FORTY-EIGHTH YEAR NUMBER 35 SUDAN, LAMB COUNTY, TEXAS THURSDAY, OCTOBER 19, 1972 10c PER COPY

—by dalton

FIRE PREVENTION Week either just is, or just was, we're not sure which, but we did hear a talk on the subject of fires a few days ago which the speaker made some interesting observations.

The speaker was Don Kendrick, fire chief for the City of Slaton, and he made the point that most of us never really consider what we would do if our house should catch fire.

First, he said, everybody should have the fire department number written in a prominent place near the phone. He suggested crayola on the wall, but I'll bet it's not that way at his house.

Second, he said everybody needs to know what to say when they call the fire department. Well, that sounds pretty silly at first listen. Of course, the thing to say is "my house is on fire—come quick!" However, Kendrick pointed out, that's just about all some folks do say. They hang up without giving the address and expect the firemen to be right out. People just get excited in a situation like that and don't know what they're not saying. Kendrick declares that one time a woman called the fire department and the conversation actually went about like this:

Attendant: "Fire Department."
 Woman: "I've got a fire out here at my house!"
 A: "What's the address?"
 W: "I don't know--we just moved here."
 A: "Do you know what street it's on?"
 W: "I don't know that either."
 A: "Well, is it north or south of Geneva Street?"
 W: "I don't know where Geneva Street is!"
 A: "Could you run outside and see if you can see a street sign?"
 W: "Oh, heck, just forget it--I'll put it out myself!" And she hung up.

The point he was trying to make was that a person shouldn't hang up too quickly when reporting a fire. The first thing to do in case of fire is to get everyone safely out of the house. Then call the fire department. He also noted that everyone should plan escape routes in case of a fire at home, especially at night.

We once heard about a fellow who was getting a haircut when a man ran into the barber shop and shouted, "Mr. Brown, come quick! Your house is on fire!"

The man in the chair jumped up, ripped off the apron and went running down the street as hard as he could go. About a block later he suddenly stopped and exclaimed: "What am I running for? My name's not Brown!"

BAND PARENT CLUB HOLDS MEETING TUESDAY

The Sudan Band Parents Organization met Tuesday night, Oct. 10, in the band hall with Wayne Swart presiding.

Plans were made for the Homecoming meal and committees were appointed. It was pointed out that parents who donated \$10 instead of food for the concession stand during football games would be asked to donate food for this meal, as well as for the Harvest Festival concession on October 21. The Homecoming is on October 28.

The Band Parents club invites each and everyone to come to the concession stand Saturday night during the Harvest Festival. Stop by and have a hot dog, sandwich, brownies, fudge, candied apples, cokes or several goodies that the band parents will be selling.

Band Director Tommy Evins stated that the Hornet Band has received an invitation to march in the Homecoming Parade in Portales on November 4 when Eastern New Mexico University holds their homecoming. They will also perform there during halftime activities of the football game.

The band parents are contributing \$500 to the Sudan Schools to be applied to the cost of the new uniforms for the Hornet Band which were received this year.

The UIL marching contest date is Tuesday, Oct. 31, at Jones Stadium at Texas Tech in Lubbock.

Some seven members attended the meeting.

A Victory seems to be hard to come by for the Sudan Hornets, but they battled the Hart Longhorns Friday night and lost to Hart, 14-7.

The American Scene

Whether it's advance celebration of the bi-centennial, or the national self-awareness that seems to sweep America before an election, our current patriotic sensibilities have been aroused. There's a revival of all things American from crafts to artifacts, from furniture to facial tissue.

Bette Gollrad, Manager of the Scotties Home Service Center, who helped plan the Scotties Rediscover America series, believes that our most precious American heritage is really the land itself. And it is love for the land that led designers for Scotties to select the regional scenes currently reproduced on tissue boxes. There's the desert at sunrise, yellow wheat fields against a summer blue sky, snow-capped Rockies, a tawny New England autumn and the romantic look of the Old South with an azalea garden in bloom. This scenic series will remind you of pleasant vacations past or start you dreaming of future trips. Choose your favorite scene - or the whole panorama.

More SPS customers switched to electric heat last year because they found out, through a free estimate, they could operate an electric heating system for little more than they were spending already. Have you ever had to face a sudden tragedy? Then as time goes on, you look back and wonder how you made it through those days and nights when you had no strength and perhaps, faith, of your own. But to think about the "suddenness" of when it happened -- how it happened in a flash, or a snap of the fingers, or at the twinkling of an eye.

With the same "suddenness" Jesus will come back to this earth to receive those who belong to Him. "For the Lord himself will come down from heaven with a mighty shout and with the soul-stirring cry of the archangel and the great trumpet-call of God. And the believers who are dead will be the first to rise to meet the Lord. Then we who are still alive and remain on the earth will be caught up with them in the clouds to meet the Lord in the air and remain with him forever. So comfort and encourage each other with this news." (1 Thes. 4:16-18.)

How long do you think it will take for the above event to happen, from the shout and trumpet-call when he appears to the "meet the Lord in the air" part? In Matthew 24 the Bible tells about two will be working in the field, one will be taken, one left; two women shall be going about their household tasks, one will be taken, the other left.

In any place in the Bible when it talks about this event, it seems to me that the message is that it will be quick, perhaps only a few minutes, or even seconds.

Are you ready for such an event in your life? We know that some will be ready and some will not. What does it

Visiting in the home of Mr. and Mrs. Jack Fisher were his brothers, Mr. and Mrs. Carl Fisher of Brownwood and Mr. and Mrs. Norman Fisher of Anton. They all attended the Mixon-Fisher wedding in Amherst on Saturday.

mean to be ready? Are these comforting words to you? The Bible says we should comfort and encourage each other with this news.

In Matthew 25, it goes on to tell about 10 bridesmaids (people who apparently knew Jesus) who were awaiting the bridegroom. However, five of them became foolish and forgot to fill their lamps with oil.

(Could it be that we forget to fill our lamps with oil by simply being "too busy" with other things? That seems to be the best excuse we offer these days. And it's a valid one in the world's eyes. There's so much work to do at our jobs, then when we get home there's more work waiting for us, even till midnight sometimes. If not that, then there are meetings to attend. But don't you get tired of this kind of rat race? Jesus offers us joy and abundant life if we put Him first. Then He helps us to do all these other things that we must do, after we give ourselves fully to Him.)

"So, when the bridegroom was delayed, they lay down to rest until midnight, when they were roused by the shout, 'The bridegroom is coming! Come out and welcome him.' This all happened so "suddenly" that they didn't have time to go out and buy more oil so they could attend the marriage ceremony, even though they tried. They also tried to borrow oil from the five who were faithful enough to stay ready, and could not. And while they were trying to make up for lost time, the ceremony began and the door was shut. When they returned, 'Sir, open the door for us! But he called back, 'Go away! It is too late!' What a terrible feeling they must have had, to think that once they had been ready, and come so close but missed the most important event in life.

Jesus says that if we are neither hot nor cold, but merely lukewarm, He will spit us out of his mouth. He wants us to be enthusiastic about living for Him.

When we truly live for Him, He supplies this enthusiasm and every blessing that we need. "Open your mouth wide and see if I won't fill it. You will receive every blessing you can use! But no, my people won't listen. . . . So I am letting them go their blind and stubborn way, living according to their own desires. But oh, that my people would listen to me! Oh, that . . . (you) would follow me, walking in my path! How quickly then I would subdue her enemies! How soon my hands would be upon her foes! . . . He would feed you with the choicest foods. He would satisfy you with honey for the taking." (Psa. 81.)

Believe in Him--all the way. He "went all the way" for us.

How Sweet It Is... Harvesting Ahead of Last Year... Cotton Price Declines... Sheep, Lamb Feeding Declines...

This is a sweet story. The Texas 1972 honey crop is estimated to be 88 percent above a year ago. Total expected is 6,440,000 pounds of honey compared with only 3,432,000 pounds in 1971.

Colony condition of bees is reported good due to adequate moisture during the honey flow season over most of Texas. South Texas is reporting an excellent crop. Nationwide, an increase of 13 percent in honey production is forecast for this year compared to 1971.

A DROP of six cents per pound in cotton has been reported in Texas during a 30-day period. Cotton price in Texas as of September 15 as reported by the Texas Crop and Livestock Reporting Service was 24 cents; the price the previous month was 30 cents per pound. Effective parity is 55.67 cents per pound.

Only the price of sheep is above effective parity prices. Sheep prices were reported at \$11 per hundredweight; the effective parity is \$10.80. Calves at \$44 per hundredweight are only slightly below parity which is \$44.60. Beef cattle prices were at \$32.40 per hundredweight, parity is \$37.20.

Hog prices in Texas average \$27.70 compared with parity price of \$30.90.

The price of wheat jumped 23 cents per bushel to reach \$1.78 average. Parity is \$3.05 per bushel.

Corn averaged \$1.37 per bushel compared with \$2.01 parity. Grain sorghum averaged \$2.10 per hundredweight compared with parity price of \$3.36.

Egg prices averaged 38 cents per dozen; parity is 56.4 cents per dozen. Wool averaged 57 cents per pound and mohair averaged 80 cents per pound.

The all-farm products index of prices was six points below last month, but still 39 points or 13 percent above a year.

DRYLOT sheep feeders with a lot capacity of 2,000 head or more had 124,000 sheep and lambs on feed for slaughter as of October 1; this is four percent below the number on feed a month ago but four percent above the number on feed last year.

Placements during September totaled 54,000 head with a total of 14 feeders reporting 1,000 or more head on feed.

Current intentions to market are: October, 54,000 head; November, 49,000 head; December, 21,000 head.

HARVEST of most crops in Texas continues ahead of last year at this time. Corn harvest is more than 70 percent complete; grain sorghum harvest is 50 percent complete; peanut harvest is 35 percent finished.

Wheat seeding for the state has reached 64 percent completion compared with 60 percent last year. Early planted fields on the High and Low plains are making rapid growth. Moderate to heavy concentration of fall armyworms have shown up from Low plains to East Texas.

Peanut harvest is running three weeks to a month earlier. Harvest is now underway in south and central Texas counties with good yields reported.

REMEMBER to visit the Food and Fiber Pavilion at the State Fair of Texas October 7 to 22.

The Church Race

Some racial issues stand out black and white, and not just in skin color. Morally black and white. Issues which no dimness or vagueness or uncertainty obscures. Issues not subjective or judgmental or open to debate or colored by local circumstances. Some racial issues are absolute, and positions about these may be firmly adjudged true or false, right or wrong.

Should a man's relationship to his government and society be influenced by his race? That's been decided. No. The recognition of such a simple, unquestionable truth came slowly. Weren't "all men" from the beginning of our nation endowed by our Creator with the same "unalienable rights"?

Should a man's relationship to his God and church be influenced by his race? Absolutely not. Ten times older than the American Constitution is God's warning, "My brothers, do not hold your faith in our pure Lord Jesus Christ along with personal favoritism. . . . If, however, you are keeping the law of our King according to the Scripture "You shall love your neighbor as yourself," you are doing well. But if you show partiality you are committing sin."

And in another place, "There is no distinction between Greek and Jew, circumcised and uncircumcised, barbarian, Scythian, slave, and free man. But Christ is all in all."

And in another place, "There is neither slave nor free man. . . . For you are all one in Christ Jesus."

Yet how many really integrated churches have you been in?

I've been in big-city churches in Atlanta, Miami, Baltimore, Dallas, Los Angeles, Detroit -- and the best was 95 per cent white, while most were 100 per cent. And some small-town churches I've seen have been even worse, some openly declaring that no blacks would be permitted to enter if they wanted to.

It makes me sick with shame -- and God calls it open sin.

How could we believers have got so far from the truth that the government has preceded us in moving toward racial justice?

Like the hypocritical Pharisee who strained at a gnat but could swallow a camel, and could see a speck in someone else's eye but not a 2x4 in his own, the Christian institutions in America have argued over movies and cards and dancing and smoking, and neglected the more serious spiritual truths -- like the fact that God has made us all one in Jesus.

Some church members still believe and probably some churches still teach the unbiblical slander that black skin represents God's curse on Ham. (Ham wasn't even cursed! It was Canaan. And there's no reason to believe the curse was not completed on the Canaanites.)

In the race race the early leader, the church, the favorite, is finishing last. And the crowd is booing.

Census Bureau

To Make Survey

The survey on employment and unemployment, taken monthly by the Bureau of the Census, in October will include questions on school enrollment and college or professional degrees received in the past year, Percy R. Millard, Director of the Bureau's Data Collection Center in Dallas, announced today.

A sample of households in this area, part of the 50,000 national sample representing a cross section of all households, will be interviewed the week of October 16-20.

The labor force information, which is collected for the U. S. Department of Labor, provides a continuing measure of the economic health of the country. The August survey showed that there were 86.9 million employed, up from 86.5 million in July, a substantial rise, but unemployment was basically unchanged. The unemployment rate was 5.6 percent, compared with 5.5 percent in both June and July and about 6 percent a year ago.

Facts supplied by individuals participating in the survey are kept strictly confidential by law, and results are used only to compile statistical totals.

AIR FORCE ROTC NEWS

Male high school students who will graduate in 1973 and are interested in flying are eligible to apply for an Air Force ROTC four-year college scholarship.

One thousand four-year college scholarships are available for students who will enroll in the Air Force Reserve Officers Training Corps at one of the colleges and universities in the United States and Puerto Rico which offer the four-year program.

The scholarships will be awarded to qualified students who agree to become Air Force pilots or navigators after college graduation.

Each scholarship pays full tuition, laboratory fees, and textbook reimbursement. In addition, each scholarship student receives a monthly nontaxable subsistence allowance of \$100.

All applicants for a scholarship must qualify on the Air Force Officer Qualifying Test and on an Air Force medical examination. A special committee of Air Force officers will evaluate the student's scores on the American College Test or the Scholastic Aptitude Test, high school grades, extracurricular activities and personal references.

Interested students must submit their applications postmarked no later than November 15. Application forms and additional information may be obtained by writing Directorate of Admissions, Air Force ROTC, Maxwell Air Force Base, Alabama 36112.

MRS. KENNETH LYNN FISHER

Mixon-Fisher Vows Exchanged Saturday

Double ring wedding vows were exchanged by Miss Connie Marie Mixon and Kenneth Lynn Fisher at 8:00 p. m. Saturday, Oct. 14 in the First Baptist Church of Amherst with Rev. T. Glenn Willson officiating.

The bride is the daughter of Mr. and Mrs. Charles J. Mixon, Jr. and the groom is the son of Mr. and Mrs. Joe A. Fisher of Sudan.

Presented in marriage by her father, the bride wore a formal gown of candlelight peau d'oise and imported chantilly lace. The molded empire bodice was fashioned with a high ring neckline and long bishop sleeves that were caught at the wrists by a deep cuff accented with tiny covered buttons. A band of peau d'oise marked the high rise waistline with a dior bow for back accent. The controlled softly gathered skirts, edged at the hemline by the scalloped lace encrusted with seed pearls, swept to a chapel-length train. Her veil of chantilly lace with matching scalloped edge and seed pearls had tiny baby breath for a headpiece and fell below the waistline.

The bridal bouquet was of pink carnations, baby breath and a removable corsage of a white cattleya orchid and pink and white streamers, carried atop the white Bible which was presented to her at the White Bible ceremony.

The bride wore the traditional blue garter, pennies in her shoe bearing the years of their birth and wore a wedding ring which belonged to her great-great grandmother, who was married in 1872. For something borrowed she carried a handkerchief belonging to Mrs. Glenn Willson.

She was attended by Miss Sheryl Willson, maid of honor, of Plainview and Mrs. Len Mixon, matron of honor of Pampa. Bridesmaids were Miss Christi Batson of Amarillo and Mrs. Rodney Maxfield of Amherst. The attendants were attired in floor length gowns of the bride's chosen colors. The long burgandy skirts were softly gathered onto a pink bodice featuring a stand-up collar, empire waistline and long sleeves gathered to buttoned cuffs. Pink chiffon lace beading encircled the waistline and long sleeves gathered to buttoned cuffs. Pink chiffon lace beading encircled the waistline. They carried bou-

quets of pink carnations, baby breath and pink and burgandy streamers.

Miss Pamela Fisher of Littlefield served as flower girl and Miss Donna Quarles and Miss Shonda Quarles were candelighters. Ringbearer was Barry Fisher of Littlefield.

Gary Gatewood of Sudan served as best man. Groomsman were Bobby Newman of Sudan, D. W. Muller and Pat Brown, both of Amarillo. Ushers were Len Mixon of Pampa, Ronnie Fisher of Littlefield, and Edward Fisher of Sudan.

Mrs. Jomeryl Harmon was organist and Miss Pam Yantis was pianist. Both accompanied Miss Kyla Harmon of Amherst as she sang "The Twelfth of Never", "Color My World", and "Walk Hand In Hand."

Miss Kimberly Fisher of Littlefield registered the guests.

The church was centered with an arrangement of pink gladioli and burgandy carnations under an arch candelabra with the memory candle which was lighted during the ceremony. Flanked on either side were candelabra with pink tapers entwined with emerald foliage and baby breath.

The mother of the bride wore a floor length burgandy dress with accented skirt and matching accessories, with pink rosebud corsage.

The groom's mother wore a formal length gown of pink chiffon with matching accessories, with pink rosebud corsage.

Following the ceremony a reception was held in the fellowship hall of the Methodist Church. The bride's serving table was covered with a white net over satin cloth. Traditional wedding cake and punch were served from crystal and silver appointments by Stephanie Carter, Kay Campbell, and Denise Cornelius. The groom's table was covered with a cloth of antique satin with diamond stitching. Chocolate cake and coffee were served from china and silver appointments by Mrs. Arlene Fisher of Littlefield and Mrs. Wyanette Fisher of Sudan.

For her wedding trip the bride chose a burgandy and pink suit with burgandy accessories.

The bride is a 1970 graduate of Amherst High School and Ibsell's University of Beauty Culture. The groom attended Sudan Schools and is a Vietnam war veteran.
