RUMOR has it that Toyota has made a big breakthrough in use of the small gas-turbine engine, but only time will tell if this is true. According to Carlton Smith, Newspaper Enterprises Assn. writer, the company has succeeded in developing an engine of passenger-car size.

"It isn't likely to mean cars in dealers' showrooms until at least 1973," says Smith, "but it should be, if true, huge news for car buyers."

Meanwhile, he says, another Japanese auto maker, Nissan, is well along on production plans for a car with a rotary engine—which also could shake up things in the auto industry.

Like the turbine, the Wankel rotary engine has been around for a long time on the drawing boards. It's had bugs in it, but maybe now they've been worked out.

It's possible that the Japanese may lead the way in these developments, but one may be sure that Ford and Chevrolet will not be far behind along the same lines.

\*\*\*\*\*  
QUITE A bit of advertising is being done these days by companies which sell sauna shorts, or weighted belts, or Egyptian mummy wraps which are supposed to help one lose weight. These gimmicks are just that, and the main thing they reduce is your pocketbook, according to Dr. Lawrence Lamb of NEA, Dr. Joseph Davis of the Food and Drug Administration, and Reader's Digest. Dr. Davis, in fact, called some of the devices "pure junk."

The electrical stimulating devices, according to Dr. Lamb, are not only useless but may be dangerous. He says they have been known to cause death.

\*\*\*\*\*  
SPEAKING of dangerous electrical devices, how about this story from the Associated Press: "Mrs. Margaret Wysz, 55, has filed a \$75,000 suit against General Electric Co., alleging that an electric toothbrush exploded while she was brushing her teeth."

Boy, that'll wake you up in the morning.

## JUNIOR VARSITY WINS DISTRICT

The Sudan Junior Varsity captured their District 3-A Championship at Kress last Thursday night as they defeated the Kangaroos, 8-0, in a defensive battle. The Hornet victory, coupled with a win by Vega over Farwell left the Hornets in sole possession of first place.

A rousing defense led by Jimmy Markham, Mart Davison, Ryan Dale Harvey, Bruce Pierce and Pat Hedges held their opponents scoreless for the fourth time this year as they allowed Kress only seven first downs and 245 yards total offense. Sudan gained all their yardage on the ground with 14 first downs and 251 yards rushing.

The Sudan offense, led by hard-charging fullback, Pat Hedges who had 178 yards on 33 carries, moved the ball consistently as punter Terry Hatch had to "boot" the ball only once, that one being for 36 yards. However, penalties seemed to stifle all Hornet drives on the Kangaroo end of the field. After three and one half scoreless quarters the Hornets finally pushed over a six-pointer with Richard Tamplin getting the call from two yards out. Hedges ran the extras behind the excellent blocking of Curtis Chester and Jimmy Markham. The score, coming with 4:45 left in the game was all the Hornets needed, as the defense continued to pound the Kress runningbacks. The Kangaroos weren't through however, as they went to the air from their own 15 yard line with less than two minutes to go and completed a 52 yard strike to one of their receivers. Carroll Legg

Hornet 22. With time running out, Richard Tamplin and Bruce Pierce blitted the quarterback for an 11 yard loss to preserve the victory.

Mitch Chester directed the Hornets at the helm and called a tremendous game. The running attack of Hedges, Hatch, and Tamplin behind the outstanding blocking of Mart Davison, Rory Manning, Ryan Dale finally nailed the receiver at the Hornet 33, but another pass went complete for 11 yards to the Harvey, Tommy Seymore, Jimmy Markham, Carroll Legg, and Curtis Chester controlled the football for the biggest part of the evening.

The victory left the Hornets with a 6-4 season record and a 5-1 district record. Farwell finished in second place with a 4-2 record, followed by Kress with a 3-2-1. The Hornets finished the season with some eye-catching statistics. As compared to their opponents, the Hornets led in: total points 212-104; first downs 133-82; and total offensive yardage 2732-1435. Pat Hedges led the J.V.'s in both the offensive and defensive categories as he amassed 1476 yards rushing on 223 carries for 7.1 yards per carry. He also racked up 185 tackles, 4 blocked punts, and 3 fumble recoveries on defense.

Junior Varsity Coach Gary Campbell was quoted:

"We only hope that the winning attitude developed by these young men will carry over to next year when most of these boys will be varsity athletes. They have put forth a tremendous effort this year by setting

their goals high and working hard to achieve the ultimate of satisfaction—the district championship. I am extremely proud to be associated with them."

\*\*\*\*\*

The Sudan Hornets almost pulled off an upset in the last game of the season against the Kress Kangaroos. Sudan thrilled the homecoming crowd by going for two touchdowns in the first quarter. Roger Boyles went across from the 12 yard line and minutes later Gary Edwards sneaked in for the 6-pointer from the one yard line. Try for extra points failed, giving Sudan a 12-0 lead.

Kress managed to get in for a score late in the second period with the 2-point conversion narrowing the Hornet lead 12-8 at halftime.

Sudan played a good defensive game during the third quarter and the early part of the fourth until they fumbled with Kress recovering as the scoreboard clock showed nine minutes remaining in the game.

Kress capitalized on the Hornet mistake and controlled the ball until they scored plays later, taking the lead 14-12.

At this point Sudan seemed to wilt as fumbles and interceptions plagued them. Two 7-yard TD runs by Roy Jackson assured the victory for Kress, 30-12. The victory gave Kress a district record of 6-1 tying that of Vega as Farwell held the Longhorns to a 36-36 tie, winning on penetrations. However, Vega had won the right to represent the district in bi-district play.

Have all your neighbors really know how much for them your love has grown? They'll likely never know the facts unless we show them by our acts. There's something we have often heard an act will tell more than a word; So kindly acts that we bestow, Will surely let our neighbors know.
