FORTY-SIXTH YEAR NUMBER 21

WOODWORK BY DALTON

I WOULD LIKE to direct your attention to the following symbol, popularly (or unpopularly, in some quarters) known as the "Peace symbol":

This symbol has become identified in the minds of many with those who criticize the Vietnam War, the government, the establishment, the school board, the church choir, the college curriculum, and just about everything else. I never really paid too much attention to it myself, but some folks really get worked up over its possible meaning.

Anti-war demonstrators use it frequently, so this is enough to make it suspect, but I'd hardly go so far as some who claim to see meanings in it such as:

1. The anti-Christ symbol, showing the cross upside down and even broken.

2. A symbol started by some gink named Bertrand Russell and which depicts the semaphore signals for the letters N and D, and therefore means "nuclear disarmament".

Maybe this is correct, but it could just as well stand for Nellie Dingblatt, Bertrand's girl friend, or maybe it started at New Deal, over by Lubbock.

Actually, after doing considerable research (13 minutes) I have arrived at some possible meanings of the symbol which to me seem just as valid as these others.

For example, this symbol may first have been observed by a German officer looking through a telescope toward an American encampment in World War I, when he saw a pup tent with battalion flag tushy:

Or it may have been scribbled on the wall by a man peering through a knothole in his fence at his neighbor's yard, where a small tree had been planted, but was so weak it had to be propped up by two planks (refer back to original drawing).

But I really believe the theory which fits best is this one: It's actually a drawing of a chocolate pie, observed from the top, and cut in proportions to suit a man and his wife and their two teen-agers.

You parents know who gets the small slices.

Mayor Arnold Reed, Bob Drake, Marvin Tollett, Nick Nichols, and Hubert Dykes were among those in Lubbock Thursday to hear Governor Preston Smith's address at the 17th in a series of 21 meetings concerning "Texas Communities Tomorrow", a program to aid development of

School Board Meet Held

The regular meeting of the Sudan School Board of Trustees was held Monday night, July 13.

During the business session, the board approved the calendar for the 1970-71 school year, according to Superintendent of Schools, Kemeth Noles.

Four teacher resignations were accepted, one of which was the recently hired high school principal, Leo Fields. The other three resignations accepted were those of Tommy Laceywell, basketball Coach and Science; Dianne Axtell, English and Speech; Gary Chisam, Math.

A discussion was held concerning applications for teachers of Junior High Science, High School Math, Chemistry, and coaches.

The cost of this year's Driver's Education program to the local district was reported as \$215.92. This program has been completed, with 34 students graduating, subject to getting their driver's license when they become 16 years of age.

The Sudan 4-H Club entertained the Senior Citizens Friday, July 10.

The program was on the different projects which each 4-H member has done. Members participating and giving their projects were: Tracy Bowling - Dog care; Terry Swarts - Farming; Bernedeatte May - How to groom pigs; Brian May - Feeding pigs; Gary Ham - Landscaping; Rene Jordan - Cooking; Susan Cardwell - Sewing; Connie Ham-Lamb; Jim Fields - Steers and Horses; Helen Black - Gardening; Barbara Black - Food Preservation; Debbie Fields - Judging Horses and Jr. Leadership.

Refreshments of punch and cookies were served to the group.

The annual Lamb County 4-H Dress Revue was held Tuesday, July 14 in the Littlefield Community Center with 20 girls participating. Sudan had the largest attendance with 8 members competing.

The theme for the revue was "Sew a Fine Seam", with County District agent, Mrs. Lady Clair Phillips serving as mistress of ceremony.

The girls were judged on the construction of the garment and clothing record. Judges were Robin Taylor, Lamb County agent; Gail O'Neal, assistant agent; and Lyna Pitts, former Lamb County 4-H member who won the State Dress Revue in 1968.

Winning blue ribbons were Connie and Cathy Ham, Susan Cardwell and Debbie Fields. Receiving red ribbons were Bernedeatte and Mary May, Sabrina Vincent and Helen Black.

LAMB COUNTY ACCIDENT REPORT

The Texas Highway Patrol investigated seven accidents on rural highways in Lamb County during the month of June, according to Sergeant Thurman Keffer, Highway Patrol supervisor of this area.

These crashes resulted in three persons injured, and an estimated property damage of \$4,650.00.

The rural accident summary for this county during the first six months of 1970 shows a total of 50 accidents resulting in two persons killed, 23 persons injured and an estimated property damage of \$39,515.00.

During the first six months of 1970 in Texas, there were 1,462 traffic deaths which was twelve more as compared to the 1,470 traffic deaths for the same period of 1969. However, if past trends continue, the last six months of 1969 there were 2,081 traffic deaths.

The Sergeant stated, "With a record of 38 traffic victims over the July 4 weekend, Texas is well on its way to establishing an all time record of traffic deaths in 1970."

related disorders.

A special pamphlet, "Put YOURSELF in the Picture," has been prepared for groups wishing to participate actively in the Labor Day weekend telethon. It can be obtained by calling 747-4221 in Lubbock or writing to MDA, Box 5000, Radio City Station, New York, N. Y. 10019.

"More than 60 TV stations have joined the coast-to-coast network for this year's Labor Day telethon," Sandel said. Its proceeds, he added, will be applied to the Association's vast research program, which is producing increasingly promising results, and to the local chapter program which provides essential services to patients and their families.

MARY-MARTHA CLASS HOLDS MEETING

The Mary-Martha Class of the First Baptist Church met in the home of Mrs. Leola Clark for their Sunday Bible study, with Mrs. L. F. Meeks, teacher. Mrs. Clark's mother, Mrs. Maggie Morris, a member of the class, has been unable to attend since suffering a stroke early last fall.

Five members and two visitors were present for the class meeting.

\$20,000 Farm Subsidy 4-H News Limit Passed By Senate

In a surprise move the U. S. Senate July 8 voted 40 to 35 in favor of a \$20,000 limit on payments to individual farmers under federal cotton, wheat and feed grains programs for 1971.

The vote came on an amendment to the annual agricultural appropriations bill and was a reversal of action last year when the Senate voted down an identical amendment by 53 to 34. Surprised were Washington friends of agriculture in both House and Senate, farm organization leaders and even the aides of Republican Senator Ralph Smith of Illinois, the man who offered the amendment. According to ASCS Manager

Lamar Aten, if this \$20,000 farm subsidy limit passed by the Senate were to pass in the House, about one-fourth of the farmers in Lamb County would be affected.

Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock, said "There is hope that the \$20,000 per farmer limitation can be knocked out in the House-Senate Conference Committee." He added, however, that "there is great danger that this cannot be done if the appropriations bill is allowed to go to Conference Committee before the House Agriculture Committee Agriculture Committee reports out a

farm bill." The \$20,000 limitation passed by the Senate, if made to stick, would apply to direct payments under cotton, wheat and feed grains programs for 1971.

It is impossible to assess the effects of a \$20,000 payment limitation, should it become law, on agricultural producers without first knowing to what sort of program and what rate of payments it would apply. On the High Plains if one assumed program provisions and payment rates similar to those in effect for 1970, between 10 and 12 percent of the farmers would suffer reduced incomes, the total amount of payments made on the Plains would be reduced around 25 percent and a like percentage of agricultural production would be affected.

MRS. DeLOACH HAS BIRTHDAY

Mrs. Sally Edna DeLoach was honored Sunday at home on her 86th birthday. Mrs. DeLoach is a long time resident of this area, and her birthday was Monday, July 13.

Those present for the dinner Sunday were her two sons and their wives, Mr. and Mrs. H. G. DeLoach of Muleshoe and Mr. and Mrs. R. E. DeLoach and their grandson of Sudan; two daughters, Dorothy DeLoach of the home, and Jennie Coward of Lubbock.

HIGHTOWER APPOINTED TO LIBRARY BOARD

Lieutenant Governor Ben Barnes, today, announced the appointment of Senator Jack Hightower of Vernon to the Legislative Library Board.

Senator Hightower will join Speaker of the House, Gus Mutscher of Brenham; Chairman of the Senate Finance Committee, Grady Hazelwood of Canyon; Chairman of the House Appropriations Committee, W. S. "Bill" Healy of Paducah, and one additional member of the House of Representatives to be appointed by the Speaker on this Board.

The Legislative Library Board is charged with control and administration of the Legislative Reference Library.

TOPS CLUB

The Sudan Tops Club met Monday, July 13, at 3:30 p. m. at the school. Eight members were present with four new members joining the club.

Pounds lost for the week totaled 18, with seven members losing and one had gained. The group chose sides for a contest run to see which team loses the most weight during the next three months.

If anyone is interested in becoming a member of the club, you may contact Veda Terrell or Ramona Ingram, or meet in front of the school house at 3:30 Monday afternoon.

Chaplain C. R. Bridges of Lubbock Children's Hospital was guest speaker Sunday at the First Baptist Church.

GREG HUMPHREYS HURT IN FALL

Greg Humphreys, six-year-old son of Mr. and Mrs. John Humphreys, fell at his home Saturday, bursting a recent skin graft on his right arm and fracturing his wrist bone. He was taken to the Shrine Burn Hospital in Galveston where the skin graft had been made after Greg suffered burns in an accident last January.

Greg, who is the grandson of Mr. and Mrs. Dood Haragan and Mr. and Mrs. Arlis Humphreys, was reported to be doing well Tuesday. However, according to the report, it will be some 10 days before they will know about the healing of the injured arm.

LCC RETAINS ACCREDITATION DURING CHANGE OVER

Lubbock Christian College is now in that limbo area between Junior College and Senior College but the Southern Association of Colleges and Schools has made special provision for two-year colleges which add upper division work to retain full accreditation through the period of transition to four-year status. Full accreditation as a two-year college will continue through the academic year 1970-71 and an accrediting team from the association will visit the campus during the 1971-72 academic year.

Should the accrediting team recommend the college as a four-year institution, full accreditation will be granted as a Senior College and all work done by any student during the transition period will be fully accredited by the Southern Association. Present plans for advancement to the four-year level are ahead of schedule and the administration of the college anticipates no problems in achieving Senior College accreditation for LCC.

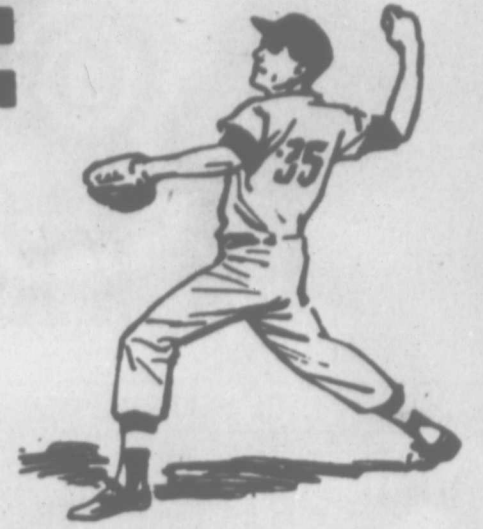

GROUPS INVITED TO PARTICIPATE IN TELETHON

There will be an opportunity for local individuals to appear in person on the air during the mammoth Labor Day weekend telethon famous comedian Jerry Lewis is doing for the benefit of Muscular Dystrophy Associations of America. The star-studded 20-hour spectacular -- emanating "live" and in color from the Americana Hotel in New York City -- will be seen here over KLBK, Channel 13.

According to Bill Sandel, president of the South Plains Chapter of the national voluntary health agency, the station plans to cut away periodically from the big show to enable representatives of contributing groups to make their gifts "on camera" in its studios. Such local segments, Mr. Sandel said, will also feature celebrities, civic leaders and individuals directly concerned with the fight against dystrophy and

TEACHERS TO BE PAID ON 10-MONTHS BASIS

Texas public school teachers—those on the state minimum salary schedule—will receive pay raises averaging about \$1,050 per year in 1970-71.

Students will go to school—and teachers will teach—an extra five days (180 days instead of 175). In addition, teachers will be on duty for 10 more days of non-teaching work during the year, and will be paid on a 10-months basis, instead of nine.

These changes in the school year and the basis for figuring teacher pay result from amendments to the minimum foundation program law passed in 1969 by the Legislature.

Under the minimum program, a beginning bachelor's degree teacher in 1969-70 was paid \$593 per month for nine months, or \$5,337 for the year.

In 1970-71, a beginning bachelor's degree teacher will receive \$600 per month for 10 months, or \$6,000 for the year.

Many Texas school systems pay their teachers more than the state-required minimum salaries.

Texas was ranked 38th among states in average teacher pay in 1969-70. The 1970 raises and a long-range improvement plan are expected to move Texas up to a more favorable position among states in the years ahead.

Most Texas teachers will be paid on a 10-month basis. (Vocational and special education teachers may be paid for 10, 11, or 12 months.)

In addition to the 180 days of classroom instruction, teachers and other personnel previously authorized for less than 10 months under the foundation program shall be required to be on duty for an additional 10 days, making a total of 190 days, exclusive of holidays approved by the local board of trustees.

School districts may employ teachers for more than the specified 190 days, but if they do their salaries for work beyond the 190 days must be paid wholly from local funds rather than foundation program funds.

FLOWERS IN RELIGION

Flowers were used in religious festivals and celebrations in all parts of the world long before they were used to decorate the home.

The first uses of flowers in religious ceremonies, naturally included the rites of life and death. So no one knows for how many centuries and generations man has expressed his sympathy with a floral offering at the passing of a friend or a loved one. It is a lovely gesture.

We give you floral offering very special and tender care at those times.
