## WOODWORK BY DALTON

IT ALL DEPENDS on whose survey you read, or whose opinion you quote as to what you believe about dieting, smoking, drinking, religion, politics, traffic accidents or nearly any other topic of controversial nature.

SEVERAL DAYS ago, police in Brooklyn discovered a baron in the city, where this one fellow was keeping 11 women. Seven of them were expecting, and there already were 67 children fathered by the same man.

Police took the man in, but I don't know if they're going to send him to prison or build a monument to him.

ALTHOUGH the baseball World's Series teams haven't even been determined yet, football is here, and it's high time to forget about the agonizing long-distance runners to start looking toward the gridiron.

If you aren't a football fan, there still is television on Friday nights, with programs and furniture advertising worse than ever, if that's possible.

I am about to begin another season of choosing football winners, particularly for those who don't want to bother to go to the games to see how they will come out.

Sudan fans, the team and our new coaches were given a most spirited introduction to the season last Friday, but then, so was Friendship, this week's opponent, which took a pasting from Abernathy.

Abernathy opens the season this week, with New Home coming to town. I know nothing about the Leopards, but believe Bear's boys should win it, say 24-6. Mr. Grimes probably will hate me.

Elsewhere: Abernathy 27, Petersburg 12; Knox 14, Lockwood 13; Silverton 20, Hart 6; Hale Center 13, Diamond 7; Tulsa 33, Otton 14; Canyon 20, Floydada 7; Houston 21, Tulsa 14.

## PLANS BLAST SUDAN 34-0

By MELVIN HOOTEN  
Sudan's Hornets opened the 1965 season on a dismal note, 34-0 game, taking a 34-0 pasting from Plains Friday night. Members of the Hornets from 10-10-10 High, however, as the outwrought and outgunned team were golden coasted the night to the victors despite the one-sided score.

Hornets have high hopes for better things this Friday night when they journey to Wallwork to take on a friendly

team which was pined 49-0 by Abernathy last week.  
Following a 15 minute delay, due to a short in the lighting system, the football game finally got underway with Sudan leading off to Plains. Joe Don Cooke of Plains grabbed the first ball but ran only 25 yards before being tackled by a Plains player.

After Plains received the ball in the first quarter, it took only five downs for them to make the first score of the ball game.  
Cooke of Plains was able to break through the Hornets defense and completed 45 yards for the first touchdown of the game. South Coyles kicked the extra point.

The first quarter also was instrumental in allowing Plains to score the second touchdown of the game when Cooke ran 45 yards for the score. Coyles again kicked the extra point for Plains. The score at the end of the first quarter of play read 14-0 in favor of Plains.

In the second quarter, Plains built up the score when Cooke once again broke loose, this time accumulating 25 yards for a Cowboy touchdown. Again, Coyles kicked the extra point for Plains.

The second quarter also showed the Hornets first score had nothing from the Sudan side. At one time, Hornets quarterback Benzie Hill was able to break away from the Plains defense and gained 19 yards before being pulled down.

Plains in the second quarter tied their previous score, but was pulled back to when two Sudan Hornets, Conley Baker and Larry Huggins, intercepted two Cowboy passes. Following this, Plains tied only two more passes in the remainder of the ball game. At half time, the score stood 21-0.

Following the half time adjournment, the Sudan Hornets came back as the field departed to play ball. Baker picked up the ball kicked off by the Plains Cowboys to open the second half of the ball game.

In the third quarter, both teams were able to gain three

yards during the first quarter of play. Plains was able to score. Cooke ran three yards to open the game. Hooten was unable to make the extra point for the Cowboys, ending the ball game of the evening, Plains 24, Sudan 6.

Sudan gained 100 rushing yards on the ground and 20 yards passing. Plains had 400 yards rushing ground and 20 yards passing.

Cook, Joe Cole and the coaching staff each week will make the Hornets try to improve on their performance against the Plains. The hope is that they can be recognized by the Hornets fans. Paul Cooke, coach, has coached the first game.
