WOODWORK BY DALTON

TO THINK that I was always proud of my wife's ability to type better than 80 words per minute, and was even kind of smug about my own ability to do somewhere between 50 and 60 words per minute.

This week we received a news release from the Census Bureau, with the notation that "This local news item was prepared by a Census Bureau electronic computer and typed at 10 lines per second...."

I counted the words in some of the lines and the average line has about 14 words in it. This figures about 140 words per second, or 8,400 words per minute. That should get anybody an A in typing class.

An accompanying story explained that the Census Bureau's computers "are extracting retail trade data about each county in the United States from tabulations of the 1963 Census of Business, inserting the figures in news stories and typing out the stories at eye-blinking speed...."

I can't blink my eye that fast. Actually, I find it hard to believe they could hook up a computer to any kind of typing apparatus which could print the letters at such a speed without some kind of jam-up.

Incidentally, the story itself speaks well for Lamb County. It reported that 302 retail businesses in the county sold \$36.4 million worth of stuff in 1963, an increase of 29 per cent over 1958. Over the entire state of Texas, the increase was 18 per cent.

It was interesting that farm equipment dealers sold more volume than anyone else, fol-

Hospital Remodeling; New Technician Hired

R. E. Blalock, formerly of Breckenridge, Monday began his duties as laboratory technician and registered X-ray technician at South Plains Hospital and

Clinic, Amherst. Blalock, who was at Stephens Memorial Hospital in Breckenridge for almost three years, will be joined at Amherst in June by

his wife, Eva, and daughter, Kathleen, 15. Mrs. Blalock teaches first grade at Goree, where the girl is a freshman.

A son, James Lindley, 17, now is taking U. S. Naval medical training at Camp Pendleton, Calif.

Rearred at Clyde, Texas, Blalock trained at U. S. Army Medical Service School at Fort Sam Houston in 1942, and later attended Veterans Administration service school for 16 months. He interned at Littlefield and Denver City, and has worked in Uvalde, Lagrange and Breckenridge. He is a member of the Masonic Lodge and of the Baptist Church.

Hospital officials said they were continuing efforts to secure a new administrator and another doctor. Meanwhile, an extensive re-painting, remodeling project is underway at the hospital, with new lights being installed in the corridors upstairs, rooms re-painted, and a private bath has been added to one room, plus another patient bathroom installed upstairs.

the Lubbock Avalanche-Journal. Many of Tanner's stories appeared in the Avalanche-Journal as separate features, and the book is a good collection of interesting yarns of the early days on the South Plains.

Tanner is a good friend of mine, since we spent some time together in the past (or was it, "did some time together"?). Anyway, I don't feel a bit reluctant to plug his book. I wouldn't even mind plugging the author. Seriously, it is a good collection, interesting and historically accurate as research could make it.

And we just happen to have some copies for sale, here at the office....

DO YOU WANT JUSTICE OR MERCY?

St. Matthew 6:25-34; 10:16-24; St. Luke 18:10-14.

"God, be merciful to me, a sinner." "Lord have mercy on us." or "Be toward me as Thou art when Thou lookest upon the staining blood." Have mercy on us — on me, a sinner.

Man prays this prayer, in one way or another. If he prays as the Pharisee, he has his answer in the present day only — his reward is his own self-exalted position on earth. If man prays as the publican, recognizing his own sinfulness, and God's holiness, then because of his true humbleness and because Christ

died to shed his blood in atoning for sin, God exalts this one into the place of eternal sonship; forgiven, son of God through Christ Jesus. You cannot work for or earn this position in God's family — it is given you only by God's grace, through faith to believe.

"Have mercy." So many times I look around me at the pain, sorrow, physical hunger and cold and uncleanness, of my human family, and my heart is broken for wanting to help. Then I look around me at those persons who are reckless, selfish and indifferent to others, immoral, embracing madly their secret sin (what

do you make a dead dog, a pig? — I cannot do it, wanting their money and time to be selling their own selfish desires, making nothing for others than the gods, and Jesus has been crucified! My heart is broken or less that blindness, my love for evil is turned into a burning flame, yet for them, sin, I can only pray. "Have mercy, O Lord — because, but for the grace of God, there go I? No, remember them, O God, for Jesus sake's sake, because He died to save sinners."

Do you want justice? No man wants justice from God, for if we only received justice, all of us for our sinfulness would die eternally in hell, and never could come into God's presence, much less be His child.

Do you want mercy? Of course you do — for all of us want to live gloriously, abundantly, in peace and love and freedom eternally. We just go about trying to find that kind of life in different ways. But man cannot go his own way, and find God. He must turn from himself to go God's way, if he ever finds mercy, and grace and forgiveness and power to climb upward all the way to heaven.

Do you know the way Home to your Father? The Father who loves you even while you are in your sins (while we were yet sinners, Christ died for us), so He sent Jesus. Jesus died (shed the atoning blood necessary for sin) for our sins; He arose for our justification — He fulfilled all of the requirements of God's law,

so that Jesus we are free from the law of sin and death.

No, Jesus in the way has come and died. His law of love is our only law. He loves you, but are you to love with Him? How are you loving when He calls you? I know he calls you and me, for even with all but one eye in the field, Jesus goes out seeking that lost one.

Are you lost from your creator, and Father? What are you seeking life — after a dead dog, after a pig, or are you seeking the eternal kingdom where God wants you to be so much that He gave His only begotten Son to save you? Are you seeking God's righteousness, or are you just trying to save yourself? That you cannot be good enough to save yourself is self-evident — if you could keep the law and be saved into eternal life, Jesus would not have died to pay for our sins. But He voluntarily gave Himself for you and me — why? He delighted to do God's will — and God loves us so much it is not His will that any one of us be lost.

So, as long as one of us is lost, Christ seeks, for He loves you — He works the works of the Father, now through the Holy Spirit, and so I shall seek and keep telling the Good News that Jesus saves! Jesus came and will set you free from sin, if you will take up your cross daily, and follow Him. Just as you are, if you pray as the publican, God will have mercy and pardon all your sins, remembering them no more forever — then you become new and are able to follow Him.

What will you do — ask for mercy and pardon, accepting Jesus as your Savior from sin and death? "Ask, and it shall be given you," Jesus said.

What will you do then? "Follow me," Jesus said.

Do you know any other way to live forever? Jesus said, "He that believeth on the Son hath everlasting life." Take Jesus, follow Him, and live.

COTTON TALKS

The Texas High Plains region "walks out like a new blizzard" in a recent report from the U.S. Department of Agriculture on the number of hibernating weevils across seven cotton-belt states. The High Plains area revealed that the number of weevils in hibernation declined by 89.2 percent below the number recorded last year, while all but two of the seven states showed substantial increases.

Other things being equal, the number of weevils hibernating in the winter gives an indication of the degree to which growing crops will be infested in the spring. The survey in Louisiana and Tennessee found lower hibernating weevils, but the Carolinas, Mississippi, Alabama and Texas (over the whole state) yielded increases ranging up to over 850 percent. This phenomenal increase was recorded in four Central Texas counties, a jump from 517 to 4,405 weevils per acre.

The reduction of hibernating weevils in the Plains area just below the Caprock without doubt is the result of the diapause control carried out last fall, and the 89.2 percent reduction is in close agreement with estimates made by entomologists evaluating the percentage of kill during spraying.

COTTON DEDICATION TO BE HELD

The cotton that has been contributed to CROP in the South Plains is now being made ready for shipment from Plainview and a service of dedication will be held in the chapel of the First Methodist Church in Plainview on Thursday, March 4, at 10:30 a. m. chairman, and Joe V. Smith of Lubbock, Texas CROP-CMS chairman. The Rev. Arthur Pitt, pastor of the First Baptist Church in Lubbock, will give the address with Dr. J. E. Shuman, Lubbock, giving the dedication prayer. His sermon will also appear on the program.

Twenty-one contributors represented at the meeting. Trust Miller of Glass County chairman and Kenneth Dugan is the local chairman.

As a Department of the Texas Council of Churches the Texas CROP-CMS Board will meet with the Council Assembly which will convene in Austin at the First Methodist Church, March 8 to 10.

CHILDREN TO CHILDREN
 According to the Bible (1 Corinthians 13:13), "So there abide faith, hope, charity, these three; but the greatest of these is charity."
 Some of the most inspiring followers of this rule today are the children — all under 13 — who form the membership of the Pontifical Association of the Holy Childhood.
 They devote themselves, in an annual "children-to-children program", to helping the needy youngsters of the world by providing funds for their baptism, care, shelter, and Christian education.
 The youthful members pay dues of a penny a month, and membership requires the children to offer a special daily prayer for the mission children they help support.
 In addition to dues, Holy Childhood Association funds are collected in two major ways. The main activity is the "adoption of children in missions throughout the world."
 For five dollars — a sum that hasn't changed in 100 years of Holy Childhood activity — children actually sponsor the Catholic baptism of a mission baby and choose its Christian name; they also pay for its care and education. Last year, Holy Childhood members adopted more than 32,660 mission children in 80 countries.
 More adoption money comes from class projects such as bake sales or carnivals — or from the children sacrificing a part of their allowances.
 Holy Childhood members also raise money through the sale of Holy Childhood Christmas seals. First produced in 1916, they were the first religious Christmas seals in America.
 Why do these children give so unselfishly? As one little girl said, "We all had a real good feeling inside."

**SHORT
AND
SWEET**

The Mardi Gras was brought to the streets of New Orleans by early French colonists. The carnival custom originated in medieval France as a pre-Lenten spree before solemn days of fasting. In the old French ritual a garlanded boeuf gras, or fat ox, was ceremoniously paraded through town before being roasted for a feast. The first day of celebration was appropriately called "Fat Tuesday," from which the name Mardi Gras later derived.

A man seldom makes the same mistake twice. Generally it's three times or more.

FIRST BUT NOT LEAST- Shown at the left is Houston's Astrodome, the first fully enclosed air-conditioned sports area, but certainly not the least, as it has a seating capacity of 66,000, that is foam-rubber opera type seats. Some of the other firsts include the first time grass has been grown indoors on a permanent basis, with over 3 acres of Bermuda grass to be green year round; it has the largest score-board, with a half acre of information surface; it has a weather station atop the dome with a ultra-violet ray smoke detector for checking visibility; and there are no structures to prohibit the view of the audience.

WE HAVE
 TIME NOW ----
 THEN ETERNITY!

-By HAZEL HOUSE

Scripture: St. John 3: 16;
 Psalms 90: 1-12; 91: 1-7.

I could read the Bible—
 If I had the time.
 I could go to church—
 If I had the time.
 I could teach a Sunday School class
 If I had the time.
 I could do some visiting—
 If I had the time.
 I could be a doctor, a lawyer, or
 a nurse—
 If I had the time.
 I could read to the children, or bake
 a cake—
 If I had the time.
 I could write a book or learn to fly—
 If I had the time.
 I could be a poet or paint a picture—
 If I had the time.
 I could be a singer, musician, a (Is
 God calling me?)
 If I had the time.
 Where has it gone; where did I lose
 or waste it—

This moment (so short!) of time?
 I could repent—in Jesus I could live
 If I had the time.
 I could weep.....
 If I had the time.

Something Old . . . Something New

One dessert that satisfies the need for something new while still retaining the reassuring qualities of the traditional is Heavenly Rice Pudding. Colorful fruits, chopped nuts and cooked rice are combined with Carnation's velvety evaporated milk. The nutritious evaporated milk first is whipped into fluffy mounds, then folded into the delicious mixture.

You can use the same convenient evaporated milk for creaming your coffee. Fill your cream pitcher with it, or pour it straight from the new easy-to-open container.

HEAVENLY RICE PUDDING
 (Makes 8 servings)

- | | |
|--|---|
| 1 1/2 cups well cooked rice | 3 medium bananas, all yellow |
| 1 1/2 cups miniature or sliced marshmallows | 2-3 cup (small can) undiluted evaporated milk |
| 1 cup (5 ounces) red gum-marshmallows, about 14 mm. well drained and chopped | 2 tablespoons lemon juice |
| 1/4 cup chopped pecans | 1/4 cup confectioners sugar |

Soak rice, marshmallows, cherries and nuts; slice in bananas. Chill evaporated milk in refrigerator tray until soft ice crystals form around edges of tray (10 to 20 minutes). Whip until stiff (1 minute). Add lemon juice; whip very stiff (2 minutes). Beat in sugar. Fold whipped evaporated milk into rice mixture. Spoon into serving dish. Garnish with cherries and pecans, if desired.
