TEXAS AIR CONTROL BOARD will conduct hearings in Houston, Dallas and San Antonio April 4 to consider state controls on autos and trucks in the drive against air pollution. The board will weigh advisability of "transportation controls to meet national ambient air standards," according to a report from Austin.

I looked up "ambient" in my American Heritage dictionary, and it said "to go around." I was in Houston recently, and they sure enough have enough air pollution to go around. But another reference of the word is to "ambiance" which has to do with the atmosphere. Anyway, that just shows that someone is being ostentatiously verbose. How about that?

We understand that California, or maybe it's just Los Angeles, already has some rules about how much pollution can be emitted from the tail pipe of a vehicle. Certainly in areas like LA and Houston, some kinds of laws are needed.

KNOTHOLES: The cost of mailing a letter is expected to go up again early next year, as a result of new wage increases for postal workers to be negotiated this summer. It likely will go to 9 or possibly 10 cents. The Kiplinger Washington Letter reports that hearings on how the average taxpayer is being treated badly. Complaints to the committee say government tax men keep mum on rulings and orders that might be helpful, that the government is quick to seize property in a tax fight, a car, bank accounts, life insurance policies, that the tax people won't tell a person what his rights are. The hearings seem to indicate that the IRS officially opposes such treatment of the taxpayers, but that many agents act as if the taxpayer is always wrong. More bicycles were sold in the United States last year than automobiles. Next to bike riding, says Nation's Business, the fastest expanding sport in the nation is tennis, "which has prospered at the expense of golf because it is simpler and takes less time and money to play." I'm not sure what he means by "simpler," but I'll bet the guy who wrote that doesn't play both sports.

Mr. and Mrs. Bill Estes of Bartlesville, Okla. are parents of a girl born March 16 weighing 7 lbs. 1/2 oz. The infant was named Jennifer Lynn. Grandparents are Mr. and Mrs. Roy Keeter of Paris, Texas. Great-grandparents are Mr. and Mrs. Lee Hardy of Sudan. Mrs. Estes is the former Candy Fleming.

Mr. and Mrs. Hardy plan to go to visit the Estes family as soon as possible.

CORRECTION!

Our apologies to Misses Wanda Weaver and Cecie Bandy. The type beneath their pictures in the paper dated March 15 should have read as follows: Wanda Weaver, Soph., All-District, Guard; Cecie Bandy, Senior, Honorable Mention, Forward.

LATE NEWS BULLETIN

Word was received at press time that Mrs. Letha Price had died. She was a former resident of Sudan and was living in Lubbock at the time of her death. She had been in ill health for several months and was a patient at the Methodist Hospital in Lubbock when she died. Funeral services were still pending Wednesday morning awaiting the arrival of members of the family.

RED CROSS DRIVE BEGINS THURSDAY

Mike White, chairman of the local Red Cross Drive, has announced that the drive will begin here Thursday afternoon from 4 to 6 p. m. in a door-to-door drive. White also stated that businesses would be contacted at the same time. Junior high and high school students will be assisting in this drive and will furnish material upon contact.

March has been proclaimed Red Cross Month for Lamb County by County Judge J. T. Sides. The goal for Lamb County is \$8,600. Donations may be given to Mike White.

ABOVE is Kelli Hargrove, 7th grade daughter of Mr. and Mrs. Jim Bob Hargrove, who placed first and received a plaque in the county spelling bee held Saturday in Littlefield.

Local Girls Win First, Second In Spelling Bee

Kelli Hargrove, 12, a seventh grade student in the Sudan Schools, won the Lamb County Spelling Bee Contest Saturday. The contest was held in the District Court Room of the County Court House in Littlefield. Kelli battled it out with schoolmate Linda Ewins, 11, a sixth grader, in the county contest as they did in the school contest with Kelli winning by spelling the word "vicious" which was missed by Linda. Kelli then spelled "villain" correctly to win the honor of representing Lamb County in the Regional Bee at Lubbock on April 14. Kelli received a plaque which read "Lamb County Spelling Bee Champ", a pin and ribbon. Linda won a pin and ribbon, and could represent Lamb County in the regional event if Kelli is unable to. The regional contest is sponsored by Lubbock Avalanche Journal. Winner of that contest

Varsity Boys First, 7th Grade Boys Win Trophy

SPORTS EVENTS HELD

The high school track boys won a first place in the Odessa Track meet over the past weekend, as did the seventh grade boys and the eighth grade boys in the track meet held at Springlake. The high school girls failed to place in the meet held at Farwell Saturday despite valiant efforts.

In district volleyball competition at Vega Monday, the eighth and ninth grade girls teams each won the championship with the varsity team losing to Bovina.

The high school boys will be participating in a track meet at Seagraves Thursday, today. The district track meet for boys will be held April 7 at Springlake.

Earth, and the district track meet for girls will be April 12 at Farwell.

Sudan, the only Class A track representative in the Odessa meet, scored a total of 55 points in Division II. All other teams in the division were Class AA.

The local 440 relay team of Mike Robinson, Mark Hanna, Terry Graves and Ernest Jefferson won first place in the meet with a time of 44.9.

Other events are as follows: 100 yd. dash—Ernest Jefferson, second, 10.0

440 yd. dash—Mark Hanna, fifth, 54.8.

330 yd. hurdles—Richard Tamplin, fourth, 46.0.

Mile Run—Luther Robinson, second, 4:53.6 (a new school record).

Mile Relay—Mark Hanna, Roby Lynn, Terry Graves, Curtis Chester, fifth, 3:45.3.

High Jump—Danny Williams, second, 5'4".

Broad Jump—Mark Hanna, fifth, 18'2".

The seventh grade team won first in the 880 relay for 20 points. The team was composed of Edgar Tamplin, Harvey Donahue, Jerry Williams and Lonnie Simpson bringing home a trophy in the event.

Receiving eight points in both the 100 yard dash and the 220 yard dash and second places was Terry Sterling.

The sprint relay team of Donahue, Sterling, Simpson, and Steve Ritchie placed fourth and received eight points. Donahue placed sixth in the 220 yard dash for one point, and J. Perez placed fourth and received four points in the 440 yard dash which gave Sudan 49 total points and third or fourth place in the track events. Each of the above named boys received ribbons.

Ray Salamanaca won first place in the discus for the eighth grade team; Martin fifth in 60 yard high hurdles; Harrison, sixth in 60 yard high hurdles; and Pierce sixth in high jump, with all re-

ceiving a loving cup for his or hers school, and an all-expense paid trip to Washington, D. C. to compete in the National Spelling Bee.

Kelli is the daughter of Mr. and Mrs. Jim Bob Hargrove. Linda is the daughter of Mr. and Mrs. Tommy Ewins.

NEW JOHN DEERE BUILDING BEGUN

Troy and Barry Armes of Littlefield, who purchased John Deere Service and Sales around the first of the year from Olin Nix, have announced the be-

ginning of a new building which is to be located on Hwy. 84 between the Texaco and Gulf Service Stations.

The yellow steel building will be of a medium size Musco building with Jimmie McClendon of Tulia, contractor. It will house a John Deere Service Center and include show windows, a 12x12 office, rest rooms, parts department, and three-stall garage. The service center will be operated by Mike Nix who operates the present John Deere sales center on Main Street. The foundation was laid this week.

The present building will be for used equipment and will be managed by Olin Nix.

SCHEDULE OF UPCOMING SCHOOL EVENTS

"Spring Break" will begin Friday when school dismisses at 2:30 p. m. for a week's vacation. Classes will resume at the regular time on Monday, April 2.

"College Day" was held at South Plains College in Levelland Wednesday.

The one-act play contest will be held on April 3, and other literary events scheduled for April 6.

Three trustees for the Sudan Independent School District will be elected on April 7 from a field of four candidates, Halbert Harvey, Marvin Bowling, Kenneth Vincent, Pudd Wiseman.

Band Wins II's

The Sudan Hornet Band, under the direction of Tommy Ewins, won a Division II rating in the UIL concert contest and a Division II rating in the sightreading contest held at Dimmitt Tuesday. They were awarded certificates in each event.

This now gives the Hornet Band three Division II ratings for the year, as they received a "II" (Continued inside)

Sudan Elevator Hosts Supper

Some 191 persons were present Thursday night for the supper at the Holiday Inn, Clovis, N.M. which was sponsored by Sudan Elevators, Hugh Vincent and Kenneth Vincent, owners.

Hugh Vincent welcomed guests and recognized two ladies, Mrs. Jackie Stanley and Mrs. Stilwell Russell for having birthdays that day. Mrs. Alice Frazier was honored and presented a corsage by Kenneth Vincent for being the eldest person present and the "youngest in heart".

Joe Salem gave the invocation. A book review was given by Mrs. Margaret Smith on "Recollected Creek" and was quoted as being "outstanding".

Guests were registered by Mrs. Mildred Chisholm and Mrs. Kenneth Vincent with umbrellas presented to the ladies.

Among guests attending were the Vincent's daughter and son-in-law, Mr. and Mrs. George Harley of Midland.

ROGER SWART, CANDIDATE FOR DISTRICT FFA OFFICER

Roger Swart of the Sudan FFA chapter and district president of the area, was elected by the local chapter as a candidate to run for area officer in the upcoming district meeting. If elected at the district meeting as area candidate, he will be eligible to represent the area for area officer at the meeting in May.

The next local FFA meeting will be held the second Monday in April with Dr. Howard Head of Littlefield, the new veterinarian there, as speaker on "Animal Health & Care".

FFA advisor, Don Ham, was recently named judge for the Welding Contest which was held in Hereford Tuesday.

LAST OF GULF OIL WHOLESALE which was operated by Frank Rone, distributor, for many years on Hwy. 84, Sudan. Waymon Gordon is now distributor for some Gulf Products at his service station on Hwy. 84.

DALLAS COWBOY BOB LILLY SERVES AS CHAIRMAN OF CRIPPLED CHILDRENS FUND RAISING COMMITTEE

Dallas Cowboy All-Pro defensive tackle Bob Lilly will again serve as State Chairman of the 1973 Texas High School Football Boys' Lily Day for Crippled Children, an annual event to raise funds for the treatment and service program of the Easter Seal Society for Crippled Children and Adults of Texas.

On Lily Day, set for Saturday, March 24, in most cities, high school football teams will be on downtown streets and in shopping

ing, they played "Victory". Judges for the concert phase were Dean Foshee of Sweeney, Warren Thaxton of Abilene Cooper, and Joe DiCosomo of Lee Junior High in Pampa. The sightreading judge was Gerald Hemphill of Amarillo.

During the past week, three clinicians came to Sudan to offer help to the band. They were Randy Vaughn and Jim Priest, both of Hereford, and Charles Higdon of Clovis.

centers pinning small plastic white lilies on the lapels of shoppers. Donations for the lilies go to provide treatment and service for physically handicapped children and adults in Texas.

Lilly, who finished his eleventh year in professional football, will lead several thousand high school football players in this special fund raising event. A native of Throckmorton and a 1961 graduate of Texas Christian University, he was a College All-American and was a number one draft choice of the Cowboys as a defensive end.

Lilly has contacted over 500 high school football teams in Texas asking that they participate in Lilly Day to raise funds for the services the Easter Seal Society provides. Last year, the Texas Easter Seal Society provided treatment and services to 18,802 physically disabled Texans through a statewide network of affiliates and representatives. In the 1972 Football Boys' Lily Day, the winners of trophies, donated by the Dr. Pepper Bottlers of Texas, were AAAA - Odessa High School Bronchos; AAA - Ector High School Eagles; AA - Sealy High School Tigers; A - Three Rivers High School Bulldogs; B - Meridian High School Yellow Jackets; and, in Special Classifications - Woodville FFA.

Move 'Em Out

New jumbo covered hopper cars are being rushed into service to move record shipments of grain for export as fast as they come from the assembly line. Santa Fe Railway alone is investing \$37 million during a 12-month period for 2,000 new jumbos, 1,000 of which are already on hand with the balance due to be delivered beginning in June. This will bring that railroad's fleet of covered hoppers to about 16,000, nearly 12,000 of which will be of the 100-ton jumbo variety. John S. Reed, Santa Fe president, described the latest order as "... further evidence of our commitment to do everything we can to serve the grain industry, fertilizer industry, and others who require covered hoppers."

BRISCOE ADDRESSES 63rd LEGISLATURE

Governor Briscoe addressed the 63rd Legislature Thursday, March 8, and presented recommendations in his Executive Budget for the 1974-75 biennium.

Governor Briscoe's budget for the 1974-75 biennium totals \$9.6 billion. This budget is \$91.6 million under the Legislative Budget Board's recommendations and \$173.1 million under Governor Smith's Budget. Recommendations from the General Revenue Fund and Federal Revenue Sharing total \$2.1 billion, an increase of \$391.6 million over the current spending level. Of this increase, \$240.3 million is for education, \$111.3

million is for various agencies and departments, \$29.0 million is for public health, hospitals, special schools and youth institutions, and \$11 million is for the judiciary and the Legislature.

After financing these recommendations, an estimated unobligated balance of over \$300 million in available revenue will exist. This reserve is suggested to enable the State to meet the possible additional costs required in public school financing (Rodriguez Case) and the possible loss of federal revenue.

Major highlights of these recommendations are:

\$14 million increase for local community mental health and

mental retardation centers.

\$20.2 million increase for operating the schools for the mentally retarded.

\$2.7 million increase for air pollution control.

\$1.1 million increase for establishing three additional public health regions.

\$5.0 million for implementing the Rural Industrial Development Program.

\$4.2 million for expanding the Industrial Start-up Training Program.

An additional 100 highway patrolmen for the biennium.

An annual salary increase of 3.4 percent for exempt and classified employees, plus a merit salary increase for classified employees.

\$10 million for initiating a State Adult Education Program.

\$6.5 million for a new State Bilingual Education Program.

\$38.7 million increase for expanding and improving vocational technical education at the public junior colleges which provides full formula funding in 1975.

\$26.7 million increase for state aid to public junior colleges which provides full formula funding in 1975.

\$8.5 million increase for tuition equalization grants.

An annual salary increase for faculty and non-faculty personnel in agencies and institutions of public education.

KINDERGARTEN & ELEM. - ENROLLMENT REQUIREMENTS ANNOUNCED

In 1973-74, the Sudan Public Schools will offer the kindergarten program provided in House Bill No. 240. For a child to be eligible to attend this program, he must meet certain standards. First, each child must have a birth certificate. Second, he must be five years old by February 1, 1973, or he must be classed as an "educationally handicapped" child, in which case he must be five years old by September 1, 1973. An "educationally handicapped" child, for the purpose of the kindergarten program, is defined as either/or:

1. A child who cannot speak, read, and comprehend the English language to the extent that he is not familiar with the common English language words that are necessary for normal progress in the first grade.

2. A child who is from a family whose annual income is \$3,000 or less.

A child who is not "educationally handicapped" will not be eligible unless he was born by February 1, 1968.

All children enrolling in Sudan Public Schools must have with them a health certificate, as required by state law. Immunizations against a maximum of six diseases are required for persons attending school in the State of Texas. These diseases are polio, diphtheria, whooping cough, tetanus, measles, and rubella.

Approximately three months are required to complete the immunizations. Parents should start now so that their children will be ready for school this fall.

VIVA HOLDS RECENT PRESS CONFERENCE

VIVA, Voices in Vital America, called a press conference today on behalf of family members of men who are still missing-in-action in Southeast Asia. According to the several MIA family members who spoke for the group, relatives of men who are MIA as well as concerned citizens are becoming increasingly distressed over the continuing publicity given to those who have been asking for POW bracelets to build monuments. Some of these efforts were quite sincere and were stopped immediately when the parties involved realized that their solicitation was a detriment to the men who have not yet been identified.

One woman in Washington who has had more continuing publicity than anyone else was fully aware before announcing her project that it was in conflict with the national program of POW-MIA organizations which have been asking that the public stay involved and wear their bracelet with either a blue (MIA) or a white (POW) star.

According to Robert Patterson, MIA father, "we are shocked and horrified that any American citizen would be so callous as to disregard the pleas of those who have been working so long to obtain world concern for our men.

Where is the conscience of someone who apparently has taken no active involvement in the day by day efforts to obtain better treatment and the safe return of these men, and now would seem to capitalize on the returning POWs at the risk of forsaking those who have not yet been identified.

Janice Lyon, whose husband has been missing since March 22, 1968 appealed to the news media who have helped alert the American people to the plight of the POWs and MIAs to help once again by alerting the American people to the fact that our task is not yet completed.

Other MIA family members participating were Mrs. Leo Cordova, mother; Mrs. Ann Griffith, sister; Mrs. Mary Helber, wife; Benjamin Munoz, father.

White, has been here visiting his parents.

Ruth Goodyin of Haggerman, N.M. visited Saturday and Sunday with Mr. and Mrs. Tommy Ewins and children.

Terry Wood, a student at Howard County Junior College at Big Spring, spent Tuesday night with his grandparents, Mr. and Mrs. Jay House.

Broilers Are Popular... Onion Production Increases... Weather Delays... 34 Counties Still Under Quarantine.

Texas continued its number seven ranking in the nation in broiler production during 1972. In recent weeks, broilers have become more popular than ever and prices to producers and at the retail level have shown dramatic changes.

Prices have increased as much as 10 cents per pound during recent weeks, a situation never before heard of in the broiler industry.

The value of the 1973 broiler segment of the state's agriculture industry should be considerably higher than in 1972.

Average price received by broiler producers in 1972 was only 14.2 cents per pound. Gross income from broiler production during this past year amounted to \$93,790,000. This is about \$6,000,000 higher than during 1971.

Total production in Texas during 1972 was 187,441,000. This is seven per cent above a year ago, but two per cent below the record of 1970. Weekly placements of broilers during 1972 ranged from a high of about 4,000,000 to a low of 2,000,000.

Although broiler prices to producers have increased substantially, production costs have skyrocketed. Costs of feed have more than doubled in many instances.

Nationwide, broiler production during 1972 in 22 key states which produce 97 per cent of the nation's broilers, showed an increase of five per cent.

Broiler prices to consumers are now at about the levels of 20 years ago. Until recently, the retail price of broilers has been 15 to 20 cents per pound under prices paid by consumer 20 years ago.

The four leading states in broiler production are Arkansas, Georgia, Alabama and North Carolina. The production in Arkansas is about three times that of Texas.

IF YOU like onions, you'll be happy to know that this year's onion crop in the Rio Grande Valley is estimated now to be five per cent above last year's crop. Yield per acre is down this year due to weather conditions.

The South Texas spring onion crop has been delayed two weeks because of weather conditions. In the Lower Rio Grande Valley where the majority of the crop is planted, adverse weather conditions have prevailed since Christmas.

It is anticipated a good crop will be made if weather is warm and sunny from now through April.

WEATHER continues to delay other crop production too. Cantaloupes will be a month later than normal in South Texas; the same is true for watermelons. Citrus harvest, which usually is concluded in South Texas in April, is expected to continue into June.

A TOTAL of 34 Texas counties continue under quarantine for cattle scabies. They are Armstrong, Bailey, Briscoe, Carson, Castro, Childress, Collingsworth, Cottle, Dallam, Deaf Smith, Donley, Floyd, Foard, Gray, Hale, Hall, Hansford, Hardeman, Hartley, Hemphill, Hutchinson, Lamb, Lipscomb, Moore, Motley, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Sherman, Swisher and Wheeler.

Quarantines for scabies from five southwestern Oklahoma counties was lifted recently. Nationwide, there have been 135 cattle scabies outbreaks in the past 16 months.

The wholesomeness of meat is not affected by the disease. A total of 45 counties are under quarantine throughout the nation.

Let's Stop Madeline O'Haras Crusade

We are always saying that one person cannot do much to change the world, but one person, Madeline Murry O'Hara the atheist crusader, succeeded in making it illegal to read the Bible or pray in public schools. Now she has obtained 27,000 signed letters protesting the decision of the astronauts to read the Bible as a Christian Message to the world from their space craft while orbiting the moon in December, 1968.

She plans to present these letters to NASA with the demand that the ASTRONAUTS BE PUBLICALLY CENSURED FROM THEIR ACT, AND FURTHER DEMAND TO PROHIBIT ANY FURTHER DEMONSTRATIONS OF RELIGION BY PUBLIC LEADERS.

You are the one but you can do something about this! An effort is being made now to secure 1,000,000 signed letters commending the astronauts for their action. This would be an overwhelming defeat for Mrs. O'Hara and a great triumph for religious faith. Do not let her succeed with her ruling because you do nothing! HERE IS WHAT YOU CAN DO! Sign, detached and mail the form below. Be sure it is filled out completely. And have at least five (5) of your friends write a similar letter, or write a letter in your own words, if you like. Let's DO THIS SIMPLE, BUT IMPORTANT THING NOW.

Dear Sirs:

I personally, appreciate and wholeheartedly support the decision of the astronauts to read the Bible from their space craft as they orbited the moon in December, 1968.

I further support the right of every human being to express his faith in God and Bible publicly, without fear of censure.

Sincerely,
