## WOODWORK BY DALTON

A COLIMBIST in one of the area newspapers started with this eyebrow-raising statement last Thursday.

"We all said prayers of thanks when we heard that Hale Center was devastated by a tornado last week."

The writer went on to say they were thankful that their own storm was limited to rain and such.

WE'D LIKE to say thanks to the workers at Plant X who showed our family through the plant last week. They were courteous and informative, and the youngsters particularly enjoyed the impromptu tour.

I had toured the plant before, but somehow the rest of the family had missed all the tours, even the open house that was held last night. I don't know who was worse about walking on the steel mesh that lets you see the ground or other parts of the structure empty-sites feet below, but I believe it was my wife. One of the kids was not too keen on it, but the other two didn't mind much, and one even seemed to enjoy it.

It was because of this last one that I had to pretend it didn't bother me at all, either.

Anyway, the fellows out there--from Earth, Sudan and Amherst--were nice to us. If there was anyone present at that time from Littlefield, he wouldn't admit it.

IN DALLAS, a non-profit organization to provide simple, low cost funerals has grown to more than 100 members since its founding two months ago by seven business and professional men.

The president of the group, with the jawbreaking name of Ken Gjames, says "It is a non-profit, non-denominational organization to restore simplicity, dignity and economy to the last rites."

THERE'S A TOWN in Canyon County, near Lake Teton, called Fish. Really, it's just a community. But they're planning a big celebration next week (June 20-21).

The week has been designated "Fish Week" with the purpose of directing dignity to the inevitable demise of fish. Judge James Bates Fish of Platte County will be principal speaker at Fish.

The word "fish" has come into disrepute, to most everyone knows, being used to describe someone, and in general says more about the user than it does the person. Actually, it also means a water-brother, according to the dictionary.

Anyway, the fish of the world are fighting back, and we don't blame them. It's kind of people to make fun of others because of their names, and we believe most folks would settle this, if they would just stop and fish.

Our apologies to Jimmy Newman for being his wife's name incorrectly last week. The former Canyon High becomes Mrs. Jimmy Newman month ago.

## COLORADO GROUP TOURS HIGH PLAINS WATER DISTRICT

A group of 30 Colorado farmers from Burlington, Colo., toured the High Plains Water District June 14 and 15 to study irrigation practices and water saving installations of this district.

The group arrived in Amarillo on Monday and toured the Palo Duro Canyon observing the different geological formations which are exposed in the canyon.

Tuesday the group toured the area around Hereford, Pecos, Bovina and Farwell looking at plays lakes, tailwater return systems, and other water conservation practices being utilized by High Plains irrigation farmers.

## MYF SUB-DISTRICT BANQUET HELD HERE

Rev. Albert Lindsey, Earth, was speaker at the Sub-District Methodist Youth Banquet held Saturday evening at the First Methodist Church when approximately 85 were present.

Warren Gossett of Hart, sub-district president, was Master of Ceremonies.

The banquet was catered by Underwoods of Lubbock.

During the installation of sub-district officers, Danny Martin was installed, vice-president; and Brenda Deane, publicity chairman.

## BOOKMOBILE SCHEDULE

The Texas State Library High Plains Bookmobile has announced that it would be in Amherst on Thursday, June 24, from 9:15 a. m. until 10:15 a. m.

The bookmobile will stop in Sudan Friday, June 25. It will be at the City Hall from 1 p. m. until 4 p. m. of the above mentioned date.

# CARDS DOWN BRAVES 15-14

The Sudan Cardinals retain their first place rating after winning over the Amherst Braves in an exciting Little League game Saturday night, the fans thought the score stood 14-14, but upon closer examination the score was officially ruled in favor of the Cardinals because the last Card-

inal runner was not counted in the score during the sixth inning of play.

During the first inning, the Cardinals were first up to bat with Mike Hederich pitching for the Braves. Gary Edwards was in the first score for the Cardinals. The Cardinals scored

once more during the first inning while the Braves brought in only one run. Charles Henry pitched the first pitch for the Braves.

The opening pitcher for the Cardinals was Gary Edwards. During the second inning of play, the Cardinals scored only one run while the Braves

scored four runs. The third inning resulted in no runs for either team with the score standing 5-4 in favor of the Braves.

The Cardinals brought in three more runs in the bottom half of the fourth inning, but the Braves gained a 5 point lead on the Cardinals by scoring 7 runs in the top half of the fourth inning.

During this inning, the Cardinals had two pitcher changes. The first change brought Tony Wood to the pitcher mound and Gary Edwards went to first base. Later in the same inning, Richard Henry Thigpen, took over the pitcher mound for the Cardinals and maintained the Cardinal pitcher for the rest of the game.

By the time the Braves had taken possession of the bat-

ter in the top half of the fifth inning, it looked like the Braves had won the game. The Cardinals scored no runs during the fifth inning of play. The Braves ran in two more during the sixth or 14-7 in favor of the Braves.

The Cardinals completely changed the score during the sixth inning bringing in eight runs to win the game. Three home runs were hit by the Cardinals during the bottom half of the sixth inning. Players stepping home runs for the Cardinals were Richard Henry Thigpen, Steve Edwards, and Mickey Powell. These were the only home runs hit in the game. The Braves scored no runs during the sixth inning of play.

Mike Hederich, the left handed pitcher of the Braves pitched the entire game for the Braves.

## Area Receives Heavy Rains

Torrential rains fell last week over the South Plains area dropping up to 13 inches of rain as reported to the newspaper office. The rains fell over a three day period beginning on Wednesday afternoon, June 9.

Rain gauges in Sudan measured the rain in town at 8.5 inches. It was reported that approximately three inches fell Wednesday afternoon in Sudan during a terrific 30 minute down-pour.

Residents in Amherst reported that it rained 9.5 inches during the same three day period.

Though the rain was badly needed, some area farmers felt that the rain was destructive in some respects. Crops planted in low areas were completely submerged. Many crops will have to be replanted as soon as the ground is dry enough to work.

One farmer reported that the rain we received was the largest rain that he had seen in this area that fell in such a short period of time.

ANYONE FOR SWIMMING - The picture shows one of many farms that were under water after the recent rains in this area. (Staff Photo)

## Hanlin Auto Parts To Open In Sudan

Hanlin Auto Parts will soon be opening in Sudan under the ownership of Gene Hanlin of Littlefield.

Hanlin owns the Hanlin Auto Parts store in Littlefield and has decided to branch out so that he can better serve the Sudan residents. The new auto parts store will be located at 217 Main across the street from the Sudan Post-News Office.

Hanlin, who has been in the Auto Parts business for 15 years, said that he is excited to start his new store in Sudan. He has been in the Sudan for several years and has been successful in his business. He has a large inventory of auto parts and accessories and will be able to serve the Sudan residents better than ever before.

## WCS - NEWS

Miss Tracy Smith, vice-president of the Wesleyan Church of the First Methodist Church when the night school was opened.

During the business meeting, Miss Tracy Smith presiding, there were checks for a coffee table and baby monitor, at 10 a. m. All women are invited to attend. Those attending are asked to bring money contributions to be made to the Methodist Mission Home in the Amherst.

Present for the meeting were Mrs. Tracy Smith, Mrs. Paul Smith, Mrs. Dorothy Brown, Mrs. Dorothy Smith, Mrs. J. L. Smith, Mrs. C. M. Frazier, Mrs. A. Johnson, Mrs. R. W. Wain, and Mrs. Paul Smith.

## SUDAN RESIDENTS RECEIVE DEGREES

Jerry Lee Morris, son of Mr. and Mrs. Homer Morris, received a Master of Education degree in commencement exercises May 29 at Texas Tech.

Gov. John Connally gave the principal address for the exercises held in Lubbock Municipal Coliseum when 37 students received Master's degrees.

Bonnet Hatcher of Sudan received a Master of Arts degree from the University of Texas recently, at the close of the spring semester.

## DR. BRYANT SPEAKS TO ROTARY CLUB

Dr. Bryant spoke to a group of the Rotary Club at the Sudan. He spoke on the subject of "The Role of the Church in the Sudan." He discussed the importance of the church in the Sudan and the need for a strong Christian community.

During the business meeting, the Rotary Club decided to change the day for the luncheon and installation of officers from June 24 to June 25.

The Rotary Club members from other areas were present for the luncheon meeting. Jerry Morris was present from the Littlefield Rotary club and J. H. Jernsey was present from the Palestine Rotary Club.

## Sudan Motor Company Is New Ford Dealer

The Sudan Motor Company formally announced this week that they are the new franchised dealer for Ford sales and service in Sudan. The Ford dealership was formerly owned by Glenn Galbreath at the Gateway Motor Company. The owner of the new Ford dealership in Sudan are Calvin Jordan, Ralph Douglas, and Keith Glover.

All three men are well-known in the Sudan area. Jordan and Douglas are the owners of the Justice and Douglas Implement

## ADVANCED REGISTRATION BEGINS AT SOUTH PLAINS

Advanced registration for the fall term at South Plains College will be offered for the first time during the summer months. Students planning to attend South Plains College next September may begin registering June 15.

Such studies will be conducted by the College and its operating departments to come in the fall. All items will be available in the summer months. All items will be available in the summer months. All items will be available in the summer months.

## METHODIST VCS BEGINS SATURDAY

Miss Tracy Smith, superintendent of the Wesleyan Church of the First Methodist Church beginning Saturday, June 26 and will close June 27, before all children to attend the classes which will be held in afternoon from 4 to 6 p. m.

Other visitors to the Wesleyan Church were Paul Smith, Gene Smith, Paul Brown and Mickey Brown.

Company that handles the John Deere sales and service in Sudan. Glover moved to Sudan from Littlefield where he has been associated with the Ford dealership for the past 20 years.

Keith and Glover will be active in the operation and management of the new company.

Sudan Motor Company is planning to open a complete Ford parts and service department. At present the new company has 185 Ford cars in the show room floor and is busy working on their service department.

Bonnet Smith will be the representative for the Sudan Motor Company in Amherst.

The Sudan Motor Company expects to have their grand opening toward the last of July. The owners invite all Sudan and area residents to come in and visit the show room.

## STORE MARKET REPORT

Mr. and Mrs. Walter Taylor have a new car, late Friday morning, June 18, at 7:00 a. m. The car was a 1965 Ford Mustang.

Mr. and Mrs. John Taylor have a new car, late Friday, June 11. The car was a 1965 Ford Mustang and was purchased from the Taylor family.

Mr. S. C. Stewart, Sr. and Mrs. Betty Lee Taylor of Sudan were the first to visit the Texas Tech campus.

**SPECIAL**  
BY HAZEL HOUSE  
**CHRISTIAN CRY LOVE I**

Scripture: Jeremiah 20:9; Revelation 1: 14-22; St. John 6: 54-58.

"But His Word was in mine heart as a burning fire shut up in my bones, and I was weary with forbearing, and I could not stay."

Once I wrote about hot and cold type metal as symbolic of the cold, lukewarm or hot Christian soul. But before too long, as printing type changes almost entirely away from metal, not too many will remember the importance of the temperature of metal. However, the importance of the fire kindled to a burning

heat in the soul and mind is still of utmost importance.

As God speaks through the living presence of the Holy Spirit, seeking the soul of every man that some of us may be eternally lost and separated from Him, man must be still and give God his or her attention.

Only the soul and mind that burns hot in the desire to think with the mind of Christ will reach the heights of joy, peace, love and witness for Christ that God wants for us all. For we are His children if we have accepted Christ as Savior and Redeemer

from sin and death—in the world. But, if you will be witness, you must be in God's presence, when He calls, and when He calls you and you are not ready to hear and be what He calls you to be, you are lost. With His all-powerful living presence dwelling in us, if we abide in Him, and His Word abides in us, the fire of His love will burn within us and we will be able to witness.

Sometimes we hear so much about, quiet, and lukewarm talking in the name of Christ that it makes us who know Him wonder if the speaker really knows the One Christ that we know. There are times, of course, for the quiet reverent stillness of witness—but the coldness and seeming lukewarm witness seldom and seldom and leaves the world lost without hope.

There is more fire in a political speech, a football or baseball fan's witness, than in some Christian witnessing. But you say that is different and you are right, it is different!

When hatred and malice, and suicide, and murder, and screaming voices of sin are so rampant in this world, how strong is the voice of witness for Christ?

When Jesus cried out "My God, My God, why hast thou forsaken me?", the agony, blood, and sweat of His death for your sin and mine was everything but lukewarm.

So, Christian, where is our challenge, our fire and enthusiasm in witness? Do we remain silent and merely pass by, and let the world think hate is stronger than love? When we know the truth of Christ, the way into eternal peace and joy, and eternal life, can we be faithful to Him and also be lukewarm in our living witness?

It is the warm, the hot and burning heart which is impregnated by the Word of the Living God. Let us seek Him and give Him our undivided attention as He seeks us to witness here and now that Jesus saves and gives to whosoever will, eternal life.

**The Rock of Times**

By SHEVVI HOOPER

Millions of Americans witnessed this week through the media of television the Billy Graham Crusade being broadcast from the world. Thousands of people present at the crusade accepted Christ as their personal Savior after hearing the Gospel proclaimed by Mr. Graham. We feel that often, hearing the Gospel over television accepted Christ in their homes.

Also witnessed over television this past week were the state scenes of movement of White during his 30 minutes walk in space. We feel that these two television broadcasts were very dynamic and offered an accurate cross-section of the American thought and action today.

On one hand, we see the fast changing world in which we are living today as was demonstrated by the successful four-day flight in space by the two American astronauts. When we were in grammar school, we were taught that if an object was thrown into the air that this same object must come down because of the pull of the earth's gravity. We have learned, however, in our fast changing world that we can shoot a rocket-ship to the moon that can escape the earth's pull of gravity and send hundreds of pictures back to earth just before crashing upon the moon.

It is beyond the comprehension of many of us how scientists have gained such a vast knowledge of space and can send rockets roaring into space defying all laws of the earth. This is an example of the fast changing world in which we are living today.

On the other hand there are some, who, like Billy Graham, need a rock to hold on to in the fast-moving world. In the first chapter of James, verse 17, we read that with God there is no variableness, neither shadow of turning.

How wonderful it is to know that we do have a rock to hold on to in this turbulent world. And how much more wonderful

it is to know that that rock is God. I Samuel 2: 2 says, "There is none holy as the Lord. For there is none like unto Him: neither is there any that can be compared unto Him."

We rejoice in our salvation and rejoice that we have a God who is unchanging to comfort us as we live through the storm of life.

Like any earthly rock, the moon or even Mars, but we are comforted in the fact that only God who gives that trust in Christ will reach Heaven. For Jesus said, "I am the way, the truth, and the life."

Mrs. Lynn Olds was hostess Thursday morning for a Tupperware party when Mrs. Ann Orr of Lubbock was the demonstrator.

Mrs. W. C. Willingham was in Floydada Monday afternoon to attend funeral services for the infant son of Dr. and Mrs. Keith Pattee.
