FIRE DEPT. REPORT

The local Volunteer Fire Department answered numerous calls over the holidays, from Dec. 19-Dec. 28, 1972.
On Dec. 19 they answered a call to the Beck Gin at 8:45 p. m.; Dec. 20 at the Milton Wiseman home about 9:30 a. m. for burning stubble; at the Kenneth Vincent home at 5:30 p. m. when trash, grass and a fence were burning, and at 4:50 p. m. the same day at the Nathaniel Williams home for a trash and weed fire.
On Dec. 22 the fire department answered a call to Halsell Ranch between 3:30 and 4:00 p. m. to extinguish a grass fire. On Dec. 23 they went to the Sudan-Lubbock Water Works on Hwy. 84 at 4:15 p. m., and to the M. C. Ingram home on Dec. 24 at 5:30 p. m. for a grass fire.
On Dec. 25 at 10:00 a. m. they extinguished a fire at Central Complex to motor, and also a grass fire at 2 p. m. at the Da-

Cleanest Air In Heart of Texas

Arlington, Tex. — (DIX)—The area with the cleanest air of the 18 largest metropolitan centers is The Southwest Metroplex, according to the Urban Institute. The Southwest Metroplex is a 6,214 square mile area centered around Dallas and Fort Worth.

In addition to its cleanliness, the area boasts sunshine almost 70 percent of the year and short, mild winters—the first freeze is as late as December

27 and the last as early as February 14.

60 GOLF COURSES

"Excellent weather is one of the reasons our area supports more than 60 year-round golf courses as well as major league football, basketball, baseball and hockey," according to Richard Jones, Director of the North Texas Commission, the marketing arm of the area.

SURVEY SLATED

Families and households in this area will be included in a nationwide survey of buying plans and home repairs to be taken the first two weeks of January by the Bureau of the Census, according to Percy R. Millard, Director of the Bureau's Data Collection Center in Dallas.

Bureau interviewers will ask householders about any plans to buy a house, a car, or major household appliances during the next year. Questions about home repairs and alterations will concern those made during the past three months.

The Bureau conducts the survey every three months to serve as a measure of what U. S. families expect to buy in the near future.

For example, the October survey indicated that consumer plans to buy both new cars and houses were higher than they were in the July survey, as were expectations to buy major appliances, furniture, and carpets. Households included in the survey are not identified. The information is confidential, and is used only for statistical purposes.

The Bureau representative in this area is:

Mrs. Rosemary McNeese, Rt. #1, Amherst, Tex. 79312.

SP-COTTON HARVEST EXCEEDS MILLION BALES

The South Plains cotton harvest passed the one million bale mark during the last week in December, according to W. K. Palmer, in charge of the U. S. D. A. Clipping Office in Lubbock.

Samples from 1,013,000 bales had been classed at the Lubbock, Brownfield, Lamesa and Levelland offices through Friday, Dec. 29.

Personnel at the four offices tested and classed samples from 208,000 bales during the week ending Dec. 29.

Cotton quality was lower as the harvest entered its final phase. Grade, staple and micronaire continued to decline.

PROVENCE HOME

Two calls were made on Dec. 27, one when a truck caught on fire four miles east of Sudan on Hwy. 84 at 3 p. m., and the Ellison Gin at 3:30 p. m. where cotton trash behind the gin was burning, on their way back from the truck fire. They also went to Ellison Gin on Dec. 28 when a bale of cotton was on fire at 12:10 a. m.

MR. AND MRS. M. C. (JACK) ENGRAM

Mr. & Mrs. Engram To Be Honored On 'Ruby' Anniversary

The children of Mr. and Mrs. M. C. Engram will honor their parents on their fortieth wedding anniversary on Sunday, Jan. 14 from 2:00 to 5:00 p. m. at the Fellowship Hall of the First

United Methodist Church in Sudan.

All friends and relatives are invited to attend; no local invitations will be sent out. No gifts, please.

CORRECTION ON CITY REVENUE TOTAL

A correction has been sent to this newspaper regarding the amount of Revenue Sharing Program which the City of Sudan was reported to receive and is as follows:

The City of Sudan received a check for \$2,800 as its first increment in the Revenue Sharing Program, which extends over five years, instead of the four year period reported, and should total more than \$28,200, instead of the \$11,000.

PERSONAL

Dan Provence is a medical patient in the Amherst hospital, where he was moved Monday following surgery Saturday in the Methodist Hospital in Lubbock.

PIONEER NATURAL GAS ANNOUNCES COMPLETION OF NEW GAS WELL

Amarillo Oil Company, a subsidiary of Pioneer Natural Gas Company, has announced the completion of its R. A. Flowers #1 gas well with a calculated open flow potential of 7.250

MCF (7.25 million cubic feet) a day from a depth of approximately 12,000 feet.

Officials of Amarillo Oil Company, which has a 55% working interest in this well, have indicated that the well has particular significance in that it assures the drilling of four additional development wells in the area during 1973. The well is located in Section 6, R. 5, S. 5 F. Survey, in Roberts County, Texas.

Pioneer Natural Gas Company, which has a preferential right to contract for 100% of the gas production from this acreage, is designing a gathering system for the area. It is anticipated that the gathering system will tie in with the company's Buffalo Well line which was completed in 1970.

NEW PHONE RATES SET

Telephone customers may notice a one per cent decrease in their telephone bills in January. The reduction is the first sched-

uled step to eliminate the Federal Excise Tax paid by telephone customers and collected by telephone companies on tel-

ephone service, reducing it from 10 per cent to 9 per cent during 1973.

The government agreed in 1971 to continue the tax through 1972 and then reduce it one per cent annually for 10 years until eliminated.

The Federal Telephone-Excise Tax was first passed as a "temporary" tax during the Korean Conflict in 1953. It was an easy tax to assess, even easier for the government free of charge.

Despite continuing efforts to remove the tax, felt by many to be unfair, it has continued since the end of the Korean Conflict.

The tax is levied on both local telephone and long distance calls.

NO SCHOOL MONDAY!

Students at the Sudan Schools will receive another holiday Monday, Jan. 8, when local teachers will be on duty for a day of In-Service Work.

Regular classes will resume on Tuesday, states Dale Read, high school principal.

were equally unproductive on the boards as they cleared only 41 rebounds, compared to 65 for the taller Wildcats.

Donnie Noles helped pick up the scoring slack as he connected on 6 twenty-footers while scoring 15 points. Tamplin added 8, Mark Hanna 7, Kim Engram 4, Ernest Jefferson 3, and Charles Freeman, Pat Hedges and Keith Downs 2 each.

The Hustlin' Hornet award went to Don Noles who besides having 15 points, had 5 rebounds and 4 steals.

The Hornets eked by Hart 48-46 there Dec. 19 and now stand 1-1 in district play. Tanya Chester hit for 24 points, Phyllis Ray 10, Debra Edwards 4, Mary Ann Bellar 6, and Deanna Phillips 4.

They also defeated Littlefield 59-55 last week when Miss Chester again paced the Hornets with 30 points, Miss Ray 18, Debra Edwards 7, and Mary Ann Bellar 4. Toni Gardner led Littlefield with 25 followed by Jill Owens with 18.

The Junior Varsity girls also won over Littlefield 34-21. Linda Edwards scorched the nets with 24 points, Evelyn Caldwell and Joan Hedges 3 each, and Francine Noles, Ann Nix and Cheryl Phillips all had 2 each.

The Junior Varsity boys were sluggish and lost to Littlefield 48-25. They won over Hart in overtime 42-41 with Danny Williams scoring 3 and Donnie Weaver 2 in the overtime period.

The next conference game will be Friday at Bovina.

The Hornets were no match for the Class AA "powerhouse" from Abernathy Tuesday night as they fell to the undefeated Antelopes 48-93. Ranked 2-

BASKETBALL RESULTS

The Hornets suffered their first district setback at the hands of the Hart Longhorns last Tuesday night, Dec. 19, 56-59, in another hard-fought battle which marked the seventh time this season that the Hornets have lost by six points or less. The loss brought Sudan's season record to 3-9 while they stand 1-1 in district place and are tied for third place.

Both teams hit 40% from the field during the game but the difference came at the "charity" line where Hart hit 15 of 25 while Sudan managed only 6 of 16.

The Hornets fell behind quickly in the first quarter and trailed 12-8 at that point. However, a strong second quarter with Tamplin scoring 11 points brought the Hornets into a 31-31 deadlock at halftime. Hart led by one at the end of the third stanza 42-41 and kept that lead throughout the last quarter.

Coach Campbell commented that "the Hornets are still continuing to improve even though

they have had trouble winning the close ones. We had sterling performances from Richard Tamplin and Kim Engram, and Engram was chosen as the "Hustlin' Hornet" for the game." Engram had 10 points and 11 rebounds for the contest and also turned in a fine defensive performance.

Tamplin once again led the Hornets in scoring with 23 points, followed by Engram with 10, Mark Hanna 9, Keith Downs 6, Larry Baker 4, Don Noles 2, and Roby Lynn 2. On the boards, Sudan edged the Longhorns 49-41 but also committed 25 costly turnovers.

Thursday night, Dec. 28 the local teams journeyed to Littlefield when the cold shooting Hornets hit only 15 of 66 field goals for 23% against the Wildcats and lost their tenth game of the season.

Foul trouble plagued the locals throughout the game as their scoring ace, Richard Tamplin, played less than two quarters before fouling out. The Hornets

Skillet Zucchini
For sheer vegetable versatility, it's hard to beat the beautiful green zucchini. Stuff it with chopped meat and you have an entree, top it with capers, oil and seasonings, and it's an appetizer or salad, and fried, baked or broiled, it's a vegetable without equal.
Here's a recipe for a zucchini dish that might be served with any cut of meat or even over rice. Besides being good, it's also easy and takes just 15 minutes cooking time. You'll find clean-up easy, too, if you make it in a General Electric skillet. In addition to being thermostatically controlled to maintain the cooking temperature you want, the skillet also has a double non-stick coated surface so washing is easy. Dinner over—snap a way the leg and handle sections, unplug the heating control unit, pop the skillet into the sink or dishwasher—and relax.

SKILLET ZUCCHINI

4 cup butter or margarine	1 medium clove garlic, crushed
6 medium zucchini, cut into 1/2-inch slices	1/2 teaspoon oregano, crushed
1 medium onion, thinly sliced	1 teaspoon salt
1 medium green pepper, cut into strips	1/2 teaspoon pepper
1/2 teaspoon basil, crushed	2 large tomatoes, cut into wedges*

Preheat skillet at 300° F. Melt butter or margarine and add zucchini, onion, green pepper, basil, garlic, oregano, salt and pepper. Cover, close vent and cook 10 minutes, stirring occasionally. Add tomatoes and continue cooking 5 minutes or until vegetables are tender. Yield: 8 servings. * 1 (28 oz.) can whole tomatoes, drained, may be substituted for the two fresh tomatoes.

BENTSEN TO SPONSOR LEGISLATION KEEPING NEWSMAN SOURCES CONFIDENTIAL

Senator Lloyd Bentsen (D-Tex.) has announced that he will sponsor legislation in the 93rd Congress to allow newsmen to protect their sources of information. "I firmly believe that a newsmen should be able to offer his confidential sources of information the same protection a lawyer offers his clients or that a doctor offers his patients," the senator stated.

He cited the jailing of news reporters William T. Farr in Los Angeles and Peter J. Bridge in New Jersey as incidents that aroused his concern over the imperiled right of newsmen to pursue investigative reporting. The senator added that the Congress must take up the issue in the

upcoming session in response to growing public concern over whether freedom of the press will continue to exist in this country.

Senator Bentsen pointed out that both Farr and Bridge had been jailed by state judges relying on state laws, and that many of the other instances of confrontation between newsmen and public officials over the confidentiality of news sources had also involved state, rather than federal laws.

"A free press is inseparable from the maintenance and protection of a free society," the senator concluded.

IRC TO MEET FEB. 2-3

Texas State Representative Bill Clayton of Springdale will again head the Intergovernmental Relations Committee (IRC) the primary state-federal policy-making arm of the National Legislative Conference.

Rep. Clayton served as chairman of the IRC during 1971-72. The primary focus of the committee, made up of over 200 State Legislators from across the country, is the development of policy on key state-federal issues. Its six task forces study problems and provide representative state legislative viewpoints on significant intergovernmental concerns. It also serves as a framework to guide legislators and staff representing the MLC in extensive contacts with Congress and the federal executive departments.

The first meeting of the IRC will be Feb. 2-3 in Washington. The National Legislative Conference is the organization representing 7,600 State Legislators across the country.

BASKETBALL

Among the top teams in Texas is the 18-0 season record, Abernathy completely dominated the game, led by a contingent of starters averaging 6'4" in height.

Coach Campbell stated that though he was disappointed in the score, he felt there were some bright spots also. "Our best men, did a fine job on the board even though they were outplayed by the Antelopes. Keith Downs did a tremendous job of rebounding before fouling out early in the third quarter. Keith Downs had 11 rebounds with 9 of those coming in the second quarter alone." For his outstanding play, Downs was awarded the "Hustlin' Hornet" award for the game.

Richard Tamplin tallied 16 points to lead the Hornet scoring, followed by Mark Hanna 9, Don Noles 7, Keith Downs 5, Kim Ingram 5, Ernest Jefferson 2, Pat Hedges 2, Roby Lynn 2, and Roger Swart 2.

The Hornets are currently tied for second place behind Farwell.

JR. VARSITY BASKETBALL

The junior varsity boys received a sound licking at the hands of the Antelopes from Abernathy Tuesday night. Final score was Abernathy 48, Sudan 16.

The Hornets outscored Abernathy only in the second quarter of play when they had 8 and 4 points respectively. Danny Williams scored 8 for the Hornets, Daryl Roberts, Craig Harper and Donnie Weaver had 2 each, and Mitch Chester and David Aills each scored 1.

The next junior high game will be on January 8 at Hart.

Named as captains recently for the 1972-73 Hornettes basketball team were Misses Deanna Phillips, Cecie Bandy, and Wanda Weaver. They were elected by fellow teammates.

The Hornets won a tough one 62-61 over visiting Abernathy after leading the first quarter 14-12. They were outscored in the second frame 22-13 points and Abernathy still led at the end of the third quarter when the score was 47-38. However, in the final period of play, Sudan gradually closed the gap and with some four minutes of play left in the game with Abernathy leading by six points, the visitors went into a "stall". With numerous turnovers and fouls by both teams the Hornets came within two points playing catch-up when the tying goal was made by Debra Edwards on a ten foot basket. An exchange of baskets and more fouls, Sudan clinched the win in the closing seconds.

Nine local girls went to the court in this hard-fought battle which got off to a late start due to the Abernathy bus breaking down at Littlefield on the way night. The visiting coach and starting six were given a ride on into Sudan with the other students following later.

Forwards for the Hornets were Tanya Chester who made 36 points with 30 of these free shots; Deanna Phillips with 10 points, Debra Edwards 6, Mary Ann Bellar 6 and Phillis Ray 2. Guards for the game were Wanda Weaver, Becky Kinnie, Cecie Bandy, Jo Gaye Doty, Jana West, Mary Griffith and Mary Ann Bellar. Three Abernathy players scored in double figures in the game.

"Borrowing neighbors usually take everything but a hint."

"A fellow we know is putting all his money in taxes. He says it's the only thing he is sure will go up."—William R. Lewis, The Lynden (Wash.) Tribune.

HISTORY OF DRUGS IV

By the 1800s, the Arabs knew about coffee, and took it in religious ceremonies for its "intoxicating" effects. Some claimed that the Angel Gabriel had given the coffee plant to Mohammed; others claimed that the Koran forbade such stimulants.

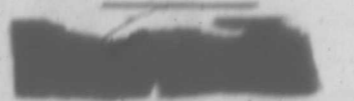

Coffee was widely used throughout the Arab world by the 1500s, often with khat, a stimulant leaf, which is chewed. Both were officially frowned upon, especially with the rise of coffee houses as important meeting places. Authorities feared that coffee houses would breed rebellion, and repeatedly tried to prohibit coffee. Criminal penalties—including death—failed to stop the spread of coffee, however.

It was in the 1600s that coffee reached Europe, where its religious and medicinal virtues were hailed by some. In 1675, however, Charles II of England ordered all coffee houses closed. He rescinded his order sixteen days later because of the great popular outcry. By 1700 coffee houses were popular throughout most of Europe and were spreading to America.

Scandinavia prohibited the use of coffee until coffee smuggling got out of hand. In 1708, coffee was legalized and taxed, bringing profits into government treasuries.

Tea, cultivated since antiquity in China, had reached Japan by 600 A.D., and Buddhist priests used it ritually for centuries. In the 16th century, the tea ceremony developed as a socio-religious rite, a means of attaining the peace and tranquility of Zen.

Tea first appeared in England by the 1650s, and, in 1773, American colonists protesting the British tea tax dumped tea shipments into Boston harbor. The American preference for coffee is said to date from that time.

Mr. and Mrs. Jerry Morris and children of Grants, N.M. were here during the holidays to visit his parents, Mr. and Mrs. Homer Morris. Other visitors were their daughter and family, Dr. and Mrs. Thurston Bryant and children of Luben, Mo.

Mr. and Mrs. Glen Cardwell and children were in Plains during the holidays to visit relatives.

Visitors Christmas day in the home of their parents, Mr. and Mrs. J. C. Wells of Muleshoe, were their children, Mr. and Mrs. Claude Patton and Adam and Lori of Lubbock, Mr. and Mrs. Wayne Willford, Rita and Rose of Abernathy, Mr. and Mrs. Wayne Doty, David, Jo Gaye and Donald, Mr. and Mrs. Billy Gore of Midland, Mr. and Mrs. Glenn Chester, Curtis, Mitch, and John, and Mr. and Mrs. Kenneth Wells, Chels and Jeff.
