FORTY-SECOND YEAR

WOODWORK

BY DALTON

STUDIES by Texas AGM University, that much-maligned object of Aggie jokes, show that a 20-year-old man can expect to "change" jobs six or seven times during the 43 years (on an average) that he will work. Single women will work approximately 40 years, while a married woman without children will work almost 30 years. A married woman with children will work an average 25 years, the study shows.

See there. You don't have to work so much if you've got a bunch of kids around the house.

HANK BROWN, former Sudan High School coach, once remarked that if the district would just give a trophy for eating, his football team that year would win it hands down. Well, if there are any more of that caliber around Sudan or Amberst, maybe they'll want to enter this contest being advertised in the Amarillo newspaper. Billed as a "gastronomical spectacular," the Big Texas Steak House Amarillo is offering a first prize of \$200 in the "Annual Texas State Championship Steak Eating Contest," set for Feb. 15. It costs \$9.50 to enter, and they'll keep bringing the steaks out until the contestants can't eat any more.

I would enter, but it would be unfair to the other contestants. As I think I mentioned once before, there are many things I can't do at all, some things I do passably, a very few that I do fairly well, but when it comes to stuffing my insides, I have few peers. Well, actually there probably are a lot of folks who can eat more than I can. But there's sure as heck nobody who can gain as much on the amount they eat. I gained six pounds just reading about the contest.

CONGRESS and the Texas Legislature now are meeting. So we all can expect something bad. It seems to the average Joe Blow, who foots the bills, that nothing good ever comes out of these meetings by our elected representatives. Off-hand, this seems to be the case no matter who is in power. This is sad, because these people are supposed to be protecting our interests, but it seems they just pass some laws that cost us money to bring into operation, and always seem to benefit the other guy.

The reason for this, of course, is that those guys in Austin and Washington feel like they have to pass some laws, because that's what they are up there for. There are times, like in the last session of Congress, when we'd all have been better off if they had just sat there and ate hamburgers or something until the session was over. Somebody once said that the lawmakers should pass a law which says that every time they pass a law they have to repeal one.

Agricultural Wage Law Becomes Effective Feb. 1

Beginning February 1, area farmers who used 500 or more man-days of hired agricultural labor in any calendar quarter of 1966 will for the first time be required to pay a \$1 per hour minimum wage.

The minimum will go to \$1.15 an hour on Feb. 1, 1968 and to \$1.30 per hour on Feb. 1, 1969, unless Washington legislators succeed in their efforts to pass additional legislation.

The most important consideration of farm employers at the moment is the keeping of employment records. It is advised that any farmer who thinks he may have even come close to using 500 man-days of farm labor in 1966 or who may come close to that figure this year should be keeping complete and accurate records.

Employers will have to record for each employee to whom the minimum wage provisions apply the hours worked each day and each week, the wages paid and additions to or deductions from wages.

For the purpose of determining what counts toward this 13-week test, each period of seven consecutive days in which an individual was engaged in any agricultural labor on one or more days is included.

In a situation where custom work or contract labor is involved, the key is the employment relationship. A crew leader who merely assembles a crew and brings it to the farm to be supervised and paid directly by the farmer is considered an employee of the farmer and both he and members of his crew are counted in determining whether or not the farmer used 500 man-days of labor.

The same situation would apply if, under the same circumstances, the crew is hired at so much per acre for their work. In meeting the \$1 per hour minimum wage, employers will be permitted to include the reasonable cost of furnishing employees with board, lodging or other facilities. Another point to remember is that the facilities must be provided for the benefit of the employee and not for the benefit or convenience of the employer.

The Act takes a single work week as its standard and does not permit averaging of hours over two or more weeks. An employee working on a farm subject to the minimum wage must be paid not less than \$1 for every hour worked in each week. A "man-day" is defined in the law as any day during which an employee performs as much as one hour of agricultural labor.

In this area it is a common practice to pay year-round workers a straight weekly salary, supplemented with a crop or bonus arrangement at the end of the year. But present interpretations indicate that this year-end income to the worker can not be counted toward meeting the \$1 per hour minimum wage, because the worker will be required to get \$1 per hour for each hour worked at the end of each normal pay period.

Rev. W. S. Sherrill of Abernathy visited in the Joe Siler home Monday afternoon enroute home after visiting his daughter and family, the Weldon Hawks, of Clovis.

ORDERS BEING TAKEN FOR SCHOOL ANNUALS

The annual staff of Sudan High School has announced that their "annual selling" campaign will begin Monday, Jan. 30, and continue until Friday, Feb. 10. The price for the annuals will be \$4.50 and this will be the only opportunity for local residents to order their books.

Money may be brought to school by the students, but anyone who does not have children in school may contact a member of the annual staff or turn in their order at the school office.

Study Club Meet Held

"Understanding Our Texas Heritage" was the subject topic at the meeting of the 1935 Study Club held in the home of Mrs. S. D. Hays.

Mrs. Jack Riley presided in the absence of the president, Mrs. R. D. Nix. Mrs. Weaver Barnett answered roll call with "Landmarks of Yesterday"; Mrs. W. E. Hancock, "Current News in Our Nation"; Mrs. Harold May, "World Affairs".

Motto for the evening was "Each generation gathers together the imperishable children of the past," by Bancroft. Mrs. Hays spoke on the subject of "Texas Day—Our Caprock Heritage" and showed the development of our culture from the standpoint of the settlement of the Ranch land era through now. She stressed the area has nothing to be ashamed of but should be proud of our culture, museums, music, drama and art. Also she discussed interesting tourist attractions of the caprock area.

Plans were made for the Senior girls - Mother Daughter tea to be held Feb. 13.

BASKETBALL HI-LIGHTS

Farwell raced ahead of the Sudan Hornets Tuesday night to claim their fourth victory in conference play, 65-54. This also lowered the Hornets standing to 2-2.

Ronnie Hill was high pointer for Sudan with 20 points.

The Hornets squeezed by the Farwell fens, 34-33. It seems that the Hornets like heart-stopping scores, as they were defeated 37-36 by Whiteface, Thursday night. The Hornets were also overcome by a team from Whiteface 84-59 in a non-conference tilt Thursday.

The B-team girls won both games, Farwell 39-23 and Whiteface 33-23 but the B-team boys went under to the Farwell team 61-38.

Both the freshmen girls and boys, who were entered in a tournament at Dimmitt last weekend, came home with third place trophies.

The varsity teams will see action here Friday night against Bovina and at Kress Tuesday in conference play.

SCHOOL MENU

Monday, Jan. 30 - Salmon croquettes and catsup, Spring potatoes, cream peas, hot rolls, butter, milk, canned apricots.

Tuesday - Hot dogs with chili, potato chips, tossed salad, oatmeal cookie, applesauce, milk.

Wednesday - Brown beans, macaroni and tomatoes, seasoned spinach, cornbread, milk, brownies.

Thursday - Veg-beef-stew and crackers, pimento cheese sandwich, pickles, peach cobbler, milk.

Friday - Pork chops with gravy, mashed potatoes, cut green beans, hot rolls, butter, milk, plain jello, celery stick.

LIVESTOCK SHOW WINNERS NAMED

High wind and blowing dust plagued the showmen and spectators alike at the Annual Sudan FFA-4-H Livestock Show here Saturday. Even though the weather was hot the best, the animals were in fine shape with many of them being superior quality of animals shown here in previous shows.

The Sudan FFA and 4-H would like to extend their thanks to all who supported the show, especially to Louis Fields, show superintendent, and Calvin Wiseman, who took over for Fields when he was unable to attend the show; Kenneth Burgess, beef superintendent; Houston Black, swine superintendent; S. A. Parmer, sheep superintendent; Pudd Wiseman, secretary-treasurer; and to all others, too numerous to mention.

A special thanks goes to Noel Lumpkin for furnishing the Grand Champion trophies.

All the trophies and ribbons were presented by the Littlefield District FFA Sweetheart, Sharon Baker of Sudan and the Sudan

FFA Flawgirl Nancy Nix.

Listed below are members of the Sudan FFA and 4-H chapters who received trophies or ribbons during the show.

SHOWMANSHIP TROPHY was awarded to Phelps Blume.

Other will compete in the Lamb County Show, then on to Lubbock and finish up at the Area Show and Sale in Littlefield, March 25.

Red Heads To Play Here

Time is drawing near for the much publicized clash between the famous "Red Heads" and the notorious Sudan Jaycees. Time for the duel has been set as Monday, Jan. 30, at 7:30 p. m. in the high school auditorium.

Some of the local talent to see "action" will be Gene Bartley, Edward Fisher, Donnie Shannon, Bill Boyles, John Humphreys, Bobby Newman, Jimmy Newman. It has been announced that all Jaycees are urged to attend the game and be ready to substitute for the aforementioned players. It seems the condition of the players is in doubt.

Also highlighting the halftime activities will be a tumbling exhibition by local school groups.

The Red Heads, long noted for their antics and "behaviors" on the court are world famous for their entertainment to the fans. Just how they will fare against the "wild Sudan Jaycees" remains to be seen.

All area residents are urged to attend this event. Admission will be \$1.50 for adults, \$1.00 for students and under. Proceeds will be used by the club for community projects.

T/SGT. DWIGHT MOORE RETURNS FROM VIET NAM

T/Sgt. Dwight Moore returned home Saturday after spending 12 months on active duty in Southeast Asia with the United States Air Force. Moore was assigned to the 421st Fighter Sqd. and saw duty in Viet Nam.

Following a visit with friends and relatives, he and his family will report to Hemptstead AFB, Florida. His wife, the former Charlene Davison, and three sons, resided in Sudan while he was assigned to overseas duty.

**PIONEERS
OF
YESTERYEAR**

By Evalyn Parrett Scott

Both Mr. and Mrs. E. W. Parmer were raised in Eastland County near Cisco. In August of 1924 Mr. Parmer came to Sudan and bought land 10 miles southwest of Sudan.

On October 15, he moved his family here for keeps and they became one of Sudan's pioneer farm families. When they came here four of their children—Flora, Christy, Mary Lena and Sap—made the move with them. Born after they moved to the Sudan area were Jessie Vernell who drowned, Zesia Pearl, and Yvette.

In early days a neighbor was operating a syrup mill and the Parmers cut their cane; Mrs.

Parmer and the two older girls drove the horses pulling the wagonload of cane to the house of the neighbor who was making the syrup. Not knowing Mrs. Parmer, he later told that he had already shut down, but, some widow lady and her two daughters brought their cane and he started the mill up and made their syrup. Mrs. Parmer recalls this particular incident with glee, the neighbor thinking she was a poor widow lady.

The Parmer children attended Sudan schools and a number still reside here including Yvette Gage, who operates Yvette's Beauty Shop; Mrs. Raymond (Mary Lena) Maxwell,

Sap (Santis) Parmer and Chris Parmer who are engaged in farming. Flora married Hershel Gunn and resides in Dimmitt. Zesia Pearl married Walter Dillingham and lives in Fort Worth.

PIONEERS OF YESTERYEAR
continued from last week---

According to Mrs. Wilkinson, there aren't many left that were here in 1922 and 23. Early day families she remembers includes the E. L. Weldons, the Jack Rowans, the Joe Wests, the Bill Olds, the Lynn Olds, the Hammocks who lived 1/2 mile south of them, and the Allens who lived west of them.

In later years Mr. Wilkinson served as a deacon in the Sudan Church of Christ, and as song leader. For a number of years he kept a diary of the weather as a hobby.

A FIRST FOR SUDAN

Joe and Mary Wilkinson provided a first for Sudan in having the first set of twins born in the town in 1926. All the neighbors came calling to see Sudan's first set of twins.

The Wilkinson children were (1) Opha, born Jan. 1, near Duncan, Okla., died Sept. 28, 1934; (2) Genevieve, born Dec. 29, 1922 near Duncan, graduated from Sudan High School, 1941, married Henry L. Chamberlain of McMahn, Texas; (3) Wayne, born April 10, 1925, he served in the Armed Forces during the World War II, when he volunteered in May, 1943, and received his discharge in 1946. He was in the Philippines and New Guinea and married Fay Cloud of near Lubbock, Jan. 11, 1947; (4) Floyd L. and (5) Loyd I. twins, born July 9, 1926. Loyd died Nov. 26, 1926; Floyd married Modena Whisenant of Odessa, Texas. (6) Mary Joe, born

WILKINSON HOME—Shown above is the first dwelling on the Texas Plains of the late Joe Wilkinson and Mrs. Wilkinson, located two miles west of Sudan on what is now the cemetery road. The picture was made of the half-dug-out in the summer of 1923 and the children playing in the yard were relatives. According to Mrs. Wilkinson, these type dwellings were warm in the winter and cool in the summer.

Aug. 2, 1928 and married Jack Atchey of Littlefield, March, 1948. (7) Ada, graduated from Sudan High School, married Ted J. Greer of West Virginia, Dec. 9, 1948; (8) Mable, born Dec. 1932, 1950 graduate of Sudan High School, married James R. Wages, Dec. 1950; (9) James, born Aug. 20, 1935, Sudan High School graduate, 1954, entered the army in 1954 and served two years in Korea, married Nov. 12, 1965, Dainne Jordan of Farmington, N. M.; (10) Ruby, born Nov. 3, 1943, married Carl D. Thomas of Muleshoe, Feb. 5, 1960.

A. G. WILKINSON, FATHER OF JOE, CHARLIE, WILLIE AND SYLVIA SMITH

Alexander Gano Wilkinson was born in Collins County, Texas in

1875. There is a possibility the "Wilkinsons were distant kinsman of the early Texas pioneer family that settled in Washington County, Texas by 1835, one of whom signed a petition for the forming of the "Municipality of Washington". The Cummings family were also early Texas pioneers but Mrs. Wilkinson does not know if they were relatives of her line.

Alexander G. was the pioneer type, who spent his life clearing homesteads in wild country and was one of the Texans who made the drive into the "No Man's Land" of Oklahoma and settled there awhile. He cleared away the brush, built a log house (where his son, Joe was born) and went to farming. That was before Oklahoma existed as such, became a state, and was admitted to the Union.

A. G. Wilkinson lived in the Sudan area until his death in 1939. He married Armintis Anderson in 1896. Their children were Willie, Joe, Charlie, and Sylvia, all Sudan pioneers.

SAM KUYKENDALL
NEW ASSISTANT FOR
AGRICULTURAL AGENT
A new assistant county agricultural agent will join the Lamb County staff Feb. 1.

The new Extension worker is Sam Kuykendall, 23, who is a mid-term graduate of Texas A&M University, according to an announcement by the Lamb County Commissioner's Court and Extension Service District Agent Billy C. Gunter, of Lubbock.

Kuykendall replaces Rommie McNair who resigned last fall to become the Farmer County Agricultural Agent.

The new assistant agent holds a B. S. degree in animal science from Texas A&M. He had attended San Angelo

College for two years before transferring to A&M. At San Angelo he was a member of the student council, livestock judging team, Concho Aggie Club, and Rodeo Club.

At Texas A&M, Kuykendall was a member of both the junior teams, the junior wool judging team, Saddle and Siroloin Club, and Alpha Zeta.

While attending high school in El Paso, where he was born, Kuykendall served as president of the Future Farmers of America chapter.

He attended Central High School in San Angelo his senior year and was a representative on the student council there.

The new assistant agent is married to the former Miss Diane Bagwell, from Menard, Texas.

FHA NEWS

By DEBBIE NIX

The Sudan Chapter of the Future Homemakers of America ask you this question. Are you interested in knowing and understanding the importance of our organization?

Many parents know their children are interested in FHA but they do not really know what FHA does.

As future homemakers we are all striving to become better individuals. We want to help our community in the best way we can. We learn to do things independently—without the help of our parents.

There are three degrees that may be obtained in FHA. These three degrees help the future homemakers become better individuals.

The Junior Degree, the first degree of achievement, brings a girl out of darkness. She sees the light of responsibility. She learns how to accomplish things that are worthwhile and will help her in the future.

The Chapter Degree, the second degree, is a "stepping stone". The responsibility of achieving goals are slightly in-

creased. Finally the time is reached when the highest degree can be achieved. This, the State Degree, is the key to the future. After all three degrees have been achieved a future homemaker is ready to face a new world. One without her mother to come to her rescue when everything is not just right. One without Dad to give her extra money when her weekly allowance just did not stretch far enough.

WORKERS CONFERENCE HELD

A Workers Conference was held at the West Camp Baptist Church Monday evening. The Board meeting got underway at 5:30; with supper at 6:30. An "Evangelism Program" was presented and Walter Buice led the song service. Scripture and prayer by Marvin Aaron and special music by Walter Buice. Bringing the Evangelism message was Carlos McCloud.

Those attending from Sudan were Rev. Willie Hazel, Homer Morris, Moses Padilla, Son Qualls.

Mr. and Mrs. Jim Baccus and son of Euleas have been visiting in the home of their parents, Mr. and Mrs. Doyle Baccus, Mr. and Mrs. M. C. Ingram.

Mrs. Allen Beale entered a Lubbock hospital this week for a check-up and treatment.

Mrs. Michael Metz and Christine visited last week in the home of her parents in Levelland.

Mrs. T. B. Adair had as visitors in her home Sunday her daughter and husband, Mr. and Mrs. Earl C. Parrott of Littlefield.

creased.

After all three degrees have been achieved a future homemaker is ready to face a new world. One without her mother to come to her rescue when everything is not just right. One without Dad to give her extra money when her weekly allowance just did not stretch far enough.

This is what our organization is all about. Are you interested? Are you interested enough to encourage your girls to be a part of this wonderful organization?

This is the Future Homemakers of America's twenty-first birthday. We now stand with 72,000 other members in Texas alone. We hope to grow much larger. We can do this only with your support and your help. Are you interested?

M. before the Honorable 154th District Court of Lamb County, Texas, at the Court House of said County in Littlefield, Texas.

Said Plaintiff's Petition was filed in said court, on the 17th day of January A. D. 1967, in this cause, numbered 6187 on the docket of said court, and styled, REY RODRIGUEZ Plaintiff, vs. AURORA DEL RODRIGUEZ Defendant.

The names of the parties to the cause are as follows:

REY RODRIGUEZ is Plaintiff and AURORA DEL RODRIGUEZ is Defendant.

A brief statement of the nature of this suit is as follows, to wit: said above mentioned cause being a suit for divorce wherein plaintiff alleges they have lived apart for more than seven years, that no children were born of this marriage, and that plaintiff and defendant acquired no community property, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

When you're down at your dealer's trying out a new Chevrolet, be sure you pull out the ash tray. Notice how nice and easy it glides, never hanging up or even scraping. The reason is, it rides on ball bearings. Four shiny little ball bearings. (Take the tray all the way out and you'll see them.) You say you don't even smoke? Then look at it this way. Mrs. C. F. Nichols is confined to the Methodist Hospital in Lubbock where she underwent surgery last week.

J. W. House Jr., who has been a medical patient in the South Plains Hospital, returned home Friday.

Mr. and Mrs. R. K. Allen were in Oklahoma City last week and also visited in the home of Mr. and Mrs. U. H. Mileur and Mrs. Bessie Cantrell in Amarillo.

NOTICE

To my friends and customers: I wish to announce that the SUDAN ELEVATORS did not sell. The prospective buyers elected to lose a forfeit and not buy the property.

Have all your neighbors
really know
How much for them
your love has grown?
They'll likely never
know the facts
Unless we show them
by our acts.
There's something we
have often heard
An act will tell more
than a word;
So kindly acts that
we bestow,
Will surely let our
neighbors know.
