Rotary Governor To Visit Local Club Wednesday

Rotarians will welcome the Governor of Rotary District 573, Dr. Jack Rodgers of Odessa at their Wednesday, August 14 noon meeting.

He will address the Rotary Club of Sudan, one of the forty-seven in his District, and will confer with H. H. Potter, President of the local Rotary Club, and with other club officials to obtain information on the group's plan for its service activities, for em-

FORD HAS PLAN TO REDUCE CRIME

Frank Ford, Republican candidate for State Representative, has outlined a three point program for reducing the rising crime rate in Texas.

"Salaries for our Department of Public Safety and local law enforcement personnel must be such as to keep and attract highcaliber, dedicated men," said Ford, "And these men must be provided with the best in training,"

"Volunteer work with youth must be stressed to help our young people develop into good citizens, and support for law enforcement evidenced in home and school."

"Finally, we must elect a President of the United States who is pledged to appoint an Attorney General and Supreme Court Justices who will show concern for the rights of law abiding

"There are hundreds of murders and other serious crimes committed each year by compulsive criminals who were freed by come technicality due to Supreme Court decisions, and it is time to reverse this trend."

Ford is a candidate in the 72nd Legislative District. phasison the theme of the Rotary International of "Participation," and the District theme of "More Rotary Information."

Dr. Rodgers is one of 288 Rotary Governors in all parts of the world who are serving as representatives of Rotary International in districts composed of member clubs. Each district leader is responsible for supervising the clubs in his area. Rotary, an international men's service organization, has more than 630,000 members in some 13,000 clubs in 42 countries.

A member and past President of the Rotary Club of Odessa, Dr. Rodgers is President of Odessa College. He was elected to his present Rotary office at the Rotary Convention in Mexico City in May, 1968 and will serve until June 30, 1969.

Though a seasoned Rotarian before his election to the office of District Governor, Dr. Rodgers attended an eight-day International Assembly last May at Lake Placid, N. Y. at which all Rotary Governors for 1968-69 attended in-depth seminars to plan for their jobs. One of his biggest jobs will be to hold a District Conference of all Rotary Clubs in this District. The Conference will be held in Midland on April 17-19, 1969. The District Assembly, a training school for incoming club officers for 1969-70, will be held in Levelland on the Campus of South Plains College on June 16, 1969.

Scripture: St. Luke 20:19-26; 12:40; Isaiah 55:10-11.

" -- Render therefore unto Caesar the things which be Caesar's, and unto God the things which be God's, "

This is not an easy subject for me to write or talk about, but God wants all His message told to us, not just in part, and this is His word.

It seems that we learn even our adult lessons by the method of repetition, and Jesus knew this for He tells His messengers and followers continually to "Go and Tell" His words.

Jesus' authority was being questioned by the chief priests and the scribes, as they sought to trick

Him into doing or saying something that they might use to have Him arrested. But Jesus knew their thoughts and gave an answer which amazed them.

That answer is still truth today, yet many Christians seem to go right by this Scripture without hearing what Jesus' is saying to us.

Caesar was the ruler, the law, and Jesus said give Caesar what was due him. Some of our laws may not be what we think are the best laws, but, Christians, as much as we possibly can do, we should do in order to keep the laws of our land.

And, like Jesus, avoid being tricked into a poor witness for Christ by our failure to keep the first part of Jesus' admonition. In other words, we should render unto God the things which are God's, but we should also render unto Caesar the things which are Caesar's. It has been said that Christians fall far short in remembering these words of our Lord in

"practice" daily. As the rulers watched Jesus, and sent our spies, even so the world watches the followers of Jesus today. Can the world see Jesus in you?

God's word, repeated by us, is the "seed given to the sower" and as we sow these thoughts, our prayer is that even one person may be brought anew to search for the truths recorded in God's

TEXAS COTTON PRODUCTION DOW

Texas cotton production was down 16.1 per cent during the 1967-68 season, the Cotton Economic Research office at The University of Texas reports. Tabulations as of Jan 16, 1968, showed 2,638,896 running bales ginned. At the same time in 1967 there were 3, 149, 925.

The estimated value of lint cotton and cottonseed produced in Texas was down more than \$37 million from that of the previous season, the "Summary Report" said.

"The decrease in the value of production affects the entire economy of the state, " the report explains, but hardest hit were segments of the industry other than the grower, primarily the gins, oil mills, compresses and

And the cause of the decrease -that unpredictable Texas weather coupled with an increase in diverted acreage.

Motor travel is said to be the major source of the litter that mars the scenic beauty of America. Some 64 percent of the litter-prevention experts recently surveyed by Keep America Beautiful Inc., report that even trash-abandoning picknickers do not leave as much litter behind them as do motorists speeding along the highway.

It is your Father's good pleasure to give you the kingdom .- (Luke 12:32).

Whenever we are tempted to see the negative side of a problem, pause a moment, and turn our minds toward prayer. For in the words of the Master, Whatever you ask in prayer, believe that you receive it and you will." Then lift up your hearts in thanksgiving. Be happy, be thankful for in truth your prayer is answered.

Girl Scouts Attend Art Conference

Answer to Puzzle

Senior Girl Scouts (15, 16 and 17 years old), selected from every state in the union. are attending the national Girl Scout World of Arts Conference in Pleasantville, New York.

The girls participate in four workshops: music, drama, visual arts and folk arts. Events include performances by the Metropolitan Opera Studio. the American Ballet Theater, the English Chamber Orchestra and Jacqueline duPre, the Larry Berthelson Puppets and the National Theater of the Deaf. Special guests have included Marian Anderson and Geraldine Fitzgerald.

Even though the individual Scout may or may not become a leading art performer in the future, each girl works on creative projects that she can use

Mrs. Holton R. Price, Jr., National President of Girl-Scouts, in commenting on the present conference, July 15-August 21, said that the 640 girls will benefit by "this productive teenage project which deliberately seeks to prove the equalizing strength of the arts. We are hopeful that the World of Arts Conference can serve to broaden many frontiers for young people today."

Heading back to campus? Here are a few fashion tips gleaned from Mademoiselle Magazine and some Slender tips from Carnation to keep you in shape for the year

It's the year of the multi-look and the multi-length with jackets rising as hems drop. Whether you wear a mini or a mid), assemblage is the key and separates add up. You'll he all set for class in tuck-in tops with diradl skirts, like the shirt-cuffed sweater shown here with the plaid d rndl and wide, wide belt. Belts are everywhere and they range from chains over scarves to wide crushable leathers to cords tied at the waist. The turtle is tops-plain, in a salt and pepper Donegal tweed or patterned like the mitered stripes shown above with the belted knit pants, Vests are very in; especially those made of leather.

With all the belted, sleek, slim looks, many coeds will decide it's the year of the diet thing. College living can put on pounds in a hurry. The solution's simple though, Keep packets of Slender, Carnation's handy diet food, in your room and in your briefcase. All you do is add s ounces of whole milk for a satisfying 225-calorie meal with a delieious fresh milk flavor. Nutritious, too. It's a great way to start the day before hurrying off to class and just the thing for a quick between classes lunch to keep you in shape for those groovey fall fashions.
