A LONG-HAIRED swimmer a University of Texas was kicked off the team the other day. He had been warned in September to cut his hair or forfeit his membership at the team. At that time he said he would contest the coach's authority "all the way to the board of regents."

He also wrote an article in the Daily Texan criticizing the athletic program. The swimming coach told newsmen, according to the Associated Press, that the article "probably brought things to a head."

Sounds like somebody is trying to be funny.

\*IN HOLLYWOOD, Calif., last week, a jammed trigger on a pistol was the only thing that kept a nine-year-old boy from running down a service station manager during a robbery attempt.

Yes, that's right. Nine years old. Police said the boy with the pistol was captured by the service station manager after he and another boy took a knife and pistol from the manager's desk while he was out of his office.

The manager said the boy pulled the trigger, but it jammed. The youngster told police he liked "to kill people." They asked him what would have happened if the gun had fired, and he said "I would have gotten the money."

THERE'S BEEN a good deal of talk recently about enzymes in laundry detergents and dish-washing soap causing allergies. This will be just another excuse for some folks to ignore the dirty dishes. Some of us break out in a rash just thinking about it.

I don't really know what an enzyme is. I looked in a box of suds at home and I didn't see any critters which looked like they might be enzymes. It just looked like soap powder.

## Sandhill Crane Hunt Slated

Muleshoe Jaycees have scheduled their Eighth Annual Sandhill Crane Hunt to be held Oct. 31, through Nov. 8.

The Muleshoe Jaycees have arranged again for land adjacent to the Muleshoe National Wildlife Refuge, the oldest in the State of Texas. During the winter months, there are as many as 100,000 sandhill crane wintering away from their Arctic breeding grounds, and the Muleshoe population represents the largest concentration of this species in the United States.

The Jaycees will provide transportation to and from the hunting area.

Shells and licenses will be available and the guides will leave the Diner Bell Restaurant, 1700 W. American Blvd. which is hunt headquarters, one and one half hours before sunrise each day.

Costs for the hunt include:

The Hornets won their third conference game of the season Friday night as they downed the Happy Cowboys 39 to 14. This gives the Hornets a 3-1 conference record. Farwell remains the only undefeated team in the district. Vega and Kress both have one loss each.

The Hornets fumbled early in the game at midfield and the Cowboys were there to cover it. However, two plays later the Cowboys fumbled and McNabb covered it for the Hornets.

Fullback Edwards scored first for the Hornets as he dove over the goal line from 12 yards out.

Engram kicked the extra point to give the Hornets a 7-0 lead.

The Hornet defense held the Cowboys who had to punt on fourth and long yardage. The Hornets took over on their own 45 yard line with FB Edwards running 55 yards for his second score of the game. The kick was off to the right so the Hornets led 13-0 as the first period ended.

The Hornets had trouble moving the ball early in the second quarter and were forced to punt on fourth down. The Cowboys took over at midfield and drove to the one yard line with QB Mark Hargrove scoring. The kick was partially blocked by the Hornets. The Hornets came back to score again with QB Bo Lance passing to HB Roger Bellar for a 20 yard TD pass play. Engram kicked the extra point giving the Hornets a 20-6 lead.

Late in the second quarter the Cowboys recovered a Hornet fumble on the 17 yard line. With

11 seconds left on the clock QB Mark Hargrove passed to HB Steve Cole on an 8 yard touch-down pass play. FB Ruden Garcia ran for the two extra points. So as the first half ended the Hornets led 20-14.

McNabb made a 34 yard run to the Cowboys 28 yard line early in the third quarter. A few plays later FB Edwards dove in from the one yard line for six points. The Hornets fumbled again in the third period with the Cowboys recovering at mid-field. Trying hard to get on the scoreboard again, the Cowboys went to the air. McNabb intercepted a pass on the Hornet 35 yard line and Lance went off the air as he passed to HB Bellar for a 35 yard gain to the Cowboy 18 yard line. HB McNabb scored again for the Hornets from the two yard line. Engram kicked the extra point to give the Hornets a 33 to 14 lead as the third period ended.

The Cowboys opened the fourth quarter with a fumble and King recovered it for the Hornets on the 35 yard line. On the first play HB Weaver ran 65 yards for another Hornet touchdown. Weaver recovered a Cowboy fumble on the 30 yard line, but the Hornets fumbled a few plays later and the Cowboys took over as the game ended with the scoreboard reading Hornets 39, Cowboys 14. The Hornet defense played a

good ballgame led by King, Weaver, Lopez, and Chisholm. McNabb and Weaver tied for leading rusher with 111 yards each. Weaver had 6 carries and McNabb had 11.

Back the Hornets this week as they go to Bovina. The game will begin at 7:30 p. m.

\*\*\*  
The Sudan B-team hosted a bout with the Morton team here Thursday night when the game ended in a 8-8 tie.

Morton scored early in the game due to a bad snap from center on a punt which gave them excellent field position. There was no more scoring until late in the third quarter when Sudan drove in for their score.

The Sudan defense held the Morton team on the 10 yard line until time ran out, ending the game in a tie.

## JUNIOR SPORTS

The Sudan Junior High School football team journeyed to Happy Thursday when captains for the Sudan team were Delbert Harlin and Carol Legg.

Mitch Chester attempted a pass in the first quarter to Charlie Jefferson but the outstanding play came in the opening of the second quarter when Happy punted to Sudan. Richard Tamplin caught but fumbled the ball, however, Jefferson grabbed the loose ball and ran it back 70 yards for the first touchdown. Tamplin went over for the conversion points giving Sudan an 8-0 lead.

Chester ran an option play for a TD in the second quarter although the try for extra points was not successful. Sudan led 14-8 at the half.

Happy came alive in the last half and downed the Hornets 30-14 to become victors of the game.

Carol Legg played an outstanding defensive game. Other players included Bellar, Gore, May, Lopez, Hernandez, Manning, Harper, Davison, Ails, Bowling, Baccus, Fields and Johnson.

## ESA News

Members of the Sudan chapter of ESA sorority were honored with a spaghetti supper at the home of Mr. and Mrs. Joe Ellison on Oct. 22 with Mr. and Mrs. Bobby Jack Markham as co-hosts.

The Italian motif was carried out in table decorations as each table was laid with a checked cloth and centered with ivy entwined candles. Place cards and individual menus completed the decorations.

Card games were played following the dinner.

Attending were Mr. and Mrs. Emery Blume, Mr. and Mrs. Donnie Cowart, Mr. and Mrs. Edward Fisher, Mr. and Mrs. Noel Lumpkin, Mr. and Mrs. Kenneth Wiseman, Mr. and Mrs. Kenneth Vincent, Mr. and Mrs. Marvina Tollett, Mrs. Robert DeLoach, Mrs. Darwin Reid, Mrs. Eldon Nichols, Mrs. Tommy King.

## ELECTION SET TUESDAY

The local polls will open Tuesday, November 3, at 7 a. m. for the General Election. The ballots will be cast at the Sudan Community Center for Precinct 5 with Joe West serving as election judge.

The greatest opposition for offices is probably for U. S. Senator and Governor. Lloyd Bentzen is the democratic candidate, opposed by Republican George Bush for Senator. Republican Paul Eggers is opposing

incumbent Preston Smith for Governor.

Bob Price is unopposed for representative from this district as is Bill Clayton for state representative. Ben Barnes is opposed by Byron Fullerton for Lt. Governor and Edward M. Yturri is opposing Crawford C. Martin for the Attorney General.

The slate of county and local officers are opposed but include Pat Boone, Jr., District Judge; C. T. Sides, county judge; Ray

Lynn Britt, district clerk; Mary Beth Willey, county clerk; Lucy M. Moreland, county treasurer; C. Roy Stevens, county school superintendent; Hubert Dykes, commissioner; W. T. Vereen, justice of the Peace.

Seven constitutional amendments will be considered on the ballot. Number one relates to the removal, retirement, or censure of Justices, Judges, and Justices of Peace under prescribed circumstances.

Number two is for or against the prohibition against open saloons in the state which deals with the liquor by the drink controversy.

Number three is to authorize the Legislature to provide by law the establishment of a uniform method of assessment of ranch, farm and forest lands, which shall be based upon the capability of such lands to support the raising of livestock or to produce farm or forest crops.

Number four is to reconstituting the State Building Commission as a three-member appointive commission.

Number five is to authorize any county to issue road bonds in an amount not to exceed one-fourth of the assessed valuation of the county property, on the vote of a majority of its qualified voters.

Number six is to increase the value of the homestead which is exempt from forced sale.

Number seven is to authorize the Legislature to provide for consolidating governmental offices and functions and allowing political subdivisions to contract for performance of governmental functions in any county.

All qualified voters are urged to exercise their democratic freedoms and express their governmental desires by casting their ballots in the election Tuesday.

## HERE'S WHERE HE STANDS ON GUN REGISTRATION.

"I am opposed to the registration, licensing or requiring of permits for firearms. I have consistently voted this way every time this question has come before the House. While I have voted for many crime control bills, I have never voted for any bill that provided for gun registration, licensing or permitting in any form. I do not think registration of shotguns, rifles, pistols or any kind of weapon will solve the crime problem, and I would unquestionably oppose any legislation which could conceivably disarm our citizens—this is a basic right under the Constitution and should not be tampered with."

## Fellowship In Christ

By DAVE LLEWELLYN

A fellowship is what you are offered when a group of scholars invites you to join their body and to receive and contribute understanding about their special topic of concern. "Fellowships" they call them, because that's what fellowship is -- sharing understanding.

Christianity offers fellowships, too. Enter into the body of Christ, the church, and share your understanding of Him.

What Fellowship Is

A person-to-person communication concerning a person-to-person relationship -- that is Christian fellowship. A personal relationship between people, based on each person's relationship with God -- that is Christian fellowship.

Not mystical, supernatural communications, not fun and games in the church basement, not listening to sermons, not studying the Sunday School lesson or even the Bible -- none of these is the essence of Christian fellowship. Sharing Jesus is.

Jesus is not a concept, but a Person. Knowing Christ is not a belief, but an experience. Sharing Christ is not discussion, but action -- in fact, interaction.

Christian fellowship is sharing in the area of sin. "Brethren, even if a man is caught in any trespass, you who are spiritual, restore such a one in a spirit of gentleness; looking to yourselves, lest you too be tempted."

Nobody can resist all evil alone. Christians share Christ's total acceptance of sinners and total resistance to sin.

Christian fellowship is sharing private problems. "Bear one another's burdens and thus fulfill the law of Christ." Love is Christ's law, and its fulfillment is involvement.

Christian fellowship is sharing wealth with other Christians. "Let the one who is taught the Word share all good things with the one who teaches."

Christian fellowship is sharing all good things, material and spiritual, with all other men. "While we have opportunity, let us do good to all men, and especially to those who are of the household of the faith."

Inner-Action and Interaction

Christian fellowship is sharing Christlikeness in "inner-action." "Put on a heart of compassion, kindness, humility, gentleness, and patience; bearing with one another and forgiving each other."

Christian fellowship is sharing Christlikeness in interaction: "Beyond all these things, put on love, which is the perfect bond of unity. And let the peace of God settle disputes in your hearts."

Christian fellowship is sharing all in Christ. "Whatever you do, in word or deed, do all in the name of the Lord Jesus."

Christian fellowship is sharing -- sharing Jesus.

# Scout O Rama To Be Held Nov. 14

Ticket sales for the 1970 Scout-O-Rama began on Saturday, October 24 throughout the South Plains Boy Scout Council area. This year's big scout show will be held in five different locations on November 14, Lubbock, Brownfield, Plainview, Levelland and Crosbyton, according to Ticket Sales Chairman Rodney Joy.

Tickets will sell for \$1.00 each and an entire family can visit anyone of the five shows on the one ticket.

Cub Scouts, Boy Scouts and Explorers whose units are partic-

icipating in the Scout-O-Rama will be the only ticket salesmen. As a reward for their efforts, the boys will earn cash commissions for their units, plus personal prizes in the form of Scout-O-Rama tee shirts and Scout Wampum that can be spent like money in securing uniforms and equipment.

The top boy salesman in each of the seven districts, who sells at least \$75.00 worth of tickets, will earn a free trip to Dallas for himself and his dad to see the Dallas Cowboys and Houston Oilers football game on Dec. 20.

Each community where boys sell tickets will have some mystery houses. The first boy who tries to sell a Scout-O-Rama ticket at one of these houses will receive a certificate that he can exchange at the Scout Service Center for ten free Scout Wampums.

The Scout-O-Rama is a family type show with something to interest people of all ages, Joy said in urging citizens to support the Scouts in their program by purchasing tickets and attending one of the shows.

The district ticket sales chairmen are Edd Henderson of Plainview, R. P. Robinson of Levelland, Heath Reymier of Brownfield, Dean Taylor of Ralls and George Bunton, Morris Namney and David Seim of Lubbock.

### There's More in Moore's for 1971

There's an exciting year ahead, says *Old Moore's Almanack*. And if its predictions are as accurate as they've been in past years, it will be 1971's most significant book.

Just issued for the 274th consecutive year, this oldest continuously published almanac annually confounds the skeptics with its uncanny pinpointing of critical events to come.

Here's a sampler of *Old Moore's* 1971 predictions:

• The stock market trend is up this winter, with tight money easing up by spring.

• Widespread dissent will reach dangerous proportions in the year's first half, but a happier warm weather mood will prevail next summer.

• Record transportation accidents will make winter and spring headlines, with the death of an important government figure.

• Although war dangers will persist throughout the year, an optimistic outlook will be America's Christmas bonus.

*Old Moore's* highly respected long-range weather predictions indicate a stormy beginning for 1971. In January, cold prevails over most of the country, and severe ice storms may impede traffic and communications. February is marked by blizzards and some unusual climatic conditions, while March brings some of winter's worst weather during the first half, with the country's midsections getting the brunt of it. Spring is late.

Farmers especially will appreciate *Old Moore's* detailed region-by-region weather prognostications, with planting guides particularly useful during a turbulent meteorological year.

*Old Moore's Almanack*, which Dell has just released in a 50¢ paperback, is

JOB OPPORTUNITIES MULTIPLY

crammed with useful information to enhance day-to-day life behind the headlines. For the housewife, there are recipes, household tips and medical advice, stories and jokes for leisure-hour fun. There's a guide to wines to give elegance to special meals, and a chart for the proper use of herbs to give cooking that gourmet flavor.

Outdoorsmen will find the fishing and hunting guides invaluable, and amateur astronomers can plot the stars with *Old Moore's* in hand.

Astrological tables and forecasts abound throughout, with numerological methods of determining lucky numbers and even a lesson in palmistry. There are even predictions on the year's seven top jockeys.

All in all, it's safe to predict that *Old Moore's Almanack* for 1971 will be the book of the year, worn out and dog-eared from use, and altogether indispensable.

## Booster Club Meeting Held

The Sudan Booster Club met Monday night in the cafeteria when it was announced that all future meetings will begin at 7:30 p. m. each Monday night. A film of the Sudan-Happy game was shown and narrated by Coach Bill Adams and a scouting report on Bovina was given by Coach David Ray. Bovina has a 2-3 season record but it said to have a strong team. Hoyt Robertson won the score-guessing contest and was awarded two game tickets.

A report was given on the Booster Club booth at the carnival when it was stressed that canned items and other objects suitable for prizes are needed. Persons having items to be donated should contact a member of the booth committee including Mrs. Bill Adams, chairman; Mrs. Pete Lance, Mrs. Waymon Bellar and Mrs. James Farmer.

The booth will be held in Room 12 and will include assorted games for the whole family. All members and their families are urged to participate in this project.

## Bronson Donates Cycle

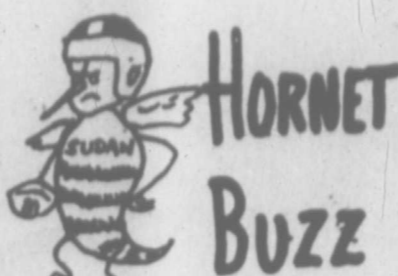

International attention is focused today on the small California community of Ojai (O-hi) where television's Bronson lives and cares about children, education and the parochial school plight.

Michael Parks, soft-spoken star of NBC's *Then Came Bronson*, gifted St. Thomas elementary school, which his children attend, with a gleaming \$5,000 custom-made Harley-Davidson Sportster. Parks hoped the school could turn it into money desperately needed to open its doors this Fall.

A lottery seemed to be the answer, albeit a controversial one. A lottery is legal when it almost isn't a lottery. If money is "donated" and not demanded in exchange for chances, the procedure is legitimate. With legalities surmounted, the people of Ojai spread the word world-wide. "The Bronson bike can be yours. A drawing certi-

ificate is free. Send us your name and address and a stamped, self-addressed envelope to Fr. Richard Smith, St. Thomas School, Ojai, California 93023. "Of course, if you're honest about it, and care, really care, about good education, will you send along a little money?" asks Michael Parks.

The reaction brought St. Thomas enough money to ring school bells in September. Whether they ring for the rest of the school year still depends on people, and the machine to be awarded Thanksgiving Day, November 26, in the school courtyard. There'll be a national telephone hook-up, television cameras, mariachi music in this predominantly Spanish town, and there will be Bronson telling somebody "Hey, the bike's yours. Until we get it shipped to you, hang in there, buddy!"

The Hornet Band has begun hard work on the contest show that they plan to perform at marching contest on Nov. 17. The band received a III rating two years ago. Last year, they brought their rating up to a II. This year, nothing else is on their mind besides marching a No. I Band!

The Hornettes chose varsity basketball captains for 1970-71. They are Karen Doty, Angela Pickett, and Pam Nix. Congratulations!

The Student Council went out last Saturday morning and washed the front windshields of all the cars parked on Main Street. This was done in appreciation for the support given by the Sudan Merchants and citizens of Sudan to the function of the Student Council and Sudan High School programs and activities. They felt that without direct contact between its supporters and the Student Council's members, a successful and useful council cannot be formed.

## Scout News

Junior Girl Scout Troop No. 377 held their weekly meeting in the home of Mrs. Edith Reed.

During their meeting the girls made fudge, brownies, and rice krispie cookies, these will be sold to earn points for the fourth grade Halloween queen. This will also apply on the girls cooking badges.

Those present were Scole King, Tracie Cowart, Shellye Pickrell, Mary May, Charlet Chisholm, Martha Withrow, Carrie Reed, Paula Ellison, Sabrina Vincent, Linda Evans, Cathy Ham, and leaders, Mrs. Edith Reed, and Mrs. Betty Withrow.

Brownie Troop No. 7 met Thursday afternoon at the Community Center when a nature study of leaves was made.

Members of the troop hiked from the school house to the center collecting leaves to be waxed. Mrs. Barbara May conducted a study of leave species of this area. Each girl was given several leaves to press in waxed paper.

Hostesses were Sherrie Ray and Celia Pierce. The flag ceremony was conducted by Marilyn May, Cindy Powell and Lauri Van Dyke. Janie Brown was invested and received her pin.

Others present were Cindy Ham, Glenda Cardwell, Tanya Ray, Ruth Withrow, Wendy Wiseman, Kathy Swart, Janna Carpenter, Becky Byerly, Michele Vincent, Pam Kent,

taken at the meeting.

The Senior Class will be sponsoring a Chili Supper before the Homecoming game, Nov. 6, against the Bovina Cows. They are making plans now on this supper and invite you to make plans, too, on attending.

## Bowling Rites Held

Funeral services were held Monday for Mrs. Betty Louise Bowling, 37, who died Saturday at Hobbs, N.M. following a months illness. Services were held at the Castle Avenue Baptist Church with the pastor, Rev. D. S. Moore, Jr. officiating, assisted by Rev. J. B. Vickory of Lubbock. Burial was in the Haven Cemetery of Hobbs, under the direction of Griffin Funeral Home. Graveside ceremonies were conducted by the Moose Lodge.

Mrs. Bowling was a former Sudan resident and attended high school here. She was the sister-in-law of Marvin Bowling of Sudan. She had resided in Hobbs for the past 12 years.

Survivors include her husband, Bob R. Bowling; a daughter, Mrs. Steve Bauske of Hobbs, a son, Randy of the home; her parents, Mr. and Mrs. L. Q. Williams of Hobbs; a sister, Mrs. Dale Earl of Seminole.

## Will Revolution Be Averted?

"It is time people faced up to the fact," said a New York police official recently, "that there is a revolution taking place."

It seems to be hard for most Americans to believe that people who call themselves revolutionaries are, in fact, what they say they are.

How many more buildings do they have to bomb or burn — how many more judges and policemen do they have to kill, before we take them at their word?

In the March 26, 1970, issue of the Houston Tribune there was a statement by Dr. Robert Morris, president of the University of Plano and former counsel for the Senate Internal Security Subcommittee, in which he said:

"We should keep in mind the flow of events. The Communist formula applied to the countries of Southeast Asia and elsewhere is: (a) a plan of conquest, (b) an organization, (c) infiltration, (d) subversion, (e) agitation, (f) demonstrations, (g) riots, (h) terror, (i) guerilla warfare, (j) paramilitary activity, (k) intervention by the USSR, (l) civil war. We are now in the terror stage."

### Guerilla War Stage

In May, Bernadine Dohrn, a leader of the Weathermen, issued a taped message to her followers which was entitled, "A Declaration of a State of War." She promised that there would be guerilla-style actions. A few days later, the current series of bombings began.

Have we now entered the "guerilla warfare" stage, which follows the "terror" stage?

Quinn Tamm, head of the International Association of Chiefs of Police, says, "I think we're engaged in a type of guerilla war. It is a situation police

have never faced in this country. But it's here now."

Some who are reading this will wish that I would paint a prettier picture. Perhaps, like the Emperor Nero, I should take up the violin. There are many who would rather be entertained than informed or awakened.

Also, there are many who have so lost contact with God that they do not believe that He is a potent force in our world today.

Others will recall that, in our early history, when we faced obstacles which seemed insuperable, we called on the Lord and He heard us and we triumphed.

### They Refused to Heed

The prophet Jeremiah lived in a time when his nation was in deadly peril. He tried to make the people and the leaders of the nation understand that, as God had helped His people in the past, He would again deliver them from their enemies if they would turn to Him, and live in accordance with His teachings.

The prophet told the people of his land, "Thus saith the Lord . . . 'Amend your ways and your doings. . . Obey My voice and I will be your God and ye shall be My people; and walk ye in all the ways that I have commanded you, that it may be well with you.'"

When the people obstinately refused to heed the message of Jeremiah, God said to him, "Therefore pray not thou for this people . . . neither make intercession for them, for I will not bear thee."

The nation was destroyed and the people were killed or enslaved, because they would not hear God or His messenger.

Must this happen to our nation — in these times? Or will we heed God's message to us?

# Why Preston Smith?

Preston Smith believes in working hard. For you. And that's why he's doing such a good job as Governor of Texas.

When Preston Smith entered public service, he didn't start by asking Texans to elect him Governor. That would have been foolish, because being Governor carries great responsibilities. And it demands the clear, steady judgement that comes only from experience.

Preston Smith had the good common sense to work his way up—gaining insight into how our state government functions.

He served six years each—as State Representative . . . as State Senator . . . and as Lieutenant Governor. Only then, when he felt fully qualified, did he seek the Office of Governor.

Now, after two years he has expanded the duties of the Governor's Office to better serve all the people of our State.

Yes, Preston Smith believes in hard work. For 20 years, he's been working for Texas—doing a good job. You can help keep him as Governor. Vote. Vote for Preston Smith on Tuesday, Nov. 3.

**Warm, Fresh Air**

... direct from the manufacturer

Natural gas is the healthiest, most economical way to heat your house this winter. Gas is economical because it's the direct way to produce heat — you don't pay to convert heat to another energy source and then back to heat. And with gas you can afford to bring clean outside air into your home this winter instead of having to re-heat the same old stale air time after time.

So, if you're building or remodeling, be sure to specify gas heating. Gas is the "natural" fuel. It's like buying direct from the manufacturer. Call your heating contractor, plumber, or Pioneer Natural Gas.
