HORNETS SWARM OVER WOLVES, 12-0

by dalton

WE'RE getting a lot of mail these days from people supporting Amendment No. 1 which comes up for balloting on Nov. 6. This is an amendment providing maximum annual salaries of \$15,000 for legislators as well as calling for annual sessions of the legislature. Added would be a 60-day budgeting session in even-numbered years and an extension of the regular 140-day session to 180 days.

Among those in favor of higher legislative pay are all the legislators, most former legislators and the Texas State Teachers Assn., which never has been timid about urging expenditures of the taxpayers' money.

Actually, we favor the amendment, too, but we're not as sold on it as some of its proponents. Texas now pays \$4,800 a year, and this is much lower than most states of comparable size. California is highest with \$21,120. Illinois and Michigan are at \$17,000 and New York and Pennsylvania \$15,000 or better.

One of the strong arguments against paying the legislators more is the feeling that legislators generally make a mess of things and don't deserve more pay. A fellow named Walter Richter, himself a former legislator, says this:

"Increased salaries will not, of course, guarantee that you still won't get some lemons, any more than the present low pay precludes getting some fine, dedicated lawmakers. What the higher salary does is open the possibility of legislative service to those thousands of highly qualified individuals who would welcome an opportunity for full-time service in the legislature if they could afford it. These are the ones who are not interested in the alternative of moonlighting to supplement the \$400 monthly salary because they see it as greatly diminishing their capacity and competence as legislators."

Okay, Walter, I'm convinced, I guess. But some of our present legislators are overpaid at \$400 a month. And I'm not sold on annual sessions, since the taxpayer's experience has been that when the legislature meets, the little guy gets soaked. I think it would be better if they just met

SENIOR CITIZENS TO MEET FRIDAY, OCT. 12

The Senior Citizens next meeting will be held in the local Community Center Friday, October 12 at 2:30 p.m.

Everyone is invited. A program will be provided.

Mrs. Rucker Rites Held

Services for Mrs. Siddle Rucker, 39, of 4017 39th Street, Lubbock were held at 2:30 p.m. Monday in Highland Baptist Church with the Rev. Richard D. Waters, pastor, officiating. He was assisted by the Rev. Bill Hindman of Monterey Baptist Church.

Burial was in Resthaven Memorial Park under direction of Franklin-Bartley Funeral Home. Mrs. Rucker died about 10:15 p.m. Saturday at her home following a six-year illness.

A native of Lubbock County, Mrs. Rucker left Lubbock in 1952 for Kinnett Square, Pa., returning here in 1960. She was a member of the Highland Baptist Church.

Survivors include her husband, Herbert M.; three sons, David, Darold and Dale, all of the home; a daughter, Sharon Diane of the home; her parents, Mr. and Mrs. Alvis Peterson of Muleshoe and formerly of Sudan, four brothers, Arnold Peterson of Abernathy, Travis Peterson of Houston, Turman Peterson of Kansas City, Kan., and Reese Peterson of 701 E. Purdue; and her maternal grandmother, Mrs. J. A. Young of Muleshoe.

once every five years, with alternate sessions restricted to repealing laws they passed five years before.

A LOCAL Grouch says he leads a dog's life. Someone mentioned it to his wife the other day and she agreed: "He sure does. He comes in with dirty feet, jumps on the sofa and waits to be fed."

The Sudan Hornets racked up their fourth straight victory of the season Friday night as they blitzed their arch-rivals, the Springlake-Earth Wolverines, by a convincing 12-0 margin. A tough and gritty goal-line defense once again proved itself

Jack Paul is presently the Director of the Church of Christ Bible Chair at Texas Tech University. He has completed his class work toward an Ed. D. degree. He has served congregations of the Church of Christ in Tyler, Sherman, Denton, and Dallas, Texas. He also was Director of the Church of Christ Bible Chair at North Texas State University for six years and has been involved in several mission endeavors.

Jack Paul is an enthusiastic speaker with a great ability to preach God's word. You are cordially invited to come and hear the messages from God's word. A warm welcome awaits you.

PERSONALS

Mr. and Mrs. Bill Kuykendall and Len left Wednesday for their home in Tilden after visiting here for several days with her parents, Mr. and Mrs. R. B. Knox and other relatives.

to be one of the best on the South Plains as three goal line stands completely shut out the Wolverine offense. The last stand was truly in storybook fashion as the Hornets held their rivals on four straight plays from inside their one yard line while holding only a slim 6-0 lead.

The Hornets looked anything but impressive at the start of the game as they fumbled the ball. On each occasion, however, the defense arose and stymied the Wolverines.

Neither team could dent the

scoreboard in the initial quarter but midway through the second, Danny Williams pounced on a Wolverine fumble at the Hornet 21 and the Hornets began a goalward march. Fifteen plays and 79 yards later, the locals reached yard dirt with Williams plunging the final yard behind the fine blocking of Roby Lynn and Richard Tamplin with 2:46 remaining in the half.

The ensuing kickoff brought no sign of relief to the hosts and a punt gave the Hornets possession at their own 37. On

the first play from scrimmage, QB Mitch Chester connected with HB Mark Hanna on a screen pass and Hanna zipped 63 yards into the endzone behind the fine blocking of Richard Tamplin and Roby Lynn for an apparent touchdown. The elation quickly turned to gloom however as a clip and an ineligible receiver brought the ball back to the 23 yard line. Refusing to run the clock out, the Hornets kept plugging for another score.

scrimmage and a jubilant group of Hornets took possession of the pigskin.

The goal line was 99 yards and 33 inches away and the odds on maintaining a scoring drive over that distance weren't very good. But then again, the odds on the Hornets when they stopped the Wolverines on four straight plays inside the one were fairly astronomical too. But the Hornets latched onto the ball, pulled up their bootstraps and mounted a scoring drive that took 15 plays and seven first downs. Chester moved the ball to the five and from there, his runningbacks: Hanna, Williams, and Hedges took over. Hanna struck outside on sweeps of 20, 12, and 8 yards while Hedges and Williams pounded the inside on steady five yard gainers. Hedges finally capped the drive with a 10 yard burst over right guard behind the blocks of Tommy Seymore and Terry Graves and the Hornets led 12-0 against the staggering Wolverines with 10:31 to play in the fourth quarter.

Sudan held the Wolverines on downs after the kickoff and once again mounted a drive. A major penalty, however, forced the Hornets deep into their own territory and a punting situation arose. Noles normally handles the kicking chores but an injury sidelined him and Mark Hanna was called upon to punt for the first time this year. The result was merely a 52 yard boot that moved the Wolverines back to their own 16 yard line.

A tricky reverse didn't fool Noseman Davison as he barreled into the rivals' backfield and forced a fumble 12 yards behind the line of scrimmage. Tackle Jimmy Fields fell on the ball and Sudan was "knocking on the door" again from the 20 yard line. Halfbacks Kyle Martin and Donald Johnson showed that the Hornets have plenty of "bench strength" as they carried the ball to the Wolverines three yard line before the clock expired (much to the relief of the battered Wolverines).

The win moved the Hornets into a first place tie in District 3-A with Vega and Kress as Hart and Farwell each were defeated and winless Bovina lost to Plains.

Coach Warren was enthusiastic about the victory: "this was an especially sweet victory for our kids and it was definitely a team effort. Our defense, as usual, was our brightest spot but our offense showed a lot of improvement too." Danny Williams had his best game of the year on defense and he, Hedges, M. Chester, and Hanna all had good offensive gains "at the running-back slots".

Statistically, the Hornets completely dominated the game. First downs found the Hornets on top 18-7 while in rushing yardage, they lead 250 to 97, and in passing yardage 46-0. Hanna and Hedges tied for rushing honors with 87 yards each while Williams was close behind with 64. Williams led in tackles with 14, followed by Donnie Noles with 12, Tamplin 11, Hedges 10, Craig Harper 9 and

JUNIOR CLASS TO SPONSOR SUPPER FRI.

The Junior Class of Sudan High School will sponsor an "enchilada supper" Friday, October 12, in the school cafeteria, prior to the Sudan-Hart football game. Serving time will be from 5:00 to 7:30 p.m. Charges will be \$1.50 for adults, and \$1.00 for children.

Everyone is urged to attend.

School Board Meeting Held

Members of the School Board of the Sudan Independent School District met Monday, October 8, in a regular meeting with James Withrow giving the invocation.

The minutes of the previous meeting were read and approved. Also approved was the Superintendent's financial report for September as well as the following trips:

Bernard Wilson and Dale Read to State Principal's Conference; F. T. A. to District Convention.

Reports were given on the repairs to plumbing in Girls' Fieldhouse, on School Lunchroom financial picture to date with an increase in price of lunches, and on the San Antonio Conference and school finance problems around the state by Superintendent Kenneth Noles.

It was also reported that as of October 8, 1973, a total of

TB SKIN TEST REPORT FROM SCHOOL NURSE

Mrs. Winona Dudgeon, local school nurse, reports that the TB tests given last Tuesday was a great success and that out of 408 students taking the test only one showed a positive result.

Kindergarten students were not offered the tests and only 28 students who were eligible for the skin test, did not take it due to having taken flu shots or polio vaccines.

Alpha Peterson of the Lubbock TB Association gave the tests.

PRICES OF SCHOOL LUNCHES TO INCREASE

Due to the many price increases, the charge for lunches in the Sudan School Lunchroom must be increased effective November 1, 1973.

As of that date, students in kindergarten through the sixth grades will be charged 40¢ per meal, and students in seventh through twelfth grades will be charged 45¢ per meal.

Three runs of 20, 12, and 10 yards by FB Pat Hedges took the ball to the Springlake 39 and on the final play of the half, Hanna connected with Roby Lynn on a 25 yard aerial that was 10 yards short of the endzone as the Hornets went to the dressing room nursing a slim 6-0 lead.

Springlake showed their only offensive spark of the game after the second half kickoff as they marched toward the Sudan goal line. Nestled snugly inside the one yard line, Springlake had first down and only two feet needed to tie the Hornets. Goal line defense at its finest was displayed here as on the first down, Mart Davison, Williams, Don Noles, and Hedges combined to stop the Wolverines. Davison, Fields and Williams made a repeat on the second down as did Tamplin and Terry Graves on third down. Faced with fourth down and three inches, the Wolverines tried once again to buck the interior of the Hornet defense but Tamplin, Graves, Hedges and Lynn stopped the play on the line of

Davison 9.

Line Coach Tom Essex had special praise for some of his charges: "Tommy Seymore had another good game at center and is quickly becoming one of our most steady performers." "Tamplin, Noles, Davison, Lynn and Harper all had good defensive efforts, and Carroll Legg did a terrific job of blocking in his first game this year after being injured earlier." "Fields did a good job for us on goal line defense and also came up with a fumble recovery. I was real tickled with the way some of our reserves filled in for some of our injured starters."

Secondary and receiver Coach Gary Campbell cited the blocking of Roby Lynn at end and the defensive play of Curtis Chester at cornerback in outstanding efforts. "The Wolves didn't complete a pass on us Friday night so C. Chester, Johnson, Graves, M. Chester, Hanna, Tracy Bowling and Bobby Phillips must have done a good job on their receivers. It was just a tremendous overall team effort that won for us."

The Hornets will be looking for their fifth straight victory

**HERB POTTER INVITED
TO ATTEND OCT. MEET**

Herbert H. Potter, director of West Texas Chamber of Commerce has been invited to attend the Mid-Year Meeting of the Board of Directors in Kerrville October 11-12. Convention headquarters will be at The Inn of The Hills. Registration will begin at 12:00 noon Thursday in the lobby of the convention headquarters.

Five outstanding West Texans, who have contributed much of themselves and their talents to the cultural arts of West Texas, will be honored Thursday even-

ing at the annual Cultural Achievement Awards banquet. Each year the West Texas Chamber of Commerce honors five recipients of this coveted award. Thomas H. Barnett, Jr. of Fort Worth, vice president of Nieman-Marcus Company, and chairman of the WTCC Cultural Affairs Committee, will make the presentations of the awards. The recipients will not be announced until Thursday evening. Emil C. Rasmann of Midland, President of the West Texas Chamber of Commerce, has announced that Lt. Gov. William P. Hobby will be the principal speaker at the noon luncheon on Friday. An oil painting by a West Texas artist, Terry Loetz of El Paso, will be presented to Hobby.

Beeman Fisher of Fort Worth, a member of the Texas State Constitution Revision Commission, will speak to the Board of Directors at 9:00 a.m. on Friday about the present status of the revision of the state constitution.

and has also improved tremendously as a clocker.

Joining Brown in the power-I and slot-I backfield will be QB James McLain, a 160 pound senior with good speed and adequate passing ability. The fullback is John Henry Robinson, a 145 pound senior and the halfback is either Barry George, 160 pound sophomore or Jimmy Kennedy, 150 pound junior.

As usual, Sudan will be outweighed heavily in the interior line. The Longhorns tip the scales at an average of 192 pounds per man while Sudan checks in at an average of 165 pounds.

At split end, the 'Horns have another speedster in 180 pound sophomore Randy Finch with Danny George, a 145 pound junior on the other side.

Defensively, Hart employs a Monster-5 alignment and occasionally a 5-3 stack. Noseman John Henry Robinson, last year's all-district selectee, is back at his favorite spot and is the quickest noseman the Hornets have faced this year. The tackles are big and strong: Dean Hill, a 209 pound sophomore, and Cecil Jackson, a 212 pound senior. The ends are 185 sophomore, Jesse Perez, and Jimmy Kennedy, a 150 pound junior. Jimmy Brown lines up at safety for the 'Horns along with halfbacks Randy Finch and James McLain. The "Monster" is 160 pound junior, Danny Carson.

The Longhorns are the defending district 3-A champions and even though they dropped their district opener to Vega last week, they still figure to be in the running. This is a "must" game for Hart as well as for Sudan as a loss the 'Horns would virtually eliminate any title hopes for '73.

No doubt about it, if the Hornets are gonna be the district champs this year, "they gotta' have heart, and Hart!"

**Tops Club
Meeting Held**

The meeting of Tops 634 was held Monday at the Community Center with nine members present and a weight loss of 3 1/4 pounds.

The meeting began with the Fellowship Song and reading of the minutes of the previous meeting. A discussion was held on the Area Recognition Day which will be held in Haral Auditorium in Plainview on Saturday, October 13.

The group closed the meeting with the Tops Pledge.

**SPC STUDENTS
DONATE BLOOD**

Ninety-three pints of blood were enroute to Lubbock late Wednesday, October 3, from Levelland, fresh from the arms of 93 donors at South Plains College.

These were the results of the first blood drive ever conducted in the history of the college—and also one of the largest drives to be conducted in the South Plains area.

"The response was really good," said Ken Hare, director of student activities at SPC and one of the coordinators of the drive. Blood Services of Lubbock, a non-profit blood bank which dispenses blood to 37 area hospitals, conducted the drive. John Schwartz, assistant director of Blood Services, called the drive "the largest blood drive in the South Plains area for this year." He worked with Hare in coordinating the drive.

Hare said that 138 prospective donors had signed up for the drive, but some were disqualified from giving blood for various medical reasons. About 20 dormitory advisors and dorm presidents worked with Hare before the drive to recruit donors from the college's eight dorms and from the roster of off-campus students. "The turnout for those that signed up and those that actually showed up ran in the neighborhood of 85 to 90 per cent," Hare said. "Most of them were first-time donors," he added.

A staff of six medical personnel, including four nurses from Blood Services, staffed the drive. They checked the medical history and tested blood of each

prospective donor before collecting the blood.

Schwartz transported the blood late Wednesday in a mobile unit to Blood Services. "The blood has to be used within 21 days," he added. When the blood reached the blood bank, it was tested for disease, checked for antibodies, and typed and grouped. "Some of the units of blood were broken down into different components, such as plasma," Schwartz said. Frozen plasma can be used for a patient up to six months or a year. About 90 per cent of the blood draws from SPC volunteers will

be used as whole blood, he noted.

Schwartz said that Blood Services is planning to conduct a blood drive on the SPC campus each semester, beginning next spring. Hare said that the follow-up drive probably will be sponsored by the Student Senate or some other student organization.

Each person who donated blood received six-months blood protection anywhere in the United States, with Blood Services paying for any blood charges which might occur in that length of time.

COTTON MKT. NEWS

Market activity increased in Western cotton markets this week, according to the Agricultural Marketing Service, USDA. Harvesting increased in Central Texas, Arizona, and California. Supplies of uncommitted cotton were larger, particularly in Central Texas. Foreign and domestic mill demand was good although both seemed inclined to await larger supplies before making large purchases. Merchants were active bidders on available supplies. In Central Texas, mixed quality lots of grades 42, 41 and 32, staples 31 and longer, 3.5 to 4.9 mike, brought around 60.00 to 65.00 cents per pound. Selected lots of grades 41 and 32, staples 32 and 33, 3.5 to 4.9 mike, brought up to 70.00 cents per pound. Around Abilene, Texas, mixed lots of grades 40 and 31, staples 32 and 33, 3.5 to 4.9 mike brought around 60.00 cents per pound. Below grade lots sold for 30.00 to 32.00 cents per pound in South Texas. Elsewhere in Western cotton markets most activity centered around contracting. On the Texas Plains, growers contracted at up to 40.00 cents per pound, basis grade 31 staple 35 for 1974-crop cotton. In Central Arizona, growers asked 85.00 cents per pound for 1973-crop acreage and 60.00 cents per pound for 1974 crop, basis 31, staple 34. In Southeastern New Mexico growers were asking 60.00 cents per pound for 1974-crop Acala 1517, basis grade 31, staple 37. Volume of contracting slowed throughout the West. The crop made good progress over most of the Western Region. Harvesting was again getting underway in Central and South Texas after the rains of last week. Harvesting was slowly expanding in most other areas of the Region. Prices quoted for selected qualities, 3.5 to 4.9 mike, in the six Western Region spot markets last week are as follows:

- Dallas, 64.25, Middling Light Spotted (32), 32 staple.
- Houston, 76.00, Strict Low Middling (41), 34 staple.
- Lubbock, 61.95, Strict Low

MISS WILSON ACC HOMECOMING CANDIDATE

Miss Sharon Wilson, daughter of Mr. and Mrs. B. M. Wilson, has been named one of the 11 candidates for 1973 homecoming queen at Abilene Christian College.

She is a senior music major at Abilene Christian and a 1970 graduate of Sudan High School.

ACC students will elect a queen, who will be announced during a special chapel Saturday, Oct. 20th and coronation ceremonies will take place in Moody Coliseum.

Miss Wilson is president of Ko Jo Kai social club and a member of ACC's Big Purple Band.

SOUTHERN BAPTIST CONVENTION SET

Texas Gov. Dolph Briscoe, Jr., will join Southern Baptist Convention President Owen Cooper and others on the program of the annual Baptist General Convention of Texas in Corpus Christi, Nov. 6-8.

Two BGCT auxiliaries, the Woman's Missionary Union and Texas Baptist Men, will meet Nov. 5-6 prior to the opening session of the convention on the evening of Nov. 6.

It will be the first time for the two-million-member convention to meet in Corpus Christi since 1964.

Approximately 5,000 Texas Baptists are expected to hear Gov. Briscoe at the opening night session. Although the Governor is an Episcopalian, his wife is a Baptist and he attends church with her.

Dr. T. A. Patterson, executive secretary of the Texas Baptist Executive Board who is retiring after a record 13 years in the office, will be honored during the convention.

Dr. Patterson's successor, Dr. James Landes of Richardson, will be formally introduced to the convention messengers.

Others appearing on the program roster include Owen Cooper, a retired layman from Yazoo City, Miss., who is president of the Southern Baptist Convention; Landrum P. Leavell, pastor of First Baptist Church, Wichita Falls, who will turn the state convention presidential gavel over to a successor after two terms in the office; and Baylor Football Coach Grant Teaff.

Also slated are J. D. Gray, retired pastor of First Baptist Church, New Orleans; Buckner Fanning, pastor of Trinity Baptist Church, San Antonio; evan-

gelist Eddie Lieberman from Greenville, S. C.; Leobardo Estrada Sr., coordinator of the BGCT Language Missions Section; and Corpus Christi Mayor Jason Luby.

Messengers, representing many of the 4,400 Southern Baptist churches and missions in the state, will consider a record \$17 million budget.

Dr. Patterson said the new budget challenges Texas Baptists to "the largest annual increase in the history of the convention." He said strong response in mission giving this year arouses optimism for the enlarged objective.

In other business the Convention will be asked for approval to change the name of Houston Baptist College to Houston Baptist University.

Cynthia Clawson, Christian recording artist, will provide special music.

SCOUT PACK 635 HOLDS MEETING

On Thursday, Oct. 4, Pack 635 committee and Den Leaders met to plan the programs for the year with Claude Burnett of Littlefield assisting.

The October Pack Meeting will be held Monday night at 7 p. m. on October 22nd. All are invited. New Leaders and committeemen are needed.

Present officers are P. Wiseman, committee chairman; Gene Bartley, secretary; Catherine Reese; Patsy Kent and Kay Wiseman, den mothers.

LAMB CO. SAVINGS BOND COMMITTEE NAMES JAMES LEE AS NEW CHAIRMAN

James T. Lee, employed by the First National Bank, Littlefield, has accepted the appointment by the U. S. Department of the Treasury as a volunteer Chairman of the Lamb County Savings Bonds Committee.

Lee succeeds C. O. Stone, who recently retired after hav-

ing served as County Chairman since 1955.

In announcing Lee's appointment, Rex Brack, Chairman of the Texas Savings Bonds Committee, remarked that "his wide business experience and active participation in community affairs will be most valuable in his volunteer service as Lamb County Chairman, especially in these times when the United States Savings Bonds program takes on increasing importance in helping to keep our Nation economically strong and secure."

As Lamb County Chairman, Lee will work with other community leaders in a year-round program to encourage the increased purchase of Savings Plan.

Lee is well known in civic affairs, being active in Littlefield Lions Club as a past president, on the Board of Directors of the Chamber of Commerce and the Memorial Chairman of the Heart Fund.

Lee and his wife Judy have three children, Jay, Jamie, and John. They live at 205 East 23rd Street, Littlefield.

CAUTION GIVEN ON SEED DESICCANT

Pollinator rows, in hybrid seed production which is to be used or sold as grain, should be harvested prior to using a desiccant on seed rows, according to Grain Sorghum Producers Association Executive Director Elbert Harp. Harp stated that no desiccant is registered for grain sorghum to be fed or grazed.

"Since EPA has not approved the use of chlorates and other chemicals for desiccating grain to be fed, farmers are urged not to use these chemicals on seed fields before cutting the pollinator rows," warned Harp.

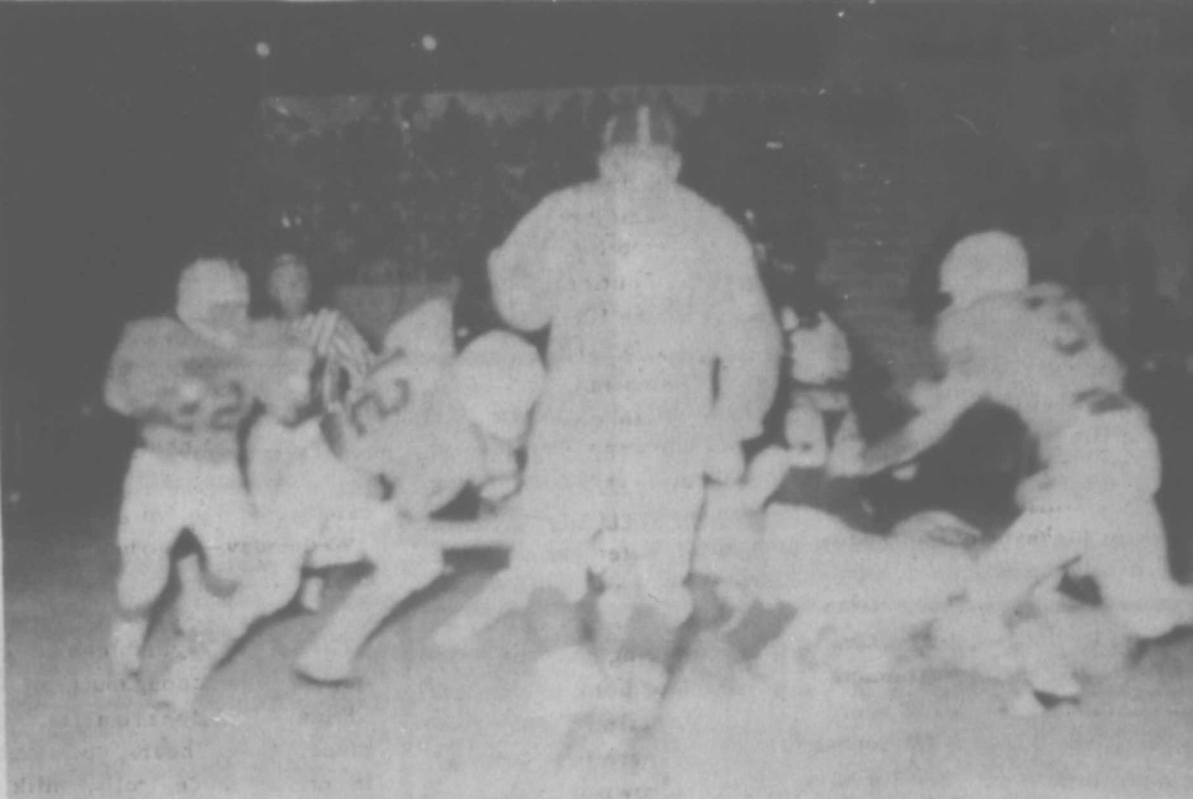

Grain that has been treated could be condemned if residual carryover were found by EPA. Harp stated that such grain should not be hauled to an elevator.

Grain Sorghum Producers Association has been working to get clearance for the use of sodium chlorate and urea on grain sorghum for feed, but to date clearance has been granted for seed production only.

Breaks Record

Gasoline consumption in the United States in 1972 hit an all-time high of 102 billion gallons, according to the American Petroleum Institute.

Homecoming

Billy Chester, president of the local Ex-Student Association, has announced that the homecoming for all ex-students of Sudan High School has been

slated for Saturday, October 20, in the school cafeteria. No invitations will be sent locally.

Registration and a reception

will begin at 6:00 p. m. by the Future Teachers of America organization of the high school. The meal will be served at 7:00 by the Sudan Band Parents following the reception. Entertainment will be provided by the Texas Melody Boys. Classes to be honored will be

graduates from 1932, 1942, 1952, 1962, and 1972.

The homecoming football game will begin at 8:00 p. m. on Friday night when the Hornets take on the Bovina Mustangs. Members of the senior class at SHS will be in charge of a supper prior to the game, and the Athletic Booster Club will serve pie, cake and coffee following the game at the school cafeteria during a visitation period.

All exes are urged to attend these activities on both Friday and Saturday nights.

"YA' GOTTA' HAVE HART"

Berlin Expert Has Booming Business

Herta Bahr of West Berlin is a woman who gets a bang out of her job, and has been hitting paydirt ever since starting as a demolition worker in 1945. In those days, she helped to clean up Berlin's wartime ruins and rubble. Now she's in her early sixties and concentrates more on clearing and excavating old sites for new construction. "Blowing things down is no more dangerous than crossing the street," she says, "provided you know what you're doing." (Seems one secret is to use as little explosive as possible, placed so's to blow up key parts of the building).

Of course Herta Bahr is not alone in having an occupation that is not always associated with women. She shares that distinction with others of her sex in Berlin, as for example with Elizabeth Harre (the first woman to become Warden of a male prison in Germany) or Helga Borgk (the only West German artist who makes plaster or bronze masks of living persons). Other Berliners who are active in uncommon-for-women trades include surveying engineers, scrap iron dealers, roofers, locksmiths, stone cutters and tombstone carvers, crop dusters, pest exterminators, etc.

Surprising? Well, maybe not really, considering that last year Berlin had only 7,324 unemployed out of a population of 2.1-million; with more than 20,000 jobs waiting for men OR women to fill them in a score of fields.

Homecoming Mums On Sale

Members of the Senior Class of SHS are selling homecoming mum corsages and may be contacted for orders by calling any one in the class. Orders will be taken on Thursday (today), October 11, or on Monday, October 14.

Corsages will be available in school colors of black and gold and decorated with glitter, footballs, letters or numbers. "Get your best girl a homecoming corsage."

TRACTOR MAINTAINANCE COURSE TO BE HELD

A tractor maintenance short course for adult farmers will be held October 15-18 under the sponsorship of the Sudan High School Vocational Agriculture Department, according to Kenneth Noles, Superintendent and Don Ham, teacher of vocational agriculture.

The short course is being sponsored by the vocational agriculture department of Sudan High School.

Norman K. Waggoner, tractor maintenance specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Agricultural Engineering at Texas A&M University, will do the instruction. He is headquartered at Texas A&M University.

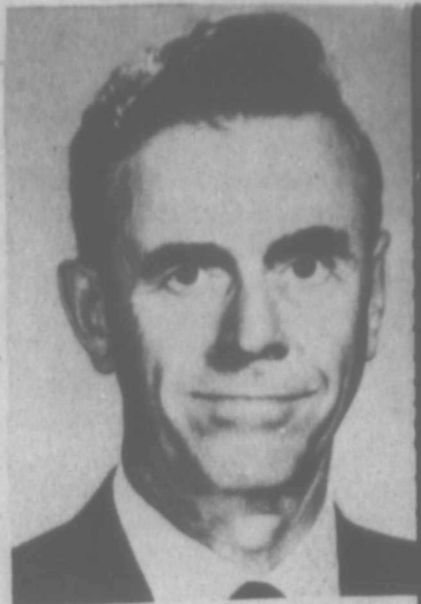

Arrangements for the adult education short course in tractor maintenance and in other fields

were made by Don Ham through Walter Labay's office. Labay is Area I Supervisor.

The short course at Sudan is scheduled to begin October 15th at 8:00 p. m. in the vocational agriculture building. Other meetings in the series of four will be held October 16, 17, and 18th.

During the dates the short course is in progress, Waggoner will be available to assist farmers with individual tractor problems and to provide "on-the-farm" instruction, according to Ham.

Farmers interested in attending the short course should write or call the Superintendent of Schools, Kenneth Noles, or the Teacher of Vocational Agriculture, Don Ham. An entry fee of \$3.00 will be charged. Tractor Maintenance Short

TRACTOR MAINTAINANCE SPECIALIST, WAGGONER

Course Certificates are to be presented to each individual who attends all the training sessions.

Waggoner states that the key to longer tractor life comes from a full knowledge of the fundamentals of an engine and the application of the proper maintenance skills involving lubrication, fuels, carburetion, air cleaners, cooling systems, valves and ignition. Waggoner will cover the proper adjustments and maintenance of the above, with emphasis on the importance of each in obtaining a longer tractor life, and improved performance. Throughout the short course, emphasis will be placed on "learning to do by doing" through the use of several demonstration tractors. All enrollees will have the opportunity to perform actual adjustments and maintenance on their own tractors. Safety and operating techniques will also be stressed.

PERSONAL

Mrs. J. C. Withrow, and her mother, Mrs. Lola Lentz of Littlefield will accompany their daughter and granddaughter, Mr. and Mrs. Jerry Smith of Lubbock to Oklahoma City this weekend where they will visit Misses Jackie and Becky Withrow who are attending Oklahoma Christian College.

A fatal accident happens once in a lifetime.

It's your choice.

To make an intelligent decision—to make a free independent choice—you've got to have the facts...all the facts. That's where newspapers come in. Our job is to supply you with complete information on everything important happening in our community, our state, our world—even in outer space. The responsibility of newspapers is to present you with all the news, good and bad. News that isn't slanted one way or another by personal opinion. Unbiased, objective information you need to make a decision with. And that's exactly what you get on our news pages—facts without distortion.

Of course, you may want to know how others think and feel about a particular situation before making a choice. That's when our editorial pages go to work. Other people's personal opinions. Sometimes even your own, should you desire to express yourself by writing to your newspaper.

And our editorials are clearly labeled as such—not as unbiased news facts.

Newspapers are loaded with information on almost every subject in the world. We can help you decide which dress to wear, what suit to buy, what stocks are good, what book to read, what movie to see, should we send men to Mars and who has the best ball team. We never tell you what to choose—we merely provide you with information—facts and editorial opinions separately. Whatever you choose to do or think is up to you.

But that's not all newspapers do for you. Newspapers render a valuable public service by providing you with advertisements appealing to you as a consumer. Ads tell you where the sales are, what quality is and where to get the most value for your money. Naturally, advertisers aren't unbiased—they all want your business and all claim to be the "best". But by comparing competitor's ads—by shopping intelligently and selectively through the newspaper, you are provided with all the facts you need on which to base your choice.

Newspapers are your foundation for free choice.

Homemakers Meet Held

Some 23 members were present Monday night when the Young Homemakers met. Nell Ingle presided.

Mrs. Charles Glass of Lubbock

gave the program on "ecology". She is a member of the organization "U-Can". A gift from the club made by Mary Powell was presented to Mrs. Glass.

A discussion was held regarding the upcoming Halloween Carnival which will be held October 27 at the local school. The Young Homemakers will be in charge of the "ice cream booth" with lots of homemade ice cream. They also decided to send cards to another member, Nancy Davis, who is in a Bryan hospital for surgery. Refreshments were served by A. Carson, J. Smith, M. Powell. The next regular meeting will be held Monday, November 5. Anyone interested in joining may contact Nell Ingle or Jayellen Wilson.

by Jo Gaye, Debra, Debbie

The junior class is sponsoring an "enchilada supper" Friday prior to the Hart game. Serving time will be from 5:00 to 7:30 p. m. in the school cafeteria. Adults will be charged \$1.50 and age 12 and under will be \$1.00.

The senior class will sponsor a supper next Friday prior to the Bovina game here. Plans have not yet been completed. The class will be taking orders for Homecoming mum corsages on Thursday, Oct. 11, and on Monday, October 14. Place your order on one of those days.

Members of the Hornet Band elected officers this week. They are Kim Fisher, president; Jo Gaye Doty, vice president; Mary Griffith, secretary; Debra Edwards, reporter; Kim Fisher, chaplain. The band is planning several projects to earn money for a trip to Corpus Christi.

A drug program, conducted by Mrs. Inez Moore of the Education Center in Lubbock, was held Tuesday at 2:00 p. m. in the Home Ec. Cottage. Par-

BAND PARENTS MEET

The Band Parents Organization met Tuesday night with several items on the agenda. Tommy Moss, president, presided. Fifteen were present including the director of the Hornet band, Tommy Evins.

Plans were made for the Homecoming banquet to be held Saturday, October 20. Each band student is being asked to donate \$2.00 to buy food items needed

participating were Pat Hedges, Mitch Chester, Phyllis Ray, Trina Williams, Don Noles, Phil Kent, Mrs. Charlene Zoth first grade teacher, and Bernard Wilson, Elementary School Principal. Emphasis was on attitudes of people towards drugs.

Group activity pictures for the 1973-74 annual were taken Wednesday as were individual pictures of Seniors who did not have their picture made in August.

A bon fire is being planned to be held on Thursday night, October 25, following the JV and seventh and eighth grade football games with Vega. Approximate starting time will be at 9:00 or 9:30 p. m. with place yet to be decided.

Attend the pep rallies this week Thursday at 12:30 and Friday at 3:30 p. m. Beat Hart!!

to prepare the meal and this fee should be turned in as soon as possible to the band director or chairman of each committee.

Plans were also made for the Halloween Carnival concession booth when each parent will be asked to bring a food item. The carnival will be held on Saturday, October 27 at the school and is sponsored by the ESA.

A trip for band students to Corpus Christi later in the year has been approved by the members of the school board. However, the band parents voted that the group receive a rating of at least a Division II in the UIL marching contest on March 6, and the sight reading and concert contests also to be held in March, before they make this trip. Projects were discussed to earn money to make this trip possible and it was stressed that the cooperation of every band student and parent will be needed.

JV & Jr. Hi Football

The Junior Varsity team and Junior High football teams will travel to Hart Thursday, today, with the first of three games beginning at 4:30 p. m.

Last week they met Springlake on the home field with the seventh and eighth grades combined and were defeated by a

score of 6-0 in a great defensive game. All team members saw action for the Hornets.

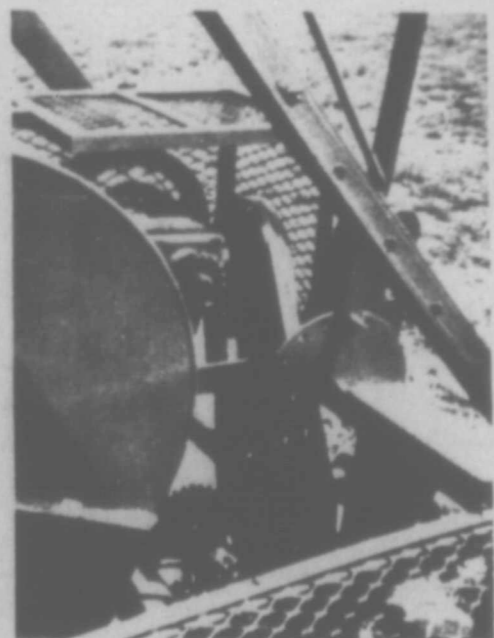

The JV team was given a sound licking by the visitors by a score of 35-8.

Attend the games this week at Hart and boost these teams to a win.
