FORTY-EIGHTH YEAR NUMBER 41

SUDAN, LAMB COUNTY, TEXAS

THURSDAY, NOVEMBER 30, 1972

10C PER COP.

WOODWORK

—by dalton

IN THE PAST 20 years I have been fishing a lot, sometimes as often as twice a year, about the same frequency as visiting the golf course. Once I went four times in one year, and if I should go again before Jan. 1, I will equal that mark in 1972. But I did mess up a 20-year record last weekend on a fishing trip: I caught a fish.

Well, I had caught a couple of overgrown minnows over the years, but never before last weekend did I catch one big enough to bring home and eat (however, we did bring one home and someone ate it earlier this year, but it really wasn't big enough to keep).

I caught a gigantic, monstrous fish about 8 or 9 inches long and weighing about a pound or maybe a pound and a half. Now I realize that's pretty small stuff to a real fisherman, but it's plenty big to someone who has had such a long wait to catch a fish.

After I caught it, I didn't know what to do with it. I slung it all over the place trying to get it in. Finally it hit the floor and one of my companions put his foot on it. Later one of the men suggested I clean it, which sounded pretty silly to me. After all, the critter had been in the water all that time; it surely wasn't dirty.

They showed me then what they meant by cleaning it, and what they did to that fish in the name of cleanliness was a shame.

Then we cooked it, along with some of the other guys caught, and ate fish.

Figure that fish cost me about \$18, unless you count all the money spent in previous years trying to catch one. In that case, it probably would be about \$300.

It really isn't likely that I'll go fishing again this year. After all, why go fishing? I've already caught my fish.

FROM THE COLUMN "Casual Corner Copy" in the Brownfield News, by Sig H. Atkinson, comes this tidbit, which Sig says was clipped by one of his readers from somewhere, entitled "Parents Need Love." Parents of teenagers who don't understand them perhaps should cut it out and post it where the youngsters can see it:

—Try to understand your parent's music; play Glenn Miller's "Moonlight Serenade" on the stereo until you are accustomed to the strange sound.

—Be patient with the under-achiever.

—When you find your dieting mother sneaking salted cashews, don't show your disapproval; reason with her.

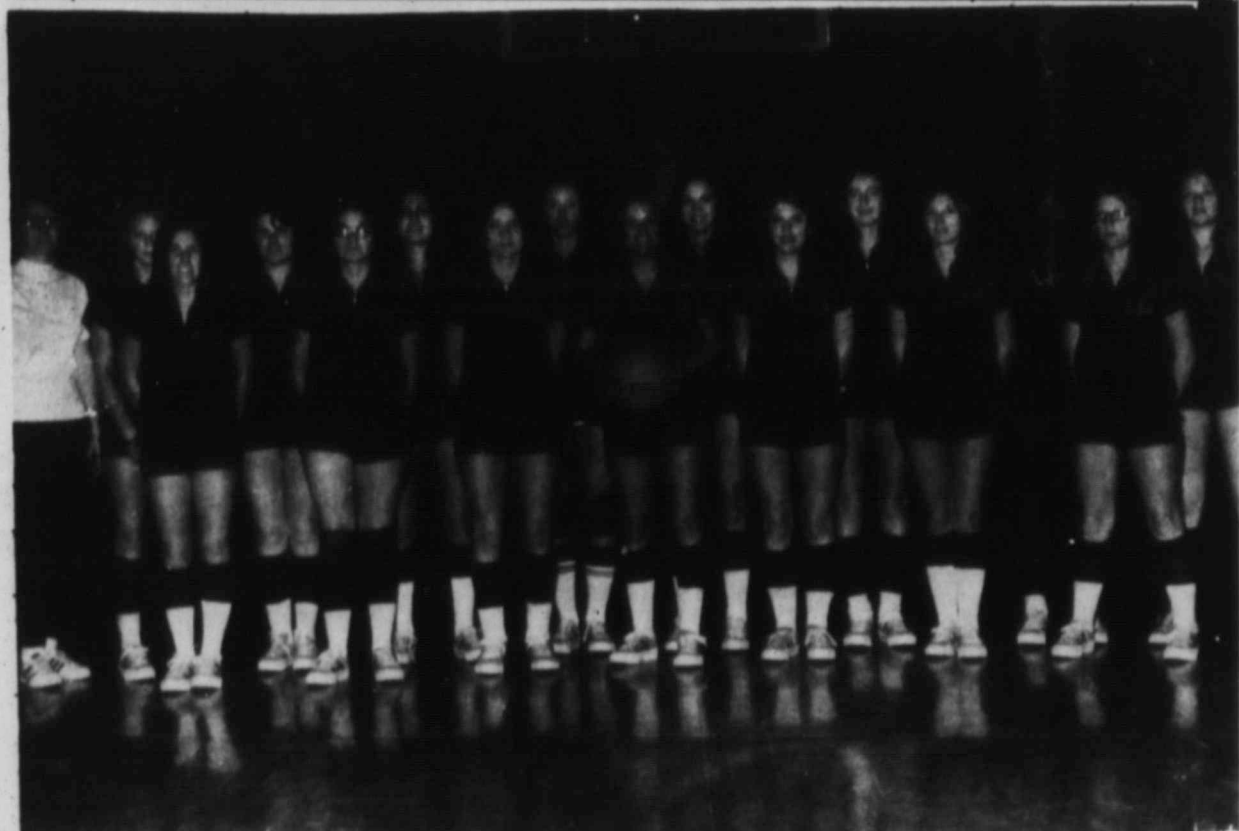

—Encourage parents to talk about their problems. Remember that things like earning a living and paying off the mortgage seem important to them.

—Be tolerant of their appearance—they want to look like their peers.

—If they do something you consider wrong, make it clear that

HORNETS ROUND BALL SEASON OFF TO GOOD START

The Hornets got their basketball season off to a rousing start last Tuesday as they swamped their arch-rivals, the Amherst Bulldogs 57-23 before an enthusiastic home crowd. The Hornets never trailed in the one-sided contest as they outscored their opponents in each quarter 10-7, 15-4, 12-6, and 20-4.

Motivated by a stout full court press, the Hornets sparkled on defense as they forced repeated Bulldog turnovers. Larry Baker alone was responsible for nine steals on defense, followed closely by Pat Hedges, Roby Lynn, and Mark Hanna with five each. On the boards, it was

Richard Tamplin who provided the thrust as he hauled down 18 stray shots. Roger Swart, Danny Williams and Keith Downs were also cited for their superior defensive play.

Offensively, the Hornets clipped off 26 of 71 field goal attempts for a mediocre 37%. Tamplin pumped in 22 points, followed by Hanna with 16, Hedges 10, Noles 4, Baker 3, Downs 2. Coach Campbell cited Mark Hanna for the "HUSTLIN' HORNET" Award. Mark played as fine a defensive ballgame as you could ask for this early in the season. He pressured the Bulldogs into countless mistakes with his hustle and determination. Offensively he had 16 points and two assists and was a main cog in getting our fast break moving, stated Campbell. The entire team did a terrific job and are looking for a repeat performance against Cotton Center Tuesday night.

Larry Baker and Keith Downs, returning senior lettermen have been chosen as captains of the 1972-73 Hornets. Keith is the tallest Hornet this year at 6'2" while Larry is the shortest at 5'8".

The Hornets are coached by Gary Campbell, head coach, and Bob Crane, assistant coach. Managers are Weldon Mooney and Bobby Richards.

With only 24 boys out for basketball in the top four grades, Coach Campbell states that the Hornets are faced with a problem of depth. "However," he states, "we seem to have sufficient talent to have a successful season. The attitudes and willingness to work hard has impressed me with our basketballers and we hope to improve considerably over last year's record."

He also stated that they are introducing a new brand of basketball to most of our athletes by employing a pressure type defense and a fast-break oriented offense, and that the kids have caught on real quick to the new philosophy and seem eager to correct their mistakes.

Members of the boys Sudan Varsity and Junior Varsity teams include the following:

Larry Baker, Keith Downs, Roger Swart, Ernest Jefferson, Mark Hanna, Pat Hedges, Roby Lynn, Don Noles, Donnie Weaver, Charles Freeman, Carroll Legg, Mitch Chester, Craig Harper, Bobby Phillips, David Aills, Richard Tamplin, Danny Williams, Brian May, Freddie Legg, Antonio Cruz, Daryl Roberts, Larry Bellar, Mark Lane and Charlie Jefferson.

The Hornet junior varsity got off to a fast start against the Bulldogs but ran into foul trouble in the second half as they fell to Amherst 37-40. Five Hornets retired to the bench as a result of fouls as Sudan committed 33 personals to 16 for Amherst.

Charles Freeman provided the offensive thrust for Sudan with 17 points. Ernest Jefferson tallied 8 points, followed by Donnie Weaver with 4, Craig Harper 3, Mitch Chester 2, Carroll Legg 2, Charlie Jefferson 1.

Coach Crane cited the defensive play and rebounding of Carroll Legg as outstanding for the game.

The Varsity girls defeated Amherst by a score of 55-35 Tuesday night when Cecie Bandy scored 27 points, followed by 22 points by Tanya Chester. 7 by Deanna Phillips, and 2 by Debra Edwards. Guards seeing action were Becky Kinnie, Toni McWilliams, Wanda Weaver and Jana West. Misses Bandy and Weaver both left the game on five fouls.

Rita McAdams also scored 27 points, for the Amherst team, followed by Gina Young who had 19 points. 6 by Gail Weaver and 3 by Dori Kittle. Stephanie Carter, Rosa Garin and B. Cook were charged with five fouls each. Amherst had a total of 36 fouls to 20 for Sudan. Sudan made 53 of their shots, and Amherst 43.

The junior varsity girls slipped by Amherst 43-40 behind the shooting of Joan Hedge and Linda Edwards. Miss Hedge had 28 points, Miss Edwards 14 and Chyrel Phillips 1. Miss Hedge along with Cindy Moss, Shelby Hargrove and Oletha Johnson went to the bench on fouls. M. Coffey for Amherst. Sudan had 33 fouls to 25 for Amherst.

In junior high basketball, the eighth grade girls edged Kress 22-21 in the local gym Monday night. Kay Tamplin scored 14 and Elizabeth Jefferson 8 points for Sudan. Patsy Borum had 14 points for the losers.

The eighth grade boys walloped Kress 39-19. Scoring for Sudan were K. Martin with 10 points, J. Williams 8, R. Harrison 8, C. Doty 6, D. Flower 4 and H. Messamore 3.

The seventh grade boys handed Kress a defeat. Final score Sudan 44, Kress 9. Sudan scored 12 in the first quarter, 10 in the second and led 22-14 at half-time. Edgar Tamplin led the Hornets with 20 points. Darren Provence got 10, Lonnie Simpson 2, T. Clennan Williams 2, Joel Williams 4, Harvey Donahue, Terry Nash Sterling and Donnie Graves each had 2.

In seventh grade girls action, the local team tasted defeat by a score of 8-6 by Kress. Lori Harper scored 4 points, and Betty James and Kelli Hargrove each scored 1.

ADVERTISING PERMITS REQUIRED

Owners of advertising signs along Interstate, US and major State-numbered highways have until December 31 to apply for permits required under the Texas Highway Beautification Act.

The act controls all outdoor advertising signs from the largest signboard to the smallest sign hanging from a fence along the right of way line.

The Texas Highway Commission established the deadline under the legislation which became effective on June 29. The

act requires that no person may erect or maintain a sign within 660 feet of an Interstate or federal-aid primary highway in Texas without a license to engage in outdoor advertising.

In addition to the license, the sign owner must have a permit for each sign he has now or which he plans to erect.

On-premise signs — those advertising activities conducted on premises and those offering the property for sale — are exempt.

The act will be implemented in stages. The first stage requires the owner of the sign to obtain a State license and post a bond. The license fee is \$25 and the license is valid for an indefinite period.

The license application must be accompanied by a bond in the amount of \$2,500 for each county in which signs are located, or a maximum bond of \$10,000 for owners with signs in more than three counties.

Both license and bond form applications may be obtained by writing the Right of Way Division, Texas Highway Department, Box 5975, Austin 78763.

After obtaining a license, the owner is required to obtain a separate permit for each existing and new off-premise sign on the affected highways. Sign permit application forms can be obtained from the Right of Way Sections of the Highway Department district offices.

Anyone planning to put up a new sign on the controlled highways should check with the Highway Department district office in his area before doing anything, to determine if the proposed sign location conforms to the law.

Owners of signs along the controlled highways who have questions about the program should contact the Highway Department district office nearest them. The one for this area is O. L. Crain, Box 771, 601 Slaton Rd., Lubbock 79408, phone SH 4-8411.

SPC TO HOLD ANNUAL CAROL OF LIGHTS

South Plains College will hold its annual Carol of Lights on Thursday, Nov. 30. The annual event, which was begun four years ago, has been expanded to include a more versatile program designed to attract citizens from all over the South Plains.

The 6:30 p.m. program will feature the lighting of the fifty foot Christmas Tree which is located on the front part of the campus. In addition several campus buildings will be lighted simultaneously to give the campus an overall festive appearance. The lighting of the buildings began last year.

Santa Claus will make an appearance and will have candy for all the youngsters in the crowd.

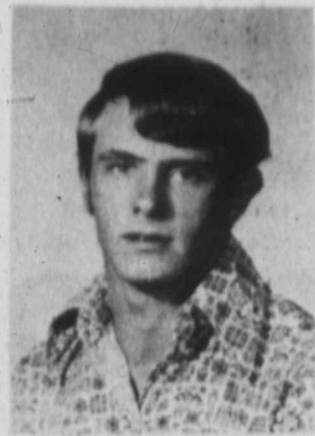

Special Christmas music will be presented by a Brass Choir from the Texan Band. Level-land church choirs have also been invited to participate with community singing to follow.

Citizens from all over the South Plains area are invited to attend.

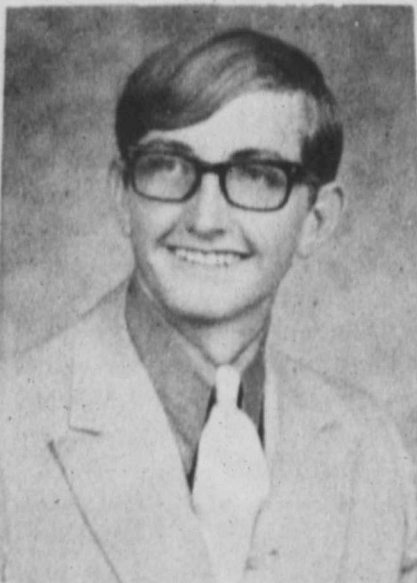

BAPTIST MEN TO HOLD BREAKFAST SATURDAY

The Baptist men will meet Saturday morning, Dec. 2, at 6:30 a.m. for their regular monthly meeting and breakfast. All men and R. A. boys of the Baptist Church are invited to attend.

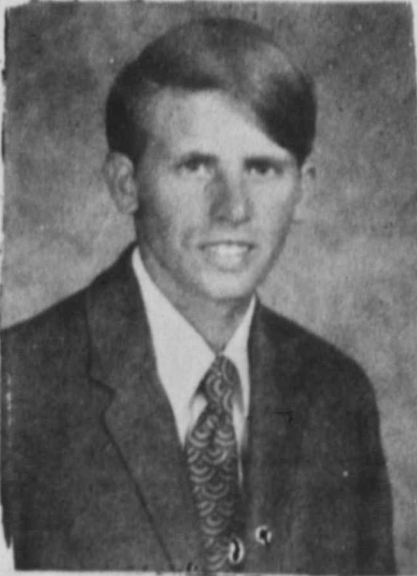

Ed King of the Mt. Zion Baptist Church will be speaker.

Baby's First Christmas
Baby's first Christmas—it's an exciting day for everyone in the family. But like every first-time experience with a new baby, it's smart to plan ahead so baby's activities go smoothly. For a memorable holiday season, follow these timely tips from the child-care experts at Gerber.
Experienced mothers will tell you to simplify the holiday as much as possible. Don't take baby Christmas shopping. Leave him at home with a reliable sitter and you'll both benefit.
Tree lights and ornaments delight a tiny baby, so put him near it in an infant seat or on a soft blanket spread on the floor. Be certain he won't be able to reach the tree. This will entertain him while you're busy with your own Christmas preparations.
For baby's first Christmas feast, choose some of the same fare that the rest of the family will enjoy. Buy jars of Gerber strained or junior Turkey. Sweet Potatoes and Raspberry Cobbler. Edna Mae McIntosh, nutritionist for Gerber, advises feeding baby in a quiet corner where there aren't any distractions. Since the excitement of the holidays, the traveling and other unusual circumstances make it difficult to keep him on his regular schedule, she recommends that you stick to favorite foods and not choose this time to introduce new ones into his menu.

COTTON HARVEST

Back had ginned 261 bales. The Central Compress reports that they have received 5,300 as of Tuesday and expect to have as many as 6,110 by Thursday (today).

The four classing offices, Lubbock, Brownfield, Lamesa, and Levelland, report they classed 50,000 samples during the week ending Friday, Nov. 24. This brought the total classed this season to 133,000. Through November 24th last year only 48,000 samples of the 1971 crop had been classed according to the USDA.

Low Middling (51) was the predominant grade at Lubbock last week making up 33 percent of all cotton classed. Strict Low Middling (41) made up 26 percent, Strict Low Middling Light Spotted (42) 14 percent and Strict Low Middling Spotted (43) 7 percent.

Staples were predominantly 31 to 34. Twenty-one percent had a staple length of 31, 24 percent stapled 32, 25 percent was 33 and 12 percent was 34.

Micronaire readings are an indication of fiber fineness or maturity. Cotton with micronaire readings of 3.5 through 4.9 is considered in the premium range. Fifty-seven percent of all cotton classed at Lubbock last week had micronaire readings in the premium range of 3.5 through 4.9, 1 percent was in the high micronaire range of 5.0 - 5.2, 15 percent "miked" 3.3 through 3.4, 20 percent was 3.0 through 3.2, 6 percent 2.7 through 2.9 and 1 percent was 2.6 and below.

Cottonseed prices were slightly higher and farmers received \$45 to \$52 per ton for their cottonseed at gins. Average price was \$48.10 per ton.

The Agricultural Marketing Service of the USDA reports an increase in trading on the Lubbock market as more cotton became available and prices were \$10.00 to \$15.00 per bale higher.

Average prices paid for the most predominant qualities in the 3.5 to 4.9 premium micronaire range were: Strict Low Middling (41) staple 31-25.05 cents per pound, Strict Low Middling (41) staple 32-25.25, Strict Low Middling (41) staple 33-26.65, Low Middling (51) staple 32-22.95 and Low Middling (51) staple 33-23.85.

Mrs. Marley Hall returned home Saturday after being a medical patient at the Metho-

dist Hospital last week.

Out-of-town holiday visitors in the E. C. Minyard home were her brother Mr. and Mrs. R. D. Ormand of Arlington, her sisters, Mr. and Mrs. Robert Dyer and Stacey of Bandera, and Mr. and Mrs. J. R. Anslow and Patsy of Houston. Mrs. A. W. Ormand also visited with her children in the Minyard home.

Mr. and Mrs. B. A. Beauchamp, Sean and Todd were dinner guests in the home of his sister, Mr. and Mrs. Cotton Robertson and family on Thanksgiving day.

Mr. and Mrs. J. A. Graves were in San Jon, N.M. during the holidays to visit her mother, Mrs. Clara Shiplett.

PATENTED ACTION

"SNAP"
automatic
FISH FEEDER

for
FLAKE OR GRANULAR FOOD \$15⁹⁵

FEED YOUR FISH ONCE A MONTH!

The new "SNAP" fish feeder is designed to automate the daily feeding operation for your aquarium pets. Made of durable CYCOLAC plastic it is virtually indestructible under normal conditions. Simple to install and adjust—yet will run month after month unattended. Uses minimum space. Food will not cake or stick. Amount of food dispensed is adjustable to suit your needs. Holds a minimum full charge supply of food for 30 days single feeding, refilled easily. Can be set to feed once or twice a day. Dispenses all types of commercial fish food—flake or granular. Distinct "SNAP" action summons the fish at feeding time. "SNAP" is operated by a UL approved timing motor (one year guarantee) using 110 Volt A.C. 60 Cycle house current. Units for 220 Volt, 50 Cycle available. All mechanical parts are guaranteed for 5 years.

"BETTY CROCKER HOMEMAKER OF TOMORROW" SOUGHT
College scholarships totaling \$111,000 will be at stake Tuesday, Dec. 5, when high school seniors here, both boys and girls, and throughout the country, join in the written knowledge and attitude examination of the 1973 Betty Crocker Search for American Homemakers of Tomorrow. Scores on the 50-minute test will form the basis for selection of a Homemaker of Tomorrow here. This student will receive a specially designed award from General Mills, sponsor of the Betty Crocker Search, and will, together with all other school winners, remain in the running for state and national honors. State Homemakers of Tomorrow - one from each state and the District of Columbia - will be awarded \$1,500 scholarships. They will also earn for their schools a 20-volume reference work, "The Annals of America". Second-ranking participants in each state will receive \$500 college grants.

God didn't promise
There'd never be rain,
He didn't promise
There'd never be pain,
But can you remember
A dark, rainy sky
That didn't clear up
When the clouds
Had passed by?
