FORTY-FOURTH YEAR NUMBER 17

WOODWORK

BY DALTON

YOU MAY live longer than you think you will, if you'll just think you will.

Sounds like doubletalk, I know, but many doctors and researchers are convinced that there is a definite link between how long people think they are supposed to live and how long they actually live.

Earl Nightingale, a radio commentator whom I hear only rarely, but who never fails to come up with something interesting (at least on the days I hear him), was talking about this longevity bit the other day.

He pointed out that life expectancies have been going up for many years, and that currently it is somewhere between 60-70 years old. He gave the exact figure, I think, but I don't remember it. What he implied then was that a lot of folks had off and die somewhere around that period simply because they subconsciously feel they've lived as long as a person is supposed to. And I've read some articles which convinced me that this actually may be the case; for example, we all know that the determination to live or to get well is a strong factor in whether one recovers from illness or disease.

Nightingale pointed out that today's life expectancy charts, saying we should live to be 60-70, are based upon those persons born 60-70 years ago. "A person 40 or 50 years old today may well expect to live to be 100," he declared. But you've got to take care of yourself, and even more important, you've got to believe this.

Because of the advances in medicine and with other sensational breakthroughs imminent (note the heart, kidney and liver transplants), one may expect to live much longer than the previous generation, and also may expect to be fit and healthy.

These are, of course, averages, and nobody has any guarantee of living even for the next hour, but theology aside, one may anticipate a long, healthy life if he will condition himself physically and mentally for it.

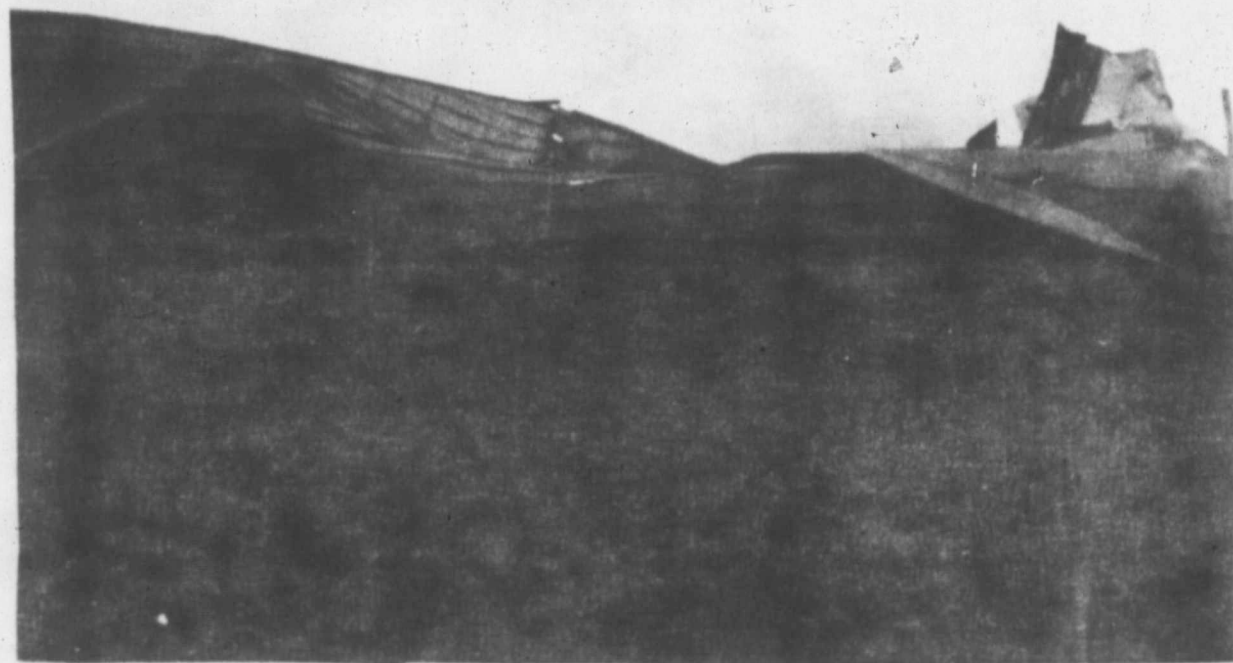

An interesting point made by Nightingale was this: Parents of small children today should tell them, he said, that they should live to be more than 100, and quite possibly to be 150 years old. They should not get the impression that people are supposed to die in their 60s or 70s. He asserted that many children, if so convinced while young, will live to the long end of that 150-year span.

This means that a man who now is under 20, say, may expect to have half his life ahead of him when he retires at 65, while the current 40-year-old man or woman might expect to live in good health for another 35 years after retiring at 65.

Nice thought, huh?

SENIOR CITIZENS MEETING HELD

The Senior Citizens met June 14 in the Sudan Community Center with the Sudan Young Homemakers in charge of the program.

WEATHER-WEARY FIREMEN kept an alert eye on the clouds while battling a fire which consumed a warehouse Sunday evening at the Central Compress. Lightning has been blamed as the cause of the blaze. No estimate has been made on the damage received. (Staff Photo)

LIGHTNING BLAMED FOR COMPRESS FIRE

Lightning during a local thunderstorm here Sunday evening is blamed for the fire which destroyed a warehouse at the Central Compress & Warehouse, Inc.

LOCAL TELEGRAM SERVICE DISCONTINUED

Johnny Hillhouse, local Santa Fe agent, recently disclosed that Santa Fe is no longer associated with Western Union and has discontinued telegram service.

In order to send a telegram, a Sudan resident must call the Lubbock Western Union office. Upon receiving a telegram, a local resident will be called direct from Lubbock. The company states that if you have no phone, you will be notified through the local law enforcement sources.

OPEN HOUSE SET FOR YOUTH CENTER

The Sudan Youth Center will hold Open House Monday, June 24 at 8 p. m. All interested persons, including parents, are invited to attend.

Eighth grade through college age students may purchase membership cards. The yearly fee will be \$1.50. Also each time a member enters the center he will be charged a penny. This will be used to finance improvement of the center.

Equipment is still needed for the center and donations will be greatly appreciated.

Mrs. Laura Hay, president, opened the meeting. Highlights of the program included musical selections by Sharon Wilson.

Mrs. Reed Markham dismissed the group with prayer.

Punch and cake were served. The cake was in the shape of the U. S. flag, as the meeting was held on Flag Day.

Games were played by some 40 members and guests.

about 6 p. m. by Volunteer Firemen who were watching the clouds as Sudan was under a tornado-alert at the time.

The 80 feet by 100 feet sheet metal building was located north of the compress office and was used mainly for samples and storage. At the time of the fire it housed several thousands of dollars worth of compress supplies along with a small mote press, samples and a few bales of cotton. Although damage has not been estimated, it is reported that it was most surely in the thousands of dollars.

Firemen, who battled the blaze for four hours, were hampered by the wind and rain. Many residents, upon hearing the siren, went to

4-H RALLY DAY SET

The annual Lamb County 4-H Rally Day has been set for Monday, June 24. Activities will begin at 5 p. m. in Crescent Park at Littlefield with games and a picnic lunch.

The County 4-H Council, which is composed of the president and council delegate from each club in the county, planned out the day's program. There will be games such as volleyball, broom-race, indoor football and horse-shoe pitching followed by a picnic supper of hot dogs, cokes and ice cream. At 8 p. m. the 4-H'ers will go swimming at the Crescent Park Swimming Pool. The Littlefield 4-H Club will close the day's activities with a vesper service.

All 4-H'ers and their parents are invited to attend this outstanding event. 4-H members may invite guests and they will be charged the same fee as everyone else. Fifty cents for adults, \$1.00 for 4-H members and 50¢, under 4-H age.

The club with the most 4-H members and adults present will receive a special surprise. There is a special surprise attraction planned for the swimming party.

This event is one of the highlights of 4-H Club activities

their cellars without realizing that it was a fire alert. Also to add to the confusion, an ambulance, Lubbock-bound with victims from an auto crash near Lubbock, passed through town at the time and many residents thought that someone had been injured at the fire.

The City of Sudan received three-tenths of rain during the thunderstorm with no damage reported to near-by crops.

Sudan Undefeated In Pony League

Sudan now stands undefeated in the Pony baseball league with ten wins.

Monday's game with Roden Drug ended 16-5 in favor of the local nine. Roger Bellar was the winning pitcher. Bellar and Karis Reeves led at bat with a homerun apiece, followed by Brent Whiteaker. Coach Joe Bellar, in his appraisal of the team's effort, noted especially their five double plays.

OES Meets

The local Order of the Eastern Star Chapter met Monday evening in the Masonic Hall with Worthy Matron Winona Dudgeon and Worthy Patron Noble Dudgeon, presiding.

Present were Virginia Rone, Mayfair Graves, Oleta Reece, Bell Olds, Rosie Bell Coldiron, Mary Pearl Bellar, Edith Humphreys, Laura Martin, Rosie Pinkerton, Edna Bellamy, Willie Terrell, Hazel Gaston, Gwendolyn Jones, Annie Chester, Anna Lee Starr.

HIKE IN UTILITY BILLS FORECAST FOR SUDAN

Sudan residents will observe a hike in both City Water bills and telephone bills the first of the month, according to Mayor Arnold Reed.

The water bills will be in-

creased \$1.25 per month to include the spraying of mosquitos. This will be included on your bill for four months and longer if pests persist.

The city officials met recently with officials of the General Telephone Company when monthly rates for Sudan were disclosed. As of the next billing the rates will be \$9.00 for one party business phones, \$8.00 for two-party business phones; \$5.00 for one party residence phones and

\$4.75 for two-party residence phones.

Reed also announced that prices have been set for the Weed Ordinance passed recently. The cost will be \$5.00 for one lot, \$8.00 for two lots, and \$2.00 additional for each adjoining lot up to six lots. One dollar will be charged for each lot over six. This cost is based on 50 foot lots. It was also announced that an hourly wage of \$4.00 will be charged for all mowing on undeveloped property that is not sub-divided.

Another item of vital importance is the Equalization Board meeting which will be held Friday, June 28, in the City Hall. This is to determine, fix, and equalize values of any and all property in Sudan until such values are determined for the 1968 tax purpose. All persons interested or having business with the board are invited to attend.

Mayor Reed also pointed out that the re-paving of some 99 blocks of city streets is now in progress and should be completed in the near future.

LOTWS ANNUAL PROGRAM SET

The fourth annual LOTWS roundup will be held Saturday, June 22, with the registration beginning at 9:45 a. m. in the LOTWS center. Local ministers will have charge of the program until 10:50 a. m. when an intermission will be observed.

At 11:00 a. m. a color movie of organization's activities will be shown to those wishing to attend. Others will play games in the City Park until 12 noon when the meal of broiled steaks will be served in the backyard of the Joe Salem home.

Guests will include members, workers, parents and other local residents.

A RED HOT PICK-UP - Shown above is the pickup which caught fire Saturday morning as the driver and owner, Frank Rone, attempted to unload a barrel of gasoline. Rone, reported in satisfactory condition in the South Plains Hospital at Amherst, received first and second degree burns on his arms, hands and legs. The accident occurred on the Bobby Jack Markham farm. (Staff Photo)

Devotional

BY HAZEL HOUSE

Scripture: Psalm 21:13; I John 1: 5-7.

mine own strength; so will we sing and praise Thy power."

"And the blood of Jesus Christ his Son cleanse us from all sin."

There is a song about power in the blood of Jesus. But too often in our worship services today we sing lackadaisically, or seldom about the power of Jesus' blood.

Yet without the shedding of the blood of Jesus, there is no salvation for mankind!

What is the power of the blood, physical blood? It cleanses; the flow of blood through our bodies that carries away waste materials and cleanses the system -- symbolic of the cleansing power of Jesus' blood. It heals -- if one has a sore or wound the flow of the pure blood heals. It strengthens -- it saves the human body.

In the offset printing of this newspaper, we have a process that reminded me of the power of Jesus' blood to cover all our sin and save us into eternal life. This process in printing is done at the "light table" after a negative has been made. Sometimes there will be spots that mar the perfection of a negative, and with a brush we "opaque" this out in a reddish brown substance and when we turn the negative to the other side, then lo! the spots or errors have been blotted out and the negative is perfect.

One night as I worked, I saw our life as the negative sheet-- we were created perfect but,

through sin, the "negative" had become marred. Then as we accepted Jesus at His word that He was (He is) the only begotten Son of God sent to save us, to redeem us from sin -- then by our confession of Jesus--like the opaque brush -- we apply the blood of Jesus which was shed for us, and lo! the page of our life again is perfect, clean, and without blemish.

But no other substance is available to man with which to cover our sin, and make us perfect that we may encounter the presence of our Holy Father. As much as God wants us back with Him forever, no sin can come into His presence.

So the power to save you and me is in the shed blood of Jesus, applied by us.

Jesus voluntarily suffered and died so that you and I could have this abundant, eternal life. And God said there is no other way for man to live, except by taking Jesus as Lord and Savior.

Then, if Jesus did so much for you and me, will you not love Him for loving you that much, and accept Him as your free gift, your "paid up" way into God's Family? Will you please not turn away and remain lost from God, and let Jesus suffer and die for your soul's redemption in vain -- for nothing?

God help you and me to realize our eternal life is so much more important to plan for, than just the few years we dwell here in these physical bodies.

If you miss Jesus, you are lost and you have missed everything -- even the way into life.

NEW BOOK ON VIETNAM EXPLORES WAR ORIGIN

David Schoenbrun, noted reporter, broadcaster, author and member of the Faculty of International Affairs at Columbia has written a book that answers questions that have arisen out of the Vietnam conflict.

One of America's foremost correspondents and the recipient of the Alfred E. DuPont "Commentator of the Year" award, Mr. Schoenbrun has covered the affairs of Vietnam since his initial meeting with Ho Chi Minh, then our ally, in the summer of 1946, through the Battle of Dienbienphu and the Geneva Conference, and up to his recent meeting with the leaders of Vietnam in Hanoi, 1967.

The book, *Vietnam: How We Got In, How to Get Out*, published in paperback by Atheneum, is a discussion based on history and personal experience that answers the questions Americans have asked Mr. Schoenbrun often at lectures and radio-TV programs on Vietnam. In addition, the book includes the texts of the basic documents on Vietnam -- a crucial part of the story.

Clark-Setliff Vows Exchanged

Sharon Diana Clark and Bennie Fred Setliff were united in marriage during a double ring ceremony, Friday, May 31, at the Church of Christ in Seagraves. Father of the groom, minister of the church, officiated. Vows were said before the altar flanked with candelabra and pink gladiolus.

Parents of the couple are Mr. and Mrs. Mike Bishop of Sudan and Mr. and Mrs. Odell Setliff of Seagraves.

Given in marriage by her father, the bride wore a white cotton brocade street length dress with lace overlays. She carried a bouquet of white stephanotis with satin streamers.

Serving the bride as attendants were Misses Beth Moore of Dimmitt as maid of honor and Janet Setliff, sister of the groom, as bridesmaid. They were attired in street-length dresses of pink dotted swiss with puff sleeves. They carried long stem pink carnations.

James Blair of Legores was best man and groomsman was Robert Setliff, brother of the groom.

Candlelighters were Jayne Setliff, sister of the groom and Larry

Bishop, brother of the bride. A reception, held in the Gaines Room of the First National Bank of Seagraves, followed the ceremony.

The bride is a 1967 graduate of Sudan High School and attended West Texas State University at

Canyon. The groom, a 1966 graduate of Turkey High School, also attended WTSU. Although Setliff is employed at the Yakub County Hospital in Denver City, the couple will reside in Seagraves following their wedding trip to Carlsbad.

SHORT AND SWEET

The Hopi Indians are making a \$1.5 million investment to provide jobs for their children and improve their stature with the white man. The Hopi Industrial Park, in Arizona, will contain industries in which Indians will have first call on jobs. Actually, this group could get a larger dollar return from their oil and gas lease money by leaving it in a Government trust, but recognizing the value of pride in accomplishment, they have decided to invest in job-producing projects. Jobs lend visible stature to their young people.

Transistor radios are given the credit for the growing acceptance of family planning in Asia, where the idea that a realistically spaced program of child-bearing is a woman's right, had never been considered. It is reported that three-fourths of the women now accept family planning, and millions are beginning to practice it.

ATTEND CHURCH SUNDAY

There's ever walking side by side,
To be accepted or denied,
A right or wrong that fills each day,
That never fails to come our way,
A task that we're to live, to do,
Is making choice between the two
We find it's one contentious fight,
To always stand for what is right.

Great peace has those who love thy law. —(Psalms 119:165).

Most of us want peace more than everything else in the world. We yearn for peace of mind, heart and home, peace on our jobs, with our friends, in the world. To attain a just and lasting peace we must open up our minds to God's guidance and direction.

(Burial expenses for servicemen who died on active duty are borne by the military, not the VA.)

Almost every deceased veteran is eligible for an American flag for his casket, Coker said. Flags are furnished undertakers, on request, by any VA office or post office.

Following the veteran's burial, the flag may be given to the next of kin, or, if there is no next of kin, to the closest friend of the deceased veteran.

Further information may be obtained at any VA office.

VETERAN NEWS

Up to \$250 for burial expenses for eligible deceased veterans will be paid by the Veterans Administration of the claim is filed within two years after the veteran's burial or cremation, according to Jack Coker, Manager of the VA Regional Office in Waco.

Burial claims may be filed by the undertaker, if he has not been paid, or by the party who paid the undertaker, the VA spokesman explained.

Cokersaid the VA would reimburse up to \$250 in expenses for the permanent burial or cremation of any veteran who was discharged under conditions other than dishonorable, if the veteran served during wartime or after August 4, 1964.

Coker pointed out that similar burial expenses are also paid by VA for veterans of peacetime service who were receiving service-connected disability compensation at the time of their death, or who had been released from service for disabilities incurred in line of duty.

MAD... MAD... MAD

(Editor's Note: Printed below is a column which appeared in The Hesperian, May 30, 1968, written by Bill Salter, a former employee of this newspaper. Bill asked us to reprint this hoping others will speak-out against the ruling on presentation of athletic awards.)

I AM mad! I don't mean just a little hacked off... I mean really MAD!

Two weeks ago, superintendents of Texas decided some Interscholastic League rules, making one change which I con-

sider the next thing to treason. According to my information, beginning next year, athletes will be allowed only one award jacket in four years... this means, if a student plays football, basketball and runs track, the first time he letters in any one sport, he'll get his jacket and that's all she wrote as far as his high school years are concerned.

The vote on the ruling was 511 superintendents for and 398 against... and, I'm proud to say that our own Floydada School Superintendent, A. E. Baker, was among those against the stupid ruling.

To further clarify the ruling, it even goes farther than athletics, amounting to the fact that any time a student qualifies for an honor which normally is recognized with a jacket, sweater, blanket, etc., he or she is through.

The student will be allowed to receive only one \$20 award... from then on, only a token award (such as a letter or medal) not to exceed \$3 in value may be given.

To my way of thinking, the "football jacket" tradition is one thing which should stay the same as it has been for years... it's the only reason some of the less talented students participate in sports at all.

And, after going through two weeks of pre-season workouts, plus ten weeks of intensive training and games, I happen to believe a student deserves and should be awarded a jacket, providing he has worked hard enough to letter. This holds true with running track, boys and

girls basketball, and anything else where hard work and dedication are required.

As far as I can see, expense is the only reason for the 511 superintendents to favor the ruling... I say, if they feel this way, let them do it in their own individual school district and not in ours! Heaven help those who voted for it, once their respective school patrons hear about it!

And, I don't think the action of 511 idiots who want to break one of the finest traditions and memories of high school days should be allowed to stay on the rule books.

But, to take it off, there's going to have to be a lot of screaming and hollering done... and, some people are going to have to get mad, really mad!

In fact, mad enough to let their feelings be known by letters to the editor and letters to the state Interscholastic League Director.

If you're mad enough to write him, his address is: Dr. Rhea Williams University Interscholastic League c/o University of Texas Austin, Texas

If you're mad enough to write a letter to the editor, I'll publish it, then I'll clip it and mail it on to him myself.

I hope some of you feel the same way about the matter as I do... I take it as a personal insult to the fine young athletes of our school, our county, our area and our state... and, I want to see something done about it!

CARD OF THANKS

We want to express our deep appreciation and thanks to our many friends for every expression of kindness, especially for the prayers, for cards, food, visits, and for all the sympathy and concern shown us in the loss of our loved one.

The Gene West Family

NOTE OF THANKS

We would like to express our "thanks" to the members of the Sudan Volunteer Fire Department for the fast and efficient service shown us recently when the pick-up belonging to Frank Rone caught fire near our residence. It is a reassurance to know how fast you can get service out of town when needed. Again, our sincere thanks.

Variations On A Sauce

A recipe for a good, medium white sauce is handy whether dressing up fish, vegetables or croquettes.

Medium White Sauce
2 tablespoons margarine
1 tablespoon corn starch
1/2 teaspoon salt
1/4 teaspoon pepper
1 cup milk

Melt margarine in saucepan. Blend in corn starch, salt and pepper. Remove from heat. Gradually add milk, mixing until smooth. Cook over medium heat, stirring constantly, until mixture thickens, comes to boil and boils 1 minute. Vary and use as suggested below. Makes about 1 cup.

For Fish: Mix in 2 tablespoons toasted chopped blanched almonds or 1/4 cup finely shredded cheese.

For Asparagus, Broccoli or Spinach: Mix in 2 chopped hard cooked eggs.

For Croquettes, Fish Cakes or Boiled Potatoes: Mix in 1 tablespoon chopped parsley.
