the home of Mrs. E. E. Taylor Friday afternoon.

Outdoor Supper Served To Circle Members

Mr. and Mrs. Bill Buchanan were hosts at an outdoor supper in their home Wednesday evening. Guests were ten members of the Ruth Circle of Women's Society of Christian Service of Friona Methodist Church and five guests.

A circle meeting followed the supper. Mrs. Buchanan, circle leader, opened the meeting with roll call which was answered with the number of visits to the sick. Mrs. David McVey,

program chairman, then gave a resume of plans for the coming year.

A meditation on "Prayer in the Garden" was presented by Mrs. Howard Ford. "Life in a Capsule" was the topic of a discussion given by Mrs. Guy Latta. Prescriptions to meet problems which arise in life were presented.

WSCS Circles Meet Jointly

Circles of Woman's Society of Christian Service met in joint session at Fellowship Hall of Friona Methodist Church Wednesday.

The opening prayer was directed by Mrs. Jake Lamb. Mrs. James Boyle presented a devotional entitled "Happy Is The Man."

Mrs. J. K. Anthony and Mrs. Howard Love of the Mekka Circle were hostesses.

During the business session the proposed budget for 1964-65 was presented and accepted.

Twenty-one members were present.

Gaylene Varner--

(Continued on page 5)

cause of her age, Gaylene was not physically active and the nurses had to thump her feet or otherwise stimulate her so she would cry. The day after she was born, a thin plastic tube was passed through Gaylene's nose into her stomach. This tube was necessary because she could neither swallow nor suck on a nipple. She was started on a teaspoon of formula every two hours.

During her first few weeks of life, Gaylene had two episodes of apnea or stoppage of breathing. She was quickly revived by the sucking of mucus from her nose and mouth. Several times after this, Gaylene's color would turn "dusky" from the lack of oxygen in her system. She would be immediately placed back into her incubator with its life-saving oxygen supply.

Because she was so tiny, Gaylene was not weighed until Apr. 15, then she registered one pound 14 ounces. All newborns lose a certain percentage of their birthweight due to fluid loss. But because Gaylene was so little when she was born, this normal weight loss made her condition ever more perilous.

By May 1 we were able to feed Gaylene outside of her incubator and now bottle feedings were being alternated with tube feedings. The tube was passed into her stomach before each feeding and removed afterwards. By May 14, Gaylene had regained her birthweight and she began taking more ounces of formula at feeding time. Her reward came on June 19 when she was taken out of her incubator and placed in a crib. She now weighed four pounds and ten ounces.

Now that Gaylene was rapidly improving, she began to present a different problem to the nursing staff. Four ounces of formula (more than most newborns can consume at one time while they're here) was not enough to satisfy her. She began to spend most of her time awake and practiced climbing around and almost out of her crib. Practically the only thing that would quiet her would be to take her out of her crib and hold her. She promptly became the most spoiled infant in the nursery.

On June 25, 13 days after she should have been born - June 15 - Gaylene went home weighing five pounds and one and one-half ounces.

PLANNING COMMITTEE . . . Mrs. Philip Johns, Muleshoe, Mrs. Don Spring, Friona, and Mrs. Sam Dammron, Muleshoe are serving on the planning committee of a proposed organization for wives of pharmacists. Persons eligible for membership in the organization are invited by these three to contact them for further information.

Pharmacy Wives Plan To Organize

Initial plans for an area wide organization of wives of pharmacists were discussed at a meeting in the Community Room of Friona State Bank Wednesday afternoon.

Wives of pharmacists from Dimmitt, Hereford, Muleshoe, Friona, Earth, Morton, Sudan

and Littlefield plan to form an organization for the purpose of getting together twice each month to discuss mutual problems and to promote a better understanding of duties of their husbands.

WHO IS THE JUDGE?

"Let us not therefore judge one another any more..." Romans 14:13. A judge is a person who is to pass an opinion only after he has heard both sides of a case, and listened to all the evidence. But even then he may be in error in passing judgment, because the testimony he heard may not have been true. Many people will perjure themselves even under oath. There is only one infallible Judge who alone knows all the truth about each of us. Since we do not know all the facts, we are in no position to pass judgment upon our friends. If certain circumstances and conditions were brought to our attention, it might change our verdict. One of the greatest evils among Christians and all people alike is the vicious habit of believing all we hear about a person when we listen to only one side of the story. And every time it is repeated it is changed just a bit. Never repeat a rumor unless you know it is fact... and then it is often wiser to refrain. Even a parrot is better than a gossip, for it is content to repeat just what it hears. Oh that we might learn to talk to God about our fellow men, and talk to them about God! People would not think of running down someone with their car... but think nothing of doing it with their tongue!

Tim Rhodes Attends Workshop

Tim Rhodes, son of Mr. and Mrs. Aubrey Rhodes, attended the West Texas High School Speech Workshop at West Texas University June 28 through July 10.

The workshop, which was under the auspices of Dr. Cranell Tolliver, chairman of the West Texas speech department, offered instruction in radio and television, dramatics, individual speaking and debate.

Highlights of the workshop were a debate tournament at 2 p. m. on the final day and a dramatic performance "Around The World In Eighty Days" in Branding Iron Theatre directed by Wm. A. Moore.

Rhodes played the part of Chandra Bose, a seller of elephants in Bombay.

Fifty-one high school students, many of them members of Theatrical Troupes or the Mask and Gavel attended the workshop.

Farm accidents killed 8,700 in 1962—one every hour.

On The Farm In Parmer County

BY JOE VAN ZANDT
County Agent

The sorghum midge season is here now and all producers should be on the alert for any midge activity. The insecticides recommended for midge control follows:

A, Carbaryl (Sevin), 80 per cent W. P., at rate of 1 1/4 to 2 1/2 lbs. spray concentrate per acre; B, Toxaphene, 6 lb. Toxicant per gallon, at rate of 1/3 to 1/2 gallon spray concentrate per acre; C, Endrin, 1.6 lb. toxicant per gallon, at rate of 1 1/4 pint spray concentrate per acre; D, Parthion, 2 lb. toxicant per gallon, at rate of 1 quart spray concentrate per acre; E, Carbophenothion (Trithion), 4 lb. toxicant per gallon, at rate of 1 pint spray concentrate per acre; F, Diazinon, at rate of .5 lb. per acre.

Restrictions on the use of these various insecticides are as follows: Endrin apply only once per season and 35 days before harvest; Toxaphene apply only once after head start to form, do not graze dairy animals or animals being finished for slaughter on

treated fields, at rate of 1/3 gallon, do not apply within 28 days of harvest, at 1/2 gallon 40 days before harvest; Trithion apply only once per season and 21 days before harvest; Diazinon do not apply within 14 days of harvest; Parathion do not apply within 12 days of harvest and Sevin, do not apply within 21 days of harvest.

Under conditions of heavy midge infestations experienced in 1963, one application of most of the recommended insecticides failed in some cases to give significant increases in grain yields.

Application of carbophenothion (Trithion) in all tests and diazinon in two tests resulted in significantly greater yields than that harvested from untreated grain sorghum plots. Trithion and Endrin can be used only once on a grain crop. Since two applications are usually needed, the second application of another material should be selected from the recommended list.

Parathion was used in one replicated test and was not any more effective for midge control than carbaryl (Sevin) based on one application.

Modern farm equipment is equipped with safety shields and guards to protect the operator. But they can't do the job if left in the tool shed. Always replace them after servicing.

Farming is one of the few industries where accidents to non-workers, such as small children, must be included in work statistics. On the farm, safety is truly a family affair.

Telling children that medicine is candy may persuade them to take pills without lussing, but they may later take a dangerous overdose in the innocent belief there can be no harm. Some other way of persuasion can end this chance.

JUDY KOELZER WINS

Lazbuddie Takes Honors In 4-H Dress Contest

Lazbuddie students again walked off with top honors at the annual County 4-H Dress Revue last Thursday at the Oklahoma Lane Community Center. Judith Koelzer, 16-year-old daughter of Mr. and Mrs. E.

N. Koelzer of Lazbuddie, was the first place winner in the Senior Advanced Dress Division for the second year in a row. She was runner-up in the same division in 1962.

Another Lazbuddie girl, Kathy Coker, 12-year-old daughter of Mr. and Mrs. Roy M. Miller, took the high honor in the Junior Division.

Both girls are members of the Lazbuddie 4-H Club, and they will model their dresses at the District Dress Revue in

Amarillo on July 23. Judith will compete with participants from 20 counties in District I for the award.

Katie Blackstone, Lazbuddie, was chosen alternate in the Senior Division and Carolyn Herrington, Farwell, is alternate in the Junior Division.

Two other Farwell girls placed third in the Advanced and Third Year Divisions. They are Kathryn Gober and Tina Rundell.

Others who received recognition in the dress revue are Melody Roberts, Sharon Williams, Sherree Rundell, Cheryl

Kaltwasser, Tina Rundell, all of Farwell, and Charlotte Davis, Lazbuddie.

Other girls who participated in the revue are Gay Rundell, Lynne White, Irene Bowery, Vickie Blain, Cheryl Boling, Polly Dollar, Kin Snider, Gwen Rundell, and Janis Billingsley, all of Farwell. Also Maxine Broyles, Patcine Broyles, Christi Ivy, and Ann Blackstone, all of Lazbuddie.

LLL Class Meets In Carroll Home

Members of the LLL Sunday School Class of First Baptist Church met Thursday evening in the home of Mrs. Velden Carroll. Mrs. Fred Kelly served as co-hostess.

Mrs. Dave Allen presented the devotional on God's beauty. Refreshments of tea, coffee and cake were served to Meses. Charles Allen, M. C. Osborn, Dave Allen, Clyde Tims, Bill Ellis, Clarence Monroe, Dwain Memeefe, Leon Coffey and the two hostesses.

McCaslin Tightens Grip On Intermediate Lead

McCaslin Lumber Company tightened its grip on first-place in the Intermediate League with a pair of wins during the past week, when most of the other teams had at least one loss.

The "Lumberjacks" took a crucial 7-5 win over Friona Drilling last Thursday, then held on for a 15-11 win over second-place Friona State Bank on Monday. The wins left McCaslin one and one-half games in front in league play.

McCaslin scored its win over Friona Drilling on a two-hit pitching job by Isador Cordova, and a five-run fourth inning. McCaslin got two of their three hits in the fourth inning,

a single by Cordova and a double by Billy Ross Procter.

Procter had two of his team's three hits, getting a second-inning single. He also scored a run that inning.

If it hadn't been for Jerry Shelton, Reeve Chevrolet could have been no-hit victims twice during the week. The first time was last Friday when Brookfield Drilling topped them, 12-2. The only hit for Reeve in that game was a home run by Shelton, as the leadoff man in the first inning.

Bernhard Binger had four-for-four (including three doubles) and Jeff Price was three-for-three for Brookfield.

Ray Peace pitched the one-hitter for the winners.

Friona State Bank turned back upset-minded Star - Hurst, 11-10 in another Friday game. Star-Hurst held leads of 3-1, 6-4, 6-5 and 10-7 at various stages of the game. However the Bank scored three runs in the fifth to tie the game and broke the tie with a run in the sixth to cling to second place.

Dean Agee scored the winning run for the Bank, leading off with a base on ball and later scoring on a sacrifice fly by Butch Watkins. Star-Hurst out-hit the winners, 8-3.

On Monday, Friona Drilling's Donnie Carthel threw a two-hitter against Reeve Chevrolet, and again, it was Jerry Shelton who kept Reeve from being no-hit victims. Shelton got both Reeve hits, a double in the first and a single in the second. They were his only two times at bat.

Mitch Terry socked a three-run home run in the first inning to get the Drillers off to a 4-0 lead by the time the inning was over. They scored four more in the second, three in the third and four in the fourth.

McCaslin scored 10 runs in a big third inning, taking an 11-3 lead over the Bank on Monday, then had to hold off late-inning rallies for the 15-11 win. Randy Dickson and Isador Cordova slammed back-to-back home runs for the winners in their big inning. Dickson's was a three-run blast.

Cordova led the winners with four hits. He had three singles in addition to his homer. Joe Boggess had three hits, two of which were doubles. James Weatherly had three hits for the Bank, all singles.

Trailing 15-6 going into the sixth, the Bank scored five times before McCaslin finally retired the side.

ETHRIDGE-SPRING

Last Unbeaten Team Falls In Pee-Wee Game

The last unbeaten team in Friona's Little League program went down to defeat on Saturday, July 18, when the B-J Bees edged Ethridge-Spring, 10-9 in a Pee Wee League contest.

Ethridge-Spring went into the game with a 4-0 season record, compared to 1-3 for the B-J Bees. When the game was over, the Bees had their second straight win, and Ethridge-Spring had its first loss.

The Bees jumped off the 3-0 first inning lead, highlighted by a double by Willie Bailey. Ethridge-Spring retaliated with four runs in their half of the inning for a 4-3 lead. Their rally was sparked by hits by Rene Perez and James Sims. Not to be outdone, the Bees

Herring Adds To Lead; PCI Takes Upset Win

Herring Implement increased its lead in the Pony League race by downing Friona Motors 12-7 here Tuesday. Herring scored five runs in the first and four in the sixth enroute to the win.

Joe Perez had three hits to spark the win. Delbert Davis had three for three for Friona Motors. Friona Motors scored four in the first to keep close, and got the first four men on in the seventh before Danny Baize settled down to retire the side.

In other action Tuesday, Sherley Grain owned Parmer County Implement, 11-1 in a game at Bovina.

However, Parmer County Implement broke into the win column last Thursday, upending Hub Grain, 15-14.

Parmer County Implement

made its first win in the Pony League a good one, knocking Hub Grain out of a tie for first place in the 15-14 slugfest.

The Implement boys scored two runs in the bottom of the seventh inning to come from behind and break the goose-egg in the win column. Bill Weatherly had started off with a single, but was forced at second by Eddie Barker. Barker gained second, but was then put out trying to go to third.

With two men out, Jerry Stephens socked a home run, trying the game at 15-all. Mike Pavalus followed with a single. He stole second base, and rode home on a game-winning single by Dennis Fallwell.

Hub Grain out-hit the winners, 14-12. They were led by Brian Jameson, who had a perfect day at the plate with four for four, all singles. Fallwell, who delivered the winning hit, led Parmer County Implement with

three hits, also a trio of one-base hits.

The eventual winners had a 3-1 lead after an inning. They fell behind 7-3 in the third, but came back in their half of the inning to tie the score. PCI went ahead 10-7 with three runs in the fourth, but fell behind by two, 13-11, when Hub Grain came up with six runs in the fifth inning.

The score was tied after six, 13-11. Hub Grain then took a 14-13 lead in the top of the seventh on a single by Jim Grimsley and Billy Burton's double. Burton was later out trying to score. So Hub took a one-run lead to the last of the seventh, but it wasn't enough in the see-saw battle.

"THE BEST COLOR AND UNIFORMITY I'VE SEEN IN 30 YEARS OF RAISING WHEAT!"

says HILMAR REILEY, at left, Cibolo, Texas.

MR. REILEY USED THE ECONOMASTER PLAN

Hilmar Reiley is a typical Texas wheat farmer. He raised his spring wheat profits six ways by using the Economaster Plan. So can you. Here's how Economaster used in the fall paid off for Mr. Reiley:

1. **Higher yields.** Mr. Reiley's 125 acres of wheat produced a substantial yield increase using the Economaster Program. But that's not what made the dollar and cents difference.
2. **More grazing . . .** in addition to an outstanding wheat yield, Mr. Reiley was able to graze 90 head of cattle for 110 days without supplemental feed. The Economaster Plan made this possible.
3. **Premium prices** — tests prove that wheat fertilized with Anhydrous Ammonia has a higher protein and sedimentation value. The Economaster Plan allows you to market your wheat for premium prices.

4. **Fast start** for winter wheat. The Economaster Plan helps young wheat cover the ground early in the fall. This fast start saves soil losses due to sandstorms.
5. **Strong plants** from the start! Healthy plants resist winter kill. The quickly available phosphate of the Economaster Plan promotes strong root development early in the season.

6. **Lowest cost fertility program . . .** the Economaster program is the lowest cost of plant food materials . . . pound for pound . . . of any other program you can buy . . . anywhere! Add it all up. You'll come to the same conclusion Mr. Reiley did. Economaster is the fertility plan for your wheat! Here's why:

- Economaster uses anhydrous ammonia . . . made right here in Texas . . . for the most

concentrated source of nitrogen money can buy.

- Economaster uses a high analysis ammonium phosphate. It is even spreading and water soluble. Ready to go to work immediately.

- Economaster paid dividends to Hilmar Reiley six ways. It can help you too.

We are the exclusive Economaster dealer in this area. Our personnel are trained in soil testing and interpretation. They are ready to explain the advantages of the Economaster Plan. They can determine the most profitable application of Economaster for your wheat operation.

And remember, we're ready to serve you with custom application or tip-top rental equipment delivered to your farm. Inquire about wheat profits today. Inquire about Economaster!
