## WOODWORK Local Couple Honored On Anniversary

BY DALTON

TALK ABOUT a guy who can't do anything right; listen to this: In Port Huron, Mich., police said a man who fired five shots at his own head is expected to recover. None of the bullets penetrated the bone, they reported. This tells me he was mighty hard-headed or using a very weak gun.

When I first glanced at the story, I thought he had just fired at himself five times and missed.

TAXES is a terrible subject to keep bringing up, but then, they just keep going up. I predict that within another decade or so, more than half a worker's paycheck will be deducted for taxes, primarily social security.

Cheerful note in the midst of all this: Despite zooming taxes and inflation, most people still are better off materially than they ever have been, or than their parents ever were.

IN NEW YORK last week, three boys beat a science teacher and set his jacket afire, in a Brooklyn high school. The teacher, age 30, was kicked and punched. He is white, the assailants were identified as Negroes.

Considering current trends, the teacher probably will be docked for whatever time he misses in class, and parents of the hood-

lum will have their welfare checks increased, so they'll be better equipped to cope with their youngsters.

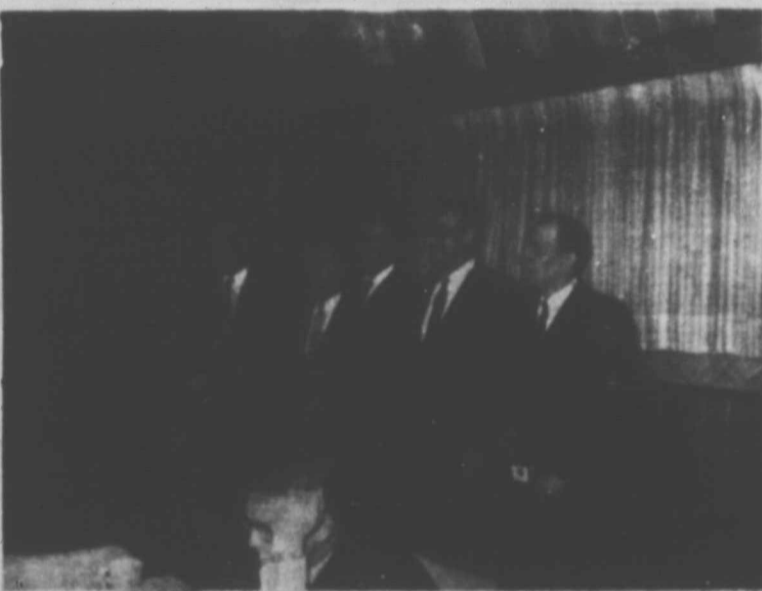

WANT to go over your cropland in just a couple or three turns? Of course, you may have a problem finding something heavy enough to pull it (how about a grounded B-36?), but an area newspaper the other day received a classified ad offering for sale a "75-foot one-way."

This sounded like picture material to me, but upon checking further, it was found to be a 15-foot one-way.

Mr. & Mrs. G. P. Hill will be celebrating their 50th wedding anniversary on Sunday, February 2, 1969 at Lariat. The couple were united in marriage in 1919 in Vernon, Texas. They have five sons: G. P. Hill, Jr. of the home, Cleo of Fort Worth; Connie of Sudan; Delmer of Filmore California; Leon (Podd) of Jacksonville, Florida.

Mr. & Mrs. Hill have resided in Sudan for forty-three years, farming west of Sudan.

All friends are invited to attend the anniversary celebration at 2:00 p. m. Sunday at their home in Lariat.

SAFETY AWARD--Shown above are employees of Southwestern Public Service Company as they received Presidential citations for safety leadership at the Awards Dinner in Littlefield Tuesday evening. They are, left to right, J. C. Jones, J. L. Lambert of Muleshoe, Harold May, L. R. Robertson and E. O. Woolever, both of Littlefield. Seated at a table is Larry Milner, area industrial development manager for the company. Another from Sudan receiving award, D. W. Williamson, was not available for photograph.

## PUBLIC SERVICE EMPLOYEES WIN SAFETY AWARDS

The employees of Southwestern Public Service Company's Plant X have captured the electric company's production department safety contest for 1968 and were guests of honor, along with their wives, at a dinner Tuesday evening at the Crescent Park Restaurant in Littlefield.

The victory in last year's safety contest is the third time that Plant X employees have won the honor, and the accomplishment retires the present traveling trophy given for the award.

George W. Dupree, vice-president for operations of the company, presented the trophy to R. E. "Bob" Drake, plant manager.

There were no injuries of any kind at the plant during 1968, and the crew has gone without a lost-time injury since October of 1960, accumulating 967,150 man-hours without a loss of time

during that period. Presidential citations for safety leadership were also presented at the dinner.

Receiving these awards were Supervisors Harry Heckard of Littlefield, 21 accident-free years; D. W. Williamson of Sudan who has gone 23 years without an injury; J. L. Lambert of Muleshoe 17 safe years; Cleon Johnson of Amherst who has a 20 year safety record; and Harold May of Sudan who has completed 15 years without an injury.

Other presidential citations went to J. C. Jones of Sudan, production technician, 21 safe years; Maintenance Foremen E. O. Woolever and L. R. Robertson, both of Littlefield, who have 28 and 11 year safe working records, respectively; and Electrician Foreman Ed Mercer of Littlefield, 17 safe years.

The program for the evening

was presented by Larry Milner, industrial development manager for Southwestern Public Service Company. Milner gave a brief talk on finding new industries and then presented the company's new area development motion picture "Money Grows Here?"

Other special guests at the dinner were Roy Thomas, superintendent of production, Roy Holmes, safety and claims manager, C. A. Morrow, plant safety and training supervisor, all of Amarillo, and Littlefield District manager Warren Dayton and Mrs. Dayton.

## Basketball

Sudan boys took Springlake 66-63 in the basketball game here Tuesday night. This gives Sudan a 4-1 record. Billy Ford led the winners with 22 points.

The Springlake girls team evened up the battle by winning over Sudan, 76-54. Vicky Gregory made 34 points for the winners, while Sharon Wilson had 28 for Sudan.

The Sudan boys B-team won their game, 37-33, while the girls B-team lost to Springlake by only one point, 35-34.

In the Friday night game, Sudan knocked Vega from the district's unbeaten ranks by winning 60-54. Jerry Bellar scored 18 points for the Hornets.

Vega won 44-40 over the Sudan girls in an overtime decision Friday. Kathy Fisher had 21 points for the Hornettes.

The Sudan boys B-team won 13-30 over Vega in their game.

## NEWS FROM THE STATE CAPITAL

By VERN SANFORD

Governor Smith endorsed the 1968 State Democratic platform (which had his approval), but he added: "I have read the Texas Republican Platform. I think you will find the two quite similar."

Smith's message to the Legislature left unanswered the question of spending and taxing. He called for economy, but conceded that new taxes may be needed.

His legislative program was very extensive. Rural legislators who have been getting objections to the proposals for school consolidation made by Gov. John Connally's Committee on Public School Education were glad to hear Smith call that plan impossible to pass. He did agree with the Committee that there should be some school consolidations, but he felt they should be voluntary.

Mrs. Edward Gaston was confined to the Methodist Hospital last weekend.

MISS MACLOVIA VINCES

## Student From Peru Visits Jerry Rays

Miss Maclovia Vincés, 22, a student from the University of Trujillo, Peru, is spending some three weeks at the home of Mr. and Mrs. Jerry Ray of Sudan.

Miss Vincés, with 17 other students from Peru, is here to participate in a cultural exchange between the two countries. They are sponsored by International Farm Youth Exchange. It was through the efforts of Lamb County Agent Buddy Logsdon, working with Associate State 4-H Club Leader Edward F. Shultz, that Miss Vincés was sent to the Ray family.

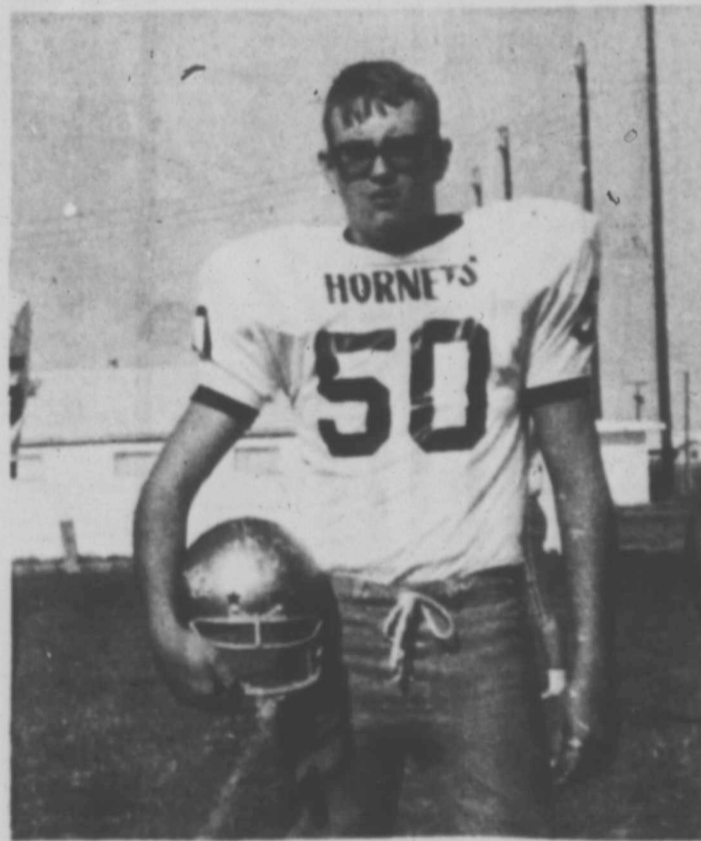

Leaving Peru on Jan. 14, Miss Vincés and her best friend, Lita, arrived by plane in Texas, Jan.

16. Maclovia speaks very little English, and made evident her regret she had not learned the language so she might better express her pleasure at being here.

Trujillo, according to Miss Vincés, is a city of some 75,000 persons, who have all modern conveniences, even color TV. Her father is an administrator in the Peruvian Customs Office at Aduana. She has three sisters and a brother.

Maclovia is a junior at Trujillo University, studying homemaking. She plans to teach after graduation.

She likes music, is studying guitar, and is a member of a

TIM NIX

STEVE MARTIN

## Nix, Martin Make Academic Team

Two members of the 1968-69 Sudan Hornet football team have received additional honors this past week.

Center Tim Nix and quarterback Steve Martin were nominated to the All West Texas Academic Class A Football Team by the West Texas Chamber of Commerce.

Martin and Nix were the only

choral group at the university. Miss Vincés has spoken to Spanish classes in the high school here and at Muleshoe. She also taught the Spanish class in the Littlefield High School Tuesday.

A tour of Texas Tech in Lubbock is planned for her this weekend. She will be leaving Feb. 8 to go to the home of Mr. and Mrs. James Riney of Slaton before returning to her home in Trujillo.

the only boys named to any of the five classification teams from Lamb County, and also from District 3-A.

Martin's grade average is 94.3 and Nix has a 92.2. Both were named to the offensive unit.

Nominations were made from the more than 400 high schools

in the 132-county area served by the W. T. C. C. and selection was made by a special committee named by President Beverly King of Graham.

Defensive and offensive teams were named in all classifications from AAAA to Class B. To qual-

## ROTARY NEWS

Rotary president H. H. Potter presided at the Rotary Club meeting Wednesday. He presented the program, assisted by Rev. Robert Brown, which was a film that emphasized what small communities in Northwest Texas and Eastern New Mexico could do to survive by securing small businesses for our area. The film was a Southwestern Public Service Company film.

School Superintendent W. E.

Hancock announced the public meeting on the report on school consolidation made by the Governor's Committee on Education, which will be at 7:30 p. m. in the high school cafeteria tonight (Thursday). He urged all to be at this meeting, which is open to everyone.

Rotary seniors for the month are Mike Hanna and Wayne Gilreath. Those present included 24 members and three visitors.

ify for nomination to these teams the students had to be classified as seniors, maintain much better than average grades and he must have been selected to represent his school on an all-district team.

President King stated, "We feel that exceptional academic achievement in addition to athletic ability should be recognized and encouraged in West Texas High Schools. Too often there is too much honor bestowed for athletic achievement without regard to scholastic attainment."

Because of Texas Interscholastic rules there will be no prizes awarded to these honorees. A letter of selection has been mailed to each student selected on the teams and a copy of the letter sent to his coach.

## Howdy Neighbor

By BOYD PIERCE  
Of Burleson

The best and most effective way to stop a CHARGING elephant is to take away its credit card.

The best thing to take when you're run down is the license number of the car that hit you.

Marriage is a transaction whereby the grocer takes a customer away from the florist.

Worst thing about growing old is having to listen to a lot of advice from one's children.

Once upon a time, people saved their money, thinking it would be worth more later.

The reason God made women after He made men was because He didn't want any advice.

Modern women need only two friends. One to talk to and the other to talk about.

The best way to tell a woman's age is in a whisper.

Year's ago, when a man finished a day's work he needed rest. Now he needs exercise.

I think I'm catching the Hong Kong flu because I've been sneezing and have a craving for rice.

The MOUTH is the grocer's

### Rain Flowers

The spring weather won't always be chilly but you will be in this light-weight, flexible raincoat made of shimmering acetate with a clear vinyl covering. In a choice of brown, green and black tones from Almar Rainwear, this new coat is 100% water-tight and features the high-fashion Nehru collar. At \$10 in sizes 6 to 16.

### Sports Tips

#### SKATING

To attain quick speed from a slow-moving or stop position, first, bend forward from the waist, then dig hard with short driving strides. Turn the right foot obliquely to the right; bend the right knee; now push hard—"dig ice." Do the same with the left foot: turn the foot outward, bend the knee, push! Lean well into the direction in which you're heading. And another tip: there is an after shave skin conditioner by Old Spice that's great for windburn.

friend, the center's pride, the fool's trap and the dentist's delight.

Isn't it peculiar that some like it cold, some like it hot, some simply freeze, while others smother and then by some whim of fate, they MARRY each other.

The boss was telling the prospective employee while filling out his job application, "We will pay you seventy five dollars a week now and one hundred dollars a week in three months."

Applicant replied, "Thanks, I'll be back in three months."

### LADIES BIBLE CLASS MEETING HELD

The Ladies Bible Class of the Church of Christ met Tuesday at 9:30 a. m. with Minister Willard Cox leading the study from the Book of Acts.

Others present were Mary Wilkinson, Annie Withrow, Ruth Ham, Maurine Barnett, Mrs. T. Fife, Mrs. W. E. DeLoach, Wanda Swart, Stella Holloman, Betty Withrow, Myrtle Jones, Floella Baccus, Mabel Wiseman, Hazel May, Yvonne Cox, Kay Wiseman, and May Fisher.

## Teachers To Hear Expert

Public school teachers from 20 South Plains Counties, including all teachers in Sudan, have been invited to hear a world-renowned expert in the field of instructional media and technology at Coronado High School in Lubbock Friday and Saturday, Jan. 31 and Feb. 1.

Dr. Wesley C. Meierhenry, professor at the University of Nebraska since 1943, will present a program at 7:30 p.m. Friday, Jan. 31, on "Learning Problems in Media-Elementary" and at 10 a.m. Saturday, Feb. 1, on "Learning Problems in Media-Secondary." Both sessions will be held in the Coronado High School Auditorium, 3331 Vicksburg St. (East of the intersection of the Brownfield Highway and 34th Street).

All teachers, principals, superintendents, supervisory personnel and special educators are invited to attend. The event is sponsored by the Region XVII Education Service Center.

Dr. Meierhenry's presentation will include the use of an overhead projector,

16mm film projector, slide projector, and tape recorder. He will demonstrate and explain how and under what conditions the use of media is most effective in the classroom.

During the course of his presentation, Dr. Meierhenry will stress the use of educational media in motivating (1) potential dropouts, (2) the culturally and economically deprived, (3) special education pupils, (4) students of ethnic groups, and (5) the development of usable skills.

Gerald Rogers, director of media and technology at the Education Service Center, emphasized the importance of these two sessions. "Dr. Meierhenry probably is the most sought-after consultant in the nation in the media field," he pointed out.

The Jan. 31-Feb. 1 dates were the only openings he has had on his calendar for the past six months and all the year ahead," Rogers said.

Dr. Meierhenry has authored several books on the use of media in the classroom and has traveled abroad, representing both the U.S. and the United Nations at educational conferences in Europe.

## Study Club Has Program

The 1935 Study Club meeting was held Monday evening in the home of Mrs. S. D. Hay. The program was "Canada, Britain's Eldest Daughter" and the motto was "Justice is strictly due between neighbor nations as between neighbor citizens."

Roll call was answered by Mrs. Bill Olds on education and Mrs. S. D. Hay read several poems from the book of poetry "Red Heels" by Lexie Dean Robertson.

Mrs. Wesley Hargesheimer presented the program on Canada, and also showed pictures along with the program. Mrs. Hargesheimer presided over the business meeting. The minutes were read and approved and committee reports were given. Plans for the Valentine Tea and Book Review to be on Feb. 10 were discussed; and the club voted to give a donation to the March of Dimes.

The meeting adjourned with the collect repeated by Mesdames Hargesheimer, Olds, W. V. Terry, Weaver Barnett, Harold May,

F. W. Watts, R. D. Gatewood, C. E. Nichols, J. S. Smith and the hostess Mrs. Hay. Refreshments were served to the group.

## 4-H News

The second year 4-H cooking group met in the home of Helen and Barbara Black for their first meeting. The other meetings were planned for Thursday of each week, except for the sixth meeting. Some of the goals for each individual were to start a recipe file, prepare a dish of food from each of the four food groups, give method demonstrations, gain a knowledge of what food does for your body and keep an accurate record. Also the girls plan to enter the Favorite Food Show and prepare and serve the refreshments for the regular monthly meeting in February.

The Favorite Food Show will be held at the Littlefield Community Center on March 1.

Those girls participating in the group are: Janice Cannon, Phyllis Ray, and Elaine King.

## Guild News

The Wesleyan Service Guild met Tuesday evening with Mrs. Guy Walden as hostess. Guests were the Women's Society of Christian Service members. Mrs. S. D. Hay gave the invocation.

Mrs. Robert Brown introduced the speaker, Rev. Robert Brown, who reviewed the book "My Heart is in the Heather" by Seon Manley.

W. S. C. S. members present were Mesdames Ralph May, W. V. Terry, J. S. Smith, Radney Nichols, Noel Lumpkin, F. W. Watts, Wix Gaston and Tray Gaston. Guild members present were Mesdames Bill Olds, S. D. Hay, W. C. Masten, Robert Brown, J. H. Wallace, H. H. Potter, M. H. Tollett, Bill Curry, R. D. Nix and the hostess, Mrs. Walden.

After the Guild benediction, refreshments of cake and coffee were served to those present.

The next scheduled Guild meeting on Feb. 3 will not be held.

# What price Electricity... and progress? When you stop and think about it, it's a real bargain!

### A MESSAGE FROM ROY TOLK, PRESIDENT SOUTHWESTERN PUBLIC SERVICE COMPANY

I'm sure the figures on the right will surprise you as much as they did me. Being in the electric industry, I knew that the manufacturers, as well as the people in our Company were doing a magnificent job in holding down costs in spite of the run-away inflation we've all been experiencing... but no one had previously published the appliance cost comparisons.

In our own Company, by careful handling and attention to costs, coupled with advances in technology and prudent investment in plant and equipment, we have not only stayed ahead of your electricity needs but have been able to reduce the average cost per kilowatt hour of the electricity used in your home.

In 1948 the average cost of your electricity was 3.89 CENTS per kilowatt hour and today it has dropped to 2.74 CENTS, a reduction of 29.56 PERCENT. Certainly most of us have larger bills today because we use electricity for so many labor saving chores as well as comfort and

convenience. But, without the dedicated efforts of our employees in holding our costs down, your dollar cost would be way, way up. In fact, the current CONSUMER PRICE INDEX, the measure of how much we all spend as a group on the things we buy, indicated that we're paying 1/2 again as much for most things today as we were paying in 1948. Yet, the average kilowatt hour cost of electricity that you buy from us for your family's use is down 29.56%.

This coming year to keep you fully supplied with electric power and to keep electric service as efficient and economical as possible, we shall invest nearly 16 million dollars in required new equipment.

You may rest assured that your electric service will continue to be modern, dependable and brought to you at the lowest possible price. Reddy Kilowatt, and his fellow workers will see to it.

Despite inflation, the electric industry has kept costs low...

#### How about these price differences over the past 20 years?

##### ■ A DISPOSER

was \$119.50 in '48, now it's \$78.50 and there have been over 100 external and internal improvements made.

##### ■ A DISHWASHER

costing \$339.95 in '48 is \$299.95 now and it offers more cycles, better styling, more setting space.

##### ■ AN AIR CONDITIONER

at \$425 in '48 averages \$175 today and it looks better, works better, and is cheaper to operate.

##### ■ ELECTRIC DRYERS

at \$299 in '48 now range from \$249 to \$299 with electronic dampness controls, many cycles, end-of-cycle signals, permanent press controls — and some models for as little as \$100.

##### ■ A REFRIGERATOR-FREEZER

in '48 at a cost of \$31 per cubic foot is now \$22 per cubic foot and you get no-frost, thinwall insulation, ice-makers, decorator fronts and colors.

##### ■ AN ELECTRIC RANGE

which was \$343 in '48 is \$350 today. And that's with all the modern sophisticated controls and self-cleaning thrown in for good measure.

### SCHOOL CHILDREN TO BE COUNTED

The local school has been in the process of taking the school census of the Sudan Independent School District during the month of January. All indications are that the scholastic count will remain about the same as last year. Supt. Hancock announced this week that the law requires that all children between the ages of 6 and 18 on the 1st day of September, 1969, be enumerated on the school census. Much of the state money comes from Austin on the per capita basis, and it is important that each child in the district be enumerated.

It is easy to get those pupils now enrolled in school on the census. It is easy to omit scholastics if they are not in school attendance. The Superintendent announced that they are particularly interested in getting all children enumerated which will be six years of age by September 1, 1969 and who have never been in school before. In fact, it is important to remember that all students between the ages of 6 and 18 on September 1, 1969, be enumerated whether they are married or single, in school or out of school.

Please contact the Superintendent's office if your child has not been enumerated.

### ESA News

ESA members and families were entertained with a dinner Thursday evening in the home of Mr. and Mrs. Billy Baker. Assisting were Mr. and Mrs. Mack Brown. Tables were decorated with spring flowers, and games were played following the meal.

Those present were Messrs. and Mesdames Emery Blume, Donnie

### 4-H News

Lamb County 4-H placed high at the Ft. Worth Stock Show. The 4-H'ers exhibited thirteen steers in the jr. division which was one of the largest in the show's history.

Those placing high were: Marietta Carter, Littlefield - 1st place Summer Yearling Angus; Tracy Bowling, Sudan - 5th place Jr. Angus and 18th place Sr. Angus; Danny Carter, Amherst - 6th place middleweight Sr. Angus; Cheryl Carter, Littlefield - 7th place middleweight Sr. Angus; Gail Lichte, Littlefield - 11th place Jr. Hereford; Stephanie Carter, Amherst - 33rd place Jr. Angus; Gary Lichte, Littlefield - 24th place Jr. Hereford and Kenan Lichte, Littlefield - 32nd place Jr. Hereford.

The 4-H'ers exhibited their steers Saturday, January 25. The premium steers will be sold Friday, January 31.

### MARCH OF DIMES DRIVE COMPLETED

Mrs. Donnie Cowart, March of Dimes chairman, announced the completion of the drive and expressed her appreciation to those who helped and to all those who contributed.

ESA members worked in the drive, setting up booths in the local Post Office building.

Gloria Williams, who is working on her junior degree in FHA, also helped by passing out the March of Dimes literature at the basketball game here Tuesday night.

Cowart, Robert DeLoach, Edward Fisher, Noel Lumpkin, Bob Markham, O. D. Martin, and Darwin Reid.

Mr. and Mrs. Wayne Hicks and family of Crane spent the weekend with Mr. and Mrs. Jimmy Carpenter.

### SUDAN SCHOOL ANNUAL SUBSCRIPTIONS ON SALE

The staff of the 1969 Hornet is presently taking subscriptions for this year's annual. The price of the Hornet yearbook is \$5.00 and anyone interested in ordering one can do so by contacting Mrs. Elsie Wilson at 227-4841 or Monte Rogers at 227-6121. To be certain of getting your annual, the staff urges you to place your order within the next two weeks. The approximate date of arrival this year is September 1.

### BAPTIST NEWS

News from the First Baptist Church includes: Sunday, Jan. 26 was Baptist's Men's Day. The men of the church taught Sunday School classes, were in charge of the morning services and also formed the choir.

Deacons have elected new officers, naming Nolan Parrish as chairman and Billy Chester as vice-chairman.

A personal Evangelism Institute is to be held in Earth, Feb. 10-12, at the First Baptist Church. Time will be 7 until 9 p. m.

### Personals

# WSCS News

The Women's Society of Christian Service met Monday Jan. 26th in the church parlor to begin the study of the book of John entitled, "Coming to Life" with Mrs. Ves Terry presiding.

The meeting opened with a prayer by Mrs. J. S. Smith. Mrs. Jay House read the first six verses of the first chapter of John, for the scripture lesson. As leader for the study course, Mrs. House gave a brief survey of the study and made the assignment for the next session which will be Monday, Feb. 10, at 2 p. m. in the First United Methodist Church Parlor. She also introduced the speaker.

Rev. Robert Brown brought the introduction to the study. Mrs. Ves Terry led the closing prayer. Present were Mesdames Jay House, Ves Terry, W. H. Lyle, A. Pinkerton, E. C. Minyard, Wayne Rogers, Radney Nichols, Joe Rone, B. W. Newman, Ray May, Webb Watts, Coleman Terrell, J. S. Smith, Frances Blair, O. W. Ormand, C. M. Furneaux, T. B. Adair, F. M. Smith and one guest Rev. Robert Brown.

Best of thoughts most always start  
From the region of the heart,  
That's the place where we acquire  
Thoughts that prove our heart's desire.  
Evil thoughts won't stay around  
Where the best of thoughts are found,  
So when searching for the best,  
Take a look within your breast.
