EVEN THE GOOD stations are sometimes lousy. The other day I was listening to the car radio and CBS was broadcasting some program telling people how to treat a hangover. I didn't care much for that, so I switched to the NBC station. They were playing a song called "Sunday Morning." Listening to the words, I discovered more commentary on the American way of life these days.

Some of the words were something like this: On Sunday morning, there's just nothing to do, so I'll spend some time with you. . . . We'll mix up some brew and do all the things that other people do. . . . I turned that one off, too. Evidently the writer never thought of the possibility of anyone's going to church on Sunday morning.

A BUSINESSMAN wanted to impress a visiting executive from another firm. He flipped on his intercom and barked to his secretary, "Get me my broker!"

The visitor was impressed until the secretary's voice came back loud and clear: "Yes, sir. Stock or pawn?"

THE KID ON COLLINS ST. had a pertinent question for his father: "Daddy," he asked, "before you married mom, who told you how to drive?"

KNOTHOLES: Sunday is Ground Hog Day, and I never can remember whether I want him to see his shadow or not; all I know is that I don't like cold weather. . . . There's an old folk tune called "Ground Hog" which I like. It tells all about hunting a ground hog and barbecuing him. ("Up jumped Sally with a snicker and a grin, had ground hog grease all over her chin. . . .") Don't turn up your nose at all that, because with the price of food like it is, we're about ready to eat anything. . . . February also is the month for the birthdays of George Washington, Abe Lincoln and John Wood.

Shower Honors Bride-Elect

Kathy Minyard, bride-elect of Ken Isom of Idalou, was honored Saturday, Jan. 25, with a bridal shower from 10 to 11:30 A.M. at the home of Mrs. C. E. Nichols. Mrs. Nichols, the bride-elect and her mother, Mrs. Ken Minyard received guests. They registered in the bride-elect's book.

Miniature rolls, spiced tea and coffee were served from silver appointments by Mrs. Bill Thornton and Mrs. Robin Davis. The honoree was presented

a corsage of blue baby spider mums and a blue floral bedspread from the hostesses.

Franks Wins Award

Special recognition for his ability as a sorghum grower has been given to Connie Franks of Amherst-Sudan area by The Producers of Funk's G-Hybrids.

His documented irrigated yield of 5991.5 pounds per acre was made with Funk's G-522. The yield was entered in Funk's G Project, 25 national high-yield sorghum growing program.

Announcement of the award was made by Pudd Wiseman of Sudan.

Project 25 was designed to challenge growers to increase sorghum yields for greater productivity and profit. Yield results and the agronomic practices used to achieve them are then shared with sorghum growers everywhere.

Franks' yield of 5991.5 pounds per acre was produced on 41.3 acres. He planted the Project 25 sorghum on May 11 in 40-inch rows at the rate of 5.25 pounds per acre. His fertility program consisted of 125 pounds of nitrogen per acre. He used a herbicide and insecticides.

The Funk's G-522 harvested on November 7 at 12.7 percent moisture.

To qualify for Project 25, participants harvest a minimum of 25 acres on one parcel of land, and submit harvest weights, moisture test and land area measurements. Information contained in the entry is verified by a reputable, disinterested witness.

A computerized summary of Project 25 agronomic information is made available to sorghum growers each year by Funk Seeds International, Inc. With this information, sorghum growers can compare their growing methods to those used by other top producers.

BOOSTER CLUB TO HOLD CALLED MEET

The Sudan Booster Club will have a called meeting Monday night, Feb. 10 at the school cafeteria. This

will be an important meeting and all members are asked to be present. Time of meeting is 7:30 p.m.

Basketball

In the first round of the Jr. High Class B District Tournament which began Monday, Feb. 3 at Lazbuddie, the Sudan eighth grade boys lost and the girls won. The teams were up against Happy in the first round of play Monday with Sudan girls winning 40-21. The boys lost 39-25 eliminating them from the tourney.

In the girls game, Sudan led throughout the game amassing 24 points in the first half to 14 for their opponents. Deanna Flowers led the locals with 16 points, half at the free throw line. D. Gardner scored 10, S. King 8, and S. Vincent 6. They will play Lazbuddie at 3:45 Wednesday, in the second round of the tournament.

In the boys game, B. Graves scored high for Sudan with 8, R. Moore 7, M. Jones 4, and J. Woods, R. Scott and P. Edwards 2 each. Venhaus scored 20 for Happy.

If the winner of round robin play which was Nazareth, is not the same as the winner of the tournament in the girls division, they will have a play-off.

HORNETS ALMOST WIN

Almost, but not quite! Spade edges Sudan, 80-74.

The Sudan Hornets almost slipped by the Spade Longhorns here Tuesday night in a thriller as Spade fans were stunned and quiet and Sudan fans were delighted, and cheered their team at the determination and strength showed by the hosts. The Hornets proved to be a hand full throughout the game and jumped off to score first in the game on a basket by Se-

FIRE DEPT. NEEDS EQUIPMENT

Due to the number of city and especially country fires, additional equipment is needed by the Sudan Volunteer Fire Department.

The purchase of a one-ton van, which is used for carrying additional fire fighting equipment such as bunker coats, boots, gloves, helmets, resuscitator, Scott Air Packs and bottles, electric generator, suction fan pry-bars. First aid equipment and other miscellaneous equipment is needed so that the Sudan Volunteer Fire Department can give better

fire service.

At present, the department uses a 1963 Ford Falcon panel wagon which is overcrowded, and will not haul all the equipment for fire service. The panel wagon will not exceed the speed of 50 mph, when making a fire call. The reason for this is the panel wagon is overloaded with the amount of equipment it has to haul.

A water tank truck is also needed by the department. The shortage of water in the rural area makes the department have a handicap in giving good fire service to people in the rural area.

The fire department is unable at this time to purchase the late model one-ton van or the water tank truck. The Sudan Volunteer Fire Department is asking for contributions from residents in the city limits, as well as rural residents surrounding the Sudan area.

The Sudan Volunteer Fire Department feels that the City of Sudan should not be held responsible for purchasing this equipment, because they will probably have to purchase a new pumper fire truck in the near future.

Anyone interested in helping the Sudan Volunteer Fire Department purchase this much-needed equipment, may send their contribution to the Sudan Volunteer Fire Department, Box 334, Sudan, Texas 79371 or The First National Bank, Box 491, Sudan, Texas 79371.

FIREMEN ANSWERS CALLS

The local Volunteer Fire Department was called to answer four fire alarms during the month of January.

The first one was Jan. 23 at the City Dump Ground at 2:15 p.m.; then on Jan. 25 at 3 p.m. at Fairview Gin; at Farmers Grain Co. on Jan. 29 at 9 p.m.; and Slim Wallace's trailer house Jan. 31 at 1 a.m.

with only a three point margin. Pickett scored as did K. Martin, then two baskets by Spade, and Pickett again. Sudan hung on to the lead, and at 2:08 the score was 60-55. Spade was called for lane violation; then Pickett threw the ball away but scored on his next possession on a long shot. With 35 seconds remaining, Williams scored and Spade followed with a basket. Sudan was ahead 64-61 at the end of this period.

The Longhorns changed their strategy having become quite bothered by the pressing defense and fighting Hornets. They fought back and slowed the game. With a basket by M. Matthews at 6:09, Spade went ahead, 67-66. Two minutes went by with neither team scoring. Martin was called for fouling and then intercepted a pass. As they went down court, Tamplin appeared to have a clear shot but fumbled the ball outside. Spade

scored again, and on their next possession, stalled with a 71-66 lead, but Harper hit for the locals and at 2:54 cut the lead. Tamplin deflected a Spade pass and then the Hornets cut the lead of Spade to one point, 70-71. Sudan had to foul then to break up the Spade stall, and Spade went on to win 80-74.

Tamplin led Sudan with 21 points, Pickett had 20, Harper 13, Williams 8, and Robinson and Martin each had 6. For Spade, Matthews was high with 24 but was held to only two points in the first and second quarters; Reub scored 15 with 12 in the first; Burchfield had 11; Batson 10; Mills 8 and Hall and Cowan 6 each.

Spade is first in district competition.

Coach O'Rear reported that Longhorn Coach Jim Haines told him that Sudan was the best team they had played all year, and that he didn't know if stalling would benefit them or not but he had to try something in the last quarter and it worked. They were defeated by Union two times earlier this year by a narrow margin.

O'Rear stated that they had the Hornets "up" and they put out a super effort. It was the last home game for Seniors Richard Tamplin, Craig Harper, Bobby Phillips and Luther Robinson.

Senior girls playing their last home game were Phyllis Ray, Mary Griffith, Mary Ann Bellar, Doyleene Poe and Oletha Johnson.

Cotton classing volume was the lowest on the High Plains since 1950, according to Paul R. Dickson, in charge of the USDA's Cotton Classing Office in Lubbock. "We've had two years close to this season's total." "The 1967 crop of 1,117,000 and the 1971 crop was 1,121,000," he commented.

The USDA's Agricultural Marketing Service reported 20,000 samples were classed

during the week ending Friday, January 31. This brought the season's total to 1,083,000. On this same date last year the total was 2,418,000, Dickson said.

Predominant grades this season were 41, 51, and 42. Grade 41 accounted for 21 percent, grade 51 was assigned to 23 percent and grade 42 was 28 percent of the samples. Last year the predominant grades were 31 and 41 at 26 and 46 percent respectively.

Twenty-nine percent of this crop was reduced one grade because of bark. Last year's crop had bark reduction on four percent.

The average staple length this year was 31.7 thirty-seconds of an inch compared to 31.1 last year.

Micronaire readings in the premium range of 3.5 to 4.9 accounted for 20 per-

cent of this crop compared to 81 percent last year.

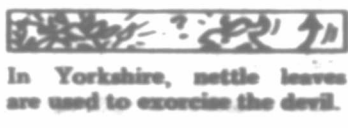

Pressley strength averaged 83,000 pounds per square inch for both crops.

Prices paid farmers for mixed lots this week ranged from 16.48 cents for low mike cotton to 26.75 cents for premium mike cotton.

Most lots brought 20.00 to 25.50 cents per pound. Demand was steady to fair for current ginnings and trading was steady to slow.

Prices paid farmers for their cottonseed averaged \$122.50 per ton.

Hornets play this year and the game was the highlight of the season. They stand 6-4 in district.

The varsity girls game was another thriller with the Hornets leading 12-6 at the end of the first quarter and the second and third quarters similar to the boys game but the teams reversed. The visitors played catch-up and scored 15 points to Sudan's 8 in the second quarter for a 21-20 halftime lead. They scored 16 to Sudan's 10 in the third period.
